VENDOR CONTACT EMAIL: rondab@touchsource.com	VENDOR WEBSITE:	DEPT REQ #:	
Overview			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Recommendation for the approval of a contract to TouchSource, LLC, to provide and deliver an outdoor touchscreen kiosk for the JTK Administration Building, for Facilities Management, for the period June 25, 2025 through June 24, 2030, for a total contract amount not to exceed \$40,877.61. Contract let pursuant to the Intergovernmental Cooperation Act (GSA Cooperative Contract #47QTCA23D0058; TouchSource, LLC Quote #Q-17922).			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished Facilities Management is looking to improve wayfinding across the County Campus, and establishing a kiosk near the heavily-used 421 South Parking Lot will assist public visitors in locating the County building or department that they are here to conduct business at. It will be located near the Accessible spaces, and help orient visitors after they leave their vehicles.			

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
COOPERATIVE (DPC2-352), GOVERNMENT JOINT PURCHASING ACT (30ILCS525) OR GSA SCHEDULE PRICING	

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. This vendor participates in a national cooperative contract [GSA] that utilized a low-bid process to establish pricing for the kiosk unit.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Provide a new interactive kiosk via this GSA contract to allow visitors to confirm and locate the services they are seeking on the County campus. 2. Staff recommends securing a contract with TouchSource, LLC to provide and deliver a new outdoor touchscreen Kiosk. 3. Other option is to go out for bid, which does not guarantee prices will be lower.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Why TouchSource?

TouchSource is your proven partner in effortless place-based communications. Collaborate with us to build a sense of place that forges human connections with compelling digital experiences that evolve with the needs of your community. Our turnkey solutions combine user-friendly feature-rich software, design, unlimited remote support, and hardware for effortless upkeep. Effortlessly oversee multiple buildings and displays through our user-friendly dashboard, designed for intuitive management across various locations. TouchSource exclusively uses high quality products and certified professionals, backed by the industry's best warranty services. Over 11,000 customers proudly served the TouchSource way.

TouchSource Difference

EASY TO PLAN	EASY TO DEPLOY	EASY TO OWN
TRANSFORM VISION TO REALITY Plan a unique place-based experience with our digital solutions advisors whose expertise makes it easy to choose the most effective solution. Select from the highest quality products, best feature set and easiest-to-deploy products in the industry.	TURNKEY SOLUTIONS All-in-one, turnkey solutions combine the design, unlimited remote support, software, and hardware for effortless upkeep. Add in our installation services from certified professionals to take one more project step off your plate.	QUALITY THAT STANDS THE TEST OF TIME TouchSource uses only time-tested products, backed by the industry's best warranty services. We design our systems to be complete, quality tested, and designed to last. Why risk time, credibility and money on unproven vendors?
DESIGN THE EXPERIENCE Full-service professional design so your digital solution delivers a memorable experience that shapes your space. Get the installation advice and services you need for an easy-to-manage project.	PROJECT TEAM Our team of experts advises you every step of the way. You're assigned a customer success manager who gathers your content, reviews design choices, prepares your product and streamlines installation.	POWERFUL EASY TO USE PLATFORM Only TouchSource delivers the Spark PX™ next-generation platform for place-based communications. Instant, intuitive content management across your entire property portfolio.
PREDICTABLE COST OF OWNERSHIP We provide upfront pricing transparency in total cost of ownership. Our reliably high-quality products, unlimited remote support and full-service warranty program deliver unmatched cost reliability.	EASY ONBOARDING Our experts take the work off your plate in designing, loading content, quality-testing your software in your display, and troubleshooting questions.	PORTFOLIO-WIDE MANAGEMENT Manage multi-building and multi-display buildings from an intuitive dashboard. Our software is intuitive, designed for business users, and integration-ready.
TRUSTED PARTNERSHIP Justifying building signage investments can be a challenge. We're the industry's most trusted solution because we make it simple to own, deliver only the best, and back our promises.	RELIABLE EXCELLENCE We have a bench of industry experts, scale of solutions, and supplier relationships to deliver a reliably great set of product, services, and ownership experience regardless of supply chain and industry headwinds.	SPARK COMMUNITY EXPERIENCES Deliver compelling, always up-to-date art and content that you can post instantly across your entire network to spark a place-based communications experience for your community.

HARDWARE SALE AND SAAS AGREEMENT

This Hardware Sale and SAAS Agreement (this “**Agreement**”) is between TouchSource, LLC (“**TouchSource**”) having its address at 1370 Miners Dr. #103, Lafayette, CO 80026, and DuPage County (“**Purchaser**”), who hereby agree as follows:

1. DEFINITIONS

“**Documentation**” shall mean the specifications, user guides and other materials for the Hardware and the Software made available by TouchSource to Purchaser in written or electronic form.

“**Fees**” means the amounts payable hereunder as more particularly described on the attached Exhibit A, and Exhibit B.

“**Purchaser Materials**” means all images, content, data, software and other materials provided by Purchaser or used by Purchaser in connection with this Agreement and not provided by TouchSource hereunder. For the avoidance of doubt, Purchaser Materials does not include any information or data collected directly by the Software.

“**TouchSource Data**” means anonymous usage information, including statistics, usage data, and any databases produced therein collected by or processed in the Software and does not include any personally identifiable information.

“**Software**” means any computer program(s) included, installed, or operated on any Hardware, including updates, enhancements, translations, modifications and derivatives thereof as may be supplied by TouchSource during the term hereof.

“**Hardware**” means the computer equipment and hardware listed on the attached Exhibit B, including any associated components, enclosures, or other tangible personal property.

“**Term**” means the period specified on Exhibit A and renewal periods as subsequently elected by and paid for by Purchaser as shall be specified in writing between the parties hereto... The Initial Term together with the Renewal Term (if any) is referred to herein as the “Term.”

2. USAGE/TITLE/FEES

- (a) Purchaser is entitled to use the Software during the Term only as set forth herein and on Exhibit A.
- (b) Purchaser may not: (i) rent, loan, or re-license the Software or Documentation or any portion thereof; (ii) make copies, translations or derivative works of the Software or Documentation; (iii) reverse engineer the Software, except as expressly permitted by applicable law, or create from it any work, whether in tangible or intangible form, that constitutes a “derivative work” within the meaning of the definition set forth in Section 101 of the U.S. Copyright Act.
- (c) Any trade name or trademarks used with the Software and any licenses and rights granted hereunder may not be distributed, sold, sub-licensed, or otherwise made available or transferred, in whole or in part, to any third party without the prior written consent of TouchSource. Purchaser shall not remove or alter any legends, copyright or trade secret notices from Software or Documentation.
- (d) Purchaser agrees to pay the Fees for the use of the Software, as more particularly described on the attached Exhibit A.

3. SERVICE LEVEL

TouchSource shall provide the service level as selected on Exhibit A attached hereto (“Service Level”). TouchSource may provide or resell third-party media and information as part of specific subscription or service included in the selected Service Level (“**Content**”). Certain Service Level's may contain lower fees in exchange for allowing TouchSource to display advertisements or other Content from its partners. Purchaser is required to comply with all obligations and restrictions of Purchaser at the selected Service Level.

4. UNAUTHORIZED USE.

Purchaser agrees to notify TouchSource immediately of the unauthorized possession, use, or knowledge of any component of the Software to which Purchaser is given access under this Agreement and of other information made available to Purchaser under this Agreement, by any person or organization not authorized by this Agreement to have such possession, use or knowledge.

5. TERMINATION/DEFAULT

- (a) This Agreement shall be effective when signed by both parties hereto and is for the Term(s) specified on Exhibit A to this Agreement.
- (b) Either Party may terminate this Agreement at any time during the Term upon the failure of the other Party to observe or perform any of the covenants, terms and conditions of this Agreement where such non-performance is not fully remedied by the breaching Party within thirty (30) days after written notice by the non-breaching Party (other than as specified in subsection (c)).
- (c) Termination of this Agreement under this Section 5 shall be in addition to, and not a waiver of, any remedy at law or in equity. In the event of any termination, Purchaser shall immediately cease to use the Software, and shall return all Documentation to TouchSource. On the effective date of any termination or expiration of this Agreement, all amounts then owed by Purchaser to TouchSource for services rendered up to the date of termination will become immediately due and payable, even if later payment dates had been mutually agreed upon by the parties.

6. WARRANTY

TouchSource warrants that during the term of the Agreement, the Software will perform substantially in accordance with the Documentation. In the event of any non-conformance of such Software to the specifications, Purchaser shall promptly so notify TouchSource and provide TouchSource with information that allows TouchSource to investigate the claimed error. In any event such notice must be received by TouchSource no later than 30 days from the end of the Term. TouchSource's sole obligation and Purchaser's exclusive remedy under this warranty shall be limited to TouchSource using commercially reasonable efforts to promptly correct such defects or, in TouchSource's sole discretion, terminating this Agreement and refunding any prepaid license and service fees paid by Purchaser in accordance with Exhibit A. TouchSource's warranty obligations shall be void if the Software is modified by anyone other than TouchSource. **THE FOREGOING WARRANTY IS GIVEN IN LIEU OF, AND TOUCHSOURCE HEREBY DISCLAIMS, ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, DATA ACCURACY, SYSTEMS INTEGRATION AND NONINFRINGEMENT. PURCHASER EXPRESSLY ACKNOWLEDGES THAT BECAUSE OF THE COMPLEX NATURE OF COMPUTER SOFTWARE, TOUCHSOURCE CANNOT AND DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE WITHOUT INTERRUPTION OR ERROR-FREE.**

7. INDEMNIFICATION

To the extent permitted by applicable law, Purchaser shall, at its own expense, indemnify, defend and hold harmless TouchSource from and against any claim, loss, liability or demand (including reasonable attorneys' fees) arising out of or in connection with: (i) any negligence or willful misconduct of the Purchaser, its employees and/or agents, (ii) any breach of this Agreement by the Purchaser, (iii) any violation of law by Purchaser associated with Purchaser's failure to meet any regulatory obligations, including any applicable privacy laws, arising from the Purchaser's use of the Hardware or the Software, and (iv) any claims that any Purchaser Materials violate or infringe any third party intellectual property or proprietary rights. TouchSource shall, at its own expense, indemnify, defend and hold harmless Purchaser and its officers, agents, and employees from and against any and all claims and demands, actions, causes of action, and cost and fees of any character whatsoever made by anyone whomsoever on account of or in any way growing out of the intentionally wrongful act or omission, neglect or misconduct of TouchSource, its employees, agents, vendors, or its subcontractors including, but not limited to, any claims that may be made by the employees, agents, vendors, or subcontractors themselves for injuries to their person or property or otherwise, and any claims that may be made by the employees themselves or by the Illinois Department of Labor for the Contractor's violation of the Illinois Prevailing Wage Act (820 ILCS 130/1 et seq.). TouchSource shall further indemnify, defend and hold harmless Purchaser against any third party claim that the Hardware and, or, Software provided hereunder infringes such third party's patent or copyright (an "Infringement Claim"), and indemnify Purchaser from the resulting costs and damages awarded against Purchaser to the third party making such Infringement Claim, by a court of competent jurisdiction or agreed to in settlement; provided that Purchaser: (i) notifies TouchSource promptly in writing of such Claim, and (ii) reasonably cooperates in response to a TouchSource request for assistance. Nothing contained herein shall be construed as prohibiting the Purchaser, its officers, agents, or its employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, actions or suits brought against them. The indemnifying Party shall likewise be liable for the cost, fees and expenses incurred in the defense of any such claims, actions, or suits. Nothing contained herein shall be construed as constituting a waiver of Purchaser's defenses or immunities under the Illinois Local Government and Governmental Employees Tort Immunity Act, 745 ILCS 10/1 et seq.

8. LIMITATION OF LIABILITY

IN NO EVENT WILL EITHER PARTY OR BE LIABLE FOR ANY LOSS OF REVENUES, PROFITS, OTHER ECONOMIC LOSS OR GOODWILL OR OTHER INCIDENTAL, CONSEQUENTIAL OR INDIRECT DAMAGES OF ANY KIND, RESULTING FROM THIS AGREEMENT EXCEEDING TWICE (2X) THE AMOUNTS PAID BY PURCHASER PURSUANT TO THIS AGREEMENT, DUE TO THE PARTY'S PERFORMANCE OR FAILURE TO PERFORM PURSUANT TO THE TERMS OF THIS AGREEMENT OR ANY OF THE ATTACHMENTS HERETO, OR FROM THE FURNISHING, PERFORMANCE, DELAY IN DELIVERY, OR USE OR LOSS OF USE OF ANY SOFTWARE, HARDWARE, CONTENT, OR OTHER MATERIALS DELIVERED TO PURCHASER HEREUNDER, WHETHER RESULTING FROM BREACH OF CONTRACT, BREACH OF WARRANTY, OR TORT, INCLUDING NEGLIGENCE, EVEN IF THE PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. THE AGGREGATE LIABILITY UNDER THIS AGREEMENT RESULTING FROM BREACH OF CONTRACT, BREACH OF WARRANTY, AND TORT, INCLUDING NEGLIGENCE OF EITHER PARTY, SHALL BE LIMITED TO THE LICENSE FEES ACTUALLY PAID BY PURCHASER TO TOUCHSOURCE IN THE 60 MONTH PERIOD IMMEDIATELY PRECEDING THE CLAIM.

9. MAINTENANCE/SUPPORT

- (a) **MAINTENANCE.** Unless otherwise specified, TouchSource has the sole right and responsibility to maintain and update the Software. In connection with such maintenance and update, Purchaser shall provide to TouchSource any testing assistance that TouchSource may reasonably request.
- (b) **STANDARD ENHANCEMENTS.** TouchSource reserves the right, as reasonably necessary or convenient for TouchSource's own purposes or to improve the quality of the Software, to change access procedures, types of equipment utilized in the TouchSource computing environment, system interfaces, operating and other system and network software, utilities, and database software (collectively "**Standard Enhancements**"), and to implement Standard Enhancements to the Software. Whenever practicable, TouchSource shall give Purchaser advance notice of the scheduled implementation of any Standard Enhancement and will use commercially reasonable efforts to reduce disruption to the Purchaser's software usage.
- (c) **ACCESS INTERRUPTIONS.** Purchaser acknowledges and agrees that in order for TouchSource to perform the maintenance services set forth herein, TouchSource may be required from time to time to interrupt Purchaser's ability to access the Software. TouchSource will use commercially reasonable efforts to minimize access disruptions during normal business hours.

