5. PRESENTATION

5.A. Baker Tilly FY2024 Audit Presentation

Joe Lightcap, Baker Tilly Managing Director, provided an update on the County's FY2024 audit. There were two 2024 audit deliverables. Deliverable one was audited financial statements for the year ended November 30, 2024 in accordance with Generally Accepted Auditing Standards in the US. Deliverable two was reporting and insights from the 2024 audit. Non-audit services provided included: preparation of the Annual Comprehensive Financial Report, adjusting and conversion of journal entries, and preparation of auditee sections of the data collection form. The independent auditors' report included an unmodified ("clean") opinion, which does not cover the DuPage Airport Authority. The Finance Department quickly remedied a material weakness related to loans receivable by reassigning the home department of a senior grant accountant. A comment regarding procurement matters was explained further in the management letter provided to Committee members by Baker Tilly.

11.B. Auditor's Office FY2026 Budget Presentation

Bill White, DuPage Count Auditor, presented his office's organizational structure and explained how the Auditor's Office is established through Illinois law. The primary day-to-day responsibility of the Auditor's Office is the pre-audit review of all claims presented for payment by the County. The Auditor's Office also conducts ongoing assessments of the effectiveness of the County's internal control activities and makes recommendations to strengthen internal control activities. The Auditor's Office does not generate revenue as it is an internal service department. Salaries make up approximately 90% of the Auditor's Office's expenses. There is currently one open headcount in the Auditor's Office.

11.C. Regional Office of Education's FY2026 Budget Presentation

Amber Quirk, Regional Superintendent, presented the Regional Office of Education's (ROE) organizational structure and discussed the services they offer. The ROE is a service organization whose responsibilities are defined by Illinois School Code, Illinois Administrative Code, Illinois State Board of Education mandates, and stakeholder needs. The essential role of the ROE is to provide high quality service and support to all stakeholders. Key services include educator professional development and licensure, truancy intervention, operating a regional safe school and Alternative Learning Opportunities Program, health, life, and school safety inspections, and more. The ROE's revenue sources include County funds, federal grants, state grants, local grants, and local revenue & investment.
