Master Services Agreement

This Master Services Agreement ("Agreement") is entered into as of May 19, 2025 (the "Effective Date"), between ThinkGard, a Delaware corporation having its principal place of business at 3000 Galleria Cir STE 1130, Hoover, AL 352441 ("Company"), and DuPage County Sheriff, IL, having its principal place of business at 501 N. County Farm Road ("Client").

Client and Company hereby agree as follows:

1. Services, Third Party Products; and Orders.

1.1 Services. Company will provide to Client managed security services or a component thereof, managed backup and disaster recovery services, and/or other services (the "Services"), in each case as described in a written executed order between Company and Client (each an "Order"); provided however that the parties recognize that Company may from time to time provide Services to Client at Client's request without an Order, and in such cases, these Services shall be subject to and governed by the terms and conditions of this Agreement and performed by Company on a time and materials basis and invoiced at the hourly billing rates specified in Exhibit A.

1.2 Third Party Products. Company may sell or license or provide Third Party Products (as defined in Section 5.2) to Client as set forth in and on terms and conditions set forth in an Order.

1.3 Order. To be effective, each Order shall reference this Agreement and, when Client's signed version is received by Company, shall automatically be deemed a part of, and governed by the terms of, this Agreement. Each Order is enforceable according to the terms and conditions contained therein.

1.4 Change Orders. Client may request a change in the scope or nature of the Services in an Order at any time. However, changes to the scope of the Services in an Order can be made only in writing executed by both parties.

1.5 Non-Exclusive. Client understands and agrees that the Services provided under this Agreement are not exclusive to Client, and Company may provide the same or similar services to Company's other customers.

2. Charges for Services and Third Party Products.

2.1 Fees. Client agrees to pay Company the fees for Services and Third Party Products as indicated in each Order, or as hourly work defined below in Exhibit A (collectively referred to as the "Fees"), in accordance with the provisions of the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.* Unless otherwise expressly stated in an Order, Company's compensation for Services will be based on direct labor hours charged at fixed labor rates. The Order may call for a budget of expected charges as a way for both parties to monitor performance. Except as otherwise expressly set forth in an Order, all Services that are identified to be rendered on a time and materials basis will be invoiced at the hourly billing rates specified in Exhibit A.

2.2 Payment. Unless otherwise stated in an Order, all undisputed Fees for Services shall be due and payable by Client within sixty (60) days of receipt of Company's invoice for same, in accordance with the provisions of the Illinois Local Government Prompt Payment Act. Unless otherwise stated in an Order, Fees for Third Party Products shall be due and payable in advance of delivery. Payments made using electronic transfer shall be deducted from Client's designated bank account on the first business day of the month for which the Services are to be provided or on the date of delivery of Third Party Products. For prepaid Fees or Fees paid pursuant to a service plan, payment must be made in advance of providing Services or delivery of Third Party Products, unless other arrangements are agreed upon in the Order. Fees invoiced to Client shall be paid on a net sixty (60) day basis. Late payment for undisputed Fees (or any other amounts owing from Client to Company) shall be subject to interest on the unpaid amount(s) until and including the date payment is received, at the rate provided for by the Illinois Local Governmental Prompt Payment Act. Company reserves the right, but not the obligation, to suspend part or all of the Services in the event

that any portion of undisputed Fees are not timely received by Company within fifteen (15) days following the date on which such Fees are due. All disputes initiated by Client related to Fees must be received by Company within thirty (30) days after the applicable Service is rendered or the date on which Client receives an invoice, whichever is later, otherwise Client waives its right to dispute the applicable Fees thereafter. A re-connect fee may be charged to Client in the event that Company suspends the Services due to Client's nonpayment. TIME IS OF THE ESSENCE IN THE PERFORMANCE OF ALL PAYMENT OBLIGATIONS BY CLIENT.

2.3 Expenses. Client shall pay Company for all reasonable expenses incurred by Company in the performance of the Services, including without limitation, necessary and reasonable: travel and out-of-pocket expenses incurred pursuant to this Agreement.

2.4 Taxes. Client shall pay directly, or reimburse Company for, and to the extent permitted by applicable law indemnify and hold Company harmless from, all applicable taxes and tariffs assessed or levied by any governmental entity that are now or may become applicable to the Services or Third Party Products or measured by payments made by Client to Company hereunder, or are required to be collected by Company or paid by Company to tax authorities including interest assessment thereon if such assessments are due to Client's actions or inactions. This includes, but is not limited to applicable: sales, use, excise, gross receipt and personal property taxes, or any other form of tax based on services performed, Third Party Products, equipment used by Company to perform services solely for Client, and the communication or storage of data, but does not include taxes based upon Company's net income.

3. Term; Termination.

3.1 Term. The term of this Agreement shall continue from the Effective Date until the earlier of (a) expiration of the term of all Orders referencing this Agreement or (b) termination of this Agreement as provided in this Agreement.

3.2 Termination for Breach. Either party may terminate an Order or this Agreement, as applicable, for material breach by the other party of the Order or this Agreement, as applicable, which is not cured within 30 days from the receipt by the party in breach of a written notice from the other party specifying the breach in detail. Client shall be liable for payment to Company for all Services rendered prior to the effective date of any such termination.

3.3 Early Termination. The Parties acknowledge that early termination of this Agreement or any Order (i) by Company pursuant to Section 3.2 (Termination for Breach) or (ii) termination of this Agreement or and Order by Client for any reason other than pursuant to Section 3.2 will result in Company incurring damages difficult or impossible to ascertain. In the event of such occurrence, Company will be entitled to, and Client agrees to pay (not as a penalty), all fees due for the remaining term of the Agreement for pre-purchased equipment and licensing, or Order(s), as applicable, in addition to any other amounts owed to Company for services rendered under this Agreement

3.4 Equipment/ Software Removal. Upon termination of this Agreement or an Order for any reason, Client shall provide Company with reasonable access, during normal business hours, to Client's premises (or any other locations at which Company-owned hardware, equipment or software is located) to enable Company to remove all Company-owned hardware, equipment and software from the premises (if any). If Client fails to grant Company access as described herein, or if any of the Company-owned hardware or equipment is broken or damaged (normal wear and tear excepted) or any of the software is missing, Company shall have the right to invoice Client for, and Client hereby agrees to pay immediately, the full repair or replacement value (whichever is lower) of any and all Company-owned hardware, equipment and software (as applicable) located at Client's premises.

3.5 Survival. Expiration or termination of any Order or this Agreement for any reason will not release either party from any liabilities or obligations set forth in any Order or this Agreement which (a) the parties have expressly agreed will survive any such expiration or termination or (b) remain to be performed or by their nature would be intended to be applicable following any such expiration or termination.

4. Proprietary Protections.

4.1 Ownership Rights

(a) General. Each party will retain all rights to any software, ideas, concepts, know-how, development tools, techniques or any other proprietary material or information that it owned or developed prior to the Effective Date or acquired or developed after the Effective Date without reference to or use of the intellectual property of the other party. All software that is licensed by a party from a third party vendor will be and remain the property of such vendor. No licenses will be deemed to have been granted by either party to any of its patents, trade secrets, trademarks, or copyrights, except as otherwise expressly provided in this Agreement. Nothing in this Agreement will require Company or Client to violate the proprietary rights of any third party in any software or otherwise. Notwithstanding anything to the contrary in this Agreement, Company (i) will retain all right, title and interest in and to all software development tools, know-how, methodologies, processes, technologies or algorithms used in performing the Services which are based on trade secrets or proprietary information of Company or are otherwise owned or licensed by Company (collectively, "tools"), (ii) will be free to use the ideas, concepts, methodologies, processes and know-how which are developed or created in the course of performing the Services and may be retained by Company's employees in intangible form, all of which constitute substantial rights on the part of Company in the technology developed as a result of the Services performed under this Agreement.

(b) Materials Developed for or Delivered to Client. Client agrees that all software and other materials (including, but not limited to customizations, modifications, specifications, documentation and training materials) developed for or delivered to Client pursuant to this Agreement or any Order, including without limitation all related copyrights, patent rights, trade secrets, ideas, designs, concepts, techniques, inventions, discoveries or other intellectual property rights, but excluding Client Information as defined under paragraph 4.2 below, (collectively, the "Materials"), shall be the exclusive property of Company and the Company shall own all right, title and interest therein. In this connection, Client acknowledges that all Materials which are or may be developed pursuant to this Agreement or any Order are and shall be the intellectual property and confidential proprietary information and products of Company, and Client hereby transfers and assigns any and all rights in and to the Materials to Company, its successors and assigns, including without limitation all intellectual property rights relating thereto. From time to time upon Company's request, Client shall confirm such assignment by execution and delivery of such assignments, confirmations of assignment, or other written instruments as Company may request. Company agrees that Client shall have a limited nonexclusive license to use the Materials internally to the extent necessary to carry out and fulfill the terms and conditions of the Order for which the Materials were developed and shall have the right to grant a limited nonexclusive license to the third parties specifically identified in an Order to use the Materials solely for the purposes contemplated by such Order, provided that such third parties shall first agree in a signed writing to be bound by the terms of this Agreement or such terms as may be acceptable to Company

(c) Specific Deliverables Owned by Client. Notwithstanding the foregoing provisions of Section 4.1(b) but subject to any third party rights or restrictions and the provisions of Section 4.1(a) and the other provisions of this Section 4.1(c), Client will own the copyright in and to Materials that (i) are developed for and delivered by Company to Client, (ii) are paid for by Client, and (iii) are clearly and specifically identified in an Order as governed by the provisions of this Section 4.1(c) (the "Specific Client Owned Deliverables") Notwithstanding the foregoing, Company will retain ownership of any Company-owned software or development tools that are used in producing the Specific Client Owned Deliverables and become embedded in the Specific Client Owned Deliverables. Company hereby grants to Client a perpetual (subject to compliance with this sentence), royalty-free, non-transferable, nonexclusive license to use such embedded software and tools (if any) solely in connection with Client's internal use and exploitation of the Specific Client Owned Deliverables and only so long as such software and tools (if any) remain embedded in the Specific Client Owned Deliverables and are not separated therefrom. Company will own all intellectual property rights in or related to the Specific Client Owned Deliverables other than the copyright ownership rights granted to Client pursuant to this Section 4.1(c)

4.2 Client Information. Company recognizes and agrees that, except as specified in Section 4.1, it has no claim of ownership to any data, materials or information submitted by Client to Company or the Services ("Client Information"), which Client Information is being provided to Company solely for the purposes of enabling Company to render the Services, and that title and all ownership rights in and to such Client Information shall at all times remain with Client. Client shall have sole responsibility for the

accuracy, quality, integrity, legality, reliability, appropriateness, and intellectual property ownership or right to use all Client Information.

