WHEREAS, the COUNTY has adopted a Stormwater Ordinance and transportation projects are required to conform to the Ordinance. The CONSULTANT acknowledges the necessary oversight to ensure that the contractor complies with the Stormwater Ordinance in the event a Work Order necessitates this scope of work; and

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION

- 1.1 All recitals set forth above are incorporated herein and made part thereof, the same constituting the factual basis for this AGREEMENT.
- 1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 SCOPE OF SERVICES

- 2.1 Services are to be provided by the CONSULTANT according to the specifications in the Scope of Work, specified as Exhibit A, attached hereto, which exhibit is hereby incorporated by reference and construction engineering services are to be provided by the CONSULTANT upon request by the COUNTY as approved Work Order(s) with a not to exceed amount for each Work Order. The CONSULTANT agrees to obtain all necessary clearances for work requested by the COUNTY when required to do so.
- 2.2 The CONSULTANT shall prepare and distribute meeting minutes within seven (7) days following any meetings between the COUNTY or other group and the CONSULTANT concerning the Work Order(s).
- 2.3 The COUNTY may, from time to time, request changes in the Scope of Work in this AGREEMENT or approved Work Order(s). Any such changes, including any increase or decrease in the CONSULTANT'S compensation and Scope of Work, shall be documented by an amendment to this AGREEMENT in accordance with Section 14.0 of this AGREEMENT, except as allowed in Paragraph 15.3, below and/or an amendment to the originally approved Work Order or issuance of a new Work Order to cover the changes in scope provided that the increase does not increase the total compensation set forth in this AGREEMENT.
- 2.4 The relationship of the CONSULTANT to the COUNTY is that of independent contractor, and nothing in this AGREEMENT is intended nor shall be construed to create an agency, employment, joint venture relationship, or any other relationship allowing the COUNTY to exercise control or direction over the manner or method by which the CONSULTANT or its sub-contractors/sub-consultants provide services hereunder. Neither the CONSULTANT nor the CONSULTANT'S employees shall be entitled to receive any COUNTY benefits.

7.0 COMPENSATION

- 7.1. The COUNTY shall pay the CONSULTANT for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.
- 7.2. Total payments to the CONSULTANT under the terms of this AGREEMENT shall not under any circumstances exceed \$500,000.00. This amount is a "not to exceed" amount. In the event the COUNTY directs the CONSULTANT to do work which would cause the stated amount to be exceeded, the CONSULTANT shall not be responsible for such work until this AGREEMENT is modified pursuant to Article 14.0.
- 7.3 For work performed, the COUNTY will pay the CONSULTANT at a 2.8 direct labor multiplier applied to the actual hourly rates of staff and/or the fee schedule(s) as incorporated herein based on individual approved Work Order(s) with a not to exceed amount if noted in the Work Order. The multiplier shall include the cost of overhead, profit and incidental costs. A chart listing the hourly rate ranges for the CONSULTANT'S staff and approved sub-consultant's staff, identified by classification, is attached and incorporated hereto as Exhibit C.
- 7.4 Direct expenses are costs for supplies and materials to be paid for by the COUNTY for completion of all work that is the subject of this AGREEMENT as referenced on the attached Direct Costs Check Sheet (BDE 436 form) made a part hereof and incorporated herein by reference. Approved Work Order(s) may include additional approved direct expenses not included herein. The COUNTY shall pay direct costs referenced on the Direct Costs Check Sheet on an actual cost basis without any markups added and the CONSULTANT shall include copies of receipts for all direct expenses more than \$25 from suppliers for expendable materials with its invoice to the COUNTY.
- 7.5 Overtime/ weekend/holiday (o/w/h) rates are allowed under this AGREEMENT, but such rates shall be considered a direct cost, and the o/w/h rate for each classification shall be no more than one hundred fifty percent (150%) of the actual hourly rate for assigned personnel to the Work Order. The o/w/h rate shall only be permitted if any CONSULTANT personnel have worked more than 40 hours in each week (Sunday-Saturday) on the Work Order.

