7. CHAIR'S REPORT

Chair Conroy made the following remarks:

When you seek a definition for the word “security…” the terms “safety, sanctuary, haven and safe-keeping” come up. When I think of Security, I simply think of Keith Briggs. Campus

Security Chief Keith Briggs and his team faithfully serve the public on our County meeting days… and every day. They keep us all safe… both here in the building and at public events. This is Keith's last DuPage County Board meeting. Next month he begins his new chapter as a retiree, after a long career in law enforcement and here at the County. **Keith has literally been at my side** from the moment I was inaugurated, providing a strong sense of safety…which was…and is… enormously reassuring. When we see events go off smoothly, without disruption or problems…know that Keith has been awake in the middle of the night for weeks, planning, troubleshooting and anticipating every scenario to protect us against. The fact is…the man deserves some sleep!

I hope you will join me as we send Keith off in style after this meeting in Room 3500 A. And Keith, thank you for having my back…for words of reassurance…and for cracking a joke when I needed it.
You're one of a kind… and I'm so grateful for your outstanding contributions to our County. Thank you!

LOTS 1, 2, AND THE EXCEPTION TO LOT 1 (LOT 2 IN CANTICLE PLACE ASSESSMENT PLAT RECORDED MAY 14, 1999 AS DOCUMENT R1999-110752) IN WFSC-MARIANJOY REHABILITATION HOSPITAL PLAT OF ASSESSMENT, PART OF THE NORTHEAST QUARTER OF SECTION 19, TOWNSHIP 39 NORTH, RANGE 10 EAST OF THE THIRD PRINCIPAL MERIDIAN, RECORDED JULY 1, 2016 AS DOCUMENT R2016-067191; AND ALSO LOT 1 IN MARIAN PARK ASSESSMENT PLAT OF PART OF LOTS "B" AND "C" IN THE PARTITION PLAT OF THE ESTATE OF EDWARD N. WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 2, 2025 does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is to allow the installation of a masonry monument sign and two-sided monument sign on the subject property.

B. That petitioner testified that the subject property consists of two parcels, one owned by Wheaton Franciscan Sisters Corporation and the other owned by Northwestern Medicine Marianjoy Rehabilitation Hospital.

C. That petitioner testified that they proposed to make improvements near the intersection of Community Drive and Roosevelt Road by proposing new signage of a masonry monument sign and two-sided monument sign.

D. That petitioner testified that the location and nature of the entryway to the subject property presents a unique and unusual circumstance for a practical difficulty and particular hardship to allow two (2) monument signs, increase the total copy area, and increase the height of one of the signs.

   a. That petitioner testified the subject property has multiple district owners and operators necessitating multiple identification signs to better direct emergency vehicles and patients towards the hospital on the subject property.

   b. Furthermore, that petitioner testified that due to the location of the subject property and entryway along Roosevelt Road, clear and visible signage is needed to direct residents, visitors, and emergency vehicles to the property.

E. That the Zoning Hearing Officer finds that petitioner has demonstrated evidence for a practical difficulty and particular hardship for the subject zoning relief due to the location of the subject property and entryway along Roosevelt Road and that clear and visible signage is needed to direct residents, visitors, and emergency vehicles to the subject property that is owned by multiple district owners and operators for medical facilities.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed two (2) monument signs will not impair an adequate supply of light and air to the adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will receive a building permit for the proposed two (2) monument signs that they will be built pursuant to the current building codes.

   c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed two (2) monument signs will not diminish the value of land and buildings throughout the County and will be an added benefit to the surrounding area.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed two (2) monument signs will not unduly increase traffic congestion in the public streets and highways and will assist with visitors identification and access to the subject property.

   e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that the proposed two (2) monument signs will not increase the potential for flood damages to adjacent property.

   f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that the proposed two (2) monument signs will not incur additional public expense for flood protection, rescue, or relief.

   g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed two (2) monument signs will not impair the public health, safety,

comfort, morals, or general welfare to the inhabitants of DuPage County as the proposed subdivision will match existing property sizes in the immediate neighborhood.

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 16, 2025 does find as follows:

FINDINGS OF FACT:

That petitioner testified that the subject zoning relief is for a Variation to reduce the interior side setback for a new detached garage from required 9 feet to approximately 1.25 feet (replacing previous detached garage of over 20 years with a new detached garage on existing concrete slab).

B. That petitioner testified that she has lived on the subject property for over twenty (20) years.

C. That petitioner testified that the previous detached garage burned down and that she proposes to construct a new detached garage on the existing concrete slab, which is located approximately 1.25 feet from the interior side property line.

D. That petitioner testified that she has a small house with no storage and requires a detached garage.

E. That petitioner testified that she cannot move the detached garage's location as there is an existing driveway that leads the existing concrete slab.

F. That the Zoning Hearing Officer finds that petitioner has demonstrated evidence for the subject zoning relief and has demonstrated evidence for a practical difficulty and particular hardship in relation to the subject property.

a. That petitioner demonstrated that she proposes to replace the previous detached garage that burned down with a new detached garage on the existing concrete slab, which was previously constructed too close to the interior side property line.

b. That petitioner demonstrated that she cannot move the proposed detached garage's location as she has an existing driveway that leads to the existing concrete slab in which the proposed detached garage will be constructed upon.

STANDARDS FOR VARIATIONS:

That the Zoning Board of Appeals finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically, that the granting of the Variation will not:

a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that she is replacing the previous detached garage that burned down on the existing concrete slab, which was originally constructed too close to the corner side property line and does not impair an adequate supply of light and air to adjacent property.

b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that she will obtain a building permit for the proposed new detached garage on existing concrete slab, and that it will be built pursuant to all building codes.

c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that she is replacing the previous detached garage that burned down on the existing concrete slab and that the proposed construction will be an added benefit to the surrounding area.

d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed detached garage is located behind the front wall of the subject home and does not unduly increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that the proposed detached garage on existing concrete slab will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that she is replacing the previous detached garage that burned down on the existing concrete slab will not incur additional expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed detached garage will not impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County and will be an added benefit to the surrounding area.

Information Narrative and Budget

DVSA Communities is a registered nonprofit 501(c)(3) organization based in Illinois. It is driven by a clear mission: to provide culturally specific victim services to assist families in finding protection, living without fear, and addressing their needs to ensure their safety and well-being. The organization was founded by a survivor who, while working full-time as an advocate, recognized the lack of resources and access to healing and justice for survivors.

DVSA Communities was established in 2019 to fill this critical gap. From 2019 until 2022, the organization operated as a fully volunteer-run initiative, supporting numerous Latina immigrant and indigenous women without external funding. However, in 2022, DVSA Communities was awarded its first federal grant, providing a broader platform for its operations. DVSA Communities remains steadfast in its commitment to offering culturally specific, comprehensive support for the Latino community, upholding professionalism, ethics, and confidentiality at all times.

Need Statement & Program Description

Our organization has identified a critical need for comprehensive training in data analysis to enhance how we collect, maintain, and safeguard client information. Since receiving our first federal grant in 2022, demand for our services—particularly among immigrant Latina women facing domestic violence and sexual assault (DVSA)—has increased significantly. To address this growing need, we are requesting funding to support two key priorities: data analysis training and professional development for our staff.

Data Analysis Training will enable us to:

-Identify gaps in services and respond effectively to community needs.

-Produce accurate, grant-compliant reports.

-Ensure ethical, efficient, and secure management of client information.

Professional Development & Leadership Training will equip staff and leadership with the skills to:

-Build strong workplace relationships and foster accountability.

-Maintain focus on serving others and investing in staff development.

-Collaborate effectively across departments and improve program evaluation, budgeting, and transparency.

Program Development Training will strengthen our organizational capacity to:

-Consistently assess survivors' needs and ensure their safety.

-Establish clear program goals and standardize practices across all departments.

-Analyze data and evaluate outcomes to track the number of survivors served.

-Empower staff, build confidence, and foster team collaboration.

Funding for DVSA Communities is vital to protect immigrant Latina and indigenous women facing domestic violence and sexual assault. It strengthens staff training, program quality, and services, ensuring survivors receive the safety, healing, and hope they urgently need. Together, these investments will have a long-term impact by improving program management, tracking, evaluation, budgeting, and transparency. They will build a stronger, more sustainable foundation for delivering high-quality services, allowing us to adjust and improve programs to better meet the needs of the community we serve.

Training: This portion of the budget covers the fees for training.

SECTION II Project Description

Project Title	Clearing Invasives along the Prairie Path in Glen Ellyn
Cost of the Project	$15,000
Brief Description of the Scope of Initiative	With the long-term goal to establish butterfly meadows and pollinator gardens on nonwooded land adjacent to the Prairie Path in Glen Ellyn, this proposal is to clear weeds and invasive and woody plants from these target areas. The land along the Prairie Path is County property, maintained by Glen Ellyn The intended scope is the strip of land that runs between Park Blvd and Montclair Ave, between the Prairie Path and the Montclair Commuter Parking Lot. The proposal is to clear the 4,200sf area and prepare the soil for installation of Monarch meadows, consisting of perennials and small shrubs. If budget allows, one or more sections of meadow will be installed as part of this project.
Desired Outcomes	The goal is to remove weeds, poison ivy, and invasive plants such as buckthorn - to make way for future Monarch meadows, which would: - Beautify an area that is enjoyed daily by many DuPage County residents - as they walk, bike, and run along the Prairie Path - and as they ride Metra from Chicago to the suburbs - Replace woody plants and weedy areas, rather than with turf, with native prairie flowers and grasses - setting a positive example of sustainable landscaping - Making good use of a rare open-sky area to establish much-needed Monarch habitat in an area with limited municipal greenspace

Location	
The Village of Glen Ellyn Public Works department identified an opportunity to ***transform* a highly visible (yet weedy) area into a native pollinator showcase**.

This strip of land is DuPage County property running along the Prairie Path, at the East edge of downtown Glen Ellyn.

The impact of transforming this space is high! This narrow strip is viewed daily by many, from the Prairie Path, from the Metra West line, from the adjacent Montclair parking lot, and by cars crossing the tracks along Park Boulevard.

*The opportunity for improvement is high. T*he strip is sparse and patchy near town but becomes full with woody plants and invasive shrubs further east - including a plethora of poison ivy and buckthorn. There is also a lot of woody low grow sumac, which is difficult to keep weeded well.

The impact can be gained from addressing a relatively small square footage of roughly 4,200 square feet (the strip is 720' long and expands from 3' to 8' wide).

Timing in 2025 is ideal. This spring, the Village of Glen Ellyn installed a native pollinator garden at the west end of downtown (Volunteer Park) and plans to install pollinator-friendly plants in downtown planters this summer. If installed this fall, this project could do the same at the east end of downtown - bookending the central business district and ***creating a corridor for pollinators and birds***.

Approach

1) Clear the existing weeds - a majority of the grant budget will be directed toward clearing the weedy sites

2) Create the planting design (no cost) - The Glen Ellyn Environmental Commission has asked representatives from The Conservation Foundation to mentor and guide this project along with a Glen Ellyn professional horticulturalist (certified in native landscape design), who has generously volunteered her time to create the detailed design.

3) Create mulched paths - a portion of the grant will be directed to establish 5' and 10' wide mulched paths to create the outline of the Monarch Meadows.

4) Acquire plants - if budget remains after clearing and path setup, The Conservation Foundation will acquire plants to install one or more of the Monarch meadows this year. Otherwise, the beds will be left clear.

5) Install plants (no cost) - if funds enable plant purchase, The Conservation Foundation and the Glen Ellyn Environmental Commission will coordinate “Monarch Festival” community planting days to install the garden with local garden clubs and volunteers.

Design Outline and Guidelines

1) Section Layout: The 720-foot site is divided by lampposts into six 120’ sections
   Each 120-foot section will adopt a similar layout:
   a) Lamppost with 5’ of gardens on both sides
   b) 5’ mulched path
   c) 45’ Monarch meadow
   d) 10’ mulched path (at center of section)
   e) 45’ Monarch meadow
   f) 5’ mulched path
   g) Lamppost with 5’ of gardens on both sides
2) Average Section Width: 4’ for three sections; 7’ for three sections.
   Plants will be selected to be appropriate for the section width.
3) Plant height will be kept at 2-4’
4) Meadows will be designed for large drifts (Dutch wave) of plants for easier maintenance.
5) Plants will be selected for their native wildlife support characteristics as well as for salt and drought tolerance.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) Program-Specific Audit. If, during its fiscal year, Grantee expends at least $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII
TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

PROJECT DESCRIPTION

Summary of the Program

Since 2011, DuPage County has enjoyed a longstanding partnership with the Adult Redeploy program and has utilized funds to reduce the number of probation violators committed to the Illinois Department of Corrections (IDOC). We have valued our partnership with the Adult Redeploy network and continue to learn valuable prison diversion strategies from the leadership, initiatives, and site-specific research provided through this alliance. Our internal data has demonstrated a reduction in the number of probation-involved clients committed to IDOC. As evidenced in the letters of support submitted with our SFY24 grant application, our involvement with Adult Redeploy has also had a positive impact on our department at large and our community. At the onset of our initial planning process, a diverse group of criminal justice stakeholders convened to discuss local criminal justice system needs and opportunities to reduce the incarceration of non-violent clients. A review of local court records and additional available data revealed over half of commitments to IDOC for probation violations occurred because of technical violations. The group determined these non-violent technical violators were likely to be safely supervised in the community when provided adequate levels of supervision and services. The group agreed to pursue implementation of a "probation violator" caseload which was originally structured as an enhancement to the Department's Administrative Sanctions Program. The intensive supervision probation with services (ISPS) model offered at risk clients with technical violations the opportunity to participate in intensive cognitive behavioral services and increased frequency of supervision as an alternative to returning to court. As the program progressed, alternate pathways into the program have been created to extend eligibility to individuals newly sentenced or resentenced to probation and a screening process for those identified by the Court as prison bound individuals.

Target Population For Diversion and Goals

The target population will consist of those who have been identified as at risk for an IDOC commitment. Specifically, medium to high-risk persons sentenced in DuPage County for a felony with either technical violations or those newly sentenced or resentenced with a history of failed community supervision or recent IDOC commitments. Candidates are referred to the program via several pathways. Court referrals are triggered for screening via court order after a person has been identified as potentially prison bound. Current probation clients can elect to enter the program via an administrative sanction as a response to technical violations. Lastly, newly sentenced, or resentenced clients with a recent history of failed community supervision or commitments to IDOC may be referred by presentence investigators or intake personnel. Internal referrals are staffed with program personnel for eligibility.

Enrollment decisions require prospective clients to meet **basic criteria prior to further eligibility consideration**. Due to the frequency and intensity of cognitive based interventions, the following must be met for eligibility:

1. reside in DuPage County (*Consideration can be given to those who reside in close proximity to our geographical boundaries, for whom transportation is not a concern, and if doing so does not compromise supervision standards or create barriers for the client.);*
2. be sentenced in DuPage County to probation for a class felony offense;
3. have at least six (6) months remaining on their probation sentence;
4. at risk for commitment to the Illinois Department of Corrections due to various factors (e.g. current or prior probation violations, on parole or mandatory supervised release, severity of instant offense, lengthy or significant criminal history, substance abuse issues other high-risk factors, or as identified in the court process);
5. have been non-compliant with current or prior community supervision; and
6. not be better served through a specialty program outlined in our original grant agreement.

Upon meeting the basic eligibility criteria outlined above, the enrollment decision is based on an assessment of the

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

applicant's risk and protective factors identified through a formalized assessment process utilizing the Adult Risk Assessment Community Supervision Tool (ARA-CST).

Our service goal for SFY26 is 114 participants, providing services to 72-96 participants at any given time. The capacity of 96 participants allows us to ensure an individual officer supervises no more than 24 clients at a given time. We commit to minimally divert 32 persons from prison. The 25% reduction goal was calculated considering the midpoint of the program capacity, ICJIA commitment data, the ARI database, and a review of records from our circuit clerk. More specifically, this was calculated by adding the midpoint of our program capacity (84) and the three-year average of our jurisdiction's IDOC commitments via probation violations from calendar years 2022-2024 (43) for a total of 127 people (127*.25= 31.75). ARI program staff had previously approved the use of internal data for this calculation after considering our program model. Since the model is a probation violator program and IDOC commitment data reflects commitment of individuals who were never sentenced to probation, it was determined county level and in-house data was the most significant threshold on which to base the goal. We have experienced success utilizing this strategy, which is illustrated in greater detail in the Goals and Performance Metrics section of the application.

Program Model and Evidence-Based Target Interventions,
Our application requests a continuation of funding to support the intensive supervision probation with services (ISPS) model within our jurisdiction. Traditional approaches to intensive probation (IPS) focus on enhanced reporting and accountability-based measures. While our program does offer a higher frequency of supervision to program participants, it centers on collaborative strength-based relationships with clients and requires officers to engage in structured and extensive cognitive behavioral work in group and individual meetings. Unlike elsewhere in our Department, our ARI program has significantly smaller caseloads and the expectation officers work as a team to coach and support participants as they address the thinking and skill deficits which place them at risk of reoffending. Our program also provides enhanced opportunities for social support to help program clients achieve greater independence and success (e.g. employment, education, treatment costs, etc.).

Our program consists of four probation officers assigned to caseloads smaller than traditional high-risk caseloads. Officers integrate the National Institute of Corrections' Core Correctional Interventions (CCI) model which is a sister curriculum to the evidence based Effective Practices in Community Supervision (EPICS) approach utilizing most of the same skills. This protocol is a highly structured, cognitive behavioral supervision model in which meetings with participants target anti-social thinking patterns and strive to teach and reinforce pro-social skills. CCI is an evidence-based curriculum in that three bodies of research form the foundation and justification for the approach. These include Motivational Interviewing, Core Correctional Practices, and Stages of Change. In our program, participants meet with an officer two to four times per month based on phase in the program. Meetings target anti-social thinking patterns and strive to teach and reinforce pro-social skills. Officers facilitate several evidence-based group curriculums with participants including *Moral Reconation Therapy (MRT)* and *Moving On.* Historically we also utilized *Thinking for a Change (T4C)* and will evaluate whether to resume doing so in SFY26. Individual and smaller group sessions seek to address dynamic criminogenic needs using Carey Guides and tools from The Change Companies. Although participants have a primary officer, much of the work is done as a team which enhances the continuity of interventions and addresses responsivity factors. Program graduates and those who participate in our recognition ceremony for positive behavioral change consistently note they feel they have a supportive team behind them whether they are succeeding or struggling to get back on track. Many have commented on how helpful this has been in making changes.

Key Partners and Stakeholders:
We continue to benefit from strong support for our program from the Public Defender and State's Attorney's Offices. They have been key partners in identifying program eligible clients. Our program also enjoys support from a variety of community agencies. Some of those agencies include treatment providers within our region, Path to Recovery Foundation, workNet DuPage and College of DuPage. Community partnerships have been a focus of our

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

efforts in the current fiscal year and we seek to expand our community partners if granted the opportunity in SFY26.

Proposed Budget:
Based on these calculations and a total proposed budget of $429,853.00 the estimated cost per person served is $3,770.64 ($429,853/114 = $3,770.64).

Statement of the Problem – Unmet Needs

Many of the unmet needs our program seeks to address relate to current justice system practices and social supports. Our department offers a variety of programs, however many of these interventions are specialty programs designed for specific offense types or responsivity factors. This leaves a large pool of probationers who pose a risk to the community on caseloads offering fewer resources. Officers who work with medium and high-risk individuals, who do not meet specialty court criteria, have significantly higher caseloads than the Redeploy team. While they perform excellent work, the traditional structure and caseload size limits officers' ability to focus on probationer's needs. Our Redeploy team has a specific program capacity; caseloads are significantly smaller and in line with research from the American Probation & Parole Association's (APPA) best practice recommendations. In June of 2024, APPA released the National Standards for Community Supervision. The standards cited research indicating "reduced caseload sizes, in conjunction with implementation of RNR (risk, need and responsivity) practices, can lower recidivism by increasing the time officers have to provide meaningful interventions". APPA recommended a client to staff ratio of twenty (20) to one (1) for intensive supervision. We recognize there are times when participants are not available to fully utilize program services, such as when detained or fugitive. Taking both the APPA recommendation and the realities of casework into account, we set the capacity of each officer at 24 participants. This allows specialized attention to individual needs and a greater capacity for relationship building. Our ARI program has promoted the success of participants by providing a more individualized probation experience targeting criminogenic needs which place them at risk. This is delivered in a strength-based team approach offering the ability to attend to responsivity factors and to create a community of support for the client. A heavy emphasis is placed on the officers coaching the client and building upon their assets while minimizing some of the financial barriers to receiving services. The Redeploy network invested in a program evaluation conducted by Southern Illinois University in 2018. This evaluation noted the strengths of the officer-client rapport citing, "the ISPS program resulted in a strong commitment to program tenets as well as combining frequent contact with relationship building and addressing specific needs."

The gap filled by this program is supported by declining IDOC admissions, resulting from probation violations, as outlined below in the Goals and Performance Metrics section. Consistent with the goals and philosophy of Redeploy, our jurisdiction believes many individuals are best served in their communities surrounded by and building upon natural support in lieu of incarceration. Compared to traditional probation experiences, our program aligns with the research around effective correctional programming in that there is a strong focus on addressing criminogenic risks using cognitive behavioral programming. Officers are trained in both individual and group curricula and strategies for working with clients. We also offer the ability for greater financial support for treatment, education, vocational training, employment resources, transportation and other social supports which are common barriers for this population. This fills some health and human service gaps widely supported in the research to boost effective outcomes and promote success. Officers are frequently in the community which also differs from traditional supervision and minimizes barriers for clients. We have made significant progress in building and maintaining relationships with court partners to identify program candidates prior to sentencing and with educating probation personnel and modifying internal policies to respond to persons struggling on a general probation caseload more promptly. Stronger partnerships with the Public Defender's Office and within our department have assisted with referrals, but we continue to focus on establishing a stronger mechanism to identify and divert individuals from IDOC through program participation.

Program Activities

We are requesting continued funding to employ four full-time program officers providing direct supervision to program participants and .25 funding for the program supervisor, as well as monies allocated to program materials, training for staff and social supports (treatment, recovery coaches, housing, and record accession). In addition, we hope to maintain the growth of our education, vocational and employment supports for participants and enhance strength-based approaches outlined in our narrative and budget. The following serves to highlight differences between the current grant and the continuation request in the various budget categories. The basis for those changes is also provided, as requested. Please see the proposed itemized budget for descriptions of all activities for which funding is being requested.

Equipment
Laptops and tablets utilized by officers were purchased during the current grant year and therefore removed from our continuation request.

Supplies
Our program has utilized gift cards to restaurants or stores to recognize and reward progress made by participants. While we will continue to do this, we will utilize funding through an alternate source, the Foundation for Change.

Bus service in DuPage County is limited and is not often a viable means of transportation for our participants needs. We have sufficient bus passes for those persons who can utilize this service and have removed this cost for the upcoming year. Our funding request continues to include other transportation services, such as LYFT, to remove transportation barriers.

MRT journals are utilized in the delivery of Moral Reconation Therapy, an evidence-based curriculum utilized by our program. The journals are sold in certain quantities. As the number of persons served in the last two grant years was lower than anticipated, we have sufficient journals to utilize with new enrollees if our continuation request for SFY26 is granted. As such that expense was removed.

Our current funding request included licensing and network costs for computers utilized by Adult Redeploy, which are purchased through the county. The fees were to be passed onto the user; however, we were not invoiced for those costs. As such, we have removed those costs from our SFY26 request.

Training and Education
We requested expanded funding in SFY24 for education and vocational programs which would enhance participants' ability to obtain employment in roles and fields which pay higher wages and have more consistent work opportunities. The combination of employment services and education/vocational skill development is a more comprehensive strategy to meet the varying needs of program participants. Though we have been successful in utilizing alternate funding sources during SFY25, those entities may not receive the same level of funding in future years and some participants may not qualify for those which are available. There remains a need for funding support in this area, but we have reduced the amount of funding requested for education or vocational training for SFY26.

For SFY25, we requested funding for new members of our ARI team to receive training to facilitate MRT. As those officers are now trained, the training costs have been removed from our funding request for the coming year.

Project Implementation

Target Population

The target population will consist of those who have been identified as at risk for an IDOC commitment. Specifically, medium to high- risk persons sentenced in DuPage County for a felony with either technical violations or those newly sentenced or resentenced with a history of failed community supervision or recent IDOC commitments. Candidates are referred to the program via several pathways. Court referrals are triggered for screening via court order after a person has been identified as potentially prison bound. Current probation clients can elect to enter the program via an administrative sanction as a response to technical violations. Lastly, newly sentenced, or resentenced clients with a recent history of failed community supervision or commitments to IDOC may be referred by presentence investigators or intake personnel. Internal referrals are staffed with program personnel for eligibility.

Enrollment decisions require prospective clients to meet **basic criteria prior to further eligibility consideration**. Due to the frequency and intensity of cognitive based interventions, the following must be met for eligibility:

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

1. reside in DuPage County (*Consideration can be given to those who reside in close proximity to our geographical boundaries, for whom transportation is not a concern, and if doing so does not compromise supervision standards or create barriers for the client.);*
2. be sentenced in DuPage County to probation for a class felony offense;
3. have at least six (6) months remaining on their probation sentence;
4. at risk for commitment to the Illinois Department of Corrections due to various factors (e.g. current or prior probation violations, on parole or mandatory supervised release, severity of instant offense, lengthy or significant criminal history, substance abuse issues other high-risk factors, or as identified in the court process);
5. have been non-compliant with current or prior community supervision; and
6. not be better served through a specialty program outlined in our original grant agreement.

Intake and Assessment Process

Upon meeting the **basic eligibility criteria outlined above**, the enrollment decision is based on an assessment of the applicant's risk and protective factors. The selection process includes:

1. A review of the applicant's criminal history to ensure they are program eligible.
2. A review of the applicant's risk and protective factors identified through a formalized assessment process utilizing the Adult Risk Assessment Community Supervision Tool (ARA-CST). A review of ancillary documentation is also completed, if available.
3. A meeting with the applicant to discuss the program and their motivation to complete the program. The meeting with the applicant explores their goals, strengths and supports, and potential barriers.
4. An administrative staffing with program staff, and when applicable the referral source, to consider the applicant's level of compliance with court orders, current violations, offense pattern and individual service needs.

After reviewing the aforementioned information, a decision is made regarding eligibility and conveyed to the referral source. For court ordered screens, this is communicated to the Court. If the person is currently on probation and entering the program via an administrative sanction the same selection process is followed, with one additional step. The client will also attend an administrative sanction conference with the current officer and a Redeploy team member. After the program is discussed, the person will decide if they would like to enroll in the program or have the alleged technical violation heard in court and reflect their decision on sanction paperwork.

Once a client joins the program a primary caseworker is assigned. The officer conducts an initial meeting with the client and then signs the participant up for an Orientation to Redeploy session. Each session is facilitated by a team member and is a forum to reinforce the team aspect of the program, introduce other officers to the program participant, and emphasize the collaborative nature of the program. The conditions of phase 1 are reviewed with participants and a journal from the Change Companies is utilized to begin to explore individualized risk factors, motivation to change, and forward thinking. In conjunction with the risk assessment and participant feedback this tool forms the foundation for exploring next steps with case planning around strengths and criminogenic needs.

Target Interventions

Our application requests a continuation of funding to support the ISPS model within our jurisdiction. Our program centers on collaborative strength-based relationships with clients and requires officers to engage in structured and extensive cognitive behavioral work in group and individual meetings. Officers integrate the National Institute of Corrections' Core Correctional Interventions (CCI) model, a highly structured, cognitive behavioral supervision model which is based upon the evidence based Effective Practices in Community Supervision II (EPICS) approach utilizing core correctional practice skills. Three bodies of research form the foundation and justification for the approach. These include Motivational

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

Interviewing, Core Correctional Practices, and Stages of Change. Research identifies skills and practices that are consistently related to reduced recidivism and identifies these as pro-social modeling and reinforcement, problem solving, the use of cognitive behavioral techniques, and strength-based officer-client relationships. Our program employs these strategies in our daily supervision of clients.

Although participants have a primary officer, much of the work is done as a team to coach and support participants which enhances the continuity of interventions and addresses responsivity factors. In our program design, participants meet with an officer two to four times per month based on phase in the program. Redeploy staff are in the field several days each week and complete home and field visits throughout the county. Meetings target anti-social thinking patterns identified through the assessment process and strive to teach and reinforce pro-social skills. Officers facilitate several evidence-based group curriculums with participants including *Moral Reconation Therapy (MRT)* and *Moving On.* Historically we also utilized *Thinking for a Change (T4C)* and will evaluate whether to resume doing so in SFY26. Individual and smaller group sessions seek to address dynamic criminogenic needs using The Carey Group's Brief Intervention Tools (BITS) and tools from The Change Companies. All these interventions are provided to reduce risk and are in line with the research indicating antisocial cognition and antisocial personality (skill deficits) are highly correlated with recidivism. In targeting these areas with clients, we hope to divert people from high-risk situations and the subsequent IDOC commitments which can result. We feel it is important to regularly assess staff performance to support fidelity to the model and promote stronger outcomes. Officers submit recordings of individual meetings with participants at least twice a quarter and receive coaching and feedback on their use of CCI skills. Group sessions are also regularly observed, and feedback provided to program staff to ensure ongoing quality assurance.

When shaping behavior, research has demonstrated individuals respond more effectively to positive reinforcement as a primary mechanism to make change. A strength-based approach with participants is a key program principle reinforced through a variety of practices. Our ARI program provides a variety of ways to recognize small positive steps taken as they occur and reward on-going behavior change and progress toward completion of court ordered conditions through phase progressions, gradually decreasing the intensity of supervision. Success stories are part of the application for phase advancement. Success stories are an intentional exercise completed by participants to foster self-reflection and emphasize positive changes. They also foster an ongoing dialogue about positive changes in thinking and behavior. Our team reviews participant successes at team meetings and identifies at least one meeting each month where this is the primary focus. How to recognize the progress is also discussed. At times, acknowledgement may include small tangible rewards. These rewards are funded through our department's 501c3 Foundation for Change. They may also include our more formal recognition ceremony for positive behavioral change and achieving goals, we refer to as our Pillar of Pride. Participants consistently note they feel they have a supportive team behind them whether they are succeeding or struggling to get back on track. Many have commented on how helpful this has been in making and sustaining change. Increasing Positive Reinforcements, a key principle of effective interventions, does not mean ignoring unacceptable behavior. In our program, most inappropriate behavior choices are addressed utilizing core correctional interventions. Graduated responses are utilized for continued unwanted behaviors, which may include formal sanctions which modify some benefits afforded in a phase for a short period of time as a corrective action. Our team utilizes a Sanction Review Board for formal sanctions with the goal of expeditiously responding to violations in a collaborative manner. The format of these meetings is to engage the client in a discussion and identify antecedents to violating behavior. We then try to elicit their input on the best way to realign behavior with more prosocial options.

