## Legislative Committee

### Final Summary

421 N. COUNTY FARM ROAD  
WHEATON, IL 60187  
www.dupagecounty.gov

Tuesday, June 10, 2025

11:30 AM

Room 3500A

**\*\* 11:30 AM or immediately following County Board \*\***

#### 1. CALL TO ORDER

11:30 AM meeting was called to order by Chair Dawn DeSart at 11:32 AM.

#### 2. ROLL CALL

Guests: Chip Humes from Marquardt and Humes, Marc Poulos from Raucci & Sullivan (Zoom) and Greg Bales from McGuireWoods.

Staff present: Dennis Brennen, Evan Shields, Jeremy Custer, Lisa Smith, and Mary Keating.

Additional County Board Members present: Member Saba Haider, Member Cronin Cahill, Member Honig, and Member Rutledge.

<b>PRESENT</b>	DeSart, Galassi, Garcia, and Ozog
<b>ABSENT</b>	Schwarze
<b>LATE</b>	Childress

#### 3. APPROVAL OF MINUTES

##### 3.A. 25-0758

Legislative Minutes - Regular Meeting - Tuesday, February 25, 2025

<b>RESULT:</b>	ACCEPTED AND PLACED ON FILE
<b>MOVER:</b>	Dawn DeSart
<b>SECONDER:</b>	Mary Ozog

#### 4. PUBLIC COMMENT

No public comments were offered.

#### 5. CHAIR'S REMARKS - CHAIR DESART

Chair DeSart gave a warm welcome to our State and Federal lobbyists who were in attendance. She introduced our State lobbyists Chip Humes from Marquardt and Humes, Inc. (in person) and Marc Poulos from Raucci & Sullivan Strategies, LLC who joined via Zoom. Next, Chair DeSart introduced our Federal lobbyist, Greg Bales from McGuireWoods (in person).

#### 6. DISCUSSION

##### 6.A. 25-1358

## End of Session Wrap-Up - DuPage County State Lobbyists

Chip Humes gave a rundown of what happened in Springfield this session which is outlined in the attached Legislative Report. Chip remarked that it was a successful session for DuPage, having the capital for waste water projects re-appropriated. Marc shared that the transit bill did not pass and is unfinished business that will be revisited.

<b>RESULT:</b>	NO ACTION REQUIRED
----------------	--------------------

6.B. [25-1359](#)

## Federal Update - DuPage County Federal Lobbyist

Greg Bales gave an overview of the happenings in the House and Senate in Washington D.C. He explained the reconciliation package, budget and appropriations process and the rescission package. Members had questions regarding expected outcomes. Greg shared that in the current climate, it is difficult to project.

<b>RESULT:</b>	NO ACTION REQUIRED
----------------	--------------------

**7. OLD BUSINESS**

No old business was discussed.

**8. NEW BUSINESS**

No new business was discussed.

**9. ADJOURNMENT**

With no further business, the meeting was adjourned at 12:31 PM.

### RESOLUTION TO ADOPT THE COUNTY'S 2026 STATE LEGISLATIVE PROGRAM

WHEREAS, members of the Legislative Committee have communicated with County elected officials and staff regarding the needs of County residents; and

WHEREAS, the Legislative Committee has developed a legislative program consisting of a list of priorities for DuPage County to propose and support during the 2026 spring session of the Illinois General Assembly (herein referred to as "2026 State Legislative Program" and attached as Exhibit A which is incorporated by reference); and

WHEREAS, it is important for the County's 2026 State Legislative Program to be communicated to the public and to our elected officials; and

WHEREAS, County Board Rules provide that a legislative program and duties related thereto receive the advice and consent of a majority vote of the County Board;

NOW, THEREFORE, BE IT RESOLVED per the recommendation of the Legislative Committee, that the DuPage County Board does hereby advise and consent to the adoption of the attached 2026 State Legislative Program for DuPage County; and

BE IT FURTHER RESOLVED, that staff and the County's lobbyists are directed to work together with the County's legislative delegation to advance the 2026 State Legislative Program in Springfield.

Enacted and approved this 13<sup>th</sup> day of January, 2026 at Wheaton, Illinois.

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

### Overview

DuPage County is the second-largest county in Illinois with more than 925,000 residents. The County is comprised of 9 townships, portions of 39 municipalities, and 336 square miles. DuPage is a major employment center for northeastern Illinois, home to 630,000 jobs, 90,000 businesses, 7 hospitals, 2 national laboratories (Argonne National Laboratory and Fermi National Accelerator), 18 institutions of higher education, 300 miles of bikeways, and 23,000 acres of forest preserve property. More than 20 percent of the county is open space.

