RE: Appointment to the DuPage County ETSB

Dear Chair Conroy and Chair Schwarze:

Due to the recent resignation of Administrator Michael Guttman from the ETSB as DU-COMM's representative, on behalf of the forty-five (45) member agencies of DU-COMM, this letter will serve as our representative recommendation to the Emergency Telephone System Board of DuPage County (ETSB).

The ETSB Bylaws reflect the requirement of one public safety representative recommended by DU-COMM. I recommend the appointment of DU-COMM's Executive Director Jessica Robb, as our representative for both the interim vacancy and term commencing December 1, 2024.

Thank you for your consideration of our request. Director Robb looks forward to the opportunity to serve and participate on the ETSB and continuing the positive working relationships therein.

Thank you,

Mayor David Brummel  
Chairperson - Board of Directors  
DuPage Public Safety Communications (DU-COMM)
