On 02/04/2025, the Community Development Commission Executive Committee approved the following recommendation.

Action Requested: The Community Development Commission Executive Committee recommend approval of modification one to a CDBG agreement between the County of DuPage and Catholic Charities, Diocese of Joliet to add one additional direct service staff as eligible for partial salary and benefit reimbursement under the agreement.

Details: On 02/13/2024, under Resolution HS-R-005-24, the County approved CDBG agreement # CD24-09 with People's Resource Center (PRC), in the amount of \$65,000, to provide reimbursement of essential services costs of partial salary and benefits for one case manager and one emergency services supervisor as part of the HOME TBRA Rapid Re-Housing Case Management project.

Catholic Charities, Diocese of Joliet has requested a modification to their agreement to add one housing navigator position, for a total of three direct service staff as eligible for reimbursement. All three staff members support the HOME TBRA Rapid Re-Housing Case Management project.

This modification does not require an increase in grant funding.
