## MEMORANDUM

TO: Stormwater Management Planning Committee

FROM: Sarah Hunn, P.E., Director- DuPage County Stormwater Management

SUBJECT: Stormwater Program Update September 2025

DATE: September 2, 2025

---

### ***Watershed Planning***

#### ***Prentiss Creek Watershed Plan:***

The existing conditions hydraulic model of the Prentiss Creek Watershed is being updated and results computed for the entire historical series of rainfall events. Additional survey data was requested by our consultant for five different areas within the watershed. The survey information in three of those areas is being obtained by county staff, and was completed in August. The information needed for the other two areas is being obtained by the County on-call surveyor which is still in-progress. Our consultant also revised some of the interior catchment areas of the watershed, and staff is re-running the land cover for the FEQ model. The first watershed plan stakeholder meeting is being scheduled for September 25, 2025. The Prentiss Creek Watershed includes portions of Downers Grove, Woodridge, Darien, Lisle, and Unincorporated DuPage County.

### ***Facilities/Operations/Shared Services Projects***

#### ***Shared Services/Drainage Projects:***

The in-house maintenance crew broke ground on a culvert removal project in Bloomingdale Township at the end of August. This project will return the existing stream back to its original state, with native vegetation along the banks. The in-house crew also completed a shared services project for the Village of Villa Park that included stabilization of a storm sewer outfall into Salt Creek.

Upcoming projects include a DCEO funded drainage project (90<sup>th</sup> and Kaye Lane) that is expected to break ground, and be completed, this fall. An existing metal storm sewer will be lined, and new storm sewer will be introduced in the right of way to collect rain from the street and adjacent properties.

#### ***Facilities/Operations:***

From Saturday, August 16<sup>th</sup> through Monday, August 18<sup>th</sup> there were several storms that moved through DuPage County, some of which produced very heavy rainfall resulting in flash floods. The total rainfall from these events ranged from 4 to 9 inches with the highest amounts recorded in the Lisle area. DuPage County Stormwater Management's field crew responded to calls for assistance on Saturday night and again on Monday by pumping floodwaters in areas of Westmont and Lisle.

It is estimated the County's flood control facilities took in over 82 million gallons of water throughout these storms including the operation of Armstrong Park Reservoir (Carol Stream), Spring Creek Reservoir (Bloomingdale), Elmhurst Quarry, as well as

many of our smaller gravity drained facilities. Staff continues to monitor rainfall forecasts, stream elevations and rainfall gages throughout the County and are prepared to operate our flood control facilities as needed.

At the Elmhurst Quarry, Independent Mechanical Industries continues progress on pump station upgrades in the West Lobe. A new motor control center has been set, new pumps have been placed, and some of the new infrastructure has been painted. This project is expected to reach substantial completion in the upcoming weeks.

### **Water Quality**

Work continues on the IL EPA funded Watershed-Based Plan for the north half of the West Branch DuPage River, which includes working with a consultant on an HSPF water quality model. The plan is scheduled to be completed by the end of 2025.

Staff is reviewing new requirements in the NPDES General Permit No. ILR40 from IL EPA. Training sessions are being scheduled for municipal, township, and county staff. Programs must be updated to comply with the new permit within one year. The reissued permit runs through July 31, 2030.

### ***Regulatory***

Stormwater regulatory work continues to be very high. To meet this strong demand, we've increased the number of pre-application meeting slots available and have held numerous stormwater review meetings with applicants and their consultants. These meetings help them understand development and submittal requirements. In addition, we're making good progress on the Stormwater Ordinance Guidance Document. We provided a summary of work and an update on the document's status to the Municipal Engineers Discussion Group during their meeting in August.

### ***ARPA Projects***

The St. Joseph Creek Condominiums flood gate and flood wall projects are coming closer to completion. Three of the five gates have been installed, with the last two in progress. The last two gates are being installed concurrently to minimize impacts to residents. Substantial completion is still expected this Fall.

### ***IEPA Section 319 Grant Project***

The Winfield Creek/Campus Stream Stabilization Project broke ground mid-July. The contractor, Semper Fi Landscaping, Inc., has cleared all vegetation and stabilization of the streambank has begun. When complete, portions of Winfield Creek that traverses through campus will have rock lined streambanks, water quality improvements including native plantings, and stabilized outfalls from nearby storm sewer that discharges into the creek.

### SWM Hosts Wetland Plants Identification Course

*Botanists Dr. Glenn Adelson and Chris Benda teach features of a particular plant species to the class at Wolf Road Prairie in Westchester.*

SWM's second plant identification course of the year took place last week, aided by excellent weather. The class is an advanced dive into the identification of wetland grasses, sedges, rushes and forbs. The audience of restoration professionals, wetland consultants, and government employees toured various wetlands, woodlands and prairies throughout DuPage and Cook County. The class was led by Dr. Glenn Adelson and Chris Benda, two renowned local teachers in botany and ecology. Dr. Adelson is an associate professor of environmental studies at Lake Forest College. Benda is a researcher at Southern Illinois University and also maintains a popular social media presence as the Illinois Botanizer, where he documents rare and interesting plants he encounters.