10. PAYMENTS AND TAXES

Purchaser shall pay to TouchSource the Fee(s) in accordance with the payment terms specified in Exhibit A and Exhibit B, as applicable, in accordance with the provisions of the Illinois Local Government Prompt Payment Act, 50 ILCS 550/1 *et seq.* Purchaser shall be responsible for the payment of any and all applicable taxes, fees and duties, including any related value added tax, arising under this Agreement, other than income taxes levied upon TouchSource. In addition to any other sums payable thereunder, Purchaser shall pay to or reimburse TouchSource for all applicable taxes, however designated (except TouchSource income taxes), arising from this Agreement. TouchSource reserves the right, upon seven (7) days' advance written notice to Purchaser, to suspend operation of Software should Purchaser fail to make full payment upon the date said payment is due. TouchSource, at its sole discretion, may charge interest in accordance with the terms of the Illinois Local Government Prompt Payment Act, 50 ILCS 505/1 *et seq.*, for Purchaser's failure to make any payment in a timely manner.

11. CONFIDENTIAL INFORMATION

- (a) TouchSource and Purchaser each expressly undertakes to retain in confidence all information transmitted to it by the other party pursuant to this Agreement that the disclosing party identifies as being proprietary and/or confidential or that, by the nature of the circumstances surrounding the disclosure, ought in good faith to be treated as proprietary and/or confidential ("**Confidential Information**"), and will make no use of such Confidential Information except under the terms and during the existence of this Agreement. TouchSource and Purchaser shall treat the terms and conditions of this Agreement as confidential; however, either party may disclose such information in confidence to its legal and financial consultants as required in the ordinary course of that party's business, and may disclose said Confidential Information to the extent required by applicable law or court order.
- (b) Confidential Information shall not include any information that: (i) is at the time of disclosure or subsequently becomes publicly available without the receiving party's breach of any obligations owed the disclosing party; (ii) became known to the receiving party prior to the disclosing party's disclosure of such information to the receiving party; (iii) became known to the receiving party from a source other than the disclosing party other than by the breach of an obligation of confidentiality owed to the disclosing party; or (iv) is independently developed by the receiving party. Information that is aggregated or derived from Purchaser's use of the deliverables or the Software shall not be deemed Confidential Information of Purchaser.
- (c) Notwithstanding anything to the contrary herein, Purchaser grants to TouchSource the right to use Purchaser Materials, information, data and records solely in connection with making the Software available and in performance or provision of the Services under this Agreement, and the right to use such materials, information, data and records in perpetuity in an anonymized and/or aggregated fashion, to, among other things, enhance the Software and services provided by the Company to its customers and users of the Software.

12. INTELLECTUAL PROPERTY

- (a) All inventions, copyright work, design right work, business methods, patents or other intellectual property created by TouchSource, individually or jointly with the Purchaser and specifically relating to the Hardware, Software, or any Services, excluding any Purchaser Materials (collectively, the "**System**"), shall be the sole and exclusive property of TouchSource.
- (b) The Purchaser also acknowledges that TouchSource owns and retains all intellectual property rights relating to the System including without limitation trademarks, copyrights, patents and trade secrets. The Purchaser shall not acquire any right, title and interest in or to the System (other than any Hardware sold to Purchaser pursuant to this Agreement), and except as expressly provided otherwise in this Agreement, the Purchaser may not translate, disassemble, reverse engineer, decompile or create derivative works based on the System.
- (c) All right, title and interest without limitation, including all intellectual property rights, in and to the System, related materials and any copies thereof and any changes, modifications or corrections to the System, and all documentation, code and logic which describes and/or comprises the System belongs to TouchSource. Unless otherwise agreed to in writing by the parties hereto, if the Purchaser conceives of or introduces any modifications or corrections of any type or nature to the System, then the Purchaser hereby irrevocably assigns to TouchSource all such rights, title and interest to such modifications or corrections and agrees to execute all documents necessary to implement such assignment as requested by TouchSource.
- (d) All ownership rights, title and interest in the TouchSource Data shall be and remain solely vested with TouchSource. TouchSource, in its sole

discretion, may license, sell, or provide the TouchSource Data to third parties for any purpose. Notwithstanding anything to the contrary herein, including Section 11 of this Agreement, Purchaser hereby waives any right to restrict TouchSource's use in any manner of the TouchSource Data, except as otherwise required by law.

- (e) The provisions of this Article 11 shall survive the termination or expiration of this Agreement.

13. HARDWARE PURCHASE

- (a) The Purchaser agrees to purchase from TouchSource the Hardware detailed in Exhibit B, at the price provided for therein (the "Hardware Price"). The Purchaser agrees to pay the specified fees plus any applicable taxes for the hardware by the dates listed and as otherwise required on Exhibit B (the "Hardware Price Terms").
- (b) Upon receipt of the Hardware Price by TouchSource and satisfaction of the Hardware Price Terms, TouchSource shall transfer to the Purchaser good, clear and marketable title to the Hardware.
- (c) TouchSource provides a limited warranty against manufacturing defects of the Hardware as follows: (i) two (2) years from the Purchase Date (as defined in Exhibit B) on all Hardware installed within a TouchSource enclosure, and (ii) 1 year from the date Purchase Date on all Hardware not installed within a TouchSource enclosure. TouchSource makes no other warranty or guarantee for any other defects, failures, damages or limitations, caused for any reason other than as stated above. THE FOREGOING WARRANTY IS GIVEN IN LIEU OF, AND TOUCHSOURCE HEREBY DISCLAIMS, ALL OTHER WARRANTIES, EXPRESS AND IMPLIED, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, SYSTEMS INTEGRATION AND NONINFRINGEMENT. PURCHASER EXPRESSLY ACKNOWLEDGES THAT BECAUSE OF THE COMPLEX NATURE OF COMPUTER HARDWARE, TOUCHSOURCE CANNOT AND DOES NOT WARRANT THAT THE OPERATION OF THE HARDWARE WILL BE WITHOUT INTERRUPTION OR ERROR-FREE.

14. SHIPPING AND INSTALLATION

- (a) Purchaser is responsible for providing a complete and accurate delivery address for any Hardware required to be shipped. A representative of Purchaser must be available to sign for any deliveries. Failure to accept delivery may result in additional charges.
- (b) Installation of any Hardware Purchased shall not be included unless indicated on Exhibit B. Purchaser is responsible for preparing the install location and providing the required services, power, internet connectivity, permits, licenses, access and the like, including any such requirements as identified in any Hardware schematics, drawings, or similar documentation made available by TouchSource. Failure to provide adequate site preparation may result in service charges by TouchSource at its standard hourly rates to cover lost time of its service personnel.

15. MISCELLANEOUS

- (a) CHOICE OF LAW/VENUE. The validity and performance of this Agreement shall be governed by the laws of the State of Illinois. Determination of any disputes shall be in the state or federal courts in DuPage County, Illinois, and the parties hereby consent to exclusive personal jurisdiction in such courts for all matters arising under this Agreement.
- (b) ENTIRE AGREEMENT. This Agreement together with any Exhibit(s) and mutually designated Appendices that may be attached hereto constitutes the entire agreement between the parties concerning the subject matter hereof and supersedes all other prior communications written or verbal.
- (c) MODIFICATIONS. Any modification to this Agreement must be agreed to in writing by both parties.

EXHIBIT A
SERVICE LEVEL

DESIGN SERVICES

The Purchaser is entitled to standard design services as part of a software purchase through TouchSource. Standard design service includes selection of a standard design layout as provided by TouchSource including changes to match customer branding as well as any additional features as specified in the chosen subscription(s) unless otherwise quoted. Any additional design requirements set forth by the customer outside of the scope of the standardized layouts may be subject to additional fees.

In cases where the design is completed and approved by the Purchaser prior to order shipment, the Purchaser is entitled to 30 days past the date of shipment to standard design edits free of charge. After the 30 days have lapsed, revision requests may be subject to additional fees unless otherwise stated in the contract.

In cases where the hardware must be shipped prior to design completion and approval, the purchaser has 30 days past the date of shipment in which to contact TouchSource to request completion of the final design. Once the final design is approved by the Purchaser or a 3rd party designated by the Purchaser, TouchSource will consider the order fulfilled and the day of final approval will start the 30 day period of free standard revisions. If the Purchaser fails to contact TouchSource in the 30 days allotted after the hardware is shipped, all design edits requested by the Purchaser will be subject to custom design fees going forward.

Fees: \$7,491.55

Term of the Agreement: 60 months from the Effective Date (the "Initial Term").

Initials:

EXHIBIT B HARDWARE

FABRICATION SERVICES

All enclosures fabricated through TouchSource are quoted with the assumption that all aspects will be executed through TouchSource or by a preferred vendor or partner. Should a purchaser wish to use an alternate vendor for any stage of the scoped project, TouchSource is not responsible for the planning, execution, or quality of services.

Fees/Hardware Price: \$33,386.06

Hardware Price Terms:

Hardware Warranty Inclusions

- Unlimited remote troubleshooting of hardware defects;
- Repair and replacement of malfunctioning equipment due to manufacturer defects;
- Repair/replacement based on shipment of faulty equipment to us and return of repaired/replaced equipment to client (shipment via ground service); and
- Billable onsite support, if necessary.
- As long as you are paying for your TouchSource Express subscription, your hardware purchase is under warranty.

The warranty period offered by TouchSource begins at date of shipment but does not include coverage of damage that may occur in transit if the Purchaser signs for the damaged shipment at delivery.

Extended Warranty Details

If purchased, the 3-Year additional hardware warranty starts at the expiration date of the initial warranty period and assumes the same scope as the initial warranty.

Equipment Warranty Exclusions

To the full extent permitted by law, TouchSource does not warrant or guarantee, and is not responsible for:

- Defects, failures, damages or performance limitations caused in whole or in part by (A) power failures, surges, failures in third-party communication networks, fires, floods, snow, ice, lightning, excessive heat or cold, highly corrosive environments, accidents, actions of third parties, or other events outside of TouchSource' control, or (B) the customer's abuse, mishandling, misuse, computer viruses, negligence, improper storage, servicing or operation, or unauthorized attempts to repair or alter the equipment or component in any way. The customer shall provide qualified technical personnel to maintain and repair the equipment and components.
- Equipment built to the customer's specifications that is later found not to meet the customer's needs or expectations.
- The performance of the equipment or components when used in combination with enclosures and equipment not purchased from TouchSource.
- Warranty may be voided if TouchSource components are housed more than 15 feet away from each other and/or if they do not have some type of active ventilation—such as a small CPU fan.

Additional Hardware Warranty Notes

- OEM or third-party equipment that is incorporated into TouchSource equipment is covered for the same period as such TouchSource equipment's Standard Equipment Warranty unless the OEM or third-party equipment carries its own limited warranty.
- Items Sold As Resale. Items sold as resale are such items that are not manufactured by TouchSource but may be utilized in conjunction with, independently of or incorporated into, TouchSource manufactured equipment (such as tubes, printers and antenna transmission lines) and are covered only by the specific warranty terms of the supplier or original equipment manufacturer of those items. IF AN ORDER COVERS EQUIPMENT NOT OWNED BY TOUCHSOURCE, IT IS SOLD SUBJECT TO TOUCHSOURCE'S ACQUISITION OF SUCH EQUIPMENT.
- Used Equipment. IF THE EQUIPMENT SPECIFIED IN AN ORDER IS DESCRIBED AS USED, IT IS SOLD "AS IS" AND WITH NO WARRANTY.

TouchSource Wayfinding

Simple Directions, Great Experience

Get visitors where they need to go fast—without the need to stop and ask someone for directions. Guide users through buildings and campuses with eye-catching maps that are easy to understand. Our technology lets users scan the maps into their mobile devices for on-the-go wayfinding.

TouchSource Wayfinding Features

We collaboratively work with you on your property's needs, goals, directory sizes and branding to deliver stunning and easy-to-use wayfinding maps that delight visitors. Services and features include:

- **Updates Automatically.** When a tenant moves to a different location, your map updates itself for effortless upkeep.
- **Animated Paths.** Animated lines for turn-by-turn directions from directory to destination using the buildings floor plans that are rendered beautifully.
- **Layered 2D or 3D Maps.** Select just the right options for optimized spatial orientation including 2D and 3D renderings. Wayfinding design inputs include your floor plans that are mapped to the kiosk or display location for directionally-correct compass orientation. Delivers an optimal visitor experience so they quickly find where they're going.
- **Directions-on-the-Go.** Take the map with you from the directory to your mobile device via QR codes and text-to-mobile for easy in-building navigation.
- **Station-to-Station Wayfinding.** Get visitors quickly to the right location across your large property campuses.
- **Branded & Localized Design.** Customize the look and feel of your maps to match your branding, local amenities, stairways, elevators and localized property features.
- **Wayfinding Managed Services.** Our team of experts will update your maps, directions, and locations as your facility changes. Construction re-routes, new facilities, additional wings, or redeployment of your directories will all be handled with TouchSource's team of in-house designers.

Wayfinding is an add-on service and requires a subscription of TouchSource Engage or higher (including Engage, Inspire, DMN and, if for a video wall, Immerse)

About TouchSource

TouchSource delivers simple solutions for smart spaces that engage people. Our captivating digital displays and IoT-connected directory solutions improve the experience of tenants, visitors and retail shoppers. Our digital signage solutions are simple to deploy, easy to use and low effort to maintain. We take the pain out of technology changes as you upgrade your spaces with beautifully-designed, functionally-fit digital signs and directories. Just ask our customers who we've proudly served over 11,000 times the TouchSource way.

2D Map

OUR UNIQUE APPROACH TO PEOPLE-CENTRIC WAYFINDING

TouchSource offers simple, custom-designed wayfinding solutions to help the visitors of a facility easily find where they need to go. Whether a desired destination is within the building or somewhere else on a campus, TouchSource will show the way.

Our in-building solutions offer presentations in basic 2D as well as layered 3D maps that show the user a full path from the directory all the way to the destination. If wayfinding is required for multiple buildings, we also offer campus (or property) mapping solutions. All maps come with a QR code, so a visitor can scan and take the map with them on a mobile device.