7.6 If the scope of work for this AGREEMENT includes the use of job classifications covered by the prevailing rate of wages, the prevailing rate must be reflected in the cost estimate for this AGREEMENT. The rates have been ascertained and certified by the Illinois Department of Labor for the locality in which work is to be performed. If the Illinois Department of Labor revises the prevailing rates of wages to be paid, as listed in the specification of rates, the CONSULTANT may not pay less than the revised rates of wages. Current wage rate information shall be obtained by visiting the Illinois Department of Labor web site at <http://www2.illinois.gov/idol/> or calling 312-793-2800. It is the responsibility of the CONSULTANT to review the rates applicable to the work in this AGREEMENT, at regular intervals, in order to insure the timely payment of current rates. Provision of this information to the CONSULTANT, by means of the Illinois Department of Labor web site, satisfies the notification of revisions by the COUNTY to the CONSULTANT pursuant to the Act, and the CONSULTANT agrees that no additional notice is required. The CONSULTANT shall notify each of its sub-consultants of the revised rates of wages.

7.7 The CONSULTANT shall submit invoices, for services rendered including any allowable expenses, to the COUNTY. All invoices shall include a remittance address. The COUNTY shall not be required to pay the CONSULTANT more often than monthly. Separate invoices shall be submitted for each approved Work Order and shall include a progress report that describes work completed for the invoice period, anticipated work for the next invoice period, outstanding issues or items that require a response, whether the work is progressing according to the approved schedule, and a discussion of the budget status. The CONSULTANT shall be required to submit a monthly progress report to the COUNTY even if a monthly invoice is not submitted to the COUNTY. The CONSULTANT shall provide the COUNTY with a valid taxpayer identification number prior to making any request for compensation. Payment will not be made for work completed more than six-months (180 days) prior to submission of any invoice and any statute of limitations to the contrary is hereby waived.

The COUNTY reserves the right to charge for additional processing of invoices received more than sixty (60) days following the date of the work invoiced.

- 7.8 Upon approval of properly documented invoices, the COUNTY shall reimburse the CONSULTANT the amount invoiced for work completed in accordance with this AGREEMENT, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY reserves the right to reserve a sum equal to not more than five percent (5%) of the total AGREEMENT amount to ensure performance. The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."
- 7.9 In the event of any overcharge by the CONSULTANT, the CONSULTANT shall refund the COUNTY within thirty (30) days of discovery of said overcharge by the CONSULTANT or notice to the CONSULTANT by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing the CONSULTANT under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.
- 7.10 Upon acceptance of all deliverables specified in approved Work Order(s) final payment shall be made to the CONSULTANT, including any retainage.

If a suspension of work should occur due to insurance

The COUNTY retains the right to obtain evidence of sub-consultants' insurance coverage at any time.

9.0 INDEMNIFICATION

9.1 The CONSULTANT shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands,

In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, the CONSULTANT may at the COUNTY'S option have the responsibility to cure same under this provision.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above, or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse the CONSULTANT for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 14.1 above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0, above, in which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

22.1 The parties agree that the waiver of, or failure to enforce, any breach of this AGREEMENT shall not be construed, or otherwise operate, as a waiver of any future breach of this AGREEMENT and shall not prevent the remaining party from enforcing this AGREEMENT with respect to a different breach.

23.0 FORCE MAJEURE

23.1 Neither party shall be liable for any delay or non-performance of their obligations caused by any contingency beyond their control including but not limited to Acts of God, war, civil unrest, strikes, walkouts, fires or natural disasters.

24.0 ACCESS TO PROPERTY

24.1 The CONSULTANT shall make a reasonable effort to obtain access to property of a third party necessary for the performance of its obligations under this AGREEMENT. If the CONSULTANT is unable to obtain access to the property, the COUNTY shall be responsible for securing access for the CONSULTANT. In the event the COUNTY cannot secure access for the CONSULTANT, the COUNTY shall excuse the CONSULTANT from the performance of any work that necessitated such access. The CONSULTANT shall have no claim to compensation for any work excused under this provision. The COUNTY shall provide the CONSULTANT, upon the CONSULTANT'S request, proof of the COUNTY'S permission, or legal authority, to enter onto the property of a third party.

24.2 In the event of the following: a) it is necessary for the CONSULTANT to access the property of a third party in order for the CONSULTANT to perform its obligations under this AGREEMENT, and b) the COUNTY has obtained an easement, license or other grant of authority allowing the CONSULTANT to access such property; the CONSULTANT shall fully abide by and comply with the terms and conditions of said authorizing instrument as though the CONSULTANT were a signatory thereto.

