Mainframe Shutdown Project

What: The IT Department will shut down DuPage County's 40-year-old mainframe in 2025

Highlights:

- Timeline Change: **Q2 or Q3 2025**
- Warrants Application: The Warrants application is the sole remaining application on the mainframe. CloudGavel is being implemented and is scheduled to go live in June 2025

Watch Items:

- Remaining Application – **Warrants**
- Mainframe Maintenance Costs – Annual renewals will have to be watched closely
- Anticipated savings in 2025 will not be realized

Additional Project Updates

- Infor Upgrade of Mingle Portal – **COMPLETED**
- MHC/Image Express Server Upgrade – **IN PROGRESS**
- PRMS MFR/OCR 10.0 Upgrade Project – **IN PROGRESS**
- PRMS RFP (Planning Phase) – **IN PROGRESS**
- Operational Excellence Campaign – **IN PROGRESS**
- FOIA Request Tool – **NOT STARTED**
