WHEREAS, the Attorney has demonstrated knowledge and expertise in juvenile court law and procedures and has represented that he/she has the requisite knowledge, skill, experience, and other resources necessary to perform such services and is desirous of providing such services for the Court.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, the parties hereby agree as follows:

1. **Incorporation of Recitals:** The matters recited above are hereby incorporated into and made a part of this Agreement.
2. **Term and Termination of Agreement:**
 - 2.1 Term. This Agreement is for a term commencing December 1, 2024, through November 30, 2025.
 - 2.2 Termination. Either party may terminate this Agreement without cause by giving the other party at least thirty (30) days’ notice. In addition, either party may terminate this Agreement upon breach by the other party of any material provision of this Agreement, provided such breach continues for 15 days after receipt by the breaching party of written notice of such breach from the non-breaching party.

The Court may, from time to time, request changes in the scope of services. Any such changes shall be documented by an amendment to this Agreement in accordance with State and County laws.
4. **Compensation and Payment:** Compensation for Services during the initial term shall not exceed \$42,000.00 payable in monthly payments upon presentation of an invoice. Compensation shall be based on actual Services performed during the Term of this Agreement, and the Court shall not be obligated to pay for any Services not in compliance with this Agreement. In the event sufficient funds are not appropriated in a subsequent fiscal year by the Court for performance under this Agreement, the Court shall notify Attorney, and this Agreement shall terminate on the last day of the fiscal period for which funds were appropriated. In no event shall the Court be liable to the Attorney for any amount in excess of the current appropriated amount.

WHEREAS, the Attorney has demonstrated knowledge and expertise in juvenile court law and procedures and has represented that he/she has the requisite knowledge, skill, experience, and other resources necessary to perform such services and is desirous of providing such services for the Court.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, the parties hereby agree as follows:

1. **Incorporation of Recitals:** The matters recited above are hereby incorporated into and made a part of this Agreement.
2. **Term and Termination of Agreement:**
 - 2.1 **Term.** This Agreement is for a term commencing December 1, 2024, through November 30, 2025.
 - 2.2 **Termination.** Either party may terminate this Agreement without cause by giving the other party at least thirty (30) days' notice. Hi Chris,

I hope all is well.

I just noticed a discrepancy on your bid response's price page. A Grand Total of \$150,791.00 was entered, which is an accurate total of the extended prices provided. However, this doesn't match the "Grand Total (In words)".

Please confirm the Grand Total (In words).

RECITALS

WHEREAS, the Illinois General Assembly has granted the Health Department authority to establish and carry out health and mental health programs and administrative services (55 ILCS 5/5 -25013); and

WHEREAS, the Court provides an opportunity through its Mental Illness Court Alternative Program (MICAP) and Special Needs Advocacy Program (SNAP), for individuals charged with crimes to participate in a treatment program with the goal of reducing repeat offenses and re-arrest of the mentally ill; and

WHEREAS, the Health Department has experience and expertise in the provision of services to persons who are mentally ill and have a history of arrest and detention; and

WHEREAS, the Probation Department seeks to reduce repeat offenses and the re-arrest of mentally ill persons; and

WHEREAS, the Health Department can provide services that will reduce repeat offenses and the re-arrest of mentally ill persons.

NOW THEREFORE, in consideration of the promises and mutual covenants herein, the parties agree as follows:

ARTICLE I. SERVICES.

- 1.1 Specific services to be provided and operational parameters to be observed are articulated in “Exhibit A: Scope of Services, MICAP”; and “Exhibit B: Scope of Services, SNAP”.

- 1.3 The Court will only refer persons who are residents of DuPage County and eighteen (18) years of age or older.
- 1.4 Staffing and Licensure: The Health Department shall provide appropriate clinical and support staff in order to provide mental health case management services pursuant to this Agreement. All mental health treatment to be performed by Health Department professionals shall be performed by persons licensed by the State of Illinois to practice

in the applicable discipline, and/or credentialed by Medicaid Part 132 credentialing standards.

- 1.5 The Health Department will provide such clinical and support personnel necessary for the rendering of mental health consultation pursuant to this Agreement.

ARTICLE II. PROBLEM RESOLUTION

The Probation Department and the Health Department agree to engage in problem resolution activities that will minimize interference with service delivery to mutual recipients. Problem resolution will occur at the earliest opportunity and at the most appropriate administrative level. If problems are not resolved informally, problem resolution activities will include, but are not limited to the following:

- 2.1 The parties to this Agreement will both participate in the identification and resolution of problems, which may arise in its implementation.
- 2.2 Either party will notify the other party in writing and personally when a problem exists, and a meeting to discuss and resolve the problem will occur within five (5) working days. Each party shall have a supervisor present for such meeting.
- 2.3 If a resolution of a problem cannot be reached by the signers of this Agreement, either party may notify the other in writing that the problem remains unsolved, and may identify additional action, which is proposed to resolve the problem.