4.3 Confidentiality.

(a) Confidential Information. This Section 4.3 shall apply to all confidential and proprietary information disclosed by either party ("Disclosing Party") to the other party ("Receiving Party") in connection with this Agreement, including without limitation, all Client Information, Materials of Company, and information related to the Disclosing Party's technology, software, know-how, products, potential products, services, potential services, financial information, employees, customers, markets and/or business information (collectively, "Confidential Information"). To the extent permitted by applicable law, the terms and conditions of this Agreement and all Orders shall be treated by Client as the Confidential Information of Company. Confidential Information shall not include any information which (i) was known to the Receiving Party prior to being disclosed by the Disclosing Party, (ii) becomes publicly known through no wrongful act of the Receiving Party, (iii) is approved for release by written authorization of the Disclosing Party, (iv) is received from a third party not in breach of any separate confidentiality obligation known to the Receiving Party, or (v) is independently developed without reference to the Disclosing Party's Confidential Information.

(b) Scope of Obligation. The Receiving Party agrees to use the Confidential Information of the Disclosing Party only as provided for in this Agreement. Each party agrees to hold the other party's Confidential Information in strict confidence and not to disclose such Confidential Information to any third parties. Notwithstanding the foregoing, each party may disclose the other party's Confidential Information only to those employees, agents, representatives and/or consultants who require such information only in connection with this Agreement. Each party agrees to instruct all such employees, agents, representatives and consultants regarding the foregoing obligations and ensure that such employees, agents, representatives and consultants are bound by obligations of confidentiality to the Receiving Party that are at least as restrictive as those contained herein. Each party agrees that it will take all reasonable measures to protect the confidentiality of, and avoid the unauthorized disclosure or use of, the other party's Confidential Information in order to prevent it from being made public or in the possession of persons other than those persons authorized hereunder to have any such Confidential Information, which measures shall include at least the same degree of care that the Receiving Party utilizes to protect its own confidential information of a similar nature but in any event shall include commercially reasonable precautions designed to protect the Disclosing Party's Confidential Information from unauthorized disclosure and/or use.

(c) Limited Disclosure Right. Confidential Information may be disclosed to the extent required by court order or as otherwise required by law, provided that the Receiving Party, to the extent legally permissible, notifies the Disclosing Party promptly upon learning of the possibility of any such requirement and, to the extent legally permissible, has given the Disclosing Party a reasonable opportunity to contest or limit the scope of such required disclosure.

(d) Return of Confidential Information. Promptly upon termination of this Agreement, or at any other time upon the request by a party, the other party shall (i) return to the Disclosing Party or, at the Disclosing Party's request, destroy all Confidential Information of such Disclosing Party, whether in paper or electronic form, provided, however that the foregoing shall not apply to Confidential Information that is stored in the Receiving Party's electronic archives, which Confidential Information will be destroyed in the ordinary course of the Receiving Party's business in accordance with its document destruction policies; and (ii) certify to the Disclosing Party in writing that it has complied with the provisions of this Section 4.3

5. Limited Warranty and Disclaimers.

5.1 Limited Services Warranty. Company warrants to Client that the Services, as and when delivered or rendered hereunder, will substantially conform to the description of services or

specifications set forth in the applicable Order. Company's sole liability under the foregoing warranty shall be to provide the services described in Section 5.5 hereof.

5.2 No Third Party Products Warranty. UNLESS OTHERWISE EXPRESSLY STATED IN AN ORDER, ANY THIRD PARTY PRODUCTS OR SERVICES SOLD TO, PROVIDED TO OR PROCURED FOR CLIENT, INCLUDING BUT NOT LIMITED TO THIRD PARTY HARDWARE, SOFTWARE, PERIPHERALS AND ACCESSORIES (COLLECTIVELY, "THIRD PARTY PRODUCTS") ARE PROVIDED TO CLIENT "AS IS" AND COMPANY EXPRESSLY DISCLAIMS ALL WARRANTIES OF ANY KIND, EXPRESS, IMPLIED, ARISING FROM COURSE OF DEALING OR USAGE OF TRADE OR STATUTORY WITH RESPECT TO SUCH THIRD PARTY PRODUCTS, INCLUDING BUT NOT LIMITED TO WARRANTIES OF PERFORMANCE, SECURITY, INTEGRATION, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. COMPANY SHALL USE REASONABLE EFFORTS TO ASSIGN, TRANSFER AND FACILITATE ALL WARRANTIES (IF ANY) AND SERVICE LEVEL COMMITMENTS (IF ANY) FROM THE APPLICABLE THIRD PARTY MANUFACTURER OR VENDOR FOR THE THIRD PARTY PRODUCTS TO CLIENT, BUT WILL HAVE NO LIABILITY WHATSOEVER FOR SUCH THIRD PARTY PRODUCTS. COMPANY SHALL NOT BE HELD LIABLE AS AN INSURER OR GUARANTOR OF THE PERFORMANCE, UPTIME, USEFULNESS, OR QUALITY OF ANY THIRD PARTY PRODUCTS.

5.3 No Compliance Warranty. COMPANY DOES NOT WARRANT THAT THE PROVISION OF THE SERVICES, OR CLIENT'S USE OF THE SERVICES, WILL SATISFY ANY PARTICULAR INDUSTRY-SPECIFIC OR REGULATORY REQUIREMENTS, OR BRING CLIENT INTO COMPLIANCE WITH ANY SUCH REQUIREMENTS.

5.4 DISCLAIMER OF WARRANTIES. THE WARRANTY SET FORTH IN SECTION 5.1 STATES COMPANY'S SOLE AND EXCLUSIVE WARRANTY TO CLIENT HEREUNDER. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 5.1, THE SERVICES ARE PROVIDED STRICTLY "AS IS" AND COMPANY MAKES NO ADDITIONAL WARRANTIES, EXPRESS, IMPLIED, ARISING FROM COURSE OF DEALING OR USAGE OF TRADE, OR STATUTORY, AS TO THE SERVICES OR ANY MATTER WHATSOEVER. IN PARTICULAR, ANY AND ALL WARRANTIES OF PERFORMANCE, SECURITY, INTEGRATION, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE ARE EXPRESSLY EXCLUDED. COMPANY DOES NOT WARRANT, AND SPECIFICALLY DISCLAIMS THAT THE SERVICES BEING PROVIDED WILL RESULT IN COST SAVINGS, PROFIT IMPROVEMENT, OR THAT THE SERVICES WILL BE ERROR-FREE. THIS IS A LIMITED WARRANTY AND IS THE ONLY WARRANTY MADE BY COMPANY.

5.5 Notice Obligation; Remedy Regarding Services. Client shall notify Company in writing within thirty (30) days after completion of the Services in question when any of the Services fail to substantially conform to the description of services or specifications set forth in the applicable Order. Such notification shall include the detailed information necessary for Company to verify such nonconformity. Upon actual receipt of such notification and verification of the nonconformity, Company shall correct the nonconformity so that the Services shall substantially conform with the agreed description of services or specifications in the applicable Order. Client agrees to pay Company for all personnel time and expenses incurred in investigating reported nonconformities when the alleged nonconformities are not discovered. The passage of the thirty (30) day period after completion of the Services in question without the notification described herein shall constitute final acceptance of the Services.

6. Limitation of Liability.

6.1 COMPANY'S LIABILITY ON ANY CLAIM, LOSS OR LIABILITY ARISING OUT OF, OR CONNECTED WITH THIS AGREEMENT, THE SERVICES, OR USE OF THE PRODUCT OF ANY SERVICES FURNISHED HEREUNDER, SHALL IN ALL CASES BE LIMITED SOLELY TO CORRECTION OF NONCONFORMITIES WHICH DO NOT SUBSTANTIALLY CONFORM WITH THE AGREED DESCRIPTION OF SERVICES IN AN ORDER, OR SPECIFICATIONS IDENTIFIED IN AN ORDER.

6.2 IF FOR ANY REASON COMPANY IS UNABLE OR FAILS TO CORRECT NONCONFORMITIES AS PROVIDED, COMPANY'S LIABILITY FOR DAMAGES ARISING OUT OF ANY ORDER FOR SUCH FAILURE, WHETHER IN CONTRACT OR TORT (INCLUDING NEGLIGENCE), LAW, EQUITY OR OTHERWISE, SHALL NOT EXCEED THE AMOUNTS PAID BY CLIENT DURING THE PRECEDING NINETY (90) DAYS UNDER THIS AGREEMENT FOR THAT PORTION OF THE SERVICES WHICH FAIL TO CONFORM. IN NO EVENT SHALL COMPANY'S MAXIMUM AGGREGATE LIABILITY ARISING OUT OF OR RELATING TO THIS AGREEMENT (INCLUDING FOR ANY CLAIM AND/OR SERIES OF CLAIMS

WHETHER RELATED OR UNRELATED), WHETHER IN CONTRACT OR TORT (INCLUDING NEGLIGENCE), LAW, EQUITY OR OTHERWISE, EXCEED THE AMOUNTS PAID BY CLIENT TO COMPANY IN THE NINETY DAY (90) PERIOD PRECEDING THE EVENT(S) GIVING RISE TO THE CLAIM (OR TO THE FIRST CLAIM IN A SERIES OF CLAIMS). IT IS UNDERSTOOD AND AGREED THAT THE FEES FOR THIRD PARTY PRODUCTS (IF ANY) PROVIDED TO CLIENT SHALL NOT BE INCLUDED IN THE CALCULATION OF THE LIMITATION OF DAMAGES DESCRIBED IN THIS PARAGRAPH AND AMOUNTS PAID BY CLIENT TO COMPANY.

6.3 UNDER NO CIRCUMSTANCES SHALL COMPANY BE LIABLE TO CLIENT FOR ANY LOSS OF USE, INTERRUPTION OF BUSINESS, LOSS OR CORRUPTION OF DATA, LOST PROFITS, LOST REVENUE, OR ANY INDIRECT, SPECIAL, INCIDENTAL, EXEMPLARY PUNITIVE OR CONSEQUENTIAL DAMAGES OF ANY KIND REGARDLESS OF THE FORM OF ACTION WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), LAW, EQUITY OR OTHERWISE EXCEEDING THE AMOUNTS PAID BY CLIENT DURING THE PRECEDING NINETY (90) DAYS UNDER THIS AGREEMENT, EVEN IF COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, OR FOR ANY CLAIM OR DAMAGES ASSERTED BY ANY THIRD PARTY OR FOR ANY DAMAGES CAUSED BY ANY DELAY IN FURNISHING SERVICES HEREUNDER.

6.4 CLIENT ACKNOWLEDGES THAT COMPANY HAS SET ITS FEES, AND ENTERED INTO THIS AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND THE DISCLAIMERS OF WARRANTIES AND DAMAGES SET FORTH IN THIS AGREEMENT, AND THAT THE SAME FORM AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES. THE FOREGOING LIMITATION OF LIABILITY IS INDEPENDENT OF ANY EXCLUSIVE REMEDIES FOR BREACH OF WARRANTY SET FORTH IN THIS AGREEMENT.

6.5 Unless otherwise expressly stated in an Order, Company assumes no liability for failure of hardware or equipment or software or any losses resulting from such failure.