Referrals to health and human service agencies occur as needed. Our program seeks to provide access to some social supports which are often barriers for justice involved individuals and access to ancillary services as required. Through continuation funding, if approved, services and supports may include financial assistance with:

- substance abuse and mental health treatment through numerous community providers;
- recovery coaches;

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

- education (e.g. high school diploma, college) and certified vocational training programs (e.g. through College of DuPage or elsewhere as approved)
- employment services (contractual coordinator, partnership with local business owners, partnership with workNet DuPage)
- employment clothing and equipment
- housing assistance (e.g. rental application fees or emergency/supportive housing)
- transportation to probation related services
- client vital records

In summary, our program is a strength-based model which appeals to a variety of stakeholders and strives to safely supervise otherwise IDOC bound individuals. We do this by engaging in collaborative relationships with clients, targeting their most serious criminogenic needs, and holding them accountable to the conditions of the Court. We strive to provide social supports which address barriers clients have in obtaining or maintaining change.

Capacity-Building

Our program recognizes the important impact utilizing public benefits can have in increasing access to cost effective programs which may be helpful in buffering our client's risk to the community. Our program collaborates closely with the DuPage County Health Department for the purposes of Medicaid enrollment and the provision of a wide range of services they offer. Our Health Department offers several programs related to physical, behavioral, and mental health needs typically faced by our program clients. These programs address clients who may be in crisis, as well as ongoing support once stabilized. Program staff also extensively engage with local organizations to provide linkages and help clients access services and supportive agencies in their natural communities. Many of these organizations were highlighted in the full application but highlighting a few include food subsidies and pantries, DuPage PADS for housing supports, and Community Services for a variety of supports. We continue to engage with community agencies to expand and update our knowledge of the services they provide, how best to refer persons and alternate funding sources to explore. For example, we have expanded referrals to educational and vocational programs utilizing a variety of funding sources, such as workNet DuPage, College of DuPage and Café Liberty. Café Liberty recently expanded access to their culinary program for justice involved individuals, at no cost to the individuals accepted into the program.

Judicial Impact

The ARI program is well respected by our judiciary and justice system partners. As evidenced in our letters of support in the full SFY24 application, our ARI program has had a positive impact on our court system, our communities, and our probation department. Letters stressed the cognitive behavioral work performed by our team, smaller caseload sizes, and enhanced relationships with clients as essential ingredients in allowing many high risk and high need individuals to remain in the community rather than going to the Illinois Department of Corrections. Our State's Attorney remarked that, "ARI not only saves money and critical resources, but it improves public safety by reducing the social cost of crime on communities." During a training about the program with our Public Defender's office, feedback was provided regarding how the program is more strength based than traditional approaches and strives to assist clients instead of being exclusively accountability focused like traditional IPS programs. Another commented on the intensive focus on antisocial thinking had helped their client. Our intention to continue this program will maintain the confidence our system partners have in our ability to best serve IDOC bound individuals in a way that buffers the risk they pose to our communities. This includes addressing criminal thinking and building prosocial skills, while celebrating and building upon successes. It will continue to provide a meaningful response to managing violations of those already on probation through a more individualized approach.

Community Involvement

Community involvement has been an aspect of our program we have worked hard to enhance over the last few years. If granted continued funding, we seek to continue to improve this dimension of our work, as outlined below.

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

Our goal is to help show participants that the community cares for them, they can contribute positively to the community, and that simply being system involved does not minimize their value.

Volunteer Opportunities

A long-standing goal of our program is to foster and model the benefits of giving back to the community. A practice we began in SFY23 is one we will continue if funding remains ongoing. We have had ARI team members and program participants volunteer together in our community at least once a quarter.

Our goals with this initiative are several:

- To foster the strength-based nature of our professional rapport with program clients by working together in small groups. Engagement and trust have increased during these forums. Participants have disclosed that it felt like a safer way to discuss successes and struggles while working together. Enhanced opportunities to provide positive reinforcement present themselves and being strength-based is critical to effective behavior management and growth.
- To give back to the community and enhance engagement.
- To provide a positive venue in which to introduce our clients to the community who may have an unfavorable view of justice involved individuals.
- To educate organizations about the work of probation and Adult Redeploy in DuPage County.
- To provide a forum for those involved in our MRT cognitive behavioral group to earn the service hours required from that group. For participants with community service expectations as part of their sentence, volunteering provides a way to meet that expectation.

Education, Job Training and Employment Resources

Justice-involved individuals face numerous barriers with education, job skills training, and employment opportunities. The collateral consequences of being justice involved are often hardest felt in employment barriers and the instability which accompanies the lack of a steady income. As such, we have placed significant emphasis on enhancing education and developing a host of employment services for those in our program. Our program proposal includes a contractual employment coordinator who meets with participants individually to discuss their work history, career goals, workplace communication skills, and to conduct employment searches. The coordinator does much of her work individually with participants but has established partnerships throughout the DuPage County area to identify employers who are open to hiring persons with an arrest history. With funding previously provided by the grant, the Employment Coordinator established a partnership with several DuPage County businesses to incentivize the hiring of program participants who complete a prerequisite training process with our employment coordinator. Business owners, who are a part of our program, receive a stipend equal to the hourly wage of the ARI client for an initial period of their employment, with the goal that the participant has proven themselves within the role and will maintain employment when the incentive has ended. Feedback from several businesses approached indicated philosophically they were open to considering hiring participants but the contractual elements to become a site were an obstacle. While disappointing, this has led to two positive outcomes. First, they are known businesses in the area open to hiring participants without a formal partnership. Second, this led our employment coordinator to explore a partnership with workNet DuPage, an organization funded through the Workforce Innovation and Opportunity Act (WIOA) with an office in our jurisdiction. The goal is to enhance opportunities for participants to obtain job training and employment by coordinating referrals and accessing services provided by workNet DuPage, which has a larger network of local employers and enhanced monetary incentives for employers. Participants have received vocational training with funding provided through workNet. Culinary training through Café Liberty has provided certifications for several participants with no cost to the student and without the need to utilize grant funding. We appreciate the funding provided by the grant to aid other participants for whom alternate educational or vocational funding is not available. The combination of employment services and education and vocational skill development is a comprehensive strategy to meet the varying needs of program participants and lead to roles in fields which pay higher wages and have more consistent work opportunities.

Program Specific Education Forums

We have hosted education sessions for system partners on Adult Redeploy Illinois across the state and within DuPage County. As personnel within the justice system continue to evolve, we recognize the benefit of offering on-

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

going education sessions for the judges in our circuit, the DuPage County Bar Association, and our Public Defenders and State's Attorney's Office. We expanded efforts to educate the community on our program through various pathways, making informational material available in a variety of venues and by hosting similar information sessions with citizen groups. In addition to expanding awareness of ARI in communities, we recognize involving community members to build natural support is critical to the work of evidence-based practice. Consistent with the statewide Redeploy Vital Voices initiative, we hope to engage program participants in these sessions as appropriate for their situation. During SFY25, a participant spoke to a community group. He courageously shared his journey and what aspects of the program helped him change his thinking and led to his making healthier choices. He was honored his probation officer recognized the progress he has made and asked him to speak to the group.

Family Involvement

Our program believes that involving the family members of our clients reaps many benefits. This is true for the justice involved individual, the family, and ultimately the community. Family involvement increases the likelihood of clients becoming self-sufficient and assists in finding and leveraging accessible community resources. It is commonplace for officers to have contact with significant others and family members and to engage these individuals in supporting program participants.

Performance Measurement

Performance metrics, including who is responsible for gathering the data and the frequency for each is outlined in the Implementation Performance Plan and Goals and Metric sections below. Many of the metrics are entered into the ARI database monthly. Our program also maintains a shared electronic folder where notes from team meetings and other ARI initiatives are stored. Observation and feedback data on the use of CCI skills is maintained by both the program supervisor and within a shared management folder where skill observation and feedback is specifically recorded and tracked. Training records are maintained through Relias, the training record platform required by the Administrative Office of the Illinois Courts, and our Training Manager. ARI policies are incorporated within the department's electronic policy folder on a shared network. Policies once approved are given specific review dates. Financial information is maintained both through our department's case management system and finance related systems required by our county.

Our program consists of four officers who provide direct supervision to program participants. These officers receive operational and programmatic feedback from their direct supervisor. The quarter full-time employee (.25 FTE) will be the program supervisor if continuation funding is approved. The program supervisor will work in conjunction with our finance manager, deputy director and a program manager to oversee the financial and programmatic aspects of the grant, with our county providing in-kind costs for these supportive personnel. A program manager prepares the required quarterly and close out reports, in conjunction with our finance manager and deputy director, and has assumed some of the programmatic aspects of grant operations as well as participation on one ARI workgroup.

PERFORMANCE MEASURES AND STANDARDS

Goal: Reduce the number of individuals committed to prison on probation-eligible offenses from the defined target population by 25% based on the average number of commitments in the prior 3 years.

1. Provide the number in the total eligible population (2022-24 average): **259**
2. Define the target population (risk level, needs profile, offense class, offense type):
   Our target population is comprised of probationers assessed at medium or high risk on the ARA-CST with a felony offense. Clients will either have probation violations making them eligible for the program or will be identified by the Court as IDOC bound and newly sentenced/resentenced to probation. Excludes sex offenses and intimate partner domestic violence.
3. Provide the number in the target population (2022-24 average): **127**
4. Calculate the 25% reduction/diversion goal for the grant period (target population x 25%): **32**

Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

50. Compliance. Grantee agrees to comply with all applicable laws, regulations, and guidelines of the State of Illinois, the Federal Government and Grantor in the performance of this Agreement.

PART THREE –PROJECT-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE** and Grantor-Specific Terms in **PART TWO**, Grantor has the following additional requirements for this Project:

51. Pre-Award Costs. Pre-award costs are authorized in accordance with 2 CFR 200.209. Pre-award costs are those incurred from the beginning of the period of performance of the grant until the execution of this grant agreement and must be in accordance with the final approved program budget. ICJIA has the right to review supporting documentation for all pre-award costs that are submitted for reimbursement on a financial report from grantees. Costs that are not in accordance with the final approved budget (necessary, reasonable, allowable, and allocable) shall be disallowed.

52. Supplanting. Grantee certifies that ARI funds made available under this Agreement will not be used supplant/replace State, local, or other funds that would otherwise be made available to Grantee for purposes related to this program. Grantee certifies that ARI funds made available under this Agreement will be used to supplement/increase existing funds for such purposes.

53. Penalty for Failure to Divert. Under the Adult Redeploy Illinois enabling statute, any Grantee not meeting its required reduction (diversion) goal, as calculated by the local jurisdiction, shall be assessed a penalty. The Adult Redeploy Illinois Oversight Board (ARIOB) has set the maximum penalty at one half the marginal cost of incarceration. The amount of the penalty assessed will be left to the discretion of the ARIOB; the Board shall take into consideration factors affecting the Grantee's ability to meet the required reduction goal, including whether the failure to meet the reduction goal was beyond the control of the jurisdiction or other extenuating or mitigating circumstances.

54. Expenditure Evaluation. The Grantor shall evaluate the amount of unexpended funds remaining and the maximum amount of funds needed to continue the grant. Based on this evaluation, the Grantor, at its sole discretion, may reduce the grant award by an amount it deems appropriate.

55. Corrective Action Plan.

55.1 At the end of each quarter, the Grantee and the Grantor will (1) do a review of the number of individuals diverted from the Illinois Department of Corrections (using the Grantee's and IDOC's data) and (2) assess whether the number conforms with the Grantee's approved plan in order to achieve the annual 25% reduction included in the plan.

55.2 If either the Grantee or the Grantor believes that it will not, they shall bring the issue to the next meeting of the ARIOB (or within the first month of the next quarter, whichever is sooner) with a plan for remediation, designed to avert a penalty charge to the Grantee. The Grantee may choose to send its representatives to the ARIOB meeting to explain the plan, and the ARIOB shall act on the plan immediately upon its receipt.

55.3 Should the ARIOB not accept the plan, the Grantee will have the opportunity to modify the plan or withdraw from the program by the next ARIOB meeting (or the second month of the quarter, whichever is sooner). Should the Grantee accept the corrective action plan, the plan shall include a schedule for reporting on the progress of the plan, with regular reports at least once a quarter to the ARIOB, until such time as the ARIOB agrees that the corrective action plan has been successfully implemented.

Docusign Envelope ID: 131BF51F-B09B-407A-B9E7-D2F693D78AEB

55.4 A similar corrective action plan process will be followed as it relates to Grantee's failure (or risk thereof) to meet other contractual performance measures stated in the Illinois Crime Reduction Act (730 ILCS 190/*et. seq*), namely the use of assessment tools and evidence-based practices, appropriate target/service population, and provision of required data.

56. Participant Risk Assessment Levels.

56.1 At the end of each quarter, the Grantee and the Grantor will do a review of the risk assessment scores of all participants currently in the program. If the following threshold is not met, the Grantor may initiate (1) training or technical assistance and/or (2) a corrective action plan.

56.2 Threshold: Threshold means the aggregate minimum risk assessment scores, based on the local county standards, for participant risk levels to meet the percentage and timeframe. For Adult Redeploy Illinois, at least 80% of incoming participants shall have moderate to high-risk assessment scores. The threshold seeks to ensure that Adult Redeploy Illinois programs are serving a moderate to high-risk prison bound population.

57. Problem Solving Courts (PSC) Certification. If the Grantee is determined to be an existing PSC, proposed PSC, or specially designated PSC calendar, the Grantee must be evaluated, or in the process of being evaluated, by the Administrative Office of the Illinois Courts (AOIC) and must be certified, or in the process of being certified, as compliant with the Problem-solving Court Standards (Standards) through the certification process and timeline required by the Illinois Supreme Court. All PSC shall comply with all AOIC requirements for certification and recertification. If a PSC is unable to comply with these Standards, the PSC must request time to develop a plan of improvement to allow it to continue operations and that plan must be submitted to AOIC for recommendations. Grantee may continue operations pending receipt of the recommendations from AOIC. Grantee must submit a copy of the recommendations to Grantor. Grantees that are unable to substantially comply with the Standards or AOIC recommendations may risk termination of grant funds. Grantees that are unwilling to substantially comply with the Standards or AOIC recommendations will not receive grant funds for the period in which they are not in compliance.

58. ICJIA Quarterly Data Submission. Grantee certifies that it will submit quarterly data electronically as outlined in the ICJIA data submission documents.

59. Mandatory Data Elements. Grantee agrees to participate in performance measurement and evaluation activities in conjunction with the Grantor and as developed by the ARIOB according to statute. Specifically, the Crime Reduction Act requires a *"performance measurement system that includes but is not limited to the following key performance indicators: recidivism, rate of revocations, employment rates, education achievement, successful completion of substance abuse treatment programs, and payment of victim restitution."*

Additionally, Grantee site-specific information about the utilization of evidence-based practices will be collected for evaluation purposes. These reporting requirements will be developed upon negotiation with the site administrators and ARIOB. Grantee agrees to provide the following data elements and any other additional data elements developed by the Grantor with the ARIOB:

Illinois State Board of Elections
Voter Registration State Grant
Fiscal Year 2026 Grant Agreement

The purpose of this grant is to assist in the maintenance and other costs associated with jurisdictional voter registration systems in order for them to communicate with the Centralized Statewide Voter Registration System as required by Title III Section 303 of the Help America Vote Act of 2002, and with other election security related matters. The recipient, also herein referred to as the election authority, is the eligible recipient of this grant. The election authority, **DuPage County,** is eligible to be reimbursed for an amount of **$577,122.81**. If expenses exceed this amount and funding is available, a second round of reimbursements may be possible.

The State Board of Elections, herein referred to as the grantor, and the election authority have responsibilities both as to spending the monies for the intended purposes of this grant, and tracking expenditures not previously covered or reimbursed by the IVRS Grant, or other grant monies. **By accepting this money, the election authority agrees to send copies of all future documented expenditures and/or obligations to expend for audit purposes in accordance with generally accepted auditing standards. Funds may not be reimbursable otherwise.** *It is important to note that only documented expenditures and/or obligations to expend are eligible for reimbursement, meaning invoices and proof of payment must be provided per the approval of the grantor to receive payment.* Purchases made from this fund shall become the responsibility and property of the election authority, not the grantor. All property control and custody responsibilities will be assumed by the election authority. Likewise, the election authority agrees that all future costs related to maintenance, repairs, and upgrades to equipment or property purchased with these grant funds shall be the sole responsibility of the election authority, not the grantor.

As a condition of a receipt of this grant, the election authority agrees to comply with the provisions of the Business Enterprise for Minorities, Females, and Persons with Disabilities Act (30 ILCS 575/) and the equal employment practices of the Illinois Human Rights Act (775 ILCS 5/2-105). This grant is subject to the Illinois Grant Funds Recover Act (30 ILCS 705/1, et seq.). Therefore, any unspent portion of the grant that remains after 30 days must be returned with interest to the grantor (State Board of Elections) immediately. Any misspent or improperly held grant funds are subject to recovery by the grantor.

By signing this document, the election authority certifies to use the grant funds provided for the purposes articulated above and understands and agrees to the record keeping and documentation requirements set forth above.

If the Agreement amount is established on an estimated basis, then it may be increased by mutual agreement at any time during the Term. Grantor may decrease the estimated amount of this Agreement at any time during the Term if (i) Grantor believes recipient will not use the funds during the term, (ii) Grantor believes recipient has used Grant Funds in a manner that was not authorized by this Agreement, or (iii) sufficient funds for this Agreement have not be appropriated or otherwise made available to Grantor by the State or federal funding source. Recipient will be notified, in writing, of any adjustment of the estimated amount of this Agreement. In the event of such reduction, services provided by recipient under [appropriate section] may be reduced accordingly. Grantor must pay recipient for work satisfactorily performed prior to the date of the notice regarding adjustment. (2 CFR 200.308)

Any violations of this agreement may be reported to appropriate legal authorities for review and appropriate action.

Dear Ms. Conroy,

The Department of Commerce and Economic Opportunity (the Department) would like to welcome you to our community of grantees and congratulate you on your grant award (25-681006).

The Department administers a wide range of economic and workforce development programs, services and initiatives designed to create and retain high quality jobs and build strong communities. The Department leads the Illinois economic development process in partnership with businesses, local governments, workers and families.

When administering grant programs, the Department follows guidance from the Grant Accountability and Transparency Act (GATA) (44 Ill. Admin. Code Part 7000) and federal uniform guidance (2CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards).

To ensure your organization achieves its goals and objectives and remains in compliance with the grant terms, we have provided a few helpful resources and tips to get you started:

1. Read and understand your grant agreement. The grant agreement outlines grant requirements and programmatic deliverables.
2. Frequent our Grantee Resource Site to review tutorials on the grant process (go to www.illinois.gov/dceo, click on Grant Opportunities and Grantee Resource Site).
3. Maintain your organization's profile on the Illinois GATA Grantee Portal at grants.illinois.gov/portal (i.e. confirm organization and contact information, monitor pre-qualification status, make indirect cost elections and comply with audit requirements).
4. Keep all relevant grant-related documents during the required record retention period. This includes receipts and proof of payment for all grant expenditures, such as, invoices, proposals, contracts, procurement bids, statements of work, bank statements, copies of check and ACH/Wire Transfer documentation. (Please refer to your grant agreement for the record retention period).
5. If your organization expends over $300,000 in state or federal grant funds during its fiscal year, a financial statement or single audit may be required. Please note, this expense may not be covered with grant funds.

If you have any questions or concerns, please contact your grant manager.

Sincerely,

6.2. Budget Revisions. Grantee must obtain Prior Approval, whether mandated or discretionary, from Grantor whenever a Budget revision is necessary for one or more of the reasons enumerated in 44 Ill. Admin. Code 7000.370(b). All requests for Budget revisions that require Grantor approval must be signed by Grantee's authorized representative and submitted to Grantor for approval. Expenditure of funds under a requested revision is prohibited and will not be reimbursed if expended before Grantor gives written approval.

6.3. Notification. Within thirty (30) calendar days from the date of receipt of the request for Budget revisions, Grantor will review the request and notify Grantee whether the Budget revision has been approved, denied, or the date upon which a decision will be reached. 44 Ill. Admin. Code 7000.370(b)(7).

ARTICLE VII
ALLOWABLE COSTS

7.1. Allowability of Costs; Cost Allocation Methods. The allowability of costs and cost allocation methods for work performed under this Agreement will be determined in accordance with 2 CFR Part 200 Subpart E and Appendices III, IV, V, and VII.

7.2. Indirect Cost Rate Submission.

(a) All grantees, except for Local Education Agencies (as defined in 34 CFR 77.1), must make an Indirect Cost Rate election in the Grantee Portal, even grantees that do not charge or expect to charge Indirect Costs. 44 Ill. Admin. Code 7000.420(e).

(i) Waived and de minimis Indirect Cost Rate elections will remain in effect until Grantee elects a different option.

(b) Grantee must submit an Indirect Cost Rate Proposal in accordance with federal and State regulations, in a format prescribed by Grantor. For grantees who have never negotiated an Indirect Cost Rate before, the Indirect Cost Rate Proposal must be submitted for approval no later than three months after the effective date of the Award. For grantees who have previously negotiated an Indirect Cost Rate, the Indirect Cost Rate Proposal must be submitted for approval within 180 days of Grantee's fiscal year end, as dictated in the applicable appendices, such as:

(i) Appendix VII to 2 CFR Part 200 governs Indirect Cost Rate Proposals for state and Local Governments and Indian Tribes,

(ii) Appendix III to 2 CFR Part 200 governs Indirect Cost Rate Proposals for public and private institutions of higher education,

(iii) Appendix IV to 2 CFR Part 200 governs Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations, and

(iv) Appendix V to 2 CFR Part 200 governs state/Local Government-wide Central Service Cost Allocation Plans.

(c) A grantee who has a current, applicable rate negotiated by a cognizant federal agency must provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that

rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs, which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. 2 CFR 200.451.

7.4. Commercial Organization Cost Principles. The federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.5. Financial Management Standards. The financial management systems of Grantee must meet the following standards:

(a) **Accounting System**. Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

(b) **Source Documentation**. Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO**, **PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control**. Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in

place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control**. Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management**. Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

7.6. Profits. It is not permitted for any person or entity to earn a Profit from an Award. See, e.g., 2 CFR 200.400(g); see also 30 ILCS 708/60(a)(7).

7.7. Management of Program Income. Grantee is encouraged to earn income to defray Program Costs where appropriate, subject to 2 CFR 200.307.

ARTICLE VIII
LOBBYING

8.1. Improper Influence. Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person

who fails to file the required certifications will be subject to a civil penalty of not less than $10,000, and not more than $100,000, for each such failure.

ARTICLE IX

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantor may make site visits as warranted by Program needs. 2 CFR 200.329; 200.332. Additional monitoring requirements may be in **PART TWO** or **PART THREE**.

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

ARTICLE XII

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV

SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the

Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose.

Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement

is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) Non-governmental entities. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 et seq.) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) Governmental entities. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. 22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. Performance Measures
The Workforce Innovation and Opportunity Act (WIOA) Section 116 and TEGL No. 10-16, Change 3 - Performance Accountability Guidance for Workforce Innovation and Opportunity Act (WIOA) Title I, Title II, Title III and Title IV Core Programs outline the indicators and reporting requirements for performance measures under WIOA.

Local workforce area goals were negotiated between the State, chief elected official(s) and local workforce innovation board in accordance with WIOA Section 107(d)(9) - Negotiation of Local Performance Accountability Measures, 20 CFR 677.210 and TEGL No.11-19 -Negotiations and Sanctions Guidance for the Workforce Innovation and Opportunity Act (WIOA) Core Programs, State WIOA Policy Chapter 3.4 General Requirements for Negotiation of Performance Goals, and associated State WIOA Notice(s). The local area performance goals are incorporated fully by reference into this Agreement. Grantees shall be required to meet these performance goals.

Performance Standards
Pursuant to 20 CFR 677.220(a)(1), the State must establish the threshold for failure to meet adjusted levels of performance for local workforce area grantees. The established threshold level for performance is outlined in the State Workforce Innovation and Opportunity Act (WIOA) Policy Chapter 3.6 Assessing Performance and associated State WIOA Notice(s).

If the Grantee performs successfully as required in this Exhibit D and as incorporated by reference into this Agreement, the Grantee may be eligible to receive local incentive funds, if available, as authorized by Section 134 of WIOA and 20 CFR 677.215.

If, however, the Grantee does not perform successfully as set forth in Exhibit D and as incorporated by reference into this Agreement, Grantee may be required to engage in corrective action pursuant to 20 CFR 677.220, State WIOA Policy Chapter 3.6 Performance Sanctions, and associated State WIOA Notice(s).

EXHIBIT E

SPECIFIC CONDITIONS

Grantor may remove (or reduce) a Specific Condition included in this Exhibit by providing written notice to the Grantee, in accordance with established procedures for removing a Specific Condition.

Specific Conditions.

Programmatic Risk Assessment

The results of Grantee's Programmatic Risk Assessment indicate that there is a moderate risk of the Grantee's financial stability because of the significance of the WIOA program funds in relation to the organization's overall budget. The Grantee is required to complete the following conditions: (a) participate in all technical assistance and training related to fiscal management and reporting requirements of this Award; and (b) implement recommendations of the Grantor related to the fiscal and administrative management of this Award.

PART TWO – GRANTOR-SPECIFIC TERMS

In addition to the uniform requirements in **PART ONE**, Grantor has the following additional requirements for its Grantee:

ARTICLE XXIII
AUTHORIZED SIGNATORY

23.1. Authorized Signatory. In processing this Award and related documentation, Grantor will only accept materials signed by the Authorized Signatory or Designee of this Agreement, as designated or prescribed in the Grantee's signature block or on **Exhibit C**. If the Authorized Signatory chooses to assign a designee to sign or submit materials required by this Agreement to Grantor, the Authorized Signatory must either send written notice to Grantor indicating the name of the designee, or provide notice as set forth in **Exhibit C**. Without this notice, Grantor will reject any materials signed or submitted on the Grantee's behalf by anyone other than the Authorized Signatory. The Authorized Signatory must approve each Authorized Designee separately by signing as indicated on **Exhibit C** or on the appropriate form provided by Grantor. If an Authorized Designee(s) appears on **Exhibit C**, the Grantee should verify the information and indicate any changes as necessary. Signatures of both the Authorized Signatory and the Authorized Designee are required in order for the Authorized Designee to have signature authority under this Agreement.

ARTICLE XXIV
ADDITIONAL AUDIT PROVISIONS

24.1. Discretionary Audit. The Grantor may, at any time and in its sole discretion, require a program-specific audit, or other audit, SAS 115/AU-C265 letters (Auditor's Communication of Internal Control Related Matters) and SAS 114/AU-C260 letters (Auditor's Communication With Those Charged With Governance).

ARTICLE XXV
ADDITIONAL MONTORING PROVISIONS

25.1. Cooperation with Audits and Inquiries, Confidentiality. Pursuant to ARTICLE IX, above, the Grantee is obligated to cooperate with the Grantor and other legal authorities in any audit or inquiry related to the Award. The Grantor or any other governmental authority conducting an audit or inquiry may require the Grantee to keep confidential any audit or inquiry and to limit internal disclosure of the audit or inquiry to those Grantee personnel who are necessary to support the Grantee's response to the audit or inquiry. This confidentiality requirement does not limit Grantee's right to discuss an audit or inquiry with its legal counsel. If a third party seeks to require the Grantee, pursuant to any law, regulation, or legal process, to disclose an audit or inquiry that has been deemed confidential by the Grantor or other governmental authority, the Grantee must promptly notify the entity that is conducting the audit or inquiry of such effort so that the entity that is conducting the audit or inquiry may seek a protective order, take other appropriate action, or waive compliance by the Grantee with the confidentiality requirement.

ARTICLE XXVI
ADDITIONAL INTEREST PROVISIONS

26.1. Interest Earned on Grant Funds. Interest earned on Grant Funds in an amount up to $500 per year may be retained by the Grantee for administrative expenses unless otherwise provided in **PART THREE**. Any additional interest earned on Grant Funds above $500 per year must be returned to the Grantor pursuant to Paragraphs 4.3 and 29.2 herein, or as otherwise instructed by the Grant Manager or as set forth in **PART THREE**. All interest earned must be expended prior to Grant Funds. Any unspent Grant Funds or earned interest unspent must be returned as Grant Funds to the Grantor as described in Paragraphs 4.3 and 29.2 herein. All interest earned on Grant Funds must be accounted for and reported to the Grantor as provided in ARTICLE X herein. If applicable, the Grantor will remit interest earned and returned by Grantee to the U.S. Department of Health and Human Services

Payment Management System through the process set forth at 2 CFR 200.305(b)(12), or as otherwise directed by the federal awarding agency. The provisions of this Paragraph are inapplicable to the extent any statute, rule or program requirement provides for different treatment of interest income. Any provision that deviates from this paragraph is set forth in **PART THREE**.

ARTICLE XXVII
ADDITIONAL BUDGET PROVISIONS

27.1. Restrictions on Line Item Transfers. Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

ARTICLE XXVIII
ADDITIONAL REPRESENTATIONS AND WARRANTIES

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

(a) That it has no public or private interest, direct or indirect, and will not acquire, directly or indirectly any such interest which does or may conflict in any manner with the performance of the Grantee's services and obligations under this Agreement;

(b) That no member of any governing body or any officer, agent or employee of the State, has a personal financial or economic interest directly in this Agreement, or any compensation to be paid hereunder except as may be permitted by applicable statute, regulation or ordinance;

(c) That there is no action, suit or proceeding at law or in equity pending, nor to the best of Grantee's knowledge, threatened, against or affecting the Grantee, before any court or before any governmental or administrative agency, which will have a material adverse effect on the performance required by this Agreement;

(d) That to the best of the Grantee's knowledge and belief, the Grantee, its principals and key project personnel:

(i) Are not presently declared ineligible or voluntarily excluded from contracting with any federal or State department or agency;

(ii) Have not, within a three (3)-year period preceding this Agreement, been convicted of any felony; been convicted of a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract under a public transaction; had a civil judgment rendered against them for commission of fraud; been found in violation of federal or state antitrust statutes; or been convicted of embezzlement, theft, larceny, forgery, bribery, falsification or destruction of records, making a false statement, or receiving stolen property;

(iii) Are not presently indicted for, or otherwise criminally or civilly charged, by a government entity (federal, state or local) with commission of any of the offenses enumerated in subparagraph (ii) of this certification; and

(iv) Have not had, within a three (3)-year period preceding this Agreement, any judgment rendered in an administrative, civil or criminal matter against the Grantee, or any entity

associated with its principals or key personnel, related to a grant issued by any federal or state agency or a local government.