Our mapping solution is destination-based, and all possible destinations in a facility will be mapped, whether a building is at full occupancy or not. Because of this, when a space is newly occupied, or a space changes occupants, these changes can be made easily in the TouchSource Portal. The maps will be in place as soon as the directory updates. The only time that help will be required from the TouchSource team for wayfinding changes will be when structural changes are made to buildings and suites, such as new suites or entrances, new walls, merged suites, corridor re-routing, etc.

HOW IT WORKS

In-Building Wayfinding

A TouchSource Directory allows the user to search from a list of desired destinations such as Company Offices, Departments or Practices, as well as Individuals, Physicians or Faculty. Mapping to Conference Rooms, Retail Suites, Coffee Shops and other Building Amenities are commonly implemented. A "You Are Here" marker will show the location of the directory where the user is standing. For each directory, the map will be oriented in the direction that the user is facing, to make it as easy as possible for a visitor to find their way. Along with an animated path to the desired destination, we also display an info-box to show the destination name and location.

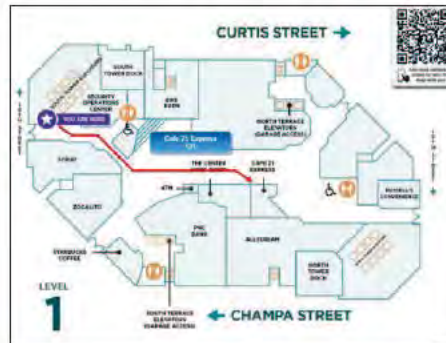

2D Mapping

With 2D Maps, we have the ability to show one floor at a time. 2D mapping is best for buildings that have simple layouts and a small number of rooms/suites per floor. When wayfinding to other floors, the "You Are Here" marker will be shown as partially transparent, and the starting point of the wayfinding path will begin at the elevator on that floor with instructions for the user to take the elevator.

Sometimes it is best to create a small inset/thumbnailed of the floor where the user is standing, to clarify how to get to an elevator. Animated Paths are most popular, showing a path from the directory or elevator all the way to the destination. We also offer a simpler solution called Dynamic Labels, which shows a short arrow pointing to the suite.

2D Mapping Examples

Two dimensional examples of wayfinding are shown below.

3D Mapping

3D Mapping is a clear and complete solution and is highly recommended for complex buildings/properties. With 3D maps, we rotate, skew and tilt the maps, extruding some elements to create a three-dimensional effect. When wayfinding to other floors, we show one labeled floor above the other to give the visitor a clear indication that their destination will be on another floor. Unlike 2D wayfinding, we can guide the user all the way from the directory to the elevators, then up or down the elevators, and through the corridors to a destination. We create animated paths from the directory all the way to the destination.

Campus Mapping

Campus mapping is most often included as an addition to in-building wayfinding. A campus map is typically shown in two dimensions with North pointing up. In many cases, we can make use of the campus map design that is already in use for the property or campus. If wayfinding is required outside of the building where the visitor is standing, we will show the campus map view, and direct the visitor from that building to the entrance of another building on campus. We can implement either animated paths or dynamic labels for campus mapping.

When multiple buildings contain directories, we implement “Station-to-Station” wayfinding. For the average user, getting from one building to the next with Campus Wayfinding is the ultimate goal. Once in the other building, the user can wayfind within the new building using the directory within that lobby.

TouchSource Product Installation

Leave Installation to Our Professionals

Product installation can be challenging to source and coordinate on your own. The expertise for Audio/Visual (A/V) installations requires specialized training. Using TouchSource to install your products allows you to take advantage of our professionally certified A/V installers. We recommend a Site Survey where our professionals go through a 40-point checklist to assess and proactively plan for a successful installation.

When selecting TouchSource as your product installer, we review your installation location to determine if it qualifies for standard installation pricing. If your installation has non-standard wall/floor materials, is at a location outside of a metro area, or requires extra people to install your unit, there will be additional cost that you'll want to put in your budget. Additionally, there are actions you must take before any products can be installed. Being armed with information on how to prepare for installation saves you time, hassle, and unwelcome surprises.

Quick Guide to Services

We'll cover what's included, what's extra and how to prepare in this guide.

Service Type	Standard	Non-Standard (upcharge)
Walls / Recessed Displays	Drywall or concrete if on a weight-bearing wall	Brick, granite, marble, tile or anything not listed as standard
Kiosks	Floor-Mounted: concrete, carpet over concrete	Brick, granite, marble, tile or anything not listed as standard
Site Location	Within 50 Miles of a major metropolitan area	Outside of 50 Miles of a major metropolitan area
Removal and Recycling of Old Digital Displays		Disposal/ recycling of existing hardware
TouchSource Enclosure Modifications		Minor product hardware modifications, such as increasing width of cutouts on mounting systems to accommodate existing or incorrectly positioned or hard-to-reach power/internet outlets.

FEATURES

- Professional A/V installation
- 40-point checklist site survey for timely, optimal installations
- Turnkey product delivery
- Confirmation of product fitment with exact measurements, photos, confirmation of power and data availability
- ADA-compliance is reviewed
- Viewing and user experience with the planned site is evaluated
- Building walkthrough to confirm products can be delivered to the install site without disruption
- Measurements, photos, and installation advice is documented for the review with the client

Customer Site Preparation

The following steps need to be completed by you or your contractors before products can be installed.

If one or any of these items isn't known or ready for installation, you may experience extra costs, delays or issues.

- Electrical outlets and internet connection (hardwired, wireless, or cellular): Power and internet need to be ready and available in the specific product installation location in alignment with product specification requirements before scheduled installation date.
- Wall cavities or alcoves must be completed by customer and sized to fit the unit per product specifications.
- Client on-site contact: Contact to confirm the location of work and allow for delivery of the product(s) to the location(s) before the installation team arrives.
- On-site contact must also be provided for approval of installation upon completion.

EXTRA SERVICES

- Installation on nonstandard materials such as brick, granite, marble, tile or material other than drywall.
- Removal of existing hardware.
- Disposal/recycling of existing hardware
- TouchSource product hardware modifications, such as increasing width of cutouts on mounting systems to accommodate existing or incorrectly positioned or hard-to-reach power/internet outlet
- Installation locations outside of major metro areas has a surcharge dependent on distance

TouchSource Installation Service

What's Included in a Standard Installation?

When purchasing installation services, a quote for standard installation will include the following:

- Technician will install the product including: Display mounting hardware at the approved location, installing the CPU and monitor, plugging in Internet/power provided by client, and testing the program functionality.
- Area will be cleaned and light debris will be disposed of onsite in a receptacle provided by the client. Customers need to dispose of shipping crates, pallets and cardboard.
- Work will be performed during normal business hours (8:00AM - 5:00PM, Monday - Friday) by non-union installers, assuming no permit is needed.
- Location is within 50 miles of a major metropolitan area. (An upcharge is assessed for more remote locations.)

Installation Extras

You may opt to pre-purchase some added services such as removal of old equipment when you order it in advance of installation.

Available with an upcharge if ordered prior to installation:

- Installation on non-standard materials such as brick, granite, marble, tile or material other than drywall.
- Removal of existing hardware.
- Disposal/recycling of existing hardware.
- Minor TouchSource product hardware modifications, such as increasing width of cutouts on mounting systems to accommodate existing or incorrectly positioned or hard-to-reach power/internet outlets.
- Installation locations outside of major metro areas has a surcharge dependent on distance.

Installation Exclusions

These services are outside of our scope: construction, electrical, data or third-party housing alteration services. We can refer to a provider upon request.

Never included in installation:

- Site preparation and construction work such as recessed product alcove/cavity construction and framing; wall/floor leveling; adjustments to third-party enclosure or encasements; or enlarging walls to fit products.
- Electrical and internet work such as outlet installation or repositioning; product hardwiring or wire termination; or power and internet troubleshooting.
- Cable routing within building such as routing cables from a controller room to product locations.
- Onsite fabrication to accommodate existing structures.
- Customers need to dispose of shipping crates, pallets and cardboard. Our installers are A/V specialists who are not prepared to dispose of shipping debris.
- Elevator product installation.

SITE SURVEY INSPECTION

- ADA compliance review
- Material and condition of wall
- Wall and/or floor “flatness” levels
- Alcove and framing inspected
- Wall cavity measurement
- A/C power and/or ethernet cable outlets inspected
- Viewing experience
- Building entry mapped and reviewed to confirm items can fit through doors, hallways, rooms
- Over 40 detailed items including photographs, measurements, advice on location, ingress and ADA compliance tips are provided

TouchSource Site Survey

Ensure that Installation Goes Smoothly

There are multiple items that need to be checked, measured, and confirmed to guarantee your that TouchSource product can be installed in your proposed location. To save time, stay on schedule, and get your new system up and running as quickly as possible, a TouchSource Site Survey is recommended.

Professional 40-Point Inspection

A certified A/V technician will visit your property and complete a thorough inspection of the proposed installation site. They will document all the details so that our Support team can proactively review and identify any areas of concern in advance of your shipment date.

Items checked include these install preparation categories:

- Material and condition of wall, framing, and/or floor are inspected
- Wall and/or floor “flatness” levels are measured
- Alcove and framing inspected and measured
- Wall cavity measurement for level
- A/C power and/or ethernet cable outlets inspected
- ADA compliance in terms of height from floor, distance from wall
- Viewing experience including amount of direct sunlight, physical obstructions, and other items
- Building entry mapped and reviewed to confirm items can fit through doors, hallways, rooms, etc.

A full report with photos is created and provided for installation success, and for your records which will aid in maintenance and upkeep.

Visit touchsource.com to learn more about the rise of smarter spaces for a new generation of cities, business and consumers.

About TouchSource

TouchSource delivers simple solutions for smart spaces that engage people. Our captivating digital displays and IoT-connected directory solutions improve the experience of tenants, visitors and retail shoppers. We create intelligent digital experiences in residential, business, retail, healthcare and public spaces with relevant, engaging content that moves people where it matters. Our digital signage solutions are simple to deploy, easy to use and low effort to maintain. We take the pain out of technology change as you upgrade your spaces with beautifully-designed, functionally-fit digital signs and directories. Just ask our customers who we’ve proudly served over 11,000 times the TouchSource way.

Room 3-400
Wheaton, Illinois 60187-3978

REQUIRED VENDOR ETHICS DISCLOSURE STATEMENT

Section I: Contact Information

Please complete the contact information below.

BID NUMBER:	Q-17922 (GSA Contract #47QTCA23D0058)
COMPANY NAME:	TouchSource, LLC
CONTACT PERSON:	Ronda Barhel
CONTACT EMAIL:	rondab@touchsource.com

Section II: Procurement Ordinance Requirements

Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the County, shall provide to the Procurement Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor to any incumbent County Board member, County Board chairman, or Countywide elected official whose office the contract to be awarded will benefit within the current and previous calendar year. The contractor, union, or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors, and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

Has the Bidder made contributions as described above?

- ☐ Yes
☒ No

If "Yes", complete the required information in the table below.

RECIPIENT	DONOR	DESCRIPTION (e.g., cash, type of item, in-kind services, etc.)	AMOUNT/VALUE	DATE MADE

All contractors and vendors who have obtained or are seeking contracts with the County shall disclose the names and contact information of their lobbyists, agents and representatives and all individuals who are or will be having contact with county officers or employees in relation to the contractor bid and shall update such disclosure with any changes that may occur.

Has the Bidder had or will the Bidder have contact with lobbyists, agents, representatives or individuals who are or will be having contact with county officers or employees as described above.

☐ Yes

☒ No

If "Yes", list the name, phone number, and email of lobbyists, agents, representatives, and all individuals who are or will be having contact with county officers or employees in the table below.

NAME	PHONE	EMAIL

Section III: Violations

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments

Date: Jun 3, 2025

File ID #: 25-1451

Purchase Order #: 7721-0001 SERV

Requesting Department: Facilities Management	Department Contact: Mary Ventrella
Contact Email: mary.ventrella@dupagecounty.gov	Contact Phone: 630-407-5705
Vendor Name: Allied Valve, Inc.	Vendor #: 21794

Action Requested - Identify the action to be taken and the total cost; for instance, approval of new contract, renew contract, increase contract, etc.

Amendment to Resolution FM-P-0026-25 issued to Allied Valve, Inc., to test, repair, and re-certify safety relief valves for boilers at the Power Plant, for Facilities Management, to change the contract term from a three year term to a one year term for the period May 28, 2025, through May 27, 2026, and to reduce the contract amount from \$70,640 to \$17,660, a decrease of 75.00%.

Summary Explanation/Background - Provide an executive summary of the action. Explain why it is necessary and what is to be accomplished.

Allied Valve, Inc. is not able to hold their pricing for the (3) three year contract term. Therefore the vendor and Facilities Management has agreed to reduce the current contract to a (1) one year contract term, and reduce the total contract dollar amount from \$70,640 to \$17,660.

Original Source Selection/Vetting Information - Describe method used to select source.

Bid #25-054-FM

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

- 1) Staff recommends approval to decrease the contract in the amount of \$52,980 and reduce the contract term from (3) three years to (1) year contact term.
- 2) No other options.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

No fiscal impact.

Overview			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Recommendation for the approval of a contract to Baker Tilly Advisory Group Parent, LP, to provide accounting services and support related to the Pursuit of the Federal Renewable Energy Tax Credit as part of the Inflation Reduction Act 2022, for Facilities Management, for the period June 17, 2025 through June 16, 2026, for a total contract amount not to exceed \$23,500, per RFP#25-028-FM.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished The Phase I solar array installation at the JTK Building that was completed in 2024 is currently eligible under the Inflation Reduction Act (IRA) for a credit/rebate of 40% of the project cost. The total expenditure of the project is \$423,468 which would be approximately \$169,000 in rebate/credit for the county. County staff does not have the experience or expertise to file the correct documents and requires professional accounting services and support to obtain this rebate/credit from the Federal government.			

