Ethan's Law resolution vote tomorrow

Comment:

Hello. Thank you so very much for considering passing this resolution regarding "Ethan's Law" a safe storage bill that can help make IL safer. It gives consequences to parents of minors that do not store their weapons properly for minors to get ahold of. You may have heard that last week in Evanston a grade school student brought a loaded gun to school. Almost a month ago, Elmhurst schools were locked down when an elementary student brought 3 rounds of ammunition to school and of course we know about the HS students bringing a gun into Highland Park high

school. Kids are in danger due to weapons in the home that are accessible and it must stop immediately to save lives. Thank you so very much once again for your consideration of this resolution in Dupage county so that it can hopefully proceed to the IL general assembly.