25.0 DISPOSAL OF SAMPLES AND HAZARDOUS SUBSTANCES

25.1 All non-hazardous samples and by-products from sampling processes performed in connection with the services provided under this AGREEMENT shall be disposed of by the

CONSULTANT in accordance with applicable law. Any and all materials, including wastes that cannot be introduced back into the environment under existing law without additional treatment shall be deemed hazardous wastes, radioactive wastes, or hazardous substances ("Hazardous Substances") related to the services and shall be packaged in accordance with the applicable law by the CONSULTANT and turned over to the COUNTY for appropriate disposal. The CONSULTANT shall not arrange or otherwise dispose of Hazardous Substances under this AGREEMENT. The CONSULTANT, at the COUNTY'S request, may assist the COUNTY in identifying appropriate alternatives for off-site treatment, storage or disposal of the Hazardous Substances, but the CONSULTANT shall not make any independent determination relating to the selection of a treatment, storage, or disposal facility nor subcontract such activities through transporters or others. The COUNTY shall sign all necessary manifests for the disposal of Hazardous Substances. If the COUNTY requires: (1) the CONSULTANT'S agents or employees to sign such manifests; or (2) the CONSULTANT to hire, for the COUNTY, the Hazardous Substances transportation, treatment, or a disposal contractor for the Hazardous Substances, then for these two purposes, the CONSULTANT shall be considered to act as the COUNTY'S agent so that the CONSULTANT will not be considered to be a generator, transporter, or disposer of such substances or considered to be the arranger for disposal of Hazardous Substances.

26.0 QUALIFICATIONS

26.1 The CONSULTANT shall employ only persons duly licensed or registered in the appropriate category in responsible charge of all elements of the work covered under this AGREEMENT, for which Illinois Statutes require license or registration, and further shall employ only well qualified persons in responsible charge of any elements of the work covered under this AGREEMENT, all subject to COUNTY approval.

26.1.a The CONSULTANT agrees that the Resident Engineer assigned to a Work Order(s) has completed all necessary courses to meet all prequalification requirements from the Illinois Department of Transportation for a Resident Engineer.

26.1.b The CONSULTANT agrees that all Inspectors assigned to the Work Order(s) have completed all necessary Inspector training courses for the type of work to be performed by said Inspector.

26.2 Failure by the CONSULTANT to properly staff the Work Order(s) with qualified personnel shall be sufficient cause for the COUNTY to deny payment for services performed by unqualified personnel and will serve as a basis for cancellation of this AGREEMENT.

26.3 The CONSULTANT shall require any sub-consultant(s) utilized in approved Work Order(s) to employ qualified persons to be the same extent such qualifications are required of the CONSULTANT'S personnel. The COUNTY shall have the same rights under Paragraph 26.2, above, with respect to the CONSULTANT'S sub-consultant(s) being properly staffed while engaged in approved Work Order(s).

IN WITNESS OF, the parties set their hands and seals as of the date first written above.

6.0 DELIVERABLES

- 6.1 The CONSULTANT shall provide the COUNTY on or before the expiration of this AGREEMENT, or promptly after notice of termination or when the Director directs, the deliverables specified in Exhibit A herein for each approved Work Order.

7.0 COMPENSATION

- 7.1. The COUNTY shall pay the CONSULTANT for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.
- 7.2. Total payments to the CONSULTANT under the terms of this AGREEMENT shall not under any circumstances exceed \$500,000.00. This amount is a "not to exceed" amount. - 7.3 For work performed, the COUNTY will pay the CONSULTANT at a 2.8 direct labor multiplier applied to the actual hourly rates of staff and/or the fee schedule(s) as incorporated herein based on individual approved Work Order(s) with a not to exceed amount if noted in the Work Order. A chart listing the hourly rate ranges for the CONSULTANT'S staff and approved sub-consultant's staff, identified by classification, is attached and incorporated hereto as Exhibit C.
- 7.4 Direct expenses are costs for supplies and materials to be paid for by the COUNTY for completion of all work that is the subject of this AGREEMENT as referenced on the attached Direct Costs Check Sheet (BDE 436 form) made a part hereof and incorporated herein by reference. Approved Work Order(s) may include additional approved direct expenses not included herein. If the Illinois Department of Labor revises the prevailing rates of wages to be paid, as listed in the specification of rates, the CONSULTANT may not pay less than the revised rates of wages. Current wage rate information shall be obtained by visiting the Illinois Department of Labor web site at <http://www2.illinois.gov/idol/> or calling 312-793-2800. It is the responsibility of the CONSULTANT to review the rates applicable to the work in this AGREEMENT, at regular intervals, in order to insure the timely payment of current rates. Provision of this information to the CONSULTANT, by means of the Illinois Department of Labor web site, satisfies the notification of revisions by the COUNTY to the CONSULTANT pursuant to the Act, and the CONSULTANT agrees that no additional notice is required. The CONSULTANT shall notify each of its sub-consultants of the revised rates of wages.