6.6 Client is responsible for adopting reasonable measures to limit Client's exposure with respect to such potential losses and damages, including without limitation examination and confirmation of results of the Services prior to use thereof, provision for identification and correction of errors and omissions, and preparation and storage of backup or duplicate data. Client is also responsible for complying with, and shall comply with, all local, state, provincial, federal, national and international laws, rules and regulations ("Laws") pertaining to the use of the Services and use and disclosure of any Client Information

7. Indemnity

7.1 Infringement Claims.

(a) **General.** Subject to Section 6 of this Agreement, the limitations set forth below in this Section 7.1 and the procedures set forth below in Section 7.3, and to the extent permitted by applicable law, Company and Client (each an "indemnitor") each agrees to defend the other party (each an "indemnitee") against any action to the extent that such action is based upon a claim that the Confidential Information (other than third party hardware, software, products, materials or services) provided by the indemnitor, or any part thereof, (i) infringes a copyright perfected under United States statute, or (ii) constitutes an unlawful disclosure, use or misappropriation of another party's trade secret, and the indemnitor will bear the expense of such defense and pay any damages, costs and expenses, including reasonable attorneys' fees and expenses (collectively "Damages") that are attributable to such claim finally awarded by a court of competent jurisdiction. Nothing contained herein shall be construed as prohibiting the Client, its officers, agents, or its employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, actions or suits brought against them. The Indemnifying party shall likewise be liable for the cost, fees and expenses incurred in the defense of any such claims, actions, or suits. Nothing herein shall be construed as constituting a waiver of Client's defenses or immunities under the Illinois Local Government and Governmental Employees Tort Immunity Act, 745 ILCS 10/1 et seq. by reason of indemnification.

(b) **Exclusions.** Neither Company nor Client will be liable to the other for claims of indirect or contributory infringement. The indemnitor will have no liability to the indemnitee hereunder if (i) the claim of infringement is based upon the use of Confidential Information provided by the indemnitor hereunder in connection or in combination with equipment, devices or software not supplied by the

indemnitor or used in an unauthorized manner for which the Confidential Information was not designed, (ii) the indemnitee modifies any Confidential Information provided by the indemnitor hereunder without the indemnitor's permission and such infringement would not have occurred but for such modification, or (iii) the claim of infringement arises

out of the indemnitor's compliance with specifications or requirements provided by the indemnitee and such infringement would not have occurred but for such compliance.

(c) Additional Remedy. If Confidential Information becomes the subject of an infringement claim under this Section 7.1, or in the indemnitor's opinion is likely to become the subject of such a claim, then, in addition to defending the claim and paying any damages and attorneys' fees as required above in this Section 7.1, the indemnitor may, at its option and in its sole discretion, (A) replace or modify the Confidential Information to make it noninfringing or cure any claimed misuse of another's trade secret or (B) procure for the indemnitee the right to continue using the Confidential Information pursuant to this Agreement. Any costs associated with implementing either of the above alternatives will be borne by the indemnitor but will be subject to Section 6 of this Agreement. If neither alternative is pursued by, or (if pursued) available to, the indemnitor, (x) the indemnitee will return such Confidential Information to the indemnitor and (y) if requested by the indemnitee in good faith, the parties will negotiate, but subject to Section 6 of this Agreement, to reach a written agreement on what, if any, monetary damages (in addition to the indemnitor's obligation to defend the claim and pay any damages and attorneys' fees as required above in this Section 7.1) are reasonably owed by the indemnitor to the indemnitee as a result of the indemnitee no longer having use of such Confidential Information. The payment of any such monetary damages will be the indemnitee's sole and exclusive remedy for the inability of the indemnitor to implement either of the above alternatives.

7.2 Third Party Indemnification of Company. Without limiting Company's liability to Client under this Agreement, each of the parties acknowledge that Company would not enter into this Agreement, and by Company entering into and performing its obligations under this Agreement, Company will not assume and should not be exposed to the business and operational risks associated with Client's business, and Client therefore agrees, subject to Section 7.3 below and to the extent permitted by applicable law, to indemnify and defend Company and hold Company harmless from any and all third party claims and Damages arising out of the conduct of Client's business, including without limitation the use by Client of the Services or any Third Party Products.

7.3 Procedures. The indemnification obligations set forth in this Section 7 will not apply unless the party claiming indemnification: (a) notifies the other promptly in writing of any matters in respect of which the indemnity may apply and of which the notifying party has knowledge, in order to allow the indemnitor the opportunity to investigate and defend the matter; P-rovided, however, that the failure to so notify will only relieve the indemnitor of its obligations under this Section 7 if and to the extent that the indemnitor is prejudiced thereby; and (b) gives the other party full opportunity to control the response thereto and the defense thereof, except that no agreement relating to the settlement thereof shall be finalized without the indemnitee's consent;

P-rovided, however, that the indemnitee will have the right to participate in any legal proceeding to contest and defend a claim for indemnification involving a third party and to be represented by legal counsel of its choosing. If the indemnitor fails to promptly assume the defense of the claim, the party entitled to indemnification may assume the defense at the indemnitor's cost and expense. The indemnitor will not be responsible for any settlement or compromise made without its consent, unless the indemnitee has tendered notice and the indemnitor has then refused to assume and defend the claim and it is later determined that the indemnitor was liable to assume and defend the claim. The indemnitee agrees to cooperate in good faith with the indemnitor at the request and expense of the indemnitor.

8. Additional Terms.

8.1 EULAs Portions of the Services may require Client to accept the terms of one or more third party end user license agreements ("EULAs"). EULAs may contain service levels, warranties and/or liability limitations that are different than those contained in this Agreement or an applicable Order. Client agrees to be bound by the terms of such EULAs and shall look only to the applicable third party provider for the enforcement of the terms of such EULAs. To the extent permitted by applicable law, Client will

defend, indemnify, and hold Company harmless from any claims and Damages resulting from any breach of a EULA by Client or any of its directors, officers, employees, or agents.

8.2 Data Backup. Unless otherwise stated in an Order, Client understands and agrees that Company shall not be responsible for data backup or any data lost, corrupted, or rendered unreadable due to communication and/or transmissions errors or related failures, or equipment failures (including but not limited to silent corruption-related issues). Client is strongly advised to maintain a local and offsite backup of all mission-critical or customer-critical data, and to periodically verify the integrity and availability of all backed up data.

8.3 Bring Your Own Device (BYOD). Client hereby represents and warrants that Company is authorized to provide the Services to all devices, peripherals and/or computer processing units, including without limitation mobile devices (such as personal digital assistants, notebook computers, and tablet computers) that (i) are connected to Client's systems related to the Services, and (ii) have been designated by Client to receive the Services, regardless of whether such device(s) are owned, leased or otherwise controlled by Client. Unless otherwise stated in an Order, devices will not receive or benefit from the Services while the devices are detached from or unconnected to such systems

8.4 Hosted Solutions. Hosted solutions, including but not limited to hosted email and document-related applications, may require Client to accept the terms of a third party EULA, which may contain service levels, warranties and/or liability limitations that are different than those contained in this Agreement. Client agrees to be bound by the terms of such EULAs and shall look only to the applicable third party provider for the enforcement of the terms of such EULAs. To the extent permitted by applicable law, Client will defend, indemnify, and hold Company harmless from any claims and Damages resulting from any breach of such a EULA by Client or any of its directors, officers, employees, or agents. Company reserves the right to suspend or terminate Client's access to hosted solutions in the event that Company has reason to believe that the hosted solutions are being accessed, used or otherwise manipulated in a manner that violates any Law, or poses a threat to the integrity or security of Company's computer servers or any third party server.

8.5 Disposal of Equipment. Client is also solely responsible for informing anyone with whom Client interacts or otherwise communicates via the Services that information uploaded to or in any way passing through the Services, including without limitation written, visual, or oral communications or other electronic means, may be recorded or monitored for quality assurance and diagnostic purposes.

(b) If phone conferences/conference bridges are applicable to the Services being provided to Client, Client acknowledges that the laws of certain jurisdictions may require that if a conference is recorded, all participants in the conference must be informed in advance of any such recording, so they may consent to being recorded (if required by applicable Laws). 9.2 Conflict. Any purchase order or other document issued by Client is for administrative convenience only and does not govern, control or amend the terms of this Agreement or any Order. In the event of any conflict between this Agreement and any Order, this Agreement shall prevail unless the Order expressly references amending and superseding a specific provision of this Agreement.

9.3 Survival. In the event of any expiration or termination of this Agreement, Sections 2, 3, 4, 5, 6, 7, and 9 of this Agreement shall survive and shall continue to bind the parties.

9.6 Injunctive Relief. It is understood and agreed that, notwithstanding any other provisions of this Agreement, breach of the provisions of this Agreement by either Party will cause the other Party irreparable damage for which recovery of money damages would be inadequate, and that the non-breaching Party shall therefore be entitled to obtain timely injunctive relief to protect its rights under this Agreement in addition to any and all remedies available at law.

9.10 Waiver. The failure of either party to require performance by the other party of any provision hereof shall not affect the full right to require such performance at any time thereafter; nor shall the waiver by either party of a breach of any provision hereof be taken or held to be a waiver of the provision itself.

9.11 Severability. In the event that any provision of this Agreement shall be unenforceable or invalid under any applicable law or be so held by applicable court decision, such unenforceability or invalidity shall not render this Agreement unenforceable or invalid as a whole, and, in such event, such provision shall be changed and interpreted so as to best accomplish the objectives of such unenforceable or invalid provision within the limits of applicable law or applicable court decisions.

9.12 Nondisclosure. Client promises not to disclose the terms and conditions of this Agreement to any third party without the prior written consent of Company.

9.13 Headings. The section headings appearing in this Agreement are inserted only as a matter of convenience and in no way define, limit, construe, or describe the scope or extent of such section or in any way affect this Agreement.

9.14 Counterparts. This Agreement may be executed simultaneously in two or more counterparts, each of which will be considered an original, but all of which together will constitute one and the same

instrument.

9.15 Entire Agreement. This Agreement together with any Orders attached hereto completely and exclusively states the agreement of the parties regarding its subject matter. It supersedes, and its terms govern, all prior proposals, agreements, or other communications between the parties, oral or written, regarding such subject matter. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantor may make site visits as warranted by Program needs. 2 CFR 200.329; 200.332. Additional monitoring requirements may be in **PART TWO** or **PART THREE**.

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

For certain construction-related Awards, such reports may be exempted as identified in **PART TWO** or **PART THREE**. 2 CFR 200.329.

11.2. Performance Close-out Report. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

11.3. Content of Performance Reports. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and project or program accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the reporting period (for example, comparing costs to units of accomplishment); computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; the reasons why established goals were not met, if appropriate; and additional information, analysis, and explanation of any cost overruns or higher-than-expected unit costs. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

Grantee is subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules and policies set forth by the Governor's Office of Management and Budget. 30 ILCS 708/65(c); 44 Ill. (c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. (d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor’s most recent peer review report and acceptance letter. 13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days’ prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A, PART TWO** or **PART THREE**.

13.2. **Suspension.** Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. **Non-compliance.** If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. **Objection.** If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this

Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer’s guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase “Funding provided in whole or in part by the [Grantor].” 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX INSURANCE

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities.** This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities.** This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq.*) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

EXHIBIT A**PROJECT DESCRIPTION**

Although recent legal changes now allow client representation at first appearances, these hearings primarily focus on setting conditions or deciding on detention. The fast pace and structure of the court limit other interventions. To address additional client needs early, we propose to conduct screenings, or mini-assessments for all clients in pre-trial court, aiming to improve service connections and outcomes in their criminal cases. A clinician would conduct brief screenings/assessments focused on substance use, mental health, educational or learning challenges, social service needs, employment, and physical health. For clients to whom we are appointed for full representation, we can initiate referrals immediately. For others who are appointed to us later, these early screenings offer the assigned attorneys a significant advantage in addressing client needs from the outset, ultimately improving a client's ability to successfully navigate the court process.