In the event a client does not have any medical benefits, the Health Department will assist with the benefit application process. If a client is found to be ineligible for benefits, copays for services will be based on a client's ability to pay, as determined by household income, and then applied to a sliding fee scale consistent with health Department policy. The Health Department and Probation Department may then mutually agree to terminate the referral.

SCOPE OF SERVICES

This Scope of Services is for the Health Department providing to the Probation Department's Special Needs Advocacy Program (SNAP) certain Services pursuant to the above-referenced Agreement. The undersigned agree that Services shall be conducted pursuant to the terms and conditions of the above-referenced County Report and Contract and by the following terms and conditions:

1. DESCRIPTION OF THE HEALTH DEPARTMENT'S'S WORK:

A. Mental Health Assessments shall be completed by the Health Department of all referred Probation Department clients.

- The Health Department Counselor/Therapist will be consulted to identify potential clients either during or prior to the intake phase who would benefit from specialized mental health services. These consultations could be done in-person, telephonically or as part of staffings. The identified clients would be referred for a mental health assessment which may or may not include traditional SNAP services.
- The mental health assessment shall consist of a face-to-face meeting between a Health Department Counselor/Therapist and each referred Probation Department client. The mental health assessment shall include diagnosis of the client's current mental health in accordance with DSM-5 criteria, treatment recommendations, and a determination of whether the client meets Health Department treatment criteria.
- With a goal of increasing attendance and overall compliance, the Health Department Counselor/Therapist may be required to meet with referred clients or accepted clients in the community. This may be needed when the client and a community visit would assist with stability, when the client's level of engagement is low and meeting in the community would increase the likelihood of participation and follow-through or when the initial contact with the client is proving difficult to complete. These contacts can also be done at the Probation Department in conjunction with a probation office report or in the community accompanied by the probation officer.
- All mental health assessments shall be completed within fifteen (15) business days of the referral from the Probation Department to the Health Department. Health Department staff shall notify the Probation Department if repeated attempts have been unsuccessful in scheduling the mental health assessment appointment. In the event the mental health assessment has not been scheduled within the fifteen (15) business days, the Health Department will communicate in writing with the client's Probation Officer in order to coordinate a meeting with the client at the Probation Department offices.
- In the event the mental health assessment appointment is not completed within thirty business (30) days, the Health Department will provide a written summary to the Probation Department of all attempts to schedule the mental health assessment. The Health Department and Probation Department may then mutually agree to terminate the referral. However, any mental health assessments not actually completed shall not count against the total number of mental health assessments provided under paragraph B (b) of this Exhibit under this Agreement.
- A written summary of each completed mental health assessment shall be provided to the Probation Department within ten (10) business days of the mental health assessment.
- In the event the client does not meet Health Department criteria, the written mental health assessment summary shall indicate referrals to other services to address the client's needs.

B. Behavioral health services shall be provided to screened Probation Department clients who

meet the Health Department treatment criteria. Upon determination of eligibility into the SNAP program, an individualized treatment plan will be completed to initiate behavioral health services. All behavioral health services shall be delivered in keeping with the individual treatment plan.

- a. Services recommended and provided by the Health Department through the treatment plan may include:
 - Individual/Family/Group counseling.
 - Should the Health Department and Probation identify and agreed upon curriculum, the Health Department Counselor/Therapist and identified probation staff would co-facilitate the group (s) at an agreed upon time and location.
 - Case management.
 - Illness/medication education.
 - Psychiatric evaluation; psychiatric follow-up appointments.
 - Medication management
 - Determination of benefit eligibility
 - Assistance in applying for and maintaining benefits
 - Crisis intervention.
 - Facilitation of emergency psychiatric hospitalization, if necessary.
 - Assessment and assistance with referrals to other services such as residential treatment; inpatient/IOP/PHP substance abuse/co-occurring disorders treatment; and employment training/coaching.
 - Collaboration as necessary with other providers.
 - Assistance with access to other services, including housing, food, transportation, and other necessities required to successfully live in the community.
 - Should the Health Department and Probation agree upon an ancillary mental health risk assessment, the Counselor/Therapist will assist in the accurate and reliable scoring of the assessment with assigned clients.
 - b. The Health Department will provide a maximum of eighty (80) completed mental health assessments per year for SNAP referrals.
 - c. In addition to the clients accepted prior to the term of this agreement, the Health Department will initiate treatment for up to sixty (60) additional clients. For the purpose of counting the number of new clients allowed, initiation of case management services shall be determined by receipt of the individual treatment plan by the Probation Department. The treatment plan shall be in writing and designate services provided by the Health Department.
- C. Assessments, treatment plans, and the provision of services will be managed by a Clinician/Therapist dedicated to the SNAP program.
- D. The Health Department will assist with the application for and maintenance of benefits.
- E. A written status form documenting each active client's progress toward meeting the goals of the treatment plan shall be provided to the Probation Department on a monthly basis.
- F. On a bi-monthly basis, the Health Department Counselor/Therapist will meet with designated probation staff to discuss priority cases, including those clients who have exhibited recent suicidal/homicidal ideation; have recently been hospitalized; have active psychosis; are showing increased aggression or are otherwise deemed in need or attention from probation. These staffings may also include non-SNAP clients where similar behaviors are observed or exhibited.