7.7 The CONSULTANT shall submit invoices, for services rendered including any allowable expenses, to the COUNTY. All invoices shall include a remittance address. The COUNTY shall not be required to pay the CONSULTANT more often than monthly. Separate invoices shall be submitted for each approved Work Order and shall include a progress report that describes work completed for the invoice period, anticipated work for the next invoice period, outstanding issues or items that require a response, whether the work is progressing according to the approved schedule, and a discussion of the budget status. The CONSULTANT shall be required to submit a monthly progress report to the COUNTY even if a monthly invoice is not submitted to the COUNTY. The CONSULTANT shall provide the COUNTY with a valid taxpayer identification number prior to making any request for compensation. Payment will not be made for work completed more than six-months (180 days) prior to submission of any invoice and any statute of limitations to the contrary is hereby waived.

The COUNTY reserves the right to charge for additional processing of invoices received more than sixty (60) days following the date of the work invoiced.

- 7.8 Upon approval of properly documented invoices, the COUNTY shall reimburse the CONSULTANT the amount invoiced for work completed in accordance with this AGREEMENT, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY reserves the right to reserve a sum equal to not more than five percent (5%) of the total AGREEMENT amount to ensure performance. The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."
- 7.9 In the event of any overcharge by the CONSULTANT, the CONSULTANT shall refund the COUNTY within thirty (30) days of discovery of said overcharge by the CONSULTANT or notice to the CONSULTANT by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing the CONSULTANT under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.
- 7.10 Upon acceptance of all deliverables specified in approved Work Order(s) final payment shall be made to the CONSULTANT, including any retainage.

Requesting Department: Division of Transportation	Department Contact: Theresa Smith
Contact Email: theresa.smith@dupageco.org	Contact Phone: 6900
Vendor Name: American Survey & Engineering, P.C.	Vendor #: 13234

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

The professional right-of-way negotiation service contract 3731-1-SERV issued to American Survey & Engineering, P.C., expires on June 30, 2023. An extension of time until June 30, 2024 is recommended.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

The Division of Transportation (DOT) retained American Survey & Engineering, P.C. to provide professional right-of-way negotiation services for DOT projects on an as-needed basis. ASE is negotiating right-of-way acquisition for the Lemont Road (87th to 83rd) project with several parcels remaining unsecured.

Strategic Impact

Financial Planning Select one of the six strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

In order to complete right-of-way negotiations for the Lemont Road (83rd St. to 87th St.) improvements, it will be more cost effective to continue to utilize American Survey & Engineering, P.C. They are in the best position to complete right-of-way negotiations at the lowest cost to the County.

Source Selection/Vetting Information - Describe method used to select source.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry. Statements of Interest were received from 8 firms. The DOT reviewed each submittal taking into consideration the qualifications of the firm and any subconsultants, experience of key personnel, understanding of the project and experience on similar projects. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by American Surveying & Engineering, P.C. is most qualified and has the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

An extension of time to June 30, 2024 with no change in the contract amount is the recommended course of action since American Surveying & Engineering, P.C. has completed the work to date in a satisfactory and timely manner. American is in the best position to continue to provide right-of-way negotiation services for this project at the lowest cost to the County. Terminating this contract and soliciting proposals for a new contract would be counter-productive and more costly.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

No change in contract total amount.