The Public Defender is appointed to represent approximately 5000 people for first appearances per year. While representation at first appearances provides critical support during the initial hearing, these moments also present valuable opportunities to engage clients on broader needs that can positively influence both their lives and legal outcomes. By addressing other client needs at this early stage by providing screenings or mini assessments of all clients in pre-trial court, we hope to improve linkages to services, and ultimately the outcomes in their criminal cases.

We would only serve people *charged* in DuPage County, although not all would be residents of DuPage. While the DuPage County Health Department typically serves DuPage County residents, they will screen all clients, regardless of county of residence. Referrals for services will be provided to clients based on place of residence. For those who qualify for DuPage County Health Department services a direct referral would be made.

DuPage County is the second most populous county in Illinois. The county is home to 919,632 people and spans 327.5 square miles. Approximately 64.1 percent of residents are White, 83.2 percent are non-Hispanic, 16.8 percent are Hispanic or Latino, 13.3 percent are Asian, 5.1 percent are black or African American, and less than one percent are American Indian/ Alaska Native or Native Hawaiian/ Other Pacific Islander (Claritas 2024). Over 29 percent of households speak a language other than English, and 9.9 percent of individuals have difficulty speaking English. Of those that speak English less than very well, the most common language spoken is Spanish, followed by other Indo-European languages, Russian, Polish, other Slavic languages, and Chinese (American Community Survey 2023 estimates). Nearly 6 percent (5.8) of DuPage County adults report being unable to afford to see a doctor (IL Behavioral Risk Factor Surveillance System, 2020-2023). According to 2023 American Community Survey estimates, 61,851 individuals were determined as living in poverty and 12,282 children under the age of 18 were living below the poverty level. Approximately 5,551 DuPage County children ages 6-18 do not have health insurance and 1,338 children under the age of six do not have health insurance. In addition, 39,285 adults ages 19 to 64 do not have health insurance (American Community Survey 2023 estimates).

	2022	2023
Population of counties served	921,664	921,213
Total criminal cases filed	91,405	96,162
Felony criminal cases filed	2804	2956
Circuit clearance rate (%) for criminal cases (Office of the Illinois Courts)	104.1	98.3
Circuit - average time lapse in months for criminal felony cases (jury trial) (Office of the Illinois Courts)		32.4
Circuit - average time lapse in months for criminal felony cases (bench trial) (Office of the Illinois Courts)		23.1

There is a significant time that cases are pending before resolution of a trial. An opportunity exists to engage clients in areas other than their criminal case to assess and assist with other needs, which could help reduce the circumstances that led them into the criminal justice system. Criminal cases are up, as well as the subset of felony cases charged. Anecdotally, a higher percentage of clients have needs for services, especially in the areas of mental health and substance use, than in the past. Although our office already employs mental health clinicians (by attorney request) to assess, complete mitigation reports, and refer to services, engaging clients in that process on a more consistent basis and earlier in the process may help outcomes and time required to resolve cases.

The proposed program will fund a part-time Community Support Specialist through the DuPage County Health Department to enhance support for individuals navigating the pre-trial process. This specialist will be embedded within the pre-trial court setting to provide timely screenings, assessment if needed, resource linkage, and case planning for clients prior to the formal appointment of a public defender. Drawing on their expertise in behavioral health and case management, the Community Support Specialist will conduct a needs screening or mini assessment, offer referrals to appropriate services, assist with scheduling appointments, and, when appropriate, develop case plans that may assist the public defender representation. Additionally, the specialist will provide outreach to clients following their initial court appearance, helping to ensure that they remain engaged and supported throughout the early stages of the legal process. This program seeks to strengthen early intervention and improve outcomes by ensuring that qualified health department staff are consistently available during weekday pre-trial court sessions. All grant funding will directly support staffing costs for this role.

Holistic approaches to criminal defense can improve legal outcomes. The entirety of our budget would go to fund a part-time Community Support Specialist to conduct screenings or mini assessments, complete reports, and refer clients for a variety of services.

Number of screenings completed, number of referrals given, number of requests made to Public Defender mental health clinicians, number of failure to appear for first court date.

Attorney surveys regarding access to reports, shortened referral times, engagement in services by clients, increase in use of mental health clinicians by attorneys.

There is limited space in which to speak to clients awaiting their court appearance in First Appearance Court. We will need to share limited booth space, may adjust timing of screenings. In addition, this grant would cover a part time specialist working M-F. There are a significant number of cases that come into First Appearance Court on Saturdays and Sundays, and those clients would not be able to receive these services at this time.

The Public Defender and Health Department will work collaboratively to train, monitor, and adjust as needed. Both offices will share data regularly, and to complete quarterly reports. There will only be the expense of one part time Community Support Specialist (1/2 time of a FTE with the Health Department), so tracking financials will be straightforward. No expenses for the budget will include coordination or supervision, but will be provided in kind by the DuPage County Public Defender and DuPage County Health Department.

Grantee may use their own procurement regulations which reflect State and local law, rules, and regulations, provided that all procurements made with grant funds minimally adhere to standards established by the Illinois Procurement Code (30 ILCS 500) and 2 CFR 200.318 - 327.

32. Subawards.

32.1 Grantee will monitor subawards to ensure compliance with State and/or Federal statutes, regulations, and the terms and conditions of the subaward. Approval of a subaward does not relieve Grantee of its obligation to assure performance under this Agreement.

Grantee shall submit a description of the tracking system to Grantor prior to incurring any transportation costs. This section applies to costs for both staff and participants.

35. Copyrights and Patents.

35.1. If this Agreement results in a copyright, the Grantor reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for government purposes, the work or the copyright to any work developed under this Agreement and any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

35.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.

36. Management and Disposition of Equipment and Commodities.

36.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.

36.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee shall provide equivalent insurance coverage for grant funded equipment and supplies as provided for other equipment and supplies owned by Grantee. Any loss, damage or theft of equipment and supplies shall be investigated and fully documented, and immediately reported to Grantor.

36.3. Equipment purchased using Grantor funds shall be made available for inspection during site visits, and upon request of Grantor as part of its grant monitoring and oversight responsibilities.

36.4. If, for an item of equipment described in the Budget to be purchased with Grantor funds, Grantee does not have, at a minimum, a purchase order dated within 90 days after the start date of the agreement, Grantee shall submit a letter to Grantor explaining the delay in the purchase of equipment. Grantor may, in its discretion:

- A. Reduce the amount of funding;
- B. Cancel this agreement;
- C. Allow Grantee to reallocate the funds that were allocated for such equipment to other allowable Grantor approved costs; or
- D. Extend the period to purchase this equipment past the 90-day period.

37. Program Income. All income, including income resulting from asset seizures or forfeitures, generated as a direct result of the program shall be deemed program income. Program income must be used for the

purposes and under the conditions applicable to the use of grant funds. Program income may be used by Grantee for any purpose that furthers the objectives of the grant or deducted from the total allowable costs in accordance with Part I, 7.7. Grantee shall report and account for such program income as required by the Grantor.

38. Separate Revenue and Expenditure Accounts. Grantee must have an accounting system that meets the following requirements prior to receiving grant funds:

- (a) Provides for the clear identification, in its accounts, of all Federal awards, State awards, and matching funds received or expended.
- (b) Enables the preparation of reports required by general and program-specific terms and conditions of Grantee's awards.
- (c) Allows the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes; regulations; and the terms and conditions of the Federal or State award.
- (d) Requires each Federal award, State award, and matching fund revenues and expenditures to be accounted, recorded, and tracked separately by funding source.
- (e) Includes classification of expenditures (e.g., personnel, commodities, equipment).
- (f) Maintains a system coding or classification system that permits summarization and reporting of grant revenue and expenditures by specific accounts, programs, projects, etc.
- (g) Ensures that Federal and State awarded funds and matching funds are not commingled with funds from other Federal, State, or private sources. 2 CFR 200.302.
- (h) Maintain an accounting system that utilizes generally accepted standards of accounting.

Upon request, Grantor may allow Grantee to receive funds without meeting the above requirements. Such exception shall be granted in writing and Grantee shall be given no more than six (6) months after the exception to meet all requirements of this section.

39. Publications.

39.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

39.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than \$1000 to create or produce. These publication review requirements do not apply to press releases, flyers advertising approved program activities only, newsletters and issue analyses.

39.3. Grantor reserves the right to require the resubmission of any publication for additional review and comment, prior to its printing.

39.4. All publications shall supplement the language required by Part I, Article XIX with the following statement:

"Funding provided in whole or in part by the Illinois Criminal Justice Information Authority. Points of view or opinions contained within this document are those of the author and do not necessarily represent the official position or policies of the State of Illinois, or the Illinois Criminal Justice Information Authority."

39.5. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal grant funds, Grantee shall clearly state (1) the percentage of the total cost of the program or project which will be funded under this agreement, and (2) the dollar amount of funding for the project or program in addition to the statement required in 42.4.

39.6 Exceptions to the above requirements shall only be allowed upon Grantor's written prior approval.

40. Reporting Grant Irregularities.

40.1. Grantee shall promptly notify Grantor through their Grant Monitor when an allegation is made, or Grantee otherwise receives information, reasonably tending to show the possible existence of any irregularities or illegal acts in the administration of Grant Funds. Grantor, per its agency policy, shall determine the reasonableness of the allegation of the irregularities or illegal action and determine the appropriate course of action. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

40.2. Grantee shall inform any sub-recipient of Grantor's Grant Funds that the sub-recipient is similarly obligated to report irregularities.

40.3. Failure to report known irregularities can result in suspension of the Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

75. Compliance with National Environmental Policy Act and Related Statutes.

Upon request, the grantee (and any subrecipient at any tier) must assist BJA in complying with the National Environmental Policy Act (NEPA), the National Historic Preservation Act, and other related federal environmental impact analyses requirements in the use of these award funds, either directly by the grantee or by a subrecipient. Accordingly, the grantee agrees to first determine if any of the following activities will be funded by the grant, prior to obligating funds for any of these purposes. If it is determined that any of the following activities will be funded by the award, the grantee agrees to contact BJA.

The grantee understands that this condition applies to new activities as set out below, whether or not they are being specifically funded with these award funds. That is, as long as the activity is being conducted by the grantee, a subrecipient, or any third party, and the activity needs to be undertaken in order to use these award funds, this condition must first be met. The activities covered by this condition are:

- a. New construction;
- b. Minor renovation or remodeling of a property located in an environmentally or historically sensitive area, including properties located within a 100-year flood plain, a wetland, or habitat for endangered species, or a property listed on or eligible for listing on the National Register of Historic Places;
- c. A renovation, lease, or any proposed use of a building or facility that will either (a) result in a change in its basic prior use or (b) significantly change its size;
- d. Implementation of a new program involving the use of chemicals other than chemicals that are (a) purchased as an incidental component of a funded activity and (b) traditionally used, for example, in office, household, recreational, or education environments; and
- e. Implementation of a program relating to clandestine methamphetamine laboratory operations, including the identification, seizure, or closure of clandestine methamphetamine laboratories.