- G. Prior to termination of an offender's services, the Health Department will contact the Probation Department and notify the Probation Officer of an offender's noncompliance. In accordance to the DuPage County Health Department's No-Show Policy, the Health Department and the Probation Officer will work with the offender in an attempt to remedy the noncompliance prior to termination.
- H. Upon termination of services, a written client outcome summary shall be provided to the Probation Department. This shall include services provided to the client, the client's level of engagement and compliance with services, impact of services upon client's symptoms and overall functioning, and the reason services were terminated.
- I. Monthly meetings shall be scheduled in advance at a time mutually agreeable to the Probation Department and Health Department, and will include, at minimum, program supervisors, for the purpose of reviewing administrative and/or clinical items.

2. LICENSE

2.1 Grant of License. Upon commencement of the License Term, Licensor grants to Licensee and Licensee hereby accepts from Licensor a non-exclusive, non-transferable, personal license to install and Use the Licensed Software; provided, however, that Licensee's rights with respect to the Licensed Software are at all times and in all respects subject to the terms and conditions of this Agreement. Licensee's authorized Users may Use the Licensed Software only during the License Term and only so long as Licensee has paid the required License, Maintenance and Support Fees for such Users and is not otherwise in default under this Agreement. This license includes the right to make one copy of the Licensed Software in machine-readable form solely for Licensee's back-up purposes. The Licensed Software is the proprietary information and a trade secret of Licensor and this Agreement grants Licensee no title or rights of ownership in the Licensed Software. The Licensed Software is being licensed and not sold to the Licensee. The Licensed Software is protected by United States copyright laws and international copyright treaties, as well as other intellectual property laws.

2.2 License Term and License, Maintenance and Support Fees.

2.2.1 License Term. The License Term shall commence on the date of initial Go Live; provided that the License, Maintenance and Support Fees for the first year of the License Term for any Users that will Use the Licensed Software as of or immediately following such Go Live must have been received prior to such date (and the license file shall not be delivered, and the License Term shall not begin, until such License, Maintenance and Support Fees have been received by Licensor). Annual License, Maintenance and Support Fees are subject to

increase in accordance with Exhibit A. Licensee may increase the number of Users at any time upon written notice to Licensor, which shall be promptly followed by payment reflecting the increased License, Maintenance and Support Fees, calculated according to Exhibit A, and pro-rated for any partial year of the License Term. Licensee may also reduce the number of Users of the Licensed Software, and the commensurate fee payable, but such reduction shall only become effective at the beginning of the following year of the License Term, and the written reduction notice must be given at least sixty (60) days before the next anniversary of the start of the License Term. All sales taxes or similar fees levied on account of payments to Licensor are the responsibility of Licensee.

2.2.3 Certain Specific Limitations. Licensee shall not, and shall not permit any User or other party to, (a) copy or otherwise reproduce, reverse engineer or decompile all or any part of the Licensed Software, (b) make alterations to or modify the Licensed Software, (c) grant sublicenses, leases or other rights in or to the Licensed Software, or (d) permit any party access to the Licensed Software for purposes of programming against it. 2.2.4 E-Commerce Functionality Fees. If Public Portal is included in the Licensed Software and the e-commerce functionality of Public Portal is utilized, Licensor shall provide a PCI compliant payment gateway and payment processing functionality. A merchant services agreement will be provided to Licensee upon request. If Licensee requires an alternate payment processor provider, Licensee is responsible for all additional development costs to connect Public Portal with the payment processor provider.

2.2.5 Source Code Escrow. Licensee shall have the opportunity to be added as a beneficiary under the Software Source Code Agreement between Licensor and InnovaSafe, Inc., as it may be amended from time to time, a copy of which is attached as Exhibit B ("SOURCE CODE ESCROW AGREEMENT"). Licensee shall complete the beneficiary enrollment form and pay the required fees directly to InnovaSafe.

2.2.6 Hosted Services. If Licensee desires for Licensor to provide hosted services for the Licensed Software, Licensor can provide such services subject to the terms and conditions set forth in Exhibit C ("HOSTED SERVICES") and to the payment of the requisite hosting fees set forth therein. Notwithstanding the foregoing, Licensor shall not provide hosted services unless Licensor has attached Exhibit C to this Agreement upon Licensee's request therefor, or Licensee and Licensor have entered into a separate written agreement for such services.