Vendor Name: Atlas Engineering Group, Ltd.	Vendor #: 32246

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

The Professional Preliminary/Design Engineering Services, upon request (Various Locations), contract 4284-1-SERV issued to Atlas Engineering Group, Ltd., Section #20-DEENG-04-EG expires on June 30, 2023. An extension of time until June 30, 2024 is recommended.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

The DOT has determined that projects currently under design by Atlas Engineering Group, Ltd. require additional time for completion. Therefore an extension of time is the recommended course of action.

Strategic Impact

Select one of the six strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

In order to complete design of the referenced project, it will be most cost effective to continue to utilize Atlas Engineering Group, Ltd. They are in the best position to complete the outstanding work orders at the lowest cost to the County.

Source Selection/Vetting Information - Describe method used to select source.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry. Statements of Interest were received from 39 firms. Based on the review of the Statements of Interest, 3 firms were shortlisted and requested to submit a Statement of Qualification. The DOT reviewed each submittal taking into consideration the qualifications of the firm and any subconsultants, experience of key personnel, understanding of the project, experience on similar projects and any strategies/opportunities to ensure the project schedule is met. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Atlas Engineering Group, Ltd. was most qualified and had the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

An extension of time to June 30, 2024 with no change in the contract amount is the recommended course of action since Atlas Engineering Group, Ltd. has completed the work to date in a satisfactory and timely manner. DOT does not have the staff resources in order to complete design engineering and permitting on assigned projects and manage other projects as well. Terminating this contract and soliciting proposals for a new contract would delay the work and result in higher costs.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

No change in contract total amount.

Requesting Department: Division of Transportation	Department Contact: Ryan Singer
Contact Email: ryan.singer@dupageco.org	Contact Phone: 6900
Vendor Name: Christopher B. Burke Engineering, Ltd.	Vendor #: 10234

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

Professional Preliminary Engineering Services for Flashing Yellow Arrow Corridor at CH38/63rd Street, from Suffield Court to Americana Drive contract 5203-1-SERV issued to Christopher B. Burke Engineering, Ltd., Section #20-00288-05-TL, expires June 30, 2023. An extension of time until June 30, 2024 is recommended.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

The DOT has determined that a project currently under design by Christopher B. Burke Engineering, Ltd. requires additional time for completion of right of way evaluations and approval from IDOT. Therefore an extension of time is the recommended course of action.

Strategic Impact

Quality of Life Select one of the six strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

In order to complete preliminary engineering of the referenced project, it will be most cost effective to continue to utilize Christopher B. Burke Engineering, Ltd. They are in the best position to complete the outstanding work orders at the lowest cost to the County.

Source Selection/Vetting Information - Describe method used to select source.

The DOT only selects firms that are pre-qualified in accordance with IDOT guidelines. Requests for Statements of Interest were sent to firms throughout the industry and responses were received from 17 firms qualified to perform this work. The DOT reviewed each submittal with specific attention to their understanding of the project, experience of staff to be assigned to the project, and relevant past work. Based on a comprehensive review of the submittals, the DOT determined that the project team assembled by Christopher B. Burke Engineering, Ltd. is qualified and has the staff available to perform the work on behalf of the County.

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

An extension of time to June 30, 2024 with no change in the contract amount is the recommended course of action since Christopher B. Burke Engineering, Ltd., has completed the work to date in a satisfactory and timely manner. DOT does not have the staff resources in order to complete design engineering and permitting on assigned projects and manage other projects as well. Terminating this contract and soliciting proposals for a new contract would delay the work and result in higher costs.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

No change in contract total amount.

Re: DuPage County Fair Share Transportation Impact Fee Ordinance Repeal and Adoption of the DuPage County Fair Share Transportation Impact Fee Administration Ordinance

At the May 10th, 2023 meeting of the Impact Fee Advisory Committee (“Committee”), we were presented with a recommendation to repeal the DuPage County Fair Share Transportation Impact Fee Ordinance, DTo-16-88, and its successors. This Ordinance was initially adopted by the County Board in 1988 and has existed for over 34 years. Since its initial adoption, the Division of Transportation has collected in excess of \$70 million in fees. Those fees have been allocated to many projects to expand the capacity of the county highway network at a time of significant and rapid population and economic growth in the 1990’s and early 2000’s. The Division of Transportation’s recently adopted Long Range Transportation Plan focuses more on maintaining a state of good repair, safety, operational enhancements and expanding our multi-modal network and less upon system expansion. As DuPage County has matured, and the transportation priorities have shifted, the need to continue to collect county highway impact fees has diminished.