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
RFP (REQUEST FOR PROPOSAL)	

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. RFP#25-028-FM was released to the public on 1/23/24. Four vendors submitted proposals and those proposals were evaluated in four categories. Baker Tilly Advisory Group Parent, LP met the criteria and was rated the highest points.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1) Approve a contract to Baker Tilly Advisory Group Parent, LP due to their experience and expertise in this matter. 2) Do not approve a contract to Baker Tilly Advisory Group Parent, LP . 3) Perform services in-house. Department does not have qualified staff with experience or expertise to provide this service in-house.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Proposal for accounting services for solar improvement projects

PRICE

In a separate email attachment, provide the following prices:

a) Detailed Price Proposal including one-time and recurring rates for services as requested. This Price Proposal should include estimated hours required, and Total Project Cost.

Pricing for the first phase of the project listed in PROJECT UNDERSTANDING will be billed based on recorded time and expense at Baker Tilly's standard fees.

PHASE	IRA COMPLIANCE MANAGEMENT	FEE EACH
1	Project Eligibility Memo	N/A
2	Vendor Management*	N/A
3	IRA Cost Segregation and Energy Property Basis	Time & expense not to exceed - \$9,000
4	Workpaper File Generation to Support Tax Credit Claim	Time & expense not to exceed - \$11,000
4.1	PW&A Compliance Program and Certification**	N/A
4.2	IRA Energy Community	N/A
4.3	Domestic Content	N/A
4.4	Tax-Exempt Compliance Form 990-T	Time & expense not to exceed - \$3,500
Total IRA Compliance Cost		Time & expense not to exceed - \$23,500

*Phase 2 pricing reduced for pre-construction work with vendors assuming Domestic Content is N/A.

**Projects which must backflush prior wages will incur an additional admin charge to administer data entry.

A separate agreement will be required for services phases 4.1-4.4.

Notwithstanding anything to the contrary in the RFP, this proposal is expressly contingent on our ability to negotiate mutually acceptable terms and conditions to the County's Agreement prior to executing a final contract.

Any out-of-scope fees for non-IRA compliance, will be at billed at Baker Tilly's standard billing rates

STANDARD HOURLY RATES (THROUGH DEC. 21, 2025)			
Principals / Directors	\$350.00	To	\$650.00
Senior Managers / Managers	\$245.00	To	\$340.00
Consultants / Accountants	\$160.00	To	\$250.00
Support / Municipal Bond Disclosure Specialists	\$130.00	To	\$220.00
Interns / Staff / Admin Support	\$110.00	To	\$135.00

Billing rates are subject to change periodically after outer date above due to changing requirements and economic conditions. The fees billed will be the fees in place at the time services are provided. Actual fees will be based upon experience of the staff assigned and the complexity of the engagement.

Travel time and out-of-pocket expenses are in addition to these amounts, will be itemized separately, and will always be billed at actual cost with no mark-up. Travel time is billed at half Baker Tilly's standard hourly rates.

AWARDED CONTRACTOR DISCLOSURE

Section I: Contact Information

Please complete the contact information below.

BID NUMBER:	25-028-FM
COMPANY NAME:	Baker Tilly Advisory Group, LP
CONTACT PERSON:	Jesse Nelson
CONTACT EMAIL:	jesse.nelson@bakertilly.com

Section II: Contractor Reporting

In accordance with 35 ILCS 200/18-50.2, the County requires the Awarded Contractor to provide (i) whether it is a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/01 *et seq.*) and (ii) whether the it or any of its subcontractors hold any certifications for those categories or if it or any of its subcontractors are self-certifying.

If self-certifying, the Awarded Contractor and its subcontractors shall disclose if it qualifies as a small business under federal Small Business Administration standards. Following award of a contract by the County, the Contractor shall complete the requested information for itself, and for each subcontractor within 60 calendar days of the date of award. If awarded, Contractor will enter information in the following website: <https://mwv.dupageco.org/> or under the Procurement Division website under "Vendor Questionnaire" at <https://www.dupagecounty.gov/purchasing/>.

Section III: Certification

By signing below, the Bidder hereby acknowledges that it has received, read, and understands these requirements, and certifies that the information submitted on this form is true and correct to the best of its knowledge.

JOINT PURCHASING AGREEMENT

Section I: Contact Information

Please complete the contact information below.

BID NUMBER:	25-028-FM
COMPANY NAME:	Baker Tilly Advisory Group, LP
CONTACT PERSON:	Jesse Nelson
CONTACT EMAIL:	jesse.nelson@bakertilly.com

Section II: Participation

If awarded, would your firm be willing to extend its bid to other DuPage County taxing bodies (e.g., school districts, townships, cities, and villages) for the purpose of Joint Purchasing in cases where the approximate quantity and/or usage is unknown?

☐ Yes

☒ No

Section III: Additional Requirements

If "Yes" in Section II above, please list below any desired additional requirements or specifications that are beyond those listed in the County's Bid.

Section IV: Joint Purchasing Limitations

If the County accepts this bid, the County and the Awarded Contractor will develop Joint Purchasing procedures. The County will distribute these Joint Purchasing procedures to the taxing bodies. Beyond that, the County will not be involved in the purchasing other than to receive a copy of the other taxing body's Purchase Order. The other taxing body's Purchase Order will reference the County's contract number. Invoicing and payments will be entirely between the other taxing bodies and the Awarded Contractor.

Section V: Certification

LIMITATIONS ON THE AUTHORITY OF THE COUNTY OF DUPAGE TO CONTRACT

Section I: Contact Information

Please complete the contact information below.

BID NUMBER:	25-028-FM
COMPANY NAME:	Baker Tilly Advisory Group, LP
CONTACT PERSON:	Jesse Nelson
CONTACT EMAIL:	jesse.nelson@bakertilly.com

Section II: Limitations

The County of DuPage ("County") is a non-home rule unit of local government under the Constitution and laws of the State of Illinois. Pursuant to Section 7 of Article VII of the Illinois Constitution of 1970, counties and municipalities which are not home rule units have only the powers granted to them by law and the powers set forth in the state constitution. Accordingly, and unlike Cook County and many of Illinois's larger municipalities, every action DuPage County takes must be tied to a specific constitutional or statutory grant of authority or be necessarily inferred from that specifically granted authority. Any action the County takes in excess of that authority is *ultra vires* and void *ab initio* as a matter of law.

During the course of the procurement process, vendors frequently provide standard form contracts or propose exceptions that contain terms which, though commercially reasonable in a particular industry, are outside of the County's authority to agree to. The most common areas of conflict involve proposed provisions that require the County to provide a vendor with an indemnity, exclude the state's attorney's participation in the selection and control of outside counsel, or provide for more aggressive payment and interest terms than are permitted by law.

Indemnification

DuPage County has no authority to provide an indemnity to a vendor. As noted above, the County has only those powers conferred by the Illinois Constitution or state law or which can be necessarily inferred from those powers. While state law does require the County to indemnify its officers and employees and authorizes it to indemnify a limited number of other governmental entities, the legislature has not authorized counties to indemnify private vendors. Moreover, the Illinois Constitution requires that all expenditures of public funds be for public purposes. In an indemnity agreement, the indemnifying party agrees to be liable for the costs associated with the defense of the other party. If the indemnified party is not a public entity, then an indemnification agreement would impermissibly require an expenditure of public funds the benefit of that private party and not for the public. Finally, an indemnity contract is an extension of the public credit and an agreement to undertake a liability. Such an extension of credit requires an appropriation for that purpose sufficient to cover the obligation at the time of contract formation.

Choice of Counsel, Waiver of Defenses

Under Illinois law, the state's attorney shall "defend all actions and proceedings brought against his county." Historical and judicial precedents along with various opinions of Illinois's attorneys general, interpret this language to mean that **the state's attorney is the exclusive legal representative of his county**. The state's attorney will generally appoint any attorney recommended to him by an indemnifying party or its insurance carrier who meets his approval as a "special" assistant state's attorney for the purposes of the litigation. While the state's attorney must retain the right to approve outside counsel and control the litigation, he will not interfere unreasonably with the indemnifying party's attorney selection or legal strategy (or those of its insurance carrier). The County has no authority to retain or permit counsel to represent its interests nor can it contract away the duties of the state's attorney. For this reason, the County also cannot contractually waive any defenses, privileges or immunities which may be available to it in litigation.

Payment Terms

The provisions of the Local Government Prompt Payment Act, 50 ILCS 505/1 et. seq. apply to all purchases made by DuPage County. The Act provides that the County must approve or disapprove of an invoice for goods or services within 30 days of the presentation of the invoice or delivery of the goods or services – whichever is later. The County then has 30 days after approval to pay any portion of the invoice which it has not disapproved. Interest, when permitted under the Act, accrues on a monthly basis at 1%. While the County may not offer payment or interest terms which are more generous to the vendor than authorized by the Act, the parties may agree to provide an incentive for more rapid payments.

Section III: Acceptance

The above list is not exhaustive, but it does address the most common areas of concern during the contract negotiation phase. **Accordingly, all prospective offerors are on notice that the County is without the authority to accept nor will it respond to any exceptions which purport to impose a duty on the County to indemnify a vendor, abridge the duties of the state's attorney, waive any legal privilege, defense, or immunity available to it, or obligate it to payment and interest terms other than as permitted by the Local Government Prompt Payment Act. Further all prospective offerors are on notice that any such provision in any standard form contract is unenforceable and void as a matter of law whether or not approved by the County.**

Please acknowledge your Acceptance of the Limitations on the Authority of the County of DuPage to Contract as stated above. Your signature below shall establish your consent to a contract subject to such limitation on the County's authority to contract. This page must also be incorporated as an exhibit to any contract the County will be asked to sign.

Receipt of the above ACCEPTANCE is hereby acknowledged by:

PROPOSAL FORM

Section I: Contact Information

Complete the contact information below.

RFP NUMBER:	25-028-FM
COMPANY NAME:	Baker Tilly Advisory Group, LP
MAIN ADDRESS:	2852 Eyde Parkway, Suite 150
CITY, STATE, ZIP CODE:	East Lansing, MI 48823
TELEPHONE NO.:	(517) 336 3951
CONTACT PERSON:	Jesse Nelson
CONTACT EMAIL:	jesse.nelson@bakertilly.com

Section III: Certification

The undersigned certifies that they are:

☐ The Owner or Sole
Proprietor

☒ A Member authorized to
sign on behalf of the
Partnership

☐ An Officer of the
Corporation

☐ A Member of the Joint
Venture

Herein after called the Offeror and that the members of the Partnership or Officers of the Corporation are as follows:

Jesse Nelson
(President or Partner)

(Vice-President or Partner)

(Secretary or Partner)

(Treasurer or Partner)

Further, the undersigned declares that the only person or parties interested in this Proposal as principals are those named herein; that this Proposal is made without collusion with any other person, firm or corporation; that he has fully examined the proposed forms of agreement and the contract specifications for the above designated purchase, all of which are on file in the office of the Procurement Officer, DuPage County, 421 North County Farm Road, Wheaton, Illinois 60187, and all other documents referred to or mentioned in the contract documents, specifications and attached exhibits, including Addenda No. 1, _____, and _____ issued thereto.

Further, the undersigned proposes and agrees, if this Proposal is accepted, to provide all necessary machinery, tools, apparatus, and other means of construction, including transportation services necessary to furnish all the materials and equipment specified or referred to in the contract documents in the manner and time and at the price therein prescribed.

Further, the undersigned certifies and warrants that they are duly authorized to execute this certification/affidavit on behalf of the Offeror and in accordance with the Partnership Agreement or by-laws of the Corporation, and the laws of the State of Illinois and that this Certification is binding upon the Offeror and is true and accurate.

Further, the undersigned certifies that the Offeror is not barred from proposing on this contract as a result of a violation of either 720 Illinois Compiled Statutes 5/33 E-3 or 5/33 E-4, Proposal rigging or Proposal-rotating, or as a result of a violation of 820 ILCS 130/1 et seq., the Illinois Prevailing Wage Act.

The undersigned certifies that they have examined and carefully prepared this Proposal and have checked the same in detail before submitting this Proposal, and that the statements contained herein are true and correct.

If a Corporation, the undersigned, further certifies that the recitals and resolutions attached hereto and made a part hereof were properly adopted by the Board of Directors of the Corporation at a meeting of said Board of Directors duly called and held and have not been repealed nor modified, and that the same remain in full force and effect. (Offeror may be requested to provide a copy of the corporate resolution granting the individual executing the contract documents authority to do so.)

Further, the Offeror certifies that they have provided equipment, supplies, or services comparable to the items specified in this contract to the parties listed in the reference section below and authorizes the County to verify references of business and credit at its option.

Finally, the Offeror, if awarded the contract, agrees to do all other things required by the contract documents, and that it will take in full payment therefore the sums set forth in the cost schedule.

PROPOSAL AWARD CRITERIA

The Offeror acknowledges and agrees that the proposal will be awarded to the most responsive, responsible vendor meeting specifications based upon the highest score compiled during evaluation of the proposals outlined in the selection process.

The Offeror agrees to provide the service described in this solicitation and in the contract specifications under the conditions outlined in attached documents for the amount stated.

By signing below, the Offeror agrees to the terms of this Proposal Form and certifies that the information submitted on this form is true and correct to the best of its knowledge.

Please complete the contact information below.

BID NUMBER:	25-028-FM
COMPANY NAME:	Baker Tilly Advisory Group, LP
CONTACT PERSON:	Jesse Nelson
CONTACT EMAIL:	jesse.nelson@bakertilly.com

Section II: Procurement Ordinance Requirements

Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the County, shall provide to the Procurement Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor to any incumbent County Board member, County Board chairman, or Countywide elected official whose office the contract to be awarded will benefit within the current and previous calendar year. The contractor, union, or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors, and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

Has the Bidder made contributions as described above?

- ☐ Yes
☒ No

If "Yes", complete the required information in the table below.

RECIPIENT	DONOR	DESCRIPTION (e.g., cash, type of item, in-kind services, etc.)	AMOUNT/VALUE	DATE MADE

All contractors and vendors who have obtained or are seeking contracts with the County shall disclose the names and contact information of their lobbyists, agents and representatives and all individuals who are or will be having contact with county officers or employees in relation to the contractor bid and shall update such disclosure with any changes that may occur.

Has the Bidder had or will the Bidder have contact with lobbyists, agents, representatives or individuals who are or will be having contact with county officers or employees as described above.

- ☐ Yes
- ☒ No

If "Yes", list the name, phone number, and email of lobbyists, agents, representatives, and all individuals who are or will be having contact with county officers or employees in the table below.