Any request for an exception to the provisions of this subparagraph (d) must be made in writing, listing the name of the individual, home address, type of conviction and date of conviction; and

(e) Grantee certifies that it is not currently operating under, or subject to, any cease and desist order, or subject to any informal or formal regulatory action, and, to the best of Grantee's knowledge, that it is not currently the subject of any investigation by any state or federal regulatory, law enforcement or legal authority. Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX
ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq*. (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX
ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (**Exhibits A**, **B** and **D**).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A**, **B** and **D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

This affidavit must be filed with the Illinois Office of the Comptroller as an attachment to this Agreement.

33.2. Historic Preservation Act (20 ILCS 3420/1 *et seq.*). The Grantee must not expend Grant Funds under this Agreement for any project, activity, or program that can result in changes in the character or use of historic property, if any historic property is located in the area of potential effects without the approval of the Illinois Department of Natural Resources, Historic Preservation Division. 20 ILCS 3420/3(f).

The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 *et seq.*). Any failure on behalf of the Grantee to comply with all applicable provisions of the Equal Pay Act of 2003, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.6. Business Enterprise for Minorities, Women, and Persons with Disabilities Act and Illinois Human Rights Act (30 ILCS 575/0.01; 775 ILCS 5/2-105). The Grantee acknowledges and hereby certifies compliance with the provisions of the Business Enterprise for Minorities, Women, and Persons with Disabilities Act, and the equal employment practices of Section 2-105 of the Illinois Human Rights Act for the provision of services which are directly related to the Award activities to be performed under this Agreement.

33.7. Identity Protection Act (5 ILCS 179/1 *et seq.*) and Personal Information Protection Act (815 ILCS 530/1 *et seq.*). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(a) Personal Information Defined. As used herein, “Personal Information” shall have the definition set forth in the Personal Information Protection Act, 815 ILCS 530/5 (“PIPA”).

If Grantee provides any contractor or agent with access to Personal Information, it must require the contractor or agent to comply with the provisions of this Paragraph.

(c) Security Assurances. Grantee represents and warrants that it has established and will maintain safeguards against the loss and unauthorized access, acquisition, destruction, use, modification, or disclosure of Personal Information and shall otherwise maintain the integrity of Personal Information in its possession in accordance with any federal or state law privacy requirements, including PIPA. These safeguards must be reasonably designed to (i) ensure the security and confidentiality of the Personal Information, (ii) protect against any anticipated threats or hazards to the security or integrity of Personal Information, and (iii) protect against unauthorized access to or use of Personal Information. Additionally, Grantee will have in place policies, which provide for the secure disposal of documents and information which contain Personal Information, including but not limited to shredding documents and establishing internal controls over the authorized access to such information. 815 ILCS 530/40.

(d) Breach Response. In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) Injunctive Relief. Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) Compelled Access or Disclosure. The Grantee may disclose Personal Information if it is compelled by law, regulation, or legal process to do so, provided the Grantee gives the Grantor at least ten (10) days' prior notice of such compelled access or disclosure (to the extent legally permitted) and reasonable assistance if the Grantor wishes to contest the access or disclosure.

ARTICLE XXXVII
GRANT-SPECIFIC TERMS/CONDITIONS

37.1. Federal Award Project Description. This Agreement applies to funds appropriated for Program Year (PY) 2025 for Workforce Innovation and Opportunity Act Title I State formula-funded Youth, Adult, and Dislocated Worker programs awarded by the U.S. Department of Labor ("USDOL") Employment and Training Administration ("ETA").

Is Award for R&D? No

Grant is a subaward? Yes

37.2. Performance Goals. The levels of performance for the Workforce Innovation and Opportunity Act ("WIOA" or the "Act") performance measures included in the Workforce Investment Plan submitted by the Grantee and incorporated by reference in this Agreement in the Exhibits herein, reflect the negotiated goals as agreed by the Grantor and the Local Workforce Innovation Area. USDOL has the option to raise the Grantor's state-level performance goals for any of these measures. These goals referred to in the Exhibits are subject to modification by the Grantor if the Grantor is required by USDOL to raise its state-level performance goals. In such event, the goals

for such measures may be increased on a proportional basis by the minimum amount required to ensure that the collective planned levels of performance for all Local Workforce Innovation Areas is equal to the revised state-level performance goals as imposed by USDOL. Any changes necessitated as a result of the imposition of performance goals by USDOL, will not be subject to renegotiation with the Local Workforce Innovation Board or the Chief Elected Official.

37.3. Veteran's Priority Provisions. 38 U.S.C. 4215 requires Grantee to provide priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by USDOL. The regulations implementing this priority of service can be found at 20 CFR Part 1010. In circumstances where Grantee must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the Grantee give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. Grantee must comply with USDOL guidance on veterans' priority. ETA's Training and Employment Guidance Letter ("TEGL") No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by USDOL. TEGL No. 10-09 is available at https://www.dol.gov/agencies/eta/advisories/training-and-employment-guidance-letter-no-10-09.

37.4. Funding Allotments. The Adult and Dislocated Worker programs receive funding allotments from two Federal Fiscal Years (FFY). The first funding allotment becomes available for obligation on July 1; this portion is commonly referred to as the "base" funds. The second funding allotment becomes available for obligation on October 1; this portion is commonly referred to as "advance" funds. **No "advance" funds issued on October 1 (*i.e.*, future fiscal year appropriations) can be used to pay prior fiscal year expenditures.** The Grantee must comply with expenditure limits outlined in the funding breakdown contained in the Grantor's WIOA Notice No. 24-NOT-04, as applicable.

37.5. Federal Grant Requirements. This Award is subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards at 2 CFR Parts 25, 170, 183 and 200 (the "Uniform Requirements"), which supersede those federal Office of Management and Budget ("OMB") guidance documents and regulations specified at 2 CFR 200.104. Any specific exceptions to the Uniform Requirements adopted by USDOL may be found at 2 CFR Part 2900. TEGL No. 11-24 contains the federal program requirements associated with this Award. This TEGL and all applicable amendments are hereby incorporated into this Award. Grantee is bound by the authorizations, restrictions and requirements contained in TEGL No. 11-24 and all applicable amendments thereto. Therefore, the expenditure of Grant Funds by the Grantee certifies that the Grantee has read and will comply with all the parts of TEGL No. 11-24 that are applicable to this Award and to the Grantee.

37.6. Compliance With Program Specific Laws And Regulations. The Grantee agrees to comply with the requirements of the Act, and with the regulations and policies promulgated thereunder by the federal government, including, but not limited to, TEGL No. 11-24, and with the requirements and policies of Grantor. Grant Funds must be expended in accordance with all applicable federal statutes, regulations and policies, the applicable approved WIOA State plan, including approved modifications and amendments to the plan, any waiver plan approved under WIOA Section 189(i)(3) or Workforce Flexibility (Workflex) plan approved under WIOA Section 190, the negotiated performance levels and policies established pursuant to the USDOL Secretary's authority under WIOA Section 116 and the applicable provisions in the appropriations act(s). The Grantee further agrees that this Agreement is subject to such modifications which Grantor determines may be required by federal or State law, rules, or regulations applicable to this Agreement. Any such required modifications shall be incorporated into and be a part of this Agreement as if fully set forth herein.

(a) Award Authorities. The following authorities apply to the activities under this Award. (ii) Other applicable federal statutes;
(iii) Full-Year Continuing Appropriations and Extensions Act, 2025 (March 15, 2025, P.L. 119-4 which appropriates funding at the level in P.L. 118-47, with certain exceptions);
(iv) Implementing regulations;
(v) Executive Orders and Presidential Memoranda;
(vi) The Office of Management and Budget (OMB) Guidance, including the Uniform Guidance at 2 CFR Part 200 and USDOL regulations at 2 CFR Part 2900;

(a) Method of Compensation. The method of compensation shall be in accordance with the applicable State laws relative to such compensation by which the Grantor is governed. All payment requests submitted by the Grantee shall be reviewed by the Grantor to ensure that such requests are:

(i) in accordance with the approved Award Budget;
(ii) in accordance with the provisions of this Agreement and any special terms and conditions of approved funding requests. Any expenditure of Grant Funds which does not comply with these provisions will be subject to the enforcement remedies at 2 CFR 200.339.

(i) Reimbursement Limitation. The Grantee cannot be reimbursed for costs incurred in excess of the total approved Grant Budget. The Grantee may be reimbursed for costs exceeding amounts budgeted by specific cost categories only in accordance with provisions of Articles VI, XXVII and XXX.

(ii) Budget Modifications. The Grantee must obtain approval prior to incurring expenditures which necessitate a change in the approved Grant Budget, unless permitted as a discretionary line item transfer pursuant to paragraphs 6.2 and 27.1 herein. The Grantor reserves the right to withhold funds for such expenditures until a revised Budget has been submitted by the Grantee and approved by the Grantor, subject to the following:

- Pursuant to paragraph 6.2 herein, Grantor hereby approves a variance of up to 20% for each of the following Budget cost categories within the same subprogram under this Award (*i.e.*, Administration, Adult, Dislocated Worker, Youth In-School and Youth Out-of-School).
    - Personnel;
    - Fringe Benefits;
    - Other Administration/Other Program Costs;
    - Direct Training Costs; and
    - Work Based Training.

  In no event may such transfers in these specific cost categories result in an increase to the total Budget without prior written Grantor approval. Transfers of Grant Funds between subprograms require Grantor approval through a grant amendment.

- Indirect Costs: Due to the limitation on administrative costs as set forth in subparagraph (b)(iii), below, Grantee is required to obtain prior Grantor written approval for *any change* in allocation of Grant Funds to the following cost categories in the Budget under this Award:

(iv) Overpayment. In addition to the return of unspent Grant Funds at the end of the expiration of this Agreement pursuant to Paragraph 4.3 herein, the Grantee agrees to repay the Grantor for any funds that are determined by the Grantor to have been spent improperly in accordance with applicable regulations or rules.

(v) Supportive Services & Participant Support Costs. If Grantor approves of supportive services as part of Grantee's Budget, costs must meet the basic considerations at 2 CFR 200.402 – 200.411.

(vi) Consultants. Such costs must be reasonable, allocable and allowable to the program. Consultants are subject to the subcontracts/subgrants requirements included in ARTICLE XIV, herein.

(vii) Salary and Bonus Limitations. No Grant Funds shall be used by Grantee to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II. The Executive Level II salary may change yearly and is located on the OPM.gov website (https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/). The salary and bonus limitation does not apply to contractors (vendors) providing goods and services as defined in 2 CFR 200.331. *See* TEGL 10-24 for additional information.

(viii) Publicity. Grantee is not authorized to use any Grant Funds—other than for normal and recognized executive–legislative relationships—for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation, designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

37.8. Accounting/Fiscal Control Requirements. Fund accounting procedures shall be established as may be necessary to assure the proper expenditure of an accounting for federal funds paid by the Grantor to the Grantee, or any of its subrecipients, under this program, including procedures for monitoring the assistance provided under this program.

37.9. WIOA Infrastructure. All one-stop partner programs, including all programs that are funded under Title I of WIOA, are required to contribute to the infrastructure costs and certain additional costs of the one-stop delivery system in proportion to their use and relative benefits received as required in 20 CFR 678.700 and 20 CFR

678.760. The sharing and allocation of infrastructure costs between one-stop partners is governed by WIOA Section 121(h), WIOA's implementing regulations, 2 CFR Part 200 and USDOL's exceptions at 2 CFR Part 2900.

37.10. Evaluation, Data and Implementation. Grantee must cooperate with Grantor and USDOL in the implementation of a third-party evaluation and for national reporting purposes, including, but not limited to, providing USDOL or its authorized contractor with appropriate data and access to program operating personnel and participants in a timely manner.

37.11. Travel Regulations. Costs in accordance with 2 CFR 200.475 and the latest State of Illinois Travel Regulations or such reasonable travel policies approved and adopted by the Grantee are allowable for expenses for transportation, lodging, subsistence, and related items incurred by Grantee's employees who are in travel status on official business necessary to the grant program. Pursuant to 2 CFR 200.475(a), Grantee must have policies and procedures in place related to travel costs. If State of Illinois Travel Regulations are not followed by the Grantee, the Grantee must have on file its approved travel policy for reference by the Grantor, the Comptroller of the State of Illinois, Comptroller General of the United States, or any of their duly authorized representatives. Provided, however, that travel expenses which exceed limitations established by federal statute or regulation (including OMB circulars, etc.) applicable to this Agreement are not allowable costs under this Agreement. This Award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.475 as long as such costs are approved by Grantor through Grantee's Budget submission. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the Grantee's written policies and procedures. *See also* 30 ILCS 708/130.

(a) For reimbursement on a mileage basis, this Award cannot be charged more than the maximum allowable mileage reimbursement rates for federal employees. Mileage rates must be checked annually at www.gsa.gov/mileage to ensure compliance. The Grantee must retain receipts on file as source documentation for travel expenses of its employees.

(b) Grant Funds cannot be used for foreign travel.

(c) All travel must comply with the Fly America Act (49 U.S.C. 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with a U.S. Flag air carrier if service provided by such carrier is available.

37.12. Requirements to Provide Certain Information in Public Communications. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, all non-federal entities receiving federal funds shall clearly state: (1) the percentage of the total costs of the program or project which will be financed with federal money; (2) the dollar amount of federal funds for the project or program; and (3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources. The requirements in this paragraph are separate from those in 2 CFR Part 200 and, when appropriate, both must be complied with.

37.13. Reports Required. The Grantee shall submit programmatic and expenditure reports as required pursuant to written direction issued by the Grantor to the Grantee.

37.14. Monitoring And Evaluation. Grantor will periodically monitor and evaluate programmatic activities and the financial records pursuant to this Agreement. The Grantee will be monitored for compliance with all applicable federal and State laws, regulations, and rules, and Grantor policies applicable to this Agreement. The Grantee's performance will be assessed to gauge its impact upon the target population and for the effective and efficient utilization of the Grant Funds. Assessments will occur both during the operation of the program and upon its completion.

37.15. Equipment and Property Management. The Grantee must receive prior written approval from the Grantor to purchase any equipment as defined in 2 CFR 200.1. Receiving this Award does not automatically mean that the Grantee is approved for the equipment specified in the Grantee's application unless the equipment is

specifically mentioned in the Budget approved by the Grantor. Equipment purchases, which are approved by Grantor, must be made and disposed of in accordance with 2 CFR 200.313 or 2 CFR 200.439.

37.16. Managing Subawards and Subrecipients.

(a) Monitoring. The Grantee is responsible for the monitoring of any approved subrecipient, ensuring that the terms and conditions of this Agreement are in all subaward packages and that the subrecipient is in compliance with all applicable regulations and the terms and conditions of this Award. 2 CFR 200.101(b); 2 CFR 200.332. *See also* ARTICLE XIV, herein.

(b) Requirement for Unique Entity Identifier. If Grantee is authorized to make a subaward, Grantee must notify potential subrecipients that no entity may receive a subaward from Grantee unless the entity has provided its Unique Entity Identifier to Grantee and to Grantor. Grantee and its subrecipients must maintain the currency of their information in the System for Award Management ("SAM") until Grantee submits the final financial report required under this Award or receives the final payment, whichever is later. This requires Grantee to review and update the information at least annually after the initial registration, and more frequently if required by changes in Grantee's information or another Award Term.

Additional information about registration procedures may be found at the SAM Internet site (currently at http://www.sam.gov).

37.17. Program Income. The "addition" method as described in 2 CFR 200.307 must be used in allocating any program income generated for this Award. Grantee must expend all program income prior to requesting additional funds as required at 2 CFR 200.305(b)(5) and 2 CFR 200.307(a). Any program income remaining at the end of the Award Term must be returned to Grantor. Reporting of program income and program income expenditures must be included on Grantee's periodic financial reports.

37.18. Procurement. The Grantee must follow the procurement standards as established in 2 CFR §§ 200.317 – 200.327 when purchasing goods and services using Grant Funds. Grantee shall ensure compliance with 2 CFR 200.323, if applicable, and must ensure that every purchase order or other contract includes any clauses required by 2 CFR 200.327. In addition, Grantee must follow the procurement requirements at 2 CFR 200.319, which calls for free and open competition. Grantee also must follow the requirements regarding the competitive award of one-stop operators in WIOA Sections 121(d) and 123. Effective October 1, 2018, pursuant to Office of Management and Budget Memorandum M-18-18, dated June 20, 2018, the federal financial assistance awards threshold for micro-purchases increased to $10,000 and the threshold for simplified acquisitions increased to $250,000.

37.19. Equal Participation of Faith-Based Organizations and Written Notice of Beneficiary Protections. USDOL, with eight other agencies, issued the final rule, Partnerships With Faith-Based and Neighborhood Organizations, on March 4, 2024. *See* 29 CFR 2.30 – 2.41.

(a) Under this final rule, a faith-based organization that participates in this award program retains its independence from federal, State and local governments and may continue to carry out its mission consistent with religious freedom and conscience protections in federal law.

(b) A faith-based organization may not use direct Federal Financial Assistance, whether received through an award or subaward, to support or engage in any explicitly religious activities. An organization receiving Federal Financial Assistance also must not, in providing services funded by USDOL, or in conducting outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice.

(c) *Notice to beneficiaries of programs supported by direct Federal Financial Assistance*. Any organization providing services to beneficiaries under programs supported by direct Federal Financial Assistance from USDOL, and any entity responsible for disbursing federal funds as part of a program of

indirect Federal Financial Assistance administered by USDOL, must give the written notice shown below to beneficiaries and prospective beneficiaries:

Name of Organization:
Name of Program:
Type of Federal Financial Assistance: Direct
Contact Information for Program Staff: (name, phone number, and email address, if appropriate)
Because this program is supported in whole or in part by financial assistance from the federal government, we are required to let you know that:

(1) We may not discriminate against you on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice;
(2) We may not require you to attend or participate in any explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization) that are offered by our organization, and any participation by you in such activities must be purely voluntary;
(3) We must separate in time or location any privately funded explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization) from activities supported with direct Federal Financial Assistance;
(4) You may report violations of these protections, including any denials of services or benefits by an organization, by contacting or filing a written complaint with the U.S. Department of Labor's Civil Rights Center, 200 Constitution Avenue NW, Room N-4123, Washington, DC 20210, or by email to CRCExternalComplaints@dol.gov; and
(5) If you would like to seek information about whether there are any other federally funded organizations that provide these kinds of services in your area, please call toll-free 1-877-US2-JOBS (1-877-872-5627) or TTY 1-877-889-5627.

This written notice must be given to you before you enroll in the program or receive services from the program, unless the nature of the service provided or exigent circumstances make it impracticable to provide such notice before we provide the actual services. In such an instance, this notice must be given to you at the earliest available opportunity.

37.20. Harassment Prohibited. Grantee and its subrecipients are prohibited from engaging in harassment of an individual based on race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, based on citizenship status or participation in any WIOA Title I-financially assisted program or activity. Harassing conduct of this type is a violation of the nondiscrimination provisions of WIOA and of 29 CFR Part 38.

(a) Unwelcome sexual advances, requests for sexual favors, or offensive remarks about a person's race, color, religion, sex, national origin, age, disability, political affiliation or belief, or citizenship or participation, and other unwelcome verbal or physical conduct based on one or more of these protected categories constitutes unlawful harassment on that basis when:

(i) Submission to such conduct is made either explicitly or implicitly a term or condition of accessing the aid, benefit, service, or training of, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity;

(ii) Submission to, or rejection of, such conduct by an individual is used as the basis for limiting that individual's access to any aid, benefit, service, training, or employment from, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity; or

(iii) Such conduct has the purpose or effect of unreasonably interfering with an individual's participation in a WIOA Title I-financially assisted program or activity creating an intimidating, hostile or offensive program environment.

(b) Harassment because of sex includes harassment based on gender identity or sexual orientation; harassment based on failure to comport with sex stereotypes; and harassment based on pregnancy, childbirth, and related medical conditions. Sex-based harassment may include harassment that is not sexual in nature but that is because of sex or where one sex is targeted for the harassment.

37.21. Intellectual Property Rights.

(a) The federal government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: (i) the copyright in all products developed under the Award, including a subaward or contract under the Award or subaward; and (ii) any rights of copyright to which the Grantee, subrecipient or a contractor purchases ownership under an Award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or license fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Grantor or USDOL has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated through selling products developed with Grant Funds, including intellectual property, these revenues are considered program income. Program income must be used in accordance with the provisions of this Award and 2 CFR 200.307.

If applicable, the following must be on all workforce products developed in whole or in part with Grant Funds:

"This workforce product was funded by a grant awarded by the U.S. Department of Labor (DOL)'s Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of DOL. DOL makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it."

(b) Intellectual Property, Open Licensing Rights, and the Bayh-Dole Act. Pursuant to 2 CFR 2900.13, any intellectual property developed under a discretionary federal award process must be licensed under an open license, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and attribute the work in the manner specified by the Grantee.

All small business firms and non-profit organizations (including Institutes of Higher Education) must adhere to the Bayh-Dole Act, which requirements are provided at 37 CFR 401.3(a) and at https://www.dol.gov/sites/dolgov/files/ETA/grants/pdfs/BayhDoleGrantTerm.pdf. These requirements describe the ownership of intellectual property rights and the federal government's nonexclusive, nontransferable, irrevocable, paid-up license to use any invention conceived or first actually reduced to practice in the performance of work under this Award. These requirements are in addition to the intellectual property rights terms provided elsewhere in this Agreement.

37.22. Personally Identifiable Information. In addition to the requirements of Paragraph 33.7 herein, Grantee must recognize and safeguard personally identifiable information ("PII"), as required by both State and federal laws, except where disclosure is allowed by prior written approval of the Grantor, the USDOL Grant Officer or by court order. Grantee must meet the requirements in TEGL No. 39-11, Guidance on the Handling and Protection of Personally Identifiable Information (PII) and the State's WIOA Policy 8.2.2, Privacy and Security (Personally Identifiable Information).

37.23. Reporting Waste, Fraud and Abuse. No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or

statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a federal department or agency authorized to receive such information.

37.24. Whistleblower Protection. This Award and all employees working for contractors, grantees, subcontractors or recipients of cooperative agreements working on this Award are subject to the whistleblower rights and remedies established at 41 U.S.C. 4712. The Grantee shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in sections 3.900-3.906 of the Federal Acquisition Regulation (note that for the purpose of this term and condition, use of the term "contract," "contractor," "subcontract," or "subcontractor" in section 3.908 should be read as "grant," "grantee," "subgrant," or "subgrantee."). The Grantee shall insert the substance of this provision in all subgrants and contracts over the Simplified Acquisition Threshold.

37.25. Prohibition on Trafficking in Persons. This Agreement may be terminated without penalty, if the Grantee, Grantee's employees, subrecipients, or subrecipient employees: (i) engages in severe forms of trafficking in persons during the period of time that this Award is in effect; (ii) procures a commercial sex act during the period of time that this Award is in effect; (iii) uses forced labor in the performance of the Award or any subaward; or (iv) engages in acts that directly support o advance trafficking in persons. Grantee must inform the Grantor immediately of any information Grantee receives from any source alleging a violation of this provision. Any subaward to a private entity must include the requirements of this paragraph.

(a) "Severe forms of trafficking in persons," "commercial sex act," "sex trafficking," "abuse or threatened abuse of law or legal process," "coercion," "debt bondage," and "involuntary servitude" have the meanings given at section 103 of the Trafficking Victims Protection Act ("TVPA"), as amended (22 U.S.C. 7102).

(b) "Forced labor" means labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

(c) "Employee" means either: (i) An individual employed by Grantee or a subrecipient who is engaged in the performance of the project or program under this Award; or (ii) Another person engaged in the performance of the project or program under this Award and not compensated by Grantee including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.

(d) "Private entity" means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 CFR 175.25 and includes: (i) a non-profit organization, including any non-profit institution of higher education, hospital or tribal organization other than one included in the definition of Indian tribe at 2 CFR 175.25(b); or (ii) a for-profit organization.

37.26. Requirements For Conferences and Conference Space. Conferences sponsored in whole or in part by the recipient or subrecipient of federal awards are allowable if the conference is necessary and reasonable for the successful performance of the Award. Recipients and subrecipients are urged to use discretion and judgment to ensure that all conference costs charged to the Award are appropriate and allowable. For more information on the requirements and allowability of costs associated with conferences, refer to 2 CFR 200.432. Grantee will be held to the requirements in 2 CFR 200.432. Costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

37.27. Hotel-Motel Fire Safety. Pursuant to 15 U.S.C. 2225a, the Grantee must ensure that all space for conferences, conventions or training seminars funded in whole or in part with federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (P.L. 101-391, as amended). Grantee may

search the Hotel Motel National Master List at https://apps.usfa.fema.gov/hotel/ to see if a property is in compliance, or to find other information about this Act.

37.28. Executive Order 13043. Seat Belts: Pursuant to Executive Order 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles. Grantee also must comply with the Illinois Vehicle Code (625 ILCS 5/12-603.1).

37.29. Executive Order 13513. Pursuant to Executive Order 13513, Federal Leadership On Reducing Text Messaging While Driving, dated October 1, 2009, Grantee is encouraged to adopt and enforce policies that ban text messaging while driving company-owned or rented vehicles or Government-owned, Government-leased, or Government rented vehicles, or while driving privately-owned vehicles when on official Government business or when performing any work for or on behalf of the Government. Grantee and its subrecipients are also encouraged to conduct initiatives of the type described in section 3(a) of Executive Order 13513. Grantee also must comply with the Illinois Vehicle Code (625 ILCS 5/12-610.2).

37.30. Executive Order 12928. Pursuant to Executive Order 12928, the Grantee is strongly encouraged to provide subcontracting/subgranting opportunities to Historically Black Colleges and Universities and other Minority Institutions such as Hispanic-Serving Institutions and Tribal Colleges and Universities, and to Small Businesses Owned and Controlled by Socially and Economically Disadvantaged Individuals.

37.31. Civil Rights Act of 1964—Title VI, Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons. Pursuant to Title VI of the Civil Rights Act of 1964 and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, Grantee must take reasonable steps to ensure that LEP persons have meaningful access to programs in accordance with USDOL's Policy Guidance on the Prohibition of National Origin Discrimination as it Affects Persons with Limited English Proficiency, 68 FR 32289 (May 29, 2003); *see also* Appendix to 29 CFR 38.9—Guidance to Recipients. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Grantee is encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding LEP obligations, go to http://www.lep.gov.

37.32. Buy American Act. Grant Funds must be expended consistent with the requirements of 41 U.S.C. 8301-8303, commonly referred to as the Buy American Act ("BAA"). *See* WIOA Section 502(a), 29 U.S.C. 3342(a). In the case of any equipment or product that may be authorized to be purchased with financial assistance provided using funds made available under WIOA Title I, it is the sense of Congress that entities receiving the assistance should, in expending the assistance, purchase only American-made equipment and products.

37.33. Health Benefits Coverage for Contraceptives. Federal funds may not be used to enter into or renew a contract which includes a provision for prescription drug coverage unless the contract also includes a provision for contraceptive coverage. This requirement does not apply to contracts with (a) the religious plans of Personal Care's HMO and OSF HealthPlans, Inc. and (b) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs. In implementing this Paragraph, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individual's religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion-related services.

37.34. Restriction on Health Benefit Coverage for Abortions. Federal funds may not be expended for health benefits coverage that includes coverage of abortions, except when the abortion is due to a pregnancy that is the result of rape or incest, or in the case where a woman suffers from a physical disorder, physical injury, including life-endangering physical conditions caused by or arising from the pregnancy itself that would, as certified by a physician, place the woman in danger of death unless an abortion is performed. This restriction does not prohibit any non-Federal entity from providing health benefits coverage for abortions when all funds for that specific benefit

do not come from a federal source. Additionally, no funds made available through this Award may be provided to a State or local government if such government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

37.35. Restrictions Against the Creation or Research of Embryos. No federal funds shall be used for (1) the creation of a human embryo or embryos for research purposes; or (2) research in which a human embryo or embryos are destroyed, discarded, or knowingly subjected to risk of injury or death greater than that allowed for research on fetuses in utero under 45 CFR 46.204(b) and section 498(b) of the Public Health Service Act (42 U.S.C. 289g(b)). For purposes of this section, the term "human embryo or embryos" includes any organism, not protected as a human subject under 45 CFR 46 as of March 23, 2024, that is derived by fertilization, parthenogenesis, cloning, or any other means from one or more human gametes or human diploid cells.

37.36. Restriction on the Promotion of Drug Legalization. No federal funds shall be used for any activity that promotes the legalization of any drug or other substance included in Schedule I of the schedules of controlled substances established under Section 202 of the Controlled Substances Act except for normal and recognized executive-congressional communications or where there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine the therapeutic advantage.

37.37. Restriction on Purchase of Sterile Needles or Syringes. No federal funds shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug. This limitation does not apply to the use of funds for elements of a program other than making such purchases if the relevant State or local health department, in consultation with the Centers for Disease Control and Prevention, determines that the State or local jurisdiction, as applicable, is experiencing, or is at risk for, a significant increase in hepatitis infections or an HIV outbreak due to injection drug use, and such program is operating in accordance with State and local law.

37.38. Requirement for Blocking Pornography. No federal funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

37.39. Flood Insurance. The Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4001 *et seq*., provides that no federal financial assistance to acquire, modernize, or construct property may be provided in identified flood-prone communities in the United States, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within 1 year of the identification. The flood insurance purchase requirement applies to both public and private applicants for USDOL support. Lists of flood-prone areas that are eligible for flood insurance are published in the Federal Register by the Federal Emergency Management Agency (FEMA).

37.40. Architectural Barriers. The Architectural Barriers Act of 1968, 42 U.S.C. 4151 *et seq*., as amended, the Federal Property Management Regulations (*see* 41 CFR 102-76), and the Uniform Federal Accessibility Standards issued by the U.S. General Services Administration (GSA) (*see* 36 CFR 1191, Appendices C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with Grant Funds support must comply with these requirements.

37.41. Prohibition on Contracting with Corporations with Unpaid Tax Liabilities. Grantee may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

37.42. Prohibition on Contracting with Corporations with Felony Criminal Convictions. The Grantee may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant

to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any federal law within the preceding 24 months.

37.43. Prohibition on Procuring Goods Obtained Through Child Labor. No Grant Funds may be obligated or expended for the procurement of goods mined, produced, manufactured, or harvested or services rendered, in whole or in part, by forced or indentured child labor in industries and host countries identified by USDOL prior to December 29, 2022. USDOL has identified these goods and services here: http://www.dol.gov/agencies/ilab/reports/child-labor/list-of-products.

37.44. Violation of the Privacy Act. Grant Funds cannot be used in contravention of 5 U.S.C. § 552a (Privacy Act) or regulations implementing the Privacy Act.

