RE: Rescission of the 2019 Business Travel Expense Policy

Background:

On May 14, 2019, the County Board approved FI-R-0191-19, a resolution to approve travel and business reimbursement regulations. On September 12, 2023, the Board adopted the new Business Travel Expense Policy, resolution FI-R-0197-23. It was determined that the 2019 Travel Policy was never rescinded, and rescission of the 2019 resolution is needed to avoid confusion.