3. MAINTENANCE AND SUPPORT

3.1 Maintenance. Maintenance will be provided for the Licensed Software provided that Licensee has paid the applicable License, Maintenance and Support Fees described in Section 2.2.2, and subject to all of the terms and conditions of this Agreement. Maintenance for the Licensed Software will be available when the applicable enhancement, upgrade or release is first made generally available to persons entitled to receive maintenance from Licensor.

3.2 Support. Support for eDefender and Public Portal is available by telephone, e-mail, or internet support forum from 5:00 am to 6:00 pm Mountain time, Monday through Friday, except for federal holidays. Support for interfaces using eDefender API provided by Licensor is available by the same contact methods and during the same times for ninety (90) days following Go Live. Licensor shall generally provide an initial response within four (4) hours of first contact. Licensor shall use all reasonable diligence in correcting verifiable and reproducible errors reported to Licensor. Licensor shall, after verifying that such an error is present, initiate work in a diligent manner toward development of a solution. If the error is categorized as "Critical" (meaning an error for which there is no workaround and which causes data loss, affects a mission critical task or poses a possible security risk that could compromise the system), Licensor shall provide a solution through a service release as soon as possible. Licensor shall not be responsible for correcting errors in any version of the Licensed Software other than the current version, with the exception of Critical errors, for which a service release will be provided for the most recent previous version as well. Licensor shall not be responsible for errors caused by hardware limitations or failures, network infrastructure, operating system problems, operator errors or any errors related to processes, interfaces or other software.

3.3 Conditions to Receive Support. Licensee must designate one or more Application Administrators, each of whom shall be an employee or contractor of Licensee. Only a designated Application Administrator may request Support. It is the responsibility of Licensee to instruct Users to route Support requests through the Application Administrator.

3.4 Other Support. Services that go beyond routine Support may be provided under the terms of a professional services agreement upon agreement of the parties.

4. WARRANTY

4.1 Licensed Software Warranty. Licensor warrants that the Licensed Software will perform in all material respects during the License Term in accordance with the applicable user, administrative, and technical electronic guides. Notwithstanding the foregoing, this warranty shall not apply and Licensor will incur no liability whatsoever if there is or has been (a) the use of any non-current version (or the most recent previous version) of the Licensed Software, (b) the combination of the Licensed Software with any other software not recommended, provided or authorized by Licensor, (c) modification of the Licensed Software, (d) any use of the Licensed Software in breach of this Agreement or (e) any failure to satisfy the conditions to receive Support under Section 3.4 ("Other

Support”) above. If at any time during the License Term the Licensed Software fails to perform according to this warranty, Licensee shall promptly notify Licensor in writing of such alleged nonconformance, and Licensor shall provide bug fixes and other Support, but only so long as the alleged nonconformance is not caused by an act of Licensee or any third party not under the control of or authorized by Licensor. After the bug fixes and Support have been provided, if any such non-performance materially impairs the ability of Licensee to utilize the Licensed Software, Licensee shall have the right, on thirty (30) days’ notice, to terminate the license and this Agreement (with a credit for License, Maintenance and Support Fees paid with respect to the period in which utilization was materially impaired).

4.2 Warranty of Law. Licensor represents and warrants that to the best of Licensor’s knowledge: (i) there is no claim, litigation or proceeding pending or threatened against Licensor with respect to the Licensed Software or any component thereof alleging infringement of any patent or copyright or any trade secret or any proprietary right of any person; (ii) the Licensed Software complies in all material respects with applicable laws, rules and regulations; (iii) Licensor has full authority to enter into this Agreement and to consummate the transactions contemplated hereby; and (iv) this Agreement is not prohibited by any other agreement to which Licensor is a party or by which it may be bound (the “**Legal Warranty**”). In the event of a breach of the Legal Warranty, Licensor shall indemnify and hold harmless Licensee from and against any and all losses, liabilities, damages, causes of action, claims, demands, and expenses (including reasonable legal fees and expenses) incurred by Licensee, arising out of or resulting from said breach.

4.3 Warranty of Title. Licensor further warrants that (i) it has good title to the Licensed Software; (ii) it has the absolute right to license the Licensed Software; (iii) as long as Licensee is not in material default hereunder, Licensee shall be able to quietly and peacefully possess and Use the Licensed Software provided hereunder subject to and in accordance with the provisions of this Agreement; and (iv) Licensor shall be responsible for and have full authority to license all proprietary and/or third party software modules, algorithms and protocols that are incorporated into the Licensed Software (the “**Title Warranty**”). In the event of a breach of the Title Warranty, Licensor shall indemnify and hold harmless Licensee from and against any and all losses, liabilities, damages, causes of action, claims, demands, and expenses (including reasonable legal fees and expenses) incurred by Licensee, arising out of or resulting from said breach.