37.45. Drug-Free Workplace. The Drug-Free Workplace Act of 1988, 41 U.S.C. 702 *et seq*., and 2 CFR 182 require that all organizations receiving awards from any federal agency maintain a drug-free workplace. The Grantee must notify the Grantor if an employee of the Grantee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension, termination, or debarment.

37.46. Restriction on Lobbying/Advocacy. No Grant Funds may be used by Grantee to pay the salary or expenses of Grantee or any subrecipient, or agent acting for Grantee or such subrecipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or executive order proposed or pending before the Congress or any state government, state legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

37.47. Conflict of Interest Policy. Grantee is required to have a written policy in place on conflicts of interest, including organizational conflicts of interest. The policy must include the process the Grantee will take to identify, avoid, remove, and remedy real or potential conflicts of interest.

37.48. Fair Labor Standards Act Amendment for Major Disasters. The Fair Labor Standards Act of 1938 ("FLSA") will apply as if the following language was added to section 7 (the Maximum Hours Worked Section). This language specifically relates to occurrences of a major disaster (as designated by the State or federal government) and are applied for a period of two years afterwards. The language is as follows:

> (s)(1) The provisions of this section [maximum hours worked] shall not apply for a period of 2 years after the occurrence of a major disaster to any employee--
>
> (A) employed to adjust or evaluate claims resulting from or relating to such major disaster, by an employer not engaged, directly or through an affiliate, in underwriting, selling, or marketing property, casualty, or liability insurance policies or contracts;
>
> (B) who receives from such employer on average weekly compensation of not less than $591.00 per week or any minimum weekly amount established by the Secretary, whichever is greater, for the number of weeks such employee is engaged in any of the activities described in subparagraph (C); and
>
> (C) whose duties include any of the following:
>
> (i) interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians;
>
> (ii) inspecting property damage or reviewing factual information to prepare damage estimates;
>

(ii) Appendix III to 2 CFR Part 200 governs Indirect Cost Rate Proposals for public and private institutions of higher education,

(iii) Appendix IV to 2 CFR Part 200 governs Indirect (F&A) Costs Identification and Assignment, and Rate Determination for Nonprofit Organizations, and

(iv) Appendix V to 2 CFR Part 200 governs state/Local Government-wide Central Service Cost Allocation Plans.

(c) A grantee who has a current, applicable rate negotiated by a cognizant federal agency must provide to Grantor a copy of its Indirect Cost Rate acceptance letter from the federal government and a copy of all documentation regarding the allocation methodology for costs used to negotiate that

rate, e.g., without limitation, the cost policy statement or disclosure narrative statement. Grantor will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

(d) A grantee who does not have a current negotiated rate, may elect to charge a *de minimis* rate up to 15 percent of modified total direct costs, which may be used indefinitely. No documentation is required to justify the *de minimis* Indirect Cost Rate. 2 CFR 200.414(f).

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. 2 CFR 200.451.

7.4. Commercial Organization Cost Principles. The federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.5. Financial Management Standards. The financial management systems of Grantee must meet the following standards:

(a) **Accounting System**. Grantee organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each state- and federally-funded Program. Accounting records must contain information pertaining to State and federal pass-through awards, authorizations, Obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other Grant Funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger. To comply with 2 CFR 200.305(b)(9) and 30 ILCS 708/97, Grantee must use reasonable efforts to ensure that funding streams are delineated within Grantee's accounting system. 2 CFR 200.302.

(b) **Source Documentation**. Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation must be clearly identified with the Award and general ledger accounts which are to be charged or credited.

(i) The documentation standards for salary charges to Grants are prescribed by 2 CFR 200.430, and in the cost principles applicable to the Grantee's organization.

(ii) If records do not meet the standards in 2 CFR 200.430, then Grantor may notify Grantee in **PART TWO**, **PART THREE** or **Exhibit E** of the requirement to submit personnel activity reports. 2 CFR 200.430(g)(8). Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control**. Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in

place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control**. Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management**. Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

7.6. Profits. It is not permitted for any person or entity to earn a Profit from an Award. See, e.g., 2 CFR 200.400(g); see also 30 ILCS 708/60(a)(7).

7.7. Management of Program Income. Grantee is encouraged to earn income to defray Program Costs where appropriate, subject to 2 CFR 200.307.

ARTICLE VIII
LOBBYING

8.1. Improper Influence. Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

8.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

8.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

8.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over $25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

8.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

8.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person

who fails to file the required certifications will be subject to a civil penalty of not less than $10,000, and not more than $100,000, for each such failure.

ARTICLE IX

Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

9.2. Accessibility of Records. Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

9.3. Failure to Maintain Books and Records. Failure to maintain adequate books, records and supporting documentation, as described in this ARTICLE, will result in the disallowance of costs for which there is insufficient supporting documentation and also establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

9.4. Monitoring and Access to Information. Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements, including applicable programmatic rules, regulations, and guidelines that the Grantor promulgates or implements, and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantor may make site visits as warranted by Program needs. 2 CFR 200.329; 200.332. Additional monitoring requirements may be in **PART TWO** or **PART THREE**.

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

10.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

ARTICLE XII

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal Awards, Grantee is subject to the following audit requirements:

The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. 12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV

SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the

Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose.

Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

PROJECT DESCRIPTION

Grantee must complete the Award Activities described on this **Exhibit A**, the Deliverables and Milestones listed on **Exhibit B** and the Performance Measures listed on **Exhibit D** within the term of this Agreement, as provided in Paragraph 2.1, herein.

AUTHORITY: The Grantor is authorized to make this Award pursuant to National Apprenticeship Act (29 U.S.C. 50).

The purpose of this authority is as follows:

The National Apprenticeship Act and the Consolidated Appropriations Act, 2023, Public Law 117-328 authorize the United States Department of Labor to award State Apprenticeship Grants

PROJECT DESCRIPTION:

BACKGROUND

Illinois received a grant award from the United States Department of Labor ("USDOL") under *Funding Opportunity Announcement 25-31, as amended* ("FOA-ETA-25-31") to increase the State's ability to serve, improve, and strategically expand the national apprenticeship system.

The State of Illinois Workforce Innovation Board ("IWIB") has developed the *Apprenticeship Illinois* framework that focuses on expanding apprenticeships and work-based learning/training opportunities. Workforce strategies like registered apprenticeship programs ("RAPs") help ensure a robust approach by connecting job seekers to quality employment in priority industry sectors. RAPs are an industry-driven, flexible training model that can be customized to meet the needs of businesses across multiple industries and enable employers to develop and train their future workforce while offering career seekers affordable paths to secure quality, high-paying jobs. RAPs are vetted, approved, and validated by the USDOL.

Because the apprenticeship model is employer-driven, successful and sustained apprenticeship expansion requires effective business engagement strategies. Apprenticeship Specialists expand employer participation in Registered Apprenticeships and other work-based learning (WBL) programs that lead to apprenticeship opportunities. Awareness and education are vital to helping businesses understand the value of apprenticeship and how it can provide solutions to their workforce challenges. To increase business outreach capacity, Grantor and the IWIB Work-Based Learning and Apprenticeship Committee instituted the concept of regional Apprenticeship Specialists to build the foundation for apprenticeship expansion and the work-based learning ecosystem in Illinois. Additionally, Apprenticeship Specialists were established to increase capacity for program development and expansion by working with and supporting Apprenticeship Intermediaries and to strengthen workforce partnerships by providing apprenticeship-related training and leadership to their Integrated Business Services Team members.

The Apprenticeship Specialists are a key point of contact in their area for businesses and intermediaries who want to start an apprenticeship program, working with the businesses as well as sponsors, education providers, and other key partners. Between the Specialists and Intermediaries, they create an apprenticeship network by conducting outreach to employers, managing relationships with partners, coordinating regional stakeholders, providing technical assistance to support program design and development, assuming the administrative tasks of being an apprenticeship sponsor, identifying multiple sources of funding, and identifying ways to reduce the risks for employers to implement or expand RAPs and work-based learning.

To sustain and expand the Illinois Apprenticeship Network, the State will focus resources on coordinating the Apprenticeship Specialist roles and responsibilities within the local integrated business service teams that include representatives from the Workforce Innovation and Opportunity Act ("WIOA") core partners and other local workforce, education, and economic development partners.

DEFINITIONS

Registered Apprenticeship: As defined by FOA-ETA-25-31, a Registered Apprenticeship is a proven model of job preparation, validated by USDOL or a USDOL-recognized State Apprenticeship Agency (SAA), which combines paid on-the-job learning (OJL) with related instruction (RI) to progressively increase workers' skill levels and wages. RAPs are also a business-driven model that provide an effective way for employers to recruit, train, and retain highly skilled workers. RAPs allow workforce partners, educators, and employers to develop and apply industry standards to training programs, thereby increasing the quality and productivity of the workforce. RAPs offer job seekers immediate employment opportunities that pay sustainable wages and offer advancement along a career path as they complete their training. Graduates of RAPs receive nationally recognized, portable credentials, and their training may be applied toward further post-secondary education.

Pre-Apprenticeship: Pre-Apprenticeship is defined by FOA-ETA-25-31 as a set of strategies designed to prepare individuals for entry into a RAP. Pre-apprenticeship programs differ from internships, job shadowing, externships, and co-ops, which may also offer individuals an opportunity to experience firsthand a profession or practice, but do not always engage in "real world" experiential learning.

Apprenticeship Intermediaries: Apprenticeship Intermediary organizations often act as apprenticeship program sponsors and perform administrative responsibilities such as registering businesses and apprentices, tracking activities, and reporting results. This eases the burden for businesses, particularly small companies that do not have the personnel to execute such tasks. In this model, the Apprenticeship Intermediary sponsors or administers the apprenticeship or pre-apprenticeship programs, coordinates with employers to hire apprentices, and facilitates the provision of related technical instructions and other components of the program.

Apprenticeship Specialists: Regional Apprenticeship Specialists build capacity by developing and strengthening the knowledge, skills, abilities, processes, and resources that businesses, educational institutions, local workforce areas, and community partners need to create new or expand existing apprenticeship programs. Apprenticeship Specialists will develop at least one sector and regional partnership between interested parties with the common goal of growing the talent pipeline. Specialists should build relationships with regional employers and ease the access to apprenticeship for business and employees as the lead outreach and technical expert in their assigned geographic region. The functions of a Specialist are greater than just one person. Therefore, these Specialist functions must be embedded within the Integrated Business Service Teams.

Talent Pipeline Management: Talent Pipeline Management ("TPM") is an end-to-end talent management process giving employers a framework to organize training needs and to be better partners with education and training providers. TPM consists of six strategies designed to build on each other and support employers in developing a more sophisticated data-and performance-drive approach to education and workforce partnerships resulting in a positive return on investment for employers, workers and training providers.

Integrated Business Service Teams: Local Integrated Business Service Teams promote, market, connect, and provide access to initiatives that allow businesses to access and implement available workforce programs and services applicable to their needs. The Integrated Business Services Team Workgroup created Illinois' Integrated Business Services Framework to coordinate better and support business engagement across the State. It recommended that local workforce areas' business services teams work with other partners to implement the framework. Integrated business service teams successfully implementing this framework are positioned to perform the functions of the Apprenticeship Specialists.

SCOPE OF WORK

The Grantee will implement a program that is in compliance with all requirements of this Agreement and FOA-ETA-25-31 and is focused on the goals listed below to expand registered apprenticeships at the State, regional, and local levels. The specific strategies, tasks and deliverables to accomplish these goals will be outlined in the Project Work Plan.

- Coordinate and expand services to workers and career seekers
- Coordinate and expand services to employers
- Coordinate and expand services to training, education, workforce, and economic development partners
- Planning and system Development

REQUIRED PROGRAM ELEMENTS

The Grantee will take ownership of building the work-based learning and apprenticeship ecosystem within their area or region. This includes implementing the Apprenticeship Illinois program elements designed to ensure statewide consistency, accountability, and impact in creating or expanding RAPs and other work-based learning models.

1. *Regional Expertise and Coordination*

Apprenticeship Specialists must develop and maintain a comprehensive understanding of the existing apprenticeship and work-based learning programs and the broader network of education, workforce, and economic development partners in their region. This includes core WIOA partners, local employers, community colleges, training providers, industry associations, chambers of commerce, economic development agencies, and others engaged to support a skilled workforce pipeline. A key component of this network is the Integrated Business Services Team ("IBST"), which may include any combination of regional partners committed to supporting business engagement and workforce solutions.

Apprenticeship Specialists are expected to actively unify their IBST by promoting a coordinated, employer-centered approach to apprenticeship expansion. This includes helping partners understand the apprenticeship model, developing shared outreach strategies, and establishing a system of cross-referrals and aligned services. Specialists must facilitate collaboration among partners and ensure that program development efforts are streamlined, responsive to employer needs, and integrated with broader workforce and economic development initiatives. Regular coordination with the IBST and the region's USDOL Apprenticeship Training Representative ("ATR") is important to ensure alignment, eliminate duplication, and maximize impact. Apprenticeship Specialists must serve employers across all industries, regardless of their organization's internal priorities.

2. *Organizational Commitment and Role Integration*

The Apprenticeship Specialist role is intentionally structured to serve as the face of apprenticeship in each region with the support of IBST. This individual acts as a central point of contact and trusted guide for employers and partners, helping coordinate efforts across the ecosystem and reduce fragmentation. By designating an Apprenticeship Specialist to lead and align regional apprenticeship strategies, Illinois ensures that apprenticeship expansion is both accessible and streamlined for businesses, while also fostering consistency and collaboration among workforce, education, and economic development partners. Therefore, successful implementation depends on the full support of the host organization and its leadership. Grantees must ensure that the Apprenticeship Specialist is integrated into broader business service and partner engagement efforts, with appropriate staff, resources, and leadership support behind them.

3. *Employer Engagement and Program Development*

Apprenticeship Specialists provide full-service support to employers throughout the apprenticeship development process. This includes guiding businesses from initial outreach and consultative sales through program design and successful registration using the USDOL Standards Builder platform. Specialists are expected to take ownership of the programs they help create and remain actively involved. Simply referring employers to the USDOL ATR is insufficient; Specialists must be engaged partners in ensuring program quality, continuity, and long-term viability.

Specialists must also assist employers in identifying and partnering with appropriate education and training providers to deliver the apprenticeship's related technical instruction ("RTI") component. This may include

connecting businesses to community colleges, career and technical education programs, union training centers, or other qualified providers. Specialists should help facilitate these connections and support the alignment of instructional content with program design and occupational competencies.

4. *Collaboration and Network Participation*

Each Specialist is part of a broader statewide Apprenticeship Specialist Network and is expected to participate actively. Specialists regularly engage with their peers across regions to share promising practices, troubleshoot challenges, and coordinate strategies to expand RAPs and related work-based learning initiatives. Specialists will contribute to peer learning and help build a collective knowledge base that supports the ongoing development of Illinois' apprenticeship ecosystem. In addition to statewide collaboration, Specialists must actively collaborate with education, workforce, and economic development professionals and partners within their region, particularly those serving on the IBST, to align outreach strategies, leverage partner expertise, and ensure a coordinated approach to employer engagement and apprenticeship expansion. Apprenticeship Specialists are expected to collaborate with their IBST and Grantor's partners (including the Grantor's Regional Economic Development (RED) team) to coordinate marketing efforts, brand awareness, National Apprenticeship Week initiatives, and other high-impact outreach events.

5. *Professional Development and Capacity Building*

Specialists will participate in professional development activities. Grantor and its partners will provide various training opportunities; attendance at designated sessions is mandatory. Specialists are also expected to serve as strategic leaders and thought partners within their region. This includes identifying barriers, proposing solutions, and offering feedback that can help inform state policy and continuous improvement efforts. In addition to building their capacity, Specialists should help educate and inform their IBST partners about the apprenticeship model, program requirements, and opportunities for alignment. By doing so, they contribute to a more coordinated and apprenticeship-ready regional service delivery system.

6. *Reporting and Accountability*

Apprenticeship Specialists must maintain accurate and timely records in the Illinois workNet Navigator Tool, updated weekly to support performance tracking and transparency. Reporting should document employer outreach, program development activities, and overall progress. Specialists are also responsible for submitting detailed quarterly narrative reports and complying with any additional reporting requirements communicated by Grantor. In some cases, Specialists may be asked to present updates to the IWIB Work-Based Learning and Apprenticeship (WBLA) Committee and are expected to attend quarterly IWIB WBLA Committee meetings in person when geographically feasible.

TRAINING PROVIDERS

Training providers, whether the Grantee or another partner organization, must comply with all laws and requirements to provide the training services under this Program, including, but not limited to, the Private Business and Vocational Schools Act of 2012 (105 ILCS 426), if applicable.

PROJECT WORK PLAN

The Grantee will administer the project as outlined in a *Project Work Plan* ("Work Plan") that details the project staff, activities, and implementation timeline. The Work Plan must be approved by the Grantor's Grant Manager and may be revised throughout the Term of this Agreement. The Work Plan, once approved by Grantor, and any revisions thereto, are incorporated fully by reference into this Agreement. The Grantee will be responsible for completing the Outcomes–Activities worksheet of the Work Plan. The Grantee must submit a completed Work Plan for review and approval within 30 days from the start of the Agreement. A request for payment will not be approved by Grantor until an approved Work Plan is on file.

PROJECT MANAGEMENT & REPORTING

The Grantee must track the grant activity and outcomes in the Illinois workNet Navigator Tool as directed by the Grantor. Projects that directly support registered apprentices and pre-apprentices under this Award will be

required to enter the participant information into the Illinois workNet Apprenticeship Illinois tracking system and provide case management to those individuals.

PROGRAM DEVELOPMENT

Grantee will participate in community of practice, technical assistance and program development meetings as requested by the Grantor. The Grantee will respond to Grantor inquiries for project information, including but not limited to, success stories and evaluations, as requested.

SUCCESS STORIES

The Grantee will write and post success stories about an apprentice, employer/business, partnership, and/or community to highlight successful activities/accomplishments of the project. Stories are to be posted to the Success Stories site on Illinois workNet at: https://www.illinoisworknet.com/WIOA/success/Pages/Success-Story-Guide.aspx. The Grantee is encouraged to post success stories as often as possible. However, the Grantee MUST write and post success stories at least once a quarter throughout the life of the Agreement. The Grantor will highlight "Business Champions" and "Apprentice Ambassadors" in Grantee's region. Grantee may also provide either a logo of the business or a picture of the apprentice, after receiving written permission from the business or person, as applicable.

Unless set forth otherwise in **PART THREE** herein, Budget line item transfers within the guidelines set forth in paragraph 6.2 herein, which would not ordinarily require approval from Grantor, but result in an increase of ten percent (10%) or more to any expenditure category of the current approved Budget, are considered changes in the project scope and require Prior Approval from Grantor pursuant to 44 Ill. Admin. Code 7000.370(b).

ARTICLE XXVIII

28.1. Grantee Representations and Warranties. In connection with the execution and delivery of this Agreement, the Grantee makes the following representations and warranties to Grantor:

Should it become the subject of an investigation by any state or federal regulatory, law enforcement or legal authority, Grantee shall promptly notify Grantor of any such investigation. Grantee acknowledges that should it later be subject to a cease and desist order, Memorandum of Understanding, or found in violation pursuant to any regulatory action or any court action or proceeding before any administrative agency, that Grantor is authorized to declare Grantee out of compliance with this Agreement and suspend or terminate the Agreement pursuant to ARTICLE XIII herein and any applicable rules.

ARTICLE XXIX
ADDITIONAL TERMINATION, SUSPENSION, BILLING SCHEDULE AND NON-COMPLIANCE PROVISIONS

29.1. Remedies for Non-Compliance. If Grantor suspends or terminates this Agreement pursuant to ARTICLE XIII herein, Grantor may also elect any additional remedy allowed by law, including, but not limited to, one or more of the following remedies:

(a) Direct the Grantee to refund some or all of the Grant Funds disbursed to it under this Agreement; and

(b) Direct the Grantee to remit an amount equivalent to the "Net Salvage Value" of all equipment or materials purchased with Grant Funds provided under this Agreement. For purposes of this Agreement, "Net Salvage Value" is defined as the amount realized, or that the Parties agree is likely to be realized from, the sale of equipment or materials purchased with Grant Funds provided under this Agreement at its current fair market value, less selling expenses.

29.2. Grant Refunds. In accordance with the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, the Grantee must, within forty-five (45) days of the effective date of a termination of this Agreement, refund to Grantor, any balance of Grant Funds not spent or not obligated as of that date.

29.3. Grant Funds Recovery Procedures. In the event that Grantor seeks to recover from Grantee Grant Funds received pursuant to this Award that: (i) Grantee cannot demonstrate were properly spent, or (ii) have not been expended or legally obligated by the time of expiration or termination of this Award, the Parties agree to follow the procedures set forth in the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq*. (GFRA), for the recovery of Grant Funds, including the informal and formal hearing requirements. All remedies available in Section 6 of the GFRA will apply to these proceedings. The Parties agree that Grantor's Administrative Hearing Rules (56 Ill. Admin. Code Part 2605) and/or any other applicable hearing rules shall govern these proceedings.

29.4. Grantee Responsibility. Grantee will be held responsible for the expenditure of all Grant Funds received through this Award, whether expended by Grantee or a subrecipient or contractor of Grantee. Grantor may seek any remedies against Grantee permitted pursuant to this Agreement and 2 CFR 200.339 for the action of a subrecipient or contractor of Grantee that is not in compliance with the applicable statutes, regulations or the terms and conditions of this Award.

29.5. Billing Schedule. In accordance with paragraph 4.8, herein Grantee must submit all payment requests to Grantor within thirty (30) days of the end of the quarter, unless another billing schedule is specified in **PART THREE** or Paragraph 2.3. Failure to submit such payment request timely will render the amounts billed an

unallowable cost which Grantor cannot reimburse. In the event that Grantee is unable, for good cause, to submit its payment request timely, Grantee must timely notify Grantor and may request an extension of time to submit the payment request. Grantor's approval of Grantee's request for an extension cannot be unreasonably withheld. The payment requirements of this Paragraph supersede those set forth in Paragraph 4.8.

ARTICLE XXX
ADDITIONAL MODIFICATION PROVISIONS

30.1. Modifications by Operation of Law. This Agreement is subject to such modifications as the Grantor determines, in its sole discretion, may be required by changes in federal or State law or regulations applicable to this Agreement. Grantor will initiate such modifications, and Grantee will be required to agree to the modification in writing as a condition of continuing the Award. Any such required modification will be incorporated into and become part of this Agreement as if fully set forth herein. The Grantor will timely notify the Grantee of any pending implementation of or proposed amendment to any laws or regulations of which it has notice.

30.2. Discretionary Modifications. If either the Grantor or the Grantee wishes to modify the terms of this Agreement other than as set forth in ARTICLES V and VI and Paragraphs 30.1 and 30.3, written notice of the proposed modification must be given to the other Party. Modifications will only take effect when agreed to in writing by both the Grantor and the Grantee. However, if the Grantor notifies the Grantee in writing of a proposed modification, and the Grantee fails to respond to that notification, in writing, within thirty (30) days, the Grantor may commence a process to suspend or terminate this Award. In making an objection to the proposed modification, the Grantee must specify the reasons for the objection and the Grantor will consider those objections when evaluating whether to follow through with the proposed modification. The Grantor's notice to the Grantee must contain the Grantee name, Agreement number, Amendment number and purpose of the revision. If the Grantee seeks any modification to the Agreement, the Grantee must submit a detailed narrative explaining why the Project cannot be completed in accordance with the terms of the Agreement and how the requested modification will ensure completion of the Grant Activities, Deliverables, Milestones and/or Performance Measures (**Exhibits A**, **B** and **D**).

30.3. Unilateral Modifications. The Parties agree that Grantor may, in its sole discretion, unilaterally modify this Agreement without prior approval of the Grantee when the modification is initiated by Grantor for the sole purpose of increasing the Grantee's funding allocation as additional funds become available for the Award during the program year covered by the Term of this Agreement.

30.4. Management Waiver. The Parties agree that the Grantor may issue a waiver of specific requirements of this Agreement after the term of the Agreement has expired. These waivers are limited to non-material changes to specific provisions that the Grantor determines are necessary to place the Grantee in administrative compliance with the requirements of this Agreement. A management waiver issued after the Term of the Agreement has expired will supersede the original requirements of this Agreement that would normally require a modification of this Agreement to be executed. The Grantor will make no modifications of this Agreement not agreed to prior to the expiration of the Agreement beyond what is specifically set forth in this Paragraph.

30.5. Term Extensions. The Grantee acknowledges that all Grant Funds must be expended or legally obligated, and all Grant Activities, Deliverables, Milestones and Performance Measures (**Exhibits A**, **B** and **D**) must be completed during the Term of the Agreement. Extensions of the Term will be granted only for good cause, subject to the Grantor's discretion. Pursuant to the Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), no Award may be extended in total beyond a two (2)-year period unless the Grant Funds are expended or legally obligated during that initial two-year period, or unless Grant Funds are disbursed for reimbursement of costs previously incurred by the Grantee. If Grantee requires an extension of the Award Term, Grantee should submit a written request to the Grant Manager at least sixty (60) days prior to the end of the Award Term or extended Award Term, as applicable, stating the reason for the extension. If Grantee provides reasonable extenuating circumstances, Grantee may request an extension of the Award Term with less than sixty (60) days remaining.

ARTICLE XXXI
ADDITIONAL CONFLICT OF INTEREST PROVISIONS

If permitted by the Award Budget and scope of activities provided in this Agreement, a Grantee may use the Grant Funds during the Award Term for the costs associated with the purchase of real property (as defined by 2 CFR 200.1) either through the use of reimbursement or advanced funds as permitted in Paragraph 2.3 of this Agreement for the following purposes and consistent with the Grantor's bondability guidelines and 2 CFR 200:

(a) Cash payment of the entirety or a portion of the real property acquisition;

(b) Cash Payment of a down payment for the acquisition;

(c) Standard and commercially reasonable costs required to be paid at the acquisition closing (*i.e.*, closing costs); or

(d) Payments to reduce the debt incurred by Grantee to purchase the real property.

32.3. Bonding Requirements. If Grant Funds through this Award are used for construction or facility improvement projects that exceed the Simplified Acquisition Threshold, the Grantee must comply with the minimum bonding requirements listed in 2 CFR 200.326(a) – (c). Grantor will not accept the Grantee's own bonding policy and requirements.

32.4. Lien Requirements. Grantor may direct Grantee in writing to record a lien or notice of State or federal interest on the property purchased or improved with Grant Funds. 2 CFR 200.316. If Grantor makes this direction and the Grantee does not comply, the Grantor may: (a) record the lien or notice of State or federal interest and reduce the amount of the Grant Funds by the cost of recording the lien or notice of State or federal interest, or (b) suspend this Award until Grantee complies with Grantor's direction.

ARTICLE XXXIII
APPLICABLE STATUTES

To the extent applicable, Grantor and Grantee shall comply with the following:

33.1. Land Trust Beneficial Interest Disclosure Act (765 ILCS 405/2.1). The Grantee is not required to provide paid leave under the Victims' Economic Security and Safety Act, but may not suspend group health plan benefits during the leave period. Any failure on behalf of the Grantee to comply with all applicable provisions of the Victims' Economic Security and Safety Act, or applicable rules and regulations promulgated thereunder, may result in a determination that the Grantee is ineligible for future contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations, and this Agreement may be cancelled or voided in whole or in part, and such other sanctions or penalties may be imposed or remedies invoked, as provided by statute or regulation.

33.4. Equal Pay Act of 2003 (820 ILCS 112 *et seq.*). 33.7. Identity Protection Act (5 ILCS 179/1 *et seq.*) and Personal Information Protection Act (815 ILCS 530/1 *et seq.*). The Grantor is committed to protecting the privacy of its vendors, grantees and beneficiaries of programs and services. At times, the Grantor will request social security numbers or other personal identifying information. Federal and state laws, rules and regulations require the collection of this information for certain purposes relating to employment and/or payments for goods and services, including, but not limited to, Awards. The Grantor also collects confidential information for oversight and monitoring purposes.

Furnishing personal identity information, such as a social security number, is voluntary; however, failure to provide required personal identity information may prevent an individual or organization from using the services/benefits provided by the Grantor as a result of state or federal laws, rules and regulations.

To the extent the Grantee collects or maintains protected personal information as part of carrying out the Award activities, the Grantee must maintain the confidentiality of the protected personal information in accordance with applicable law and as set forth below.

(d) Breach Response. In the event of any unauthorized access to, unauthorized disclosure of, loss of, damage to or inability to account for any Personal Information (a "Breach"), Grantee agrees that it will promptly, at its own expense: (i) report such Breach to the Grantor by telephone with immediate written confirmation sent by e-mail, describing in detail any accessed materials and identifying any individual(s) who may have been involved in such Breach; (ii) take all actions necessary or reasonably requested by the Grantor to stop, limit or minimize the Breach; (iii) restore and/or retrieve, as applicable, and return all Personal Information that was lost, damaged, accessed, copied or removed; (iv) cooperate in all reasonable respects to minimize the damage resulting from such Breach; (v) provide any notice to Illinois residents as required by 815 ILCS 530/10, 815 ILCS 530/12 or applicable federal law, in consultation with the Grantor; and (vi) cooperate in the preparation of any report related to the Breach that the Grantor may need to present to any governmental body.

(e) Injunctive Relief. Grantee acknowledges that, in the event of a breach of this Paragraph, Grantor will likely suffer irreparable damage that cannot be fully remedied by monetary damages. Accordingly, in addition to any remedy which the Grantor may possess pursuant to applicable law, the Grantor retains the right to seek and obtain injunctive relief against any such breach in any Illinois court of competent jurisdiction.

(f) Compelled Access or Disclosure. Is Award for R&D? No

37.2. Veteran's Priority Provisions. 38 U.S.C. 4215 requires Grantee to provide priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by USDOL. The regulations implementing this priority of service can be found at 20 CFR Part 1010. In circumstances where Grantee must choose between two qualified candidates for a service, one of whom is a veteran or eligible spouse, the veterans priority of service provisions require that the Grantee give the veteran or eligible spouse priority of service by first providing him or her that service. To obtain priority of service, a veteran or spouse must meet the program's eligibility requirements. Grantee must comply with USDOL guidance on veterans' priority. ETA's Training and Employment Guidance Letter ("TEGL") No. 10-09 (issued November 10, 2009) provides guidance on implementing priority of service for veterans and eligible spouses in all qualified job training programs funded in whole or in part by USDOL. TEGL No. 10-09 is available at https://www.dol.gov/agencies/eta/advisories/training-and-employment-guidance-letter-no-10-09.