The grantee understands and agrees that complying with NEPA may require the preparation of an Environmental Assessment and/or an Environmental Impact Statement, as directed by BJA. The grantee further understands and agrees to the requirements for implementation of a Mitigation Plan, as detailed at <https://bj.gov/Funding/nepa.html>, for programs relating to methamphetamine laboratory operations.

Application of This Condition to Grantee's Existing Programs or Activities: For any of the grantee's or its subrecipients' existing programs or activities that will be funded by these award funds, the grantee, upon specific request from BJA, agrees to cooperate with BJA in any preparation by BJA of a national or program environmental assessment of that funded program or activity.

76. Establishment of trust. If award funds are being drawn down in advance, the grantee (or a subrecipient, with respect to a subaward) is required to establish a trust fund account. Grantees (and subrecipients) must maintain advance payments of federal awards in interest-bearing accounts, unless regulatory exclusions apply (2 C.F.R. 200.305(b)(8)). The trust fund, including any interest, may not be used to pay debts or expenses incurred by other activities beyond the scope of the Edward Byrne Memorial Justice Assistance Grant Program (JAG). The grantee also agrees to obligate the award funds in the trust fund (including any interest earned) during the period of performance for the award and expend within 90 days thereafter. Any unobligated or unexpended funds, including interest earned, must be returned to OJP at the time of closeout.

77. Required Data on Law Enforcement Agency Training. Grantee agrees, that if it is a law enforcement agency, it will submit quarterly accountability metrics data related to training that officers have received on the use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public.

78. Controlled expenditures.

78.1. *Prior Written Approval Required.* Award funds may not be used for items that are listed on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, without explicit written prior approval from BJA. The Controlled Expenditure List, and instructions on how to request approval for purchase or acquisitions are set out at <https://www.bja.gov/funding/JAGControlledPurchaseList.pdf>

78.2. *Incident Reporting.* If Grantee uses award funds to purchase or acquire any item on the Controlled Expenditure List at the time of purchase or acquisition, including as the list may be amended from time to time, the agency must collect and retain (for at least 3 years) certain information about the use of-- (1) any federally-acquired Controlled Equipment in the agency's inventory, and (2) any other controlled equipment in the same category as the federally-acquired controlled equipment in the agency's inventory, regardless of source; and Grantee must make that information available to BJA upon request. Details about what information must be collected and retained are set out at <https://ojp.gov/docs/LEEquipment-WG-Final-Report.pdf>.

78.3. *Sale of items on Controlled Expenditure List.* Grantee understands and agrees that, notwithstanding 2 CFR § 200.313, no equipment listed on the Controlled Expenditure List that is purchased under this award may be transferred or sold to a third party, except as described below:

- a. Agencies may transfer or sell any controlled equipment, except riot helmets and riot shields, to a Law Enforcement Agency (LEA) after obtaining prior written approval from BJA. As a condition of that approval, the acquiring LEA will be required to submit information and certifications to BJA as if it was requesting approval to use award fund for the initial purchase of items on the Controlled Expenditure List.
- b. Agencies may not transfer or sell any riot helmets or riot shields purchased under this award.
- c. Agencies may not transfer or sell any Controlled Equipment purchased under this award to non-LEAs, with the exception of fixed wing aircraft, rotary wing aircraft, and command and control vehicles. Before any such transfer or sale is finalized, the agency must obtain prior written approval from BJA. All law enforcement-related and other sensitive or potentially dangerous components, and all law enforcement insignias and identifying markings must be removed prior to transfer or sale.
- d. Grantee must notify BJA prior to the disposal of any items on the Controlled Expenditure List purchased with award funds, and must abide by any applicable laws (including regulations) in such disposal.

78.4. *Prohibited or Controlled Expenditures - Effect of Failure to Comply.* Failure to comply with an award condition related to prohibited or controlled expenditures may result in denial of any further approvals of controlled expenditures under this or other federal awards.

78.5. *Controlled expenditures – Standards.* Grantee understands that, pursuant to recommendation 2.1 of Executive Order 13688, law enforcement agencies that acquire controlled equipment through

Federal programs must adopt robust and specific written policies and protocols governing General Policing Standards and Specific Controlled Equipment Standards. General Policing Standards includes policies on (a) Community Policing; (b) Constitutional Policing; and (c) Community Input and Impact Considerations. Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. Upon Grantor's or OJP's request, Grantee agrees to provide a copy of the General Policing Standards and Specific Controlled Equipment Standards, and any related policies and protocols.

79. Nondiscrimination.

79.1 Grantee certifies that it will not engage in any prohibited discrimination based on any race, color, religion, sex, national origin, ancestry, age, order of protection status, marital status, pregnancy, physical or mental disability, military status, sexual orientation, gender identity, or unfavorable discharge from military service. Grantee understands that federal and state statutes and regulations applicable to awards made by Grantor include civil rights and nondiscrimination requirements and Grantee certifies that it will abide by those requirements. Specifically, those requirements as found in:

- a. The applicable statutes pertaining to civil rights contained in section 601 of the Civil Rights Act of 1964 (42 U.S.C. § 2000d); section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794); section 901 of the Education Amendments of 1972 (20 U.S.C. § 1681); and section 303 of the Age Discrimination Act of 1975 (42 U.S.C. § 6102);

- c. The DOJ regulations on the Partnerships with Faith-Based and Other Neighborhood Organizations (Executive Order 13,559 and 28 C.F.R. pt. 38), DOJ Implementing Regulations as found in 28 C.F.R. pt. 42, 28 C.F.R. pt 31, 28 C.F.R. pt 35, 28 C.F.R. pt 38 and 28 C.F.R. pt 94;

79.2 Grantee certifies it shall comply with such guidance regarding civil rights matters as may be issued by Grantor and the United States Department of Justice, Office of Justice Programs, Office for Civil Rights. Grantee agrees to have written sexual harassment policies which satisfy the requirements set forth in the Illinois Human Rights Act. (775 ILCS 5)

79.3 National origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI of the Civil Rights Act of 1964 and the Safe Streets Act, Grantee is required to take reasonable steps to ensure that LEP persons have meaningful access to programs. Meaningful access may entail providing language assistance services, including oral and written translation when necessary.

79.4 Faith-Based and Community Organizations that statutorily qualify as eligible applicants under OJP programs are invited and encouraged to apply for assistance awards and will be considered for awards on the same basis as any other eligible applicants and, if they receive assistance awards, will be treated on an equal basis with all other grantees in the administration of such awards. No eligible applicant will be discriminated against on the basis of its religious character or affiliation, religious name, or the religious composition of its board of directors or persons working in the organization.

79.5 In the event that a Federal or State court or a Federal, State, or local administrative agency makes a finding of discrimination after a due process hearing on the grounds of race, color, age, religion, national origin, disability, or sex against Grantee, or any sub-grantee or contractor of Grantee, Grantee will forward a copy of the finding to Grantor within five (5) business days of said finding. If applicable, Grantor will forward a copy of the finding to the Office for Civil Rights, Office of Justice Programs.

79.6 Grantee shall designate a Civil Rights Coordinator to serve as a liaison for all civil rights related matters. The Civil Rights Coordinator need not be grant funded. Grantee shall promptly notify Grantor of any change regarding the designated Civil Rights Coordinator.

79.8 Grantee shall provide notice to employees and beneficiaries regarding applicable civil rights laws and the procedure for filing a complaint with Grantor and appropriate federal and state agencies. Grantee shall promptly notify Grantor, via its assigned Grant Monitor, of any complaints of prohibited discrimination or harassment filed with Grantee regarding grant employees, beneficiaries, or potential beneficiaries. Grantee shall fully cooperate in any investigation regarding an allegation of prohibited discrimination.

79.9 Grantee shall complete a Civil Rights Compliance Questionnaire as required by Grantor.

79.10 Grantee will require subrecipients and subcontractors to comply with all applicable civil rights and nondiscrimination statutes and regulations.

80. Authority to obligate award funds contingent on noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions; unallowable costs; notification.

1. If the grantee is a "State," a local government, or a "public" institution of higher education:

A. The grantee may not obligate award funds if, at the time of the obligation, the "program or activity" of the grantee (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded wholly or partly with award funds is subject to any "information-communication restriction."

B. Also, with respect to any project costs it incurs "at risk," the grantee may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the grantee (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the grantee shall be considered, for all purposes, to be a material representation by the grantee to OJP that, as of the date the grantee requests the drawdown, the grantee and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."

D. The grantee must promptly notify OJP (in writing) if the grantee, from its requisite monitoring of compliance with award conditions or otherwise, has credible evidence that indicates that the funded program or activity of the grantee, or of any subrecipient (at any tier) described in par. 1.A of this condition, may be subject to any information-communication restriction. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in par. 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the grantee at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the grantee despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the grantee that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information-communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

A. For purposes of this condition "information-communication restriction" has the meaning set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition.

B. Both the "Rules of Construction" and the "Important Note" set out in the "Noninterference ... information-communication restrictions; ongoing compliance" condition are incorporated by reference as though set forth here in full.

81. Noninterference (within the funded "program or activity") with federal law enforcement: information-communication restrictions: ongoing compliance.

1. With respect to the "program or activity" funded in whole or part under this award (including any such program or activity of any subrecipient at any tier), throughout the period of performance, no State or local government entity, -agency, or -official may prohibit or in any way restrict-- (1) any government entity or -official from sending or receiving information regarding citizenship or immigration status to/from DHS; or (2) a government entity or -agency from sending, requesting or receiving, or exchanging information regarding immigration status to/from/with DHS, or from maintaining such information. Any prohibition (or restriction) that violates this condition is an "information-communication restriction" under this award.

2. The grantee's monitoring responsibilities include monitoring of subrecipient compliance with the requirements of this condition.

3. Allowable costs. Compliance with these requirements is an authorized and priority purpose of this award. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the grantee, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of Construction

A. For purposes of this condition:

(1) "State" and "local government" include any agency or other entity thereof (including any public institution of higher education), but not any Indian tribe.

(2) A "public" institution of higher education is defined as one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(3) "Program or activity" means what it means under title VI of the Civil Rights Act of 1964 (see 42 U.S.C. 2000d-4a).

(4) "Immigration status" means what it means under 8 U.S.C. 1373 and 8 U.S.C. 1644; and terms that are defined in 8 U.S.C. 1101 mean what they mean under that section 1101, except that "State" also includes American Samoa.

(5) "DHS" means the U.S. Department of Homeland Security.

B. Nothing in this condition shall be understood to authorize or require any grantee, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to the OJP, before award acceptance.