4.4 No Other Warranties. THE WARRANTIES AND REPRESENTATIONS STATED WITHIN THIS AGREEMENT ARE EXCLUSIVE, AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

5. LIMITATIONS ON LIABILITY

NOTWITHSTANDING ANY OTHER PROVISION OF THIS AGREEMENT, NEITHER PARTY SHALL BE LIABLE TO THE OTHER FOR ANY INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES OR LOSS OF ANTICIPATED PROFITS

OR REVENUES IN CONNECTION WITH OR ARISING OUT OF THE SUBJECT MATTER OF THIS AGREEMENT. FURTHERMORE, LICENSEE'S TOTAL LIABILITY WITH RESPECT TO CLAIMS ARISING OUT OF THE SUBJECT MATTER OF THIS AGREEMENT SHALL NOT EXCEED, IN THE AGGREGATE, THE TOTAL AMOUNT OF FEES PAYABLE HEREUNDER TO LICENSOR. IN NO EVENT SHALL LICENSOR'S TOTAL LIABILITY WITH RESPECT TO CLAIMS ARISING OUT OF THE SUBJECT MATTER OF THIS AGREEMENT EXCEED, IN THE AGGREGATE, THE TOTAL AMOUNT OF FEES PAID HEREUNDER TO LICENSOR FOR THE FIRST FIVE-YEARS OF THE LICENSE TERM.

6. CONFIDENTIALITY

6.1 Licensee's Responsibilities. Licensee shall implement reasonable and appropriate measures designed to help secure the Licensed Software and other materials received from Licensor under this Agreement from accidental or unlawful access or unauthorized or improper disclosure. Except as permitted by the terms of Section 2.1 ("Grant of License") or as required by law, Licensee shall not voluntarily and affirmatively disclose the Licensed Software or any of such materials to any third party, in whole or in part, without the prior written consent of Licensor, which may be granted or withheld in its sole discretion. If Licensee becomes aware of any accidental or unlawful access to or unauthorized or improper disclosure of the Licensed Software or any of such materials, it shall notify Licensor promptly, and in any event within 5 business days. Licensee shall also reasonably assist Licensor with preventing the recurrence of such accidental or unlawful access or unauthorized or improper disclosure and with any litigation against the third parties deemed necessary by Licensor to protect its proprietary rights.

6.2 Licensor's Responsibilities. Licensor shall implement reasonable and appropriate measures designed to help secure confidential Customer Data of Licensee that Licensor obtains from Licensee in the course of the performance of this Agreement from accidental or unlawful access or unauthorized or improper disclosure. Except as required by law, Licensor shall not voluntarily and affirmatively disclose to any third party confidential Customer Data that Licensor obtains from Licensee without the prior written consent of Licensee, which may be granted or withheld in its sole discretion. If Licensor becomes aware of any accidental or unlawful access to or unauthorized or improper disclosure of confidential Customer Data, it shall notify Licensee promptly, and in any event within 5 business days. Licensor shall also reasonably assist Licensee with preventing the recurrence of such accidental or unlawful access or unauthorized or improper disclosure and with any litigation against third parties deemed necessary by Licensee to protect its confidential Customer Data. For the avoidance of doubt, this Section is not intended to prevent Licensor's support personnel from accessing Licensee's Customer Data for purposes of investigating or resolving a Support request.

6.3 Confidentiality Breach. In the event a party breaches any of its obligations under this Section 6 ("Confidentiality"), the breaching party shall indemnify, defend and hold harmless the non-breaching party from and against any and all losses, liabilities, damages, causes of action, claims, demands, and expenses (including reasonable legal fees and expenses) incurred by the non-breaching party arising out of such breach. In addition,

the non-breaching party will be entitled to obtain injunctive relief against the breaching party.

6.4 Exclusions. The provisions of this Section 6 ("Confidentiality") shall not apply to any information (a) that is in the public domain prior to the disclosure or that becomes part of the public domain other than by way of a breach of this Agreement, (b) that was in the lawful possession of the Licensor or Licensee, as the case may be, prior to the disclosure without a confidentiality obligation to any person, (c) that was disclosed to the Licensor or Licensee, as the case may be, by a third party who was in lawful possession of the information without a confidentiality obligation to any person, (d) that was independently developed by Licensor or Licensee, as the case may be, outside the scope of this Agreement or (v) that Licensor or Licensee, as the case may be, is required to disclose by law or legal process.

7. TERM AND TERMINATION

7.1 Term. The term of this Agreement shall expire at the end of the License Term or, if earlier, upon termination of this Agreement in accordance with the terms of this Section 7 ("Term and Termination").