NAME	PHONE	EMAIL

Section III: Violations

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments

Donna Weidman, Procurement
DuPage County
Delivered electronically

Dear Ms. Weidman:

The Inflation Reduction Act (IRA) is the largest legislative energy incentive in U.S. history, providing unique opportunities for local governments. DuPage County (the County) has made a capital investment in a new solar panel installation and will be able to obtain tax credits for qualifying clean energy or efficiency projects, which can total as much as 50% or more of the qualifying project costs.

Based on our experience working with the County and what we have learned about your project, we are confident Baker Tilly is the right fit to serve you with forward-thinking IRA and tax advisory services because you will:

- **Work alongside an integrated team of tax, energy and local government specialists** who can help the County navigate the complexities of the IRA and how to effectively position your projects to receive and enhance eligible credits
- **Achieve a powerful strategy to leverage IRA opportunities** for loans, grants and tax incentives — and comply with all requirements
- **Learn how IRA credits align** with other aspects of your capital plans
- **Work with a local engagement team and gain access to coast-to-coast resources** to supplement the expertise of your Michigan-based engagement team as your needs evolve

As a large government, the County is a complex organization with complex needs. In the face of ongoing transformation, you need a firm that can help you navigate that change and chart the right course. Our proposal describes our unique value proposition for how we plan to tailor our approach to accomplish your key objectives.

The County will continue to be a valued client of Baker Tilly. I, Jesse Nelson, am legally authorized to contractually bind on behalf of Baker Tilly.

Sincerely,

A black rectangular redaction box covering the signature of Jesse Nelson.

GIVING YOU THE TOOLS YOU NEED TO NAVIGATE THE FUTURE

Baker Tilly will successfully guide the County through changing landscapes with skills, stability and strength as one of the oldest and largest advisory, assurance and tax firms in the United States.

Applying renewable energy industry experience to develop creative tax strategies that maximize value

The County is pursuing IRA tax credits its Solar Photovoltaic System to its JTK Administration Building. Since 2008, Baker Tilly's renewable energy professionals have provided industry-specialized services to more than 200 clients and supported more than \$3.45 billion in projects that are either under construction or in operation. We understand there are many challenges involved in the development and execution of energy and infrastructure projects.

Rest assured our technical expertise leverages real-world experience in project development and interpretation of policies that drive each project to support you throughout the project life cycle, from concept to completion.

Whether you are looking to develop a new energy project or expand or consolidate existing facilities, our professionals can help you streamline efforts, coordinate processes and facilitate strategic business decisions to maximize your overall return on investment.

Biofuels industry focus

Our clients include hundreds of natural gas, renewable energy, public power, water, wastewater, stormwater and refuse utilities, as well as investor-owned utilities, electric cooperatives, transit systems, tribal organizations and joint action agencies.

The trend to become more sustainable continues to push across many industries. Our renewable energy and renewable fuels specialists are industry leaders who advise manufacturers, utilities and engineering firms both domestically and internationally.

Renewable energy marketplace experience

Our roots in the renewable energy marketplace run deep. In fact, it was more than 30 years ago our firm began its commitment to helping biofuel producers implement solutions to increasing energy needs. Today, Baker Tilly delivers audit, tax and advisory services to energy producers across the United States. We currently serve over 40 biogas clients with significant portfolios of projects in development and several renewable fuel clients with combined production capacity of more than 700 million gallons.

Energy and infrastructure advisory services throughout the project life cycle

There are challenges embedded throughout the development and execution of energy and infrastructure projects. Our clients come to us for technical expertise, real-world experience in project development and careful interpretation of policies that drive each project. With a bench of industry and infrastructure specialists, we can help the County navigate the unprecedented tax incentives included in the IRA.

Should your needs evolve, we are prepared to offer advisory services that complement our longstanding strengths in the areas of advisory, assurance and tax.

ENERGY AND INFRASTRUCTURE ADVISORY SERVICES		
Accounting and audit	Mergers and acquisitions	Site selection
Cost aggregation	New markets tax credits	Strategic tax
Due diligence	Project development support	Tax credit monetization
Facility expansion strategy and execution	Municipal advisory related to project finance and bonds	Transaction support
Financial modeling	Public incentive procurement	Valuation

Development support

Whether you are looking to develop a new energy project, expand or consolidate existing facilities or build new facilities, our energy and infrastructure professionals can help you streamline efforts, coordinate processes and facilitate strategic business decisions to maximize your overall return on capital. Successful expansion projects hinge on an intimate understanding of the strategic drivers. We work closely with management to establish a business case, identify profit centers, prioritize development spending and obtain funding to effectively plan and execute development and expansion projects.

Project finance specialization

Changes in an organization can trigger the need for an infusion of capital to meet short-term or long-term goals. Our project finance advisors provide organization leaders cost-effective financing alternatives tailored to their needs with our extensive knowledge of:

- Federal, state and local tax credits
- Capital markets
- Negotiated incentives
- Traditional lenders
- State and federal funding programs
- Nontraditional capital sources

We work to minimize your local funding requirements and enhance your overall return by optimizing the funding with tax credits, negotiated incentives and other loan programs. We can present the transaction with detailed business and financial due diligence, assist with preparation of offering documents, present financing scenarios and effectively tell your story, negotiate favorable terms, assist with closing and address your ongoing compliance needs.

Cost segregation expertise

Baker Tilly's specialists conduct cost segregation studies to help our clients increase their cash flow and the amount they deduct on state and federal returns and can receive via direct payment. They play a critical role in determining a project's eligible basis for the purposes of claiming direct pay investment tax credits. Personal property is often buried in the lump-sum costs of a building purchase or construction project and ends up classified as real property. A cost segregation study can unearth those assets and recover tax value. As part of the study, we look for other opportunities to capitalize on the tax benefits associated with construction, expansion and renovation. Our cost segregation team includes engineers, architects, appraisers, CPAs and, when needed, IRS controversy specialists, who assist with IRS examinations and refinement of positions.

What sets us apart?

Rest assured we'll apply insights from our experience over the past decade with tax credit incentives and grants available in the CARES Act, American Rescue Plan Act (ARPA), Infrastructure Investment and Jobs Act (IIJA) and IRA to position you for short- and long-term success. **Beyond that, The County can expect to receive the following from Baker Tilly:**

Responsive service paired with national, specialized resources	Compliance program and tax credit monetization advisory experience	Tax strategies hinged on our industry focus	Proven results
The County will benefit from the qualifications, technology tools and resources of our top 10 advisory, tax and assurance firm, delivered with personalized attention and responsive service from a dedicated IRA services team.	In addition to offering the County an in-depth understanding of the IRA tax credit regime and bonus incentives, your Baker Tilly team has experience developing compliance management programs of a similar scope and complexity.	Your multidisciplinary team combines energy and tax credit finance expertise with targeted experience serving public sector clients to help you develop a strategy for taking advantage of the opportunities presented by the IRA. We understand industry-specific tax risks and implications for claiming and monetizing incentives.	The County will work alongside our dedicated Principals and managers, have access to a waste-to-energy team of tax specialists, prior project developers, engineers and lenders, and rely on our commitment to high-quality service for a fair and competitive fee. As evidence of success, our teams have monetized \$10+ billion worth of tax incentives to date.

Delivering specialized expertise to our public sector clients

State and local government is a complex, unique environment shaped by fiscal, regulatory and operational considerations not found in other sectors. Recognizing this complexity and eager to serve as a true valued advisor to the public sector, Baker Tilly formalized its dedicated public sector specialization more than 50 years ago. **Today, more than 350 Baker Tilly professionals — including nearly 30 principals —** focus directly on serving governments and provide hundreds of thousands of client service hours annually to organizations like the County.

Nationwide, our public sector practice serves nearly 4,000 state and local governmental entities, including municipalities, counties, school districts, utilities, transit organizations, airports and special authorities. Several of these client groups are now served by dedicated specialists in distinct sub-practices.

COMMITMENT TO THE PUBLIC SECTOR

Baker Tilly has been in business for more than 90 years, and public sector entities were some of our first clients.

Highlighting our representative experience as evidence of success

Baker Tilly works with tax-exempt entities, governments, organizations and companies on various studies, including energy infrastructure studies related to tax credits. In recent years, Baker Tilly has provided the following representative listing of energy feasibility and/or study development and execution services. In addition, **Baker Tilly is in the development phases with nearly 100 IRA tax credit engagements for clean energy projects.**

REPRESENTATIVE IRA SERVICE PROJECTS		
Client	Services provided	Year
City of Austin, IN	<ul style="list-style-type: none"> Solar installation feasibility analysis to provide energy at reduced costs to the wastewater treatment plant Currently engaged and assisting the city with IRA tax incentive services and long-term rural development financing for a 1 MW solar installation to provide energy to the wastewater treatment plant 	2022-2023

APRIL 25, 2024

ILLINOIS CORPORATION SERVICE COMPANY
801 ADLAI STEVENSON DRIVE
SPRINGFIELD, IL. 62703-4261

RE BAKER TILLY ADVISORY GROUP, LP

Dear Sir or Madam:

Congratulations! We're pleased to inform you that your request to transact business in the State of Illinois has been approved, and your Limited Partnership was recorded with the Illinois Secretary of State's Office on 04/25/2024. We wish you success with your new business!

Special Alert:

As of January 1, 2024, the federal Corporate Transparency Act (CTA) requires businesses to file Beneficial Ownership Information (BOI) to the U.S. Treasury's Financial Crimes Enforcement Network (FinCEN).

Unless included in FinCEN's list of 23 exemptions, businesses created:

- o Before January 1, 2024, must file a BOI by January 1, 2025
- o In 2024, must file a BOI within 90 days of creation
- o In 2025 (and after) must file within 30 days of creation

Visit www.fincen.gov for more information.

Again, congratulations on this exciting accomplishment! Please contact my Business Services Department if you have any questions.
THIS OFFICE LOOKS FORWARD TO ASSISTING YOU IN THE FUTURE.

Meeting every milestone with a results-driven work plan

Road maps matter. They keep us on track, focused on your goals. This is why they are built into our project management approach in the form of a detailed work plan with key milestones, client sign-offs and deliverables for each project phase.

Here's how we get there:

- **Kickoff:** In this meeting before the initial on-site visit, we'll work with the project steering committee to get your input on goals, timeline and deliverables.
- **Approval:** Both the County and Baker Tilly's principal in charge will approve the final plan.
- **Progress summaries:** We'll outline in writing all work accomplished during the initial and subsequent reporting periods.
- **Communication:** The County will get updates throughout the engagement, detailing progress on specific activities and deliverables. Each activity and deliverable will reflect its status and percentage of completion.
- **Resolution:** We will communicate any problems — actual or anticipated — immediately to make sure the County and our firm understand the issues and what is needed for timely resolution.
- **Changes:** Our team members will share any significant changes in our agreed-upon work plans with the County.

PROJECT UNDERSTANDING

Our understanding

The County plans to build a solar improvement project under 1MW that will be approximately \$423 million in value (The "Project"). The Project completed construction on October 17, 2024.

The County is aware that it may be eligible for a Federal Tax Credit because of the Project qualifying under the IRA22. The Act's "energy security" subtitle includes tax provisions providing credits and incentives for the production and consumption of clean energy, carbon emissions reduction, electric vehicle purchases and, among other items, promoting domestic energy security.

Based upon initial discussions, the County is interested in having Baker Tilly support its goal to preserve, enhance, and claim an Investment Tax Credit (ITC) or a Production Tax Credit (PTC) from its Project to the County. The following outlines Baker Tilly's proposed approach to this engagement:

Scope, objectives and approach

It is anticipated that this Project will be completed in phases from the initial pursuit of the IRA22 applicability through the construction of the Project. The scope of the Project includes four main phases to assist the County with how to Determine, Preserve, Enhance and Claim the IRA 22 tax credit. Additional bonus criteria certifications, related to Prevailing Wage & Apprenticeship, Energy Community, or Domestic Content, will be issued under separate engagement after Phase 1 as required for each Project as appendices A, B and C (as applicable).

Baker Tilly's detailed approach/work plan is summarized as follows:

Phase 1. Determining Project Eligibility for an IRA22 Tax Credit

- a. Provide assistance with interpretation and application of the IRA22 guidance to the Project's set of facts and circumstances to the Project.
- b. Understand the Property Type versus IRS rules.
- c. Coordinate data request from Client.
- d. Analyze the proposed sources and uses of funds, existing Project budgets and financial model prepared by management, and other relevant documents to gain an understanding of the Project on a preliminary basis.
- e. Analyze the planned legal structure for ownership of the Project.
- f. Analyze Project documents that establish the eligible Project costs which are considered eligible for ITC or PTC (if applicable). This will include review of the Project's process design, associated capitalized costs, use of any grant proceeds, timeline regarding construction and placed in service activities, and actions taken to-date that may support compliance with the IRS Begun Construction and placed in service requirements.
- g. Estimate the size range of the tax credit for the Project.
- h. Confirm if project is subject to Prevailing Wage & Apprenticeship (PW&A) to obtain credit adder.
- i. Confirm if the Energy Community adder could apply to the Project site.
- j. Confirm if the Domestic Content adder could apply to the Project.
- k. Prepare an updated written summary which outlines our initial views regarding the Project's eligibility for the ITC or PTC, estimated ITC or PTC amounts, suggested steps to meet any Begun Construction and/or placed in service requirements under the IRA22 timeline requirements. This will include review of the County's ability to retain and utilize the ITC or PTC tax benefits.

Phase 2. Preserving the Tax Credit – Pre-Construction Communication to Contractors and Vendors

- a. Identify all key Contractors and Vendors within scope for the Project Type and the total Project budget.
- b. Analyze Project plans with Client Project manager as it relates to impacts on credit amount and key action steps for preserving the tax credit with use of prevailing wage and apprenticeship.
- c. Assist Client to communicate to its Contractors and Vendors the compliance requirements of IRA22 to obtain the Domestic Content and/or Prevailing Wage & Apprenticeship credit adders.
- d. Review Property Type Sizing, as requested, to the extent it pertains to tax credit considerations.
- e. Support the County in assembling project labor agreements, preparing requests to Department of Labor for additional labor classifications, and communicating requests to contractors to set-up payroll data in LCP.
- f. Set-up the Contractors in the Baker Tilly and LCP portals for PW&A compliance program for the Project instance.