### See This HOA's Beautiful Stormwater Basins on a Special Walking Tour

*Danada Woods HOA has done a lot of work to naturalize its detention basins, leading to stunning views for its residents.*

Next month, The Conservation Foundation is hosting a unique tour of a Naperville subdivision that has transformed its traditional detention basins into ecological sanctuaries. This tour is designed for other property managers and HOA leaders who are interested in harnessing the power of nature to create low-maintenance and stunning landscapes. Get practical

### Around Town

SWM field crews deployed this past Monday night to the Liberty Park subdivision of Westmont to help battle the ongoing storms overnight. Stormwater detention basins in the area fill up fast, so crews used a portable pump to maintain water levels as needed. This work is part of an intergovernmental agreement between SWM and the Village of Westmont that protects both unincorporated and incorporated residents in the neighborhood.

### Illinois EPA Opens Grant Opportunities for Green Infrastructure Projects

The IEPA recently opened applications for the Green Infrastructure Grant Opportunities (GIGO) Program, offering \$5 million in funding to improve water quality in the state. The program supports projects that address stormwater runoff and nonpoint source pollution through green infrastructure best practices that preserve, restore or enhance natural hydrology. Awards can range from \$75,000 to \$2.5 million. Applications are due by November 5, 2025, see below for full details.

## MEMORANDUM

TO: Stormwater Management Planning Committee

FROM: Mary Beth Falsey, Stormwater Management

SUBJECT: Quarterly Spill Response Report

DATE: August 20, 2025

Stormwater Management staff receives notification of spill events through citizen reports, notification from municipalities, and through the Hazardous Materials Incident Reports sent from the Local Emergency Planning Committee (LEPC). Staff responds to spill events occurring in or near waterways and storm sewers. When needed, spill kits can be deployed to contain and absorb spills and prevent further release into storm sewers and waterways until the spiller can be identified and the spill cleanup conducted by a qualified environmental cleanup company. Stormwater Management staff also reports to the Illinois Environmental Protection Agency (IEPA) as to the status of the remediation or if additional cleanup is needed. During the 3<sup>rd</sup> quarter of 2025, the following spill events occurred and were responded to:

### **Motor Oil, Unincorporated West Chicago, May 19, 2025**

An unincorporated resident contacted Stormwater Management regarding motor oil in a ditch. Staff responded to the site and found that motor oil had been dumped into stormwater inlet upstream. Oil booms and absorbents were deployed in the ditch. These were inspected and replaced until the oil was removed. A responsible party could not be identified. Notifications were sent to several upstream properties near the affected inlet along with information on illicit discharges and the impact to waterways to prevent any reoccurrence.

### **Petroleum Spill, Itasca, July 18, 2025**

The Village of Itasca contacted Stormwater Management regarding a vehicle accident leading to a truck fire and petroleum spill. The accident occurred on an IDOT road, but the spill affected Itasca storm sewer and a pond downstream. Stormwater staff coordinated with Itasca and IEPA on remediation and cleanup.

**Fuel Spill, West Chicago, July 31, 2025**

Stormwater Management received a Hazardous Materials Incident Report of a diesel fuel spill from a vehicle collision on an IDOT roadway in West Chicago. The spill flowed to a property in West Chicago. Staff coordinated with West Chicago and IEPA to ensure proper cleanup and no release into downstream waterways.

AGREEMENT BETWEEN THE COUNTY OF DUPAGE, ILLINOIS  
AND THE CONSERVATION FOUNDATION  
FOR PROFESSIONAL EDUCATION SERVICES

WHEREAS, the Illinois General Assembly has granted the County of DuPage (COUNTY) authority to take action to control flooding, manage stormwater and prevent water pollution and to enter into agreements for the purposes of stormwater management, flood control and preventing water pollution (Illinois Compiled Statutes, Chapter 55, paragraphs 5/5- 1062.3 and 5/5-15001, *et. seq*); and

WHEREAS, the COUNTY has adopted the DuPage County Stormwater Management Plan which recognizes stream maintenance, erosion control, and enhancing water quality as an integral part of the proper management of storm and flood waters; and

WHEREAS, the COUNTY has adopted Appendix J into the DuPage County Stormwater Management Plan, of which countywide water quality public education is a significant component; and

WHEREAS, the COUNTY and its municipalities are required to establish a water quality public education program for the National Pollutant Discharge Elimination System (NPDES) Phase II permit, effective March 2003; and

WHEREAS, the COUNTY has developed a Water Quality Improvement Program that provides for, among other things, public education; and

WHEREAS, the COUNTY requires professional educational services to supplement and complement existing water quality education programs and provide integrated water quality education to certain segments of the population; and

WHEREAS, the CONSULTANT has experience and expertise in this area and is in the business of providing such professional water quality education services and is willing to perform the required services for an amount not to exceed seventy-seven thousand dollars and 00/100 (\$77,000.00).