County residents elect the County Board Chair at-large plus nine other Countywide Elected Officials, including the Auditor, County Clerk, Clerk of the Circuit Court, Coroner, Recorder, Regional Superintendent of Schools, Sheriff, State's Attorney, and Treasurer. The County Board includes eighteen members who are elected from six County Board Districts (three members per district).

Core county government services include the provision of: public safety/Sheriff's Office and the operation of the County Jail; administration of the 18th Judicial Circuit, the second-largest court system in the state (and all related agencies - judiciary, State's Attorney, Circuit Court Clerk, Public Defender, Jury Commission, Probation); construction and maintenance of the County highway and trails system; delivery of public health, environmental health, mental health care, and substance use prevention; assistance with food, emergency shelter, utilities, and transportation services to residents in need; programs for seniors including adult protective services; flood control and stormwater management; job training and job search support; water and sewer services; building and permitting; zoning enforcement; administration of Countywide elections; operation of the County nursing home; emergency management and emergency preparedness; and operation of the County animal shelter.

County leaders continue to seek opportunities to share the delivery of public services to minimize the tax burden on residents.

DuPage County continues to receive a AAA Bond Rating from all three major credit rating agencies, a designation shared by less than 2 percent of counties nationwide. County government also accounts for 2 percent of the average property tax bill.

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

### 2026 State Legislative Priorities

- **Ensure access to mental health and substance use treatment**

Provide full Medicaid reimbursement for all behavioral health crisis services, eliminate barriers to care, and mitigate the impact of the loss of federal subsidies under the Affordable Care Act.

- **Expand Housing Opportunities**

Foster the creation of new housing units by providing DuPage County with the tools necessary to develop more affordable housing options to help families and seniors remain in their communities.

- **Support our Immigrant Community**

Urge the federal administration to cease ICE operations in our communities and call upon Congress to immediately reform the nation's broken immigration system.

- **Address Food Insecurity**

Enact innovative strategies to help eliminate hunger statewide and expand access to healthy, nutritious food.

- **Protecting the Environment**

Support measures that divert waste from our landfills including food scraps and household hazardous waste products.

- **State Support of 211 DuPage**

Support this free non-emergency helpline that assists residents to locate critical services such as food, clothing, housing, and utility assistance.

- **Care for our Animal Population**

Advocate for our animal population by closing the loophole that permits a handful of pet stores to continue to source animals from puppy mills and support measures that eliminate barriers to pet ownership.

- **Capital Projects**

Support county infrastructure projects to reduce flooding, relieve traffic congestion, and enhance the public health and safety of the county's over 900,000 residents.

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

### Ensure Access to Mental Health and Substance Abuse Treatment

There continues to be a growing need for mental health and substance use treatment across the nation.

According to Mental Health America, in 2024, 23.4% of U.S. adults (an estimated 60 million people) experienced mental illness, 17.7% had a substance use disorder (46 million people), and 5.5% of adults reported experiencing serious thoughts of suicide (14 million people). For youth ages 12 to 17, 11.3% experienced a major depressive episode and nearly 3 million had frequent thoughts of suicide.

Access to care, cost, insurance, and shortages of professionals continue to act as barriers to treatment. The DuPage County Health Department has identified three key issues the State of Illinois needs to address in order to expand access to care.

#### 1. Medicaid Coverage of “A Safe Place for Help” in a Behavioral Health Crisis

The DuPage County Health Department is leading the way in establishing “a safe place for help” for someone in a behavioral health crisis by opening in 2025 the **Crisis Recovery Center (CRC)**. The CRC offers immediate appropriate crisis care from behavioral health professionals, crisis counselors, and people with lived expertise, as well as a warm hand-off to post-crisis services, support for children 5 years of age and older, adults experiencing a mental health crisis, and adults in substance use crisis.

Prior to the opening of the CRC, the most common places for a person in a mental health or substance use crisis was a hospital emergency room (ER) or entering the criminal legal system. For someone experiencing a behavioral crisis, ERs generally are not equipped to provide immediate, compassionate, and effective care to stabilize the individual. Studies show that wait times for treatment in an ER are three times longer for someone in a behavioral health crisis than for other patients because ERs are not equipped to treat these individuals.

