Paul Hoss informed the Committee that June 6th, the Zoning Board of Appeals will be reviewing proposed text amendments, including bees, changing a provision that would allow as of right a certain size lot that has been plotted as of 1957, corner side yard setbacks for fences, and increasing the detached accessory building allowance.

Member Rutledge inquired if the accessory building allowance could be used as an accessory dwelling unit. Mr. Hoss added that this will be included in a separate set of text amendments. It will propose allowing people under age 62, who are non-related to live in already existing detached accessory buildings.

MEMORANDUM

TO: DuPage County Development Committee

FROM: DuPage County Zoning Board of Appeals

DATE: June 6, 2024

RE: **ZONING-24-000006 Sur Mac Builders, LLC.**
(Naperville/District 5)

Development Committee: June 18, 2024:

Zoning Board of Appeals Meeting: June 6, 2024: The Zoning Board of Appeals recommended to approve following zoning relief:

Conditional Use for a Planned Development to allow an existing duplex to remain on the subject property.

Subject to the following conditions:

1. That the property be developed in accordance with the petitioner's site plan made part of Zoning Petition #**ZONING-24-000006 Sur Mac Builders, LLC.** dated May 9, 2024.
2. That the Conditional Use zoning relief shall expire after three (3) years from the date of approval of the subject zoning relief by the DuPage County Board or upon one of the following circumstances, whichever shall come first:
 - a. The structure or use is destroyed or damaged by fire or other casualty or act of God to the extent that the cost of restoration for the above ground portion of the building, structure, or use to the condition it was prior to the destruction or damage exceeds fifty percent (50%) or more of its replacement value.
 - b. The structure is voluntarily removed.
3. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.

4. That in conjunction with the submittal of a building permit the developer provides a landscape plan showing partial landscape screens around the perimeter of the development.
5. That the property be developed in accordance with all other codes and Ordinances of DuPage County.

ZBA VOTE (to Approve): 6 Ayes, 1 Nays, 0 Absent

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Conditional Use to allow an existing duplex to remain on the subject property, where it has existed since at least 1900.
2. That petitioner testified that they purchased the subject property in 2023 as a duplex within the R-4 Single Family Zoning District, and that the property was constructed as a duplex in 1900 per Naperville Township Assessor documents.
3. That petitioner testified that the subject property was used as a duplex for over one hundred (100) years and that the conversion to a single-family home changed the property's designation from legal non-conforming to a non-conforming use.
 - a. That petitioner testified that approximately ten (10) years ago, a previous property owner closed up one of the entrances and converted the subject property into a single-family home, thereby removing the legal non-conforming use as a duplex in a single-family zoning district
 - b. Furthermore, that petitioner testified that based on Google Map Street View images, the subject property was used as a duplex from 1900 to approximately 2012, and that sometime between 2012-2017, one of the entrances was closed off and the property was converted to a single-family home, and then later reconverted to a duplex use with renovations sometime after 2018.
4. That petitioner testified that they did not discover that the subject property was not a legal non-conforming duplex until after they closed on the subject property in 2023.
5. That petitioner testified that they completed a series of Freedom of Information Act (FOIA) requests to Naperville Township, DuPage County Building and Zoning Department, City of Aurora, and DuPage County Sheriff and that the returned FOIAs did not find any evidence that the property received any nuisance complaints/evidence in the last fifty (50) years.
6. That petitioner testified that the subject property is zoned R-4 Single Family Residential and borders the I-2 General Industrial District to the south, and that the subject property is a suitable transition from single family to industrial uses.

7. That petitioner testified that the existing duplex home/building was constructed in 1900 and that the allowing the existing duplex to remain on the subject property will not and does not impair the public health, safety, comfort, morals, or general welfare.

STANDARDS FOR CONDITIONAL USES:

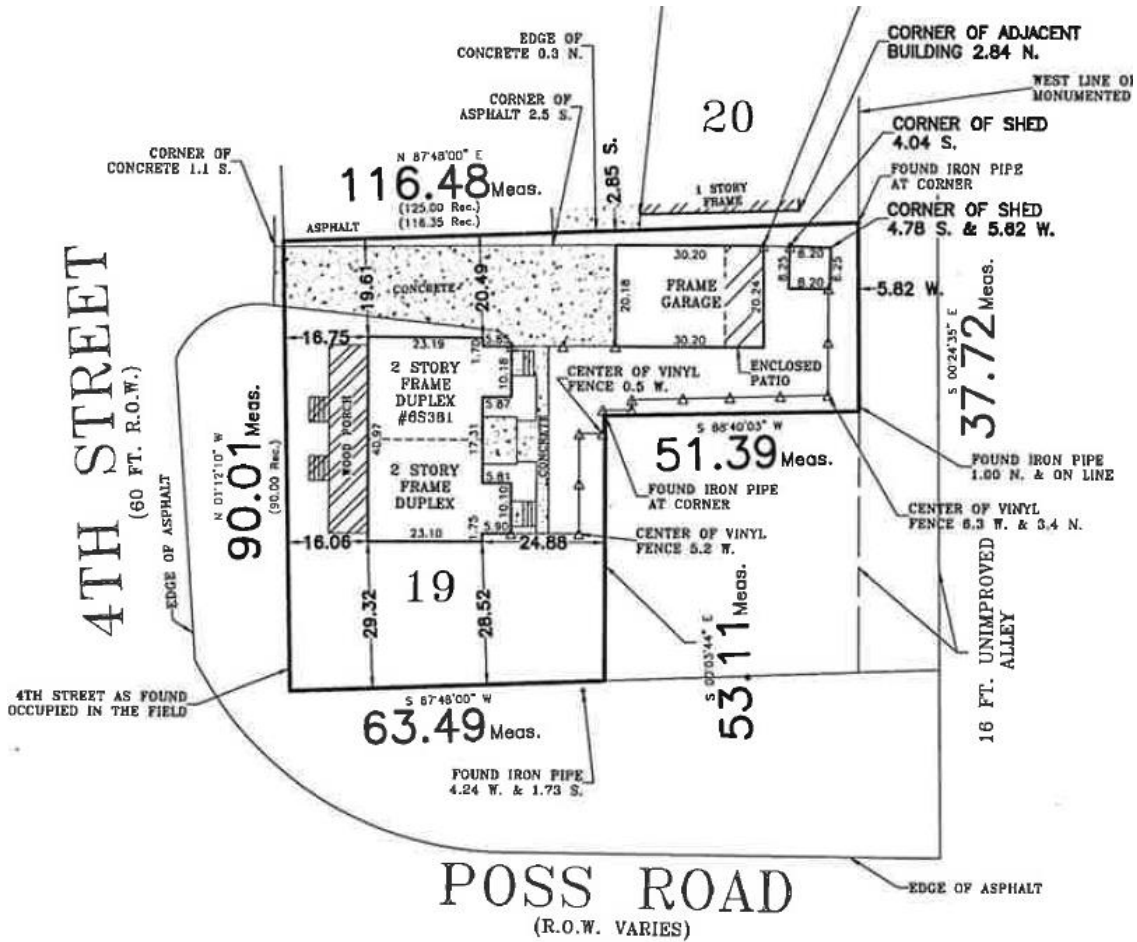

1. That the Zoning Board of Appeals finds that petitioner **has demonstrated** that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically, that the granting of the Conditional Use will not:
 - a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and that it does not impair an adequate supply of light and air to the adjacent properties.
 - b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and that any updates were constructed to the current Building Code and do not increase the hazard from fire or other dangers to said property.
 - c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and has not diminished the value of land and buildings throughout the County.
 - d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and does not unduly increase traffic congestion in the public streets and highways.
 - e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and does not increase the potential for flood damages to adjacent properties.
 - f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and does not impact flood protection, rescue, or relief.
 - g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the duplex home/building was constructed in 1900 and that the allowing the existing duplex to remain on the subject property will not and does not impair the public health, safety, comfort, morals, or general welfare.

Re: Zoning Petition ZONING-24-000022 Somerset Plaza, LLC

Dear Ms. Infelise,

On April 15, 2024, the Village of Burr Ridge Plan Commission/Zoning Board of Appeals performed an extraterritorial review of the conditional use request to allow for auto sales with auto repair at 10S644 Kingery Highway, Willowbrook, IL 60527. This property is located to the west across from Village of Burr Ridge limits (east side of Kingery Highway).

While the Commissioners did not object to the use, they did have questions about the use which were not answered in the application materials:

- Are there other locations for the business and where?
- What is the business plan?
- What are the hours and days of operation?
- Are customers by appointment only or walk-ins?
- What kind of vehicles are for sale (i.e. passenger, trucks, vans, etc.) and what are the price-points (i.e. high end, luxury, used, etc.)?
- Based upon the configuration of the tenant space, it appears that a large volume of repair work will also be occurring at the property. Please clarify the nature of the auto repair work, how tires will be stored, and how fluid disposal will be handled.
- Will the auto repair work be conducted inside or outside the building?
- Where will the vehicles be displayed and stored, indoors or outside?
- Since this is a multi-tenant development, how many parking spaces are dedicated to the unit?
- What kind of security will be provided if the vehicles are outside (i.e. cameras, fencing, gates, etc.)?
- Will there be new parking lot lighting installed? If so, the Commission recommends that the lights be properly angled and shielded to prevent glare and light spillover.

Additionally, the Commission recommends that no sales signs, balloons, banners, streamers, inflatables, or other attention-getting devices be allowed. Currently the Waffles restaurant has several of these items which are distracting along an already dangerous stretch of road.

Should you have any questions, please do not hesitate to contact me at estern@burr-ridge.gov or (630) 654-8181 x 6260.

Sincerely,

Ella Stern, Planner