Phase 3. Establishing The Eligible Energy Basis – Post Construction

- a. Establish total cost basis of the Project and perform a cost segregation study to determine the Eligible Cost Basis of the Energy Property.
- b. Review Client's own expenditures, in addition to the Project vendors, for qualifying expenditures which could qualify as Energy Property.
- c. Upon construction completion, perform a site visit (as needed) to complete the cost segregation study, delineate key process areas with upstream production facility that can be part of Energy Property, and document the Project on an as-built basis.
- d. From cost segregation study, categorize the depreciation lives of assets included in the study according to MACRS rules. This includes both capitalized items as well as items that may be expensed for tax purposes.
- e. Document with vendors how the Project was placed in-service.
- f. Determine final tax credit eligible basis, subject to management review and agreement, for purposes of claiming the tax credit.
- g. Issue a schedule of values showing the buildup of Energy Property basis along with other asset classifications from the fixed asset schedule for the final Project costs.

Phase 4. Claiming the Tax Credit - Project Workpaper File Generation

- a. Document compliance with "begun construction" tests as required by the Internal Revenue Service (IRS) (if applicable).
- b. Document compliance with "placed in service" tests as required by the IRS.
- c. Document Project Type eligibility based upon IRS code and other IRS and Environmental Protection Agency (EPA) memoranda.
- d. Document timing Tax Credit can be claimed or transferred.
- e. Provide any additional information which would help support the Project's claiming a Tax Credit in the event of an IRS audit.
- f. Provide the necessary workpapers to the County to support its claim or transfer of the Tax Credit and assist with the preparation of the prescribed tax form.

Additionally, Baker Tilly will assess the Project for eligible bonus credit criteria related to Prevailing Wage & Apprenticeship (5X multiplier), Energy Community and the Domestic Content under separate engagements.

d) Provide proposed procedures for internal problem escalation and process for notifying the County in the event of a problem.

Quick, quality issue consultation

It's a part of the accounting territory. There will be issues that need resolution, topics that require consultation and audit complexities that need additional research. These are not roadblocks when you have the right plan in place. It's why we keep an open line of communication with you and your governance team, jointly addressing any issues that require resolution during your audit and throughout the year.

We can spot potential issues or audit complexities during our daily interactions among team members, during periodic meetings and via analysis of relevant audit activities. When we do, we have a solid, effective plan of action.

Our first step is to connect with the right internal process owner and ask the right questions. Do we have the correct assumptions? Or is additional research needed? Most issues can be resolved at the team level by gaining a deeper understanding and, if needed, finding a reasonable solution that adheres to accounting standards. We work to minimize follow-up requests by resolving these issues on-site (or virtually) before our fieldwork ends.

Is there a technical issue that needs consultation? We have a list of topics that do, and when we encounter them, we work to resolve these directly within the engagement team through your dedicated quality review principal.

When we need more support, our professional practice group (PPG) steps in. This team is dedicated to getting to the right answer quickly and effectively. They're the hub for all firm accounting and assurance quality control and policy developments. Each industry/sector group has a professional practice leader who is a local resource and first-line contact for your audit professionals.

Accounting is complicated

With Baker Tilly, you can have open discussions about the issues and the areas of concern before coming to a resolution.

Our clients notice a difference in the way Baker Tilly resolves issues. It's faster. More streamlined. This is because the team you work with spots and communicates these issues early — and they're the same team connected to the final decisions.

Facilities Management Requisition Over \$30K

421 N. COUNTY FARM
ROAD
WHEATON, IL 60187
www.dupagecounty.gov

File #: FM-P-0032-25

Agenda Date: 6/17/2025

Agenda #: 10.B.

AWARDING RESOLUTION ISSUED TO
HUEN ELECTRIC, INC.
TO PROVIDE AND INSTALL PHASE II SOLAR PANELS ON THE ROOF
OF THE JTK ADMINISTRATION BUILDING
FOR FACILITIES MANAGEMENT
(CONTRACT TOTAL NOT TO EXCEED \$574,833)

WHEREAS, bids have been taken and processed in accordance with County Board policy; and

WHEREAS, the Public Works Committee recommends County Board approval for the issuance of a contract to Huen Electric, Inc. to provide and install Phase II solar panels on the roof of the JTK Administration Building, for the period June 24, 2025, through June 23, 2026, for Facilities Management; and

WHEREAS, upon completion of this project revenues will be generated, specifically ComEd rebate estimated to be \$34,772, and an estimated \$112,179 in Solar Renewable Energy Credits (SRECs). It is the desire of the Public Works Committee to transfer these two revenue sources to the Infrastructure Fund, revenue account 6000-1220-46000, to be utilized for future energy reduction or sustainability projects completed by the Facilities Management Department.

NOW, THEREFORE BE IT RESOLVED, that County Contract, covering said, for the Phase II installation of solar panels for the JTK Administration Building, for the period June 24, 2025, through June 23, 2026, for Facilities Management, be, and it is hereby approved for issuance of a contract by the Procurement Division to, Huen Electric, Inc. 1801 W. 16th St., Broadview, IL 60155 for a contract total amount not to exceed \$574,833, per lowest responsible bid #25-075-FM,

BE IT FURTHER RESOLVED, that all ComEd rebates and SRECs credits received from this solar installation are transferred to the Infrastructure Fund, revenue account 6000-1220-46000, to be used for future energy reduction or sustainability projects completed by the Facilities Management Department.

Enacted and approved this 24th day of June, 2025 at Wheaton, Illinois.

BID PRICING FORM

Section I: Contact Information

Please complete the contact information below.

BID NUMBER:	JTK Phase II 25-075-FM
COMPANY NAME:	Huen Electric, Inc.
CONTACT PERSON:	Ron Baker
CONTACT EMAIL:	rbaker@huenelectric.com

Section II: Pricing

F.O.B: All goods are to be shipped F.O.B. Destination, delivered, and installed.

Provide and install a photovoltaic system on the remaining roof space of the 421 JTK Administration Building according to the Drawings and Specifications of Bid # 25-008-FM. The approximate 140-kilowatt system will have an approximate total number of 359 solar panels. Sixty (60) of the total panel number will be furnished by DuPage County. DuPage County staff will complete building interior conduit installation while the awarded bidder is responsible for the furnishing of said conduit. The awarded bidder will be responsible for furnishing and installation of building interior conduit conductors and electrical terminations.

All (i) iron and steel products; (ii) manufactured products; and (iii) construction materials; except for the Solar Photovoltaic (PV) Modules, provided as a part of this contract shall be Build America, Buy America (BABA) compliant. Formal manufacturing letters certifying BABA compliance are required for all mentioned categorical products. PV Modules shall, at a minimum, be domestically assembled as described in the Department of Energy Waiver Number 2025-09. A copy of the waiver is available upon request.

This TRADE CONTRACTOR shall include an allowance of \$25,000.00 in their base bid for Construction Engineering Oversight services performed by Clark Dietz. Contract amounts will be adjusted by change order for amounts greater or less than the allowance. Allowance to be utilized only at the direction of the County.

NO.	ITEM	UOM	PRICE
1	Provide and install a photovoltaic system as specified above	LSUM	\$ 474,855.00

Section III: Certification

The undersigned certifies that they are:

☐ The Owner or Sole Proprietor

☐ A Member authorized to sign on behalf of the Partnership

☒ An Officer of the Corporation

☐ A Member of the Joint Venture

Herein after called the Bidder and that the members of the Partnership or Officers of the Corporation are as follows:

Rick Swartz

(President or Partner)

Don Egan

(Vice-President or Partner)

Bill Fry

(Secretary or Partner)

Kelly Huntington

(Treasurer or Partner)

Further, the undersigned declares that the only person or parties interested in this bid as principals are those named herein; that this bid is made without collusion with any other person, firm or corporation; that he has fully examined the proposed forms of agreement and the contract specifications for the above designated purchase, all of which are on file in the office of the Procurement Officer, DuPage County, 421 North County Farm Road, Wheaton, Illinois 60187, and all other documents referred to or mentioned in the contract documents, specifications and attached exhibits, including Addenda No. 1, _____, and _____ issued thereto.

Further, the undersigned proposes and agrees, if this bid is accepted, to provide all necessary machinery, tools, apparatus, and other means of construction, including transportation services necessary to furnish all the materials and equipment specified or referred to in the contract documents in the manner and time and at the price therein prescribed.

Further, the undersigned certifies and warrants that they are duly authorized to execute this certification/affidavit on behalf of the Bidder and in accordance with the Partnership Agreement or by-laws of the Corporation, and the laws of the State of Illinois and that this Certification is binding upon the Bidder and is true and accurate.

Further, the undersigned certifies that the Bidder is not barred from bidding on this contract as a result of a violation of either Chapter 720 Illinois Compiled Statutes 5/33 E-3 or 5/33 E-4, bid rigging or bid-rotating, or as a result of a violation of 820 ILCS 130/1 et seq., the Illinois Prevailing Wage Act.

The undersigned certifies that they have examined and carefully prepared this bid and have checked the same in detail before submitting this bid, and that the statements contained herein are true and correct.

If a Corporation, the undersigned, further certifies that the recitals and resolutions attached hereto and made a part hereof were properly adopted by the Board of Directors of the Corporation at a meeting of said Board of Directors duly called and held and have not been repealed nor modified, and that the same remain in full force and effect. (Bidder may be requested to provide a copy of the corporate resolution granting the individual executing the contract documents authority to do so.)

Further, the Bidder certifies that it has provided equipment, supplies, or services comparable to the items specified in this contract to the parties listed in the reference section below and authorizes the County to verify references of business and credit at its option.

Finally, the Bidder, if awarded the contract, agrees to do all other things required by the contract documents, and that it will take in full payment therefore the sums set forth in the bidding schedule (subject to unit quantity adjustments based upon actual usage).

By signing below, the Bidder agrees to the terms of this Mandatory Form and certifies that the information on this form is true and correct to the best of its knowledge.

Section II: Procurement Ordinance Requirements

Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the County, shall provide to the Procurement Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor to any incumbent County Board member, County Board chairman, or Countywide elected official whose office the contract to be awarded will benefit within the current and previous calendar year. The contractor, union, or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors, and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

Has the Bidder made contributions as described above?

☐ Yes

☒ No

If "Yes", complete the required information in the table below.

RECIPIENT	DONOR	DESCRIPTION (e.g., cash, type of item, in-kind services, etc.)	AMOUNT/VALUE	DATE MADE

All contractors and vendors who have obtained or are seeking contracts with the County shall disclose the names and contact information of their lobbyists, agents and representatives and all individuals who are or will be having contact with county officers or employees in relation to the contractor bid and shall update such disclosure with any changes that may occur.

Has the Bidder had or will the Bidder have contact with lobbyists, agents, representatives or individuals who are or will be having contact with county officers or employees as described above.

☐ Yes

☒ No

If "Yes", list the name, phone number, and email of lobbyists, agents, representatives, and all individuals who are or will be having contact with county officers or employees in the table below.

NAME	PHONE	EMAIL

Section III: Violations

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments

Overview			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Recommendation for the approval of a contract to A&P Grease Trappers, Inc, for sanitary, grease trap and storm basin pumping, jetting, and cleaning, as needed for the County campus, for Facilities Management, for the two-year period June 25, 2025 through June, 24 2027, for a total contract amount not to exceed \$214,155.00, per lowest responsible bid accepted in the best interest of the county, per staff's decision memo for bid #25-072-FM, (\$160,450 for Facilities Management, \$23,705 for Animal Services, and \$30,000 for the Division of Transportation)			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished A contract for sanitary, grease trap and storm basin pumping, jetting, and cleaning is needed to prevent odorous backup, expensive repairs, and to avoid any potential health issues.			

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
OTHER THAN LOWEST BID	

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. Best interest of the County due to cost.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Staff recommends proceeding with the next lowest responsible bidder. A&P Grease Trappers has been used by the County in the past and their work has proven reliable and satisfactory. 2. Proceed with the lowest bidder and spend a significant amount of additional money. 3. Do nothing, which staff does not recommend.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

Section III: Certification

The undersigned certifies that they are:

☒ The Owner or Sole
Proprietor

☐ A Member authorized to
sign on behalf of the
Partnership

☐ An Officer of the
Corporation

☐ A Member of the Joint
Venture

Herein after called the Bidder and that the members of the Partnership or Officers of the Corporation are as follows:

(President or Partner)

(Vice-President or Partner)

(Secretary or Partner)

(Treasurer or Partner)

Further, the undersigned declares that the only person or parties interested in this bid as principals are those named herein; that this bid is made without collusion with any other person, firm or corporation; that he has fully examined the proposed forms of agreement and the contract specifications for the above designated purchase, all of which are on file in the office of the Procurement Officer, DuPage County, 421 North County Farm Road, Wheaton, Illinois 60187, and all other documents referred to or mentioned in the contract documents, specifications and attached exhibits, including Addenda No. _____, and _____ issued thereto.

Further, the undersigned proposes and agrees, if this bid is accepted, to provide all necessary machinery, tools, apparatus, and other means of construction, including transportation services necessary to furnish all the materials and equipment specified or referred to in the contract documents in the manner and time and at the price therein prescribed.

Further, the undersigned certifies and warrants that they are duly authorized to execute this certification/affidavit on behalf of the Bidder and in accordance with the Partnership Agreement or by-laws of the Corporation, and the laws of the State of Illinois and that this Certification is binding upon the Bidder and is true and accurate.

Further, the undersigned certifies that the Bidder is not barred from bidding on this contract as a result of a violation of either Chapter 720 Illinois Compiled Statutes 5/33 E-3 or 5/33 E-4, bid rigging or bid-rotating, or as a result of a violation of 820 ILCS 130/1 et seq., the Illinois Prevailing Wage Act.

The undersigned certifies that they have examined and carefully prepared this bid and have checked the same in detail before submitting this bid, and that the statements contained herein are true and correct.

If a Corporation, the undersigned, further certifies that the recitals and resolutions attached hereto and made a part hereof were properly adopted by the Board of Directors of the Corporation at a meeting of said Board of Directors duly called and held and have not been repealed nor modified, and that the same remain in full force and effect. (Bidder may be requested to provide a copy of the corporate resolution granting the individual executing the contract documents authority to do so.)