NOW, THEREFORE, BE IT RESOLVED by the DuPage County Board that the attached AGREEMENT between the COUNTY and The Conservation Foundation is hereby accepted and approved, and that the Chair of the DuPage County Board is hereby authorized and directed to execute the AGREEMENT on behalf of the COUNTY.

BE IT FURTHER RESOLVED that the DuPage County Clerk be directed to transmit certified copies of this Resolution and the attached AGREEMENT, by and through the Stormwater Management Department, to The Conservation Foundation, 10S404 Knoch Knolls Rd., Naperville, Illinois 60565; and Nicholas Alfonso/State's Attorney's Office.

Enacted and approved this 9<sup>th</sup> Day of September, 2025 at Wheaton, Illinois.

SOURCE SELECTION	Describe method used to select source. The contractor was selected through Bid 23-065-PW, a cooperative agreement negotiated by DuPage County through OMNIA
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). Staff recommends awarding the project to Hoerr Construction, Inc. to perform necessary rehabilitation of the 90th and Kaye drainage infrastructure in a timely manner. Other options include public bid which may result in higher costs and time delays, or not performing the work. Neither of these alternatives are recommended due to the nature of the work and timeliness of rehabilitation.

## SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

<b>JUSTIFICATION</b>	Select an item from the following dropdown menu to justify why this is a sole source procurement.
<b>NECESSITY AND UNIQUE FEATURES</b>	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
<b>MARKET TESTING</b>	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
<b>AVAILABILITY</b>	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

### Offeror's Qualifications

Hoerr Construction, Inc. has been in the underground utility business for over 29 years constructing all types of utilities for commercial and municipal clients. Currently, we have over 80 employees operating in the State of Illinois out of our headquarters facility in Goodfield, IL and our satellite office location in Waukegan, IL. Our field crews are signatory to the laborers, operating engineers, teamsters, & plumbers unions.

Next year will mark our 20th year in the cured in place pipe (CIPP) business as a licensee of the CIPP Corporation. We have installed CIPP liners from 3" to 72" in diameter for a wide variety of customers. We own all the necessary equipment to handle not only liner installation and curing, but also all parts of the job set up and tear down. This allows us the unique ability to react quickly and efficiently to changing job conditions that often arise unexpectedly. Our Key Qualifications document provides additional information on our key personnels' experience in this work.

Our manhole rehabilitation & spray-applied lining crews began operating this year, but they have been installing these products for well over 5 years. We have completed multiple jobs for various municipalities across the State of Illinois, including IDOT. For more detail on our experience for this work, please see the Key Qualifications document.

Perhaps our greatest attribute that differentiates us from our competitors is the scope of work that we self-perform. When it comes to underground utilities, Hoerr Construction, Inc. subcontracts very little of a typical project. Depending on the location of the project, we perform the following scopes of work in-house:

- CIPP (gravity & pressure)
- Cleaning & Televising
- Grouting
- T-Lining & Lateral Lining
- Manhole Rehabilitation
- Spray-Applied Lining
- Open Cut Excavation & Point Repairs
- Sectional Point Repair Liners
- Bypass Pumping

An underground utility project can involve many different scopes of work, and by self-performing a wide range of services we have found that we can reduce miscommunications between entities, reduce scheduling conflicts, and improve the quality of the work. Project owners have a primary point of contact that has been involved with all aspects of their project. And if the circumstances are such that we cannot self-perform a part of the project that we normally could, we have the experience to understand how this should function and can advise & respond appropriately.

Attached you will find our completed projects experience list, W-9, Certificate of Good Standing from the Illinois Secretary of State and our current list of Major Sewer Rehab Equipment.

### **Project Understanding**

This project is understood to be providing a wide range of trenchless rehabilitation & pipeline maintenance services that is utilizing a unit price pricing structure. Our understanding is that this contract will be made available to multiple participating agencies in various locations around the country. Our primary geographic area of interest is the State of Illinois, and we will apply further scrutiny to requests outside of the State of Illinois.

Since every project is going to be different, our proposed schedules will vary accordingly. For a typical project, we would expect that once the work scope & pricing details have been agreed to we would discuss a proposed schedule with the project owner. A project manager and/or superintendent will be assigned to the project, and they will be the primary point of contact for the project owner. If any milestones are required, we will incorporate them as needed into the project schedule and will keep the project owner updated as the project progresses.