7.2 Termination by Licensor.

7.2.1 Payment Default. Licensor shall have the right to terminate the license granted in Section 2.2 ("License Term and License, Maintenance and Support Fees"), and this Agreement (but reserving cumulatively all other rights and remedies under this Agreement, the Professional Services Agreement, in law and/or in equity), for any failure of Licensee to make payments of amounts due to Licensor when the same are due (including, without limitation, any fees or other amounts due and payable to Licensor for implementation services under the Professional Services Agreement), and such failure continues for a period of thirty (30) days after written notice thereof by Licensor to Licensee.

7.2.2 Other Licensee Defaults. Licensor may terminate the license granted in Section 2.2 ("License Term and License, Maintenance and Support Fees"), and this Agreement (but reserving cumulatively all other rights and remedies under this Agreement, the Professional Services Agreement, in law and/or in equity), for any other material breach by Licensee which breach continues for a period of thirty (30) days after written notice thereof by Licensor to Licensee.

7.3 Termination by Licensee. Licensee shall have the right to terminate this Agreement (reserving cumulatively all other rights and remedies under this Agreement, the Professional Services Agreement, in law and/or in equity) without further obligation or liability to Licensor (except as specified herein and/or in the Professional Services Agreement) if Licensor commits any material violation or breach of this Agreement and fails to remedy such breach within thirty (30) days after written notice by Licensee to Licensor of such breach. Licensee shall have the right to terminate this Agreement effective immediately and without prior notice if Licensor goes into liquidation or

bankruptcy, or if Licensor permanently discontinues Maintenance and Support for the Licensed Software.

7.4 Actions Upon and Following Termination. Termination of this Agreement shall not affect any rights and/or obligations of the parties which arose prior to any such termination and such rights and/or obligations shall survive any such termination. Licensee must cease use of the Licensed Software immediately upon termination, and must remove and return the Licensed Software and all other products and information received by Licensee from Licensor within thirty (30) days after termination. If not removed and returned within such thirty (30) day period, Licensee hereby grants Licensor the right to remove the Licensed Software. In addition, the confidentiality obligations of the parties in Section 6 ("Confidentiality") shall survive the termination of this Agreement.

8.1 Waiver, Amendment or Modification. The waiver, amendment or modification of any provision of this Agreement or any right, power or remedy hereunder shall not be effective unless made in writing and signed by both parties. Licensed Software: eDefender®

Annual License, Maintenance and Support Fees for first year of License Term: \$62,800, which includes licenses for 55 agency users and a total of 66 User licenses, as calculated below.

Hosting Fees for first year of License Term: \$42,500, which includes 1TB of storage, as calculated below.

Annual License, Maintenance and Support Fees

The License, Maintenance and Support Fee for users identified in clause (a) of the definition of "User" in Section 1.12 of the Agreement, is determined in accordance with the following chart:

Pricing Table for System User Licenses for Centralized System

<u>USER GROUPS*</u>	<u>Users</u>	<u>Annual License, Maintenance and Support Fees</u>	
		<u>Per User</u>	<u>For Group</u>
1-50	50	\$1,000	\$50,000
51-100	50	\$800	\$40,000

*The actual number of User licenses will be used to determine the annual fee, with 50 licenses being the minimum. The Annual License, Maintenance and Support Fee is governed by a five-year agreement with an annual CPI adjustment (not to exceed 1.5%) that will automatically be applied to the fees for each year of the License Term after the first year.

Other Governmental Agencies

The additional License, Maintenance and Support Fee for users described in clause (b) of the definition of "User" in Section 1.12 of the Agreement shall be computed based on 20% of the total Users described in clause (a) of the definition of "User" in Section 1.12 of the Agreement.

Public Users

The additional License, Maintenance and Support Fee for users described in clause (c) of the definition of "User" in Section 1.12 of the Agreement shall be computed based on 10% of the total Users described in clause (a) of the definition of "User" in Section 1.12 of the Agreement.

The initial Annual License, Maintenance and Support Fee for the first year of the License Term for any Users that will Use the Licensed Software immediately following initial Go

Live must have been received prior to the date of initial Go Live, and shall be due for subsequent years of the License Term immediately prior to each anniversary of initial Go Live. Upon the occurrence of each subsequent Go Live for additional offices, the initial Annual License, Maintenance and Support Fee for the then current year of the License Term (pro-rated for any partial year of the License Term) for any Users that will Use the Licensed Software immediately following such Go Live must have been received prior to the date of such Go Live, and shall be due for subsequent years of the License Term immediately prior to each anniversary of initial Go Live.

Fee Calculation Explanation

Upon Licensee’s payment to Licensor immediately prior to Go Live of the annual License, Maintenance and Support Fees of \$62,800 for the first year of the License Term, Licensee will receive Licensed Software licenses for 55 agency users (i.e., users identified in Section 1.12(a) of the Agreement), and 11 additional user licenses (i.e., 20% of agency users) for unlimited use of the Licensed Software by non-agency governmental employees and contractors (i.e., users identified in Section 1.12(b) of the Agreement) accessing the Licensed Software via interfaces, for a total of 66 User licenses. An annual CPI adjustment not to exceed 1.5% (as determined by the Bureau of Labor Statistics – Chicago/Gary/Kenosha region) will automatically be applied to the License, Maintenance and Support Fees for each year of the License Term after the first year.