In accordance with Impact Fee Law 605 ILCS 5/5-901, *et seq.* (“Impact Fee Statute”), the Impact Fee Advisory Committee (“Committee”) reports that the Committee is in agreement with Chair Conroy’s recommendation to repeal the DuPage County Fair Share Transportation Impact Fee Ordinance, DTo-16-88 and its successors, as soon as is feasible. The Committee also recommends the adoption of the DuPage County Fair Share Transportation Impact Fee Administration Ordinance for the management of outstanding impact fee accounts.

IFAC has been informed of its annual responsibilities under the current Impact Fee Statute regarding oversight of the accounts and is willing to accept this responsibility until such time as all accounts have been closed.

ORDINANCE

DT-O-00XX-23

DUPAGE COUNTY FAIR SHARE TRANSPORTATION IMPACT FEE
ADMINISTRATION ORDINANCE
(REPEALING DT0-16-88 AS AMENDED “DUPAGE COUNTY TRANSPORTATION
IMPACT FEE ORDINANCE”)

WHEREAS, the State of Illinois (hereinafter “State”) adopted the Impact Fee Law via Public Act 85-464 and codified the Impact Fee Law under Illinois Compiled Statute 605 ILCS 5/5-905 *et seq.*, in 1988; and

WHEREAS, in accordance with the Impact Fee Law, the DuPage County Board (hereinafter “County Board”) adopted the DuPage County Fair Share Transportation Impact Fee Ordinance DT0-16-88 on November 22, 1988 and adopted amending ordinances from time to time (hereinafter collectively “prior Ordinance”); and

WHEREAS, the County Board has adopted six Comprehensive Road Improvement Plans in support of the Fair Share Transportation Impact Fee program; and

WHEREAS, the prior Ordinance has been in operation thirty-three years and has provided the County with more than \$70 Million in revenues for highway capital improvements made necessary due to residential and commercial land use growth; and

WHEREAS, project eligibility, network capacity, program administration and financial forecast considerations reduce the need for continued impact fee program revenues; and

WHEREAS, the DuPage County Fair Share Transportation Impact Fee program has met the intent of the Impact Fee Law, and has substantially satisfied the goals of the County Board by ensuring that the County transportation network accounts for changes in land use and economic development; and

WHEREAS, the County Board believes that it is in the best interest of our resident, commercial businesses, and service industry, to support continued economic growth and opportunity by ceasing the Fair Share Transportation Impact Fee program; and

WHEREAS, the Impact Fee Law requires the County to continue to administer impact fee accounts, expenditures and refunds and report in a manner stipulated under the statute, until such time as all funds are expended.

NOW, THEREFORE, BE IT ORDAINED by the County Board of DuPage County, Illinois:

Section One. Title

- 1) That a certain ordinance entitled the "DuPage County Fair Share Transportation Impact Fee Ordinance," original Ordinance DTO-016-88, as amended ("prior ordinance"), is hereby repealed and replaced with the "DuPage County Fair Share Road Improvement Impact Fee Administration Ordinance" (hereinafter "this Ordinance") to read as follows:

Section Two. Purpose and Authority.

- 1) The purpose of this Ordinance is to ensure that the repealed DuPage County Fair Share Transportation Impact Fee accounts are administered according to the Road Improvement Impact Fee Law, 605 ILCS 5/5-901, *et. seq.*, (hereinafter "Impact Fee Law") until all fee accounts are expended.

Section Three. Fair Share Transportation Impact Fee Remittance Agreements.

- 1) The term fee payer means a person or entity who undertook development and paid a fair share transportation impact fee in accordance with the terms of the prior ordinance or pursuant to an agreement with the County. Under the prior ordinance, a fee payer could enter into an Impact Fee Remittance Agreement (hereinafter "Remittance Agreement") with the County to provide for payment to the County of the impact fee over a period of time.
- 2) Any Remittance Agreement in effect at the time of the repeal of the prior ordinance shall be considered terminated.

Section Four. Intergovernmental Agreements.

- 1) At any time after the adoption of this Ordinance, the County may enter into an intergovernmental agreement with the State of Illinois or any municipality within the County's jurisdiction regarding the use of impact fees held in impact fee district accounts (provided the use of the funds on State or municipal roads conforms to the uses intended under Impact Fee Law).