However, Medicaid reimbursement does not pay for all the services offered by the CRC in a sustainable way. ***Full Medicaid reimbursement through a per diem rate for all behavioral health crisis services provided by the CRC is needed to enable sustainability.***

#### 2. Eliminate Barriers to Care Following a Behavioral Health Crisis

Illinois’ Medicaid program requires a mental health assessment at the time of a behavioral health crisis and then another, more lengthy assessment to begin post-crisis services such as therapy or other supportive services. ***To enable more timely connection to care following a crisis, the initial mental health assessment done at the time of the crisis should enable most mental health services for up to 30 days before another assessment is required.***

#### 3. Access to Affordable Healthcare Coverage

The U.S. Congress passed H.R. 1 in July 2025. H.R. 1 made substantial cuts to Medicaid and to tax subsidies that make Affordable Care Act (ACA) Marketplace health plans more affordable. Illinois must now implement these federal cuts, which are expected to result in the loss of health coverage for hundreds of thousands of Illinoisans. These federal cuts will make mental health and substance use

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

treatment far more difficult to access for people with serious conditions. ***Mitigating as much harm as possible is critical in implementing H.R. 1 in Illinois.***

It is imperative that the State of Illinois invests the resources necessary to ensure every resident receives the appropriate level of mental health and substance use treatment.

### Expand Housing Opportunities

In DuPage County there is an urgent need for more attainable housing options for the “missing middle,” middle-income earners including essential workers, senior citizens, and young adults who want to remain in their communities as well as families seeking to purchase their first homes. Homeownership in particular creates and sustains generational wealth, supports long-term financial stability, and spurs local economic growth.

It is estimated that DuPage County faces a shortage of over 16,000 affordable rental units with more than 20% of renters allocating more than half of their income to rental costs. Initial studies have identified three key barriers to workforce housing development in unincorporated areas of the county including;

- land availability,
- zoning complexities, and
- regulatory costs.

In response to this shortage, DuPage County established in 2023 an Ad Hoc Housing Solutions Committee to focus on the many aspects of affordable housing including defining affordability, evaluating the impact of local policies on development, and analyzing potential solutions. To date, the county has allocated \$10 million to support the work of the committee.

The cost of living in DuPage County is higher than the national average, primarily due to rising housing costs and high property taxes. The average rent in DuPage County is estimated at \$1,962 per month and according to Impact DuPage, the median mortgage payment is \$2,443 per month.

According to the U.S. Department of Housing and Urban Development (HUD), the median family income in 2025 for the Chicago-Joliet-Naperville Area was \$119,900 (for a family of four). As a non-home rule county, DuPage County is seeking legislative authority to acquire property, to enter into agreements to transfer real property, to donate, lease below market rate or sell below market rate, real property to establish a Land Bank and support a Community Land Trust to assist persons ***who earn up to 150%*** of area median income (AMI). Currently, the county may only serve populations with household incomes up to 80% of the AMI (for a family of four, \$95,900).

Passage of this legislation would enable DuPage County to expand housing opportunities for middle-class working families by repurposing vacant, under-utilized, abandoned, tax delinquent, and deteriorated properties to either rental units or single-family homes.

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

### Support our Immigrant Community

The presence and recent activities of ICE officers (U.S. Immigration and Customs Enforcement) in our communities has fostered a climate of fear and intimidation, disrupted the lives of countless families, caused mental and physical stress, impeded access to jobs, school, legal, and medical services, and strained local economies.

DuPage County supports the constitutional rights of all residents to receive due process, legal representation, and equal protection under the law. DuPage County urges the federal administration to cease ICE operations in our communities and the racial and ethnic profiling of law-abiding residents.

Although counties lack the authority to change federal immigration laws, DuPage County will continue to create welcoming communities and to support our neighbors.

After decades of failure, DuPage County calls upon Congress to begin a bipartisan effort to reform our broken immigration system and to establish a clear, legal, fair, and achievable path to citizenship for individuals seeking to become U.S. citizens.

### Address Food Insecurity

As we strive to build a just and compassionate society in which no individual goes hungry, the State of Illinois, local governments, and our non-profit organizations continue to collaborate to ensure equitable access to nutritious food for vulnerable populations including children, seniors, the disabled, and low-income families.

According to Impact DuPage, 10% of DuPage County residents experience food insecurity, (defined as limited or uncertain availability of nutritionally adequate foods), with 76,000 DuPage County residents receiving SNAP (Supplemental Nutrition Assistance Program) benefits. Since the onset of COVID-19, DuPage County has allocated \$19.5 million to support the Northern Illinois Food Bank and community food pantries to distribute fresh produce and other essential commodities. The county has also made substantial capital investments in our food infrastructure, purchasing items such as refrigerated vans, additional freezer and refrigeration capacity, and other vital equipment to enhance the efficiency of local pantries.

