10. **Waiver.** If the County fails to enforce any provision of this Agreement, that failure does not waive said provision or the County's right to enforce it.
11. **Sole Agreement.** This Agreement contains all negotiations between the County and Agency. No other understanding regarding this grant Agreement, whether written or oral, may be used to bind either Party.
12. **Liability.** The Agency agrees to indemnify, save, and hold the County, its officers, agents and employees, harmless from any claims or causes of action, including attorney's fees incurred by the County, arising from the performance of this Agreement by the Agency, its officers, agents or employees. This clause will not be construed to bar any legal remedies the Agency may have for the County's failure to fulfill any of the County's obligations under this Agreement. Notwithstanding any provisions of this Agreement to the contrary, indemnification under Section 12 of this Agreement shall be limited to the Agency's allocation, less any amount unspent.

Dear Member Rutledge,

Thank you for inviting SCARCE to submit an application for the 2025 Member Initiative Grant Program.

The grant would be used to purchase a free standing reusable banner (printed on both sides) to promote the collection of unwanted, used smoke detectors at recycling extravaganzas in DuPage County.

The grant will also fund 2 collection bins, shipping, de-manufacturing, recycling and final safe storage of the toxic materials in the Smoke Detectors. There is a small amount of radioactive material known as Americium 241 in most residential smoke detectors. Americium 241 has a half-life of 432 years. After 432 years the Americium 241 decays into Neptunium 237 which has a half-life of 2.14 million years.

This project builds awareness and educates residents on the need for proper disposal of smoke detectors and helps keep radioactive material out of our landfills.

SCARCE has worked with both of the companies, Blooming Color in Lombard and Curie Environmental Services in New Mexico, for many years.
We are attaching the forms requested as well as the quotes from the companies we will be working with.

Thanks again for this opportunity to help residents protect our future from this very toxic, long lived isotope.

Sincerely,

Kay McKeen, SCARCE Founder and Executive Director
Beverly Jaszczurowski, SCARCE COO