We adhere to the industry standard(s) and performance metric(s) that are applicable to the different scopes of work that we perform. With nearly 30 years of experience in the underground utility industry, we have consistently met the industry standards & performance metrics for our work.

If an incident occurs on a project, it is reported to our management. Depending on the nature of the incident, an incident report (see attached) can be submitted and further investigation can be performed by management and/or our third party safety consultant.

During the course of the project, if a problem is identified that would affect the schedule, quality, or pricing for the project it is first reported to the supervisor & management. Once we understand the nature of the problem, we will notify the County (or project owner) and explain the situation. We have a large amount of experience in the underground utility industry, and we can draw on this experience to help craft a solution to the problem that is acceptable to all parties. Typically, this is worked out via emails, online meetings, and/or phone calls but we are available for site visits with the project owner if they desire.

The County of DuPage policy, adopted in accordance with the provisions of DuPage County, Illinois County Code requires this contract to be awarded to the lowest responsive and responsible bidder. The award decision is subject to approval by the Department. In addition to all other responsibility factors, this contract or deliver and install proposal requires all bidders and all bidders' subcontractors to disclose participation in apprenticeship or training programs that are.

(1) approved by and registered with the United States Department of Labor's Bureau of Apprenticeship and Training, and

(2) applicable to the work of the above indicated proposals or groups. Therefore, all bidders are required to complete the following certification:

- I. Except as provided in paragraph IV below, the undersigned bidder certifies that it is a participant, either as an individual or as part of a group program, in an approved apprenticeship or training program applicable to each type of work or craft that the bidder will perform with its own employees.
- II. The undersigned bidder further certifies for work to be performed by subcontract that each of its subcontractors submitted for approval either (A) is, at the time of such bid, participating in an approved, applicable apprenticeship or training program; or (B) will, prior to commencement of performance of work pursuant to this contract, establish participation in an approved apprenticeship or training program applicable to the work of the subcontract.

- III. The undersigned bidder, by inclusion in the list in the space below, certifies the official name of each program sponsor holding the Certificate of Registration for all the types of work or crafts in which the bidder is a participant and that will be performed with the bidder's employees. Types of work or craft that will be subcontracted shall be included and listed as subcontract work. The list shall also indicate any type of work or craft job category for which there is no applicable apprenticeship or training program available.

Laborers - Chicagoland Laborers J.A.T.C. → Illinois Laborers + Contractors JATP

Teamsters - Illinois Teamsters/Employers Apprenticeship + Training Fund Affiliated with Joint Councils 25+65

Operating Engineers - International Union of Operating Engineers, Local #649

- IV. Except for any work identified above, any bidder or subcontractor that shall perform all or part of the work of the contract or deliver and install proposal solely by individual owners, partners, or member and not by employees to whom the payment of prevailing rates of wages would be required, check the following box, and identify the owner/operator workforce and positions of ownership.

The requirements of this certification and disclosure are a material part of the contract, and the contractor shall require this certification provision to be included in all approved subcontracts. The bidder is responsible for making a complete report and shall make certain that each type of work or craft job category that will be utilized on the project is accounted for and listed. The Department at any time before or after award may require the production of a copy of each applicable Certificate of Registration issued by the United States Department of Labor evidencing such participation by the contractor and any or all its subcontractors. To fulfill the participation requirement, it shall not be necessary that any applicable program sponsor be currently taking or that it will take applications for apprenticeship, training or employment during the performance of the work of this contract or deliver and install proposal.

**Exhibit A**  
**Response for National Cooperative Contract**

---

**1.0 Scope of National Cooperative Contract**

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

**1.1 Requirement**

The County of DuPage, IL (hereinafter defined and referred to as “Principal Procurement Agency”), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector (“OMNIA Partners”), is requesting proposals for Trenchless Rehabilitation and Maintenance of Pipeline Infrastructure. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal (“Master Agreement”) be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit (“Public Agencies”), through OMNIA Partners’ cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners’ cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners’ requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

## **1.2 Marketing, Sales and Administrative Support**

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

- A. Marketing collateral (print, electronic, email, presentations)
- B. Website
- C. Trade shows/conferences/meetings
- D. Advertising
- E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

- A. Individual sales calls
- B. Joint sales calls
- C. Communications/customer service
- D. Training sessions for Public Agency teams
- E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

- A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
- B. Training sessions for Public Agency teams
- C. Training sessions for Supplier teams
- D. Regular business reviews to monitor program success
- E. General contract administration

Suppliers are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B). At Supplier's option, Suppliers may pay additional fees beyond administrative fees, such as technology fees, to OMNIA Partners and/or a third party for additional support and/or access to OMNIA Partners' technology platform.