If the number of agency users increases (decreases), the annual License, Maintenance and Support Fees, including an annual CPI adjustment, will be adjusted pursuant to the pricing table set forth on the preceding page. If Licensee elects to have the eDefender Public Portal extended to the public (i.e., users identified in Section 1.12(c) of the Agreement), including lawyers, assuming the 55 agency user numbers set forth above, Licensee would need an additional six user licenses (i.e., 10% of the agency users), for a total of 72 User licenses.

Hosting Fees

The annual hosting fee for JTI to host the Licensed Software and Customer Data in Amazon GovCloud for the first year of the License Term is \$42,500, which includes 1TB of storage. Each additional TB of storage will cost \$4,000 annually. If the number of agency users increases (decreases), the annual hosting fees, including an annual CPI adjustment not to exceed 1.5% (as determined by the Bureau of Labor Statistics – Chicago/Gary/Kenosha region), will be adjusted pursuant to the below pricing schedule.

		Estimated Annual Hosting Fees

Without limiting the foregoing, Licensee shall: (A) notify Licensor immediately of any unauthorized use of any password or account or any other known or suspected breach of security; (B) report to Licensor

immediately and use reasonable efforts to stop immediately any copying or distribution of content that is known or suspected by Licensee or Users; and (C) not impersonate another User or provide false identity information to gain access to or use the Hosted Service.

- c. Accept that each hosted instance allows for one terabyte of filing cabinet storage. Storage required for the database server is covered by the Hosting Fees. Licensee will be notified when storage usage thresholds exceed 80%, 95%, and 100%. At 100% usage, storage will automatically be expanded by 500 gigabytes and Licensee's hosting fees will be adjusted accordingly at the then current yearly rate. The current rate is listed in Exhibit A. Additional storage may be pre-purchased at any time, however is not required.

Force Majeure. Neither party will be liable for any delay or failure to perform any obligation under this Agreement (except for any obligations to make payments) where the delay or failure results from any cause beyond such party's reasonable control including, without limitation, acts of God, labor disputes or other industrial disturbances, electrical or power outages, utilities or other telecommunications failures, internet service provider failures or delays, denial of service attacks, earthquake, storms or other elements of nature, blockages, embargoes, riots, acts or orders of government, acts of terrorism, or war.

The Hosted Service will not always be disrupted during each weekly maintenance window.
- b. *Extended Maintenance Outage.* If Licensor requires additional time for maintenance or installation, Licensor shall provide written notification to Licensee at least 24 hours prior to implementing an extended maintenance outage. Licensor's notice shall explain the nature and expected duration for the extended maintenance outage.

Subject: Approval of Emergency Management Mutual Aid Agreement

The attached mutual aid agreement and corresponding resolution will allow DuPage County Office of Homeland Security and Emergency Management (OHSEM) to continue its participation in a statewide emergency management mutual aid system. This system provides the County access to supplemental emergency management personnel and equipment during a large-scale emergency or disaster. These supplemental assets are supplied by other emergency management agencies throughout the State of Illinois.

This agreement also allows DuPage County OHSEM to assist other emergency management agencies with personnel and equipment, as has been done multiple times in the last few years including, but not limited to, serving on damage assessment teams.

The existing version of this agreement, which was signed in October 2011, expires at the end of 2024.

The Parties hereby authorize and direct their respective Emergency Management Coordinators, to take any reasonably necessary and proper action to render and request Mutual Aid to and from the other Parties to the Agreement, and to participate in Training activities, in furtherance of effective and efficient provision of Mutual Aid pursuant to this Agreement.

In accordance with a Party's policies and within the authority provided to its Emergency Management Coordination, upon an Aiding Unit's receipt of a request from a Requesting Unit for Emergency Services, the Emergency Management Coordinator may commit the requested Mutual Aid in the form of Emergency Management Staff, and/or Emergency Services to the Requesting Unit. The decision of the Emergency Management Coordinator of the Aiding Unit as to the personnel and equipment available to render aid, if any, shall be final.

Whenever an Emergency, Disaster, or Special Event occurs and conditions are such that the Emergency Management Coordinator of the Requesting Unit determines it advisable to request aid pursuant to this Agreement he shall notify the Aiding Unit of the nature and location of the Emergency, Disaster, or Special Event, and the type and amount of equipment, Emergency Management Staff, and/or Emergency Services requested from IEMMAS.