Section Five. Individual Assessment of Impact Fee Agreements.

- 1) Under the prior ordinance, the fee payer could enter an Individual Assessment of Impact Fee Agreement with the County whereby the fee payer provided the County with an Individual Assessment of the impacts of the proposed development upon the

County highway systems to determine whether a fair share of the road improvements' capital costs necessitated by the proposed development should be less than the fee established by the prior ordinance.

- 2) Any Individual Assessment of Impact Fee Agreement in effect at the time of the repeal of the prior ordinance shall continue to be in effect consistent with the terms of said Agreement.

Section Six. Fair Share Impact Fee Improvement Credit Agreements.

- 1) Under the prior ordinance, the fee payer could enter into a Fair Share Impact Fee Improvement Credit Agreement (hereinafter "Improvement Credit Agreement") with the County for credit against the fair share impact fee imposed based on the fee payer's contribution, payment, recapture, construction or dedication of land accepted and received by DuPage County for system improvements in accordance with the prior ordinance.
- 2) Any Improvement Credit Agreement in effect at the time of the repeal of the prior ordinance shall continue to be in effect consistent with the terms of said Agreement.

Section Seven. Fair Share Impact Fee Credit Agreements.

- 1) Under the prior ordinance, the County allowed developers or municipalities to accrue impact fee credits through Impact Fee Credit Agreements ("Credit Agreements") in a limited set of circumstances such as the dedication of real property for the County's capital facilities and system improvements such as the transfer of a roadway to the County.
- 2) All Credit Agreements in effect at the time that the prior ordinance is repealed shall be considered terminated.
- 3) The COUNTY shall notify all credit holders and parties to the Credit Agreements of the cessation of collection activities and the termination of the agreements according to the requirements of the Credit Agreement.

Section Eight. Service Areas.

- 1) Under the prior ordinance, service areas for the County were established in accordance with the boundaries set forth on Exhibit A. Under this Ordinance the funds previously collected shall be expended within the service area from which they were collected, in accordance with Section Nine below and Impact Fee Law.

Section Nine. Use of Funds Collected.

- 1) Upon repeal of the prior ordinance, collection of road improvement impact fees will cease.
- 2) Funds collected under the impact fee program preceding repeal of the prior ordinance shall not be refunded (except in accordance with Section Ten) and will continue to be maintained and managed in interest bearing accounts according to Impact Fee Law, Section 5-913.
- 3) The funds collected pursuant to the prior ordinance shall be expended in a manner consistent with Impact Fee Law and for the same purposes as motor fuel tax money allotted to the County under 605 ILCS 5/5-701 *et seq.*, solely for road improvement capital costs that are specifically and uniquely attributable to the development charged the fee. In no event shall funds be expended to alleviate existing deficiencies in the County's roads, streets or highway systems. The funds shall be expended on road improvements within the service area or areas from which they were collected, as specified in the Comprehensive Road Improvement Plan. In the event that a service area boundary is the centerline of a County road or intersection, the County Engineer (as term is defined in 605 ILCS 5/5-201 *et seq.*) may use the funds to complete the road improvements to the opposite side of the road or right of way. Comingling of funds with regular local gasoline or motor fuel tax funds on projects is permissible to the extent that regular tax funds are used to pay for at least the cost alleviating existing deficiencies. The County Engineer shall provide a written justification of the allocation of impact fee funds whenever such funds are allocated to projects that will remedy existing deficiencies, demonstrating that the impact fee funds are not used for such deficiencies.
- 4) Use of impact fees by agencies other than DuPage County is permissible under state statute (605 ILCS 5/5-903). Road improvements may also include the improvement, expansion, enlargement or construction of roads, ramps, streets, or highways under the jurisdiction of the State of Illinois or other local agency, as long as the State, County or local entities have developed an agreement providing for the construction and financing of such road improvements and these improvements are incorporated into the Comprehensive Road Improvement Plan. Road improvements shall not include tollways but may include tollway ramps. Use of funds is limited to projects adjacent to and effecting County highways where there is a demonstrable performance or capacity benefit.
- 5) Any expenditure or encumbrance of impact fee funds used to acquire right of way shall be expended or encumbered in conjunction with the construction associated with

that right of way and shall begin within five (5) years from the receipt of the funds used to acquire the right of way.