### **1.3 Estimated Volume**

The dollar volume purchased under the Master Agreement is estimated to be approximately \$50M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

### **1.4 Award Basis**

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Supplier and such Participating Public Agency may agree without being in conflict with the Master Agreement as a condition of the Participating Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery,

diversity requirements such as minority and woman owned businesses, historically underutilized business, etc.) (“Supplemental Agreement”). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Supplier, Supplier and Participating Public Agency may negotiate additional pricing above and beyond the stated contract not-to-exceed pricing so long as the added price is commensurate with the additional cost incurred by the Supplier. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies’ purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

### **1.5 Objectives of Cooperative Program**

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners’ cooperative program:

- A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;
- B. Establish the Master Agreement as the Supplier’s primary go to market strategy to Public Agencies nationwide;
- C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier’s need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;
- D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

## **2.0 REPRESENTATIONS AND COVENANTS**

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

## 2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

## 2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

## 2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

## 3.0 SUPPLIER RESPONSE

*\* See Attached, Following \* → Responses in BOLD*

### **3.3 Marketing and Sales**

- A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier's primary go to market strategy for Public Agencies to supplier's teams nationwide, to include, but not limited to:
  - i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days
  - ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days
- B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:
  - i. Creation and distribution of a co-branded press release to trade publications
  - ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days
  - iii. Design, publication and distribution of co-branded marketing materials within first 90 days

- iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement
  - v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners.
  - vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement
  - vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.)
  - viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with:
    - OMNIA Partners standard logo;
    - Copy of original Request for Proposal;
    - Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
    - Summary of Products and pricing;
    - Marketing Materials
    - Electronic link to OMNIA Partners' website including the online registration page;
    - A dedicated toll-free number and email address for OMNIA Partners
- C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements.
- D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well.
- E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate:
- i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency

- ii. Best government pricing
  - iii. No cost to participate
  - iv. Non-exclusive
- F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include:
  - i. Key features of Master Agreement
  - ii. Working knowledge of the solicitation process
  - iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
  - iv. Knowledge of benefits of the use of cooperative contracts
- G. Provide the name, title, email and phone number for the person(s), who will be responsible for:
  - i. Executive Support
  - ii. Marketing
  - iii. Sales
  - iv. Sales Support
  - v. Financial Reporting
  - vi. Accounts Payable
  - vii. Contracts
- H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team.
- I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program.
- I. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc.
- J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each.
- K. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions.
- L. Provide the Contract Sales (as defined in Section 12 of the OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").

\$ \_\_\_\_\_ .00 in year one  
\$ \_\_\_\_\_ .00 in year two  
\$ \_\_\_\_\_ .00 in year three

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
- ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
- iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
- iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation.

### 3.0 SUPPLIER RESPONSE

Supplier must supply the following information for the Principal Procurement Agency to determine Supplier's qualifications to extend the resulting Master Agreement to Participating Public Agencies through OMNIA Partners.

#### 3.1 Company

- A. Brief history and description of Supplier to include experience providing similar products and services. **See documents provided in "Technical Proposal"**
- B. Total number and location of salespersons employed by Supplier. **Currently 4 estimators/salespersons, 3 of which are located in Goodfield, IL and 1 in Orland Park, IL**
- C. Number and location of support centers (if applicable) and location of corporate office. **Corporate Office is located in Goodfield, IL and a satellite facility is located in Waukegan, IL**
- D. Annual sales for the three previous fiscal years.
  - 2022: \$36,700,545**
  - 2021: \$30,196,862**
  - 2020: \$26,624,511**
  - a. Submit FEIN and Dunn & Bradstreet report.
    - FEIN: 37-1319433**
    - Dunn & Bradstreet Number: 824676431**
- E. Describe any green or environmental initiatives or policies. **None at this time**
- F. Describe any diversity programs or partners supplier does business with and how Participating Agencies may use diverse partners through the Master Agreement. Indicate how, if at all, pricing changes when using the diversity program. If there are any diversity programs, provide a list of diversity alliances and a copy of their certifications.

**Typically, our participating in diversity programs is driven by the requirements of the project owner. Since most of our scope of work is performed with our own forces, subcontracting opportunities can be limited. If the project owner wants diverse supplier participation, additional costs can range from 5%-10% on materials.**