82. Noninterference (within the funded "program activity") with federal law enforcement: No public disclosure of certain law-enforcement-sensitive information

SCOPE. This condition applies with respect to the "program or activity" that is funded (in whole or in part) by the award, as of the date the grantee accepts this award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference: No public disclosure of federal law-enforcement information in order to conceal, harbor, or shield Consistent with the purposes and objectives of federal law enforcement statutes and federal criminal law (including 8 U.S.C. 1324 and 18 U.S.C. chs. 1, 49, 227), no public disclosure may be made of any federal law-enforcement information in a direct or indirect attempt to conceal, harbor, or shield from detection any fugitive from justice under 18 U.S.C. ch. 49, or any alien who has come to, entered, or remains in the United States in violation of 8 U.S.C. ch. 12 --without regard to whether such disclosure would constitute (or could form a predicate for) a violation of 18 U.S.C. 1071 or 1072 or of 8 U.S.C. 1324(a).

2. Monitoring

The grantee's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

83. No use of funds to interfere with federal law enforcement: No disclosure of certain law-enforcement sensitive information

SCOPE. This condition applies as of the date the grantee accepts this award, and throughout the remainder of the period of performance. Its provisions must be among those included in any subaward (at any tier).

84. Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens

SCOPE. This condition applies with respect to the "program or activity" funded (wholly or partly) by this award, as of the date the grantee accepts the award, and throughout the rest of the award period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference with statutory law enforcement access to correctional facilities

Consonant with federal law enforcement statutes and regulations--including 8 USC 1357(a), under which certain federal officers and employees "have power without warrant ... to interrogate any alien or person believed to be an alien as to his right to be or to remain" in the U.S., and 8 CFR 287.5(a), under which that power may be exercised "anywhere in or outside" the U.S.--within the funded program or activity, no State or local government entity, -agency, or - official may interfere with the exercise of that power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by

impeding access to any State or local government (or government-contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be or to remain in the United States."

2. Monitoring

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

(5) The term "correctional facility" means what it means under 34 USC 10251(a)(7)) as of January 1, 2020.

(6) The term "impede" includes taking or continuing any action, or implementing or maintaining any law, policy, rule, or practice, that-

(a) is designed to prevent or to significantly delay or complicate, or

(b) has the effect of preventing or of significantly delaying or complicating.

(7) "State" and "local government" include any agency or other entity thereof (including any public institution of higher education), but not any Indian tribe.

(8) A "public" institution of higher education is one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(9) "Program or activity" means what it means under 42 USC 2000d-4a.

B. Nothing in this condition shall be understood to authorize or require any grantee, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

85. Pre-Award Costs. Pre-award costs are authorized in accordance with 2 CFR 200.209. Pre-award costs are those incurred from the beginning of the period of performance of the grant until the execution of the grant agreement and must be in accordance with the final approved program budget. ICJIA has the right to review supporting documentation for all pre-award costs that are submitted for reimbursement on a financial report from grantees. Costs that are not in accordance with the final approved budget (necessary, reasonable, allowable, and allocable) shall be disallowed.
86. Requirement to report actual or imminent breach of personally identifiable information (PII). The grantee (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.
87. Safe policing and law enforcement subrecipients. If this award is a discretionary award, the recipient agrees that it will not make any subawards to State, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.
88. Requirements of the award; remedies for non-compliance or for materially false statements. The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqs.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized

recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

89. Requirement for data on performance and effectiveness under the award. The grantee must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.
90. Requirements related to "de minimis" indirect cost rate. A grantee that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.
91. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency outside of DOJ. If the grantee is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.
92. Compliance with DOJ Grants Financial Guide. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The grantee agrees to comply with the DOJ Grants Financial Guide.

93. Potential imposition of additional requirements. The grantee agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.
94. Reclassification of various statutory provisions to a new Title 34 of the United States Code. On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

95. Requirements related to System for Award Management and Universal Identifier Requirements. The grantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The grantee also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the grantee's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

96. Requirement to report potentially duplicative funding. If the grantee currently has other active awards of federal funds, or if the grantee receives any other award of federal funds during the period of performance for this award, the grantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the grantee must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.
97. Cooperating with OJP Monitoring. The grantee agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The grantee agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation

related to any subawards made under this award. Further, the grantee agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the grantee's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the grantee's access to award funds; referral to the DOJ OIG for audit review; designation of the grantee as a DOJ High Risk grantee; or termination of an award(s).

98. Use of program income. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.
99. Confidentiality of data. The grantee (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.
100. Justification of consultant rate. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.
101. "Methods of Administration" - monitoring compliance with civil rights laws and nondiscrimination provisions. The grantee's monitoring responsibilities include monitoring of subrecipient compliance with applicable federal civil rights laws and nondiscrimination provisions. Within 90 days of the date of award acceptance, the recipient must submit to OJP's Office for Civil Rights (at CivilRightsMOA@usdoj.gov) written Methods of Administration ("MOA") for subrecipient monitoring with respect to civil rights requirements. In addition, upon request by OJP (or by another authorized federal agency), the recipient must make associated documentation available for review.

The details of the grantee's obligations related to Methods of Administration are posted on the OJP web site at <https://ojp.gov/funding/Explore/StateMethodsAdmin-FY2017update.htm> (Award condition: "Methods of Administration" - Requirements applicable to States (FY 2017 Update)), and are incorporated by reference here.

102. The grantee understands that, in accepting this award, the Authorized Representative declares and certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The grantee further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.
103. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS. The grantee must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of grantee obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance

system (currently, "FAPIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIS), and are incorporated by reference here.

104. Withholding - Certification with respect to Federal taxes - award exceeding \$5 million (updated Aug. 2017).

The grantee may not obligate, expend, or draw down any funds under this award until it has submitted to the program manager, in a format acceptable to OJP, a formal written certification directed to OJP and executed by an official with authority to sign on behalf of the grantee, that the grantee (unless an exemption applies by operation of law, as described below)-- (1) has filed all Federal tax returns required for the three tax years immediately preceding the tax year in which the certification is made; (2) has not been convicted of a criminal offense under the Internal Revenue Code of 1986; and (3) has not, more than 90 days prior to this certification, been notified of any unpaid federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default, or the assessment is the subject of a non-frivolous administrative or judicial proceeding; and until an Award Condition Modification (ACM) has been issued to remove this condition.

105. FFATA reporting: Subawards and executive compensation. The grantee must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the grantee and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of grantee obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

106. Required monitoring of subawards. The grantee must monitor subawards under this award in accordance with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the grantee is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

107. Avoidance of duplication of networks. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

108. Law enforcement task forces - required training. Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if

multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.

Additional information regarding the training is available through BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

109. All State and Local JAG grantee must submit quarterly Federal Financial Reports (SF-425). Additionally, State JAG and Local JAG Category Two (\$25K or more) must submit semi-annual performance reports through JustGrants and Local JAG Category One (Less than \$25K) must submit annual performance reports through JustGrants. Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the grantee must provide data that measure the results of its work. The grantee must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.
110. Expenditures prohibited without waiver. No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.
111. Effect of failure to address audit issues. The grantee understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the grantee does not satisfactorily and promptly address outstanding issues from audits required by Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.
112. The award grantee agrees to participate in a data collection process measuring program outputs and outcomes. The data elements for this process will be outlined by the Office of Justice Programs.
113. The grantee agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provisions of any information required for the assessment or evaluation of any activities within this project.
114. Authorization to obligate (federal) award funds to reimburse certain project costs incurred after October 1, 2021. The grantee may obligate (federal) award funds only after the recipient makes a valid acceptance of the award. As of the first day of the period of performance for the award (October 1, 2021), however, the grantee may choose to incur project costs using non-federal funds, but any such project costs are incurred at the grantee's risk until, at a minimum – (1) the grantee makes a valid acceptance of the award, and (2) all applicable withholding conditions are removed by the OJP (via an Award Condition Modification (ACM)). (A withholding condition is a condition in the award document that precludes the grantee from obligating, expending, or drawing down all or a portion of the award funds until the

condition is removed.)

Except to the extent (if any) that an award condition expressly precludes reimbursement of project costs incurred "at-risk," if an when the grantee makes a valid acceptance of this award and OJP removed each applicable withholding condition through an Award Condition Modification (ACM), the grantee is authorized to obligate (federal) award funds to reimburse itself for project costs incurred "at risk" earlier during the period of performance (such as project costs incurred prior to award acceptance or prior to removal of an applicable withholding condition), provided that those project costs otherwise are allowable under the award.

- 115.If award funds are used for DNA testing of evidentiary materials, any resulting eligible DNA profiles must be uploaded to the Combined DNA Index System ("CODIS," the DNA database operated by the FBI) by a government DNA laboratory with access to CODIS. No profiles generated under this award may be entered or uploaded into any non-governmental DNA database without prior express written approval from BJA. Award funds may not be used for the purchase of DNA equipment and supplies unless the resulting DNA profiles may be accepted for entry into CODIS. Booking agencies should work with their state CODIS agency to ensure all requirements are met for participation in Rapid DNA (see National Rapid DNA Booking Operational Procedures Manual).
- 116.Grantees utilizing award funds for forensic genealogy testing must adhere to the United States Department of Justice Interim Policy Forensic Genealogical DNA Analysis and Searching (<https://www.justice.gov/olp/page/file/1204386/download>), and must collect and report the metrics identified in Section IX of that document to BJA.
- 117.Prohibition on use of award funds for match under BVP program. JAG funds may not be used as the 50% match for purposes of the DOJ Bulletproof Vest Partnership (BVP) program.
- 118.Certification of body armor "mandatory wear" policies, and compliance with NIJ standards. If grantee uses funds under this award to purchase body armor, the grantee must submit a signed certification that each law enforcement agency receiving body armor purchased with funds from this award has a written "mandatory wear" policy in effect. The grantee must keep signed certifications on file for any subrecipients planning to utilize funds from this award for ballistic-resistant and stab resistant body armor purchases. This policy must be in place for at least all uniformed officers before any funds from this award may be used by an agency for body armor. There are no requirements regarding the nature of the policy other than it be a mandatory wear policy for all uniformed officers while on duty.

Ballistic-resistant and stab-resistant body armor purchased with award funds may be purchased at any threat level, make or model, from any distributor or manufacturer, as long as the body armor has been tested and found to comply with applicable National Institute Justice ballistic or stab standards, and is listed on the NIJ Compliant Body Armor Model List. In additional, ballistic-resistant and stab resistant body armor purchased must be made in the United States and must be uniquely fitted, as set forth in 34 U.S.C. 10202(c)(1)(A). The latest NIJ standard information an the NIJ Compliance Body Armor List may be found by following the links located on the NIJ Body Armor page: <https://nij.ojp.gov/topics/equipment-and-technology/body-armor>
- 119.Extreme risk protection programs funded by JAG must include, at a minimum: pre-deprivation and post-deprivation due process rights that prevent any violation or infringement of the Constitution of the United States, including but not limited to the Bill of Rights, and the substantive or procedural due process rights guaranteed under the Fifth and Fourteenth Amendments to the Constitution of the United States, as applied to the States, and as interpreted by the State courts and United States courts (including the

Supreme Court of the United States). Such programs must include, at the appropriate phase to prevent any violation of the constitutional rights, at a minimum, notice, the right to an in-person hearing, an unbiased adjudicator, the right to know opposing evidence, the right to present evidence, and the right to confront adverse witnesses; the right to be represented by counsel at not expense to the government; pre-deprivation and post deprivation heightened evidentiary standards and proof which mean not less than the protections afforded to a similarly situated litigant in Federal court or promulgated by the State's evidentiary body, and sufficient to ensure the full protections of the Constitution of the United States, including by not limited to the Bill of Rights, and the substantive and procedural due process rights guaranteed under the Fifth and Fourteenth Amendments to the Constitution of the United States, as applied to the States, and as interpreted by State courts and the United States courts (including the Supreme Court of the United States). The heightened evidentiary standards and proof under such programs must, at all appropriate phases to prevent any violation of any constitutional right, at a minimum, prevent reliance upon evidence that is unsworn or unaffirmed, irrelevant, based on inadmissible hearsay, unreliable, vague, speculative, and lacking a foundation; and penalties for abuse of the program.

