By affixing their signature to this document, the undersigned hereby affirms the accuracy of the provided information. The signee acknowledges that all utilities and dimensions specified are compatible with the operational requirements at the designated facility. Furthermore, it is confirmed that the listed equipment is suitable for passage through doorways, hallways, and vestibules from the receiving area to the kitchen.

In the event of equipment returns attributable to inaccuracies in utilities or measurements, the signee acknowledges the imposition of a manufacturer restocking fee, in addition to the applicable return shipping charges.

Receiving Policy and Guidelines:

Prior to signing for the delivery, it is crucial to thoroughly inspect and count all cartons. Note any shortages, damages, or problems on the delivery receipt. In case of visible damage, refuse damaged boxes by checking for crushed corners, wetness, or punctures. If the delivery includes equipment, inspect all parts before signing.

If a full inspection is not possible, please make a note on the bill of lading that you will inspect at a later time (within 24 hours of receipt).

For refused shipments, the customer is responsible for full freight charges and applicable fees in both directions, unless the refusal is due to shipment damage or a shipping error made by CooksDirect.com.

Most items are eligible for return within a 30-day period from the customer's receipt of the shipment. Depending on the manufacturer, a restocking fee of 15% to 50% may be applicable. Return freight charges may also apply based on the manufacturer's policy. For inquiries regarding specific return policies for a particular manufacturer or product, kindly reach out to our Customer Service team at 1-866-506-3048 or via email at customerservice@cooksdirect.com.

Please review the following criteria for returning an order:

1. Returned items must be unused, undamaged, and returned intact with original materials.
2. Special ordered or custom items cannot be returned.

Returns must be initiated within the first 30 days of receipt. Orders exceeding the 30-day return window are not eligible for returns through Cook's Direct. For product issues, please contact the manufacturer, as most large equipment is covered by a 1-year warranty.