- G. Indicate if supplier holds any of the below certifications in any classified areas and include proof of such certification in the response:
- a. Minority Women Business Enterprise  
☐ Yes      ☒ No  
 If yes, list certifying agency: \_\_\_\_\_
  - b. Small Business Enterprise (SBE) or Disadvantaged Business Enterprise (DBE)  
☒ Yes      ☐ No  
 If yes, list certifying agency: **US Small Business Administration** \_\_\_\_\_
  - c. Historically Underutilized Business (HUB)  
☐ Yes      ☒ No  
 If yes, list certifying agency: \_\_\_\_\_
  - d. Historically Underutilized Business Zone Enterprise (HUBZone)  
☐ Yes      ☒ No  
 If yes, list certifying agency: \_\_\_\_\_
  - e. Other recognized diversity certificate holder  
☐ Yes      ☒ No  
 If yes, list certifying agency: \_\_\_\_\_
- H. List any relationships with subcontractors or affiliates intended to be used when providing services and identify if subcontractors meet minority-owned standards. If any, list which certifications subcontractors hold and certifying agency.
- Subcontractor relationships will be project specific and as such cannot be disclosed at this time.**
- I. Describe how supplier differentiates itself from its competitors.
- The vast majority of our work is performed with our own forces so we are rarely dependent upon outside contractors schedules. Our aim is for everyone to return home in as good as condition or better than they began the day, and for an efficient & smooth workflow.**
- J. Describe any present or past litigation, bankruptcy or reorganization involving supplier. **Not Applicable**
- K. Felony Conviction Notice: Indicate if the supplier
- a. is a publicly held corporation and this reporting requirement is not applicable; **Not Applicable**
  - b. is not owned or operated by anyone who has been convicted of a felony;  
**Yes** or
  - c. is owned or operated by and individual(s) who has been convicted of a felony and provide the names and convictions. **Not applicable**
- L. Describe any debarment or suspension actions taken against supplier **None**

### 3.2 Distribution, Logistics

- A. Each offeror awarded an item under this solicitation may offer their complete product and service offering/a balance of line. Describe the full line of products and services offered by supplier. **See documents provided in “Technical Proposal”**
- B. Describe how supplier proposes to distribute the products/service nationwide. Include any states where products and services will not be offered under the Master Agreement, including U.S. Territories and Outlying Areas. **We anticipate providing our services in the following states: Illinois, Wisconsin, Indiana, Missouri, & Iowa. All potential projects will be evaluated individually to confirm that submitted pricing is compatible with each site’s specific conditions.**
- C. Describe how Participating Agencies are ensured they will receive the Master Agreement pricing; include all distribution channels such as direct ordering, retail or in-store locations, through distributors, etc. Describe how Participating Agencies verify and audit pricing to ensure its compliance with the Master Agreement. **We anticipate using the Master Agreement where requested to do so by a participating agency. This will all be handled through our corporate office in Goodfield, IL. Since this project is service based, we believe it is best if the participating agency verifies and audits the pricing in relation to their local economic conditions.**
- D. Identify all other companies that will be involved in processing, handling or shipping the products/service to the end user. **Hoerr Construction, Inc. will be responsible for all processing, handling, & shipping of the materials to the jobsite with our own forces or material suppliers as applicable.**
- E. Provide the number, size and location of Supplier’s distribution facilities, warehouses and retail network as applicable. **Hoerr Construction, Inc. currently maintains a facility in Goodfield, IL (primary) and Waukegan, IL (secondary) for warehousing and storage.**

### 3.3 Marketing and Sales

- A. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to immediately implement the Master Agreement as supplier’s primary go to market strategy for Public Agencies to supplier’s teams nationwide, to include, but not limited to:
  - i. Executive leadership endorsement and sponsorship of the award as the public sector go-to-market strategy within first 10 days **Our leadership will include the Master Agreement in our potential pricing options for our public sector work as we determine its applicability.**

- ii. Training and education of Supplier's national sales force with participation from the Supplier's executive leadership, along with the OMNIA Partners team within first 90 days **We will communicate with our local sales force/estimators the particulars of this Master Agreement.**
- B. Provide a detailed ninety-day plan beginning from award date of the Master Agreement describing the strategy to market the Master Agreement to current Participating Public Agencies, existing Public Agency customers of Supplier, as well as to prospective Public Agencies nationwide immediately upon award, to include, but not limited to:
  - i. Creation and distribution of a co-branded press release to trade publications **Yes**
  - ii. Announcement, Master Agreement details and contact information published on the Supplier's website within first 90 days **Yes**
  - iii. Design, publication and distribution of co-branded marketing materials within first 90 days **We will consider this request once we have had further discussion with OMNIA Partners.**
  - iv. Commitment to attendance and participation with OMNIA Partners at national (i.e. NIGP Annual Forum, NPI Conference, etc.), regional (i.e. Regional NIGP Chapter Meetings, Regional Cooperative Summits, etc.) and supplier-specific trade shows, conferences and meetings throughout the term of the Master Agreement. **We will make this decision on a case-by-case basis.**
  - v. Commitment to attend, exhibit and participate at the NIGP Annual Forum in an area reserved by OMNIA Partners for partner suppliers. Booth space will be purchased and staffed by Supplier. In addition, Supplier commits to provide reasonable assistance to the overall promotion and marketing efforts for the NIGP Annual Forum, as directed by OMNIA Partners. **We will make this decision on a case-by-case basis.**
  - vi. Design and publication of national and regional advertising in trade publications throughout the term of the Master Agreement **We will make this decision on a case-by-case basis.**
  - vii. Ongoing marketing and promotion of the Master Agreement throughout its term (case studies, collateral pieces, presentations, promotions, etc.) **We will make this decision on a case-by-case basis.**
  - viii. Dedicated OMNIA Partners internet web-based homepage on Supplier's website with: **We can provide a link on our webpage back to OMNIA Partners' website.**
    - OMNIA Partners standard logo;
    - Copy of original Request for Proposal;
    - Copy of Master Agreement and amendments between Principal Procurement Agency and Supplier;
    - Summary of Products and pricing;