Compensation for Aid

Equipment, Emergency Management Staff, and/or Emergency Services provided pursuant to this Agreement shall be at no charge to the party requesting aid; however, any expenses recoverable from third parties, including but not limited to reimbursements, fees, grants, or insurance proceeds tied to the events from which the Emergency, Disaster, or Special Event arose, shall be equitably distributed among responding parties, in the manner described by this Section Four of the Agreement.

Nothing herein shall operate to bar any recovery of funds from any third party, local, state, or federal agency under any existing statutes, or other authority. Each Aiding Unit is responsible for the compensation of its Emergency Responders providing Mutual Aid, equipment expenses, Emergency Services, and for any additional costs incurred to ensure its jurisdiction has adequate resources during the rendering of Mutual Aid.

Day-to-day Mutual Aid should remain free of charge because the administrative

requirements of reimbursement make it infeasible to charge for day-to-day Mutual Aid. However, the following exceptions may apply:

1. **Third Party Reimbursement.** – Expenses for Emergency Services recovered from third parties shall be proportionally distributed to all participating Units by the Unit recovering such payment from a third party. The Unit responsible for seeking payment from a third party shall provide timely notice to Aiding Units of a date by which submission of a request for reimbursement must be received. Reimbursement shall be based on the accurate and timely submission of allowable costs and documentation attributable to the incident by each Aiding Unit. These costs include personnel, use of equipment and materials provided, damage or loss of equipment, use of facilities, and any other costs associated with the Aid provided that may be recoverable. The Unit recovering payment from a third party shall notify Aiding Units that such payment has been made, and such Unit will reimburse the other Aiding Units. If the third party payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.
2. **Intrastate Emergency Management Agency Tasking.** Expenses recovered related to a response to an Emergency or Disaster at the request of The Illinois Emergency Management Agency and Office of Homeland Security (IEMA-OHS) or other State or federal authority shall be based on the accurate and timely submission of allowable costs and documentation attributable to the response by each Aiding Unit. These costs include personnel, use of equipment and materials provided, damage or loss of equipment, use of facilities, and any other costs associated with the aid that may be recoverable. The Unit recovering payment from the State or Federal Government shall notify Aiding Units that

such payment has been made, and such Unit will reimburse the other Aiding Units. If the payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.

3. Interstate Emergency Management Assistance Compact ("EMAC") Response - Expenses recovered related to a response to an Emergency or Disaster at the request of another emergency management agency or the authority of another state government pursuant to an EMAC response. Reimbursement shall be based on the accurate and timely submission of allowable costs and documentation attributable to the response by each Aiding Unit. These costs include personnel, use of equipment and materials provided, damage or loss of equipment, use of facilities, and any other costs associated with the aid that may be recoverable. If these payments are not made directly to the participating Units, the Unit recovering payment from another state or emergency management agency shall notify Aiding Units that such payment has been made, and such Unit will reimburse the other Aiding Units. If the payment is less than the full amount of all Units' cost submittals, the funds shall be proportionally distributed based on each Unit's submitted costs compared to the total of all costs submitted.

SECTION FIVE

Insurance

Each Party shall procure and maintain, at its sole and exclusive expense, insurance coverage, including comprehensive liability, personal injury, property damage, workers' compensation, auto, and, if applicable, watercraft, aircraft, or drone liability. The obligations of

this Section may be satisfied by a Party's membership in a self-insurance pool, a self-insurance plan, or arrangement with an insurance provider approved by the jurisdiction. To the extent permitted by governing law, each Party agrees to waive subrogation rights it may acquire, and to require any insurer to waive subrogation rights they may acquire, by virtue of the payment of claims, suits, or other loss arising out of this Agreement, and shall, as to any insurer, obtain any endorsement necessary to effectuate such waiver of subrogation.

SECTION SIX

Jurisdiction Over Personnel, Equipment, and Assets

Emergency Management Staff, equipment, or other assets dispatched to aid a Requesting Unit pursuant to this Agreement shall, at all times, remain employees, agents, or equipment of the Aiding Unit, and are entitled to receive any benefits and compensation to which they may otherwise be entitled under the laws, regulations, or ordinances of the United States of America, their respective States, and their respective political subdivisions. This includes, but is not limited to, benefits for pension, relief, disability, death, and workers' compensation. If a person from an Aiding Unit is injured or killed while rendering assistance under this Agreement, benefits shall be afforded in the same manner and on the same terms as if the injury or death were sustained while the person from the Aiding Unit was rendering assistance for or within the Aiding Unit's own jurisdiction.

Emergency Management Staff, equipment, or other assets of the Aiding Unit will come under the operational control of the Requesting Unit's Emergency Management Coordinator, or other appropriate authority, until released or withdrawn. The Aiding Unit shall, at all times, have the right to withdraw any and all aid upon the order of its Emergency Management Coordinator.

The Aiding Unit shall notify the Requesting Unit of the extent of any withdrawal, and coordinate the withdrawal to minimize jeopardizing the safety of the operation or other personnel.
