Subject: Unsolved Murder of Lorraine Bieze

Comment:

I would like to thank Committee Person James Zay for mentioning and making it part of the official record my written public comment regarding the open and unsolved cold case murder of Lorraine Bieze.

I would respectfully ask that the DuPage County Sheriff's Office please create a renewed media campaign to develop a new public awareness of the 1982 unsolved murder of 21 year-old mother Lorraine Bieze, who was left murdered

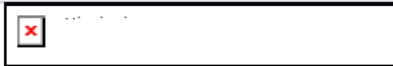

near Pratt's Wayne Woods, Wayne, IL.

An officially formatted bulletin should be formally posted on social media. We would like to post the Sheriff's Office "official bulletin" on several cold case webpages and mail to local and national media.

the current (3) three sentence mention with a black and white photo on the Sheriff's web page can be improved and is not sufficient to create public interests.

We appreciate the continued full Judicial and Public Safety Committee members support of this effort

Lorraine and her family deserves more...
