7. CHAIR'S REPORT

Chair Conroy made the following remarks:

This morning, I'd like to thank our County staff for working this past weekend to help our neighbors in southern Illinois. You may have heard about, or perhaps driven through, some of the

heavy rains in southern Illinois, Indiana and Ohio, that caused serious flooding. Public Works Deputy Director Sean Reese and OHSEM Director Craig Dieckman and their teams worked together to provide three sandbag machines to Massac County, in far southern Illinois. This is part of our response as members of the Illinois Public Works Mutual Aid Network. Thanks to all of our County workers who loaded up the equipment and helped get it where it is needed. While in this instance, DuPage County is **helping** its neighbors to the south... when DuPage County **needs help**... its neighbors will return the favor, thanks to our strong mutual aid network.

It was a big week last week for all who competed in the municipal and township elections. Congratulations to Board Member Sheila Rutledge, who was elected as the Winfield Township Supervisor. I look forward to working with Sheila in her new role and with each of the township and municipal leaders who will take office next month.

Finally, there's one more person here that we need to congratulate - our own Nick Kottmeyer won the American Public Works Association's "Public Works Leader of the Year Award" for the Chicago/Suburban Chapter. Nick's many accomplishments over his career, his leadership, and especially the time he takes mentoring young engineers, contributed to his selection. For those of you keeping track, it's been just 20 short years since Nick was named the "Young Civil Engineer of the Year" by the American Society of Civil Engineers. Nick, there aren't enough awards to capture everything you do to keep our DuPage County departments running like a well-oiled machine.

On behalf of the Board, thank you for your great work and congratulations on your well-deserved recognition.