120. The grantee agrees that no funds under this grant award (including via subcontract or subaward, at any tier) may be used for unmanned aircraft (UAS), which include unmanned aircraft vehicles (UAV), or for any accompanying accessories to support UAS.

121. BJA-JAG-Withholding for Chief Executive Certification. Withholding of funds: Required certification from the chief executive of the applicant government

The grantee may not expend or draw down any award funds until the grantee submits the required "Certifications and Assurances by the Chief Executive of the Applicant Government," properly-executed (as determined by OJP), and an Award Condition Modification has been issued to remove this condition.

122. High risk: Withholding – Completion of "OJP financial management and grant administration training required."

The grantee may not obligate, expend, or draw down funds under this award until – (1) OJP determines that the recipient's Grant Award Administrator and all Financial Managers for this award have successfully completed an "OJP financial management and grant administration training" on or after October 15, 2020, and (2) OJP issues an Award Condition Modification (ACM) to modify or remove this award condition.

Once both the Grant Award Administrator and all Financial Managers have successfully completed the training required by this condition, the grantee may contact the designated grant manager for the award to request initiation of an ACM to remove this condition.

A list of the OJP trainings that OJP will consider an "OJP financial management and grant administration training" for purposes of this condition is available at <https://ojp.gov/training/fmts.htm>. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

123. BJA – JAG – Withholding of funds for program narrative.

Withholding of funds: Program narrative

The grantee may not expend or draw down any award funds until the recipient submits, and OJP reviews and accepts, the program narrative for this award, and an Award Certification Modification has been issued to remove this condition.

124. High rise: On-site monitoring. The grantee understands that it will be subject to additional financial and programmatic on-site monitoring, which may be on short notice, and agrees that it will cooperate with any such monitoring.
125. BJA-JAG-SORNA Appeal Limits. The grantee acknowledges that final agency decision made by DOJ that grantee's jurisdiction did not substantially implement the Sex Offender registration and Notification Act (Public Law 109-248, "SORNA") before the deadline, and understands that, as a result of that final agency decision, the amount of this JAG award was reduced, pursuant to 34 U.S.C. 20927. By accepting this specific award, the recipient voluntarily agrees that if it elects to file a judicial appeal of that final agency decision, which was integral in determining this particular funding amount, no such appeal may commence more than 6 months after the date of acceptance of this award.
126. In accepting this award, the grantee agrees that the grant funds cannot be used for Facial Recognition Technology (FRT) unless the grantee has policies and procedures in place to ensure that the FRT will be utilized in an appropriate and responsible manner that promotes public safety, and protects privacy, civil rights, and civil liberties and complies with all applicable provisions of the U.S. Constitution, including the Fourth Amendment's protection against unreasonable searches and seizures and the First Amendment's freedom of association and speech, as well as other laws and regulations. Grantees utilizing funds for FRT must make such policies and procedures available to DOJ upon request.
127. The grantee agrees to address outstanding issues from audit report number TO-50-21-005. The grantee may not obligate, expend, or draw down funds under this award until outstanding audit issues have been satisfactorily addressed, or the Director of the OJP Office of Audit, Assessment and Management (OAAM), for good cause shown, issues prior written approval for a partial or total release of this condition, and a Grant Award Modification (GAM) has been issued to modify or remove this award condition.

The initial ICRP will be sent to the State of Illinois' Indirect Cost Unit.
<i>NOTE: (Check with your State of Illinois Agency for information regarding reimbursement of indirect costs while your proposal is being negotiated)</i>		

3)	☐	Our Organization has never received a Negotiated Indirect Cost Rate Agreement from either the Federal government or the State of Illinois and elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards (2 CFR 200.414 (c)(4)(f) & (200.68).
<i>NOTE: (Your Organization must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs)</i>

Section C - Budget Worksheet & Narrative

1). **Personnel (Salaries & Wages)** (2 CFR 200.430) --List each position by title and name of employee, if available. Show the annual salary rate and the percentage of time to be devoted to the project and length of time working on the project. Compensation paid for employees engaged in grant activities must be consistent with that paid for similar work within the applicant organization. Include a description of the responsibilities and duties of each position in relationship to fulfilling the project goals and objectives in the narrative space provided below. Also, provide a justification and description of each position (including vacant positions). Relate each position specifically to program objectives. Personnel cannot exceed 100% of their time on all active projects.

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

3). **Travel** (2 CFR 200.474)-- Travel should include: origin and destination, estimated costs and type of transportation, number of travelers, related lodging and per diem costs, brief description of the travel involved, its purpose, and explanation of how the proposed travel is necessary for successful completion of the project. In training projects, travel and meals for trainees should be listed separately. Show the number of trainees and unit cost involved. Identify the location of travel, if known; or if unknown, indicate "location to be determined." Indicate source of Travel Policies applied, Applicant or State of Illinois Travel Regulations. **NOTE:** Dollars requested in the travel category should be for staff travel only. Travel for consultants should be shown in the contractual category along with the consultant's fee. Travel for training participants, advisory committees, review panels and etc., should be itemized the same way as indicated above and placed in the "Miscellaneous" category.

Column G ("Basis") defines the quantity being measured. For example, if your expense is two nights in a hotel, the basis is "Nights." If the expense is 300 miles, the basis is "Miles."

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

4). **Equipment** (2 CFR 200.439) -- Provide justification for the use of each item and relate them to specific program objectives. Provide both the annual (for multiyear awards) and total for equipment. Equipment is defined as an article of tangible personal property that has a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000. An applicant organization may classify equipment at a lower dollar value but cannot classify it higher than \$5,000. (Note: Organization's own capitalization policy for classification of equipment can be used). Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "Contractual" category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

5). **Supplies** (2 CFR 200.94) --List items by type (office supplies, postage, training materials, copying paper, and other expendable items such as books, hand held tape recorders) and show the basis for computation. Generally, supplies include any materials that are expendable or consumed during the course of the project.

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

6). Contractual Services (2 CFR 200.318) & Subawards (200.92) -- Provide a description of the product or service to be procured by contract and an estimate of the cost. Applicants are encouraged to promote free and open competition in awarding contracts. Federal rules require a separate justification must be provided for sole source contracts in excess of \$150,000 (*See 2 CFR 200.88*). **However, ICJIA has additional requirements for sole source contracts of other amounts. The applicant must contact the ICJIA grant monitor or program administrator for additional information.** This budget category may include **subawards**. Provide separate budgets for each subaward or contract, regardless of the dollar value and indicate the basis for the cost estimates in the narrative. Describe products or services to be obtained and indicate the applicability or necessity of each to the project.

Please also note the differences between subaward, contract, and contractor (vendor):

- 1) Subaward (200.92) means an award provided by a pass-through entity to a subrecipient for the subrecipient to carry out part of a Federal/State award, including a portion of the scope of work or objectives. It does not include payments to a contractor or payments to an individual that is a beneficiary of a Federal/State program.
- 2) Contract (200.22) means a legal instrument by which a non-Federal entity purchases property or services needed to carry out the project or program under a Federal award. The term as used in this part does not include a legal instrument, even if the non-Federal entity considers it a contract, when the substance of the transaction meets the definition of a Federal award or subaward.
- 3) "Vendor" or "Contractor" is generally a dealer, distributor or other seller that provides services in support of the project activities. This can include utilities, leases, computing costs, audit costs, and similar types of costs.

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

Contractual Narrative:

- Position - We would be partnering (contracting) with the DuPage County Health Department, who will supply a Community Support Specialist 20 hours per week. This person would work in cooperation with Assistant Public Defenders in the mornings, M-F, when most pre-trial cases are heard in court daily. They would only work during the week at this point, so these services would not be available on weekends or holidays. This amount covers salary, fringe, and other costs associated with the position. For the travel line, this would cover the costs of clients getting to appointments and services referred, if needed. Transportation is a large barrier to service in DuPage County with our clients. The costs reflect approximately 200 rides provided using a taxi or uber service, based on the distance it takes to cross the county, approximately \$50 per round trip ride.

Section C - Budget Worksheet & Narrative

16). Indirect Cost (2 CFR 200.414) --Provide the most recent indirect cost rate agreement information with the itemized budget. The applicable indirect cost rate(s) negotiated by the organization with the cognizant negotiating agency must be used in computing indirect costs (F&A) for a program budget. The amount for indirect costs should be calculated by applying the current negotiated indirect cost rate(s) to the approved base(s). After the amount of indirect costs is determined for the program, a breakdown of the indirect costs should be provided in the budget worksheet and narrative below.

Note: Please see ICJIA Specific Instructions tab for additional information for completing this section.

Description	Computation		Federal/State Amount	Match	Total Cost
	Base	Rate			
N/A					\$ -

Indirect Cost Narrative:

This is to certify that I have reviewed the indirect cost rate proposal and grant agreement budget, and to the best of my knowledge and belief:

- (1) The costs included in the proposal to establish the final indirect costs rate for this project period are not listed in the budget as a direct cost.

(2) The indirect costs charged to this grant agreement are not included as direct costs in a different grant agreement with the Criminal Justice Information Authority (Authority) or any other grantor.

(3) The direct costs listed in this budget are not charged as indirect costs in a different grant agreement with the Authority or any other grantor.

Violation of this certification may result in a range of penalties, including suspension of funds under this program, termination of this agreement, suspension or debarment from receiving future grants, recoupment of monies provided under this grant, and all remedies allowed under the Illinois Grant Recovery Act (30 ILCS 708/1 et seq.)

§200.308 Revision of budget and program plans

(c) The Federal/State awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal/State awards in which the Federal/State share of the project exceeds the Simplified Acquisition Threshold and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent or \$1,000 per detail line item, whichever is greater of the total budget as last approved by the Federal/State awarding agency. The Federal/State awarding agency cannot permit a transfer that would cause any Federal/State appropriation to be used for purposes other than those consistent with the appropriation.

State of Illinois -- Uniform Budget Template (updated by ICJIA) -- GATA General Instructions

Section A – Budget Summary

FEDERAL/STATE FUNDS

All applicants must complete Section A and provide a break-down by all applicable budget categories. **Please read all instructions before completing form.**

FEDERAL/STATE GRANT FUNDS

Provide a total requested ICJA Grant amount for each year in the Revenue portion of Section A. The amount entered in Line (a) will equal the total amount budgeted on Line 18 of Section A.

BUDGET SUMMARY – FEDERAL/STATE FUNDS

All applicants must complete Section A and provide a break-down by the applicable budget categories.

For each project year for which funding is requested, show the total amount requested for each applicable budget category.