DuPage County is requesting the State of Illinois offer additional financial assistance to support innovative solutions at the local level to help alleviate hunger such as the Hub & Spoke Model (“HUB 2.0”) utilized by the Loaves & Fishes Food Pantry to more efficiently store, process, and distribute food and to establish a “farm to table” pilot program to help schools and food banks purchase fresh produce and meats from local farmers (to replace programs recently eliminated by the USDA).

Together, we need to address food insecurity statewide and consider strategies that promote and incentivize local food production, bolster community-based programs, streamline the distribution

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

process, and maximize collectively our efforts to eliminate hunger and foster a society where every individual can thrive.

### Protecting the Environment

One of government's primary responsibilities is to protect the environmental health of its citizens by ensuring residents have access to clean air, land, and water. DuPage County supports measures that decrease our carbon footprint (per our Cool DuPage program), reduce greenhouse gas emissions, and expand the recycling and reuse of materials.

According to the U.S. EPA, landfills are the third-largest source of methane emissions from human activities and long-term, methane is 80 times more potent than carbon dioxide. Not only is it estimated that 40% of food produced is wasted, food scraps comprise 24% of landfill waste and generate 58% of methane emissions. DuPage County supports the establishment of a statewide food scrap management infrastructure program and initiatives that divert food waste from landfills to reduce methane emissions and increase the availability of food for human consumption.

The improper disposal of leftover household products such as cleaners, pesticides, paint removers and pool chemicals, can pose serious environmental risks when stored in garages, basements, sheds, or tossed into landfills. To date, the cost of household hazardous waste (HHW) collection programs has been disproportionately borne by state and local governments, with limited or no access to HHW facilities in many areas of the state.

DuPage County supports the establishment of an Extended Producer Responsibility Program to require manufacturers to share in the cost to responsibly dispose of waste from its products, and to increase the number of household hazardous waste facilities statewide to improve access for consumers.

### State Support of 211 DuPage

211 DuPage connects DuPage County residents to essential health and human services 24 hours a day, 7 days a week. This free, non-emergency number connects residents with a trained specialist who can help locate services including housing, food, clothing, utility assistance, health, education services, and more. Residents may also text their zip code to 898211 to connect with services in their area.

Since its inception in 2022, DuPage County has funded this vital information/referral program with revenues from the American Rescue Plan Act (ARPA) which will no longer be an available source of revenue as of September 2026.

As a member of 211 Illinois, DuPage County is requesting \$5 million to continue this vital service for all counties in the State.

# DUPAGE COUNTY

## 2026 STATE LEGISLATIVE PROGRAM

### Care for our Animal Population

DuPage County Animal Services (DCAS) operates an open admission shelter located in Wheaton that cares for the community's lost, homeless, stray, injured, neglected, sick, abandoned or surrendered animals. Last year, almost 2,500 animals entered the facility, with an estimated 40% being surrendered due to the rising costs of food, veterinary care, and high fees charged by some rental companies. The current economic downturn is leading to crowded shelters nationwide and making pet adoption unaffordable for many families.

Although it may be appropriate to assess reasonable fees for extra cleaning or for specific pet-related damage, many rental (housing) companies charge exorbitant non-refundable pet fees (of \$500 or more) and hundreds of dollars in monthly pet rent that causes some owners to surrender their pets. DuPage County supports legislation to cap the fees charged by rental companies that currently act as a barrier to pet ownership.

DuPage County also supports legislation to close the current loophole in the Illinois Humane Pet Store Law adopted in 2021 to ban the sale of dogs or cats sourced from commercial breeding facilities (puppy mills). Despite passage of this landmark legislation, (5) retail facilities continue to operate in the State due to an unclear definition of "dog dealer" under the Illinois Agriculture Act.

DuPage County urges the General Assembly to close this loophole and to oppose any attempts to weaken or repeal the Illinois Humane Pet Store Law.

### Capital Projects

DuPage County is responsible for a sizeable portion of our local infrastructure including the operation of seventeen countywide flood control facilities, 220 miles of highways, and 92 miles of multi-use trails. Additionally, DuPage County operates the DuPage Care Center, the County Jail, the 18th Judicial Circuit Court, the DuPage Animal Shelter, and the provision of water and sewer services to over 200,000 DuPage residents.

Annually, the county updates its *DuPage County Capital Improvement Plan* that includes critical Flood Control, Transportation, County Campus, Environmental, and Water & Sewer projects. Once completed, these initiatives would reduce flooding for homeowners and businesses, relieve traffic congestion, enhance public health and safety, and improve water quality for the county's almost one million residents.

To view the county's complete list of projects by district, please visit: [www.dupagecapitalplan.com](http://www.dupagecapitalplan.com)