Further, the Bidder certifies that it has provided equipment, supplies, or services comparable to the items specified in this contract to the parties listed in the reference section below and authorizes the County to verify references of business and credit at its option.

Finally, the Bidder, if awarded the contract, agrees to do all other things required by the contract documents, and that it will take in full payment therefore the sums set forth in the bidding schedule (subject to unit quantity adjustments based upon actual usage).

By signing below, the Bidder agrees to the terms of this Mandatory Form and certifies that the information on this form is true and correct to the best of its knowledge.

Section II: Procurement Ordinance Requirements

Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the County, shall provide to the Procurement Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor to any incumbent County Board member, County Board chairman, or Countywide elected official whose office the contract to be awarded will benefit within the current and previous calendar year. The contractor, union, or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors, and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

Has the Bidder made contributions as described above?

Yes
☒ No

If "Yes", complete the required information in the table below.

RECIPIENT	DONOR	DESCRIPTION (e.g., cash, type of item, in-kind services, etc.)	AMOUNT/VALUE	DATE MADE

All contractors and vendors who have obtained or are seeking contracts with the County shall disclose the names and contact information of their lobbyists, agents and representatives and all individuals who are or will be having contact with county officers or employees in relation to the contractor bid and shall update such disclosure with any changes that may occur.

Has the Bidder had or will the Bidder have contact with lobbyists, agents, representatives or individuals who are or will be having contact with county officers or employees as described above.

Yes
☒ No

If "Yes", list the name, phone number, and email of lobbyists, agents, representatives, and all individuals who are or will be having contact with county officers or employees in the table below.

NAME	PHONE	EMAIL

Section III: Violations

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments

Overview			
DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.). Recommendation for the approval of a contract to Sheffield Safety and Loss Company, LLC., for Safety Program Management for various County Departments, for the period of June 25, 2025, to June 24, 2026, for a total contract amount not to exceed \$150,000, per lowest responsible bid #25-046-PW.			
JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished A Safety Program Manager is required to review and support County employees in maintaining training schedules and making recommendations for safer work environments.			

SECTION 2: DECISION MEMO REQUIREMENTS

DECISION MEMO NOT REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is not required.
DECISION MEMO REQUIRED	Select an item from the following dropdown menu to identify why a Decision Memo (Section 3) is required.
RFP (REQUEST FOR PROPOSAL)	

SECTION 3: DECISION MEMO

STRATEGIC IMPACT	Select an item from the following dropdown menu of County's strategic priorities that this action will most impact. QUALITY OF LIFE
SOURCE SELECTION	Describe method used to select source. A request for proposal was sent out for a Safety Program Manager. We received two responsive, responsible bidders that were evaluated. Based off the evaluation criteria, Sheffield Safety and Loss was selected.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1. Award Sheffield Safety and Loss Control, LLC the contract for the Safety Program Manager in the amount of \$150,000. 2. Do not award Sheffield Safety and Loss Control and award the second lowest bidder. Not recommended due to the selection committees recommendation and price variation. 3. Do not award the Safety Program Manager bid. Not recommended due to the importance of having a Safety Program Manager on call to review safety procedures and manuals.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION

JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

RE: Invitation #25-046-PW Safety Program Manager Services

Sheffield Safety & Loss Control, LLC. has received the Request for Proposal along with all its addendums and is pleased to submit a proposal for Safety Program Manager Services to the County of DuPage Invitation #25-046-PW. The work tasks identified below will be performed as directed by level of importance as determined by the County of DuPage.

Scope of Services

The Safety Program Manager's responsibilities include, but are not limited to, the following tasks:

- Diagnostic Review of existing Safety Manual and Training Programs.
- Create training deck of yearly required courses and optional safety courses.
- Review Safety Training Plan for each department and update as needed.
- Establish Training budget including outside vendors as needs require.
- Evaluate potential exposures and provide recommended solutions or countermeasures.
- Develop an Implementation Plan for each department.
- Recommend vendors in-house for cost savings
- Provide and/or coordinate with others to conduct the required training classes.
- Perform on site safety inspections and recommend specific improvements to improve the safety of the work activity being performed.
- Assist with workplace incident investigations and prepare recommendations for corrective actions as applicable.

Point of Contact

The point of contact and safety program manager will be:

Paul Wojcieszak, CSP, CHST

Owner/President

773-617-4230

wojcieszak@sheffieldsafety.com

Additional support will be provided by individuals possessing ASPs, CHSTs, CSPs and Administrative Staff. Any modifications to personnel will only occur with approval by the County of DuPage.

The above-described services will begin immediately following County Board approval and receipt of a signed contract from the County of DuPage. Services will be provided for one year from the date of signed contract.

If you have any questions, please feel free to contact me directly at 773-617-4230. Sheffield Safety & Loss Control looks forward to working with you on developing your safety & loss control program.

Sincerely,

Paul Wojcieszak CSP, CHST

Firm Description & Qualifications

Sheffield Safety is a Safety Consulting firm founded in 2003 by Paul Wojcieszak CSP, CHST & David Cherven, CSP, CHST and located in the heart of downtown Plainfield with offices on the north side of Chicago, Illinois and Houston Texas. Sheffield Safety also has a state-of-the-art training center with interactive learning stations centrally located in Plainfield IL.

With over 25 full time employees, 21 based in Plainfield IL, who are all industry experts, trained in safety standards, OSHA regulations and dedicated to our client's success. Sheffield Safety's consultants specialize in all aspects of an employee safety and loss control program, including, but not limited to electrical, cranes, rigging, steel erection, work zone safety, lock out/tag out, confined space procedures, NFPA 70E requirements, walking/working surfaces, fall protection, and heavy equipment operation are some examples. Sheffield Safety's staff consists of 4 Certified Safety Professionals (CSP), 2 Graduate Safety Professionals (GSP), 5 Construction Health and Safety Technicians (CHST), and one Associate Safety Professional (ASP).

Sheffield Safety will have Paul Wojcieszak CSP, CHST as the Project Lead for the County of Dupage. Mr. Wojcieszak has over 25 years of experience in the safety field. He graduated from Illinois State University (ISU) with a Bachelor of science degree in Occupational Safety and Health in 1997. Mr. Wojcieszak is the Director of the ISU Alumni board for the Department of Health Sciences and has served in this position since 2014. He has also the past chairperson of the Illinois Road and Transportation Builders Safety Committee for two terms where he worked with the Illinois Toll Road Authority to set minimum training requirements for all workers on toll road projects. Mr. Wojcieszak is a faculty member of ISU where he has developed courses and currently teaches HSC 271 Construction Safety course one evening a week. Mr. Wojcieszak is also awaiting approval from the United States Patent Office for fall protection products he has developed.

Sheffield Safety was started to assist employers with their Safety & Loss Control programs and has consulted in over 26 states and currently performs over 10% of billing revenue with municipalities. One of our main areas of focus is pre-job planning. Sheffield Safety spends a large portion of our time working with clients to prepare a comprehensive safety program to reduce losses before they occur. We believe that a comprehensive municipality specific safety policy is the basis of any successful safety program. After a solid written program has been developed, the next step would be to train employees on exposures of the job and what can be done to prevent accidents. For this reason, we work with our clients to develop training schedules that will adequately address training needs for their employees. This will assist their employees in developing the ability to recognize hazards and means of corrective action before an injury occurs.

We feel we are uniquely qualified for this RFP as currently Sheffield Safety & Loss Control is servicing clients performing similar operations as requested in this RFP for County of DuPage. Sheffield Safety is providing safety consulting services for the City of Joliet, the third largest city and the second largest water provider in the State of Illinois, which encompasses 3 wastewater plants, 25 wells, 50 lift stations, 650 miles of water main, and 650 miles of sanitary sewer. Sheffield Safety also provides consulting to Aqua America, a wastewater and water utility service plant. Sheffield Safety has conducted audits, safety training, accident investigation assistance on 19 wells, 6 water systems, 3 sewage systems, 5 water treatment facilities throughout Central Illinois. We have also provided safety consulting services for other municipalities such as

Sheffield Safety & Loss Control, LLC
The County of DuPage
Finance – Procurement 3-400
Safety Program Manager Services 25-046-PW

the City of Braceville, Village of Coal City, Village of Bedford Park, the City of Chicago, Fermi National Laboratory, and Argonne National Laboratory providing safety program development, training, industrial hygiene services and site audits.

Sheffield Safety & Loss Control is uniquely qualified to serve as the County of DuPage's Safety Manager. Sheffield Safety is one of the largest, non-affiliated consulting firms in the Chicagoland area. Our owners are 100 percent engaged in the daily operations of the company. We have one of the largest staff of Certified Safety Professionals in the Midwest who are capable of assisting clients in an immediate fashion. In addition, we have demonstrated our ability to work with large municipalities in developing successful safety programs.

Sheffield Safety & Loss Control's reputation is second to none. Since our inception we have assisted clients in reducing insurance claims made against their policies that include workers compensation, general liability, equipment losses and builders' risk, as well as helping clients maintain compliance with all federal, state, and local requirements. Sheffield Safety focuses on the individual client loss potentials and customizes services to assist these clients in meeting the established goals for their environmental, safety and loss control program.

Proposed Team

Sheffield Safety will provide a team of safety professionals led by Paul Wojcieszak who will be DuPage County's main point of contact. Mr. Wojcieszak will call on his staff to work with the county when their individual skill sets are required. Our proposed team is as follows:

Paul Wojcieszak CSP, CHST
Title - President
Location- Plainfield, IL
Experience – 28 years
Years with Sheffield - 22 years
Current client load – 2

Amanda Meiner CSP
Title – Safety Consultant
Location- Plainfield, IL

Safety Program Manager Services 25-046-PW

John Malabarba
Title – Safety Consultant
Location- Plainfield, IL
Experience – 20 years
Years with Sheffield - 20 years
Current client load – 1

Project Understanding

To ensure the long-term effectiveness of the safety program and uphold regulatory and organizational standards, the project will incorporate a comprehensive ongoing management strategy supported by clearly defined performance metric guarantees. This approach is rooted in continuous improvement and driven by both proactive (leading) and reactive (lagging) safety indicators.

The program will begin with the regular review and updating of safety policies and procedures to ensure alignment with relevant regulations such as OSHA and ISO 45001, as well as any organizational changes. Clear documentation and accessible communication of these policies are essential to ensure that all personnel understand their responsibilities and expectations. A strong emphasis will be placed on training and education through structured onboarding, periodic refreshers, and role-specific hazard awareness sessions. These trainings will be delivered using a combination of in-person workshops, simulations, and interactive learning formats to enhance knowledge retention and engagement.

Risk assessments will be conducted routinely to identify new or evolving hazards, with the implementation of appropriate controls—engineering, administrative, or personal protective equipment (PPE). The effectiveness of these controls will be continuously monitored. A transparent and efficient system will support the reporting and investigation of incidents, near-misses, and safety observations. Prompt investigations will be carried out to identify root causes and initiate corrective and preventive actions.

Scheduled safety audits and workplace inspections will ensure regulatory compliance and highlight areas for improvement. These activities will involve cross-functional teams and standardized checklists to ensure thoroughness. In parallel, performance monitoring will track key safety metrics such as incident rates, training completion rates, and audit results. This data will be used to analyze trends and inform strategic safety decisions. Employee engagement will be promoted through regular communication, active safety committees, and feedback mechanisms. Recognizing and rewarding safe behavior will help reinforce a culture of shared responsibility and safety leadership.

All training, incidents, inspections, and audits will be documented in detail and managed in a consistent and organized manner to ensure accessibility and compliance tracking. Leadership will play a central role by demonstrating visible support, allocating resources, and embedding safety performance into broader organizational goals.

Sheffield Safety will incorporate a suite of key performance metrics, designed to measure both outcomes and leading safety behaviors. Lagging indicators, such as the Total Recordable Incident Rate (TRIR), Lost Time

Injury Frequency Rate (LTIFR), Injury Severity Rate (ISR), and Days Away, Restricted, or Transferred (DART) Rate, will track incident outcomes and the impact of safety events.

Leading indicators will provide predictive insights and help prevent incidents. These include the Safety Training Completion Rate, with a goal of 100% compliance within 30 days of onboarding new employees, and the Near-Miss Reporting Rate, which is expected to increase by 20% annually to support a proactive safety culture. Other leading metrics include the completion rate of scheduled audits—with a target of 95% and timely follow-up within 14 days—and the Corrective Action Closure Rate, which will aim for 90% of issues resolved within 30 days of identification.

Common challenges such as over-reliance on lagging indicators, data quality issues, and cultural resistance will be addressed proactively. Balancing metrics, maintaining consistent reporting practices, and promoting a no-blame reporting culture will help mitigate these risks. Moreover, safety metrics will be customized to reflect industry-specific risks.

In the event that a conflict arises during Sheffield's tenure as safety program manager Mr. Wojcieszak will investigate and get to the root cause of the issue. Once there is a clear understanding of the issues in question has been determined then Mr. Wojcieszak will inform the COD Risk Management Department personnel who directly oversees the contract for their assistance. Ultimately, Sheffield Safety works at the pleasure of the county and we will carry out any direction given to resolve the conflict.

- **Diagnostic Review of Existing Safety and Training Programs.**

When awarded a contract for Safety Program Manager, it is our intent to start immediately providing services to the County of DuPage. At County of DuPage earliest opportunity, we would have our project director, Paul Wojcieszak, CSP, CHST, meet with the County of DuPage management staff to get a full understanding of the current safety program. At this time we will prepare a schedule based on the scope of services and our meetings with County of DuPage personnel to lay out a timetable to accomplish these tasks. We are anticipating this portion to take minimal time. After the initial meeting, our project director will review the existing Safety Manual and Training Programs. After reviewing the documentation and meeting with management personnel, our project director will be in a position to recommend any improvements to the County of DuPage safety system which, while meeting regulatory requirements, would increase cost efficiencies and decrease safety hazards.

- **Create training deck of yearly required courses and optional safety courses.**

After reviewing the current operation for the four (4) departments we will develop a spreadsheet which will list all the training courses required. This spreadsheet will have time frames for which training is required and when employees must be retrained.