Please see detail worksheet and narrative section for further descriptions and explanations of budgetary line items

Section A - Indirect Cost Information: *(This information should be completed by the applicant's Business Office).* If the applicant is requesting reimbursement for indirect costs on line 17, the applicant's Business Office must select one of the options listed on the Indirect Cost Information page under Section-A Indirect Cost Information (1-4).

Option (1) The applicant has a Negotiated Indirect Cost Rate Agreement (NICRA) that was approved by the Federal government. A copy of this agreement must be provided to the State of Illinois' Indirect Cost Unit for review and documentation. This NICRA will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations. *If this option is selected by the applicant, basic information is required for completion of this section. See bottom of "Section-A Indirect Cost Information"*

NOTE: The applicant may not have a Federally Negotiated Indirect Cost Rate Agreement. Therefore, in order for the applicant to be reimbursed for Indirect Costs from the State of Illinois, the applicant must either:

- A) Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from our State Cognizant Agency on an annual basis.
- B) Elect to use the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois Awards.
- C) Use a Restricted Rate designated by programmatic statutory policy. (See Notice of Funding Opportunity for Restricted Rate Programs)

Option (2a) The applicant currently has a Negotiated Indirect Cost Rate Agreement with the State of Illinois that will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations. The applicant is required to submit a new Indirect Cost Rate Proposal to the Indirect Cost Unit within six (6) months after the close of each fiscal year (2 CFR 200 Appendix IV (C)(2)(c). **Note:** *If this option is selected by the applicant, basic information is required for completion of this section. See bottom of "Section-A Indirect Cost Information"*

OR

Option (2b) The applicant currently does not have a Negotiated Indirect Cost Rate Agreement with the State of Illinois. The applicant must submit its initial Indirect Cost Rate Proposal (ICRP) immediately after the applicant is advised that the State award will be made and, in no event, later than three (3) months after the effective date of the State award (2 CFR 200 Appendix IV (C)(2)(b). The initial ICRP will be sent to the State of Illinois' Indirect Cost Unit. **Note:** *The applicant should check with the State of Illinois awarding Agency for information regarding reimbursement of indirect costs while its proposal is being negotiated*

Option (3) The applicant elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards (2 CFR 200.414 (c)(4)(f) & (200.68). **Note:** *The applicant must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs. Note the applicant may only use the 10 percent de minimis rate if the applicant does not have an Approved Indirect Cost Rate Agreement. The applicant may not use the de minimis rate if it is a Local government, or if your grant is funded under a training rate or restricted rate program.*

Option (4) If you are applying for a grant under a Restricted Rate Program, indicate whether you are using a restricted indirect cost rate that is included on your approved Indirect Cost Rate Agreement, or whether you are using a restricted indirect cost rate that complies with statutory or programmatic policies. **Note:** *See Notice of State Award for Restricted Rate Programs*

Section B - Budget Summary

MATCH FUNDS

MATCH FUNDS: If the applicant is required to provide or volunteers to provide cost-sharing or matching funds or other non-ICJA resources to the project, the applicant must provide a revenue breakdown of all Match funds in lines (b)-(d). the total of "Match Funds" should equal the amount budgeted on Line 18 of Section B. If a match percentage is required, the amount should be entered in this section.

BUDGET SUMMARY – MATCH FUNDS

If the applicant is required to provide or volunteers to provide cost-sharing or matching funds or other match resources to the project, these costs should be shown for each applicable budget category of Section B.

For each applicable budget category for which matching funds are provided, show the total contribution. Only use those categories that are viable.

Please see detail worksheet and narrative section for further descriptions and explanations of budgetary line items

Section C - Budget Worksheet & Narrative

(Attach separate sheet(s))

Pay attention to applicable ICJIA-specific instructions.

All applicants are required to submit a budget narrative along with Section A and Section B. The budget narrative is sometimes referred to as the budget justification. The narrative serves two purposes: it explains how the costs were estimated and it justifies the need for the cost. The narrative may include tables for clarification purposes. The State of Illinois recommends using the State of Illinois Uniform Budget Template worksheet and narrative guide provided.

- Provide an itemized budget breakdown, and justification by project year, for each budget category listed in Sections A and B.
- For match funds or resources listed in Section B that are used to meet a cost-sharing or matching requirement or provided as a voluntary cost-sharing or matching commitment, you must include:
 - a. The specific costs or contributions by budget category;
 - b. The source of the costs or contributions; and
 - c. In the case of third-party in-kind contributions, a description of how the value was determined for the donated or contributed goods or services.

[Please review cost sharing and matching regulations found in 2 CFR 200.306.]

- If applicable to this program, provide the rate and base on which fringe benefits are calculated.
- If the applicant is requesting reimbursement for indirect costs on line 17, this information should be completed by the applicant's Business Office. Specify the estimated amount of the base to which the indirect cost rate is applied and the total indirect expense. Depending on the grant program to which the applicant is applying and/or the applicant's approved Indirect Cost Rate Agreement, some direct cost budget categories in the applicant's grant application budget may not be included in the base and multiplied by your indirect cost rate. Please indicate which costs are included and which costs are excluded from the base to which the indirect cost rate is applied.
- Provide other explanations or comments you deem necessary.

Keep in mind the following--

Although the degree of specificity of any budget will vary depending on the nature of the project and State of Illinois agency requirements, a complete, well-thought-out budget serves to reinforce your credibility and increase the likelihood of your proposal being funded.

- A well-prepared budget should be reasonable and demonstrate that the funds being asked for will be used wisely.
- The budget should be as concrete and specific as possible in its estimates. Make every effort to be realistic, to estimate costs accurately.
- The budget format should be as clear as possible. It should begin with a budget narrative, which you should write after the entire budget has been prepared.
- Each section of the budget should be in outline form, listing line items under major headings and subheadings.
- Each of the major components should be subtotaled with a grand total at the end.

Your budget should justify all expenses and be consistent with the program narrative:

- Salaries should be comparable to those within the applicant organization.
- If new staff is being hired, additional space and equipment are considered, as necessary.
- If the budget lists an equipment purchase, it is the type allowed by the agency.
- If additional space is rented, the increase in insurance is supported.
- If an indirect cost rate applies to the proposal, the division between direct and indirect costs is not in conflict, and the aggregate budget totals refer directly to the approved formula. Indirect costs are costs that are not readily assignable to a particular project, but are necessary to the operation of the organization and the performance of the project (like the cost of operating and maintaining facilities, depreciation, and administrative salaries).

200.308 Revision of budget and program plans

(c) The Federal/State awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal/State awards in which the Federal/State share of the project exceeds the Simplified Acquisition Threshold and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent or \$1,000 per detail line item, whichever is greater of the total budget as last approved by the Federal/State awarding agency. The Federal/State awarding agency cannot permit a transfer that would cause any Federal/State appropriation to be used for purposes other than those consistent with the appropriation.

Budget Instructions (General)

State of Illinois -- Uniform Budget Template (updated by ICJIA) -- ICJIA Specific Instructions

Section A – Budget Summary

I. Section A: Federal/State funds are those that come from ICJIA as part of a NOFO or continuation. The Implementing Agency is the entity that will be responsible for managing the agreement. Please complete all cells in blue. If indirect costs are being included in the budget, don't forget to include the Rate and Base in the left column. The following information can be found on the GATA website or on the Uniform Notice of Funding Opportunity (NOFO): NOFO ID; CFSA Number; CFSA Short Description; State Fiscal Year(s) and Project Period. If this is a continuation grant, please enter the grant number.

II. Section A - Indirect Costs: One of the following must be checked: Item 1; 2a or 2b; 3, 4, or 5. If Option 1 or 2a is selected, then the box at the bottom of the page must be filled out.

III. Section B: All required match must be included. If you are including additional match (overmatch), do not separate required match from overmatch. Those amounts should be combined together. If match is being included in your budget, please complete all cells in blue. If indirect costs will be paid by matching funds, include the Rate and Base in the left column.

IV. Applicant Certification: The Implementing Agency (and Program Agency, if different from the Implementing Agency), must complete this form at the time the grant agreement is signed.

V. FFATA Form: This should only be filled out if the source of ICJIA funds is federal (ie JAG, VOCA, VAWA, etc.) AND if the implementing agency receives \$25,000 or more in federal funds. To confirm whether federal funds are part of this award, please refer to the CFDA number on the Uniform Notice for Funding Opportunity (NOFO). If there is a CFDA number, then this award includes federal funds.

VI. Section C1- Personnel:

- A) If a cost of living increase is anticipated, please reflect the adjusted salary in one line item. In the justification, please state that the salary reflects a cost of living increase and provide the amount/length of time of the initial salary and amount/length of time of the final salary.
- B) If you are budgeting for overtime, please put the overtime amount on the bottom row. In the justification, please state how the overtime amount has been calculated.
- C) Quantity of time will depend on the basis selected.

VII. Section C2 - Fringe:

- A) If additional staff were added to the Personnel tab, please make sure they are also added here. Check the totals to make sure that all additional personnel are included. Fringe should include both the ICJIA and match amounts.
- B) If a personnel's salary is prorated, then the flat rate fringe must also be prorated.
- C) Please enter the percentages for retirement, insurance (include health, dental and life) and workman's comp. If there are other fringe benefits, please enter what the benefit is and the percentage.
- D) Column M has been provided for any flat rate fringe benefits. Please enter the dollar amount in Column M. The narrative should provide sufficient detail that ICJIA understands how the flat rate fringe benefits were calculated.

VIII. Section C3 - Travel:

- A) This page is to be used for all travel costs - both daily and out of town. Please put similarly purposed trips together. For example - daily mileage reimbursement costs can all be on one line item and daily parking costs on the next line item. Out of town trips should also be listed together. For example, if you will attend two conferences, please put costs associated with the first conference together, and then put costs associated with the second conference together.
- B) Travel expenses can not exceed the State of Illinois rates (or your agency's rate, whichever is lower). Mileage, per diem, and lodging rates can be found here: <https://www.illinois.gov/cms/Employees/travel/Pages/TravelReimbursement.aspx> (copy and paste this address into a web browser).

IX. Section C4 - Equipment:

- A) All equipment must be purchased no later than 90 days after the start of the grant, unless otherwise approved by your ICJIA grant monitor.
- B) Equipment must be pro-rated if the piece of equipment will be used for any purpose other than the grant program.

X. Section C5 - Supplies: Please list all supplies/commodities in this section.

XI. Section C6 - Contractual Services: Pro-rated Share - Certain contractual costs must be pro-rated to determine how much can be applied to the grant program. For example, telephone costs would be proportional to the number of FTEs on the grant funded program divided by the total number of FTE employees in the office. Utility or rent costs would be proportional to the space occupied by the grant funded program divided by the total space.

XII. Section C16 - Indirect Costs:

- A) If a federally-approved or state-approved indirect cost rate is being included, please provide the letter showing the approved indirect cost rate.
- B) If any indirect cost rate is being included (de minimus, federally approved or state approved), the certification must be signed at the time the grant agreement is signed.**

XIII. Summary: Please make sure the amounts on this page are the same as the amounts on each of the Budget Worksheet and Narrative tabs.

XIX. Agency Approval: Do not complete this form - this will be filled out by ICJIA.
