Member Garcia inquired if there is still remaining work to be performed which is being done through another contract. Valerie Calvente responded that Video and Sound Service, Inc. was awarded a contract in November 2024, but their performance was not acceptable with the County. Currie Motors Frankfort, Inc. - P.O. 5660-0001 SERV - This purchase order is decreasing in the amount of \$308,518 and closing due to expiration of the contract. (Coroner's Office)

Member Zay asked for further explanation on why this contract and the contract referred to in item 9.B. are being closed. DOT Director, Steve Travia, responded that the County is currently having success in securing vehicles through dealerships. These particular contracts that are decreasing and closing are older contracts which were problematic during the pandemic and post-pandemic years. The purpose in closing these contracts is to simply remove them from their books. Any needed vehicles have been purchased through other means. Member Zay inquired if co-ops find a vehicle that meets the County's needs at a local dealership, would it then be purchased. Director Travia stated that it is in the best interest of the County to work with co-ops. Chair Evans asked Director Travia whether or not the County currently has all of the vehicles it needs. He responded that he has almost completed fulfilling the master list of needed vehicles.

11. NEW BUSINESS

Member Schwarze brought forth the topic of noise complaints he has received from several residents of unincorporated DuPage County. He learned that there is an existing noise ordinance pertaining to industrial-type noise, but nothing specific to residential noise. Member Schwarze brought this to the attention of the State's Attorney's Office who then drafted an ordinance that applies to residential noise complaints in the unincorporated areas of the County. Chair Evans asked for more information to be shared with the Committee. Jason Blumenthal and Barb Reynolds then explained some of the details and exceptions found in this ordinance. A discussion took place with questions and comments offered by Members Honig, Zay, Haider, DeSart, Rutledge and Garcia. In addition, Undersheriff Moore commented that his department is in agreement with this ordinance and has no concerns with enforcing it, when necessary. Chair Evans was in favor of bringing this matter forward at a future meeting. Jason Blumenthal stated that this ordinance will be placed on the April 15, 2025 agenda.

Member DeSart asked Undersheriff Moore to explain how his deputies go about enforcing Karina's Law. He responded that the first step is to obtain a search warrant which allows the deputy to enter the residence. Then a thorough search takes place and the deputy confiscates any and all firearms found in the home. Undersheriff Moore mentioned that his staff will be participating in upcoming training pertaining to Karina's Law which went into effect in February 2025.

Overview			
<p>DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). The DuPage County Sheriff's Office's aged door access control and intercom system need to be replaced to improve security. The current manufacturer told us that control boards are no longer made to lock and unlock the doors via key cards and will be supported in the next software release. We were also told we could no longer get parts for the intercom system. The Sheriff's Office looked at the options to solve this issue. The company the Sheriff's office uses to update our aged camera system also supports access control and intercom. Putting everything under one vendor helps with support and imagination. With the items being under one vendor, the security systems tie into one another. This provides better security. The system can also remotely lock doors if the building needs to lock down. The current system is complicated to use. The new system also works with new technology for locks. This will provide us with the capability to have access control on the door at a cheaper cost than installing the traditional way. They are on the TIPS Contract 220105</p> <p>JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished If the control board stops working, the doors controlled by that card will stop working. This will provide security issues. Going to one vendor for all building security will offer better support and integration with the systems. For example, we have an intercom outside of the lobby that auto-renews to DuCOMM for help, and you can tie surrounding cameras to see the overview. If allowed, they could remotely unlock the door.</p>			

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING	

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. We currently have their camera systems, which integrate into that system and add more capability to our building security. They are on the TIPS contract, and the install personnel have been security-cleared.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). If we go with another company, the system will be unable to integrate. If we stay status quo, we risk the building becoming insecure.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.