- 6) Impact Fees assessed prior to repeal of the prior ordinance shall be accrued to the fund established for the service area in which the new development is proposed. Any funds on deposit not immediately necessary for expenditure shall be invested in an interest-bearing account designated solely for such funds for each service area. All interest derived from these investments shall be retained in the appropriate fund and used for road improvements authorized in this Ordinance.
- 7) The County shall provide that an accounting be made annually for any account containing impact fee proceeds and interest earned. Such accounting shall include, but shall not be limited to, the total funds collected, the source of the funds collected, the total amount of interest accruing on such funds, the amount of funds expended on road improvements and a list of the credits given. The County shall publish the results of the accounting in a newspaper of general circulation within DuPage County at least three (3) times. The notice shall also state that a copy of the accounting report shall be made available to the public for inspection at reasonable times. A copy of the report shall be given to the Advisory Committee and shall be posted with Advisory Committee approval on the DuPage County impact fee web page.

Section Ten. Refunds.

- 1) Any impact fee collected may be returned to the fee payer if the approved new development is cancelled due to non-commencement of construction before the funds have been spent or encumbered by contract. Refunds may be made in accordance with this Section, provided that the fee payer or his or her successor in interest files a written request for a refund within one (1) year of the date that the fees were required to be encumbered by contract.
- 2) Impact fees collected shall be encumbered for the construction of roadway facilities within five (5) years of the date of collection. In determining whether the funds have been encumbered, the funds should be accounted for on a first-in-first-out (FIFO) basis.
- 3) The fees collected pursuant to the prior ordinance shall be returned to the fee payer only upon receipt of a written refund Affidavit. The Affidavit shall include the following information:
 - a. A notarized sworn statement the fee payer paid the impact fee for the property and the amount paid;
 - b. A copy of the dated receipt issued by the County for payment of the fee;

- c. A certified copy of the latest recorded deed for the property that comprises the new development for which the fee was paid;
 - d. A copy of the most recent ad valorem tax bill that comprises the new development for which the fee was paid.
- 4) Within ten (10) working days of receipt of the written request, the County Engineer shall determine if it is complete. If the County Engineer determines the refund request is not complete, the County Engineer shall send a written statement specifying the deficiencies by mail to the person or entity submitting the request. Unless the deficiencies are corrected, the County Engineer shall take no further action on the request.
 - 5) When the County Engineer determines the request for refund is complete, the County Engineer shall review it within fifteen (15) working days and shall approve the proposed refund if the County Engineer determines the fee payer has paid an impact fee which the County has not spent or encumbered within five (5) years from the date the fees were paid.
 - 6) When the money requested is still in a fund and has not been spent or encumbered within five (5) years of the date the fees were paid, the money shall be returned along with interest at a rate which is seventy percent (70%) of the prime commercial rate in effect at the time that the fee is imposed, less three percent (3%) of the total fee to defray the costs of administration.
 - 7) Refunds may be made at the discretion of the County Engineer without application in any case where inadvertent mathematical overpayment has been made.

Section Eleven. Advisory Committee.

- 1) An Advisory Committee has previously been established by the County in compliance with the requirements of Impact Fee Law (605 ILCS 5/5-901 *et seq.*) to assist the County in the recommendation of land use assumptions and the development of the Comprehensive Road Improvement Plan.
- 2) After the repeal of the prior ordinance, the Advisory Committee shall continue to have the following duties:
 - a. Report annually to the County on the disposition of the impact fees and accounts;
 - b. Approve annual impact fee financial reports;
 - c. Consider and approve amendments to this Ordinance

Section Twelve. Effective Date of Ordinance.

- 1) This Ordinance shall become effective immediately upon passage by the DuPage County Board.

Section Thirteen. Distribution.

- 1) Certified copies of this Ordinance shall be sent to each of the thirty-five (35) municipalities having territory within DuPage County, the Illinois Department of Transportation, the DuPage Mayors & Managers Conference, and one copy to the DuPage County Treasurer and the DuPage County Auditor.

Section Fourteen. Severability.

- 1) In the event that any portion or section of this Ordinance is determined to be invalid, illegal or unconstitutional by a court of competent jurisdiction, such decision shall in no manner effect the remaining portions or sections of this Ordinance which shall remain in full force and effect.
