MEMORANDUM

TO: DuPage County Development Committee

FROM: DuPage County Zoning Hearing Officer (ZHO)

DATE: November 5, 2025

RE: **ZONING-25-000059** Fittanto (MILTON / DISTRICT 4)

DEVELOPMENT COMMITTEE: NOVEMBER 18, 2025:

ZONING HEARING OFFICER: OCTOBER 15, 2025: The Zoning Hearing Officer considered the following zoning relief:

Variation to allow a recreational vehicle (vintage Airstream RV) in front of the front wall.

ZHO Recommendation to Deny.

FINDINGS OF FACT:

- A. That petitioner testified that they seek to keep the existing RV located in front of the front wall of the home on the property. The petitioner would like to keep the RV for traveling purposes in the future.
- B. That petitioner testified that the RV is unable to be located on either side of the home due to one side being a stormwater drain and the other side not having enough space.
- C. That petitioner testified that the RV does not impact the ability to access the driveway or the garage on the property.
- D. That petitioner testified that the RV is not a safety concern. That petitioner testified that they have spoken to multiple neighbors who do not have an issue with the request.
- E. That the Zoning Hearing Officer finds that petitioner has not demonstrated sufficient evidence for a practical difficulty or particular hardship in relation to the subject zoning relief for a Variation for a recreational vehicle (vintage Airstream RV) in front of the front wall.

STANDARDS FOR VARIATIONS:

- 1. That the Zoning Hearing Officer finds that petitioner <u>has not demonstrated</u> that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.
- 2. That the Zoning Hearing Officer finds that petitioner <u>has not demonstrated</u> the granting of the Variation will not:
 - a. Impair an adequate supply of light and air to the adjacent property as petitioner has not demonstrated that the recreational vehicle does not impair an adequate supply of light and air to the adjacent properties.
 - b. Increase the hazard from fire or other dangers to said property as petitioner **has not demonstrated that** the recreational vehicle does not increase the hazard from fire or other dangers to said property.
 - c. Diminish the value of land and buildings throughout the County as petitioner **has not demonstrated** that the recreational vehicle does not diminish the value of land and buildings throughout the County.
 - d. Unduly increase traffic congestion in the public streets and highways as petitioner <u>has not</u> <u>demonstrated</u> that the recreational vehicle does not unduly increase traffic congestion in the public streets and highways.
 - e. Increase the potential for flood damages to adjacent property as petitioner <u>has not demonstrated</u> that the recreational vehicle does not increase the potential for flood damages to adjacent property.
 - f. Incur additional public expense for flood protection, rescue or relief as petitioner has not demonstrated that the recreational vehicle does not incur additional public expense for flood protection, rescue, or relief.
 - g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has not demonstrated that the recreational vehicle does not impair the public health, safety, comfort, morals, or general welfare.