Any specific exceptions to the Uniform Requirements adopted by USDOL may be found at 2 CFR Part 2900. FOA-ETA-25-31, as amended contains the federal program requirements associated with this Award. This FOA is hereby incorporated into this Award. Grantee is bound by the authorizations, restrictions and requirements contained in FOA-ETA-25-31. Therefore, the expenditure of Grant Funds by the Grantee certifies that the Grantee has read and will comply with all the parts of FOA-ETA-25-31, as amended that are applicable to this Award and to the Grantee.

The Grantee further agrees that this Agreement is subject to such modifications which Grantor determines may be required by federal or State law, rules, or regulations applicable to this Agreement. Any such required modifications shall be incorporated into and be a part of this Agreement as if fully set forth herein.

(vi) OMB Guidance, including the Uniform Guidance at 2 CFR 200 and 2900;
(vii) Executive Orders and Presidential Memoranda
(viii) USDOL Directives;
(ix) Terms and conditions of the federal and State Awards; and
(x) Grantor's Directives.

37.5. Compensation To The Grantee.

(a) Method of Compensation. The method of compensation shall be in accordance with the applicable State laws relative to such compensation by which the Grantor is governed. Grantee shall comply with direction issued by the Grantor as to procedures to be followed when requesting disbursement of Grant Funds. All payment requests submitted by the Grantee shall be reviewed by the Grantor to ensure that such requests are:

(i) in accordance with the approved Award Budget;
(ii) in accordance with the provisions of this Agreement and any special terms and conditions of approved funding requests. Any expenditure of Grant Funds which does not comply with these provisions will be subject to the enforcement remedies at 2 CFR 200.339.

(b) Funding Terms and Restrictions.

(i) Reimbursement Limitation. The Grantee cannot be reimbursed for costs incurred in excess of the total approved Grant Budget. The Grantee may be reimbursed for costs exceeding amounts budgeted by specific cost categories only in accordance with provisions of Articles VI, XXVII and XXX.

(ii) Budget Modifications. The Grantee must obtain approval prior to incurring expenditures which necessitate a change in the approved Grant Budget, unless permitted as a discretionary line item transfer pursuant to paragraphs 6.2 and 27.1 herein. The Grantor reserves the right to withhold funds for such expenditures until a revised Budget has been submitted by the Grantee and approved by the Grantor, subject to the following:

- Pursuant to paragraph 6.2 herein, Grantor hereby approves a variance of up to 20% for each of the following Budget cost categories under this Award:
  - Personnel;
  - Fringe Benefits;
  - Travel;
  - Supplies;
  - Contractual Services and Subawards;
  - Consultant (Professional Services);
  - Training and Education;
  - Direct Administrative Costs;
  - Miscellaneous Costs;
  - Related Instruction; and

- Work Based Training.

In no event may such transfers in these specific cost categories result in an increase to the total Budget without prior written Grantor approval.

- Due to the limitations on certain costs as set forth in this subparagraph (b), FOA-ETA-25-31, and in 2 CFR 200, Grantee is required to obtain prior Grantor written approval for any change in allocation of Grant Funds to the following cost categories in the Budget under this Award:
  - Equipment;
  - Supportive Services;
  - Employer Incentives;
  - Indirect Costs; and
  - Pay-for-Performance

(iii) Participant Wages. Grant Funds may not be used to directly pay wages for apprentices.

(iv) Incentives for Employers. If funds are included in the Employer Incentives budget line item of this award, Grantee may use Grant Funds to provide one-time "incentive" funds to new employers, joint labor management organizations, or industry associations (or other partners included in a multi-employer partnership) to directly fund new or expand existing RAPs and targeted industries in which they are serving. Grantee must provide in periodic reports, all recipients of incentive funding, the status of activities related to the use of incentive funding, and when feasible, itemized costs related to the use of incentive funding.

(v) Use of Funds for Pay-for-Performance ("PFP") Models. If funds are included in the Pay-for-Performance budget reporting line item of this award, Grantee may use Grant Funds to provide a sustainable approach that rewards RAP sponsors for achieving specific milestones such as maintaining enrollment in the RAP and credential attainment of registered apprentices. Grantee must provide in periodic reports, all sponsor recipients of PFP funding, the status of activities related to the use of PFP funding, and when feasible, itemized costs related to the use of PFF funding. PFP implementation must include:

- Clarity of purpose. PFP programs must clearly define the performance they are seeking to reward;
- Financial incentives. Meaningful financial incentives that can encourage new sponsors to engage in the targeted activities sought;
- Objective and verifiable milestones. Clear, objective milestones that can be documented and verified to the Grantor to warrant payment to sponsors;
- Schedule of payments tied to achievement of milestones. Clear schedule of payments tied to achievement of milestones that can provide assurances to program sponsors of timing for reimbursement for activities undertaken; and
- Examples of risk mitigation and technical assistance. Clear strategies and approaches that may be used to identify and address any issues or challenges so that sponsors are in a position to successfully meet milestones.

(vi) Credential Transparency. All information about credentials (including, but not limited to, diplomas, badges, certificates, certifications, apprenticeships, licenses, and degrees of all levels and types) and competencies (knowledge, skills and abilities) developed or delivered through the use of these Grant Funds must be made publicly accessible through the use of linked open data formats that support full transparency and interoperability, such as through the use of credential transparency description language specifications. Grantee must follow USDOL guidance

and technical assistance on data elements to include in the published open data, such as information about the credential provider, the credential and its associated competencies, delivery mode, geographic coverage, the industry sector(s) and occupation(s) for which the credential was developed, related assessments, related accreditations or other quality assurance where appropriate, costs and available outcomes.

(vii) Overpayment. In addition to the return of unspent Grant Funds at the end of the expiration of this Agreement pursuant to Paragraph 4.3 herein, the Grantee agrees to repay the Grantor for any funds that are determined by the Grantor to have been spent improperly in accordance with applicable regulations or rules.

(viii) Supportive Services & Participant Support Costs. Grantee is encouraged to leverage supportive services through co-enrolling participants in WIOA or through other available funding. However, when funds are not otherwise available, Grantee may use up to 20% of Grant Funds to provide supportive services to individuals who are participating in grant-related pre-apprenticeship and registered apprenticeship activities provided through this Award only when (1) they are unable to obtain such services through other programs, and (2) such services are necessary to enable individuals to participate in education and training activities under this Award. If Grantor approves of supportive services as part of Grantee's Budget, costs must meet the basic considerations at 2 CFR 200.402 – 200.411. **Note: Individuals who receive supportive services through this Award must be fully case managed using the Illinois workNet system.**

(ix) Consultants. For the purposes of this Award, fees paid to a consultant who provides services under a program shall be limited to $815.00 per day (representing an eight-hour workday) without prior approval from Grantor and the USDOL Grant Officer. Such costs must be reasonable, allocable and allowable to the program. Consultants are subject to the subcontracts/subgrants requirements included in ARTICLE XIV, herein.

(x) Salary and Bonus Limitations. No Grant Funds shall be used by Grantee to pay the salary and bonuses of an individual, either as direct costs or indirect costs, at a rate in excess of Executive Level II. The Executive Level II salary may change yearly and is located on the OPM.gov website (https://www.opm.gov/policy-data-oversight/pay-leave/salaries-wages/). The salary and bonus limitation does not apply to contractors (vendors) providing goods and services as defined in 2 CFR 200.331. *See* TEGL 10-24 for additional information.

(xi) Publicity. Grantee is not authorized to use any Grant Funds—other than for normal and recognized executive–legislative relationships—for publicity or propaganda purposes, for the preparation, distribution or use of any kit, pamphlet, booklet, publication, electronic communication, radio, television, or video presentation, designed to support or defeat legislation pending before the Congress or any state or local legislature or legislative body, except in presentation to the Congress or any state or local legislature itself, or designed to support or defeat any proposed or pending regulation, administrative action, or order issued by the executive branch of any state or local government, except in presentation to the executive branch of any state or local government itself.

37.6. Accounting/Fiscal Control Requirements. Fund accounting procedures shall be established as may be necessary to assure the proper expenditure of an accounting for federal funds paid by the Grantor to the Grantee, or any of its subrecipients, under this program, including procedures for monitoring the assistance provided under this program.

37.7. WIOA Infrastructure. All one-stop partner programs, including all programs that are funded under Title I of WIOA, are required to contribute to the infrastructure costs and certain additional costs of the one-stop delivery system in proportion to their use and relative benefits received as required in 20 CFR 678.700 and 20 CFR

678.760. The sharing and allocation of infrastructure costs between one-stop partners is governed by WIOA Section 121(h), WIOA's implementing regulations, 2 CFR Part 200 and USDOL's exceptions at 2 CFR Part 2900.

37.8. Evaluation, Data and Implementation. Grantee must cooperate with Grantor and USDOL in the implementation of a third-party evaluation and for national reporting purposes, including, but not limited to, providing USDOL or its authorized contractor with appropriate data and access to program operating personnel and participants in a timely manner.

37.9. Travel Regulations. Costs in accordance with 2 CFR 200.475 and the latest State of Illinois Travel Regulations or such reasonable travel policies approved and adopted by the Grantee are allowable for expenses for transportation, lodging, subsistence, and related items incurred by Grantee's employees who are in travel status on official business necessary to the grant program. Pursuant to 2 CFR 200.475(a), Grantee must have policies and procedures in place related to travel costs. If State of Illinois Travel Regulations are not followed by the Grantee, the Grantee must have on file its approved travel policy for reference by the Grantor, the Comptroller of the State of Illinois, Comptroller General of the United States, or any of their duly authorized representatives. Provided, however, that travel expenses which exceed limitations established by federal statute or regulation (including OMB circulars, etc.) applicable to this Agreement are not allowable costs under this Agreement. This Award waives the prior approval requirement for domestic travel as contained in 2 CFR 200.475 as long as such costs are approved by Grantor through Grantee's Budget submission. For domestic travel to be an allowable cost, it must be necessary, reasonable, allocable and conform to the Grantee's written policies and procedures. *See also* 30 ILCS 708/130.

(a) For reimbursement on a mileage basis, this Award cannot be charged more than the maximum allowable mileage reimbursement rates for federal employees. Mileage rates must be checked annually at www.gsa.gov/mileage to ensure compliance. The Grantee must retain receipts on file as source documentation for travel expenses of its employees.

(b) Grant Funds cannot be used for foreign travel except with prior written approval from the Grantor and the USDOL Grant Officer through the process described in 2 CFR 200.407 and 2 CFR 2900.16.

(c) All travel must comply with the Fly America Act (49 U.S.C. 40118), which states in part that any air transportation, regardless of price, must be performed by, or under a code-sharing arrangement with a U.S. Flag air carrier if service provided by such carrier is available.

37.10. Requirements to Provide Certain Information in Public Communications. When issuing statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, all non-federal entities receiving federal funds shall clearly state: (1) the percentage of the total costs of the program or project which will be financed with federal money; (2) the dollar amount of federal funds for the project or program; and (3) the percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources. The requirements in this paragraph are separate from those in 2 CFR Part 200 and, when appropriate, both must be complied with.

37.11. Reports Required. The Grantee shall submit programmatic and expenditure reports as required pursuant to written direction issued by the Grantor to the Grantee.

37.12. Monitoring And Evaluation. Grantor will periodically monitor and evaluate programmatic activities and the financial records pursuant to this Agreement. The Grantee will be monitored for compliance with all applicable federal and State laws, regulations, and rules, and Grantor policies applicable to this Agreement. The Grantee's performance will be assessed to gauge its impact upon the target population and for the effective and efficient utilization of the Grant Funds. Assessments will occur both during the operation of the program and upon its completion.

37.13. Equipment and Property Management. The Grantee must receive prior written approval from the Grantor and the USDOL Grant Officer to purchase any capital assets, including equipment, as defined in 2 CFR 200.1.

Receiving this Award does not automatically mean that the Grantee is approved for the equipment specified in the Grantee's application. Equipment purchases, which are approved by Grantor and the USDOL Grant Officer, must be made in accordance with 2 CFR 200.313 or 2 CFR 200.439. Grantee may not purchase equipment during the last year of the period of performance or the last year of full program service delivery (not follow-up activities), whichever comes first. If any approved acquisition has not occurred prior to the last funded year of performance, approval for that item(s) is rescinded.

37.14. Managing Subawards and Subrecipients.

(a) Monitoring. The Grantee is responsible for the monitoring of any approved subrecipient, ensuring that the terms and conditions of this Agreement are in all subaward packages and that the subrecipient is in compliance with all applicable regulations and the terms and conditions of this Award. 2 CFR 200.101(b); 2 CFR 200.332. *See also* ARTICLE XIV, herein.

(b) Requirement for Unique Entity Identifier. If Grantee is authorized to make a subaward, Grantee must notify potential subrecipients that no entity may receive a subaward from Grantee unless the entity has provided its Unique Entity Identifier to Grantee and to Grantor. Grantee and its subrecipients must maintain the currency of their information in the System for Award Management ("SAM") until Grantee submits the final financial report required under this Award or receives the final payment, whichever is later. This requires Grantee to review and update the information at least annually after the initial registration, and more frequently if required by changes in Grantee's information or another Award Term.

Additional information about registration procedures may be found at the SAM Internet site (currently at http://www.sam.gov).

37.15. Program Income. The "addition" method as described in 2 CFR 200.307 must be used in allocating any program income generated for this Award. Grantee must expend all program income prior to requesting additional funds as required at 2 CFR 200.305(b)(5) and 2 CFR 200.307(a). Any program income remaining at the end of the Award Term must be returned to Grantor. Reporting of program income and program income expenditures must be included on Grantee's periodic financial reports.

37.16. Procurement. The Grantee must follow the procurement standards as established in 2 CFR §§ 200.317 – 200.327 when purchasing goods and services using Grant Funds. Grantee shall ensure compliance with 2 CFR 200.323, if applicable, and must ensure that every purchase order or other contract includes any clauses required by 2 CFR 200.327. In addition, Grantee must follow the procurement requirements at 2 CFR 200.319, which calls for free and open competition. Grantee also must follow the requirements regarding the competitive award of one-stop operators in WIOA Sections 121(d) and 123. Effective October 1, 2018, pursuant to Office of Management and Budget Memorandum M-18-18, dated June 20, 2018, the federal financial assistance awards threshold for micro-purchases increased to $10,000 and the threshold for simplified acquisitions increased to $250,000.

37.17. Equal Participation of Faith-Based Organizations and Written Notice of Beneficiary Protections. USDOL, with eight other agencies, issued the final rule, Partnerships With Faith-Based and Neighborhood Organizations, on March 4, 2024. *See* 29 CFR 2.30 – 2.41.

(a) Under this final rule, a faith-based organization that participates in this award program retains its independence from federal, State and local governments and may continue to carry out its mission consistent with religious freedom and conscience protections in federal law.

(b) A faith-based organization may not use direct Federal Financial Assistance, whether received through an award or subaward, to support or engage in any explicitly religious activities. An organization receiving Federal Financial Assistance also must not, in providing services funded by USDOL, or in conducting outreach activities related to such services, discriminate against a program beneficiary or prospective program beneficiary on the basis of religion, a religious belief, a refusal to hold a religious belief,

or a refusal to attend or participate in a religious practice.

(c) *Notice to beneficiaries of programs supported by direct Federal Financial Assistance*. Any organization providing services to beneficiaries under programs supported by direct Federal Financial Assistance from USDOL, and any entity responsible for disbursing federal funds as part of a program of indirect Federal Financial Assistance administered by USDOL, must give the written notice shown below to beneficiaries and prospective beneficiaries:

Name of Organization:
Name of Program:
Type of Federal Financial Assistance: (Direct/Indirect)
Contact Information for Program Staff: (name, phone number, and email address, if appropriate)
Because this program is supported in whole or in part by financial assistance from the federal government, we are required to let you know that:

(1) We may not discriminate against you on the basis of religion, a religious belief, a refusal to hold a religious belief, or a refusal to attend or participate in a religious practice;
(2) We may not require you to attend or participate in any explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization) that are offered by our organization, and any participation by you in such activities must be purely voluntary;
(3) We must separate in time or location any privately funded explicitly religious activities (including activities that involve overt religious content such as worship, religious instruction, or proselytization) from activities supported with direct Federal Financial Assistance;
(4) You may report violations of these protections, including any denials of services or benefits by an organization, by contacting or filing a written complaint with the U.S. Department of Labor's Civil Rights Center, 200 Constitution Avenue NW, Room N-4123, Washington, DC 20210, or by email to CRCExternalComplaints@dol.gov; and
(5) If you would like to seek information about whether there are any other federally funded organizations that provide these kinds of services in your area, please call toll-free 1-877-US2-JOBS (1-877-872-5627) or TTY 1-877-889-5627.

This written notice must be given to you before you enroll in the program or receive services from the program, unless the nature of the service provided or exigent circumstances make it impracticable to provide such notice before we provide the actual services. In such an instance, this notice must be given to you at the earliest available opportunity.

37.18. Equal Opportunity/Nondiscrimination.

(a) As a condition to the award of financial assistance from the USDOL, the Grantee gives its assurance that it will comply fully with the nondiscrimination and equal opportunity provisions of all applicable federal, State and local laws.

Note: The particular assurances, below (portions which are duplicated elsewhere in other paragraphs) are applicable to the extent that the program activities are conducted as part of the One-Stop delivery system. (See Section 121 of WIOA).

(b) As a condition to the award of financial assistance from USDOL under Title I of WIOA, the Grantee assures that it will comply fully with the nondiscrimination and equal opportunity provisions of the following:

(i) Section 188 of WIOA, which prohibits discrimination against all individuals in the United States on the basis of race, color, religion, sex, national origin, age, disability, political affiliation or belief, or, for beneficiaries, applicants, and participants only, on the basis of citizenship status or participation in a WIOA Title I-financially assisted program or activity.

(ii) The Grantee also assures that it will comply with 29 CFR Part 38 and all other regulations implementing the nondiscrimination laws listed herein. This assurance applies to the Grantee's operation of the WIOA Title I financially assisted program or activity, and to all agreements the Grantee makes to carry out the WIOA Title I financially assisted program or activity. The Grantee understands that the United States has the right to seek judicial enforcement of this assurance.

(iii) Grantee assures that it will comply fully with the nondiscrimination and equal opportunity provisions in Sec. 188 of WIOA; 29 CFR Part 38, as amended; 29 CFR Parts 31 and 32, including the Nontraditional Employment for Women Act of 1991; Title VI of the Civil Rights Act of 1964, as amended; Section 504 of the Rehabilitation Act of 1973, as amended; Title IX of the Education Amendments of 1972, as amended; the Age Discrimination Act of 1975, as amended; The Civil Rights Restoration Act of 1987; Executive Order 12250; Age Discrimination in Employment Act of 1967; Federal Equal Pay Act of 1963; Illinois Equal Pay Act of 2003; U.S. Department of Labor Regulations at 28 CFR Part 42, Subparts F & H; Title VII of the Civil Rights Act of 1964, as amended; and the Victims Economic Security and Safety Act.

37.19. Harassment Prohibited. Grantee and its subrecipients, if applicable, are prohibited from engaging in harassment of an individual based on race, color, religion, sex, national origin, age, disability, or political affiliation or belief, or, for beneficiaries, applicants, and participants only, based on citizenship status or participation in any WIOA Title I-financially assisted program or activity. Harassing conduct of this type is a violation of the nondiscrimination provisions of WIOA and of 29 CFR Part 38.

(a) Unwelcome sexual advances, requests for sexual favors, or offensive remarks about a person's race, color, religion, sex, national origin, age, disability, political affiliation or belief, or citizenship or participation, and other unwelcome verbal or physical conduct based on one or more of these protected categories constitutes unlawful harassment on that basis when:

(i) Submission to such conduct is made either explicitly or implicitly a term or condition of accessing the aid, benefit, service, or training of, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity; or

(ii) Submission to, or rejection of, such conduct by an individual is used as the basis for limiting that individual's access to any aid, benefit, service, training, or employment from, or employment in the administration of or in connection with, any WIOA Title I-financially assisted program or activity; or

(iii) Such conduct has the purpose or effect of unreasonably interfering with an individual's participation in a WIOA Title I-financially assisted program or activity creating an intimidating, hostile or offensive program environment.

(b) Harassment because of sex includes harassment based on gender identity or sexual orientation; harassment based on failure to comport with sex stereotypes; and harassment based on pregnancy, childbirth, and related medical conditions. Sex-based harassment may include harassment that is not sexual in nature but that is because of sex or where one sex is targeted for the harassment.

37.20. Intellectual Property Rights. The federal government reserves a paid-up, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use for federal purposes: (i) the copyright in all products developed under the Award, including a subaward or contract under the Award or subaward; and (ii) any rights of copyright to which the Grantee, subrecipient or a contractor purchases ownership under an Award (including but not limited to curricula, training models, technical assistance products, and any related materials). Such uses include, but are not limited to, the right to modify and distribute such products worldwide by any means, electronically or otherwise. Federal funds may not be used to pay any royalty or license

fee for use of a copyrighted work, or the cost of acquiring by purchase a copyright in a work, where the Grantor or USDOL has a license or rights of free use in such work, although they may be used to pay costs for obtaining a copy which is limited to the developer/seller costs of copying and shipping. If revenues are generated through selling products developed with Grant Funds, including intellectual property, these revenues are considered program income. Program income must be used in accordance with the provisions of this Award and 2 CFR 200.307.

If applicable, the following must be on all workforce products developed in whole or in part with Grant Funds:

"This workforce product was funded by a grant awarded by the U.S. Department of Labor (DOL)'s Employment and Training Administration. The product was created by the grantee and does not necessarily reflect the official position of DOL. DOL makes no guarantees, warranties, or assurances of any kind, express or implied, with respect to such information, including any information on linked sites and including, but not limited to, accuracy of the information or its completeness, timeliness, usefulness, adequacy, continued availability, or ownership. This product is copyrighted by the institution that created it."

37.21. Open Licensing Rights/Bayh-Dole Act. Pursuant to 2 CFR 2900.13, any intellectual property developed under a discretionary federal award process must be in a format readily accessible and available for open licensing to the public, which allows subsequent users to copy, distribute, transmit and adapt the copyrighted work and attribute the work in a manner specified by the recipient.

All small business firms and non-profit organizations, including Institutions of Higher Education, must adhere to the Bayh-Dole Act, which requirements are provided at 37 CFR 401.3(a) and the required USDOL ETA Grant Term at https://www.dol.gov/sites/dolgov/files/ETA/grants/pdfs/BayhDoleGrantTerm.pdf. These requirements describe the ownership of intellectual property rights and the government's nonexclusive, nontransferable, irrevocable, paid-up license to use any invention conceived or first actually reduced to practice in the performance of work under this Award. These requirements are in addition to those found in the Intellectual Property Rights set forth elsewhere in this Agreement.

37.22. Personally Identifiable Information. In addition to the requirements of paragraph 33.7 herein, Grantee must recognize and safeguard personally identifiable information ("PII"), as required by both State and federal laws, except where disclosure is allowed by prior written approval of the Grantor, the USDOL Grant Officer or by court order. Grantee must meet the requirements in TEGL No. 39-11, Guidance on the Handling and Protection of Personally Identifiable Information (PII) and the State's WIOA Policy 8.2.2, Privacy and Security (Personally Identifiable Information).

37.23. Reporting Waste, Fraud and Abuse. No entity receiving federal funds may require employees or contractors of such entity seeking to report fraud, waste, or abuse to sign internal confidentiality agreements or statements prohibiting or otherwise restricting such employees or contractors from lawfully reporting such waste, fraud, or abuse to a designated investigative or law enforcement representative of a federal department or agency authorized to receive such information.

37.24. Whistleblower Protection. This Award and all employees working for contractors, grantees, subcontractors or recipients or subrecipients of cooperative agreements working on this Award are subject to the whistleblower rights and remedies established at 41 U.S.C. 4712. The Grantee shall inform its employees in writing, in the predominant language of the workforce, of employee whistleblower rights and protections under 41 U.S.C. 4712, as described in sections 3.900 through 3.906 of the Federal Acquisition Regulation (note that for the purpose of this term and condition, use of the term "contract," "contractor," "subcontract," or "subcontractor" in these sections of the Federal Acquisition Regulation should be read as "grant," "grantee," "subgrant," or "subgrantee."). The Grantee shall insert the substance of this provision in all subgrants and contracts over the simplified acquisition threshold.

37.25. Prohibition on Trafficking in Persons. 2 CFR 175.200 establishes a government-wide award term for grants and cooperative agreements to implement the requirement in regard to trafficking in persons. This

Agreement may be terminated without penalty, if the Grantee, Grantee's employees, subrecipients, or subrecipient employees: (i) engages in severe forms of trafficking in persons during the period of time that this Award is in effect; (ii) procures a commercial sex act during the period of time that this Award is in effect; (iii) uses forced labor in the performance of the Award or any subaward; or (iv) engages in acts that directly support or advance trafficking in persons. Grantee must inform the Grantor immediately of any information Grantee receives from any source alleging a violation of this provision. Any subaward to a private entity must include the requirements of this paragraph.

(a) "Severe forms of trafficking in persons," "commercial sex act," "sex trafficking," "Abuse or threatened abuse of law or legal process," "coercion," "debt bondage," and "Involuntary servitude" have the meanings given at section 103 of the Trafficking Victims Protection Act ("TVPA"), as amended (22 U.S.C. 7102).

(b) "Forced labor" means labor obtained by any of the following methods: the recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery.

(c) "Employee" means either: (i) An individual employed by Grantee or a subrecipient who is engaged in the performance of the project or program under this Award; or (ii) Another person engaged in the performance of the project or program under this Award and not compensated by Grantee including, but not limited to, a volunteer or individual whose services are contributed by a third party as an in-kind contribution toward cost sharing or matching requirements.

(d) "Private entity" means any entity other than a State, local government, Indian tribe, or foreign public entity, as those terms are defined in 2 CFR 175.25 and includes: (i) a non-profit organization, including any non-profit institution of higher education, hospital or tribal organization other than one included in the definition of Indian tribe at 2 CFR 175.25(b); or (ii) a for-profit organization.

37.26. Requirements For Conferences and Conference Space. Conferences sponsored in whole or in part by the recipient or subrecipient of federal awards are allowable if the conference is necessary and reasonable for the successful performance of the Award. Recipients and subrecipients are urged to use discretion and judgment to ensure that all conference costs charged to the Award are appropriate and allowable. For more information on the requirements and allowability of costs associated with conferences, refer to 2 CFR 200.432. Grantee will be held to the requirements in 2 CFR 200.432. Costs that do not comply with 2 CFR 200.432 will be questioned and may be disallowed.

37.27. Hotel-Motel Fire Safety. Pursuant to 15 U.S.C. 2225a, the Grantee must ensure that all space for conferences, conventions or training seminars funded in whole or in part with federal funds complies with the protection and control guidelines of the Hotel and Motel Fire Safety Act (P.L. 101-391, as amended). Grantee may search the Hotel Motel National Master List at https://apps.usfa.fema.gov/hotel/ to see if a property is in compliance, or to find other information about this Act.

37.28. Executive Order 13043. Seat Belts: Pursuant to Executive Order 13043, Increasing Seat Belt Use in the United States, dated April 16, 1997, Grantee is encouraged to adopt and enforce on-the-job seat belt policies and programs for its employees when operating company-owned, rented or personally owned vehicles. Grantee also must comply with the Illinois Vehicle Code (625 ILCS 5/12-603.1).

37.29. Executive Order 13513. Pursuant to Executive Order 13513, Federal Leadership On Reducing Text Messaging While Driving, dated October 1, 2009, Grantee is encouraged to adopt and enforce policies that ban text messaging while driving company-owned or rented vehicles or Government-owned, Government-leased, or Government rented vehicles, or while driving privately-owned vehicles when on official Government business or when performing any work for or on behalf of the Government. Grantee and its subrecipients are also encouraged

to conduct initiatives of the type described in section 3(a) of Executive Order 13513. Grantee also must comply with the Illinois Vehicle Code (625 ILCS 5/12-610.2).

37.30. Executive Order 12928. Pursuant to Executive Order 12928, the Grantee is strongly encouraged to provide subcontracting/subgranting opportunities to Historically Black Colleges and Universities and other Minority Institutions such as Hispanic-Serving Institutions and Tribal Colleges and Universities, and to Small Businesses Owned and Controlled by Socially and Economically Disadvantaged Individuals.

37.31. The Build America, Buy America Act. The Build America, Buy America Act ("BABAA") was enacted on November 12, 2021 as part of Public Law 117-58. With the passage of this law, federal financial assistance projects for infrastructure must comply with domestic content procurement preference requirements established in BABAA Section 70914 and OMB's implementing guidance at 2 CFR Part 184. The Buy America preference requires all iron, steel, manufactured products, and construction materials used for infrastructure projects in the United States under an award to be domestically manufactured. Covered activities include the construction, alteration, maintenance, or repair of public infrastructure, including buildings and real property. This domestic content procurement preference in BABAA Section 70914 must be included in all subawards, contracts and purchase orders for the work performed, or products supplied using these funds. The OMB guidance in 2 CFR Part 184 is effective for awards made on or after October 23, 2023. For awards made between May 14, 2022 and October 22, 2023, recipients and subrecipients are subject to OMB Memorandum M-22-11.

37.32. Buy American Act. For WIOA Title I funds, they must be expended consistent with the requirements of 41 U.S.C. 8301-8303, commonly referred to as the Buy American Act ("BAA"). *See* WIOA Section 502(a), 29 U.S.C. 3342(a). In the case of any equipment or product that may be authorized to be purchased with financial assistance provided using funds made available under WIOA Title I, it is the sense of Congress that entities receiving the assistance should, in expending the assistance, purchase only American-made equipment and products.

37.33. Health Benefits Coverage for Contraceptives. Federal funds may not be used to enter into or renew a contract which includes a provision for prescription drug coverage unless the contract also includes a provision for contraceptive coverage. This requirement does not apply to contracts with (a) the religious plans of Personal Care's HMO and OSF Health Plans, Inc. and (b) any existing or future plan if the carrier for the plan objects to such coverage on the basis of religious beliefs. In implementing this Paragraph, any plan that enters into or renews a contract may not subject any individual to discrimination on the basis that the individual refuses to prescribe or otherwise provide for contraceptives because such activities would be contrary to the individual's religious beliefs or moral convictions. Nothing in this term shall be construed to require coverage of abortion or abortion-related services.

37.34. Restriction on Health Benefit Coverage for Abortions. Federal funds may not be expended for health benefits coverage that includes coverage of abortions, except when the abortion is due to a pregnancy that is the result of rape or incest, or in the case where a woman suffers from a physical disorder, physical injury, including life-endangering physical conditions caused by or arising from the pregnancy itself that would, as certified by a physician, place the woman in danger of death unless an abortion is performed. This restriction does not prohibit any non-Federal entity from providing health benefits coverage for abortions when all funds for that specific benefit do not come from a federal source. Additionally, no funds made available through this Award may be provided to a State or local government if such government subjects any institutional or individual health care entity to discrimination on the basis that the health care entity does not provide, pay for, provide coverage of, or refer for abortions.

