JJE will in no way be held liable for loss or damages, direct or consequential, due to delays in delivery caused by events outside our direct control. B) If shipment is delayed by fault of the Purchaser, payment of the Purchase Price shall not be delayed thereby and the Equipment shall be at the Purchaser's risk of damage or loss from any cause whatsoever and any additional expense incurred in handling, storage or insuring the Equipment caused by said delay shall be paid by the Purchaser.

8. **INTERPRETATION / CHOICE OF LAW.** The Purchaser and JJE agree that this Agreement shall be interpreted, construed and be governed by and in accordance with the laws of the State of Illinois. The Purchaser and JJE further agree that should any term or condition, or any part thereof, contained in this Agreement be unenforceable or prohibited by present or future provincial or federal laws, then such term or condition, or part thereof, shall be ineffective to the extent of such unenforceability or prohibition. Failure at any time by either Party to exercise any of its rights under this Agreement shall not constitute a waiver thereof nor prejudice either Party's right to enforce it thereafter.
9. **ENTIRE AGREEMENT.** It is acknowledged and agreed that this Agreement constitutes the entire agreement between JJE and Purchaser and there are no representations, warranties, conditions or guarantees, expressed or implied, statutory or otherwise, other than contained herein.

12. **INSURANCE.** The Purchaser hereby undertakes to keep the Equipment fully self-insured against loss by reason of accident, fire, theft and all other risks to an amount not less than the amount owed to JJE, such self-insurance being payable to JJE, until the Purchase Price of the Equipment together with all interest and costs which may have been incurred, have been paid. The Purchaser undertakes to supply evidence of such self-insurance satisfactory to JJE upon demand.
13. **TRADE-INS.** The Purchaser hereby warrants and represents that all equipment and machinery granted, sold or assigned to JJE in connection with this Agreement in satisfaction of the Purchase Price or otherwise shall be free and clear of all liens, levies, charges and encumbrances. The Purchaser further agrees, to the extent permitted by applicable law, to indemnify and hold harmless JJE from and against liens, levies, charges and encumbrances that the Purchaser may be required to pay or discharge in respect of such machinery or equipment.
14. **FURTHER ASSURANCES.** This Agreement may not be assigned by either Party without the prior written consent of the other. The Purchaser hereby authorizes JJE to file such financing statements and do such acts, matters and effects as JJE may deem appropriate to protect its interests in the Equipment until payment in full of the Purchase Price together with all amounts due hereunder.
