Product Changes and Features Availability

Features, options, and package content subject to change. Please check www.fmcdealer.com for the most current information.

¹ Ford Connectivity Package included for one-year from warranty start date. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. To activate the one-year complimentary trial, retail modem authorization and credit card authorization for auto renewal is required; customer may cancel at any time.

² Select option for a one-time purchase of Ford Connectivity Package. Ford Connectivity Package will be active for 7 years on this vehicle (non-transferrable to another VIN) from warranty start date. Requires activation via FordPass® app. Not available for fleet orders. Evolving technology/cellular networks/vehicle capability may limit functionality and prevent operation of connected features. Ford may temporarily slow data speeds if such data usage reaches or exceeds 50GB within a billing cycle or due to network limitations. If a customer uses more than 50% of their data usage in a roaming country during a 60-day period, Ford may remove or limit the customer's data plan.