37.35. Restrictions Against the Creation or Research of Embryos. No federal funds shall be used for (1) the creation of a human embryo or embryos for research purposes; or (2) research in which a human embryo or embryos are destroyed, discarded, or knowingly subjected to risk of injury or death greater than that allowed for research on fetuses in utero under 45 CFR 46.204(b) and section 498(b) of the Public Health Service Act (42 U.S.C. 289g(b)). For purposes of this section, the term "human embryo or embryos" includes any organism, not protected as a human subject under 45 CFR 46 as of March 23, 2024, that is derived by fertilization, parthenogenesis, cloning, or any other means from one or more human gametes or human diploid cells.

37.36. Restriction on the Promotion of Drug Legalization. No federal funds shall be used for any activity that promotes the legalization of any drug or other substance included in Schedule I of the schedules of controlled substances established under Section 202 of the Controlled Substances Act except for normal and recognized executive-congressional communications or where there is significant medical evidence of a therapeutic advantage to the use of such drug or other substance or that federally sponsored clinical trials are being conducted to determine the therapeutic advantage.

37.37. Restriction on Purchase of Sterile Needles or Syringes. No federal funds shall be used to purchase sterile needles or syringes for the hypodermic injection of any illegal drug. This limitation does not apply to the use of funds for elements of a program other than making such purchases if the relevant State or local health department, in consultation with the Centers for Disease Control and Prevention, determines that the State or local jurisdiction, as applicable, is experiencing, or is at risk for, a significant increase in hepatitis infections or an HIV outbreak due to injection drug use, and such program is operating in accordance with State and local law.

37.38. Requirement for Blocking Pornography. No federal funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography.

37.39. Flood Insurance. The Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4001 *et seq*., provides that no federal financial assistance to acquire, modernize, or construct property may be provided in identified flood-prone communities in the United States, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within 1 year of the identification. The flood insurance purchase requirement applies to both public and private applicants for USDOL support. Lists of flood-prone areas that are eligible for flood insurance are published in the Federal Register by the Federal Emergency Management Agency (FEMA).

37.40. Architectural Barriers. The Architectural Barriers Act of 1968, 42 U.S.C. 4151 *et seq*., as amended, the Federal Property Management Regulations (*see* 41 CFR 102-76), and the Uniform Federal Accessibility Standards issued by the U.S. General Services Administration (GSA) (*see* 36 CFR 1191, Appendices C and D) set forth requirements to make facilities accessible to, and usable by, the physically handicapped and include minimum design standards. All new facilities designed or constructed with Grant Funds support must comply with these requirements.

37.41. Prohibition on Contracting with Corporations with Unpaid Tax Liabilities. Grantee may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that has any unpaid federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability.

37.42. Prohibition on Contracting with Corporations with Felony Criminal Convictions. The Grantee may not knowingly enter into a contract, memorandum of understanding, or cooperative agreement with, make a grant to, or provide a loan or loan guarantee to, any corporation that was convicted of a felony criminal violation under any federal law within the preceding 24 months.

37.43. Prohibition on Procuring Goods Obtained Through Child Labor. No Grant Funds may be obligated or expended for the procurement of goods mined, produced, manufactured, or harvested or services rendered, in whole or in part, by forced or indentured child labor in industries and host countries identified by USDOL prior to December 29, 2022. USDOL has identified these goods and services here: http://www.dol.gov/agencies/ilab/reports/child-labor/list-of-products.

37.44. Violation of the Privacy Act. Grant Funds cannot be used in contravention of 5 U.S.C. § 552a (Privacy Act) or regulations implementing the Privacy Act.

37.45. Drug-Free Workplace. The Drug-Free Workplace Act of 1988, 41 U.S.C. 702 *et seq*., and 2 CFR 182 require that all organizations receiving awards from any federal agency maintain a drug-free workplace. The Grantee must notify the Grantor if an employee of the Grantee is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for suspension or debarment.

37.46. Restriction on Lobbying/Advocacy. No Grant Funds may be used by Grantee to pay the salary or expenses of Grantee or any subrecipient, or agent acting for Grantee or such subrecipient, related to any activity designed to influence the enactment of legislation, appropriations, regulation, administrative action, or executive order proposed or pending before the Congress or any state government, state legislature or local legislature or legislative body, other than for normal and recognized executive-legislative relationships or participation by an agency or officer of a State, local or tribal government in policymaking and administrative processes within the executive branch of that government.

37.47. Conflict of Interest Policy. Grantee is required to have a written policy in place on conflicts of interest, including organizational conflicts of interest. The policy must include the process the Grantee will take to identify, avoid, remove, and remedy real or potential conflicts of interest.

37.48. Fair Labor Standards Act Amendment for Major Disasters. The Fair Labor Standards Act of 1938 ("FLSA") will apply as if the following language was added to section 7 (the Maximum Hours Worked Section). This language specifically relates to occurrences of a major disaster (as designated by the State or federal government) and are applied for a period of two years afterwards. The language is as follows:

> (s)(1) The provisions of this section [maximum hours worked] shall not apply for a period of 2 years after the occurrence of a major disaster to any employee--
>
> (A) employed to adjust or evaluate claims resulting from or relating to such major disaster, by an employer not engaged, directly or through an affiliate, in underwriting, selling, or marketing property, casualty, or liability insurance policies or contracts;
>
> (B) who receives from such employer on average weekly compensation of not less than $591.00 per week or any minimum weekly amount established by the Secretary, whichever is greater, for the number of weeks such employee is engaged in any of the activities described in subparagraph (C); and
>
> (C) whose duties include any of the following:
>
> (i) interviewing insured individuals, individuals who suffered injuries or other damages or losses arising from or relating to a disaster, witnesses, or physicians;
>
> (ii) inspecting property damage or reviewing factual information to prepare damage estimates;
>
> (iii) evaluating and making recommendations regarding coverage or compensability of claims or determining liability or value aspects of claims;
>
> (iv) negotiating settlements; or
>
> (v) making recommendations regarding litigation.
>
> (2) The exemption in this subsection shall not affect the exemption provided by section 13(a)(1) [of the FLSA].
>
> (3) For purposes of this subsection--
>
> (A) the term 'major disaster' means any disaster or catastrophe declared or designated by any State or Federal agency or department;
>
> (B) the term 'employee employed to adjust or evaluate claims resulting from or relating to such major disaster' means an individual who timely secured or secures a license required by applicable law to engage in and perform the activities described in clauses (i) through (v) of paragraph (1)(C) relating to a major disaster, and is employed by an employer that maintains worker compensation insurance coverage or protection for its employees, if required by applicable law, and withholds applicable Federal, State, and local income and payroll taxes from the wages, salaries and any benefits of such employees; and

(C) the term 'affiliate' means a company that, by reason of ownership or control of 25% or more of the outstanding shares of any class of voting securities of one or more companies, directly or indirectly, controls, is controlled by, or is under common control with, another company.

37.49. Assurances. The provision by the Grantee of the following assurances and certifications in no way affects the Grantee's obligation to comply with every provision of this Agreement, even if not specifically mentioned in this Section. The Grantee hereby assures and certifies compliance with each of the requirements applicable to its WIOA Program:

Upon successful completion of the original probationary period, an employee shall acquire seniority retroactive to the employee's original date of hire with the Employer.
Seniority shall be applied as follows:

1) If a Deputy is assigned to the Corrections Bureau they shall keep their Office hire date seniority for purposes of accruing benefits (*i.e.,* sick time, vacation time, etc.).

2) When selecting/bidding for vacation time in the Corrections Bureau, Deputies shall utilize their sworn date.

3) When submitting shift requests, bureau transfers and special services requests (*i.e.* SWAP, Transport, Laundry, Periodic Imprisonment, Medical, FTO, Vocational Program Deputies, Vocational Program Coordinator, Accreditation Manager, and Law Library) and collateral duty assignments requests within the Corrections Bureau, Deputies shall utilize their sworn date. Where skills, knowledge, and ability, are relatively equal, sworn date seniority shall control such assignment as between bargaining unit members. Should the Office create new Special Services or collateral duty assignments that are not currently listed in the collective bargaining agreement, the same criteria for Deputies selected to these positions would apply. Bureau transfer requests shall be submitted annually between September 1st and September 30th. Bureau transfer requests from the prior year shall be discarded on October 1st.

4) If a Deputy is transferred to a position outside of the bargaining unit and later returns to the bargaining unit, their Office hire date shall be used for benefit calculation purposes and their previous seniority accumulated as a sworn deputy in the Corrections Bureau shall be used for purposes of shift, assignment and vacation requests. Transfers for a period not in excess of ninety (90) days shall continue to accrue seniority for all purposes.

5) If 2 or more deputies have the same sworn in date and are assigned to the same team, a lottery shall be held to determine the order (*i.e.* 1st, 2nd, etc.) for which deputy shall pick for vacation, DRT and shift bidding. The vacation lottery shall be held once a year with a union representative present. The DRT lottery shall be held

after the ratification of the 12/1/2015 successor contract, with a Union representative present. After the initial lottery, there shall be a rotation each quarter, until each Deputy has picked first, and then the rotation shall start over. For the purpose of picking DRT, if a Deputy is transferred to a new team and they have the same sworn date as another Deputy, they shall be placed behind the existing Deputy, and at the next quarter after the transfer, they shall pick according to the aforementioned policy. If 2 or more deputies have relatively equal skills, knowledge and ability, and have the same sworn in date and submit special services requests (*i.e.* SWAP, Transport, Laundry, Medical, FTO, and Law Library, etc.), a tie-breaker lottery shall be held to determine the order of seniority for that specific posting of the open position, with a Union representative present.

Section 6.3 - Seniority List

Upon the Union's request, the Employer will provide the Union with a seniority list setting forth each employee's seniority date. The Employer shall not be responsible for any errors in the seniority list unless such errors are brought to Employers attention within fourteen (14) calendar days of the date the list is provided to the Union. However, when any suspected errors are brought to the Employers attention at any time, once the error is verified they will be corrected within fourteen (14) calendar days.

Section 6.4 - Termination of Seniority

An employee's seniority (and the employment relationship) shall terminate upon the occurrence of any one of the following, if the employee:

a) quits or resigns; or

b) is discharged for just cause (probationary employees without cause); or

c) retires, or is retired; or

d) is absent for three (3) consecutive working days without notifying the Sheriff or the employee's supervisor, unless the employee's failure to report back to work is due solely to circumstances totally beyond the employee's control; or

e) falsifies the reason for a leave of absence or engages in gainful employment while on an authorized leave of absence; or

f) fails to return to work at the conclusion of an approved leave of absence or an approved extension thereof unless the employee's failure to return and failure to obtain and extension are solely due to circumstances totally beyond the employee's control. For purpose of this paragraph, the Employer's denial of an extended leave is not considered a circumstance beyond the employee's control; or

g) is laid off for a period in excess of twenty-four (24) months or the length of the employee's employment with the Sheriff's Office, whichever is less; or

h) is laid off and fails to report for work within seven (7) calendar days after having been recalled; or

i) does not perform work for the Sheriff's Office for a period in excess of twenty-four (24) months.

Section 6.5 - Seniority While on Leave of Absence

Employees will continue to accrue seniority credit for an unpaid leave to the extent required by State or Federal law.

Section 6.6 - Accrual of Seniority

A member's hire date seniority continues to accrue during a transfer to another division, or transfers to another bargaining unit position, sick leave, time lost due to injury or illness on the job, and/or a military leave of absence as required by law.

ARTICLE 7 - DISCIPLINE AND DISCHARGE

Section 7.1 - Discipline

Disciplinary action may be imposed by the Sheriff or his designee(s) upon a post-probationary employee, but only for just cause; discipline may be imposed upon probationary employees without just cause or recourse to the grievance procedure or Sheriff's Merit Commission.

Discipline imposed on post-probationary bargaining unit members is solely and exclusively subject to review under the grievance procedure and may not be appealed to the Sheriff's Merit Commission.

Discipline imposed on bargaining unit members of two (2) days suspension without pay or less is solely subject to review under the grievance procedure, through step 3 (to the sheriff) and is not arbitrable. Discipline of three (3) days to sixty (60) days or longer suspension without pay may be imposed by the Sheriff and reviewed solely through appeal to an independent arbitrator. Suspensions without pay shall be served on the basis that a one-day suspension is equivalent to 8 hours. All suspension days shall be served in full shift increments, unless the balance is such that it does not fulfill the member's regular full shift. Unless otherwise agreed to by the Sheriff and Union, for suspensions of 3 days or more, the dates of when suspensions are to be served shall be disclosed at the time discipline is issued. For suspensions of less than 3 days, if the Sheriff does not provide the dates on which the suspension will be served in the notice of discipline, at least 5 days' notice will be given before the suspension will be served. If the Sheriff terminates a post-probationary employee covered by this agreement, the termination may be brought to the independent arbitrator.

Nothing in this agreement is intended or should be construed to waive an employee's right to union representation during questioning that the employee reasonably may lead to discipline as contained in such cases as Central Management Services and Corrections (Morgan), 1 PERI par. 2020 Central ISLRB, (1985), and NLRB v. Weingarten, 420 U.S. 251 (1975).

Nothing in this agreement shall be construed to waive an employee's rights under the Uniform Peace Officer's Disciplinary Act (50 ILCS 725/1). Following termination of an employee, the Union President or his designee shall be notified in writing as soon as reasonably possible.

Section 7.2 - Pre-Discipline Meeting

For discipline greater than a written or oral reprimand, the Employer shall meet with the employee involved to inform him/her of the reason for contemplated disciplinary action. The employee shall then be allowed an opportunity to rebut or clarify the charges disclosed at this meeting.

Section 7.3 - DuPage County Merit Commission and Grievance Arbitration

The DuPage County Sheriff's Merit Commission shall no longer maintain its oversight and review responsibilities with respect to the imposition of discipline by the Sheriff or his designee(s) upon bargaining unit members. However nothing herein shall infringe on the function of the Sheriff's Merit Commission in testing applicants for new positions or promotions, and creating eligibility lists for any such positions for which the Sheriff shall fill during the term of this Agreement.

Section 7.4 - Limitations

The Employer shall recognize and/or utilize only that disciplinary history appropriately documented and currently filed in the employee's personnel files located in the Sheriff's Office of Professional Standards and Conduct and the Administrative Office. No other working files shall be utilized by other management staff for discipline. Oral reprimands shall not be utilized or relied upon for discipline for events that occurred more than twelve (12) months prior, unless there has been additional discipline issued within such twelve (12) month period, and written reprimands shall not be utilized or relied upon for discipline for events that occurred more than twenty-four (24) months prior, unless there has been additional discipline issued within such twenty-four (24) month period. In the event a bargaining unit member is removed by the Sheriff from a specialty position, the Sheriff or designee shall cite the specific reasons that are the basis of the cause of removal.

Section 7.5 - Modified Discipline

Should the Employer present to the Local extenuating circumstances warranting discipline other than described in Section 7.1, or should the affected employee present to the employer extenuating circumstances warranting discipline other than described in Section 7.1 above, the Employer may use a modified form of discipline.

No Employee covered by this agreement shall be subject to a disciplinary transfer or reassignment outside the described bargaining unit (described in Section 1.1), unless such reassignment or transfer is accomplished on a voluntary basis, or is fairly considered to advance the mission and/or goals of the Sheriff's Office.

Section 7.6 - Notice of Discipline

In the event disciplinary action is taken against an employee, other than oral discipline, the Employer shall furnish written notice to the employee, which shall generally state the reasons for such discipline, and the direction to the employee for future behavior. The employer shall notify the employee of any discipline within five (5) days of the completion of the Employer's investigation. Copy of such written notice should be maintained in the employee's personnel file.

Section 7.7 - Employee Surveillance

GPS and other tracking or recording, audio or video, or other surveillance devices (*e.g.* video, photographic, audio, GPS, or other recorded surveillance) shall principally be used for officer safety purposes. However, surveillance alone may justify an investigation.

Section 7.8 - Outside Employment While on Suspension Without Pay

No member may be denied the ability to obtain lawful employment while on suspension without pay provided that the type of such outside employment is consistent with the type of employment allowed by the Rules and Regulations of the DuPage County Sheriff's Office. There shall be no limitation of hours worked while on suspension without pay.

Section 7.9 – Body-Worn Cameras

A. The Sheriff has adopted and implemented a policy related to the use of officer-worn body-worn cameras (the "BWC Policy"). The BWC Policy shall be administered in accordance with the terms of this Section and the Illinois Officer-Worn Body Camera Act (the "Act"), 50 ILCS 706/10 *et seq.*

B. The recording deputy and his or her supervisor shall have access and can review all recordings (both his or her own recordings and the recordings of other deputies) prior to completing incident reports or other documentation, in accordance with Section 10-20(6)(A) of the Act, provided the deputy or his or her supervisor discloses that fact in the report or documentation. In use of force cases, this paragraph is limited by the provisions set forth in paragraph C, *infra.*

C. A deputy shall not have access to or review his or her body-worn camera recordings or the body-worn camera recordings of another deputy prior to completing incident reports or other documentation in the following circumstances:

(i) when the deputy has been involved in or a witness to an officer-involved shooting, use of deadly force incident, or the use of force incidents resulting in great bodily harm.

a. great bodily harm requires an injury of a graver and more serious character than an ordinary battery – the injury must be more severe than some sort of physical pain or damage to the body, like lacerations, bruises or abrasions, whether temporary or permanent. *See People v. Figures*, 216 Ill. App. 3d 398, 401 (1991) citing *People v. Parvin*, 125 Ill. 2d 519 (1988). However, the parties recognize that courts have found that a physical beating may qualify as such conduct that could cause great bodily harm and a determination of great bodily harm will be supported by an injury of a graver and more serious character than an ordinary battery. *See People v. Kinnerson*, 2020 IL App (4th) 170650, ¶ 69-70, 170 N.E.3d 142, 157. As such, if the offender is transported to the hospital or otherwise receives medical attention (*e.g.*, from a paramedic, EMT, or other medical professional), the restriction contained in this paragraph C shall apply. Also, if the deputy discharges

or otherwise uses a firearm or deploys any control devices such as: kinetic energy munitions, edged weapons, chemical or electronic weapons (*e.g.*, taser and/or OC spray), or impact weapons, the restriction contained in this paragraph C shall apply.

(ii) when the deputy is ordered to write a report in response to or during the investigation of a misconduct complaint against the deputy. If the deputy subject to this paragraph C prepares a report, any report shall be prepared without viewing body-worn camera recordings, and the deputy's supervisor shall permit the deputy to file amendatory reports after viewing body-worn camera recordings. Supplemental reports under this provision shall also contain documentation regarding access to the video footage.

(iii) In no way shall this paragraph C be construed as a limitation or restriction on a deputy's right to view body-worn camera footage under any other circumstances not articulated in this paragraph C.

D. Body-worn cameras shall not be remotely activated by the Sheriff without extraordinary/exigent circumstances, including, but not limited to, an emergency where a deputy cannot be located. Should the body-worn camera be activated remotely, the Sheriff agrees to enable all settings that will notify the deputy by audio and/or visual means.

E. When a deputy is asked to give a statement as part of a Sheriff's investigation related to the deputy's own conduct involving their own use of force and/or another act that could lead to disciplinary action against that deputy, the deputy shall have the option of reviewing their own body-worn camera video, subject to Section 10-20(6)(A) of the Body-Worn Camera Act.

F. Nothing in this Section shall be construed as a waiver of a deputy's ability to claim that a portion of the recording contains a communication protected by a legally recognized privileged relationship (*e.g.*, spouse, attorney, labor representative, minister, etc.). Any claim of privilege will be addressed and resolved pursuant to UPODA and state and federal laws, when applicable. Note: A privileged conversation does not include a conversation with another officer or supervisor while still actively engaged in a call for service, investigation, community caretaking function and/or law enforcement encounters or activities.

G. In the event of a conflict between an express provision of this Section and the Act, the Act will govern in all cases. If there is a material change in the Act (or the laws interpreting the Act), the parties agree to negotiate the impact and effects of the change on the BWC Policy.

H. Except as required by the Freedom of Information Act (including opinion letters of authorized officials related to FOIA) and/or another applicable law, recordings made with the use of an officer-worn body camera are not subject to disclosure to third parties.

I. Should any paragraph or clause of this Section be declared illegal or invalid by a court of competent jurisdiction, or by reason of any existing or subsequently enacted legislation, all other provisions of this Section shall remain in full force and effect.

Section 7.10 - Use of Predictive Models, Artificial Intelligence, and Algorithms for Monitoring

The Employer shall notify the Union no less than forty-five (45) days prior to implementing a system that the Employer is aware utilizes new artificial intelligence, as defined in the Illinois Human Rights Act (775 ILCS 5/2-101). The Union may then demand bargaining, as may be required by the Illinois Public Labor Relations Act.

ARTICLE 8 - GRIEVANCE PROCEDURE

Section 8.1 - Definition of Grievance

A grievance is defined as any difference, complaint or dispute between the Employer and the Union or any employee(s) regarding the application, meaning or interpretation of this Agreement.

A grievance shall contain a complete statement of facts surrounding the Grievant's/Sheriff's grievance, the specific Articles and Sections of this Agreement allegedly violated and how such violation occurred, the date of the alleged violation and the relief sought. The grievance document shall be signed and dated by the Grievant and the Local representative unless the Sheriff submits the grievance whereupon the grievance shall be signed and dated only by

the Sheriff or his Designee. Only one subject matter shall be covered in any one grievance, however, a grievance may allege violations of multiple contract sections relating to the same incident.

Section 8.2 - Class Grievance

The Union may file a Class Grievance if it affects two (2) or more bargaining unit members whose grievances involve the same issues, interpretations, and contract provisions so that a decision as to one (1) grievant shall be decisive as to all members of the class. As such, Class Grievances will be submitted by the Union President or President of Local #501. The written grievance shall contain a complete statement of facts surrounding the Employees' complaint (including, but not limited to, the names of each bargaining unit member, known to the Union at the time of filing, who is alleged to be entitled to relief), the specific Articles and Sections of this Agreement alleged violated, the date of the alleged violation and the relief sought.

Section 8.3 - Grievance Procedure

The parties to this Agreement affirm that for the Grievance Procedure to function efficiently and effectively, an effort should be made by the parties to resolve grievances at the lowest possible level of the Grievance Procedure.

Section 8.4 - Use of the Grievance Procedure

All employees and the Union are urged to first seek review through this Grievance Procedure of an alleged violation of this agreement before resorting to any other forum, e.g. administrative or judicial.

Section 8.5 - Step – 1

As a general rule, an employee who has a grievance should first attempt to resolve the grievance informally with his/her immediate supervisor. If the immediate supervisor is unable to resolve the grievance, the employee or union representative will submit the grievance in writing to his/her Bureau Chief or designee specifically indicating that the matter is a grievance under this agreement. The written grievance shall contain a complete statement of facts surrounding the Employee's complaint (including, but not limited to, the name of the grievant), the specific Articles and Sections of this Agreement allegedly violated, the date of the alleged violation and the relief sought. The grievance document shall be signed and dated by the grievant and the Union representative.

All grievances must be presented in writing within ten (10) calendar days of the occurrence giving rise to the grievance, not including the day of the occurrence, or date when the affected employee knew, or reasonably should have known, of such occurrence; however, in no event shall any grievance be filed more than thirty (30) days after the date of the occurrence giving rise to the grievance. Any grievance not presented to the Bureau Chief or designee within the time stated above shall be deemed waived.

The Bureau Chief or designee shall offer to discuss the grievance with the grievant and an authorized representative of the Union. If no settlement of the grievance is reached, the Bureau Chief or designee shall provide an answer in writing no later than seven (7) calendar days from the receipt of the Step 1 grievance, generally stating whether the employer is granting or denying the grievance. If the matter is not resolved at the first step of the Grievance Procedure, or the Bureau Chief's or designee's response is not received within the seven (7) calendar days after the receipt of the Step 1 grievance, the Employee may proceed to Step 2 of the Grievance Procedure.

Section 8.6 - Step – 2

If the grievance is not settled at Step 1 and the Employee wishes to appeal the grievance to Step 2 of the Grievance Procedure, the appeal shall be submitted in writing to the Sheriff, or his designee, within seven (7) calendar days after the receipt of the Bureau Chief's or designee's written response to the Employee, not including the day the response was received, or the day the response was due if no response was received.

The written appeal shall generally state the basis upon which the Employee believes the grievance was improperly denied at the previous step of the Grievance Procedure. In addition, for class grievances filed pursuant to Section 8.2 of this Agreement, the Union shall be required to provide the names of each bargaining unit member who is alleged to be entitled to relief that was not known at the time that the class grievance was filed at Step 1. The Sheriff, or his designee, shall offer to discuss the grievance with the grievant and an authorized representative of the Union. If no settlement of the grievance is reached, the Sheriff, or his designee, shall provide a written response to the grievant

within seven (7) calendar days after receiving the written Step 2 Grievance, not including the day the response was received, or the day the response was due if no response was received generally stating the basis upon which the Employer is denying the grievance.

Section 8.7 - Step – 3

If the grievance is not resolved at Step 2 of the Grievance Procedure, or the written answer to the grievant is not given to the Employee in a timely manner, and the Union wishes to appeal the grievance from Step 2 of the Grievance Procedure, the grievance may be referred to arbitration. Notice that the Union is referring the dispute to arbitration shall be made to the Sheriff, or his designee, within twenty-eight (28) calendar days of the Step 2 written response to the employee or the Union, not including the day the response was received. This time requirement may be waived by mutual agreement of each party.

If the grievance is appealed to arbitration, representatives of the Employer and the Union shall randomly select a panel of three arbitrators from the following panel of arbitrators: Jeanne Vonhof, Ed Benn, Brian Clauss, Daniel Nielsen, Kevin Camden, Steven Briggs and Cary Morgen. Within 90 calendar days of the Union's written notice to advance its grievance to Step 3, the parties shall meet (virtually or in person) to select an arbitrator. A three-member arbitration panel will be selected on a randomized basis from the 7-member permanent panel, in a manner to be determined by the parties. Upon the 3-member panel of arbitrators being selected, the Union shall strike one member of the panel, and the Employer shall then strike one member of the panel. The arbitrator whose name remains shall be the arbitrator. The arbitrator shall be notified of his/her selection by a joint letter from the Employer and the Union requesting that he/she set a time and date for the hearing subject to the availability of the Employer and the Union representatives. The arbitrator shall notify the Employer and the Union of the mutually agreed upon date and time of the hearing. If the Union fails to meet to select an arbitrator within 90 calendar days of its written notice to advance the grievance to Step 3, then the grievance shall be considered to be withdrawn. If the Employer fails to meet to select an arbitrator within 90 calendar days of the Union's written notice to advance the grievance to Step 3, then the Union shall select the arbitrator from the panel of 7 arbitrators.

Should an arbitrator become unable to serve on the 7-member panel, the parties will attempt to jointly select a replacement. If the parties cannot agree to a replacement, the parties shall jointly request a panel of seven (7) arbitrators from the Federal Mediation and Conciliation Service or Illinois Labor Relations Board who are members of the National Academy of Arbitrators residing in Illinois, Indiana, Iowa, or Wisconsin. The parties shall meet (virtually or in person) to alternately strike the name of an arbitrator, with the party requesting arbitration making the first strike. The remaining name shall become the new panel member.

No more than one grievance may be submitted to an arbitrator at any one time without the consent of the other party. The parties shall share fees and expenses of the arbitrator, arbitration hearing, and the cost of the transcript equally incurred from arbitration. The costs of the arbitrator's fee, arbitration and the arbitration hearing shall be divided equally between the parties.

Section 8.8 - Authority of the Arbitrator

The arbitrator shall have no right or authority to amend, modify, nullify, ignore, add to, or subtract from the provisions of the Agreement. The arbitrator shall consider and decide only the question as to whether there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement. The arbitrator shall only be empowered to determine the issue raised by the grievance as initially presented in writing and shall have no authority to make a decision on any issue not so submitted or raised. The arbitrator shall decide questions of arbitrability. The arbitrator shall be without power to make any decision or award which is contrary to or inconsistent with any applicable laws or of rules and regulations of administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the Sheriff, the County, or the Sheriff's Merit Commission which are granted to the Sheriff, the County, or the Merit Commission by law, court decisions, or the provisions of this Agreement, except as expressly limited by the specific provisions of articles 7 and 8 of this Agreement.

Such decision and award of the arbitrator shall be final and binding on the Employer, the Union, and the employee(s) involved, unless reversed on appeal in accordance with the provisions of the Uniform Arbitration Act and/or the Illinois Labor Relations Act. The arbitrator shall submit his decision in writing within thirty (30) working days following the close of the hearing and the submission of briefs.

The Employer and Union agree to share equally the costs associated with the arbitration hearing including the cost of the court reporter, except that each shall be responsible for the costs of their own representative and witnesses.

Section 8.9 - Time Limits

Grievances may be withdrawn at any step of the procedure. If a grievance is not presented by the employee within the time limits set forth above, it shall be considered "waived" and may not be pursued further. If a grievance is not appealed to the next step within the specified time limit or any agreed extension thereof, it shall be considered settled on the basis of the Sheriff's last answer. Grievances not discussed or answered by the Employer within the designated time limits stated in this grievance procedure shall be viewed by the aggrieved employee as denied and the employee may elect to appeal the grievance to the next step of the grievance procedure. The parties may by mutual agreement in writing extend any of the time limits set forth in this Article but no extension of time shall be implied by any action or inaction of either party if not expressly stated in writing.

Section 8.10 - Information Requests

The Employer recognizes the legal rights of the Union to information necessary to process grievances. Upon request, the Employer will provide the Union with such information, as is required by law and the Union will respond in like fashion to any lawful employer request for information.

Section 8.11 - Grievance Meetings

Employees and/or the Union representatives shall investigate and/or file grievances only on their non-work time (which under this Agreement means before work, after work, during approved breaks or during a reasonable lunch period subject to emergency work duties) and only in a manner, which will not disturb other employees who are working. In the event a grievance meeting(s) is scheduled by the Employer during the time the Employee(s) would otherwise be working, the Employee(s) shall receive compensation for such time spent in such meeting(s). Grievance meetings will not take place on holidays, affected employee(s) vacations and, Employer approved leaves of absence.

Section 8.12 - Time Off

Employees shall investigate and/or file grievances only on their non-work time (which under this Agreement means before work, after work, during approved breaks or during a reasonable lunch period subject to emergency work duties) and only in a manner which will not disturb other employees who are working, unless it becomes reasonably necessary to do otherwise, in which case the affected employee(s) shall seek the permission of their supervisor and shall provide, in writing, the reasons that it is necessary to investigate and/or file grievances during working hours. If a grievance meeting(s) is scheduled during the time the employee(s) would otherwise be working, the employee(s) shall receive compensation for such time spent in such meeting(s).

