## PROJECT PROPOSAL & CONTRACT

### Project: DuPage County Manhole Rehabilitation 2024

8/21/2024

#### DuPage County Public Works

7900 S Route 53

Woodridge, IL 60517

Attn: Sean Reese

Email: sean.reese@dupagecounty.gov

#### HOERR CONSTRUCTION, INC. to Provide:

- Manhole Rehabilitation for 19 MHs located in Darien, IL and 10 MHs located in Itasca, IL.
  - Darien Vertical Footage Total: 146.57 VF or 1,842.38 SQFT.
  - Itasca Vertical Footage Total: 68.76 VF or 864.31 SQFT.
  - Washing of manholes immediately prior to rehab.
  - 1/2" of geopolymer coating spray applied to interior of manholes
  - Basic signs and cones for traffic control
- Work to be completed during normal work week, M-F operations.
- Certificate of insurance with Hoerr Construction's standard coverages
- Certified payrolls, if required or requested.
- Prices quoted are good for 30 days

#### DuPage County Public Works to Provide:

- Water for cleaning operations.
- Dump site for debris removed from manholes (should be minimal).
- Coordination with Eaglewood Golf Course for access to manholes.
- Coordination with the City of Itasca for access to the treatment plant
- Access to manholes to include but not limited to the following:
  - All traffic control beyond flashing yellow lights and cones that are normally carried on Hoerr trucks.
  - Access for truck-sized equipment to all manhole lids associated with rehab.
- Any necessary bonds, permits, fees, association dues, special insurance coverage, surface restoration, erosion control, deflection testing, air testing, or staking.
  - Standard performance and payment bond can be provided at 2% of total quote.
- Removal of existing polyurea coating within manholes located in Darien, IL.
