CONTACT EMAIL:	kendrick.harrison@safety-kleen.com

### **Section II: Participation**

If awarded	l, woul	d your	firm	be	willing	to	extend	its	bid	to	other	DuPage	County	taxing	bodies	(e.g.,	school	dist	ricts,
townships,	cities,	and vil	lages	) fo	r the p	urp	ose of .	Join	t Pu	rch	asing	in cases	where th	ne appr	oximate	quant	ity and/	or us	sage
is unknow	า?																		

Yes

☐ No

#### **Section III: Additional Requirements**

If "Yes" in Section II above, please list below any desired additional requirements or specifications that are beyond those listed in the County's Bid.

Depending upon requirement		

#### **Section IV: Joint Purchasing Limitations**

If the County accepts this bid, the County and the Awarded Contractor will develop Joint Purchasing procedures. The County will distribute these Joint Purchasing procedures to the taxing bodies. Beyond that, the County will not be involved in the purchasing other than to receive a copy of the other taxing body's Purchase Order. The other taxing body's Purchase Order will reference the County's contract number. Invoicing and payments will be entirely between the other taxing bodies and the Awarded Contractor.

#### **Section V: Certification**

By signing below, the Bidder certifies that the information submitted on this form is true and correct to the best of its knowledge.

#### **EMERGENCY RESPONSE RATES - Dupage County Facilities Management**

#### **Pricing Conditions**

"Contractor" is hereby defined to mean Clean Harbors Environmental Services, Inc., along with its affiliates and subsidiaries, including but not limited to Hepaco, LLC and Emergency Response and Training Solutions, LLC.