- **Review Safety Training Plan for each department and update as needed.**

Sheffield Safety & Loss Control will perform a comprehensive review of The County of DuPage safety programs for each department. This will be conducted to assess the level of compliance and areas that have the need for improvement. Individual sections will be evaluated, and appropriate changes may be recommended to better coordinate with current project needs in order to provide a more useful safety

program. Safety policies that are already in place will be reviewed for relevance, along with implementation procedures for the subcontractor to follow.

Part of implementing a safety program involves determining the areas where a client needs additional training. Sheffield Safety reviews training documentation that applies to the construction industry under 29 CFR 1926 and applicable 29 CFR 1910 OSHA Standards and assesses the level of training that is currently provided for relevance. Following the assessment suggestions based on findings for improvement will be made.

Employers are required to perform frequent & regular inspections of their work areas. Sheffield Safety verifies if the subcontractor conducts weekly safety inspections on a regular basis and what criterion is being used.

- **Assist with Establishment of Training budget including outside vendors as needs require**

After we review current safety training documentation and compare that with training needs as determined by field observations we will develop a training program and associated budget. Developing training programs is an area where we excel over others. Nothing denotes this more than our state-of-the-art safety training center with hands on equipment and demonstrations. In our first two years in this location we have had over 200 students take our classes. Our training center was developed based on the needs and goals of our clients.

- **Evaluate potential exposures and provide recommended solutions or countermeasures.**

Following award, Sheffield Safety will provide an auditing schedule of facilities and locations. We will provide a detailed report with photographs evaluating potential exposures, hazards observed and can provide recommended solutions. We will also document if any corrective actions were taken at the time of the inspection. As ongoing safety site inspections are conducted, we will summarize safety & loss control issues observed; work with supervisors and managers to ensure any exposures are immediately addressed and corrected. We can assist with Job Hazard Analyses that focuses on job tasks to continue safe work practices eliminating future potential exposures.

- **Development an Implementation Plan for each department.**

Sheffield Safety will develop an implementation plan for each department. Sheffield Safety has developed a mentoring program where we work with first line supervisors to educate them on how to perform the safety related function of their jobs. This program consists of an onsite training for the supervisor and followed up with a hands-on demonstration of the task at hand. Then, if need be, we will observe the supervisor and make recommendations for improvement.

- **Recommend vendors in-house for cost savings.**

We currently work with other municipalities where we coordinate training to be conducted by in-house personnel. Examples include: first aid, CPR, bloodborne pathogen being conducted by the local fire department and active shooter/workplace violence being conducted by the local police department.

- **Provide and/or coordinate with others to conduct the required training classes.**

In the event that training needs are outside of our expertise then we will source the industry leading experts and negotiate the best price for them to perform the training. We work with many other safety professionals

such and subject matter experts which we can call upon to perform a vast array of training. A recent example of this is when we were asked to provide the 8 hour NFPA 70e training for a client. We sought out an expert who performs this training on an almost daily basis and recommended him to our client.

After review of County of DuPage safety system, our project director will, based on the specific needs, assign the appropriate staff to successfully complete any and all OSHA and IDOL training. He will have at his disposal any of our Certified Safety Professionals, Construction Health and Safety Technicians, and Industrial Hygienists.

- **Perform on site safety inspections and recommended specific improvements to improve the safety of the work activity being performed.**

Following award and determination of initial assessment, Sheffield Safety will provide auditing schedules of facilities and locations; intending to have at least quarterly inspections of each facility. We will provide a detailed report with photographs summarizing safety & loss control issues observed and if any corrective actions were taken at the time of the inspection. These reports are detailed & will provide The County of DuPage management a summary of where their overall safety & health program is at and what areas need to be improved. The report also is a tool for site personnel as the findings can be discussed by supervision in contractor meetings or with employees as a safety meeting. All audits performed by Sheffield Safety are based on site observations made with the goal of improving the overall safety of the project.

- **Assist with workplace incident investigations and prepare recommendations for corrective actions as applicable.**

A thorough accident investigation is a critical aspect to managing any safety program. Errors made during the investigation can lead to the wrong conclusions which can result in management making incorrect decisions which will not improve the safety program and may lead to more accidents in the future

Sheffield Safety will review all accidents, incidents and near misses as they occur. In each instance the goal is the same, prevent reoccurrence. At Sheffield Safety, we use analytical techniques, employee interviews, and other data collection techniques that when applied to accidents are proven to determine the root cause and prevent reoccurrence. After applying these techniques to the accident, we are able to develop recommendations that include remedial actions to implement and help ensure that the accident will not happen again. Sheffield Safety will recommend corrective action for safety violations when appropriate, in accordance with County of DuPage policy.

Near misses are warnings that help us identify problems and patterns that can lead to more serious accidents. As part of any review process Sheffield Safety will identify, prepare and present lessons learned as necessary. Following through on the causes of near misses can help with changes or corrections that will prevent injuries, illnesses, or damage to equipment.

- **Safety Program Manager shall review and make recommendations for various other County departments as needed.**

Sheffield Safety's holistic approach will allow for recommendations to be made to other County departments which will compliment programs from other departments. Using this approach will allow for uniformity between departments.

Key Qualifications

Project Lead

Paul Wojcieszak, CSP, CHST

President and Co-Founder of Sheffield Safety & Loss Control

Paul Wojcieszak has been in the safety industry since 1997. He has provided administration and safety services /loss control consultation during his tenure to over 300 companies including construction companies, municipalities, insurance brokers/carriers and project owners. Currently working with two clients, Mr. Wojcieszak implements safety and health in field operations in accordance with OSHA 1926 and 1910 standards, acting as a liaison between field staff and client management; develops and conducts specialized training for supervisors and employees. He is a 1997 alumnus of the Occupational Safety Program at Illinois State University. He also serves on the Safety Program Board and Development Chair and Marketing Chair, Adjunct Professor, Department of Health & Science, developed and teaches HSC 272 Construction Safety Mgmt.

Key Staff of Safety Professionals

Paul Ronczkowski, MPH, CSP

Senior Safety Consultant

Paul Ronczkowski is a retired faculty member of Illinois State University. Mr. Ronczkowski served on the ISU faculty for over 25 years for the Occupational Safety & Health Program. His experiences have covered safety general industry standards, construction standards, NFPA Life Safety Code and NFPA automatic sprinkler codes and hydraulics. His area of expertise is Safety & Health Program Administration, field safety & health consultation inclusive of comprehensive assessments of physical plants from municipalities to manufacturing. Additional assignments include site audits, safety training, safety program development and safety management services. Mr. Ronczkowski's OSHA compliance expertise and proficiency is emphasized while providing precise safety programs and regulatory documentation to our clients.

John Malabarba, CHST

Senior Safety Consultant

John Malabarba, from the City of Chicago, Department of Aviation, where he worked of over 20 years and the Safety Director for Midway Airport. Mr. Malabarba was responsible for monitoring contractor safety activities, ensuring compliance with OSHA, and maintaining the owner's safety and health requirements. In

addition to implementing the City of Chicago site-specific safety programs, Mr. Malabarba participates in pre-construction and weekly contractor safety meetings, develops and conducts training programs for contractors as needed, reviewing and providing comments to improve contractor safety programs.

Amanda Meiner, CSP, ASP

General Industry, Safety Consultant

As the General Industry Safety Consultant for Sheffield Safety and Loss Control, Ms. Meiner has led safety initiatives across multiple sectors through separate contracts. For the City of Joliet and Department of Public Utilities, she developed and implemented a comprehensive municipal safety program, conducted onsite audits, and chaired safety committees. In a separate contract with the CITGO Petroleum Refineries, Ms. Meiner conducts authorized user fall protection training and performs site-specific safety evaluations. As Safety Manager for a gymnastics chain, developed and facilitated employee training and onboarding programs covering workplace violence, active shooter response, emergency evacuation, fire safety, severe weather preparedness, and general first aid. At the University of Illinois Urbana-Champaign, she served as Safety Manager for the engineering department, where she implemented HAZMAT and COVID-19 safety programs and led the development of an ergonomics initiative for office and laboratory settings. Ms. Meiner worked as an Industrial Hygienist for a consulting firm, managing projects involving air sampling, environmental investigations, and exposure testing for mold, asbestos, lead, COVID-19, silica, and indoor air quality. She also created safety programs such as the Noise Hearing Conservation Program for Illinois Wesleyan University and a Confined Space Entry Program for 360 Hazardous Clean Up. In the healthcare sector, Ms. Meiner served as a Safety Specialist, aligning hospital safety policies with Joint Commission and NFPA standards, and chaired both the Environment of Care and Life Safety Committees.

Administrative Support

Diane Sak is the Administrative Support Manager for Sheffield Safety and Loss Control. Before coming to Sheffield, Ms. Sak was Safety Director for a commercial plumbing company. With crews as large as 25, she was responsible for safety on immense projects such as Silver Cross Hospital, Elmhurst Hospital, University of Chicago Medical Center, as well as many retail businesses. For Sheffield, Ms. Sak not only works as project coordinator, but also schedules safety audits for the majority of our clients. She is also instrumental in ensuring necessary training for the appropriate project. Sheffield depends on Ms. Sak to keep all companies' insurance current, such as General/Professional Liability, WC, and project COIs.

Section III: Certification

The undersigned certifies that they are:

☐ The Owner or Sole
Proprietor

☐ A Member authorized to
sign on behalf of the
Partnership

☒ An Officer of the
Corporation

☐ A Member of the Joint
Venture

Herein after called the Offeror and that the members of the Partnership or Officers of the Corporation are as follows:

Paul Wojcieszak
(President or Partner)

Dave Cherven
(Vice-President or Partner)

(Secretary or Partner)

(Treasurer or Partner)

Further, the undersigned declares that the only person or parties interested in this Proposal as principals are those named herein; that this Proposal is made without collusion with any other person, firm or corporation; that he has fully examined the proposed forms of agreement and the contract specifications for the above designated purchase, all of which are on file in the office of the Procurement Officer, DuPage County, 421 North County Farm Road, Wheaton, Illinois 60187, and all other documents referred to or mentioned in the contract documents, specifications and attached exhibits, including Addenda No. _____, _____, and _____ issued thereto.

Further, the undersigned proposes and agrees, if this Proposal is accepted, to provide all necessary machinery, tools, apparatus, and other means of construction, including transportation services necessary to furnish all the materials and equipment specified or referred to in the contract documents in the manner and time and at the price therein prescribed.

Further, the undersigned certifies and warrants that they are duly authorized to execute this certification/affidavit on behalf of the Offeror and in accordance with the Partnership Agreement or by-laws of the Corporation, and the laws of the State of Illinois and that this Certification is binding upon the Offeror and is true and accurate.

Further, the undersigned certifies that the Offeror is not barred from proposing on this contract as a result of a violation of either 720 Illinois Compiled Statutes 5/33 E-3 or 5/33 E-4, Proposal rigging or Proposal-rotating, or as a result of a violation of 820 ILCS 130/1 et seq., the Illinois Prevailing Wage Act.

The undersigned certifies that they have examined and carefully prepared this Proposal and have checked the same in detail before submitting this Proposal, and that the statements contained herein are true and correct.

If a Corporation, the undersigned, further certifies that the recitals and resolutions attached hereto and made a part hereof were properly adopted by the Board of Directors of the Corporation at a meeting of said Board of Directors duly called and held and have not been repealed nor modified, and that the same remain in full force and effect. (Offeror may be requested to provide a copy of the corporate resolution granting the individual executing the contract documents authority to do so.)

Further, the Offeror certifies that they have provided equipment, supplies, or services comparable to the items specified in this contract to the parties listed in the reference section below and authorizes the County to verify references of business and credit at its option.

Finally, the Offeror, if awarded the contract, agrees to do all other things required by the contract documents, and that it will take in full payment therefore the sums set forth in the cost schedule.

PROPOSAL AWARD CRITERIA

The Offeror acknowledges and agrees that the proposal will be awarded to the most responsive, responsible vendor meeting specifications based upon the highest score compiled during evaluation of the proposals outlined in the selection process.

The Offeror agrees to provide the service described in this solicitation and in the contract specifications under the conditions outlined in attached documents for the amount stated.

By signing below, the Offeror agrees to the terms of this Proposal Form and certifies that the information submitted on this form is true and correct to the best of its knowledge.

Section II: Procurement Ordinance Requirements

Every contractor, union, or vendor that is seeking or has previously obtained a contract, change orders to one (1) or more contracts, or two (2) or more individual contracts with the County, shall provide to the Procurement Division a written disclosure of all political campaign contributions made by such contractor, union, or vendor to any incumbent County Board member, County Board chairman, or Countywide elected official whose office the contract to be awarded will benefit within the current and previous calendar year. The contractor, union, or vendor shall update such disclosure annually during the term of a multi-year contract and prior to any change order or renewal requiring approval by the county board. For purposes of this disclosure requirement, "contractor or vendor" includes owners, officers, managers, lobbyists, agents, consultants, bond counsel and underwriters counsel, subcontractors, and corporate entities under the control of the contracting person, and political action committees to which the contracting person has made contributions.

Has the Bidder made contributions as described above?

☐ Yes

☒ No

If "Yes", complete the required information in the table below.

RECIPIENT	DONOR	DESCRIPTION (e.g., cash, type of item, in-kind services, etc.)	AMOUNT/VALUE	DATE MADE

All contractors and vendors who have obtained or are seeking contracts with the County shall disclose the names and contact information of their lobbyists, agents and representatives and all individuals who are or will be having contact with county officers or employees in relation to the contractor bid and shall update such disclosure with any changes that may occur.

Has the Bidder had or will the Bidder have contact with lobbyists, agents, representatives or individuals who are or will be having contact with county officers or employees as described above.

☐ Yes

☒ No

If "Yes", list the name, phone number, and email of lobbyists, agents, representatives, and all individuals who are or will be having contact with county officers or employees in the table below.

NAME	PHONE	EMAIL

Section III: Violations

A contractor or vendor that knowingly violates these disclosure requirements is subject to penalties which may include, but are not limited to, the immediate cancellation of the contract and possible disbarment from future County contracts. Continuing and supplemental disclosure is required. The Bidder agrees to update this disclosure form as follows:

- If information changes, within five (5) days of change, or prior to county action, whichever is sooner;
- 30 days prior to the optional renewal of any contract;
- Annual disclosure for multi-year contracts on the anniversary of said contract
- With any request for change order except those issued by the county for administrative adjustments
