Comment:

As the petitioner, Barbara Kosela, I respectfully request positive consideration for the division of my plot into two smaller plots. I am nearing retirement age, and my health has recently deteriorated, making it difficult for me to perform physical work on my property. Additionally, my husband has undergone several surgeries, which prevent him from engaging in strenuous work and assisting with maintenance.

The area is heavily forested, with numerous bushes and old dead trees,

including sections belonging to the county at Essex and Kohley Rd. that require regular cleaning. Our request is motivated by the desire of our daughter and her husband to live nearby, allowing them to help maintain the area and, if needed, provide care for us.

Dividing the plot will not adversely affect our neighbors and will significantly aid us in our challenging situation. Concerns raised by neighbors regarding potential water issues have been addressed by an engineer, as detailed in the submitted plans. The location of our plot poses no flood risk.

We kindly ask you to consider our petition favorably.