Section 8.13 – Waiver of Grievance Procedure

If an employee seeks resolution of a grievance in any other forum (*e.g.*, administrative or judicial tribunal), the Employer shall have no obligation to entertain or proceed further with the matter pursuant to the grievance procedure, as to that grievant. This Section shall not preclude class grievances from proceeding, and shall not have estoppel effect on the Union's right to proceed on a class grievance, but such class grievances shall exclude any employee who sought resolution of the grievance in another forum.

ARTICLE 9 - LAYOFF AND RECALL

Section 9.1 - Layoff

The Employer shall in its' discretion determine whether layoffs are necessary. Although not limited to the following, layoffs shall ordinarily be for lack of work and/or lack of funds, an abolishment of or change in the duties of a position, or when reorganization occurs and the need for the position is eliminated. The Sheriff shall provide at least fourteen (14) calendar days advance notice, or more if reasonable, to the Union of a layoff. If a layoff is to occur, the Sheriff will provide at least 14 days' notice to any employee who is to be laid off. Once the layoff is made, the Employer will, comply with Section 9.3 Severance Pay Policy, in lieu of negotiating the impact of the layoff decision on affected employees.

If it is determined that layoffs are necessary, newly hired probationary and temporary employees in the bargaining unit shall be laid off prior to any non-probationary bargaining unit employee. Employees will be laid off from the affected position(s) in accordance with reverse Office seniority, starting with the least senior member.

Section 9.2 - Recall

Employees who are laid off shall be placed on a recall list. If there is a recall, employees who are on the recall list shall be considered before external candidates provided they are presently qualified to perform the work in the job position to which they are recalled Recall rights shall exist for a two (2) year period. If a permanent vacancy occurs in a bargaining unit classification, which the Sheriff decides to fill, a recall will be initiated and employees who have been laid off shall be offered the position in the reverse order of their layoff.

Section 9.3 - Severance Pay Policy

In the event of a layoff or voluntary separation, the employees covered by this agreement shall receive severance pay as enumerated in the Severance Pay Policy attached hereto in Appendix I.

ARTICLE 10 - HOLIDAYS

Section 10.1 - Employees Not Assigned To a Monday-Friday Work Schedule

For the term of this Agreement, there shall be 14 regularly paid holidays for all non-probationary Employees assigned to a shift different than a Monday through Friday schedule and who do not receive the designated holidays as time off, said holidays shall be designated in writing by the Sheriff or his Designee on or about September 1 of the prior year, which will be observed for the following year. The holiday schedule shall be announced prior to the vacation calendar being distributed.

Employees assigned to a shift different than a Monday through Friday schedule and who do not receive the designated holidays as time off shall receive as, and for holiday pay, on the first pay period of June and December, 64 hours of pay at the affected officer's regular straight-time hourly rate for each of those pay periods.

Section 10.2 - Requirements

Employees assigned to work a Monday – Friday workweek shall work all holidays that occur during their regular work shift, unless otherwise expressly relieved of such duty by the Sheriff or his designee(s) due to the holiday being a designated holiday off pursuant to this article. These employees shall be compensated at straight time for the designated holiday off and shall not receive holiday pay. Employees working a shift assigned to a rotating day off cycle schedule different than a Monday – Friday workweek shall be required to work those holidays that fall during their regularly scheduled work shifts and will be compensated at straight time with regular holiday pay.

In either case (holiday pay or paid holiday) the employee is required to work their last scheduled day prior to the holiday and their first scheduled day after the holiday in order to be compensated for the paid holiday or holiday pay.

If an individual employee who is assigned to a non-rotating days off shift cycle under the terms of this Agreement is required to work on a holiday, said employee shall be paid time and-a-half (1 ½) his/her regular rate of pay.

Section 10.3 - Eligibility

In order to be eligible for holiday pay, employees must have completed one (1) year of service. During the first year of service, employees shall only be compensated for the holidays actually worked. If an employee terminates his employment with less than one year of service, he shall be paid only for those holidays actually worked.

In order for an employee to be eligible for holiday pay, the employee must work or take an approved leave on the last regularly scheduled work day immediately preceding the holiday and the first regularly scheduled work day immediately following the holiday, unless absent for good cause, which absence is approved by the Sheriff or his designee(s), such approval shall not be unreasonably withheld.

Additionally, if an employee is scheduled to work a designated holiday, they must work the holiday unless off for approved leave as designated in this section. For purposes of this section, "approved leave" includes approved compensatory time and vacation time. Sick time is not considered an approved leave for purposes of holiday pay and use of sick time on a scheduled work day immediately before, on, or after the designated holiday shall constitute forfeiture of holiday pay for that holiday.

Section 10.4 - Holiday During Vacation

If an employee that is assigned to a rotating day off schedule is scheduled to work a designated holiday pursuant to this agreement, they shall work that holiday unless they request and use approved accrued benefit time such as vacation or compensatory time. The employee, if eligible, shall receive holiday compensation pursuant with this article.

If an employee is not assigned to a rotating day off schedule and they submit a vacation time request that includes a designated holiday pursuant to this agreement, the employee shall receive the holiday off with pay as designated in this agreement and not be charged with any accrued benefit time for that date.

Section 10.5 - Advance Notice

Employees scheduled to work a holiday shall be given as much advance notice as practicable.

ARTICLE 11 - VACATION

Date of hire with the Sheriff's Office will be used for the purpose of calculating vacation time. Years of service shown are completed years. Accrual of vacation time ceases during any medical or personal leave of absence of over thirty calendar (30) days.

All newly hired employees shall accrue vacation benefits during their probationary period but shall not utilize said accrued vacation benefit until after one (1) year of continuous service with the Sheriff's Office.

Section 11.2 - Vacation Pay

All Vacation leave will be paid for at the employee's hourly rate. Vacation hours shall count as time worked for the purposes of calculating overtime.

Section 11.3 - Use Of Vacation Time and Cancellation

Vacation benefits may be taken in increments of the number of hours required to take off one complete scheduled shift, but no less without prior authorization of the Sheriff or his designee. In addition a "working day" for the purpose of this Article shall not include a day which an employee is regularly scheduled off from duty. Consequently, an employee may elect to schedule his vacation time in conjunction with days off that the employee is regularly scheduled off from duty, without such days off being charged against his earned vacation accrual. Employees working a 12 ½ hr. workday may use their DRT time in conjunction with their vacation time, *i.e.*, an employee may use their 4 hrs. of DRT time and 8 hrs. of vacation time to receive a full day off.

Vacation time shall be authorized on the basis of seniority with the Office. Normally no more than four (4) persons from 1st Shift Jail (including MPI), two (2) persons from 2nd Shift Jail (including (MPI), one (1) person from Special Services, two (2) persons from Transport, One (1) person from SWAP, and one (1) person from Receiving and Discharge shall be on vacation at any one time; more MAY be allowed as long as manpower needs are met. Supervisors that are responsible for the approval and submission of vacation schedules also have the authority to grant requests for changes in these schedules. Supervisors shall set and approve the vacation schedules. However, employees' scheduling requests or requested changes may or may not be granted depending on operational needs as determined by the Sheriff or his designee(s). Vacation dates may be changed or canceled by the Sheriff or his designee(s) in the event of exigent circumstances. In the event of such cancellation, the re-scheduling will be accomplished in accordance with the provisions of this Agreement. In the event a covered employee shall experience out of pocket expenses incurred as a result of such cancellation, the employee shall submit written proof of such loss for the consideration of the Employer for purposes of reimbursement.

On or before November 1 of each year, the Sheriff or his designee shall post a schedule for available vacation during the upcoming calendar year. The employees shall select their vacation preferences in order of Office seniority within their assigned team/shift, with the most senior employee having the first choice, the next most senior employee having the second choice, and so on. All vacation requests shall be submitted by December 28, of each year. The watch commander or supervisor of the assigned unit, shift or team shall be responsible for maintaining the vacation schedule, once approved, and ensuring that all requests for vacation time use have been submitted by the requesting member in writing prior to that member taking the vacation time.

After the vacation schedule has been established, no employee can "bump" another employee regardless of seniority. Once the vacation schedule has been posted, any remaining "unscheduled" vacation days shall be taken on a daily first-requested, first received basis. In the event that two or more employees request the same vacation day (and the request is made on the same day), the employee with the most seniority within the Office shall have preference. No employee can "bump" another employee from an "unscheduled" vacation day once established, regardless of the employee's seniority.

The current process of picking vacation time for Employees assigned to the Jail (including Periodic Imprisonment), Receiving and Discharge, Transport, SWAP, and Special Service Deputies shall remain in effect for the duration of this contract. Once a member's vacation is approved and scheduled, the member will be allowed to take that vacation even if transferred and a scheduling conflict develops, as authorized by the Sheriff or his designee.

Employees may request changes, in writing, to their vacations in any increment. Example: A member may request to change an already scheduled block of vacation time to another date, or they request to change only a portion of scheduled vacation - one day, two days, etc., to another date.

Section 11.4 - Payout of Vacation Benefits

The Employees covered by this agreement shall receive payout of vacation benefits in accordance with the Vacation Time Policy attached hereto as Appendix J. This shall be true whether the separation is voluntary or involuntary.

Section 11.5 - Vacation Carryover

It is expected that earned vacation will be taken during the calendar year. However, up to eighty (80) hours of earned vacation time not taken during a calendar year may be carried over to the next year. Any amount in excess of eighty (80) hours must receive written permission from the Sheriff or his designee. Such requests shall not be arbitrarily denied.

Section 11.6 - Vacation Eligibility

In order to be eligible for a vacation, a member must have been employed and earned vacation hours in the calendar year prior to the year in which they request to take the vacation. The number of hours earned shall depend on the years of service, with the exception of the first year of employment.

During the first year of employment members shall earn vacation hours for each month worked prior to December 31, with the exception of June and December which are non-earning months, with a maximum accrual of eighty (80) hours.

ARTICLE 12 - SICK LEAVE

Section 12.1 - Definition

Employees covered by this Agreement who have completed their newly hired probationary period shall be entitled to paid sick leave. Paid sick leave is a benefit in recognition that employees may occasionally be absent because of various illnesses or injuries. The Employer believes that employees should be protected against a loss of income because of such temporary absences. To the extent permitted by law, paid sick leave can only be used for an approved absence that falls under the following guidelines:

- Illness or injury of employee, employees dependent or employee's family member.
- Emergency medical or dental care.
- Exposure to contagious disease and possible endangering of others by attendance on duty.
- Preventative care.

Section 12.2 - Sick Leave Accrual

Sick leave credits accrue during the initial probationary period of employment on a monthly basis, at the rate of either 4.0 hours/month (8 hour shifts) or 6.0 hours/month (12 hour shifts). Except during the initial probationary period, all employees covered by this Agreement shall accrue annually the first day of each calendar year (January 1st) at the following rate:

YEARS COMPLETED	8 HOUR SHIFT	12 HOUR SHIFT
1 – 5	48 Hours	72 Hours
6 – 10	56 Hours	84 Hours
11-15	64 Hours	96 Hours
16-20	72 Hours	108 Hours
21 & Above	80 Hours	120 Hours

All employees covered by this Agreement shall be allowed up to a maximum of 2,000 hours of sick leave accumulation.

Sick leave does not accrue during any personal leave of absence. If the employee does not provide two weeks' notice of termination, sick leave credit will be forfeited.

Effective 2/01/2015, all sick time hours accrued under this agreement shall be placed into a second sick leave bank ("Bank B"). Those hours shall be used and exhausted prior to the use of sick leave hours accrued and unused prior to 2/1/2015 ("Bank A").

Section 12.3 - Notification and Use of Sick Leave

The employee must directly notify the Sheriff or his designee(s) on the first day of absence at least thirty minutes (30) prior to the start of the employee's work shift and every day thereafter when the employee is requesting paid sick leave for illness, injury, or a disabling condition, unless and exigent circumstance such as injury or hospitalization prevents giving such notice. Failure to properly report an illness may be considered as absence without pay and may subject the employee to discipline, as well.

If the Sheriff or his designee(s) does not consider circumstances adequate for the use of paid sick leave, additional documentation may be required, regardless of the number of shifts absent. If this additional documentation is not supplied, then the request for sick leave shall be denied, the time shall be charged to leave without pay, and discipline may be imposed.

Any employee determined by the Sheriff or his designee(s) to be abusing the provisions of the sick leave policy shall be subject to appropriate disciplinary action or assignment to a less physically demanding position as deemed appropriate by the Sheriff.

Accumulated paid sick leave shall be used in increments of no less than one full shift at a time, except that in the event of an emergency situation, sick leave may be paid in partial shifts with the approval of the Sheriff or his designee.

Section 12.4 - Sick Leave Payout

Effective February 1, 2015, all sick time hours accrued, unused, and banked in Bank A will be frozen for purposes of eligibility for monetary compensation up to a maximum of 960 hours. Section 12.8 – Waiver of Paid Leave for All Workers Act

In consideration of the Employers agreeing to provide paid sick leave, vacation leave, personal leave and bereavement leave, bargaining unit members hereby waive the paid leave provided by the Paid Leave for All Workers Act (820 ILCS 192/1), and all provisions of said Act.

ARTICLE 13 - LEAVES OF ABSENCE

Section 13.1 - Military Leave

Employer agrees to comply with all applicable Federal and State laws relative to Military service of employees.

Section 13.2 - Family Medical Leave

The Employer will comply with all Federal and State laws in granting Family Medical Leave, and may take any actions not inconsistent with such laws or the terms of this Agreement. Any dispute over an alleged violation of this section (13.2) may be pursued through the appropriate step in the grievance procedure prior to arbitration.

Section 13.3 - Bereavement/Funeral Leave

When a death occurs in an employee's immediate family, all bargaining unit employees covered by this Agreement, upon request, shall be excused for up to three (3) working shifts, for the purpose of preparing for and attending the services and to handle personal affairs before or after the services.

To qualify for funeral leave, an employee must notify the Sheriff or designee of the need for funeral leave as soon as possible. An eligible employee shall be paid funeral leave at his normal straight time daily rate of pay for any day or days on which he is excused but would have otherwise been scheduled to work.

For the purposes of this policy, "immediate family" members include: parent, child, mother-in-law, father-in-law, stepparent, stepchild, grandparent, spouse, sibling, sister-in-law, brother-in-law, grandparent-in-law, half-sister, half-brother, grandchild or civil union partner.

Any additional time off will be charged to, and limited by, any accrued compensatory time, sick leave and vacation time. Funeral leave is subject to the approval of the Sheriff or designee(s) and will require written documentation declaring the relationship to the employee, the date and the place of the funeral and proof of attendance where requested before payment is made.

The Chief or his designee may grant an additional day of leave for travel time or other extenuating circumstances.

Section 13.4 - Notification

An employee shall notify his Supervisor within seventy-two (72) hours of learning of the death of an immediate family member, for purposes of the use of authorized bereavement leave. However, such notice shall be required to be provided at some time prior to the leave beginning.

Section 13.5 - Personal Leave of Absence

Employees may request a Personal Leave of Absence in accordance with current Office policies regarding leave, which may be amended from time to time by the Sheriff.

Section 13.6 - Occupational Disability/Worker's Compensation

The Employers will follow State and Federal laws which provide for protection of employees experiencing occupational disabilities through accidents or illness in the course of employment, including the Public Employee Disability Act.

The employees covered by this agreement shall receive occupational disability benefits, in accordance with the Workers' Compensation Policy from the County's Personnel Policy 6.3: Worker's Compensation, attached hereto as Appendix B. If a conflict arises, State and Federal laws shall supersede Appendix B.

Nothing in this Section shall be construed to waive or otherwise limit an employee's right to notify the Employer in a timely manner, as mandated by Illinois law. Bargaining unit members shall not be subject to discipline by the Sheriff for an untimely filing of workers' compensation paperwork, unless the employee knowingly failed to report or concealed the injury.

Section 13.7 - Non-Occupational Disability

The employees covered by this agreement shall receive non-occupational disability benefits in accordance with the IMRF Policy from the County's Personnel Manual at Chapter 6.2, attached hereto in Appendix C. These benefits are provided by IMRF and not by the employer.

Section 13.8 - Job Security

An employee with twelve (12) or more months of service who is eligible for Family Medical Leave and is absent on Family Medical Leave for twelve (12) workweeks or less will have the right to return to the same, or equivalent, position. Upon return from leave, any requests for reassignment may be considered based on the availability of other open positions within the Office.

Section 13.9 - Benefit Continuation

The Employers shall follow Federal and Illinois Law in regards to Family Medical Leave (FMLA) and COBRA.

Section 13.10 - Return to Work

Prior to returning to work from a disability, the employee must obtain a written statement from a licensed care provider indicating the employee's ability to perform the essential job functions and the end date of the disabling condition. The employer will follow State and Federal laws which provide for protection of employees experiencing occupational disabilities through accidents or illness in the course of employment.

An employee who sustains a work related injury must notify the immediate supervisor as soon as possible, provide documentation of the injury/illness, and meet deadlines as required.

Section 13.11 – Parental Leave

All full-time bargaining unit members who have worked at least 1,250 hours during the twelve (12) months preceding the qualifying event and who have completed twelve (12) months of service are eligible to receive Parental Time, in order to care for and bond with a newborn or newly adopted child.

A. An eligible employee will be entitled up to a total of six (6) work weeks of paid Parental Time during a designated twelve (12) months and used within six (6) months following the event for one or more of the following:

   1. The birth and care of the newborn child of the employee.

   2. The placement of a child, younger than 18, with the employee for adoption. The adoption of a new spouse's child is excluded from this section.

B. The Sheriff's Office uses a rolling twelve (12) month calendar to calculate an employee's eligibility for Parental Time, measured backward from the date of the qualified event.

C. All eligible employees must be covered on an approved leave of absence, either Family Medical Leave (Section 13.3 of this Agreement) or Personal Leave of Absence (Section 13.5 of this Agreement) to be eligible to receive Parental Time.

D. Employees who qualify for Parental Time will be required to use Parental Time before other paid time.

E. Parental Time shall run concurrently with Family Medical Leave (Section 13.3 of this Agreement).

F. In most circumstances, an employee may be required to use any accrued vacation time, sick time, and compensatory time during any portion of a leave after Parental Time has been exhausted, providing this does not interfere with eligibility for IMRF disability.

G. Eligible employees will receive a maximum of six (6) work weeks of Parental Time per birth or adoption of child/children. The Parental Time must be taken in blocks of time and used within six (6) months following the birth or adoption of the child/children. The fact that a multiple birth or adoption occurs (*e.g.*, the birth of twins or adoption of siblings) does not increase the six (6) weeks total amount of paid Parental Time granted for that event. In addition, in no case will an employee receive more than six (6) weeks of Parental Time in a rolling 12-month period, regardless of whether more than one birth or adoption event occurs within the 12-month time frame.

H. Each week of Parental Time is compensated at one hundred (100) percent of the employee's regular, straight-time bi-weekly pay. Parental Time will be paid on a biweekly basis on regularly scheduled pay dates.

ARTICLE 14 - HOURS OF WORK AND OVERTIME

Section 14.1 - No Guarantee

This article seeks to describe the normal hours of work for bargaining unit personnel. This article does not provide a guarantee of any certain number of hours of work per day, per week, or per work cycle, nor shall it be construed as a minimum or maximum work schedule.

The normal work schedule for Employees assigned to Transport, SWAP, and Special Services shall consist of eight (8) hour shifts, as specified in the following paragraphs, such that the employee is normally scheduled for eighty (80) hours of work in a 14-day work period in accordance with the provisions of Section 7(k) of the Fair Labor Standards Act. All Employees working a 12 and one half hours shift shall be granted, during each shift, a meal period of 60 minutes; 30 minutes paid and 30 minutes unpaid. A meal period shall not be taken until the Employee is properly relieved. If the Employee's Immediate Supervisor is unable to relieve an Employee for an entire meal period, the Employee shall be compensated for actual time worked at the appropriate rate. Employees working twelve and one half hour shifts are not to receive their meal period within the first or last hour of the shift. Employees working twelve and one half hour shifts using Duty Reduction Time will receive a 30-minute paid meal period.

The shift opening shall be filled by the deputy with the most seniority (as defined in Section 6.2) who submits a letter of interest, except where a genuine issue concerning the mission of the Office arises. For openings on a night shift, the Employer may fill the shift in its discretion, with either a new hire or by posting the opening for fourteen (14) days and filling with the most senior applicant.

Section 14.7 - Shift Exchange

The Employer realizes that there are occasions when it ~~is~~ may be beneficial to both Employees and the Office for Employees to be allowed to exchange an RDO (regular day off) with another. Therefore, to best accommodate the personal needs of the Employee, Employees are granted the privilege of requesting to exchange scheduled work shifts, which requests may not unreasonably be denied.

Employees may request to exchange an RDO with other Employees, provided both Employees are assigned to the same watch or division. The day(s) exchanged must be completed within fifty-six (56) days of each other and shall be limited to any normal workday that personnel are scheduled to work within that watch or division. The Employee requesting the exchange must complete the exchange day report and submit it to the Employee's Watch Commander, or if the Employee does not report to a Watch Commander, the Employee's division commander for authorization.

Normally, an Employee may not be permitted to exchange an RDO with themselves, unless such exchange is beneficial to both the Employee and to the Employer or when under exigent circumstances as deemed exigent by the Employer in its sole discretion.

Section 14.8 - Overtime and Hours Worked

Employees shall receive overtime pay at the rate of one and one-half (1½) times his hourly rate for all hours worked in excess of the applicable regularly scheduled work day or period as described hereafter. For employees assigned to an eight (8) hour work shift, overtime shall be paid for all hours worked in excess of forty (40) hours in a work week. For employees assigned to a twelve (12 ½) hour shift, overtime shall be paid for all hours worked in excess of eighty (80) hours in a two week period. No employee shall be required to flex their hours to avoid overtime. The provisions of this section do not apply to Duty Reduction Time (DRT) as described in section 14.3 of this Article. If that time off is not given, it shall be paid at the members straight time rate for that period in accordance with applicable Fair Labor Standards Act provisions and section 14.3.

For purposes of this Article, "hours worked" shall include hours paid but not worked including vacation, holiday pay, or compensatory time off, but shall exclude sick time utilized. Work details shall always be paid at the overtime rate of the affected Employee. Nothing in this Agreement shall be construed to require the Sheriff or his designee(s) to fill any vacancy. The Sheriff and his designee(s) possess the absolute right to assign overtime work and employees must work overtime as assigned by his Sheriff or his designee(s).

Section 14.9 - Overtime Distribution

For the purpose of distributing overtime on a basis that allows everyone in the bargaining unit a reasonably equal opportunity to select overtime assignments, voluntary overtime assignments shall be distributed in the following manner:

1. Each team in the Corrections Bureau (1A, 2A, 1B, and 2B) shall maintain a calendar solely for the purpose of signing up for and distributing voluntary overtime. Each team's calendar shall remain independent from all other team's calendars. Employees shall sign up for voluntary overtime by placing their name on the team's calendar for the day they are requesting to work. Employees shall not sign up for a shift more than thirty (30) days in advance.

2. Overtime shall be chosen from bargaining unit members in the Corrections Bureau by seniority (sworn time) with the Sheriff's Office. Watch Supervisors shall call employees on their respective calendar for the shift they need overtime in order of seniority until all necessary positions are filled. If a supervisor exhausts all employees on their respective calendar for the shift they need overtime, the supervisor may call any bargaining unit member regardless of seniority to fill the position(s).

3. Each group's seniority list for the purpose of overtime shall independently rotate on a monthly basis. For example, if Employee A works a voluntary overtime shift in group on Team 1A on May 1st, they shall rotate to the bottom of the overtime seniority list for group 1A for the remainder of the month of May or until all volunteers who haven't worked voluntary overtime the month of May have been exhausted for that given day. An employee who signs up to work voluntary overtime and refuses shall rotate to the bottom of the overtime seniority list for that respective group.

4. Should a shift of four (4) hours or less be required, a supervisor may request an employee to voluntarily work their duty reduction time (DRT time) which shall be paid at the employee's appropriate straight time rate of pay. In the event an employee is mandated to stay during scheduled DRT time, the employee shall be paid at their overtime rate.

5. Mandatory Overtime – In the event that there are no volunteers for an overtime assignment, or there is less than twelve (12) hours' notice of such need to fill a vacancy, such vacancy will be filled with an order-out of the least senior Employee on-duty with the qualifications necessary to carry out the work vacancy. A list shall be maintained by each watch commander detailing Mandatory Overtime assignments done through reverse seniority and the assignments shall be rotated by Office seniority such that the least senior employee mandated to work overtime goes to the end of the list and is not mandated to work overtime again until the entire list has been expired.

Section 14.10 - Special Duty Details

The Employer agrees to adhere to current written policies and procedures regarding the distribution of available Special Duty Details, which may be reviewed and reasonably updated from time to time by the Employer to comply with state law, attached as Appendix D.

Section 14.11 - Compensatory Time

Compensatory time may be earned by an employee in lieu of overtime pay, upon request by the employee and with the agreement of the Sheriff or his designee and such agreement shall not arbitrarily be withheld. Employees may accrue up to forty (40) hours of compensatory time during each calendar year, which can be replenished upon use. The forty (40) hours compensatory time accrual may be carried over from year to year.

Bargaining unit members who have accrued compensatory time and who have requested the use of such compensatory time in compliance with the requirements of this Section shall be permitted by the Sheriff to use such time within a reasonable period after making the request, if such use of compensatory time does not unduly disrupt the operations of the Sheriff's office. "Unduly disrupt" does not include the requirement to pay overtime compensation to a duly-qualified substitute.

Compensatory time shall be taken in increments of the number of hours required to take off one complete scheduled shift. APPENDIX B – WORKERS COMPENSATION

WORKERS' COMPENSATION

POLICY

It is the policy of DuPage County and the DuPage County Sheriff to follow State and Federal laws that provide Workers' Compensation for employees who experience job-related injuries or illnesses.

ELIGIBILITY

- All employees regardless of employment status.

GUIDELINES

A. Workers' Compensation is a statutory requirement provided by law to all eligible workers who sustain job-related injuries or illnesses. Guidelines and procedures are in accordance with state and federal requirements of the Workers' Compensation Act.

B. Eligible employees are entitled to receive benefits for compensable work-related injuries or illnesses. Benefits include payment for all medical and rehabilitative care and, in cases that involve lost time, Temporary Total Disability benefits (TTD).

An employee who is unable to work as the result of a work-related injury or illness will be placed on Family Medical Leave, if eligible, and will be subject to applicable guidelines regarding benefit continuation and continued employment as stated in Personnel Policy 5.9: Family Medical Leave.

C. The Human Resources Department works with a third-party administrator to administer Workers' Compensation Benefits.

PROCEDURES

1. If a work-related fatality occurs, the Supervisor must report to the Illinois Department of Labor within eight (8) hours, as well as notifying Human Resources.

2. If a work-related injury requires inpatient hospitalization (not just an ER visit), loss of an eye or amputation, the Supervisor must report to the Illinois Department of Labor within twenty-four (24) hours, as well as notifying HR. Reporting requirement guidelines can be found at: https://www.dupagecounty.gov/government/departments/human_resources/workers_compensation/

3. An employee who sustains a work-related injury is required to notify their supervisor immediately. If the supervisor is not immediately available, the employee must contact the Department Head or the Human Resources Department to record the work related incident. If necessary, the employee will be sent for medical treatment. A post-accident drug and/or alcohol test may be required of all employees requiring medical treatment. Positive drug and/or alcohol tests will be subject to disciplinary action, not to exclude termination for a first offense in compliance with Personnel Policy 7.6: Drug Free Workplace.

4. The employee must contact the Employee Injury Call Center at (877) 764-3574 to report work-related injuries.

5. The employee will complete the Employee Statement of Injury/Illness as soon as possible. The supervisor will complete the Supervisor's Statement of Injury/Illness, and forward to Human Resources at HR.WorkersComp@dupageocounty.gov within twenty-four (24) hours. If an employee refuses medical treatment, the supervisor should document the employee's refusal on the Supervisor's Statement of Injury/Illness. Forms are available from the Human Resources Department and on the County intranet under Human Resources/Worker's Compensation.

6. The employee must complete the online Preferred Provider Program Participation Election Form. This can be found on the internet at https://www.dupagecounty.gov/HR/PPPAcknowledge/

7. For Employees who are not represented by counsel, communications with Human Resources shall be forwarded to Human Resources Workers Compensation email at HR.WorkersComp@dupageocounty.gov

8. The employee is responsible for informing the treating physician that the injury is work-related and that all claims should be forwarded to the Human Resources Department. The claim is then submitted to the third party administrator for review.

9. Follow up visits, physical therapy, etc., should be scheduled during non-working hours, as this time off is not covered under Workers' Compensation. An employee who takes time during their work day to attend follow-up visits, PT, etc., must use their accrued sick time.

10. Employees who receive Temporary Total Disability (TTD) benefits are not eligible for IMRF disability benefits. However, the employee should contact IMRF if they will be unable to work for thirty (30) or more days in order to maintain service credits and death benefits. (Personnel Policy 6.2: Illinois Municipal Retirement Fund/)

11. The employee is responsible for notifying their supervisor or the Human Resources Department when they are released to return to work from a work-

related injury or illness. Written notice from the physician, specifying work restrictions, if any, is required before the employee can return to work.

12. The Human Resources Department can be contacted at any time to obtain necessary forms or to receive clarification of Workers' Compensation procedures.

GUIDELINES

A. An employee who has twelve (12) consecutive months of service and cannot perform the duties of their position because of illness or injury lasting more than thirty (30) days may be eligible for IMRF disability benefits.

B. **IMRF Sole Authority**

IMRF is the sole authority in determining benefit eligibility and the amount of benefit payments.

C. **IMRF Retirement Benefits**

1. Retirement benefits are based on the employee's length of service credit and salary. Contributions to the retirement fund are mandatory for eligible positions and are deducted from the employee's salary each pay period.

2. An employee who terminates employment prior to qualifying for retirement benefits may request a refund of their own contribution.

3. An employee who is eligible for pension benefits is not eligible for a refund.

4. Benefits statements are provided by IMRF to participating members. Employees may request an estimate of benefits from IMRF at any time to obtain an approximate projected retirement benefit figure.

D. **IMRF Disability Benefits**

1. IMRF disability benefits may begin on the 31st day of an eligible employee's absence due to injury or illness and equal 50% of average monthly earnings. The employee must apply for this benefit through IMRF. Forms are available in the Benefits Division.