- Marketing Materials
  - Electronic link to OMNIA Partners' website including the online registration page;
  - A dedicated toll-free number and email address for OMNIA Partners
- C. Describe how Supplier will transition any existing Public Agency customers' accounts to the Master Agreement available nationally through OMNIA Partners. Include a list of current cooperative contracts (regional and national) Supplier holds and describe how the Master Agreement will be positioned among the other cooperative agreements. **Since our current customers projects are all contract specific, they are not able to be migrated to the Master Agreement. We currently do not have any cooperative contracts in place that would be applicable to the Master Agreement.**
- D. Acknowledge Supplier agrees to provide its logo(s) to OMNIA Partners and agrees to provide permission for reproduction of such logo in marketing communications and promotions. Acknowledge that use of OMNIA Partners logo will require permission for reproduction, as well. **Agreed**
- E. Confirm Supplier will be proactive in direct sales of Supplier's goods and services to Public Agencies nationwide and the timely follow up to leads established by OMNIA Partners. All sales materials are to use the OMNIA Partners logo. At a minimum, the Supplier's sales initiatives should communicate: **Yes, where applicable & appropriate**
- i. Master Agreement was competitively solicited and publicly awarded by a Principal Procurement Agency
  - ii. Best government pricing
  - iii. No cost to participate
  - iv. Non-exclusive
- F. Confirm Supplier will train its national sales force on the Master Agreement. At a minimum, sales training should include: **Yes**
- i. Key features of Master Agreement
  - ii. Working knowledge of the solicitation process
  - iii. Awareness of the range of Public Agencies that can utilize the Master Agreement through OMNIA Partners
  - iv. Knowledge of benefits of the use of cooperative contracts
- G. Provide the name, title, email and phone number for the person(s), who will be responsible for:
- i. Executive Support **Max P. Hoerr, President, [info@hoerr.com](mailto:info@hoerr.com) 309-691-6653**

- ii. Marketing **John Manijak**, Business Development, [jmanijak@hoerr.com](mailto:jmanijak@hoerr.com) 312-350-0301
  - iii. Sales **David Steffen**, Lead Estimator, [dsteffen@hoerr.com](mailto:dsteffen@hoerr.com) 309-691-6653
  - iv. Sales Support **Zach Terry**, Estimator, [zterry@hoerr.com](mailto:zterry@hoerr.com) 309-691-6653
  - v. Financial Reporting **Kurt Plattner**, Treasurer, [kplattner@hoerr.com](mailto:kplattner@hoerr.com) 309-691-6653
  - vi. Accounts Payable **Janel Hillman**, Accounts Payable, [accountspayable@hoerr.com](mailto:accountspayable@hoerr.com) 309-691-6653
  - vii. Contracts **Holly Knepp**, Contracts, [hknepp@hoerr.com](mailto:hknepp@hoerr.com) 309-691-6653
- H. Describe in detail how Supplier's national sales force is structured, including contact information for the highest-level executive in charge of the sales team. **Max Hoerr II is our highest-level executive, and the 4 personnel most involved in sales meet weekly and are in close communication.**
- I. Explain in detail how the sales teams will work with the OMNIA Partners team to implement, grow and service the national program. **We expect to be in frequent contact with OMNIA Partners throughout the length of the Master Agreement and can address potential issues or concerns as they arise.**
- I. Explain in detail how Supplier will manage the overall national program throughout the term of the Master Agreement, including ongoing coordination of marketing and sales efforts, timely new Participating Public Agency account set-up, timely contract administration, etc. **We will manage the Master Agreement as efficiently and thoroughly as needed. Timeframe requirements will be discussed between all parties.**
- J. State the amount of Supplier's Public Agency sales for the previous fiscal year. Provide a list of Supplier's top 10 Public Agency customers, the total purchases for each for the previous fiscal year along with a key contact for each. **We will only provide this information if expressly permitted by our top 10 public agency customers.**
- K. Describe Supplier's information systems capabilities and limitations regarding order management through receipt of payment, including description of multiple platforms that may be used for any of these functions. **We will work with the appropriate parties to facilitate the necessary transfer of job information and funds electronically. We have the ability to receive and send funds electronically.**
- L. Provide the Contract Sales (as defined in Section 12 of the OMNIA Partners Administration Agreement) that Supplier will guarantee each year under the Master Agreement for the initial three years of the Master Agreement ("Guaranteed Contract Sales").
- \$0.00 in year one
  - \$0.00 in year two
  - \$0.00 in year three

To the extent Supplier guarantees minimum Contract Sales, the Administrative Fee shall be calculated based on the greater of the actual Contract Sales and the Guaranteed Contract Sales.