- 1. All labor, equipment, materials, and services outlined in this Schedule of Rates will be invoiced at the pricing above unless project item is completed by a subcontractor. Any third-party goods or services utilized by Contractor in the performance of the services shall be invoiced at Contractor's cost plus a markup of thirty-five percent (35%). Unless otherwise specified, these rates are not valid for response to Infectious Agents/Biologicals. The Schedule of Rates includes the cost of Contractor basic medical monitoring program. Any special medical monitoring required by the Customer or the nature of the work will be added to the project scope and the Customer will be invoiced at cost plus the markup listed above.
- 2. Lodging and subsistence for Contractor personnel and our subcontractors in the field are included in a per diem charge per person per day when working more than 30 miles from the employee's normal operations center and when overnight accommodations are required. The rate is outlined in the labor section of this document. When overnight accommodations are not required but work exceeds 12 hours, a \$50.00 charge per day per person may apply to cover meals and incidentals.
- 3. At its sole discretion, Contractor will determine the level of protection required for each project. Level A, B, C or D personal protection and safety packages will be invoiced at the rates shown in the Schedule of Rates.
- 4. Contractor's personnel and equipment will be charged portal-to-portal (mobilization and demobilization included). Services provided prior, during and/or subsequent to actual project site activities will also be charged at the Hourly Rate. This may include time required to mobilize, service, repair, coordinate, administer, demobilize, and restock all vehicles and equipment used in performance of the work (whether performed on or off site), but is not limited to, time taken by personnel to decontaminate and re-don protective clothing and equipment that is billed as part of the project.
- 5. Contractor's normal employee workday is 7:00 am to 3:30 pm, Monday through Friday. Other work hours must be agreed to in writing in advance. No more than eight (8) hours of straight time will be billed for one person for one day. All time will be based upon a 24-hour day.
- 6. All hours worked in excess of eight (8) hours in the normal workday, as described above, as well as all hours worked all day Saturday are considered overtime and will be billed at 1.5 times the applicable straight time rate for all billable personnel.
- 7. Sunday and Holidays are considered premium time and will be billed at 2.0 times the applicable straight time rate for all billable personnel. Holidays are the legally observed United States Federal Holidays plus the day after Thanksgiving. When local laws or regulations recognize additional holidays or when local laws or regulations define premium hours in excess of this definition, Contractor will invoice in accordance with local laws or regulations.
- 8. A minimum fee of \$5,000.00 will be charged to any new Customer or to any Customer who is not in good payment status with Contractor, as determined in Contractor's sole discretion. The fee will be paid at the time of ordering emergency response services, and any charges estimated to exceed the minimum fee must be paid in advance before Contractor will begin providing services. Credit card payments, which are only accepted if approved in advance by Contractor, will incur an additional processing fee of 3%.
- 9. All projects are subject to a minimum four (4) hour response charge or \$3500.00 minimum charge, whichever is greater. Minimum charges do not apply to Transportation and Disposal.
- 10. Charges for Safety Plans are assessed on all projects. In some instances, a Site Safety Officer charge will apply per hour to create and administer the Safety Plan.
- 11. Contractor assigns a Project Manager to each project. Contractor's Project Managers are experienced professionals who are responsible for directing Contractor field supervisors, obligating company resources to a project, and providing technical guidance to projects. Customers are billed for the time spent and expenses incurred by the Project Managers for periodic site visits, Customer-requested meetings, and other activities deemed necessary to assure a properly run project. Additional Project Managers or supervisory personnel may be assigned as deemed necessary by Contractor.
- 12. A variable Energy and Security Recovery Fee (that fluctuates with the applicable national average diesel price), will be applied to the total invoice, excluding sales tax. For more information regarding our recovery fee calculation please go to: www.cleanharbors.com/recoveryfee.
- 13. A variable Global Tariff fee will be added to the Recovery fee. For more information, please visit our website www.cleanharbors.com/recoveryfee.
- 14. The additional excise and sales tax added to the price of diesel fuel at the pump under the California Road Repair and Accountability Act (CARRAA) of 2017 has increased the cost of providing services in the State of California. To off-set this extra cost, Contractor is implementing a 2.5% CA RRAA Fee on every invoice for California generators.
- 15. Unless specifically notated in rates above, these rates do not apply to any projects with Prevailing Wage requirements. Any additional Prevailing Wage rates will be negotiated on a case-by-case basis.
- 16. Equipment billed on an hourly basis will be billed a minimum of four hours upon activation. For equipment with only Daily Rates, a day will be charged up to 12 hours. No more than 2 Daily Rates will apply per calendar day. For boats and other marine equipment, Daily Rates will apply regardless of the hours used per day.
- 17. Unless specifically notated in the equipment description, all equipment rates are unoperated.
- 18. All waste disposal from project and or response activities will be charged additionally to the rates lists herein plus local, state, and federal fees/taxes of the generating location/receiving facilities as applicable. A Waste Document Preparation Fee of \$125 per day will apply to any work generating waste. The fee includes labels, manifests, and bills of lading, but does not include the Profile Approval Fee of \$125 and Profile Recertification Fee of \$35 which will be charged upon profile approval or recertification per profile.
- 19. A \$27 fee per manifest will be charged to be in compliance with the e-manifest system implemented by the EPA on June 30, 2018. For services provided in Ontario, the fee shall be \$19 per manifest, and for services provided in British Columbia, the fee shall be \$23. This fee is evaluated annually and could increase based on cost from the applicable
- 20. If the work is performed over, adjoining, and/or in water such that the U.S. Longshoremen's and Harbor Workers' insurance or Jones Act insurance apply, then an additional fee of 25% of total invoiced labor costs for the Work will be added to compensate for U.S. Longshoremen's and Harbor Workers' insurance or Jones Act insurance and related risks.
- 21. In the event of adverse temperatures and working conditions, a daily charge will apply for "Adverse weather/conditions relief" of \$150 Day. The daily charge covers consumables for both hot/cold conditions such as ice, water, Gatorade/electrolyte drinks, and coolers/thermos.
- 22. Contractor supports many invoice delivery options (E-mail, Electronic Invoicing, EDI, Etc.). Pricing is based on Contractor's standard invoice delivery method of E-mail. If another delivery method is required there could be an additional service fee per invoice. Any alternate delivery methods must be reviewed and approved by Contractor prior to acceptance and implementation.
- 23. Incident Reports can be created for any emergency response projects and will be charged at a rate of \$400 each. Larger and more complex reports will be quoted case-by-case.
- 24. Standby charges will be negotiated on a case-by-case basis.
- $^{25\cdot}$  Contractor guarantees to hold prices firm for 30 days.