2. An eligible employee who is absent for a period of three (3) days due to illness or injury may be placed on Family Medical Leave and be subject to applicable guidelines regarding benefit continuation and job security. (Personnel Policy 5.9: Family Medical Leave)

3. Employees who are unable to work in excess of thirty (30) days due to a work-related injury or illness should contact IMRF in order to maintain service credits and death benefits. (Personnel Policy 6.3: Workers' Compensation)

E. **IMRF Death Benefits**

1. The amount IMRF pays, as a death benefit, will vary depending upon the amount of the employee's service credit.

2. Upon the death of a participating IMRF member who has at least one (1) year of service, their named beneficiary is eligible for a death benefit as determined by IMRF.

PROCEDURES

1. Information regarding IMRF enrollment and benefits is distributed to new employees during orientation. Additional information is available from the Human Resources Department.

2. It is the employee's personal responsibility to keep information on file related to their retirement fund (i.e. name, address, and beneficiary) up-to-date.

3. Employees who plan to retire from the system are encouraged to contact IMRF at least ninety (90) days in advance of the anticipated retirement date to secure an estimate of benefit information.

4. As soon as it is anticipated that an employee may be absent for an extended period of time, the employee should notify their Supervisor.

5. Prior to returning to work, the employee may be asked to obtain a note from the doctor approving their return to work on a specified date and noting any restrictions. If

restrictions are noted, the Department Head or supervisor will consult with the Human Resources Department and determine whether and how the restrictions may be accommodated.

6. It is the employee's responsibility to notify their supervisor if the situation changes and if they will be unable to return to work as scheduled.

YEARS OF SERVICE	DAYS PAID
1 year + 1 day through 2 years	10 days
3 years + 1 day through 5 years	15 days
6 years + 1 day through 10 years	25 days
11 years + 1 day through 15 years	35 days
16 years + 1 day through 19 years	45 days
20 years or greater	50 days

2. There may be special circumstances in which it is in the best interest of DuPage County to increase or decrease the severance payout.

3. When the recommendation for payout is more or less than the authorized schedule or up to two (2) times the authorized schedule, the Director of Human Resources shall approve the payout with concurrence of the County Board Chairman. Additionally, the County Board Finance Committee Members shall be notified of the payout by confidential memorandum.

4. If the payout recommendation is greater than two (2) times the authorized schedule, the Director of Human Resources, with the concurrence of the County Board Chairman, shall present the recommendation to the County Board Finance Committee for their authorization during Executive Session, as provided by law.

C. Recall

1. An employee on layoff status is eligible for recall by applying to the re-employment registry in the Human Resources Department within one (1) month from the effective date of their layoff.

2. Applicants who are on the re-employment registry will be considered before external candidates. The re-employment registry applies to any position for which the employee is qualified for a period of one (1) year from the date of their layoff.

3. Upon a recall, within one (1) year from the date of layoff, the employee will have an adjusted service date for the purposes of benefit accrual. Vacation, sick days and floating holidays will be calculated using the adjusted service date to include credit for the previous employment period within the County.

APPENDIX J

PAYOUT OF VACATION

Employees may carry over up to eighty (80) hours of vacation from one (1) year to the next according to their normally scheduled bi-weekly hours. If an employee wants to carry over more than eighty (80) hours of vacation, the employee should submit a written request to the Sheriff or his designee. Any vacation carried over in excess of eighty (80) hours must be used within the first quarter. The excess carry-over vacation cannot be sold.

Once an employee has completed five (5) years of continuous service, they may elect to receive monetary payment for up to five (5) days or 37.5/40 hours of their earned vacation accrual at full value, in full day increments. Upon completion of fifteen (15) years of continuous service, an employee may elect to receive monetary payment for up to ten (10) days or 75/80 hours of their earned vacation accrual at full value, in full day increments. An employee is eligible to receive this payment one (1) time per calendar year.

If an eligible employee elects to sell vacation time, the "pay date" determines the calendar year. For example, if an employee is requesting a payment at the end of the year (December), the "pay date" is the following calendar year (January). An employee will not receive this payment if the vacation time is unearned.

For an employee that has completed one (1) year or more of service, upon separation or layoff the employee will receive monetary compensation for any accrued, unused vacation time.

Separated employees will receive any earned vacation payout on their last paycheck.

APPENDIX K
EMPLOYEE RETENTION PROGRAM

PRACTICE

It is the practice of the Employers to provide retention incentives in order to provide long-term employees additional income protection for retirement in the form of a capital accumulation program.

ELIGIBILITY

- All full-time and part-time employees who participated in the Illinois Municipal Retirement Fund and began their employment with DuPage County on or before November 30, 2002.
- Eligibility begins at age fifty-five (55) and ten (10) years of continuous service or twenty (20) years of continuous service independent of age.

GUIDELINES

A. At the time of voluntary separation or layoff, retention benefits will be paid based on the following schedule and eligibility:

Continuous Years of Service	Total Hours
10 years	400 hours
15 years	720 hours
20 years	960 hours

B. For purposes of this Appendix K, continuous service will be calculated from the earlier date of hire with DuPage County unless there has been a gap of over one year, in which case the most recent date of employment would be used to calculate retention benefits. Last day worked will be considered the final day of service.

PROCEDURES

1. Employees who sign a formal notice of separation may receive payment for retention benefits up to six (6) months prior to their separation date. Alternatively, employees may cash in the retention pay at any time upon becoming eligible, but such payout of retention pay shall be on a one-time basis, per employee. If an employee receives a payout prior to separation of employment, such employee shall not be entitled to any additional retention benefit, regardless of the years of service completed after such payout.
2. If gap in service is one (1) year or less, any retention paid previously will be deducted from future retention payouts.

EXCEPTIONS

- DuPage County Elected Officials are not eligible for this program.
- Employees who are involuntarily terminated are not eligible for this program.
- Employees who have voluntarily resigned due to a conviction are not eligible for this program.

WHEREAS, a public hearing was held on June 24, 2025 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 6:00 P.M. before the DuPage County Zoning Board of Appeals and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

1. Conditional Use to allow a video gaming cafe restaurant in a B-1 Local Business Zoning District.
2. Variation to allow a video gaming café restaurant to be located less than 1,000 feet from a place of assembly use, on the property hereinafter described:

LOTS 1, 2, 11, AND 12 IN BLOCK 1 IN ARTHUR T. MCINTOSH AND COMPANY'S FIELDVIEW, BEING A SUBDIVISION OF PARTS OF SECTION 6 AND 7, TOWNSHIP 39 NORTH, RANGE 10 EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED NOVEMBER 28, 1956 AS DOCUMENT 825065 AND CERTIFICATE OF CORRECTION RECORDED JANUARY 10, 1957 AS DOCUMENT 829294 AND AMENDED BY DOCUMENT R72-15205 RECORDED MARCH 28, 1972 IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Board of Appeals, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 10, 2025 does find as follows:

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Conditional Use to allow a video gaming cafe restaurant in a B-1 Local Business Zoning District and a Variation to allow a video gaming café restaurant to be located less than 1,000 feet from a place of assembly use.

2. That petitioner testified that the subject property is located at the southwest corner of Geneva Road and Pleasant Hill Road.

3. That petitioner testified that the proposed location of Hanna's - Wheaton video gaming café restaurant is located within 1,000 feet of the Pleasant Hill Community Church/Church of the Savior, which is approximately 700 feet to the west of the subject property.

4. That petitioner testified that the subject property is a shopping center that has ten (10) units, and that the subject unit is located on the west end of the shopping center and was previously occupied by a dry cleaner.

    a. That petitioner testified that the subject unit has been vacant for approximately five (5) years.

5. That petitioner testified that directly south and east of the subject property are all residential properties/uses and that to the north and west there are commercial properties/uses.

6. That petitioner testified that the proposed operator of Hanna's - Wheaton is an experienced video gaming operator with two (2) locations in Glendale Heights and Melrose Park.

7. That petitioner testified that the proposed video gaming café restaurant would be open from 9:00 AM to 12:00 AM.

8. That petitioner testified that the proposed video gaming café restaurant will only have six (6) video gaming devices.

9. That petitioner testified that they would serve food and liquor (beer/wine).

   a. That petitioner testified that although they serve liquor, their primary customers as their existing location do not typically order liquor, resulting in low liquor sales.

10. That petitioner testified that the main ingress and egress to the shopping center is Geneva Road, with Pleasant Hill Road to the east and Delano Street on the west also as ingress/egress points.

    a. That petitioner testified that in order to avoid customers utilizing the neighborhood to the south as a cut through, petitioner testified that they would propose restricting access going south on Delano Street from the shopping center.

11. That petitioner testified that although the proposed video gaming café restaurant would be located within 1,000 feet of a Place of Assembly, the Pleasant Hill Community Church/Church of the Savior is of modest size and only meets on the weekends.

12. That the Zoning Board of Appeals finds that the size of the Place of Assembly (Pleasant Hill Community Church/Church of the Savior) does not constitute a practical difficulty or particular hardship sufficient to justify the granting of the requested Variation.

13. That the Zoning Board of Appeals further finds that, although the petitioner has satisfied the Standards for a Conditional Use, those standards cannot be given effect because the petitioner failed to demonstrate the practical difficulty or particular hardship required to support the Variation, upon which the Conditional Use depends.

14. Furthermore, the Zoning Board of Appeals finds that, because the petitioner did not meet the burden of proof for the required Variation, the requested Conditional Use - to operate a video gaming cafe restaurant in a B-1 Local Business Zoning District - cannot be approved, as it is contingent upon the approval of the requested Variation.

STANDARDS FOR VARIATIONS:

1. That the Zoning Board of Appeals finds that petitioner **has not demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Board of Appeals finds that petitioner **has not demonstrated** the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner **has not demonstrated** sufficient evidence

that the proposed Variation will not impair an adequate supply of light and air to adjacent property.

b. Increase the hazard from fire or other dangers to said property as petitioner **has not demonstrated** sufficient evidence that the proposed Variation will not increase the hazard from fire or other dangers to said property.

c. Diminish the value of land and buildings throughout the County as petitioner **has not demonstrated** that the proposed Variation will not diminish the value of land and buildings throughout the County.

d. Unduly increase traffic congestion in the public streets and highways as petitioner **has not demonstrated** sufficient evidence that the proposed Variation will not unduly increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner **has not demonstrated** sufficient evidence that the proposed Variation will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner **has not demonstrated** sufficient evidence that the proposed Variation will not incur additional public expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has not demonstrated** sufficient evidence that the proposed video gaming café restaurant will not impair the public health, safety, comfort, morals, or general welfare.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Board of Appeals finds that petitioner **has demonstrated** that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically that the granting of the Conditional Use will not:

a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed video gaming café restaurant will be operated in an existing shopping center unit and will not impair an adequate supply of light and air to the adjacent property.

b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that the proposed video gaming café restaurant will receive all required buildings permits for interior alterations and will not increase the hazard from fire or other dangers to said property.

c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed video gaming café restaurant will be operated in an existing shopping center unit and will not diminish the value of land and buildings throughout the County.

d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed video gaming café restaurant will only have six (6) gaming devices and will not unduly increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that the proposed video gaming café restaurant will be operated in an existing shopping center unit and will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that the proposed video gaming café restaurant will be operated in an existing shopping center unit and will not incur additional public expense for flood protection, rescue or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed video gaming café restaurant will be operated in an existing shopping center unit and will not otherwise impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County.

WHEREAS, the Zoning Board of Appeals, having considered in relation to the above and at the recommendation meeting held on July 10, 2025, recommends to approve the following zoning relief:

1. Conditional Use to allow a video gaming cafe restaurant in a B-1 Local Business Zoning District.

Ms. Infelise,

On June 16, 2025, the Wheaton City Council reviewed DuPage County Zoning Notification - ZONING-25-000035 Hanna's - Wheaton, LLC. requesting a conditional use and variations pertaining to a video gaming cafe. The Mayor and City Council unanimously directed City staff to inform the County that Wheaton has an objection or concern regarding the petition. They found that the request seeking a variation for the distance from an assembly use represents a 50% reduction from the zoning requirement, and the co-location of two gaming establishments at the same property effectively circumvents the County's zoning requirements altogether. They further found that the requests are excessive, and the petition will be injurious to the neighborhood, negatively impact public welfare, or otherwise affect the public health, safety, comfort, or morals of the residents of DuPage County.

Please do not hesitate to contact me with any questions you may have.

Zoning Petition ZONING-25-000033 Duebner

WHEREAS, a public hearing was held on June 18, 2025 and July 16, 2025 in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

1. Variation to increase the height of a fence in the front yard from 4 feet 6 inches to not more than 6 feet.
2. Variation to increase the opacity of a fence in the front yard from 50% open to 100% closed, on the property hereinafter described:

LOT 9 IN BLOCK 2 IN NORTHWEST ADDITION TO WHEATON, BEING A SUBDIVISION IN THE SOUTHEAST QUARTER OF SECTION 7, TOWNSHIP 39 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED JUNE 10, 1925 AS DOCUMENT 194381, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on August 20, 2025 does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that they would like to adopt the record of their previous hearing for ZONING-25-000033 Duebner from June 18, 2025, in which petitioner testified the following:

1. That petitioner testified that the subject zoning relief is for a Variation to increase the height of a fence in front yard from 4 feet 6 inches to approximately 6 feet and a Variation to increase the opacity of a fence in the front yard from 50% open to approximately 100% closed.

2. That petitioner testified that their subject house faces Prairie Avenue, and that they technically have no backyard and that they utilize the front yard along Stanley Street as their front yard.

3. That petitioner testified that they have concerns about the safety, security, and privacy of their property as they have minimal yard space and would like to contain the little remaining front yard space in a 6-foot tall fenced in

area.

4. That petitioner testified that they will not obstruct any line of sight on the corner of Prairie and Stanley Street as there is a large Right-of-Way.

B. That the Zoning Hearing Officer finds that petitioner has demonstrated evidence for practical difficulty and particular hardship for the subject zoning relief, due to the layout of the subject property with the existing home, as the subject house faces Prairie Avenue, the petitioner technically has no backyard as they utilize the yard along Stanley Street as their front yard.

STANDARDS FOR VARIATIONS:

1. That the Zoning Board of Appeals finds that petitioner has demonstrated that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Board of Appeals finds that petitioner has demonstrated the granting of the Variation will not:
   a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the proposed fence will not impair an adequate supply of light and air to the adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that they will obtain a building permit for the proposed fence and that it will not increase the hazard from fire or other dangers to said property.

   c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the proposed fence will not diminish the value of land and buildings throughout the County.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the proposed fence will be constructed outside of the line-of-sight triangle and therefore will not unduly increase traffic congestion in the public streets and highways.

   e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the proposed fence will not increase the potential for flood damages to adjacent property.

   f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the proposed fence will not incur additional public expense for flood protection, rescue, or relief.

   g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the proposed fence will not impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County.

Subject: Concerns for Zoning Petition ZONING-25-000033 Duebner

[Caution: This email originated outside Dupagecounty.gov. Do not click links or open attachments unless you recognize the sender and know the content is safe.]

Good afternoon. I sincerely apologize for missing today's Zoom meeting at 2:30 PM. I was unexpectedly delayed at work and was unable to join in time. I appreciate your willingness to take our email into consideration.

We are the immediate neighbors of the property in question and wish to express our opposition to the proposed variances. Our primary concern is safety — both for our household and for the broader neighborhood.

Traffic on Stanley Street, particularly through the intersection with Prairie, often moves at higher speeds than is appropriate for a residential area. The proposed 6-foot fence, positioned as close to the road as outlined in the variance, poses a significant visibility hazard. This is further exacerbated by the fact that the fence is requested to be 100% closed, with no openness or transparency. A solid, opaque structure at that location would severely restrict sightlines.

This creates a dangerous situation in multiple ways:

- It impairs our ability to safely back out of our driveway, as we would have a limited view of oncoming northbound traffic.
- It obstructs visibility for drivers stopped at the Prairie Street stop sign heading west bound, making it difficult for them to see southbound traffic on Stanley.

Our concerns are strictly rooted in public and personal safety. As the adjacent property owners, we are especially affected, but the visibility limitations caused by these variances would impact the entire neighborhood.

Thank you for your time and thoughtful consideration of our concerns.

Thank You,

Giovanni Scalora

Development Committee: September 2, 2025: The DuPage County Development Committee recommended to approve the following zoning relief:

Variation to reduce the interior side setback for a new shed from required 10' to approximately 3'.

Subject to the following conditions:

1. That the property be developed in accordance with the petitioner's site plan made part of Zoning Petition #ZONING-25-000039 Porter dated July 16, 2025.

2. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.

3. That petitioner maintains the existing landscaping around the perimeter of the subject property.

4. That the property be developed in accordance with all other codes and Ordinances of DuPage County.

Development Committee VOTE (Motion to Approve): 4 Ayes, 0 Nays, 2 Absent

DuPage County Zoning Hearing Officer: August 20, 2025: The Zoning Hearing Officer recommended to approve the following zoning relief:

Variation to reduce the interior side setback for a new shed from required 10' to approximately 3'.

Subject to the following conditions:

1. That the property be developed in accordance with the petitioner's site plan made part of Zoning Petition #ZONING-25-000039 Porter dated July 16, 2025.

2. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.

3. That petitioner maintains the existing landscaping around the perimeter of the subject property.

4. That the property be developed in accordance with all other codes and Ordinances of DuPage County.

ZHO Recommendation to Approve

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is for a Variation to reduce the interior side setback for a new shed from required 10' to approximately 3'.

B. That petitioner testified that more than half (1/2) of her property is underwater when it rains and that the subject property is essentially a runoff lot at the end of a cul-de-sac.

C. That petitioner testified that the only location to construct a shed on the subject property is three (3) feet from the interior side property line, in an area where the subject property does not flood.

D. That the Zoning Hearing Officer finds that petitioner has demonstrated evidence for a practical difficulty and particular hardship with the land, as the subject property is prone to flooding and the only location to construct a shed is approximately three (3) feet from the interior side property line, in an area that does not flood.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner has demonstrated the granting of the Variation will not:

    a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that the proposed shed will be built three (3) feet from the interior side property line and will not impair an adequate supply of light and air to the adjacent property.

    b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that the proposed shed will be built in accordance with all building codes and will not increase the hazard from fire or other dangers.

c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that the proposed shed will be constructed in an area of the subject property that does not flood and therefore will be an added benefit to the surrounding area.

d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that the proposed shed will be constructed behind the front wall of the house and will not unduly increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that the proposed shed will be constructed in an area of the subject property that does not flood and therefore will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that the proposed shed will be constructed in an area of the subject property that does not flood and therefore will not incur additional public expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that the proposed shed will be an added benefit to the surrounding area and will not impair the public health, safety, comfort, morals, or general welfare.

The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may

have under the law or this AGREEMENT

6.8 Upon receipt, review and acceptance of all deliverables specified in Exhibit "B" of this AGREEMENT, final payment shall be made to the CONSULTANT.

6.9 If the scope of work for this AGREEMENT includes the use of job classifications covered by the prevailing rate of wages, the prevailing rate must be reflected in the cost estimate for this AGREEMENT. The rates have been ascertained and certified by the Illinois Department of Labor for the locality in which work is to be performed. If the Illinois Department of Labor revises the prevailing rates of wages to be paid, as listed in the specification of rates, the CONSULTANT may not pay less than the revised rates of wages. 11.0 BREACH OF CONTRACT

11.0 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of the CONSULTANT'S sub-consultants shall be deemed a breach by CONSULTANT subject to the terms of this AGREEMENT.

The COUNTY is not liable and will not pay the CONSULTANT for any work performed after the AGREEMENT'S expiration or termination. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for works satisfactorily performed prior to termination, or expiration, and delivered in accord with Paragraph 7.1, above.

15.3 The term for performing this AGREEMENT may be amended by a change order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to Paragraph 14.1, above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, in which case termination shall be effective immediately upon receipt of notice.

WHEREAS, the DISTRICT has determined by a vote of two thirds of its members that it is reasonable, necessary and in the public interest and welfare to grant the COUNTY a permanent easement subject to the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the foregoing preambles and the promises, terms and conditions set forth herein, the Parties agree as follows:

1.0 INCORPORATION OF RECITALS

1.1 The recitals set forth above are incorporated herein and made a part of this Agreement.

4.1 The DISTRICT'S Ordinance 96-096 (Rules and Regulations for Easements and Licenses) provides that easement fees are based on 1) an easement fee and 2) the value of the trees within an easement. The fee for the permanent easement is $3,000.00, which is based on a land value of $200,000 per acre ($200,000 X 0.015 acres = $3,000.00). The tree value fee is $1,176.00 as calculated in the Tree Value Table attached hereto and incorporated herein as **Exhibit C**. The total easement fee is $4,176.00. Offeror's Qualifications

Hoerr Construction, Inc. has been in the underground utility business for over 29 years constructing all types of utilities for commercial and municipal clients. Currently, we have over 80 employees operating in the State of Illinois out of our headquarters facility in Goodfield, IL and our satellite office location in Waukegan, IL. Our field crews are signatory to the laborers, operating engineers, teamsters, & plumbers unions.

Next year will mark our 20th year in the cured in place pipe (CIPP) business as a licensee of the CIPP Corporation. We have installed CIPP liners from 3" to 72" in diameter for a wide variety of customers. We own all the necessary equipment to handle not only liner installation and curing, but also all parts of the job set up and tear down. This allows us the unique ability to react quickly and efficiently to changing job conditions that often arise unexpectedly. Our Key Qualifications document provides additional information on our key personnels' experience in this work.

Our manhole rehabilitation & spray-applied lining crews began operating this year, but they have been installing these products for well over 5 years. We have completed multiple jobs for various municipalities across the State of Illinois, including IDOT. For more detail on our experience for this work, please see the Key Qualifications document.

Perhaps our greatest attribute that differentiates us from our competitors is the scope of work that we self-perform. When it comes to underground utilities, Hoerr Construction, Inc. subcontracts very little of a typical project. Depending on the location of the project, we perform the following scopes of work in-house:

- CIPP (gravity & pressure)
- Cleaning & Televising
- Grouting
- T-Lining & Lateral Lining
- Manhole Rehabilitation
- Spray-Applied Lining
- Open Cut Excavation & Point Repairs
- Sectional Point Repair Liners
- Bypass Pumping

An underground utility project can involve many different scopes of work, and by self-performing a wide range of services we have found that we can reduce miscommunications between entities, reduce scheduling conflicts, and improve the quality of the work. Project owners have a primary point of contact that has been involved with all aspects of their project. And if the circumstances are such that we cannot self-perform a part of the project that we normally could, we have the experience to understand how this should function and can advise & respond appropriately.

Attached you will find our completed projects experience list, W-9, Certificate of Good Standing from the Illinois Secretary of State and our current list of Major Sewer Rehab Equipment.

Project Understanding

This project is understood to be providing a wide range of trenchless rehabilitation & pipeline maintenance services that is utilizing a unit price pricing structure. Our understanding is that this contract will be made available to multiple participating agencies in various locations around the country. Our primary geographic area of interest is the State of Illinois, and we will apply further scrutiny to requests outside of the State of Illinois.

Since every project is going to be different, our proposed schedules will vary accordingly. For a typical project, we would expect that once the work scope & pricing details have been agreed to we would discuss a proposed schedule with the project owner. A project manager and/or superintendent will be assigned to the project, and they will be the primary point of contact for the project owner. If any milestones are required, we will incorporate them as needed into the project schedule and will keep the project owner updated as the project progresses.

We adhere to the industry standard(s) and performance metric(s) that are applicable to the different scopes of work that we perform. With nearly 30 years of experience in the underground utility industry, we have consistently met the industry standards & performance metrics for our work.

If an incident occurs on a project, it is reported to our management. Depending on the nature of the incident, an incident report (see attached) can be submitted and further investigation can be performed by management and/or our third party safety consultant.

During the course of the project, if a problem is identified that would affect the schedule, quality, or pricing for the project it is first reported to the supervisor & management. Once we understand the nature of the problem, we will notify the County (or project owner) and explain the situation. We have a large amount of experience in the underground utility industry, and we can draw on this experience to help craft a solution to the problem that is acceptable to all parties. Typically, this is worked out via emails, online meetings, and/or phone calls but we are available for site visits with the project owner if they desire.

1.0 Scope of National Cooperative Contract

Capitalized terms not otherwise defined herein shall have the meanings given to them in the Master Agreement or in the Administration Agreement between Supplier and OMNIA Partners.

1.1 Requirement

The County of DuPage, IL (hereinafter defined and referred to as "Principal Procurement Agency"), on behalf of itself and the National Intergovernmental Purchasing Alliance Company, a Delaware corporation d/b/a OMNIA Partners, Public Sector ("OMNIA Partners"), is requesting proposals for Trenchless Rehabilitation and Maintenance of Pipeline Infrastructure. The intent of this Request for Proposal is any contract between Principal Procurement Agency and Supplier resulting from this Request for Proposal ("Master Agreement") be made available to other public agencies nationally, including state and local governmental entities, public and private primary, secondary and higher education entities, non-profit entities, and agencies for the public benefit ("Public Agencies"), through OMNIA Partners' cooperative purchasing program. The Principal Procurement Agency has executed a Principal Procurement Agency Certificate with OMNIA Partners, an example of which is included as Exhibit D, and has agreed to pursue the Master Agreement. Use of the Master Agreement by any Public Agency is preceded by their registration with OMNIA Partners as a Participating Public Agency in OMNIA Partners' cooperative purchasing program. Registration with OMNIA Partners as a Participating Public Agency is accomplished by Public Agencies entering into a Master Intergovernmental Cooperative Purchasing Agreement, an example of which is attached as Exhibit C, and by using the Master Agreement, any such Participating Public Agency agrees that it is registered with OMNIA Partners, whether pursuant to the terms of the Master Intergovernmental Purchasing Cooperative Agreement or as otherwise agreed to. The terms and pricing established in the resulting Master Agreement between the Supplier and the Principal Procurement Agency will be the same as that available to Participating Public Agencies through OMNIA Partners.

All transactions, purchase orders, invoices, payments etc., will occur directly between the Supplier and each Participating Public Agency individually, and neither OMNIA Partners, any Principal Procurement Agency nor any Participating Public Agency, including their respective agents, directors, employees or representatives, shall be liable to Supplier for any acts, liabilities, damages, etc., incurred by any other Participating Public Agency. Supplier is responsible for knowing the tax laws in each state.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)

B. Website

C. Trade shows/conferences/meetings

D. Advertising

E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls

B. Joint sales calls

C. Communications/customer service

D. Training sessions for Public Agency teams

E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B). At Supplier's option, Suppliers may pay additional fees beyond administrative fees, such as technology fees, to OMNIA Partners and/or a third party for additional support and/or access to OMNIA Partners' technology platform.

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $50M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Supplier and such Participating Public Agency may agree without being in conflict with the Master Agreement as a condition of the Participating Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery,

diversity requirements such as minority and woman owned businesses, historically underutilized business, etc.) ("Supplemental Agreement"). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Supplier, Supplier and Participating Public Agency may negotiate additional pricing above and beyond the stated contract not-to-exceed pricing so long as the added price is commensurate with the additional cost incurred by the Supplier. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;

B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

C. Achieve cost savings for Supplier and Public Agencies through a single solicitation process that will reduce the Supplier's need to respond to multiple solicitations and Public Agencies need to conduct their own solicitation process;

D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

5.1.1 DuPAGE and COOK acknowledge that DuPAGE has made no representations, assurances or guaranties regarding DuPAGE's or any successor's or assign's authority and legal capacity to indemnify COOK as provided for in this AGREEMENT. In the event a court of competent jurisdiction holds that DuPAGE, or any successor or assign, is deemed to lack the lawful authority or ability to indemnify, defend or hold harmless COOK, or any person or entity claiming a right through COOK, or in the event of change in the laws of the State of Illinois governing DuPAGE's or any successor's or assign's indemnification authority, such occurrence(s) shall not affect the validity and enforceability of the remainder of this AGREEMENT or the PARTIES' rights and obligations provided for therein.

5.2 COOK shall indemnify, hold harmless and defend DuPAGE, its officials, officers, employees, and agents from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, COOK's negligent or willful acts, errors or omissions in its performance under this AGREEMENT to the extent permitted by law.

5.2.1 DuPAGE and COOK acknowledge that COOK has made no representations, assurances or guaranties regarding COOK's or any successor's or assign's authority and legal capacity to indemnify DuPAGE as provided for in this AGREEMENT. In the event a court of competent jurisdiction holds that COOK, or any successor or assign, is deemed to lack the lawful authority or ability to indemnify, defend or hold harmless DuPAGE, or any person or entity claiming a right through DuPAGE, or in the event of change in the laws of the State of Illinois governing COOK's or any successor's or assign's indemnification authority, such occurrence(s) shall not affect the validity and enforceability of the remainder of this AGREEMENT or the PARTIES' rights and obligations provided for therein.

5.3 Nothing contained herein shall be construed as prohibiting DuPAGE, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, 55 ILCS 5/3-9005, any attorney representing DuPAGE, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, as provided in 55 ILCS 5/3-9008. RE: Natural Gas Bid – Constellation New Energy – Gas Division, LLC.

On Wednesday, August 27th, 2025, we opened the County's latest natural gas supply bid. 5 (five) bids were received and staff from Facilities Management, Public Works, Department of Transportation, and Procurement, with consultation from the State's Attorney Office, reviewed the bids with respect to both bid numbers and content of their utility contract. The bid included fixed pricing for 12, 24, 36 and 48-month periods of time. Within this interval pricing, options were presented allowing for fixed yearly unit pricing over the selected term of the agreement. The bid amount includes only the natural gas supply and the separate accounts for Facilities Management, Public Works, Division of Transportation, and Care Center.

All parties agreed, after a thorough review, on Thursday, August 28th, 2025, that the lowest responsive, responsible bidder for Bid #25-101-FM presented an acceptable and beneficial bid for DuPage County. The bidder, Constellation New Energy – Gas Division, LLC., was determined to meet all contractual documentation requirements. Staff has decided that the most cost-effective and prudent course of action was to lock in fixed pricing for each of the next two 12-month periods (24 months total). The natural gas bid resulted in an average increase of 12.6% over the two-year contract term, however, this was anticipated given the escalation of the natural gas pricing since entering the previous fixed price contract in 2021. Our current contract pricing was locked in at a favorable rate to the County and represents one of the lowest market pricing that The County has experienced. The current draft of the budget already incorporates this increase. This fixed pricing strategy will provide the County with budget stability and predictability through 2027 with respect to our natural gas supply expenses.

The results of the bid were as follows:
Constellation New Energy – Gas Division, LLC.: $1,699,700 (2-year fixed pricing total for FM, PW, DOT, Care Center)

This new contract represents an average increase of 12.6% or a cumulative increase of approximately $190,000 over a two-year contract term.

Per the previously adopted County Board resolution concerning energy contracts, this contract has now been ratified and approved by the Chairman's designee, and this memo is being offered for informational purposes only.