M. Even though it is anticipated many Public Agencies will be able to utilize the Master Agreement without further formal solicitation, there may be circumstances where Public Agencies will issue their own solicitations. The following options are available when responding to a solicitation for Products covered under the Master Agreement.

- i. Respond with Master Agreement pricing (Contract Sales reported to OMNIA Partners).
- ii. If competitive conditions require pricing lower than the standard Master Agreement not-to-exceed pricing, Supplier may respond with lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales are reported as Contract Sales to OMNIA Partners under the Master Agreement.
- iii. Respond with pricing higher than Master Agreement only in the unlikely event that the Public Agency refuses to utilize Master Agreement (Contract Sales are not reported to OMNIA Partners).
- iv. If alternative or multiple proposals are permitted, respond with pricing higher than Master Agreement, and include Master Agreement as the alternate or additional proposal.

Detail Supplier's strategies under these options when responding to a solicitation

**When a public agency issues its own solicitation, we will respond to the solicitation with pricing that is applicable to that specific project. If we believe that there would be a benefit to utilizing the Master Agreement, we will present the Master Agreement to the public agency for their consideration.**

1.3 In the event of a conflict between any of the above documents, the document control from top to bottom, i.e., "a" control over "b".

**2.0 DURATION OF THIS CONTRACT**

2.1 Unless terminated as provided in the Bid Invitation, the term of this Contract shall be a three (3) year period beginning on 02/13/2024 and continuing through 02/12/2027.

2.2 The Contract term is subject to renewal per the Bid Invitation Specifications. In no event, shall the term plus renewals exceed five (5) years.

**3.0 TERMINATION**

3.1 Except as otherwise set forth in this AGREEMENT, County shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the Contractor, except in the event of Contractor's insolvency, bankruptcy, or receivership, in which case termination shall be effective immediately upon receipt of notice.

3.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, but they shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for deliverables tendered prior to termination. There shall be no termination expenses.

3.3 Upon termination of this AGREEMENT, all data, work products, reports and documents produced, because of this AGREEMENT shall become the property of the COUNTY. Further, Vendor shall provide all deliverables within fourteen (14) days of termination in accordance with the other provisions of this AGREEMENT.

4.0 BID PRICES AND PAYMENT

- 4.1 The Contractor shall provide the required goods and or services described in the Bid Specifications for the prices quoted on the Bid Form.
- 4.2 The County shall make payment pursuant to the Illinois Local Government Prompt Payment Act, except that no payment shall be approved where the Contractor has failed to comply with certified payroll requirements of the Illinois Prevailing Wage Act or Davis Bacon Act.

5.0 AMENDMENTS

- 5.1 This Contract may be amended by agreement of both parties.
- 5.2 All amendments will conform to State of Illinois Statutes and County procedures for Change Orders.

6.0 CONTRACT ENFORCEMENT – ATTORNEY'S FEES

- 6.1 If the County is required to take legal action to enforce performance of any of the terms, provisions, covenants and conditions of this Contract, and by reason thereof, the County is required to use the services of an attorney, including the States Attorney, then the County shall be entitled to reasonable attorney's fees and all expenses and costs incurred by the County pertaining thereto and in enforcement of any remedy, including costs and fees relating to any appeal.

7.0 SEVERABILITY CLAUSE

- 7.1 If any section, paragraph, clause, phrase or portion of this Contract is for any reason determined by a court of competent jurisdiction to be invalid and unenforceable, such portion shall be deemed separate, distinct and an independent provision, and the court's determination shall not affect the validity or enforceability of the remaining portions of this Contract.

8.0 GOVERNING LAW

- 8.1 This Contract shall be governed by the laws of the State of Illinois both as to interpretation and enforcement. Venue for all disputes will be exclusively in the circuit court for the Eighteenth Judicial Circuit in DuPage County, Illinois and that Illinois law will control.

9.0 ENTIRE AGREEMENT

- 9.1 This Contract, including the documents listed in 1.0, contains the entire agreement between the parties.
- 9.2 There are no covenants, promises, conditions, or understandings; either oral or written, other than those contained herein.

IN WITNESS, WHEREOF, the parties set their hands and seals as of the date first written above.

### **Section III: Violations**

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments
