6. CHAIR'S REPORT

Chair Conroy made the following remarks:

I'm very pleased to inform the Board and the public that on Friday afternoon, Governor Pritzker signed House Bill 4571into law. Public Act 104-0554 expands our ability in DuPage County to create attainable housing programs that meet the needs of our so-called missing middle home buyers. I want to thank Representative Marti Deuter and Senator Laura Ellman who joined me in this mission to expand eligibility and get more of our so-called missing middle earners into homes in DuPage County.

Member Sam Tornatore serves as our Housing Solutions Committee Chairman and as Treasurer of the Illinois Housing Development Authority. His leadership and support has been instrumental. Thank you, Sam. We are thrilled to now create a first time home buyer program and others, using the tools available to us, thanks to our success working with the General Assembly.

Whether we're passing a bill in Springfield or fighting to keep our portion of the RTA sales tax… as we did last year…it's incredibly important that we have representatives prioritizing DuPage residents' interests. We certainly lived through some thorny negotiations over mass transit funding. As a result, the Northern Illinois Transit Authority, or NITA was formed. Under the statute that created NITA, DuPage County appoints one individual to represent us on the Metra Board and one individual who will represent us on both the Pace and NITA Boards.

I took a great deal of time to consider who would be able to come up to speed quickly on the issues and to find representatives who I believe will advocate effectively on behalf of our DuPage County residents. My choices for these two appointed positions are on the agenda today. I ask for your support of John Retondo to serve as DuPage's representative on the Metra Board. And I also seek your support of Roselle Mayor David Pileski to represent our interests on the new NITA Board. He will also represent us on the Pace Board.

Mr. Rotondo and Mayor Pileski are more than qualified for these positions and I believe they will work well with their regional colleagues. They will also ensure that DuPage has an active role in mass transit planning and decision making, impacting those who travel to and from DuPage County each day.

I want to thank our Security and Emergency Management staff who helped ensure that parking for Saturday's concert at Cantigny, featuring Gary Sinise and the Lt. Dan Band, went smoothly here on the campus. Thousands of cars park in our lots for the event and months of planning went into creating a smooth process. Thanks to all who contributed to this very popular concert benefiting disabled veterans.

And finally, I invite all Board Members to come paint with us at the DuPage County Fair. We're inviting children and teens attending the County Fair on July 24 to join us is painting our mural celebrating America's 250th Anniversary. We're inviting kids, families and field trip groups to join us from 11 a.m. to 4 p.m. to bring their artistic talents as we fill our mural with a whole lot of color. I'd like to thank Karyn Charvat of Power Forward DuPage who has been a big support and acts as my co-leader on this project… and also IBEW Local 701 for providing supplies. The next time you see me, I may be covered in red, white and blue paint, but I'll be having a lot of fun! Hope to see you there!

Variation to reduce the rear yard setback for a house addition from required 25 feet to approximately 10 feet. (Wayne/District 6)
ZHO Recommendation to Approve
Development Committee VOTE (Motion to Approve): 6 Ayes, 0 Nays, 0 Absent

WHEREAS, a public hearing was held on June 3, 2026, in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Variation to reduce the rear yard setback for a house addition from required 25 feet to approximately 10 feet, on the property hereinafter described:

LOT 82 IN BRANIGAR'S 1ST ADDITION TO WAYNE EASTGATE, BEING A SUBDIVISION OF PART OF THE SOUTH HALF OF THE SOUTHWEST QUARTER OF SECTION 25, AND OF THE NORTH HALF OF THE NORTHWEST QUARTER OF SECTION 36, TOWNSHIP 40 NORTH, RANGE 9, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED JANUARY 7, 1969 AS DOCUMENT NO. R69-578, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on June 17, 2026, does find as follows:

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Variation to reduce the rear yard setback for a house addition from required 25 feet to approximately 10 feet.

2. That petitioner testified that they propose to construct an addition onto the residence consisting of a garage and a mudroom.

3. That petitioner testified that due to the location of the septic field they were unable to build a detached garage.

4. That petitioner testified that they have lived at the subject property for approximately four (4) years.

5. That the Zoning Hearing Officer finds that the Petitioner has demonstrated a practical difficulty and particular hardship warranting the requested Variations. Specifically, due to the lot configuration and the location of the septic field, limits the buildable area available on the lot.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed addition will not impair an adequate supply of light and air to the adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will obtain a building permit for the proposed home and that it will be built pursuant to all DuPage County building codes.

   c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed addition will be an added benefit to the surrounding area and not diminish the value of land and buildings throughout the County.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed addition will not increase traffic congestion in the public streets and highways.

   e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that they will receive a building permit for the proposed addition and will not increase the potential for flood damages to adjacent property.

   f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that they will receive a building permit for the proposed addition and will not incur additional public expense for flood protection, rescue, or relief.

   g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed addition will meet all building requirements and will not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

(i) If, during its fiscal year, Grantee expends at least $750,000 in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS). Grantee may be subject to additional requirements in **PART TWO, PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than $750,000 in State-issued Awards, but expends at least $500,000 in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(iii) If Grantee is a Local Education Agency (as defined in 34 CFR 77.1), Grantee must have a financial statement audit conducted in accordance with GAGAS, as required by 23 Ill. Admin. Code 100.110, regardless of the dollar amount of expenditures of State-issued Awards.

(iv) If Grantee does not meet the requirements in subsections 12.3(b) and 12.3(c)(i-iii) but is required to have a financial statement audit conducted based on other regulatory requirements, Grantee must submit those audits for review.

Docusign Envelope ID: FDDA0F53-5F43-83F6-8036-DABDCED68134

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

12.4. "For-Profit" Entities.

(a) This Paragraph applies to Grantees that are "for-profit" entities.

(b) Program-Specific Audit. If, during its fiscal year, Grantee expends at least $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must have a program-specific audit conducted in accordance with 2 CFR 200.507. The auditor must audit federal pass-through programs with federal pass-through Awards expended that, in the aggregate, cover at least 50 percent (0.50) of total federal pass-through Awards expended. The audit report packet must be completed as described in 2 CFR 200.507 (program-specific audit), 44 Ill. Admin. Code 7000.90 and the current GATA audit manual, and must be submitted to the Grantee Portal. The due date of all required submissions set forth in this Paragraph is the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) nine (9) months after the end of Grantee's audit period.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than $1,000,000 in federal pass-through funds from State-issued Awards, Grantee must follow all of the audit requirements in Paragraphs 12.3(c)(i)-(v), above.

(d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

12.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

12.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XIII
TERMINATION; SUSPENSION; NON-COMPLIANCE

13.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(3).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities and if this termination is permitted in the terms and conditions of the Award, which must be detailed in **Exhibit A**, **PART TWO** or **PART THREE**.

13.2. Suspension. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

13.3. Non-compliance. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

13.4. Objection. If Grantor suspends or terminates this Agreement, in whole or in part, for cause, or takes any other action in response to Grantee's non-compliance, Grantee may avail itself of any opportunities to object and challenge such suspension, termination or other action by Grantor in accordance with any applicable processes and procedures, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 2 CFR 200.342; 44 Ill. Admin. Code 7000.80 and 7000.260.

13.5. Effects of Suspension and Termination.

(a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the

Docusign Envelope ID: FDDA0F53-5F43-83F6-8036-DABDCED68134

notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

13.6. Close-out of Terminated Agreements. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

ARTICLE XIV
SUBCONTRACTS/SUBAWARDS

14.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must follow all applicable requirements set forth in 2 CFR 200.332.

14.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b).

14.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

ARTICLE XV
NOTICE OF CHANGE

15.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

15.2. Failure to Provide Notification. To the extent permitted by Illinois law (*see* Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

15.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

Docusign Envelope ID: FDDA0F53-5F43-83F6-8036-DABDCED68134

15.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

ARTICLE XVI
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP

16.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVII
CONFLICT OF INTEREST

17.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.112; 30 ILCS 708/35.

17.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any officer or any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

17.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant any such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVIII
EQUIPMENT OR PROPERTY

18.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

18.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original

financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

18.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President's Office of Management and Budget, the Governor's Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.327 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

18.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer's guidelines, federal and state laws or rules, and Grantor requirements stated herein.

18.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, to the greatest extent practicable and consistent with law, Grantee must, under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders under this Award.

ARTICLE XIX
PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

19.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). To use Grant Funds in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, these uses must be allowable under 2 CFR 200.421 and 200.467 and Grantee must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the [Grantor]." 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

19.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XX
INSURANCE

Docusign Envelope ID: FDDA0F53-5F43-83F6-8036-DABDCED68134

20.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property (including equipment), or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

20.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XXI
LAWSUITS AND INDEMNIFICATION

21.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. Grantee must provide its own equipment and supplies necessary to conduct its business; provided, however, that in the event, for its convenience or otherwise, Grantor makes any such equipment or supplies available to Grantee, Grantee's use of such equipment or supplies provided by Grantor pursuant to this Agreement is strictly limited to official Grantor or State of Illinois business and not for any other purpose, including any personal benefit or gain.

21.2. Indemnification and Liability.

(a) **Non-governmental entities**. This subparagraph applies only if Grantee is a non-governmental entity. Grantee must hold harmless Grantor against any and all liability, loss, damage, cost or expenses, including attorneys' fees, arising from the intentional torts, negligence or breach of contract of Grantee, with the exception of acts performed in conformance with an explicit, written directive of Grantor. Indemnification by Grantor is governed by the State Employee Indemnification Act (5 ILCS 350/.01 *et seq.*) as interpreted by the Illinois Attorney General. Grantor makes no representation that Grantee, an independent contractor, will qualify or be eligible for indemnification under said Act.

(b) **Governmental entities**. This subparagraph applies only if Grantee is a governmental unit as designated in Paragraph 3.2. Neither Party shall be liable for actions chargeable to the other Party under this Agreement including, but not limited to, the negligent acts and omissions of the other Party's agents, employees or subcontractors in the performance of their duties as described under this Agreement, unless such liability is imposed by law. This Agreement is not construed as seeking to enlarge or diminish any obligation or duty owed by one Party against the other or against a third party.

ARTICLE XXII
MISCELLANEOUS

22.1. Gift Ban. Grantee is prohibited from giving gifts to State employees pursuant to the State Officials and Employees Ethics Act (5 ILCS 430/10-10) and Illinois Executive Order 15-09.

22.2. Assignment Prohibited. This Agreement must not be sold, assigned, or transferred in any manner by Grantee, to include an assignment of Grantee's rights to receive payment hereunder, and any actual or

attempted sale, assignment, or transfer by Grantee without the Prior Approval of Grantor in writing renders this Agreement null, void and of no further effect.

22.3. Copies of Agreements upon Request. Grantee must, upon request by Grantor, provide Grantor with copies of contracts or other agreements to which Grantee is a party with any other State agency.

22.4. Amendments. This Agreement may be modified or amended at any time during its Term by mutual consent of the Parties, expressed in writing and signed by the Parties.

22.5. Severability. If any provision of this Agreement is declared invalid, its other provisions will remain in effect.

22.6. No Waiver. The failure of either Party to assert any right or remedy pursuant to this Agreement will not be construed as a waiver of either Party's right to assert such right or remedy at a later time or constitute a course of business upon which either Party may rely for the purpose of denial of such a right or remedy.

22.7. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, are governed and construed in accordance with the laws of the State of Illinois. Any claim against Grantor arising out of this Agreement must be filed exclusively with the Illinois Court of Claims. 705 ILCS 505/1 *et seq.* Grantor does not waive sovereign immunity by entering into this Agreement.

22.8. Compliance with Law. Grantee is responsible for ensuring that Grantee's Obligations and services hereunder are performed in compliance with all applicable federal and State laws, including, without limitation, federal regulations, State administrative rules, including but not limited to 44 Ill. Admin. Code Part 7000, laws and rules which govern disclosure of confidential records or other information obtained by Grantee concerning persons served under this Agreement, and any license requirements or professional certification provisions.

22.9. Compliance with Freedom of Information Act. Upon request, Grantee must make available to Grantor all documents in its possession that Grantor deems necessary to comply with requests made under the Freedom of Information Act. 5 ILCS 140/7(2).

22.10. Compliance with Whistleblower Protections. Grantee must comply with the Whistleblower Act (740 ILCS 174/1 *et seq.*) and the whistleblower protections set forth in 2 CFR 200.217, including but not limited to, the requirement that Grantee and its subrecipients inform their employees in writing of employee whistleblower rights and protections under 41 U.S.C. 4712.

22.11. Precedence.

(a) Except as set forth in subparagraph (b), below, the following rules of precedence are controlling for this Agreement: In the event there is a conflict between this Agreement and any of the exhibits or attachments hereto, this Agreement controls. In the event there is a conflict between **PART ONE** and **PART TWO** or **PART THREE** of this Agreement, **PART ONE** controls. In the event there is a conflict between **PART TWO** and **PART THREE** of this Agreement, **PART TWO** controls. In the event there is a conflict between this Agreement and relevant statute(s) or rule(s), the relevant statute(s) or rule(s) controls.

(b) Notwithstanding the provisions in subparagraph (a), above, if a relevant federal or state statute(s) or rule(s) requires an exception to this Agreement's provisions, or an exception to a requirement in this Agreement is granted by GATU, such exceptions must be noted in **PART TWO** or **PART THREE**, and in such cases, those requirements control.

22.12. Illinois Grant Funds Recovery Act. In the event of a conflict between the Illinois Grant Funds Recovery Act and the Grant Accountability and Transparency Act, the provisions of the Grant Accountability and Transparency Act control. 30 ILCS 708/80.

22.13. Headings. Articles and other headings contained in this Agreement are for reference purposes only and are not intended to define or limit the scope, extent or intent of this Agreement or any provision hereof.

22.14. Counterparts. This Agreement may be executed in one or more counterparts, each of which are considered to be one and the same agreement, binding on all Parties hereto, notwithstanding that all Parties are not signatories to the same counterpart. Duplicated signatures, signatures transmitted via facsimile, or signatures contained in a Portable Document Format (PDF) document are deemed original for all purposes.

22.15. Attorney Fees and Costs. Unless prohibited by law, if Grantor prevails in any proceeding to enforce the terms of this Agreement, including any administrative hearing pursuant to the Grant Funds Recovery Act or the Grant Accountability and Transparency Act, Grantor has the right to recover reasonable attorneys' fees, costs and expenses associated with such proceedings.

22.16. Continuing Responsibilities. The termination or expiration of this Agreement does not affect: (a) the right of Grantor to disallow costs and recover funds based on a later audit or other review; (b) the obligation of the Grantee to return any funds due as a result of later refunds, corrections or other transactions, including, without limitation, final Indirect Cost Rate adjustments and those funds obligated pursuant to ARTICLE XIV; (c) the CYEFR(s); (d) audit requirements established in 44 Ill. PROJECT DESCRIPTION

The purpose of the Illinois Family Violence Coordinating Council (IFVCC) is to improve the justice system's institutional, professional, and community response to family violence, including intimate partner abuse, child abuse, teen dating violence, and abuse against older adults and people with disabilities.

Family Violence Coordinating Councils (FVCCs) are designed to improve the criminal justice system's response to family violence issues. The councils support prevention, education, and service coordination efforts for victims and perpetrators of domestic abuse, child abuse, teen dating violence, and abuse against people with disabilities and older adults using a three-pronged approach that includes the following:

- Coordinating and convening committees and workgroups to make policy, protocol, practice, and system change.
- Improving knowledge of criminal justice and social service professionals on family/domestic violence related topics through trainings.
- Increasing awareness and knowledge on family violence issues in the community.

The three-pronged approach provides opportunity for impact and change at different levels within the criminal justice system.

Local FVCCs provide opportunities for communication between criminal justice professionals and community service providers and encourage the sharing of information and resources, thereby providing for development of a network of safety and assistance for family violence victims.

Project Implementation

The 18th Judicial Circuit Court Family Violence Coordinating Council (FVCC) leads a coordinated, multidisciplinary approach to strengthening DuPage County's response to domestic violence through systems collaboration, professional training, and community awareness. The FVCC brings together partners from the judicial system, law enforcement, social service agencies, and advocacy organizations that serve DuPage County.

DuPage County continues to experience significant challenges related to domestic violence, with thousands of incidents reported and substantial numbers of protective orders filed annually. Despite ongoing efforts, survivors still face barriers to accessing services and navigating complex systems. These challenges highlight the continued need for a coordinated approach that improves communication across systems, increases awareness of available resources, and addresses service gaps. In response to identified gaps, the FVCC has expanded its structure to include additional subcommittees focused on housing-related barriers and child and youth safety, ensuring more targeted and comprehensive responses to emerging community needs.

During the grant period, the FVCC will continue to coordinate systems partners to improve protocols, enhance victim safety, increase offender accountability, and expand access to resources. The FVCC will convene six multidisciplinary committees to guide and implement project activities. The Council will provide three professional training opportunities, with a projected total of 200 participants. Community awareness efforts will include four events and activities designed to reach at least 250 community members. Additionally, the FVCC will continue to expand its Domestic Violence QR Code Initiative through ongoing distribution of materials to law enforcement agencies and community locations throughout DuPage County, increasing access to critical resources for survivors.

The FVCC, supported by an experienced coordinator and active committee structure, provides the capacity to effectively implement and sustain project activities. By strengthening coordination across systems and addressing identified service gaps, the FVCC will continue to enhance DuPage County's response to domestic violence. These efforts support a more informed, accessible, and effective system that improves safety for survivors and accountability for offenders.

    37.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.

38. Management and Disposition of Equipment and Commodities.

    38.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.

38.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

41.2. Grantee shall inform any sub-recipient of Grantor's Grant Funds that the sub-recipient is similarly obligated to report irregularities.

41.3. Failure to report known irregularities can result in suspension of the Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts

or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

45. Safeguarding Constitutional Protections Related to Religion

    45.1 Grantee certifies that grant and match funded services must be offered without regard to religious affiliation.         ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to Grantor, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Grantor.

    b. If Grantee makes subawards or contracts under this award –
        i. it represents that –

            1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
            2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to

support this representation; and

ii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

47. Background Checks for youth programs. Background checks are required for all program staff, independent contractors, and volunteers, including program staff, independent contractors, and volunteers for subawards and subcontractors, who have direct contact with youth before hiring or before working on the program. Grantee must have a written protocol on file requiring fingerprint-based background checks through the Illinois State Police for all persons and maintain documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

Grantee understands and agrees that grant and match funds cannot be used for research purposes, as defined under 45 CFR 46.102(d). Grantee will provide Grantor with aggregate project data and summary reports related to project performance, including process and outcome, and any other information, as requested by Grantor.

49. Confidentiality of Records. Grantee agrees not to use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with this program and all applicable federal guidelines and legislation without written consent from Grantor. Grantee shall notify Grantor within three (3) business days of any such request.

50. Tax Liabilities; State Agency Delinquencies. Grantee is required to file of any and all applicable tax returns. In the event that a Grantee is delinquent in filing and/or paying any federal, state and/or local taxes, the Grantor shall disburse Grant Funds only if the Grantee enters into an installment payment agreement with said tax authority and remains in good standing therewith. Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.

ADDENDUM NO. 1

TO THE FAMILY SELF-SUFFICIENCY (FSS) INTERGOVERNMENTAL SERVICE CONTRACT

This Addendum No. 1 ("Addendum") is entered into by and between the DuPage Housing Authority ("DHA") and DuPage County Community Services ("COUNTY"), collectively referred to as the "Parties," and amends the Family Self-Sufficiency Intergovernmental Service Contract effective January 1, 2026.

RECITALS

WHEREAS, the Parties entered into an Intergovernmental Service Contract for administration of activities associated with the HUD Family Self-Sufficiency ("FSS") Program; and

WHEREAS, the Contract identifies a Contract Period and HUD Grant Award associated with Grant No. FSS26IL7270; and

WHEREAS, the Parties desire to clarify the distinction between the HUD Grant Project Period and the HUD-funded Period of Performance applicable to the HUD FSS Grant Award FSS26IL7270.

NOW, THEREFORE, the Parties agree as follows:

1. Clarification of Grant Project Period

The Parties acknowledge that HUD Grant Award FSS26IL7270 reflects a Project Period extending from January 1, 2026, through December 31, 2027, as established within the HUD GrantSolutions system. The Project Period represents the overall grant administration period associated with the award and does not, by itself, establish funding eligibility for expenditures beyond the authorized Period of Performance.

2. Clarification of Period of Performance

The Parties further acknowledge that the Period of Performance for the FY25 FSS funding award is January 1, 2026, through December 31, 2026. Only eligible program costs incurred during this Period of Performance shall be reimbursable from FY25 FSS grant funds unless HUD subsequently authorizes additional funding, extends the Period of Performance, or issues a subsequent award.

3. Contract Interpretation

The Contract's stated term of January 1, 2026, through December 31, 2027 shall remain unchanged for purposes of partnership administration, recordkeeping, coordination of services, closeout activities, and grant administration. However, the existence of the

Contract through December 31, 2027, shall not be construed as authorization for expenditure of FSS26IL7270 FSS grant funds beyond December 31, 2026, absent written authorization from HUD. Nothing in this Addendum is intended to prevent the Parties from entering into an additional agreement during calendar year 2027 to administer future FSS grant awards.

4. Effect of Addendum

Except as specifically modified by this Addendum, all terms, conditions, and provisions of the original Intergovernmental Service Contract shall remain in full force and effect.

LOT 3 AND 4, EXCEPT THE SOUTHWESTERLY 76.00 FEET OF LOT 3 (MEASURED ON THE NORTHWESTERLY AND SOUTHEASTERLY LINES OF SAID LOT 3) IN BLOCK 4 IN A. T. MCINTOSH AND COMPANY'S EDGEWOOD SUBDIVISION, BEING ASUBDIVISION IN THE SOUTHEAST QUARTER OF SECTIONS 8 AND 9, TOWNSHIP 38 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED MAY 8, 1929 AS DOCUMENT 279197 IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Board of Appeals, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 9, 2026, does find as follows:

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit ("ADU"), with required Variations.

2. That the record was adopted from the previous public hearing for ZONING-26-000007 NGHC, Inc., which was held on April 30, 2026.

3. That petitioner testified that there is a large community of individuals that are intellectually disabled and looking for a group home/Community Integrated Living Arrangement (CILA) in Illinois.

   a. That petitioner testified that there are approximately 19,000 adults with intellectual and developmental disabilities on the CILA waiting list in Illinois.

   b. That petitioner testified that he started the group home search for his daughter and that the proposed group home would be for his daughter and other group home occupants.

4. That petitioner testified that Little Friends <https://www.littlefriendsinc.org/?utm_source=chatgpt.com> is proposed to operate the group home within the existing residence located on the subject property.

   a. That petitioner testified that the group home program would be Monday through Friday with a shift change for group home/CILA staff. Petitioner testified that there would be additional staff on weekend shifts as well.

5. That petitioner testified that a proposed 3,850 square-foot ADU would be constructed at the rear of the subject property for occupancy by himself and other family members of the group home residents, in order to remain in close proximity to their family members.

   a. That Petitioner testified that staff might also rent a room in the proposed ADU.

6. That petitioner testified that individuals with intellectual disabilities often face challenges obtaining employment and that the proposed greenhouse on the subject property would provide residents of the group home/CILA with opportunities to grow food for personal consumption and for sale as a form of employment and vocational activity.

7. That petitioner testified that the proposed Planned Development, consisting of the group home, greenhouse, and ADU, would generate earned revenue for the group home residents and additional rental income to support the operation of the group home/CILA.

   a. That petitioner testified that a charitable organization, NGHC, Inc., was established and that the existing residence, along with additional funds, would be donated to the organization for the development and operation

of the group home and greenhouse.

b. That petitioner testified that residents of the proposed ADU would pay rent to the charitable organization in order to help support the individuals residing within the group home located in the principal residence.

8. That petitioner testified that a group home/CILA cannot utilize common facilities such as a kitchen, laundry, or garage space, and that he needs to build a separate home/ADU on the property for everything that would be used by family and support staff.

9. That petitioner testified that there is a ninety (90) unit, three-story townhouse development being constructed directly across Plank Road from the subject property and that the surrounding area is turning into a high-density neighborhood with the incorporation of the new townhouse development.

10. That petitioner testified that he is required to move the septic system for the existing house and would create a septic system that will handle both the ADU and the group home/CILA.

11. That petitioner testified that he cannot meet the owner-occupant requirement for a property with an ADU, as the property will be owned by the 501c3 and that there is no practical way to meet this requirement as there cannot be an owner of a 501c3.

12. That petitioner testified that the practical difficulty and particular hardship for the subject zoning relief is that the occupants of the group home need support and assistance, and that the group home, greenhouse, and accessory dwelling unit are all designed to support the occupants in their future.

a. That petitioner testified that if he is unable to build the additional items (greenhouse and accessory dwelling unit) on the subject property, then he cannot provide services to the occupants of the group home/CILA.

13. That the Zoning Board of Appeals finds that insufficient evidence was presented to satisfy the applicable Standards for a Variation and Conditional Use, and that petitioner did not present a practical difficulty or particular hardship for the subject Variations.

14. That the Zoning Board of Appeals finds that the proposed Accessory Dwelling Unit would be located within a new building rather than through the conversion of an existing detached accessory building and, therefore, does not meet the initial requirement of the recently adopted Accessory Housing provisions (37-417) of the Zoning Ordinance.

15. Furthermore, that the Zoning Board of Appeals finds that the proposed 3,850-square-foot accessory dwelling, proposed 2,880-square-foot greenhouse with accessory retail and wholesale crop sales, and the proposed group home collectively require approval of a Planned Development Conditional Use, including the subject Variations, and that the Zoning Board of Appeals further finds that the overall scope and intensity of the proposed development are too extensive for the subject property.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Board of Appeals finds that petitioner has not demonstrated that the granting of the Conditional Use

is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically that the granting of the Conditional Use will not:

Increase the potential for flood damages to adjacent property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase the potential for flood damages to adjacent property.

ZBA VOTE (to Deny): 6 Ayes, 0 Nays, 0 Absent

FINDINGS OF FACT:

1. That petitioner testified that the subject zoning relief is for a Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit ("ADU"), with required Variations.

2. That the record was adopted from the previous public hearing for ZONING-26-000007 NGHC, Inc., which was held on April 30, 2026.

3. That petitioner testified that there is a large community of individuals that are intellectually disabled and looking for a group home/Community Integrated Living Arrangement (CILA) in Illinois.

    a. That petitioner testified that there are approximately 19,000 adults with intellectual and developmental disabilities on the CILA waiting list in Illinois.

    b. That petitioner testified that he started the group home search for his daughter and that the proposed group home would be for his daughter and other group home occupants.

4. That petitioner testified that Little Friends is proposed to operate the group home within the existing residence located on the subject property.

    a. That petitioner testified that the group home program would be Monday through Friday with a shift change for group home/CILA staff. Petitioner testified that there would be additional staff on weekend shifts as well.

5. That petitioner testified that a proposed 3,850 square-foot ADU would be constructed at the rear of the subject property for occupancy by himself and other family members of the group home residents, in order to remain in close proximity to their family members.

    a. That Petitioner testified that staff might also rent a room in the proposed ADU.

6. That petitioner testified that individuals with intellectual disabilities often face challenges obtaining employment and that the proposed greenhouse on the subject property would provide residents of the group home/CILA with opportunities to grow food for personal consumption and for sale as a form of employment and vocational activity.

7. That petitioner testified that the proposed Planned Development, consisting of the group home, greenhouse, and ADU, would generate earned revenue for the group home residents and additional rental income to support the operation of the group home/CILA.

    a. That petitioner testified that a charitable organization, NGHC, Inc., was established and that the existing residence, along with additional funds, would be donated to the organization for the development and operation of the group home and greenhouse.

    b. That petitioner testified that residents of the proposed ADU would pay rent to the charitable organization in order to help support the individuals residing within the group home located in the principal residence.

8. That petitioner testified that a group home/CILA cannot utilize common facilities such as a kitchen, laundry, or garage space, and that he needs to build a separate home/ADU on the property for everything that would be used by family and support staff.

9. That petitioner testified that there is a ninety (90) unit, three-story townhouse development being constructed directly across Plank Road from the subject property and that the surrounding area is turning into a high-density neighborhood with the incorporation of the new townhouse development.

10. That petitioner testified that he is required to move the septic system for the existing house and would create a septic system that will handle both the ADU and the group home/CILA.

11. That petitioner testified that he cannot meet the owner-occupant requirement for a property with an ADU, as the property will be owned by the 501c3 and that there is no practical way to meet this requirement as there cannot be an owner of a 501c3.

12. That petitioner testified that the practical difficulty and particular hardship for the subject zoning relief is that the occupants of the group home need support and assistance, and that the group home, greenhouse, and accessory dwelling unit are all designed to support the occupants in their future.

    a. That petitioner testified that if he is unable to build the additional items (greenhouse and accessory dwelling unit) on the subject property, then he cannot provide services to the occupants of the group home/CILA.

13. That the Zoning Board of Appeals finds that insufficient evidence was presented to satisfy the applicable Standards for a Variation and Conditional Use, and that petitioner did not present a practical difficulty or particular hardship for the subject Variations.

14. That the Zoning Board of Appeals finds that the proposed Accessory Dwelling Unit would be located within a new building rather than through the conversion of an existing detached accessory building and, therefore, does not meet the initial requirement of the recently adopted Accessory Housing provisions (37-417) of the Zoning Ordinance.

15. Furthermore, that the Zoning Board of Appeals finds that the proposed 3,850-square-foot accessory dwelling, proposed 2,880-square-foot greenhouse with accessory retail and wholesale crop sales, and the proposed group home collectively require approval of a Planned Development Conditional Use, including the subject Variations, and that the Zoning Board of Appeals further finds that the overall scope and intensity of the proposed development are too extensive for the subject property.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Board of Appeals finds that petitioner has not demonstrated that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically that the granting of the Conditional Use will not:

    a. Impair an adequate supply of light and air to the adjacent property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not impair an adequate supply of light and air to the adjacent property.

    b. Increase the hazard from fire or other dangers to said property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase the hazard from fire or other dangers to said property.

    c. Diminish the value of land and buildings throughout the County as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not diminish the value of land and buildings throughout the County.

    d. Unduly increase traffic congestion in the public streets and highways as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase traffic congestion in the public streets and highways.

    e. Increase the potential for flood damages to adjacent property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase the potential for flood damages to adjacent property.

    f. Incur additional public expense for flood protection, rescue or relief as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not incur additional public expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

STANDARDS FOR VARIATIONS:

1. That the Zoning Board of Appeals finds that petitioner has not demonstrated that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Board of Appeals finds that petitioner has not demonstrated the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not impair an adequate supply of light and air to the adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase the hazard from fire or other dangers to said property.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase traffic congestion in the public streets and highways.

   e. Increase the potential for flood damages to adjacent property as petitioner has not demonstrated or provided sufficient evidence that the proposed Planned Development for a group home, greenhouse with accessory retail/wholesale crop sales on the subject property, and accessory dwelling unit will not increase the potential for flood damages to adjacent property.

Zoning Petition ZONING-26-000025 Ulisano

WHEREAS, a public hearing was held on June 17, 2026, in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Variation to reduce the interior side setback for a kitchen bump-out/addition from required 10 feet to approximately 6.59 feet, on the property hereinafter described:

LOT 3 IN BLOCK 8 IN ARTHURT MCINTOSH AND COMPANY'S FAIRVIEW SUBDVISION, BEING A SUBDIVISION IN THE EAST HALF OF SECTION 5, TOWNSHIP 38 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, AND IN THE SOUTHEAST QUARTER OF SECTION 32, TOWNSHIP 39 NORTH, RANGE 11, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT THEREOF RECORDED SEPTEMBER 7, 1923 AS DOCUMENT NO. 169326, DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 1, 2026, does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the subject zoning relief is for a Variation to reduce the interior side setback for a kitchen bump-out/addition from required 10 feet to approximately 6.59 feet.

B. That petitioner testified that an addition to the existing residence was completed in 1985 by the prior owners.

C. That petitioner testified that they propose to expand the existing kitchen by constructing an addition/bump-out within the existing thirteen (13)-foot recessed area located at the southwest corner of the

residence, extending the addition to align with the existing south and west exterior walls of the home.

a. That petitioner further testified that the existing roofline would remain unchanged, as the recessed area is already covered by a substantial roof overhand.

D. That petitioner testified that the existing residence is currently located approximately 6.59 feet from the south interior property line, and that the proposed addition will not further reduce that existing setback.

E. That the Zoning Hearing Officer finds that the Petitioner has demonstrated a practical difficulty and particular hardship supporting the requested Variation, specifically because the existing residence is already situated approximately 6.59 feet from the interior side property line, and the proposed addition is designed to maintain the existing roofline and architectural integrity of the home.

a. Furthermore, that the Zoning Hearing Officer finds that the existing residence was originally constructed with a nonconforming interior side yard setback, and that any addition designed to maintain the existing roofline and architectural integrity of the residence along the south side would require the requested Variation.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner **has demonstrated** the granting of the Variation will not:

a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed addition will not impair an adequate supply of light and air to the adjacent property and will match the existing house setbacks.

b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will obtain a building permit for the proposed addition and that it will be built pursuant to all DuPage County building codes.

c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed addition will be an added benefit to the surrounding area and not diminish the value of land and buildings throughout the County.

d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed addition is located in the rear of the existing house and will not increase traffic

congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that they will receive a building permit for the proposed addition and will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that they will receive a building permit for the proposed addition and will not incur additional public expense for flood protection, rescue, or relief.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed addition will meet all building requirements and will not impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County.

Zoning Petition ZONING-26-000026 Lipper

WHEREAS, a public hearing was held on July 1, 2026, in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

WHEREAS, a petition was presented at this hearing requesting the following zoning relief:

Variation to reduce the corner side setback from required 30 feet to approximately 14.78 feet, for a detached garage remodel/addition, on the property hereinafter described:

LOT 22 IN BLOCK 2 IN GLENBARD ACRE HOMESITES IN THE NORTH ½ OF SECTION 24, TOWNSHIP 39 NORTH, RANGE 10, EAST OF THE THIRD PRINCIPAL MERIDIAN, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 15, 2026, does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the proposed zoning relief is for a Variation to reduce the corner side setback from required 30 feet to approximately 14.78 feet, for a detached garage remodel/addition.

B. That petitioner testified that they are remodeling the existing detached garage to gain height, and that the footprint of the detached garage will not be altered.

C. That the petitioner testified that the existing detached garage has remained on the property for approximately thirty-five (35) years and that it was built too close to the corner side property line (approximately 14.78 feet).

D. That petitioner testified that he purchased the subject property in August 2016.

E. That petitioner testified that he requires additional storage space on the subject property and that remodeling the existing detached garage to gain additional height will allow him adequate storage space on the property.

F. That petitioner testified that they attempted to build a new detached garage with additional storage space, however due to their existing septic system location, they are unable to build a new detached garage and can only remodel the existing detached garage to add height.

G. That the Zoning Hearing Officer finds that petitioner has demonstrated a practical difficulty and particular hardship in relation to the subject zoning relief as petitioner is unable to build a new detached garage due to the location of the septic system. Therefore, the only way to increase storage on the subject property is to remodel the existing detached garage, which was built too close to the corner side property line.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner has demonstrated the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that they are remodeling the existing detached garage to gain additional height and not changing the footprint and therefore will not impair an adequate supply of light and air to the adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that they will obtain a building permit for all remodeling of the existing detached garage and will not increase the hazard from fire or other dangers.

   c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that they are remodeling the existing detached garage and that the remodeled detached garage will be an added benefit to the surrounding area and will not diminish the value of land and buildings.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that they are remodeling the existing detached garage to gain height and therefore will not unduly increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that they are not building a new garage and therefore will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that they are not building a new garage and will therefore not increase the potential for flood damages to adjacent property.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that they are remodeling an existing detached garage to gain additional height and will therefore not impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County.

RE: **ZONING-26-000026 Lipper (Milton/District 4)**

DuPage County Board: August 11, 2026:

Development Committee: August 4, 2026: The DuPage County Development Committee recommended to approve the following zoning relief:

Variation to reduce the corner side setback from required 30 feet to approximately 14.78 feet, for a detached garage remodel/addition.

Subject to the following conditions:

1. That the property be developed in accordance with the petitioner's site plan made part of Zoning Petition **#ZONING-26-000026 Lipper** dated July 1, 2026.

2. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.

3. That petitioner maintains the existing landscaping around the perimeter of the subject property.

Development Committee VOTE (Motion to Approve): 5 Ayes, 0 Nays, 1 Absent

Zoning Hearing Officer: July 15, 2026: The Zoning Hearing Officer recommended to approve the following zoning relief:

Variation to reduce the corner side setback from required 30 feet to approximately 14.78 feet, for a detached garage remodel/addition.

Jack T. Knuepfer Administration Building, 421 N. County Farm Road, Wheaton, Illinois 60187

Subject to the following conditions:

1. That the property be developed in accordance with the petitioner's site plan made part of Zoning Petition **#ZONING-26-000026 Lipper** dated July 1, 2026.

2. That the owner/developer is to apply for and receive a Building Permit for all construction and/or excavation that occurs on the property.

3. That the property be developed in accordance with all other codes and Ordinances of DuPage County.

ZHO Recommendation to Approve

FINDINGS OF FACT:

A. That petitioner testified that the proposed zoning relief is for a Variation to reduce the corner side setback from required 30 feet to approximately 14.78 feet, for a detached garage remodel/addition.

B. That petitioner testified that they are remodeling the existing detached garage to gain height, and that the footprint of the detached garage will not be altered.

C. That the petitioner testified that the existing detached garage has remained on the property for approximately thirty-five (35) years and that it was built too close to the corner side property line (approximately 14.78 feet).

D. That petitioner testified that he purchased the subject property in August 2016.

E. That petitioner testified that he requires additional storage space on the subject property and that remodeling the existing detached garage to gain additional height will allow him adequate storage space on the property.

F. That petitioner testified that they attempted to build a new detached garage with additional storage space, however due to their existing septic system location, they are unable to build a new detached garage and can only remodel the existing detached garage to add height.

G. That the Zoning Hearing Officer finds that petitioner has demonstrated a practical difficulty and particular hardship in relation to the subject zoning relief as petitioner is unable to build a new detached garage due to the location of the septic system. Therefore, the only way to increase storage on the subject property is to remodel the existing detached garage, which was built too close to the corner side property line.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner has demonstrated the granting of the Variation will not:

a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that they are remodeling the existing detached garage to gain additional height and not changing the footprint and therefore will not impair an adequate supply of light and air to the adjacent property.

b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that they will obtain a building permit for all remodeling of the existing detached garage and will not increase the hazard from fire or other dangers.

c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that they are remodeling the existing detached garage and that the remodeled detached garage will be an added benefit to the surrounding area and will not diminish the value of land and buildings.

d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that they are remodeling the existing detached garage to gain height and therefore will not unduly increase traffic congestion in the public streets and highways.

e. Increase the potential for flood damages to adjacent property as petitioner has demonstrated that they are not building a new garage and therefore will not increase the potential for flood damages to adjacent property.

f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that they are not building a new garage and will therefore not increase the potential for flood damages to adjacent property.

g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that they are remodeling an existing detached garage to gain additional height and will therefore not impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County.

WHEREAS, a public hearing was held on July 1, 2026, in the DuPage County Administration Building, 421 North County Farm Road, Wheaton, Illinois at 2:30 P.M. before the DuPage County Zoning Hearing Officer and notice of said hearing was duly given; and

BOLLES ASSESSMENT PLAT OF PARTS OF SECTION 10, 11, AND 15, TOWNSHIP 39 NORTH, RANGE 9, EAST OF THE THIRD PRINCIPAL MERIDIAN, ACCORDING TO THE PLAT OF SAID WOODLAND ADDITION TO WEST CHICAGO RECORDED FEBRUARY 4, 1925 AS DOCUMENT 188068, IN DUPAGE COUNTY, ILLINOIS; and

WHEREAS, the Zoning Hearing Officer, having considered in relation to the above requested zoning petition presented at the above hearing and at the recommendation meeting held on July 15, 2026, does find as follows:

FINDINGS OF FACT:

A. That petitioner testified that the proposed zoning relief is for a Variation to reduce the corner side yard setback for a new concrete patio from required 30 feet to approximately 15 feet.

B. That petitioner testified that he purchased the subject property in 1977 and that the existing home was constructed too close to the corner side property line, approximately 15 feet.

C. That petitioner testified that he proposes to construct a new concrete patio, approximately 16’ x 20’, flush with the existing corner side wall of the home, approximately 15 feet from the corner side yard property line.

D. That petitioner testified that there is no other location to place a patio on the subject property and that placing it in the proposed location will allow access to the home via an existing patio door.

a. That petitioner testified that he cannot place a patio on the east side of the subject property as his garage is located on the east side of the property.

E. That the Zoning Hearing Officer finds that petitioner has demonstrated a practical difficulty and particular hardship in relation to the subject zoning relief as the existing house was constructed too close to the corner side property line, approximately 15 feet, and that the only location to place a patio with access to the interior to the house with a patio door is on the west side of the house, approximately 15 feet from the corner side property line.

STANDARDS FOR VARIATIONS:

1. That the Zoning Hearing Officer finds that petitioner has demonstrated that the granting of the Variation is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development.

2. That the Zoning Hearing Officer finds that petitioner has demonstrated the granting of the Variation will not:

   a. Impair an adequate supply of light and air to the adjacent property as petitioner has demonstrated that he is constructing a ground-level patio, which will not impair an adequate supply of light and air to adjacent property.

   b. Increase the hazard from fire or other dangers to said property as petitioner has demonstrated that he will obtain a building permit for the proposed patio and that he will not increase the hazard from fire or other dangers.

   c. Diminish the value of land and buildings throughout the County as petitioner has demonstrated that he is proposing to build a new patio which will be an added benefit to the surrounding area and will not diminish the value of land and buildings throughout the County.

   d. Unduly increase traffic congestion in the public streets and highways as petitioner has demonstrated that he is constructing a ground-level, 16' x 20' patio, which will not increase traffic congestion in the public streets and highways.

   f. Incur additional public expense for flood protection, rescue or relief as petitioner has demonstrated that he is constructing a ground-level, 16'x 20' concrete patio, and therefore will not incur additional public expense for flood protection, rescue, or relief.

   g. Otherwise impair the public health, safety, comfort, morals or general welfare of the inhabitants of DuPage County as petitioner has demonstrated that he is constructing a ground-level, 16' x 20' concrete patio which will match the existing corner side yard setback, and therefore will not impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County.

SUBJECT: CD25-03 West Chicago York Ave. Area Water Main and Streets Rehabilitation Project – Modification One

On 07/07/2026, the Community Development Commission Executive Committee approved the following recommendation.

Action Requested: CDC staff recommend approval of Modification One to the Community Development Block Grant (CDBG) Agreement CD25-03 for the purpose of reducing the overall scope of work.

Details: The City of West Chicago entered into a CDBG Agreement with the County on 03/03/2026 for the purpose of improving residential streets and water main servicing the residents within the proposed service area, with additional improvements being made to the underground sewer infrastructure, sidewalks located along W. York Ave., from the dead end east to N. Oakwood Ave., Garden St. from Washington St. north to E. Grand Lake Blvd., Virgie Place from N. Oakwood Ave. east to Ingalton Ave., and Ingalton Ave. from E. Washington St. to E. Grand Lake Blvd., as well as installation of new street lighting along W. York Ave.

The sealed bid opening resulted in higher than anticipated costs as compared to the original application budget submitted 09/30/2024, with the lowest bid coming in at $4,229,975 compared to the original estimated hard construction costs of $2,736,406. The City is requesting a reduction in the overall scope of work in effort to reduce the total project cost due to the significant funding gap identified upon bid opening.

Reductions to scope include eliminating all improvements along Virgie Place, eliminating all new streetlights along W. York Ave., eliminating midblock sidewalk improvements including only improvements at the ADA curb ramps, eliminate watermain upsize on Garden St. between Fairview Ave. and E. Grand Lake Blvd., and revising the resurfacing scope to 1.25” pavement removal and 1.5” hot-mix-asphalt surface course from the original proposed 2” milling, three-quarter inch leveling binder and 1.5” hot-mix asphalt surface course. The City anticipates the reduction in scope will bring total project hard construction costs down to approximately $3,741,083. The City expects to cover the increased costs of the reduced scope using FY2027 budgeted funds, expected to be approved 12/07/2026.

RE: Formal Scope Change & IGA Modification Request
CD25-03 – York Avenue Area Water Main and Streets Rehabilitation Project

Dear Ms. Miller,

On March 3, 2026, the City of West Chicago and DuPage County entered into an Intergovernmental Agreement (IGA) for the Community Development Block Grant (CDBG) in the amount not to exceed $600,000.00 for the York Avenue Area Water Main and Streets Rehabilitation Project (Project). As you were aware, the City had been anticipating high bids for the Project prior to the Project's bid opening on April 28, 2026. On April 28th, the City received three bids, with an average bid amount of $5,052,975.46 for the Project. The lowest and qualified bid was received from C. Szabo Contracting, Inc. of West Chicago, Illinois, in the amount of $4,229,975.00. The detailed bid tabulation is enclosed for your reference. The lowest bid received from C. Szabo was $1,064,275.00 or 34% over the City's budgeted amount of $3,165,700.00 for the Project in FY 2026.

The increase in project costs is primarily attributable to asphalt, concrete, and watermain work. Since the original 2024 CDBG application and Engineer's Estimate were prepared, labor, material, and transportation costs have risen significantly due to geopolitical instability, higher raw material prices, tariffs, and increased energy costs. In addition, during the design phase, the City identified six additional private lead service line replacements beyond those included in the original 2024 CDBG application. Because these factors created a substantial funding gap, the City rejected all bids for the Project at the May 18, 2026, City Council meeting.

The City is committed to moving the Project forward. However, to reduce the funding gap and minimize the impact on the City's overall budget, the City proposes to re-bid the Project in Summer 2026, pending approval from the County, with the following reduction in the Project scope: 1.) Eliminate all Project scope for Virgie Place between N. Oakwood Street and Ingalton Avenue; 2.) Eliminate all proposed streetlights; 3.) Eliminate all midblock sidewalk improvements and propose sidewalk improvement at the ADA curb ramps only; 4.) Revise the Project resurfacing scope to 1.25" pavement removal and 1.5" hot-mix-asphalt surface course; and 5.) Eliminate the proposed watermain upsize on Garden Street between Fairview Avenue and E. Grand Lake Blvd. Based on the enclosed engineer's estimate, which reflects the appropriate quantities for the reduced scope, the City anticipates the estimated Project cost of $3,741,082.59 will close the funding gap by approximately $575,382.59. Enclosed is also the proposed Project location map with the elimination of Virgie Place from the Project.

Furthermore, rejection of bids, revisions to the Project bid documents, pending amendment to the previously approved IGA on March 3, 2026, if considered by the County, and a formal Contract Award will push the Project implementation timeline well into FY 2027 construction season, with the Project completion and close out anticipated in July 2027, weather permitting, as stated in the enclosed revised Project Implementation Schedule. The Project will require winterization by November 2026 for snowplowing operations, the cost of which is included in the associated pay items in the Engineer's Estimate.

The City requests review of the aforementioned reduction of the Project scope and the revised Project completion date, and subsequently an amendment to the original IGA as necessary, without changing the County's CDBG funding allocation amount of $600,000.00 to the City. The County/City split for construction cost would change from 18/82 at the time of application to 13/87 compared to the enclosed engineer's estimate.

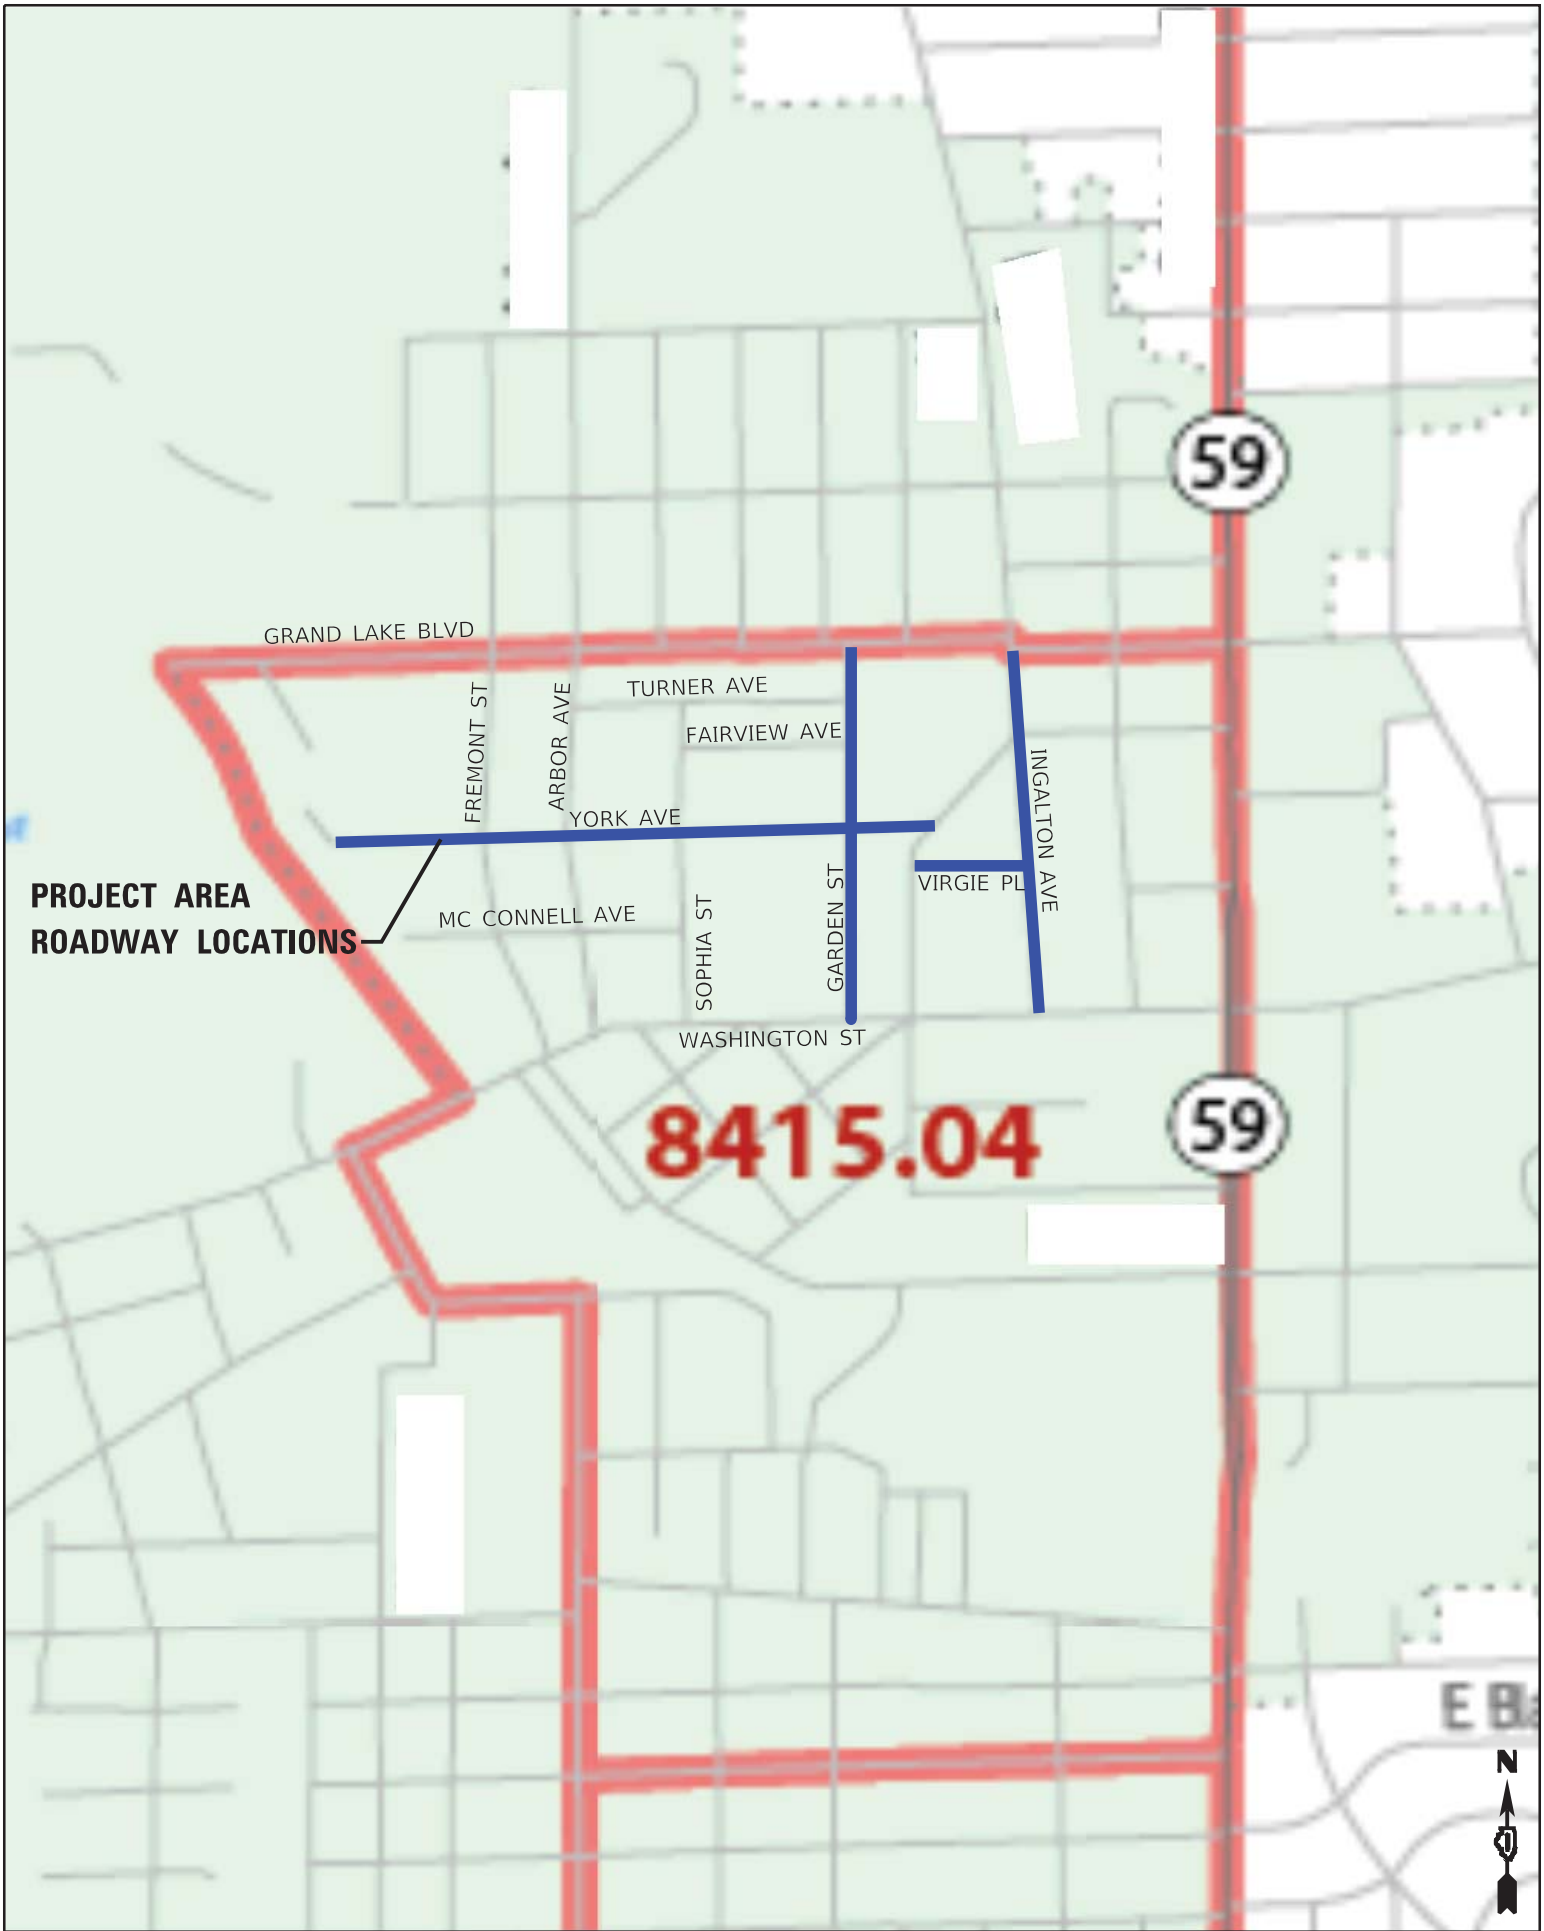

Should you have any questions regarding this request, you may contact me at dshah@westchicago.org or at 630-293-2255. Thank you for your time and consideration.

Sincerely,

Dave Shah, P.E.

1. **Project Timeline:** Community Development Block Grant (CDBG) program funds are required by the U.S. Department of Housing and Urban Development (HUD) to be spent in a timely fashion. If HUD determines there is an excess amount of unexpended CDBG funds for a given program year, corrective action will be required by HUD. Corrective action includes, and is not limited to, a reduction of the unexpended funds. Projects that lead to a slow expenditure of CDBG funds and/or a reduction of CDBG funds by HUD are subject to a reduction in the project award amount.

   As reflected in the CDBG Neighborhood Investment Application, it is expected that all projects awarded CDBG funding will be completed within one year of the Agreement date.

   In the table below, please complete the implementation schedule for the awarded project. If the awarded project does not include acquisition or zoning change, please reflect "N/A" for those activities. All aspects of the project must be completed within one year of the Agreement date.

THIS MODIFICATION ONE TO AGREEMENT is entered into this _____ day of August, 2026 by and between the COUNTY OF DU PAGE, Illinois (hereinafter called "COUNTY") and the CITY OF WEST CHICAGO with a principal place of business located at 475 MAIN STREET, WEST CHICAGO, Illinois 60185-2840, (hereinafter called "SUBGRANTEE"). The purpose of this MODIFICATION ONE TO AGREEMENT is to modify an existing agreement between the above parties known as Community Development Commission Agreement CD25-03, which was adopted by Resolution #HS-R-0004-25 on February 11, 2025, to grant funding in the amount of $600,000.00 of which $600,000.00 is unexpended, for the purpose of improving four residential streets and water main servicing the residents within the proposed service area, with additional improvements being made to the underground sewer infrastructure, sidewalks, located along W. York Ave., from the dead end east to N. Oakwood Ave., Garden St. from E. Washington St. north to E. Grand Lake Blvd., Virgie Place from N. Oakwood Ave. east to Ingalton Ave., and Ingalton Ave. from E. Washington St. to E. Grand Lake Blvd., as well as installation of new street lighting along W. York Ave. in West Chicago, IL (hereinafter, together with any previous modifications thereto, called "Agreement").

In consideration of the premises of the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree to the following modification of the terms of the Agreement in accordance with Section XII. A. of the Agreement:

1. Section II. Scope of the Project B. Is hereby deleted in its entirety and replaced with the following: "The purpose of the activities funded pursuant to this AGREEMENT is to improve three residential streets and water main along two of the three residential streets servicing the residents within the proposed service area, with additional improvements being made to the underground sewer infrastructure and sidewalk curb ramps, located along W. York Ave., from the dead end east to N. Oakwood Ave., Garden St. from E. Washington St. north to E. Grand Lake Blvd., and Ingalton Ave. from E. Washington St. to E. Grand Lake Blvd. all in West Chicago, IL. The scope of the activities for the project includes:"

2. Section II. Scope of the Project B.1. Is hereby deleted in its entirety and replaced with the following: "Along each of the three residential streets, milling a minimum of 1.25 inches and replacing the roadway pavement with 1.5 inches of hot-mix asphalt surface course. Full-depth Class-D subbase patching to improve the roadway's subbase; replacement of intermittent curb and gutter to help stormwater conveyance; and replacement of failing storm sewer structures and pipes. Sidewalk curb ramps that do not conform to current ADA requirements will be replaced to meet ADA accessibility requirements. Pavement markings will also be installed to improve traffic control and pedestrian safety. The water main improvements will take place along W. York Ave. from the dead end east to N. Oakwood Ave., and Ingalton Ave. from E. Washington St. to E. Grand Lake Blvd. Improvements will entail removing the current 6" and 8" diameter water mains and the installation of at least 8-inch diameter ductile iron water mains and new water system valves. Installation of new copper service water lines between the new water mains to the residential water valve, or to the residential water meter if the existing lines are lead.

3. Section III. Amount and Terms of Grant C. Is hereby deleted in its entirety and replaced with the following: "SUBGRANTEE shall be responsible for the contribution of a minimum of THREE MILLION NINE HUNDRED EIGHT THOUSAND FOUR and 52/100 Dollars ($3,908,004.52) or approximately EIGHTY-SEVEN percent (87%) of the total project cost in leveraging funds to

the PROJECT, and evidence of said leveraging funds shall be made conspicuous within the written request and accompanying documents."

4. Section III. Amount and Terms of Grant D. Is hereby deleted in its entirety and replaced with the following: "Grant funds for this PROJECT are awarded based on the ratio of the granted amount, SIX HUNDRED THOUSAND and 00/100 Dollars ($600,000.00) and the total project cost, FOUR MILLION FIVE HUNDRED EIGHT THOUSAND FOUR and 52/100 Dollars ($4,508,004.52), as provided in the updated engineers estimate dated 6/12/2026. The ratio of these two figures establishes the amount split between the COUNTY and the SUBGRANTEE. The SUBGRANTEE is responsible for any and all costs exceeding the above-noted estimated total project costs. In the event the total project costs are less than estimated at project completion, the SUBGRANTEE is still responsible for, at a minimum, EIGHTY-SEVEN percent of total project costs, as provided in the updated engineers estimate dated 6/12/2026."

In all other respects, the terms and conditions of the Agreement shall remain in full force and effect.

SUBJECT: Almost Home Kids Merger with Ann & Robert H. Lurie Children's Hospital of Chicago – Request for Assignment of CD21-08 Agreement and Lien

---

On 07/07/2026, the Community Development Commission Executive Committee approved the following recommendation.

Action Requested: Staff recommend approval of an assignment and assumption of the Community Development Block Grant (CDBG) Agreement CD21-08 and associated lien to facilitate the merger between Almost Home Kids (AHK) and Ann & Robert H. Lurie Children's Hospital of Chicago (Lurie Children's).

Details: CDBG Agreement CD21-08 awarded CDBG funds to AHK for improvements to a facility located at 7S721 Route 53, Naperville, IL that provides care to children with medical complexities as well as respite care when needed. To secure the County's interest, a lien was recorded against the property.

AHK is undergoing a corporate reorganization whereby AHK will be merged into Lurie Children's. Staff were informed the reorganization will allow for greater efficiencies through standardized and more supportive clinical and administrative infrastructure, improving the delivery of care for the medically fragile children. Additionally, the facility which received the CDBG investment will continue to be used for the same purpose, including continuing to serve the same population.

AHK has requested and Lurie Children's has agreed to an assumption and assignment of the CD21-08 CDBG Agreement and associated $246,925.42 lien. The current appraised value of the property in question is sufficient to cover the existing CDBG lien recorded against the property. The lien will reach maturity on 11/17/2027, at which time, it will be released of record.

Re: Almost Home Kids
Assignment of Community Development Block Grant CD21-08

Dear Ms. Keating:

Almost Home Kids (AHK) hereby requests assignment of the Community Development Block Grant listed on Attachment A to its affiliated entity Ann & Robert H. Lurie Children's Hospital of Chicago, an Illinois not for profit corporation exempt from federal income tax under IRS code 501(c)(3) ("Lurie Children's"). AHK and Lurie Children's are each wholly owned subsidiaries of Children's Hospital of Chicago Medical Center.

AHK is requesting this assignment as it is undergoing a corporate reorganization whereby the AHK legal entity will be merged into the Lurie Children's legal entity with Lurie Children's as the surviving legal entity. This reorganization will allow for greater efficiencies through a standardized and more supportive clinical and administrative infrastructure as well as increased research and innovation in the delivery of care for children with medical complexities and their families.

The AHK Property at 7 S 721 State Route 53, Naperville, IL 60540 is currently a licensed Children's Community Based Health Care Center, which provides a bridge from hospital to home for children with medical complexities, while also providing respite care when needed for such children in a home-like setting. Under the reorganization, Lurie Children's will continue to provide the same Children's Community Based Health Care Center eligible services as currently being offered at the property for the duration of the IDIS continued use period. As the Almost Home Kids brand name has value in the community, Lurie Children's will continue to utilize that name for the provision of these services.

We appreciate your consideration of this request. If you have any questions or need additional information, please contact me at dkruger@almosthomekids.org or 626-233-9455.

Sincerely,

This professional services agreement (hereinafter referred to as the "AGREEMENT"), made this 11th day of August, 2026, between the County of DuPage, a body corporate and politic, with offices at 421 North County Farm Road, Wheaton, Illinois (hereinafter referred to as the "COUNTY") and Community and Economic Development Association of Cook County, Inc., a non-for-profit corporation licensed to do business in Illinois, with offices at 567 West Lake Street, Suite 1200, Chicago, Illinois 60661 (hereafter referred to as "CEDA"). The COUNTY and CEDA are hereinafter sometimes individually referred to as a "party" or together as "parties."

RECITALS

WHEREAS, the COUNTY by virtue of its power set forth in "Counties Code" (55 ILCS 5/5-1001 *et. seq.*) is authorized to enter into this AGREEMENT; and

WHEREAS, the COUNTY requires professional technical implementation and training services for the multi-family weatherization project pertaining to the College Park Apartments located at 942, 944, 946, and 948 West College Boulevard, Addison, Illinois 60101 (herein after referred to as "PROJECT II"); and

WHEREAS, CEDA is a sole source provider as the only Community Action Agency (CAA) in Illinois with the requisite technical experience and proven capacity to complete multifamily weatherization projects in compliance with the U.S. Department of Education standards; and

WHEREAS, the COUNTY is encouraged by the State of Illinois to utilize CEDA for the PROJECT II as CEDA has the required certifications to complete the PROJECT II; and

WHEREAS, CEDA has experience and expertise in this area and is in the business of providing such professional services and is willing to perform the required services for an amount not to exceed $104,000.00; and

WHEREAS, CEDA acknowledges that it is qualified to perform the services covered by this AGREEMENT and is in good standing and has not been barred from performing professional services; and

WHEREAS, the parties acknowledge the necessary oversight to ensure compliance with the federal and state guidance over the scope of work as identified in the attached Exhibit A through the Illinois Home Weatherization Assistance Program (IHWAP).

NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION

1.1 All recitals set forth above are incorporated herein and made part thereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

1.3 The exhibits referenced in this AGREEMENT shall be deemed incorporated herein and made a part hereof.

2.0 SCOPE OF SERVICES

2.1 Services are to be provided by CEDA according to the Scope of Work specified as Exhibit A, attached hereto. CEDA shall complete all the services set forth in said exhibit for the compensation set forth in Section 6.0 below, unless otherwise modified as provided herein.

2.2 The COUNTY may, from time to time, request changes in the Scope of Work in this AGREEMENT. Any such changes, including any increase or decrease in CEDA's compensation and Scope of Work, shall be documented by an amendment to the originally approved Work Order, or by issuance of a new Work Order to cover the changes in scope provided that the increase does not increase the total compensation set forth in this AGREEMENT.

2.3 The relationship of CEDA to the COUNTY is that of independent contractor, and nothing in this AGREEMENT is intended nor shall be construed to create an agency, employment, joint venture relationship, or any other relationship allowing the COUNTY to exercise control or direction over the manner or method by which CEDA or its sub-contractors/sub-consultants provide services hereunder. Neither CEDA nor CEDA's employees shall be entitled to receive any COUNTY benefits. CEDA shall be solely responsible for the payment of all taxes and

withholdings required by law which may become due with regard to any compensation paid by the COUNTY to CEDA.

2.4 Services deemed to be a professional service under this AGREEMENT shall be performed and/or supervised by individuals licensed to practice by the State of Illinois in the applicable professional discipline.

2.5 Neither CEDA nor CEDA's employees shall be retained as expert witnesses by the COUNTY except as by separate agreement.

3.0 NOTICE TO PROCEED

3.1 Authorization to proceed shall be given on behalf of the COUNTY by the Director of Community Services (hereinafter referred to as the "DIRECTOR"), in the form of a written Notice to Proceed following approval by the Human Services Committee and execution of the AGREEMENT by the County Board Chair.

3.2 In addition to the Notice to Proceed, the Director, or her designee, may, on behalf of the COUNTY, approve, deny, receive, accept or reject any submission, notices or invoices from or by CEDA, as provided for in this AGREEMENT, including but limited to, acts performed in accordance with Paragraphs 5.2, 7.2, 15.3, 21.2 and 25, as well as any requirements contained in any of the exhibits attached hereto.

4.0 TECHNICAL SUBCONSULTANTS

4.1 CEDA shall supervise any sub-consultant(s) hired by CEDA and CEDA shall be solely responsible for any and all work performed by said sub-consultant, or sub-consultants, in the same manner and with the same liability as if performed by CEDA.

4.2 CEDA shall require any sub-consultant hired for the performance of any work or activity in connection to this AGREEMENT to agree and covenant that the sub-consultant also meets the terms of Sections 7.0 and 12.0 and Paragraph 25.3 of this AGREEMENT and shall fully comply therewith while engaged by CEDA in services for the COUNTY on the PROJECT II.

5.0 TIME FOR PERFORMANCE

5.1 CEDA shall commence work to meet the requirements for professional services on the PROJECT II after the COUNTY issues its written Notice to Proceed. The

COUNTY is not liable and will not pay CEDA for any work performed before the date of the Notice to Proceed.

5.2 Unless otherwise defined in Exhibit A, CEDA shall submit a schedule for completion of the PROJECT II within ten (10) days of the written Notice to Proceed. The schedule is subject to approval by the COUNTY. All of the services required hereunder shall be completed by September 30, 2027, unless the term of this AGREEMENT is extended in conformity with Article 13 below.

5.3 If CEDA is delayed at any time in the progress of the work by any act or neglect of the COUNTY or by any employee of the COUNTY or by changes ordered by the COUNTY, or any other causes beyond CEDA'S control, the sole remedy and allowance shall be an extension of time for completion. Such extension shall be that which is determined reasonable by the COUNTY upon consultation with CEDA. CEDA shall accept and bear all other costs, expenses and liabilities that may result from such delay.

6.0 COMPENSATION

6.1 The COUNTY shall pay CEDA for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.

6.2 Total payments to the CONSULTANT under the terms of this AGREEMENT shall not under any circumstances exceed $104,000.00. This amount is a "not to exceed" amount. In the event the COUNTY directs CEDA to perform services which would cause the stated amount to be exceeded, CEDA shall not be responsible for such services until this AGREEMENT is modified pursuant to Article 13.0.

6.3 CEDA shall submit invoices for services rendered, including any allowable expenses and any pre-approved reimbursable expenses, to the COUNTY. All invoices shall include a remittance address. The COUNTY shall not be required to pay CEDA more often than monthly. Each invoice shall be submitted in a format agreed to in advance by the COUNTY. Each invoice shall also include a progress report as set forth in Exhibit A. CEDA shall provide the COUNTY with a valid taxpayer identification number prior to making any request for compensation. Payment will not be made for services completed or expenses incurred more than six-months (180 days) prior to submission of any invoice and any statute of limitations to the contrary is hereby waived. When requested by the COUNTY,

CEDA shall submit certified time sheets as additional documentation for the invoiced services.

6.4 Upon approval of properly documented invoices, the COUNTY shall reimburse CEDA the amount invoiced for services completed in accordance with this AGREEMENT, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY shall pay all invoices pursuant to 50 ILCS 505, "Local Government Prompt Payment Act."

6.5 In the event of any overcharge by CEDA, CEDA shall refund the COUNTY within thirty (30) days of discovery of said overcharge by CEDA or notice to CEDA by the COUNTY. The COUNTY reserves the right to offset any overcharges against any amounts due and owing to CEDA under this or any other AGREEMENT between the parties. The COUNTY shall be entitled to the statutory interest rate for judgments under Illinois law for any overcharges not timely refunded (or credited) in accord with this provision, which interest shall be in addition to any other remedies the COUNTY may have under the law or this AGREEMENT.

7.0 CEDA'S INSURANCE

7.1 CEDA shall maintain, at its sole expense, insurance coverage including:

7.1.a Worker's Compensation Insurance in statutory amounts.

7.1.b Employer's Liability Insurance in an amount not less than one million dollars ($1,000,000.00) each accident/injury and one million ($1,000,000.00) dollars each employee/disease.

The CONSULTANT shall provide the COUNTY endorsements at the beginning of each year evidencing same or a new carrier policy that has a retroactive date prior to the date of this AGREEMENT.

7.2 It shall be the duty of CEDA to provide to the COUNTY copies of CEDA'S Certificates of Insurance, as well as all applicable coverage and cancellation endorsements before issuance of a Notice to Proceed. It is the further duty of CEDA to immediately notify the COUNTY if any insurance required under this AGREEMENT has been cancelled, materially changed, or renewal has been refused, and CEDA shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of CEDA curing any breach of its required insurance coverage, the COUNTY shall notify CEDA that CEDA can resume work under this AGREEMENT. CEDA shall accept and bear all costs that may result from the cancellation of this AGREEMENT due to CEDA'S failure to provide and maintain the required insurance.

7.3 The coverage limits required under subparagraphs 7.1.c and 7.1.d above may be satisfied through a combination of primary and excess coverage. The insurance required to be purchased and maintained by CEDA shall be provided by an insurance company acceptable to the COUNTY, and except for the insurance required in subparagraph 7.1.e licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the

limits of the liability specified herein or required by law or regulation whichever is greater; and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least thirty (30) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. If CEDA is satisfying insurance required through a combination of primary and excess coverage, CEDA shall require that said excess/umbrella liability policy include in the "Who is Insured" pages of the excess/umbrella policy wording such as "Any other person or organization you have agreed in a written contract to provide additional insurance" or wording to that effect. CEDA shall provide a copy of said section of the excess/umbrella liability policy upon request by the COUNTY.

7.4 CEDA shall require all approved sub-consultants, anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable under this AGREEMENT to maintain the same insurance required of CEDA, including naming the COUNTY as an additional insured in the same coverage types and amounts as CEDA, per Section 8.0. The COUNTY retains the right to obtain evidence of sub-consultants' insurance coverage at any time.

8.0 INDEMNIFICATION

8.1 CEDA shall indemnify, hold harmless and defend the COUNTY, its officials, officers, agents, and employees from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, CEDA'S negligent or willful acts, errors or omissions in its performance under this AGREEMENT.

8.2 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers and employees from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 8.1, who is not already an Assistant State's Attorney, is to be appointed a Special Assistant State's Attorney, in accordance with the applicable law. The COUNTY'S participation in its defense shall not remove CEDA'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.

8.3 Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. CEDA'S

indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.4 The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Governmental and Governmental Employees Tort Immunity Act (745 ILCS 10/1 *et seq*.) or otherwise available to it, or to CEDA, under the law.

9.0 SATISFACTORY PERFORMANCE

9.1 The COUNTY is entering into an AGREEMENT with CEDA because CEDA professes to the COUNTY that it will employ the standard of care within its profession in the performance of the services herein contracted. Accordingly, CEDA'S and sub-consultant(s) standard of performance under the terms of this AGREEMENT shall be that which is to the satisfaction of the COUNTY and meets the quality and standards commonly provided by similar professional multi-family weatherization firms practicing in the COUNTY and the State of Illinois.

9.2 In the event there are no similar professional firms practicing in DuPage County, Illinois, with respect to the type of work for which CEDA has been engaged, CEDA'S services shall be performed in a manner consistent with the customary skill and care of its profession.

9.3 If any errors, omissions, or acts, intentional or negligent, are made by CEDA, or its' sub-consultant(s), in any phase of the work, the correction of which requires additional field or office work, CEDA shall be required to perform such additional work as may be necessary to remedy same without undue delay and without charge to the COUNTY. In the event any errors or omissions are detected after the expiration or termination of the AGREEMENT, CEDA may at the COUNTY'S option have the responsibility to cure same under this provision.

9.4 Acceptance of the work shall not exempt CEDA of the responsibility for the quality of its work, nor its liability for loss or damage resulting from any errors, omissions, or negligent or willful acts by CEDA or its sub-consultants.

10.0 BREACH OF CONTRACT

10.1 In the event of any breach of this AGREEMENT, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach, and the breaching party shall be allowed a reasonable opportunity to cure said breach. Either party's failure to timely cure any breach of this AGREEMENT shall relieve the other party of the requirement to give thirty (30) days' notice for

termination of this AGREEMENT in accordance with Paragraph 15.1, below, and in such a case, ten (10) days' written notice to the breaching party is sufficient notice. Notwithstanding the above term, CEDA'S failure to maintain insurance in accordance with Section 7.0, above, or in the event of any of the contingencies described in Paragraph 15.1 below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Any breach of any covenant or term of this AGREEMENT by one or more of CEDA'S sub-consultants shall be deemed a breach by CEDA subject to the terms of this AGREEMENT.

11.0 OWNERSHIP OF DOCUMENTS

11.1 CEDA agrees that any and all deliverables prepared for the COUNTY under the terms of this AGREEMENT shall be properly arranged, indexed and delivered to the COUNTY either i) on or before the expiration of this AGREEMENT or, ii) 14 days after notice of termination or, iii) as otherwise agreed to by the COUNTY and CEDA. An electronic copy of all applicable deliverables, in a format designated by the COUNTY'S representative, shall be provided to the COUNTY.

11.2 The documents and materials made or maintained under this AGREEMENT shall be and will remain the property of the COUNTY which shall have the right to use same without restriction or limitation and without compensation to CEDA other than as provided in this AGREEMENT. CEDA waives any copyright interest in said deliverables.

11.3 The COUNTY acknowledges that the use of information that becomes the property of the COUNTY pursuant to Paragraph 11.2, for purposes other than those contemplated in this AGREEMENT, shall be at the COUNTY'S sole risk.

11.4 CEDA may, at its sole expense, reproduce and maintain copies of deliverables provided to the COUNTY.

12.0 COMPLIANCE WITH THE LAW AND OTHER AUTHORITIES

12.1 CEDA, and sub-consultant(s), shall comply with Federal, State and Local statutes, ordinances and regulations and obtain permits, licenses, or other mandated approvals, whenever applicable.

12.2 CEDA, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, age, handicap, or national origin, or otherwise commit an unfair employment practice. CEDA, and sub-consultant(s), shall comply with the provisions of the

Illinois Human Rights Act, as amended, 775 ILCS 5/-101, *et seq*., and with all rules and regulations established by the Department of Human Rights.

12.3 CEDA, by its signature on this AGREEMENT, certifies that it has not been barred from being awarded a contract or subcontract under the Illinois Procurement Code, 30 ILCS 500/1-1, *et seq*.; and further certifies that it has not been barred from contracting with a unit of State or local government as a result of a violation of Section 33E-3 or 33E-4 of the Illinois Criminal Code (Illinois Compiled Statutes, Chapter 720, paragraph 5/33E-3).

12.4 CEDA, by its signature on this AGREEMENT, certifies that no payment, gratuity or offer of employment, except as permitted by the Illinois State Gift Ban Act and the County of DuPage Ethics Ordinance, was made by or to CEDA, or CEDA'S personnel, in relation to this AGREEMENT. CEDA has also executed the attached Ethics Disclosure Statement that is made a part hereof and agrees to update contribution information on an ongoing basis during the life of the AGREEMENT as required by said Ordinance.

12.5 CEDA covenants that it has no conflicting public or private interest and shall not acquire directly or indirectly any such interest which would conflict in any manner with the performance of CEDA'S services under this AGREEMENT.

12.6 **In accordance with the Vendor Information Reporting Act (35 ILCS 200/18-50.2),** the COUNTY is required to collect and electronically publish data from all consultants and subconsultants as to: (1) whether they are a minority-owned, women-owned or veteran-owned business as defined by the Business Enterprise for Minorities, Women and Persons with Disabilities Act (30 ILCS 575/.01 *et seq.*); and (2) whether the consultant or any subconsultants are self-certifying or whether they hold certifications for those above-referenced categories. If self-certifying, the consultants and subconsultants shall disclose whether they qualify as a small business under federal Small Business Administration standards. **In compliance with the Vendor Information Reporting Act, within 60 calendar days of the COUNTY'S award of the contract for work covered under this AGREEMENT, the awarded consultant, and each subconsultant, must complete the Awarded Vendor Questionnaire (found at https://mwv.dupageco.org/).**

12.7 CEDA acknowledges knowledge of the COUNTY'S Procurement Ordinance, which is hereby incorporated in this AGREEMENT, and has had an opportunity to review it. CEDA agrees to submit changes for Scope of Work or compensation in accordance with said Ordinance.

13.0 MODIFICATION OR AMENDMENT

13.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties.

13.2 CEDA agrees to submit changes for Scope of Work or compensation on a COUNTY designated form.

14.0 TERM OF THIS AGREEMENT

14.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

(a) The termination of this AGREEMENT in accordance with the terms of Section 15.0, or

(b) The expiration of this AGREEMENT on September 30, 2027, or to a new date agreed upon by the parties, or

(c) The completion by CEDA and the COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before June 30, 2026.

14.2 CEDA shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 14.1(b), above or after the early termination of this AGREEMENT. The COUNTY is not liable and will not reimburse CEDA for any work performed after the expiration or termination date of the AGREEMENT. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay CEDA for work satisfactorily performed prior to expiration or termination of the AGREEMENT and delivered in accordance with Paragraph 5.1, above.

14.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to paragraph 13.1 above.

15.0 TERMINATION

15.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CEDA'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if CEDA is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 12.0, above, in

which case termination shall be effective immediately upon receipt of notice from COUNTY at COUNTY'S election.

15.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, but they shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for services rendered prior to termination. There shall be no termination expenses.

15.3 Upon termination of the AGREEMENT, all data, work products, reports and documents produced because of this AGREEMENT shall become the property of the COUNTY. Further, CEDA shall provide all deliverables within fourteen (14) days of termination of this AGREEMENT in accordance with the other provisions of this AGREEMENT.

16.0 ENTIRE AGREEMENT

16.1 This AGREEMENT, including matters incorporated herein, contains the entire agreement between the parties.

16.2 There are no other covenants, warranties, representations, promises, conditions or understandings; either oral or written, other than those contained herein.

16.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

16.4 In event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

17.0 ASSIGNMENT

17.1 Either party may assign this AGREEMENT provided, however, the other party shall first approve such assignment in writing**.**

The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

PROPOSAL – Building II

DuPage County - Multi-Family Weatherization Project
College Park Apartments - Level 2 Training, Shadowing, Technical Assistance, and Reporting Services

Prepared By:

Community and Economic Development Association of Cook County (CEDA)
567 West Lake Street, Suite 1200
Chicago, Illinois 60661

Prepared For:

DuPage County Community Services Department

Second Building Location: 942-948 College Blvd, Addison, Illinois
Training Level: Level 2 - Agency Shadowing, Process Observation, Technical Assistance, and Findings/Recommendations Reporting
Date: June 18, 2026

PURPOSE OF PROPOSAL

CEDA is pleased to submit this new proposal to DuPage County for Level 2 training, technical assistance, process observation, and reporting support for the second College Park Apartments building located at 942-948 College Blvd, Addison, Illinois.

This proposal is intended to build upon the original Proposal (for Building 902-910 College Blvd, Addison, Illinois) by defining a Level 2 scope of services. Level 2 support is designed to move beyond initial classroom, hands-on, and site-based training by allowing DuPage County staff and agency partners to shadow the agency while the agency performs the necessary multifamily weatherization tasks from intake through closeout.

The purpose of this engagement is to strengthen DuPage County's multifamily weatherization capacity, reinforce compliance-centered implementation, and provide a final written report documenting observations, findings, and practical recommendations for process improvement.

PROJECT UNDERSTANDING

Based on the original proposal and subsequent work, CEDA understands that DuPage County is seeking continued support for multifamily weatherization activities at College Park Apartments. The Level 2 training model will support the second building by combining direct observation, technical assistance, quality assurance, and documentation review across the full project lifecycle.

CEDA will provide these services using a compliance-centered approach aligned with multifamily weatherization practices, technical review, TREAT energy modeling support, field quality assurance, and project management oversight reflected in the original scope of services.

LEVEL 2 TRAINING AND TECHNICAL ASSISTANCE MODEL

For purposes of this proposal, Level 2 training is defined as a structured shadowing and applied technical assistance engagement. Under this model, CEDA will provide DuPage County with opportunities to observe and learn from the agency as it performs the necessary multifamily weatherization tasks associated with the second building.

Level 2 training includes, but is not limited to, shadowing and applied observation of the following functions:

- Client and household intake processes, including eligibility documentation review and workflow considerations.
- Multifamily assessment procedures, including reviewing existing conditions, building science considerations, and scope development inputs.
- Work-in-progress (WIP) monitoring, field implementation review, and project sequencing observations.
- Final inspection activities, including QA/QC review, compliance documentation, and issue resolution processes.
- IWx data entry, documentation standards, reporting workflows, and quality control considerations.
- Stakeholder communication, milestone tracking, contractor coordination, and operational troubleshooting.

The Level 2 model is intended to provide a practical view of the entire multifamily weatherization process while creating a record of lessons learned, observed strengths, operational challenges, and recommended improvements.

The sole source justification further states that CEDA maintains a dedicated and credentialed multifamily technical team, has demonstrated successful implementation of more than 100 multifamily weatherization projects, regularly conducts ASHRAE-compliant energy modeling using advanced software such as TREAT, and possesses the tools, testing equipment, and experience necessary to support complex occupied multifamily buildings.

This Level 2 proposal relies on those qualifications to support DuPage County with applied shadowing, technical review, project oversight, and findings/recommendations reporting for the second College Park Apartments building.

59	Describe your payment terms and accepted payment methods.	Sutton Ford Inc. offers flexible and government-friendly payment terms designed to meet the procurement and fiscal requirements of Sourcewell Participating Entities. Standard Payment Terms: • Net 30 days from the date of invoice, unless otherwise agreed upon with the Participating Entity. • Invoicing occurs upon delivery or as specified in the purchase order or contract terms. Accepted Payment Methods: • ACH (Automated Clearing House) / EFT (Electronic Funds Transfer) • Wire Transfer • Physical Check • P-Card (Procurement Card) — accepted on a case-by-case basis. Please note that Sutton Ford is subject to transaction fees for P-Card payments (3% of the total transaction), and in some instances, the cost impact may render this method impractical for large or complex vehicle purchases. We are committed to working collaboratively with each Participating Entity to align on a payment method and schedule that supports compliance, transparency, and operational efficiency.	*

60	Describe any leasing or financing options available for use by educational or governmental entities.	Sutton Ford Inc. offers a variety of flexible leasing and financing options tailored to the unique budgeting and procurement needs of public sector fleets, including educational institutions and government agencies. We work directly with Ford Credit – Municipal Finance and other approved government leasing partners to provide tax-exempt financing options structured specifically for qualified governmental and educational entities. Available Lease and Finance Structures: • Municipal Lease-Purchase Agreements (MLP): Enables ownership at the end of the term with no residual or balloon payment. Payments are structured to preserve capital while allowing immediate vehicle deployment. • Operating Leases: Provides flexible vehicle use without the long-term ownership commitment, with lower monthly payments. • Closed-End or Open-End Leases: Configurable based on the entity's preference for mileage limits and risk tolerance. • Deferred Payment Options: Aligns payments with budget cycles, grants, or capital planning timelines. Key Benefits of Ford Municipal Lease-Purchase Financing: • Tax-Exempt, Fixed-Rate Financing: Structured specifically for qualified agencies, offering lower cost than commercial loans. • Zero Down Payment Required: No capital outlay or security deposit required to initiate the lease. • Flexible Payment Schedules: Monthly, quarterly, semi-annual, or annual payments available to match agency fiscal calendars. • Full Inclusion of Vehicle-Related Costs: Financing can cover vehicles, upfitting, graphics, accessories, and extended warranties in one package. • No Mileage Limits or Penalties: Unlike standard commercial leases, MLPs include no mileage restrictions or end-of-term charges. • Equity and Ownership: Agencies accrue equity with each payment and take full ownership at the end of term, often with just a $1 buyout. • Fleet Expansion Leverage: Enables agencies to acquire more vehicles per fiscal cycle compared to cash purchases. • Stable, Predictable Budgeting: Fixed interest rates and no prepayment penalties help agencies avoid budget uncertainty. Sutton Ford Leasing Support: Our team collaborates with agency finance and procurement officials to: • Secure tax-exempt lease quotes • Include upfit and warranty items in the lease bundle • Align payment terms with funding sources • Deliver turnkey solutions with minimal administrative overhead Sutton Ford's leasing and financing programs are designed to simplify fleet acquisition, control long-term costs, and support compliance with local and state procurement requirements.	*

61	Describe any standard transaction documents that you propose to use in connection with an awarded agreement (order forms, terms and conditions, service level agreements, etc.). Upload all template agreements or transaction documents which may be proposed to Participating Entities.	Sutton Ford Inc. uses a concise and transparent set of standard transaction documents when working with government and educational agencies under cooperative agreements. These documents are tailored to align with public-sector procurement requirements and will be adapted as needed to comply with Sourcewell's Master Agreement terms. Standard Documents Include: 1. Official Vehicle Quote o Lists vehicle make, model, configuration, MSRP, Sourcewell discounted price, freight (if applicable), upfit costs, and applicable taxes or fees (if any). o References Sourcewell contract number and pricing terms. 2. Purchase Order (Provided by Participating Entity) o Used as the official acceptance of the quoted terms and initiates vehicle ordering. 3. Order Acknowledgment / Sales Agreement o Issued by Sutton Ford upon PO receipt. o Confirms all final vehicle specs, pricing, Sourcewell contract reference, and expected delivery timeline. 4. Upfit Specification Worksheet (if applicable) o Details line-item upfitting components, installation labor, and supplier/vendor part numbers. 5. Terms and Conditions o Standard government-focused terms addressing warranty coverage, payment terms, delivery obligations, cancellation policies, and acceptance protocols. o Compliant with Sourcewell's Master Agreement structure. 6. Invoice o Reflects the agreed-upon contract pricing and is submitted upon vehicle delivery or completion of services. All applicable templates will be uploaded in the document section of our proposal for Sourcewell's review. Sutton Ford is also open to using Participating Entity-specific formats when required by state or agency policy.	*
62	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell participating entities for using this process?	Sutton Ford accepts ACH, wire, check, and P-Card. No additional fees for P-Card payments up to $10,000; pricing is P-Card inclusive. For larger transactions we will work with the Participating Entity to select the most efficient method while preserving contract value.	*
63	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	Sutton Ford Inc.'s pricing model is based on a Manufacturer's Suggested Retail Price (MSRP) minus a discount, as determined by the applicable government fleet incentives and manufacturer pricing programs in effect at the time of order. All items we would like Sourcewell to consider as part of this RFP response are included in our uploaded pricing materials, which clearly identify: -Base MSRP -Applicable Sourcewell discount -Sourcewell contract price -Vehicle model information and description -Aftermarket equipment and upfit pricing, where applicable We have also provided manufacturer body codes or vendor part numbers to support configuration and quoting accuracy. Our pricing model allows for transparent quoting, contract compliance, and ease of verification for Participating Entities. We will continue to update pricing in accordance with manufacturer releases and notify Sourcewell of any changes in list or discount structures. All pricing quoted is not to exceed our current Sourcewell price file on record; Sutton Ford may offer lower pricing for volume, agency programs, or promotions.	*

64	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	Sutton Ford Inc. confirms that all pricing submitted under this proposal is based on a percentage discount from MSRP and varies by vehicle line according to the Ford Motor Company Government Price Concession (GPC) applied to each specific model and configuration. The total discount range, which includes applicable vehicle incentives and aftermarket equipment pricing, falls between 3% and 13.38% off MSRP on Ford vehicle lines and up to 30% on aftermarket equipment, depending on the manufacturer's government program, vehicle class, or the vendor-contracted pricing for upfit components. These discounts are passed through to Sourcewell Participating Entities and will be clearly itemized on all quotes and purchase orders to ensure transparency and contract compliance.	*
65	Describe any quantity or volume discounts or rebate programs that you offer.	Sutton Ford Inc. offers tiered volume discounts for Participating Entities placing large fleet orders under the Sourcewell agreement. These discounts are designed to provide additional cost savings for high-volume acquisitions and coordinated cooperative purchases. • Volume Discount Tiers: o 75 units or more: Discounted pricing available upon request o 150 units or more: Enhanced volume pricing offered based on vehicle mix, timing, and upfit complexity Participating Entities are encouraged to contact our fleet sales team directly to discuss volume-based pricing scenarios. Additional savings may also be available when units are ordered with uniform specifications or scheduled for consolidated production runs. All volume discounts will be clearly documented in the quote and remain fully compliant with Sourcewell reporting and administrative fee requirements.	*
66	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "non-contracted items". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	Sutton Ford Inc. proposes to supply any "open market" or "non-contracted" items—such as specialty accessories, third-party components, or unique service requests—at cost plus 5%. This cost-plus structure ensures transparency and consistency while allowing flexibility to fulfill specialized or non-standard requests that fall outside the core contract offering. All such items will be: • Clearly itemized in the customer quote • Labeled as non-contract items for easy identification • Fully disclosed and reviewed with the Participating Entity prior to purchase order approval Quotes for open market items will include documentation of supplier cost to validate pricing integrity upon request.	*
67	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Sutton Ford Inc. confirms that freight is not included in the base vehicle pricing submitted in this proposal. However, freight coordination is fully managed by Sutton Ford at no cost to the Participating Entity, and any associated freight charges will be clearly disclosed up front on each quote for full transparency. If it is determined that utilizing the Ford Dealer Courtesy Delivery Network is more cost-effective than direct transport, the Participating Entity may elect that option. In such cases, the customer would be responsible for the associated courtesy delivery fee charged by the receiving Ford dealer. As with transport charges, this fee will also be clearly identified in the quote prior to the issuance of a purchase order, ensuring complete transparency and customer approval in advance. Sutton Ford does not charge a documentation fee (doc fee) under this agreement. Pre-delivery inspection (PDI) is included at no additional cost when performed by Sutton Ford or Cocoa Ford. We also do not impose any mandatory training, installation, or setup fees, unless specifically requested by the Participating Entity as part of a custom upfit solution. Any such charges would be quoted and agreed to in writing prior to order acceptance.	*

68	If freight, delivery, or shipping is an additional cost to the Sourcewell participating entity, describe in detail the complete freight, shipping, and delivery program.	Sutton Ford Inc. manages all aspects of vehicle freight, delivery, and shipping coordination to ensure smooth and timely fulfillment for Sourcewell Participating Entities. While freight is not included in the base vehicle price, we fully manage logistics and provide transparent, up-front pricing on every quote. Freight charges, if applicable, are clearly disclosed prior to the issuance of a purchase order. Freight & Shipping Program Overview: • Direct-to-Agency Delivery Vehicles can be shipped via bonded transport directly to the Participating Entity's location. We work with licensed and insured transport partners that specialize in government fleet movement. Freight cost is calculated based on vehicle type, distance, and routing efficiency. • Courtesy Delivery via Ford Dealer Network When more cost-effective, Sutton Ford may coordinate a courtesy delivery through a local Ford dealership near the Participating Entity. In such cases, the Participating Entity is responsible for any applicable courtesy delivery fee charged by the receiving dealership. This option can result in lower overall cost and faster delivery in certain regions. • Staging & Upfit Integration Vehicles requiring upfitting may be staged at Sutton Ford (Matteson, IL), Cocoa Ford / Frontline Vehicle Supply (Cocoa, FL), or a certified third-party upfit partner. Delivery timing is coordinated upon completion of the upfit and verified through our fleet team. • Transparent Freight Quotes All shipping or delivery costs are clearly itemized in advance of order confirmation. We do not apply markups to freight; all charges are passed through at cost and are optional—Participating Entities may elect to pick up vehicles themselves if desired. Communication & Tracking: • Customers receive real-time updates on vehicle shipping status. • Tracking numbers or carrier information is provided upon vehicle dispatch. • Our fleet team remains the point of contact until the vehicle is accepted by the customer. _____ Summary: Sutton Ford's freight and delivery program is designed to be flexible, transparent, and cost-effective, giving Participating Entities full visibility and choice in how their vehicles are delivered.	*

69	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Sutton Ford Inc. is fully authorized and equipped to coordinate and deliver vehicles to Participating Entities located in all 50 U.S. states, including Alaska and Hawaii. We utilize bonded overland and oceanic freight providers to ensure secure and timely delivery to these non-contiguous U.S. locations. Alaska & Hawaii: Ocean Freight Coordination Vehicles destined for Alaska or Hawaii are shipped via marine transport, typically departing from West Coast ports such as Seattle, WA or Long Beach, CA. Sutton Ford coordinates overland transportation to the port and handles booking and transfer to the ocean freight carrier. Delivery Timing Delivery timelines vary based on port availability and shipping schedules, but are clearly communicated at the time of order. Quoting and Billing All transportation and delivery fees—including overland and ocean freight—are quoted in advance and presented transparently on the vehicle quote. The Participating Entity is responsible for actual shipping charges, but Sutton Ford manages all logistics and paperwork. Final Mile Delivery Where applicable, we coordinate with local Ford dealerships or bonded receiving agents in Alaska and Hawaii to complete final delivery and vehicle acceptance. Canada and U.S. Territories: Sutton Ford Inc. is not authorized to sell or deliver vehicles to Participating Entities located in Canada or U.S. territories, including Puerto Rico, Guam, U.S. Virgin Islands, or American Samoa. This restriction is based on our Ford Motor Company dealer franchise agreement, which limits our sales and distribution territory to the 50 U.S. states.	*

70	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Sutton Ford Inc. offers a variety of flexible and customer-focused delivery methods that distinguish our proposal and enhance convenience, speed, and cost-efficiency for Sourcewell Participating Entities. Our distribution model is built on centralized control, national reach, and strategic partnerships. Unique Delivery Methods & Options: 1. Dual Fulfillment Hubs for Nationwide Reach o Vehicles are processed and staged at either Sutton Ford (Matteson, IL) or Cocoa Ford / Frontline Vehicle Supply (Cocoa, FL) depending on proximity to the Participating Entity and upfit requirements. o This two-hub model allows for faster regional distribution, reduced shipping costs, and better inventory flexibility. 2. Integrated Upfit & Staging Workflow o Vehicles requiring customization (lighting, graphics, storage, ADA, etc.) are staged and upfitted prior to shipment, ensuring they arrive to the agency ready for immediate use. o This reduces agency coordination time and allows for single-invoice billing on turnkey solutions. 3. Courtesy Delivery via the Ford Dealer Network o In regions where direct shipping may be cost-prohibitive or logistically challenging, Sutton Ford coordinates courtesy delivery through local Ford dealers. This option may offer shorter transit times and reduced shipping costs. o Participating Entities selecting this method are responsible for the dealer's courtesy delivery fee, which is always disclosed in advance. 4. Flexible Final Destination Options o Vehicles can be delivered directly to agency facilities, staging yards, or designated upfitters based on project needs. o We also support multi-point deliveries for split-fleet orders. 5. Bonded and Insured Transport Partnerships o All deliveries are handled by experienced fleet transport providers under full insurance coverage. o Sutton Ford manages all logistics directly, eliminating the need for agency coordination with carriers. 6. Remote Inspection and Delivery Acceptance Support o For distant deliveries, Sutton Ford can coordinate remote acceptance protocols, including digital inspection reports, delivery photos, and remote sign-off options to streamline delivery verification. _____ Summary: Sutton Ford's delivery model is designed for flexibility, scalability, and ease of use. By combining direct fulfillment, upfit integration, dealer courtesy delivery options, and real-time communication, we ensure that Participating Entities receive mission-ready vehicles with minimal administrative burden.	*

71	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed agreement with Sourcewell. This process includes ensuring that Sourcewell participating entities obtain the proper pricing.	Sutton Ford Inc. will implement a structured self-audit and contract compliance program to ensure all transactions under the Sourcewell Master Agreement adhere to the pricing, reporting, and administrative requirements set forth in the contract. This program is designed to protect both Sourcewell and Participating Entities by ensuring pricing integrity and operational transparency. Key Components of Our Self-Audit Program: 1. Post-Sale Invoice Reconciliation • Invoices are cross-checked against original quotes and vehicle build sheets. • A dedicated compliance analyst flags any variances or outliers for management review before reporting to Sourcewell. 4. Sourcewell Tagging and Reporting Controls • All Sourcewell transactions are tagged in our Dealer Management System (DMS) and CRM platforms for tracking. • Reports are generated monthly and reviewed for completeness, pricing accuracy, and administrative fee validation before quarterly submission. 5. 73	Provide a proposed Administration Fee payable to Sourcewell. The Fee is in consideration for the support and services provided by Sourcewell. The propose an Administrative Fee will be payable to Sourcewell on all completed transactions to Participating Entities utilizing this Agreement. The Administrative Fee will be calculated as a stated percentage, or flat fee as may be applicable, of all completed transactions utilizing this Master Agreement within the preceding Reporting Period defined in the agreement.	Sutton Ford Inc. proposes that an administrative fee will be 1% of the total transaction price, which is inclusive of all aftermarket equipment. In cases where the calculated 1% fee is less than $325, a flat fee of $325 will be applied. This fee structure is fixed, transparent, and applies uniformly to all transactions under this contract. We are committed to maintaining full compliance with Sourcewell's administrative fee reporting schedule and submission procedures.	*

Chair Conroy, Chairwoman DeSart and Members of the County Board,

It has been an honor to represent DuPage County in Springfield over the past six years. Throughout this year's legislative session, our team remained actively engaged with members of the General Assembly, state agencies, and key stakeholders to advance the County's priorities and protect its interests on a wide range of legislative issues.

This session, our advocacy produced several meaningful results, including:

1. Successfully opposing the Build Act and advocating against provisions that would have negatively impacted DuPage County.
2. Securing passage of House Bill 4571, granting the County the authority to establish a Missing Middle Affordable Housing Program.
3. Protecting the County's existing capital funding priorities and continuing to advocate for critical infrastructure investments.

In addition to these accomplishments, we maintained regular communication with County leadership and legislative partners, monitored legislation affecting county government, and provided strategic guidance throughout the session to ensure DuPage County's voice remained influential in the policymaking process.

We are grateful for the confidence the County Board has placed in our firm. Representing DuPage County has been a privilege, and we remain committed to providing responsive, effective advocacy on the County's behalf. We look forward to continuing our partnership and advancing the County's priorities during the coming legislative session.

FIRM OVERVIEW

Experienced. Effective. Respected.

For thirty years, the consulting firm of Marquardt & Humes, Inc. has through dedication and perseverance, gained respect and proven results in representing its clients before the Illinois General Assembly and the executive branch of state government.

Our expansive network across all branches of government in Illinois allows Marquardt & Humes to effectively assist our clients with their needs. Over the years we have worked hard to develop and build on our relationships with legislators and staff members in all four caucuses as well as with officials in the executive branch. Today, we are proud of our ability to effectively work with legislators on both sides of the aisle, and on both sides of the rotunda, including those in Senate and House Leadership.

Additionally, our numerous contacts with legislators and staff members in the Illinois General Assembly afford us the opportunity to receive "up-to-the-minute" information regarding critical legislation, often before the legislation is introduced. We have also invested in technology which allows us to more effectively track and monitor vital legislation from our offices in Springfield and Downers Grove Illinois.

The varied employment and political experience of the members in our firm have afforded us the opportunity to develop extensive relationships across the state of Illinois with numerous legislators, political leaders and government executives. This demonstrated ability is documented through our success in obtaining and maintaining client contracts. We feel we successfully work with Democrats and Republicans in both legislative chambers, including those serving in committee and caucus leadership positions very effectively.

OUR TEAM

Marquardt & Humes, Inc. is comprised of two full-time in-house lobbyists in addition to one full-time client relationship specialist. Our lobbying team includes:

OUR TEAM

SCOTT R. MARQUARDT, ESQ.

Partner and Chief Legal Counsel

Scott R. Marquardt serves as a Partner and Chief Legal Counsel to Marquardt & Humes. Mr. Marquardt has been an independent lobbyist and consultant for various corporations and companies since 1996. Since becoming President of Marquardt & Company in 2002, Mr. Marquardt has focused his attention on assembling a team of consultants capable of providing our clients with the most comprehensive level of representation available.

Mr. Marquardt was born and raised in DuPage County. In fact, he is a 4th generation DuPage County resident. Mr. Marquardt began his professional career as a prosecutor in the DuPage County State's Attorney's Office. While an Assistant State's Attorney, he was responsible for prosecuting traffic, misdemeanor, and felony offenses and ultimately was placed in charge of the unit responsible for making charging decisions on high-level cases. Upon leaving the State's Attorney's Office after four years of service, Mr. Marquardt entered private practice and eventually became a partner and president of the Wheaton-based law firm of Marquardt & Belmonte, P.C. Today, Marquardt & Belmonte, P.C. is one of the largest firms of its kind in DuPage County.

In addition to his business and legal expertise, Mr. Marquardt also possesses a wide array of political campaign management experience -- which further enhances our firm's statewide network. He has managed numerous local campaigns and provided advice and counsel to dozens of candidates and elected officials at all levels of government.

Mr. Marquardt is a graduate of the University of Illinois at Urbana-Champaign and of the Chicago-Kent College of Law and remains active in his community by serving as a precinct committeeman.

OUR TEAM

JOHN "CHIP" HUMES

Partner

John "Chip" Humes serves as a Partner to Marquardt & Humes. As a former funeral director and co-owner of Humes Funeral Home in Addison, he has served families and the community for many years. His commitment to serving others and tending to their needs is as prevalent now as when he served as a paramedic and firefighter.

This drive to serve others and his community has given him great experience. As a former small business owner himself, he understands the concerns, needs and issues that small businesses have.

This led him to serve as President of the Addison Chamber of Commerce for three years. During his time as President, he worked to address the needs of businesses in Addison and advance the issues important to them; as well as to attract new businesses to the area.

Chip began his lobbying career in 2012 as a Consultant with Roger C. Marquardt & Company. He continues to work with members of state and local government to enhance the firm's statewide network. Throughout his tenure with Roger C. Marquardt & Company he has contributed to the vast growth of the firm and is now a partner.

Chip is a graduate of Driscoll Catholic High School in Addison. He then attended College of DuPage and the Elgin Fire Academy, becoming a firefighter and certified paramedic. He later graduated from Worsham College of Mortuary Science. He proudly serves as a board member of DuPage Health Matters and is an avid supporter of the IL State Police Heritage Foundation. He has served as a member of the Driscoll Catholic High School board, treasurer of the Adventist Glen Oaks Hospital Foundation, past president of the Addison Chamber of Commerce and Industry, member of the Addison Historical Commission. Mr. Humes is also a fourth degree Knight of Columbus.

OUR TEAM

CARRIE A. VANTILBURG

Client Relationship Specialist

Carrie VanTilburg is the Client Relationship Specialist at Marquardt & Humes. She joined our firm in 2001 after attending Illinois State University where she majored in political science and sociology. From 2002-2007, Ms. VanTilburg was one of Marquardt & Humes's registered lobbyists.

Ms. VanTilburg is responsible for monitoring and keeping Marquardt & Hume's clients informed of the day-to-day status of the legislative initiatives and other developments important to them. She also assists our clients in their reporting and compliance obligations with the Illinois Secretary of State's Index Department. During the legislative session, Ms. VanTilburg uses her considerable knowledge of Springfield-area venues to help our clients plan and coordinate meetings, receptions, dinners, and other events with members of the General Assembly.

In addition to her work with Marquardt & Humes Ms. VanTilburg is the legal assistant at Marquardt & Belmonte, P.C. and the administrative assistant for the Illinois Public Airports Association. She is also the event planner for the association's annual fall conference each year.

PROPOSED WORK PLAN AND REQUIRED PRACTICES

Our approach to report on actions and communication during the session is simple. We suggest having one main contact. That contact will have complete access to all members of the firm, including home numbers to cell phones or email addresses. I will be your primary contact, however I work very closely with my other associates which may at times become involved in our efforts. During the session it is vitally important that we have the ability reach one main contact that will have decision making authority. As you can imagine, some decisions must be made immediately.

During legislative session days, we maintain a full-time presence in Springfield. We have a suite of offices in Springfield.

Chair DeSart
DuPage County

Dear Chair DeSart,

First, we would like to take this opportunity to thank Chairwoman Conroy and the entire DuPage County Board for their continued trust in our representation of the counties, governmental affairs.

As you know, the 2026 legislative session was challenging. Both chambers rarely met in Springfield at the same time and a disjointed General Assembly led to another overtime session ending in the middle of the night.

An inordinate amount of time was spent negotiating the Governor's Build Act, which as introduced, would have had a dramatic effect on local control regarding zoning, but no final legislation was passed in the final hours of session. Although, on a positive note regarding housing, HB4571 (affordable housing) did make its way to final passage before the end of session and has now been signed by the Governor. In addition, after being intimately involved in the final transit package at the end of 2025, we were able to assist in passing HB2335 (transit cleanup) at the end of session in 2026.

Finally, we were successful in securing the $14.5M reappropriation for the wastewater treatment plant upgrades and several new appropriations for DuPage County. We continue to work with House leadership and the Governor's office to release the money for the treatment plant.

We are excited to continue our partnership with DuPage County representing the interests of your nearly 1 million residents.

Best regards,

Dave Sullivan

Overview

DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.).
Recommendation for the approval of a contract to Windy City Representatives, to furnish and deliver a chilled water pump for the County Power Plant, for Facilities Management, for the period of August 11, 2026 through August 10, 2027 for a total contract amount not to exceed $37,100.00, per low bid #26-052-FM.

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
The existing pumps are approximately 30 years old and have reached the end of their expected service life. Replacing these pumps will improve the reliability and resiliency of the Power Plant by providing critical system redundancy in the event of equipment failure, thereby minimizing the risk of operational disruptions and unplanned downtime.

In addition to enhancing system reliability, the replacement pump is a necessary component to support the planned installation of a future chiller. Completing this project proactively positions the County to accommodate future infrastructure improvements while ensuring the chilled water system has the capacity and redundancy needed to meet long-term operational demands.

Investing in this replacement will strengthen the reliability of the County's central utility infrastructure, reduce the risk of costly emergency repairs, and support the continued modernization of the campus mechanical systems.

a. All Lessee insurance herein required shall specifically name the "County of DuPage" as an additional named insured, and shall be on a primary and non-contributory basis. All policies shall contain a provision that the coverage afforded will not be canceled, materially changed, or a renewal refused without providing written notice to Lessor as an additional insured and Lessee as a named insured prior to said cancellation, material change, or refusal to renew the insurance policy.

b. Lessee shall maintain a General Liability insurance policy with a limit of not less than Two Million Dollars ($2,000,000) per occurrence. Lessee shall also maintain Workman's Compensation in the statutorily required amount(s).

c. Lessee shall have the duty to provide Lessor with copies of certificates of insurance required by Lessor prior to the commencement of the Term of this Lease and/or any Renewal thereof, or as soon thereafter as may be reasonably practicable and agreeable to Lessor, as well as renewal certificates of insurance within fifteen (15) days prior to the expiration of any insurance policy herein required.

Pursuant to Illinois law, the attorney representing Lessor under this paragraph must be the State's Attorney of DuPage County. Lessor's participation in its defense shall not remove Lessee's duty to indemnify, defend, and hold Lessor harmless as set forth above. Any indemnity as provided in this Lease shall not be limited by reason of the enumeration of any insurance coverage herein provided. Lessee's indemnification obligation shall survive the termination, or expiration, of this Lease for two (2) years. NOW, THEREFORE, in consideration of the premises, the mutual covenants, terms, and conditions herein set forth, and the understandings of each party to the other, the parties do hereby mutually covenant, promise and agree as follows:

1.0 INCORPORATION AND CONSTRUCTION.

1.1 All recitals set forth above are incorporated herein and made a part hereof, the same constituting the factual basis for this AGREEMENT.

1.2 The headings of the paragraphs and subparagraphs of this AGREEMENT are inserted for convenience of reference only and shall not be deemed to constitute part of this AGREEMENT or to affect the construction hereof.

2.0 PROJECT DESCRIPTION.

2.1 The PROJECT involves the construction of water quality components in an infrastructure improvement project within the north side of the Village. The improvements include installation of a mechanical separator before the pump station and increased storage capacities. The goal of the VILLAGE is to reduce pollutant loadings associated with urban runoff into the Spring Brook Creek, Salt Creek and Des Plaines River watershed.

2.2 The PROJECT shall be developed essentially in accord with the conceptual design (Roadway and Infrastructure Improvements – Phase 3), as prepared by the Village of Itasca and submitted January 2, 2026, which document is incorporated herein by reference but is not attached hereto due to space limitations.

3.0 FUNDING.

3.1 The total water quality related PROJECT costs are estimated to be One Million, Seven Hundred Forty-Three Thousand, Five Hundred Six dollars ($1,743,506). The cost share is as follows, unless otherwise agreed to in writing as provided in Paragraph 3.2 below:

VILLAGE OF ITASCA	$1,643,506
COUNTY OF DUPAGE	$100,000
TOTAL	$1,743,506

3.2 The VILLAGE shall be responsible for bearing any cost overruns or expenses in excess of the funding listed in Paragraph 3.1, regardless of the cause, unless the VILLAGE and COUNTY agree to appropriate such extra costs in writing before they are incurred.

3.3 This AGREEMENT shall in no way obligate the VILLAGE to undertake this PROJECT if the VILLAGE in its sole discretion determines that it is no longer in the VILLAGE'S best interest to proceed with this PROJECT. However, in the event the PROJECT is not substantially completed by June 30, 2028, the VILLAGE shall promptly reimburse the COUNTY any monies paid by the COUNTY to the VILLAGE pursuant to this AGREEMENT. The VILLAGE'S right to retain the COUNTY'S reimbursement of PROJECT costs is expressly conditioned upon the VILLAGE'S timely and satisfactory completion of the PROJECT.

3.4 The VILLAGE may only seek COUNTY reimbursement for allowable PROJECT expenses. Allowable PROJECT expenses incurred and paid by the VILLAGE in relation to the PROJECT shall include third-party professional services related to the construction of the PROJECT (construction management, etc.), construction (labor and materials), bid advertising, etc. Notwithstanding the foregoing, allowable expenses shall not include the VILLAGE'S administrative costs, overhead, payroll, land acquisition, legal or accounting services.

4.0 VILLAGE'S RESPONSIBILITIES.

4.1 The VILLAGE shall be responsible for the preparation of the plans, specifications, and bid documents for the PROJECT, together with the advertisement and award of all PROJECT-related public bids. The VILLAGE shall select, and contract with, all vendors providing professional services for the PROJECT.

4.2 The VILLAGE shall be responsible for successful completion of all phases of the PROJECT, from design and construction through maintenance.

4.3 The VILLAGE shall be responsible for securing all local, county, state, and federal permits necessary for completion of the PROJECT.

4.4 The VILLAGE shall be responsible for submitting copies of all permit applications and related correspondence to the COUNTY in a timely manner to ensure sufficient review by the COUNTY. The purpose of the COUNTY'S review shall be for the sole purpose of documenting whether PROJECT work components qualify as allowable expenses.

4.5 The VILLAGE shall be responsible for obtaining all required land rights necessary for the completion of the PROJECT.

4.6 The VILLAGE shall not be reimbursed by the COUNTY for work undertaken prior to the signing of this AGREEMENT.

4.7 The VILLAGE may enter into additional agreements to secure its portion of the local PROJECT costs.

4.8 The VILLAGE shall submit no more than one invoice per month to the COUNTY during the construction of the PROJECT. Under no circumstances should the COUNTY be invoiced more than one hundred thousand dollars ($100,000). The invoice shall show the quantities and cost per item and be summarized by PROJECT area.

4.9 The VILLAGE shall make direct payments, or cause to have payments made, to all parties providing services related to this PROJECT. This requirement will not affect the COUNTY'S obligation to reimburse the VILLAGE in the amounts herein agreed upon, nor shall this provision affect the VILLAGE'S obligation to repay the COUNTY in the event the PROJECT is not undertaken or completed, as established in Paragraph 3.3.

4.10 The VILLAGE shall make any data collected from the PROJECT available to the COUNTY upon reasonable request by the COUNTY.

4.11 The COUNTY shall not be responsible for or have control over the design, construction, means, methods, techniques or procedures with respect to any work performed for the PROJECT. The VILLAGE and VILLAGE'S contractors shall be solely responsible for the safety of all individuals performing work on the PROJECT. The VILLAGE shall take such measures as are necessary to ensure that its contractors maintain the PROJECT areas in a safe condition and install appropriate barricades and warning signs, and the VILLAGE shall strictly enforce or cause to have strictly enforced all applicable safety rules and regulations. This provision is not intended to create any new burden or liability for the VILLAGE beyond the usual burdens and liabilities for a municipality in the construction of public improvements. This section is intended merely to relieve the COUNTY from such liabilities in this PROJECT. COUNTY'S role in conducting any review or granting any consent or approval relates solely to the PROJECT'S eligibility under the COUNTY'S Water Quality Improvement Program.

4.12 During the PROJECT and after its substantial completion, the VILLAGE shall be solely responsible for the ownership, operation, supervision, staffing, control, and maintenance of the PROJECT.

4.13 The VILLAGE must acknowledge the COUNTY using logo(s) and wording provided by the COUNTY in permanent onsite signage and other promotion of the PROJECT including, but not limited to, printed materials, press releases and presentations.

5.0 COUNTY'S RESPONSIBILITIES.

5.1 The COUNTY shall reserve the right to review the PROJECT'S plans and specifications, prior to the VILLAGE'S advertisement for contract services, together with any subsequent change orders, addendums, or revisions thereto ("CONTRACT DOCUMENTS"), for the purpose of verifying that PROJECT components qualify for reimbursement through the COUNTY'S Water Quality Improvement Program. The COUNTY shall promptly provide the VILLAGE with any recommended changes to the CONTRACT DOCUMENTS for PROJECT components to qualify for reimbursement.

5.2 The COUNTY shall cost share in the PROJECT as follows:

5.2.1 The COUNTY shall reimburse the VILLAGE for approved costs associated with the PROJECT which have been incurred and paid for by the VILLAGE, as specified in Paragraph 3.1.

5.2.2 The total reimbursement amount paid by the COUNTY shall not exceed one hundred thousand dollars ($100,000).

5.2.3 In the event PROJECT costs total less than One Million, Seven Hundred Forty-Three Thousand, Five Hundred Six dollars ($1,743,506), the COUNTY'S total reimbursement amount shall not be more than twenty five percent (25%) of the actual total PROJECT costs. Any amount overpaid by the COUNTY shall be promptly refunded by the VILLAGE.

5.2.4 The COUNTY shall not be obligated to pay invoices received after June 30, 2028, regardless of when the work was completed and notwithstanding that the COUNTY'S contribution limit has not been reached.

5.3 The COUNTY shall be allowed unlimited, but reasonable, access to the PROJECT area to observe and review PROJECT work and work documents (i.e., plans, change orders, field orders, manager diaries, etc.) for the limited purpose of determining eligibility for COUNTY reimbursement, and the use of all data collected as part of the PROJECT. The COUNTY shall provide the VILLAGE reasonable advance notice of when the COUNTY requires such access.

6.0 GOVERNMENT REGULATIONS.

6.1 The VILLAGE shall comply with all local, county, state and federal requirements now in force, or which may hereafter be in force, pertaining to the PROJECT.

7.0 INDEMNIFICATION.

7.1 The VILLAGE shall indemnify, hold harmless and defend the COUNTY and any of its officials, officers, employees, and agents from and against all liability, claims, suits, demands, liens, proceedings and actions, including reasonable costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or connected with, the VILLAGE 'S performance under this AGREEMENT to the fullest extent the VILLAGE is so authorized under the law; provided, however, that the VILLAGE shall not be obligated to indemnify, hold harmless and defend the COUNTY for any negligent or intentional wrongful misconduct or omissions by COUNTY officials, employees, agents, contractors or personnel.

7.2 The VILLAGE shall require each consultant and contractor responsible for the construction of the PROJECT to name the VILLAGE and COUNTY as an additional insured party on said vendor's liability insurance policy. Further, the VILLAGE shall require that its consultants and contractors indemnify, defend and hold harmless the VILLAGE and COUNTY, its officers, employees and elected officials from and against any claims, liability or judgments resulting from, or caused by, the negligence or willful conduct of such consultant and/or contractor.

7.3 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, liens, proceedings and actions brought against them. Pursuant to Illinois law, any attorney representing the COUNTY, under this paragraph or paragraph 7.1 is to be the State's Attorney, in accord with the applicable law. The COUNTY'S participation in its defense shall not remove the VILLAGE'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above. Moreover, indemnity as provided in this AGREEMENT shall not be limited by reason of any insurance coverage maintained by the VILLAGE or its consultants, contractors or agents. The VILLAGE'S indemnification of the COUNTY shall survive the termination, or expiration, of this AGREEMENT.

8.1 The parties may modify or amend terms of this AGREEMENT only by a written document duly approved and executed by both parties, excluding term extensions as provided for in the following provision.

9.1 The term of this AGREEMENT shall begin on the date the AGREEMENT is fully executed, and shall continue in full force and effect until the earlier of the following occurs:

9.1.1 June 30, 2028, or to a new date agreed upon by the parties.

9.1.2 The completion by the VILLAGE and COUNTY of their respective obligations under this AGREEMENT, in the event such completion occurs before June 30, 2028.

10.0 ENTIRE AGREEMENT.

10.1 This AGREEMENT, including matters incorporated herein, contains the entire AGREEMENT between the parties.

10.2 There are no other covenants, warranties, representations, promises, conditions or understandings, either oral or written, other than those contained herein.

10.3 This AGREEMENT may be executed in one or more counterparts, each of which shall for all purposes be deemed to be an original and all of which shall constitute the same instrument.

10.4 In the event of a conflict between the terms or conditions of this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

11.0 SEVERABILITY.

11.1 In the event any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

3.1 Authorization to proceed with tasks described in Exhibit A shall be given on behalf of the COUNTY by the Director of the Stormwater Management Department ("Director"), or his/her designee, in the form of a written notice to proceed following execution of the AGREEMENT by the appropriate County official.

3.2 In addition to the Notice to Proceed, the Director, or his/her designee, may, on behalf of the COUNTY, approve, deny, receive, accept or reject any submission, notices or invoices from or by CONSULTANT, as provided for in this AGREEMENT, including, but not limited to, acts performed in accordance with Paragraphs 3.3, 4.1, 5.2, 6.4, 7.1, 8.2, 8.3., 15.3 and 21.2.

3.3 The CONSULTANT shall not perform additional work related to a submittal made to the COUNTY until the COUNTY has completed its review of the submittal unless otherwise directed by the Director or his designee. The CONSULTANT may continue to work on items unrelated to the submittal under review by the COUNTY.

4.0 TECHNICAL SUBCONSULTANTS AND VENDORS.

4.1 The prior written approval of the COUNTY, through the person designated in Paragraph 3.1 above, shall be required before CONSULTANT hires any sub-consultant(s) to complete COUNTY-ordered technical or professional tasks or work included within the Scope of Work. COUNTY approval of sub-consultant(s) includes approval of any new employee rates (Exhibit C) and/or fee schedule as referenced in this AGREEMENT.

4.2 The CONSULTANT shall supervise any sub-consultant(s) hired by the CONSULTANT, and the CONSULTANT shall be solely responsible for any and all work performed by said sub-consultant(s) in the same manner and with the same liability as if the vendors' work was performed by the CONSULTANT under this AGREEMENT.

4.3 The CONSULTANT shall require any sub-consultant hired for the performance of any work or activity in connection to this AGREEMENT to agree and covenant that the sub-consultant also meets the terms of Sections 8.0 and 13.0 and Paragraphs 7.9 and 24.4 of this AGREEMENT and shall fully comply therewith while engaged by CONSULTANT in COUNTY-ordered tasks or work. The CONSULTANT shall further require every sub-consultant hired for the performance of any work or activity in connection to this AGREEMENT to agree and covenant to indemnify, and hold harmless the COUNTY (and the COUNTY'S

officials, officers, employees, and agents) to the same extent the CONSULTANT is required to do so pursuant to Section 9.0 of this AGREEMENT.

5.0 TIME FOR PERFORMANCE

5.1 The CONSULTANT shall commence work within five (5) working days after the COUNTY issues its Written Notice to Proceed. The COUNTY is not liable and will not pay the CONSULTANT for any work performed before the date of the Notice to Proceed.

5.2 Unless otherwise defined in the Scope of Work, the CONSULTANT shall submit a schedule for completion of the project within ten (10) days of the written Notice to Proceed. The schedule is subject to approval by the COUNTY. All of the services required hereunder shall be completed by November 30, 2027, unless the term of this AGREEMENT is extended.

5.3 If the CONSULTANT is delayed at any time in the progress of the work by any act or neglect of the COUNTY or by any employee of COUNTY or by changes ordered by the COUNTY, or any other causes beyond the CONSULTANT'S control then the sole remedy and allowance made shall be an extension of time for completion. Such extension shall be that which is determined reasonable by the COUNTY upon consultation with CONSULTANT. The CONSULTANT shall accept and bear all other costs, expenses and liabilities that may result from such delay.

6.0 DELIVERABLES.

6.1 The CONSULTANT shall provide the COUNTY on or before the expiration of this AGREEMENT, or within fourteen (14) days following a notice of termination, or when the Director directs, the deliverables specified in Exhibit B of this AGREEMENT, attached hereto, which is hereby incorporated by reference.

7.0 COMPENSATION.

7.1 The COUNTY shall pay the CONSULTANT for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall only pay the CONSULTANT for "on-call" services when such services have been ordered by the COUNTY in writing. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.

7.2 Total payments to the CONSULTANT under the terms of this AGREEMENT shall not, under any circumstances, exceed ninety five thousand dollars and no cents ($95,000.00). This amount is a "not to

exceed" amount. In the event the COUNTY directs CONSULTANT to do work which would cause the stated amount to be exceeded, the CONSULTANT shall not be responsible for such work until this AGREEMENT is modified pursuant to Article 14.0. The CONSULTANT may charge the COUNTY for direct expenses incurred during such work.

7.3 For work performed, the COUNTY will pay on a basis at a 2.8 direct labor multiplier applied to the actual hourly rates of CONSULTANT's staff and/or the fee schedule(s) as incorporated herein. The multiplier includes the CONSULTANT's cost of overhead, profit and incidental costs. A schedule of the hourly rates for CONSULTANT's staff, and approved sub-consultant's technical or professional staff, identified by position or assignment, is attached and incorporated hereto as Exhibit C. The CONSULTANT may request adjustments to the hourly rate ranges and additions or deletions to the position classifications to/from Exhibit C which will be subject to approval by the COUNTY provided the adjustment(s) to not exceed the total compensation as stated herein. The COUNTY retains the authority to limit the maximum rate per classification for any additions to classifications listed on Exhibit C, including Exhibit C for approved sub-consultant(s), when invoices are submitted for the approved work.

7.4 Direct expenses are costs for supplies and materials to be paid for by the COUNTY for completion of all work defined in Exhibit A. For direct expenses, including supplies, materials, photocopying, postage/shipping, and other costs directly related to the specific reports and presentations as required by the COUNTY, the COUNTY shall pay on an actual cost basis without any markup added.

7.4.a For all direct expenses costing more than $25.00, the CONSULTANT shall include with its invoice to the COUNTY, as documentation of such expenses, copies of receipts from the Consultant's vendors indicating the price(s) paid by Consultant for such expensed materials and/or items.

7.4.b CONSULTANT shall not include computer and vehicle charges (including mileage) as direct expenses.

7.5 The CONSULTANT shall submit its invoices, for services rendered and allowable expenses, to the COUNTY on a not more often than monthly basis, and no later than sixty (60) days following completion of the work being invoiced. Each invoice shall summarize, as applicable, the tasks performed, the budgeted hours and money for the pay period per task, the actual hours and money spent during the pay period per task, personnel used per task, and the percentage complete for each task. When requested

by the COUNTY as a condition of Federal or State assistance and, or, reimbursement, the CONSULTANT shall submit certified time sheets as additional documentation for the invoiced work. The CONSULTANT shall provide the COUNTY with a valid taxpayer identification number prior to making any request for compensation.

7.6 Upon receipt, review and approval of properly documented invoices, the COUNTY shall pay, or cause to be paid, to the CONSULTANT the amounts invoiced, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY reserves the right to hold back a sum equal to not more than five percent (5%) of the total contract sum to ensure CONSULTANT's full performance. The COUNTY shall not be required to pay CONSULTANT more often than monthly.

7.7 Following the CONSULTANT's satisfactory completion of all work specified in Exhibit A, and upon receipt, review and acceptance of all deliverables specified in Exhibit B, the COUNTY shall make its final payment to the CONSULTANT, including payment of any retainage held back pursuant to Paragraph 7.6 above.

7.8 The COUNTY reserves the right to charge for additional processing of invoices received more than sixty (60) days following the date of the work invoiced. Payment will not be made on invoices submitted later than six-months (180 days) after the expiration date of this AGREEMENT and any statute of limitations to the contrary is hereby waived.

7.9 Invoices containing charges for work subject to the Illinois Prevailing Wage Act (820 ILCS 130/) are required to be accompanied by the applicable Certified Transcript of Payroll form(s) for acceptance. If the scope of work for this AGREEMENT includes the use of job classifications covered by the prevailing rate of wages, the prevailing rate must be reflected in the cost estimate for this AGREEMENT. The rates have been ascertained and certified by the Illinois Department of Labor for the locality in which work is to be performed. If the Illinois Department of Labor revises the prevailing rates of wages to be paid, as listed in the specification of rates, the CONSULTANT may not pay less than the revised rates of wages. Current wage rate information shall be obtained by visiting the Illinois Department of Labor website at http://www.state.il.us/agency/idol/ or calling (312) 793-2814. It is the responsibility of the CONSULTANT to review the rates applicable to the work in this AGREEMENT, at regular intervals, in order to insure the timely payment of current rates. Provision of this information to the CONSULTANT, by means of the Illinois Department of Labor website,

satisfies the notification of revisions by the COUNTY to the CONSULTANT, pursuant to the Act, and the CONSULTANT agrees that no additional notice is required. The CONSULTANT shall notify each of its vendors of the revised rates of wages.

8.0 CONSULTANT'S INSURANCE

8.1 The CONSULTANT shall maintain, at its sole expense, insurance coverage including:

8.2 It shall be the duty of the CONSULTANT to provide to the COUNTY copies of the CONSULTANT'S Certificates of Insurance, as well as all applicable coverage and cancellation endorsements before issuance of a Notice to Proceed. It is the further duty of the CONSULTANT to immediately notify the COUNTY if any insurance required under this AGREEMENT has been cancelled, materially changed, or renewal has been refused, and the CONSULTANT shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of the CONSULTANT curing any breach of its required insurance coverage, the COUNTY shall notify the CONSULTANT that the CONSULTANT can resume work under this AGREEMENT. The CONSULTANT shall accept and bear all costs that may result from the cancellation of this AGREEMENT due to CONSULTANT'S failure to provide and maintain the required insurance.

8.3 The coverage limits required under subparagraphs 8.1.c and 8.1.d above may be satisfied through a combination of primary and excess coverage. The insurance required to be purchased and maintained by the CONSULTANT shall be provided by an insurance company acceptable to the COUNTY, and except for the insurance required in subparagraph 8.1.e licensed to do business in the State of Illinois; and shall include at least the specific coverage and be written for not less than the limits of the liability specified herein or required by law or regulation whichever is greater; and shall be so endorsed that the coverage afforded will not be canceled or materially changed until at least sixty (60) days prior written notice has been given to the COUNTY except for cancellation due to non-payment of premium for which at least fifteen (15) days prior written notice (five days allowed for mailing time) has been given to the COUNTY. The CONSULTANT shall provide a

copy of said section of the excess/umbrella liability policy upon request by the COUNTY.

8.4 The CONSULTANT shall require that all approved sub-consultants performing work under this AGREEMENT, including anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable under this AGREEMENT, to maintain the same insurance required of the CONSULTANT, and, further, which names the COUNTY as an additional insured on a primary and non-contributory basis in the same coverage types and same coverage amounts as the CONSULTANT is required to maintain per Section 8.0. The CONSULTANT shall keep on file evidence of its vendors' insurance coverage at all times and shall produce same to the COUNTY upon demand.

8.5 CONSULTANT'S insurance required by Paragraphs 8.1.c and d, above, shall name the COUNTY, its officers and employees as additional insured parties. The Certificate of Insurance and endorsements shall state: "The County of DuPage, its officers and employees are named as additional insureds as defined in the [Commercial (Comprehensive) General Liability Insurance policy and/or Commercial (Comprehensive) Automobile Liability Insurance policy, as applicable] with respect to claims arising from CONSULTANT'S performance under this AGREEMENT."

9.0 INDEMNIFICATION

9.1 The CONSULTANT shall indemnify, hold harmless and defend the COUNTY, its officials, officers, employees, and agents from and against all liability, claims, suits, demands, proceedings and actions, including costs, fees and expense of defense, arising from, growing out of, or related to, any loss, damage, injury, death, or loss or damage to property resulting from, or directly connected with, the CONSULTANT'S, or its vendor's, negligent or willful misconduct, errors or omissions in its, or their, performance under this AGREEMENT.

9.2 Nothing contained herein shall be construed as prohibiting the COUNTY, its officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to Illinois law, the attorney representing the COUNTY, under this paragraph or paragraph 9.1, must be the State's Attorney, in accordance with the applicable law. The COUNTY'S participation in its defense shall not remove CONSULTANT'S duty to indemnify, defend, and hold the COUNTY harmless, as set forth above.

9.3 Any indemnity as provided in this AGREEMENT shall not be limited by reason of the enumeration of any insurance coverage herein provided. CONSULTANT'S indemnification of COUNTY shall survive the termination, or expiration, of this AGREEMENT.

9.4 The COUNTY does not waive, by these indemnity requirements, any defenses or protections under the Local Government and Governmental Employees Tort Liability Act (745 ILCS 10/1, et seq.) or otherwise available to it, or the CONSULTANT, under the law.

10.0 SATISFACTORY PERFORMANCE

10.1 The COUNTY is engaging this CONSULTANT because the CONSULTANT professes to the COUNTY that it will employ the standard of care within its profession in the performance of the services herein contracted. Accordingly the CONSULTANT'S, and subconsultant(s), standard of performance under the terms of this AGREEMENT shall be that which is to the satisfaction of the COUNTY and meets the quality and standards commonly provided by similar professional firms practicing in DuPage County, Illinois.

In the event any errors or omissions are detected after the AGREEMENT'S expiration or termination, the CONSULTANT shall have no right to cure under this provision.

10.4 Acceptance of the work shall not relieve the CONSULTANT of the responsibility for the quality of its work, nor its liability for loss or damage resulting from any errors, omissions, or negligent or willful misconduct by the CONSULTANT or its sub-consultant(s).

11.0 BREACH OF CONTRACT

11.1 In the event of any breach of contract, the non-breaching party shall give notice to the breaching party stating with particularity the nature of the alleged breach. The breaching party shall be allowed a reasonable

A Party's failure to timely cure any material breach of this AGREEMENT shall relieve the other Party of the requirement to give thirty (30) day notice for termination of this AGREEMENT in accordance with Paragraph 16.1, below. Whenever a Party hereto has failed to timely cure a breach of this AGREEMENT, the other Party may terminate this AGREEMENT by giving ten (10) days written notice thereof to the breaching party. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1, below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. A breach of any covenant or term of this AGREEMENT by one of the CONSULTANT'S vendors shall be deemed a breach by the CONSULTANT.

12.0 OWNERSHIP OF DOCUMENTS.

12.1 The CONSULTANT agrees that all deliverables prepared for the COUNTY under the terms of this AGREEMENT shall be properly arranged, indexed and delivered to the COUNTY as provided in Paragraph 6.1. The CONSULTANT waives any copyright interest in said deliverables.

12.3 The COUNTY acknowledges that the use of information that becomes the property of the COUNTY pursuant to Paragraph 12.2, for purposes other than those contemplated in this AGREEMENT, shall be at the COUNTY'S sole risk.

12.4 The CONSULTANT may, at its sole expense, reproduce and maintain copies of deliverables provided to COUNTY

13.1 The CONSULTANT, and sub-consultant(s), shall comply with Federal, State and Local statutes, ordinances and regulations and obtain permits, licenses, or other mandated approvals, whenever applicable.

13.2 The CONSULTANT, and sub-consultant(s), shall not discriminate against any worker, job applicant, employee or any member of the public, because of race, creed, color, sex, sexual orientation, age, handicap, or national origin, or otherwise commit an unfair employment practice. CONSULTANT, and sub-consultant(s), shall comply with the provisions of the Illinois Human Rights Act, as amended, 775 ILCS 5/1-101, et seq., and with all rules and regulations established by the Department of Human Rights.

15.2 The CONSULTANT shall not perform any work under this AGREEMENT after the expiration date set forth in Paragraph 15.1(b), above, or after the early termination of this AGREEMENT, or during a provisional extension period. The COUNTY is not liable and will not pay the CONSULTANT for any work performed after the AGREEMENT'S expiration or termination. However, nothing herein shall be construed so as to relieve the COUNTY of its obligation to pay the CONSULTANT for work satisfactorily performed prior to the AGREEMENT'S termination, or expiration, and delivered in accord with Paragraph 6.1, above.

15.3 The term for performing this AGREEMENT may be amended by a Change Order, or other COUNTY designated form, signed by both parties without formal amendment pursuant to Paragraph 14.1, above.

16.0 TERMINATION

16.1 Except as otherwise set forth in this AGREEMENT, either party shall have the right to terminate this AGREEMENT for any cause or without cause thirty (30) days after having served written notice upon the other party, except in the event of CONSULTANT'S failure to maintain suitable insurance at the requisite coverage amounts, insolvency, bankruptcy or receivership, or if the CONSULTANT is barred from contracting with any unit of government, or is subsequently convicted or charged with a violation of any of the statutes or ordinances identified in Section 13.0,

above, in which case termination shall be effective immediately upon receipt of notice from the COUNTY, at the COUNTY'S election.

16.2 Upon such termination, the liabilities of the parties to this AGREEMENT shall cease, excepting surviving insurance and indemnification obligations, but the parties shall not be relieved of the duty to perform their obligations up to the date of termination, or to pay for deliverables tendered prior to termination. 17.4 In event of a conflict between the terms or conditions or this AGREEMENT and any term or condition found in any exhibit or attachment, the terms and conditions of this AGREEMENT shall prevail.

18.0 ASSIGNMENT.

18.1 Either party may assign this AGREEMENT provided, however, the other party shall first approve such assignment, in writing.

19.0 SEVERABILITY.

19.1 In the event, any provision of this AGREEMENT is held to be unenforceable or invalid for any reason, the enforceability thereof shall not affect the remainder of the AGREEMENT. The remainder of this AGREEMENT shall be construed as if not containing the particular provision and shall continue in full force, effect, and enforceability, in accordance with its terms.

19.2 In the event of the contingency described in Paragraph 19.1, above, the parties shall make a good faith effort to amend this AGREEMENT pursuant to Paragraph 14.1, above, in order to remedy and, or, replace any provision declared unenforceable or invalid.

20.0 GOVERNING LAW.

Descriptions of the permanent benchmarks shall be included on the final plan set. All benchmarks shall be tied into the DuPage County system of benchmarks.

2. Final Stormwater Modeling - Develop final hydrologic/hydraulic computer model as necessary for final permitting requirements. Simulations shall be run for both existing and proposed 'final design' conditions. The modeling method to be utilized shall be approved by DuPage County staff prior to commencement of work. If necessary, for the evaluation of the final design, a downstream hydraulic analysis will be required to evaluate potential impacts to downstream properties.

3. Wetland Report & Analysis – Develop wetland report detailing potential wetland impacts and required wetland avoidance arguments per the requirements set forth by the County of DuPage and the Corp of Engineers. If project is located in close vicinity to regulatory wetlands, all required wetland field work will be included in the project scope. Only wetland firms previously approved by the County of DuPage will be allowed to serve as subconsultants on project design.

4. Final Permitting - Prepare and submit the necessary plans and permit applications to the appropriate agencies. These may include but not be limited to the following: The US Army Corps of Engineers, DuPage County Stormwater Management, DuPage County DOT, DuPage County Forest Preserve District, The Illinois Department of Conservation, The Illinois EPA, Illinois Department of Natural Resources, IDOT–Bureau of Roads, IDOT-Bureau of Hydraulics, and the Federal Emergency Management Agency. The Consultant shall be required to obtain all permits necessary for the construction of the final project design, unless explicitly directed otherwise in writing by the County.

5. Final Engineering Plans, Construction Specifications, and Contract Documents -

Final Engineering Plans and Construction Specifications:

Resolve design issues and prepare final construction level engineering drawings and construction specifications for the bidding and construction of the proposed improvements. The engineering plans shall generally consist of plan and profile

view drawings of the proposed improvements to a scale agreed upon with County staff, a project location map, general construction notes, a traffic control plan, an erosion control plan, a legend describing the symbols used, a summary of quantities, detailed drawings of proposed work items and methods, and cross sections at appropriate locations. For each item of the proposed improvements, the Consultant shall be required to prepare detailed construction specifications describing the work to be done to complete the item, material requirements, construction requirements, testing requirements, method of measurement, and basis for payment. Final engineering plans and specifications shall be signed and sealed by a registered Professional Engineer licensed to do business in the State of Illinois.

Prepare necessary bidding and contract documents required for the bidding and construction of the proposed improvements. The bidding and contract documents shall generally consist of the invitation to bid, instructions to bidders, bid form, general conditions of the contract, special provisions, contract construction forms and all other contents of the project contract document manual. The County will provide the General Conditions of the Contract upon which the contract documents shall be based. In addition, the County will provide the invitation to bid, instructions to bidders, bid form, and contract construction forms to the consultant in electronic format. These items will require modification by the Consultant to correspond with the final design submitted by the Consultant. Special provisions shall be provided by the Consultant for items not covered by the specifications or other parts of the contract documents.

6. Project Progress Meetings and Review of Deliverables – The Consultant shall attend to a project kickoff meeting and a 50 percent complete design review meeting with the County staff. The Consultant must address all design review comments submitted by the County. The Consultant must deliver 90 percent complete design drawings and specifications to the County for review and comments prior to finalizing the Contract Documents. All site surveying, stormwater modeling, wetland delineation and permits, easements, site benchmark and utility information must be completed prior to the 90 percent design review by the County.

7. Bidding and Construction Support - Provide assistance during the bidding process including preparing any necessary addendum's, drawings, and/or specifications. The Consultant may be required to be present at a pre-bid meeting (at a time and location to be arranged by the County) to answer technical questions regarding the project. Provide engineering services for any changes or clarifications required in the field as a result of any unforeseen conditions outside of the scope of this contract. DESCRIPTION Identify scope of work, item(s) being purchased, total cost and type of procurement (i.e., lowest bid, RFP, renewal, sole source, etc.).
Contract for On Call Inspection and Design Engineering for Stormwater Facilities Countywide.

JUSTIFICATION Summarize why this procurement is necessary and what objectives will be accomplished
Under the Stormwater Management Department, DuPage County is responsible for operation of stormwater facilities that periodically require maintenance and/or modification to remain fully operational. This contract is to complete any inspection, analysis, design, and permitting as it relates to the department's roles and responsibilities for its countywide stormwater facilities. this contract will also assist the department with review and assessment of the existing Capital Plan to make sure critical maintenance items and equipment replacement can be budged for and completed on time.

PROFESSIONAL SERVICES EXCLUDED PER DUPAGE ORDINANCE (SECTION 2-353) AND 50 ILCS 510/2 (ARCHITECTS, ENGINEERS & LAND SURVEYORS)

SECTION 3: DECISION MEMO

SOURCE SELECTION	Describe method used to select source. This contract was vetted based on the County's Qualified Based Selection (QBS) process, which allows for Professional Services to be vetted through an open and transparent process. Requests for Statements of Qualifications were sent to firms throughout the industry. Stormwater staff utilized an evaluation team to review and rank a total of four (4) firms, taking into consideration the qualifications of the firm, experience of key personnel, and understanding of unique stormwater scope of services. Stormwater staff has determined that Trotter has the most qualified staff based on the information received to perform necessary services.
RECOMMENDATION AND TWO ALTERNATIVES	Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request, including status quo, (i.e., take no action). 1) Staff recommends that a contract is issued to Trotter & Associates for on-call services to assist with the needs of the department. 2) Hire additional in-house staff to assist current staff. Structural and Electrical engineers are needed to assist with the department's evaluation and design of its flood control facilities. 3) Take no action. This is not recommended, as minimal to no progress would be made to support critical flood control facilities throughout DuPage County.

SECTION 4: SOLE SOURCE MEMO/JUSTIFICATION	
JUSTIFICATION	Select an item from the following dropdown menu to justify why this is a sole source procurement.
NECESSITY AND UNIQUE FEATURES	Describe the product or services that are not available from other vendors. Explain necessary and unique features or services. Attach letters from manufacturer, letters from distributor, warranties, licenses, or patents as needed. Be specific.
MARKET TESTING	List and describe the last time the market has been tested on the applicability of the sole source. If it has not been tested over the last 12 months, explain why not.
AVAILABILITY	Describe steps taken to verify that these features are not available elsewhere. Included a detailed list of all products or services by brand/manufacturer examined and include names, phone numbers, and emails of people contacted.

2.2 The COUNTY may, from time to time, request changes in the Scope of Work. Any such changes, including any increase or decrease in CONSULTANT'S compensation or Scope of Work, shall be documented by an amendment to this AGREEMENT in accordance with Section 14.0 of this AGREEMENT, except as allowed in Paragraph 15.3, below.

2.3 The relationship of CONSULTANT to COUNTY is that of independent contractor, and nothing in this AGREEMENT is intended nor shall be construed to create an agency, employment, joint venture relationship, or any other relationship allowing COUNTY to exercise control or direction over the manner or method by which CONSULTANT or its vendors/sub-contractors/sub-consultants provide services hereunder. Neither the CONSULTANT nor the CONSULTANT’s employees shall be entitled to receive any COUNTY benefits. The CONSULTANT shall be solely responsible for the payment of all taxes and withholdings required by law which may become due with regard to any compensation paid by the COUNTY to the CONSULTANT.

2.4 Any work, assignments or services to be performed by professionals under this AGREEMENT shall be performed and, or, supervised by individuals licensed to practice by the State of Illinois in the applicable professional discipline.

3.0 NOTICE TO PROCEED.

3.1 Authorization to proceed with tasks described in Exhibit "A" shall be given on behalf of the COUNTY by the Director of the Stormwater Management Department (hereinafter referred to as the "Director"), or his/her designee, in the form of a written notice to proceed following execution of the AGREEMENT by the appropriate County official.

3.2 In addition to the Notice to Proceed, the Director, or his/her designee, may, on behalf of the COUNTY, approve, deny, receive, accept or reject any submission, notices or invoices from or by CONSULTANT, as provided for in this AGREEMENT, including, but not limited to, acts performed in accordance with Paragraphs 3.3, 4.1, 5.2, 6.4, 7.1, 8.2, 8.3., 15.3 and 21.2.

3.3 The CONSULTANT shall not perform additional work related to a submittal made to the COUNTY until the COUNTY has completed its review of the submittal unless otherwise directed by the Director or his designee. The CONSULTANT may continue to work on items unrelated to the submittal under review by the COUNTY.

4.0 TECHNICAL SUBCONSULTANTS AND VENDORS.

4.1 The prior written approval of the COUNTY, through the person designated in Paragraph 3.1 above, shall be required before CONSULTANT hires any sub-consultant(s) to complete COUNTY-ordered technical or professional tasks or work included within the Scope of Work. COUNTY approval of sub-consultant(s) includes approval of any new employee rates (Exhibit C) and/or fee schedule as referenced in this AGREEMENT.

4.2 The CONSULTANT shall supervise any sub-consultant(s) hired by the CONSULTANT, and the CONSULTANT shall be solely responsible for any and all work performed by said sub-consultant(s) in the same manner and with the same liability as if the vendors' work was performed by the CONSULTANT under this AGREEMENT.

4.3 The CONSULTANT shall require any sub-consultant hired for the performance of any work or activity in connection to this AGREEMENT to agree and covenant that the sub-consultant also meets the terms of Sections 8.0 and 13.0 and Paragraphs 7.9 and 24.4 of this AGREEMENT and shall fully comply therewith while engaged by CONSULTANT in COUNTY-ordered tasks or work. The CONSULTANT shall further require every sub-consultant hired for the performance of any work or

activity in connection to this AGREEMENT to agree and covenant to indemnify, and hold harmless the COUNTY (and the COUNTY'S officials, officers, employees, and agents) to the same extent the CONSULTANT is required to do so pursuant to Section 9.0 of this AGREEMENT.

5.0 TIME FOR PERFORMANCE

5.1 The CONSULTANT shall commence work within five (5) working days after the COUNTY issues its Written Notice to Proceed. The COUNTY is not liable and will not pay the CONSULTANT for any work performed before the date of the Notice to Proceed.

5.2 Unless otherwise defined in the Scope of Work, the CONSULTANT shall submit a schedule for completion of the project within ten (10) days of the written Notice to Proceed. The schedule is subject to approval by the COUNTY. All of the services required hereunder shall be completed by November 30, 2027, unless the term of this AGREEMENT is extended.

5.3 If the CONSULTANT is delayed at any time in the progress of the work by any act or neglect of the COUNTY or by any employee of COUNTY or by changes ordered by the COUNTY, or any other causes beyond the CONSULTANT'S control then the sole remedy and allowance made shall be an extension of time for completion. Such extension shall be that which is determined reasonable by the COUNTY upon consultation with CONSULTANT. The CONSULTANT shall accept and bear all other costs, expenses and liabilities that may result from such delay.

6.0 DELIVERABLES.

6.1 The CONSULTANT shall provide the COUNTY on or before the expiration of this AGREEMENT, or within fourteen (14) days following a notice of termination, or when the Director directs, the deliverables specified in Exhibit "B" of this AGREEMENT, attached hereto, which is hereby incorporated by reference.

7.0 COMPENSATION.

7.1 The COUNTY shall pay the CONSULTANT for services rendered and shall only pay in accordance with the provisions of this AGREEMENT. The COUNTY shall only pay the CONSULTANT for "on-call" services when such services have been ordered by the COUNTY in writing. The COUNTY shall not be obligated to pay for any services not in compliance with this AGREEMENT.

7.2 Total payments to the CONSULTANT under the terms of this AGREEMENT shall not, under any circumstances, exceed ninety thousand dollars and no cents ($90,000.00). This amount is a "not to exceed" amount. In the event the COUNTY directs CONSULTANT to do work which would cause the stated amount to be exceeded, the CONSULTANT shall not be responsible for such work until this AGREEMENT is modified pursuant to Article 14.0. The CONSULTANT may charge the COUNTY for direct expenses incurred during such work.

7.3 For work performed, the COUNTY will pay on a basis at a 2.8 direct labor multiplier applied to the actual hourly rates of CONSULTANT's staff and/or the fee schedule(s) as incorporated herein. The multiplier includes the CONSULTANT's cost of overhead, profit and incidental costs. A schedule of the hourly rates for CONSULTANT's staff, and approved sub-consultant's technical or professional staff, identified by position or assignment, is attached and incorporated hereto as Exhibit "C." The CONSULTANT may request adjustments to the hourly rate ranges and additions or deletions to the position classifications to/from Exhibit C which will be subject to approval by the COUNTY provided the adjustment(s) to not exceed the total compensation as stated herein. The COUNTY retains the authority to limit the maximum rate per classification for any additions to classifications listed on Exhibit C, including Exhibit C for approved sub-consultant(s), when invoices are submitted for the approved work.

7.4 Direct expenses are costs for supplies and materials to be paid for by the COUNTY for completion of all work defined in Exhibit "A". For direct expenses, including supplies, materials, photocopying, postage/shipping, and other costs directly related to the specific reports and presentations as required by the COUNTY, the COUNTY shall pay on an actual cost basis without any markup added.

7.4.a For all direct expenses costing more than $25.00, the CONSULTANT shall include with its invoice to the COUNTY, as documentation of such expenses, copies of receipts from the Consultant's vendors indicating the price(s) paid by Consultant for such expensed materials and/or items.

7.4.b CONSULTANT shall not include computer and vehicle charges (including mileage) as direct expenses.

7.5 The CONSULTANT shall submit its invoices, for services rendered and allowable expenses, to the COUNTY on a not more often than monthly basis, and no later than sixty (60) days following completion of the work being invoiced. Each invoice shall summarize, as applicable, the tasks

performed, the budgeted hours and money for the pay period per task, the actual hours and money spent during the pay period per task, personnel used per task, and the percentage complete for each task. When requested by the COUNTY as a condition of Federal or State assistance and, or, reimbursement, the CONSULTANT shall submit certified time sheets as additional documentation for the invoiced work. The CONSULTANT shall provide the COUNTY with a valid taxpayer identification number prior to making any request for compensation.

7.6 Upon receipt, review and approval of properly documented invoices, the COUNTY shall pay, or cause to be paid, to the CONSULTANT the amounts invoiced, provided that the amount invoiced together with the amounts of previous partial payments do not exceed the total compensation specified in this AGREEMENT. The COUNTY may not deny a properly documented claim for compensation, in whole or in part, without cause. The COUNTY reserves the right to hold back a sum equal to not more than five percent (5%) of the total contract sum to ensure CONSULTANT's full performance. The COUNTY shall not be required to pay CONSULTANT more often than monthly.

7.7 Following the CONSULTANT's satisfactory completion of all work specified in Exhibit "A," and upon receipt, review and acceptance of all deliverables specified in Exhibit "B," the COUNTY shall make its final payment to the CONSULTANT, including payment of any retainage held back pursuant to Paragraph 7.6 above.

7.8 The COUNTY reserves the right to charge for additional processing of invoices received more than sixty (60) days following the date of the work invoiced. Payment will not be made on invoices submitted later than six-months (180 days) after the expiration date of this AGREEMENT and any statute of limitations to the contrary is hereby waived.

7.9 It is the responsibility of the CONSULTANT to review the rates applicable to the work in this AGREEMENT, at regular intervals, in order to insure the timely payment of current rates. Provision of this information to the CONSULTANT, by means of the Illinois Department of Labor website, satisfies the notification of revisions by the COUNTY to the CONSULTANT, pursuant to the Act, and the CONSULTANT agrees that no additional notice is required. The CONSULTANT shall notify each of its vendors of the revised rates of wages.

8.0 CONSULTANT'S INSURANCE

8.1 The CONSULTANT shall maintain, at its sole expense, insurance coverage including:

8.2 It shall be the duty of the CONSULTANT to provide to the COUNTY copies of the CONSULTANT'S Certificates of Insurance, as well as all applicable coverage and cancellation endorsements before issuance of a Notice to Proceed. It is the further duty of the CONSULTANT to immediately notify the COUNTY if any insurance required under this AGREEMENT has been cancelled, materially changed, or renewal has been refused, and the CONSULTANT shall immediately suspend all work in progress and take the necessary steps to purchase, maintain and provide the required insurance coverage. If a suspension of work should occur due to insurance requirements, upon verification by the COUNTY of the CONSULTANT curing any breach of its required insurance coverage, the COUNTY shall notify the CONSULTANT that the CONSULTANT can resume work under this AGREEMENT. The CONSULTANT shall accept and bear all costs that may result from the cancellation of this AGREEMENT due to CONSULTANT'S failure to provide and maintain the required insurance.

In the event any errors or omissions are detected after the AGREEMENT'S expiration or termination, the CONSULTANT shall have no right to cure under this provision.

Whenever a

Party hereto has failed to timely cure a breach of this AGREEMENT, the other Party may terminate this AGREEMENT by giving ten (10) days written notice thereof to the breaching party. Notwithstanding the above term, the CONSULTANT'S failure to maintain insurance in accordance with Section 8.0, above, or in the event of any of the contingencies described in Paragraph 16.1, below, shall be grounds for the COUNTY'S immediate termination of this AGREEMENT. Simulations shall be run for both existing and proposed 'final design' conditions. The modeling method to be utilized shall be approved by DuPage County staff prior to commencement of work. If necessary, for the evaluation of the final design, a downstream hydraulic analysis will be required to evaluate potential impacts to downstream properties.

Based on conceptual design, develop Preliminary Design (60%) plans and specifications that identify scope, extent, and character of the work. This phase shall also include necessary site visits to determine and develop base files depicting existing site conditions, in addition to separate meetings with manufacturers or other outside vendors and the COUNTY to determine equipment selection and discuss permit submittals.

4. Final Permitting - Prepare and submit the necessary plans and permit applications to the appropriate agencies. improvements. The engineering plans shall generally consist of plan and profile view drawings of the proposed improvements to a scale agreed upon with County staff, a project location map, general construction notes, a traffic control plan, an erosion control plan, a legend describing the symbols used, a summary of quantities, detailed drawings of proposed work items and methods, and cross sections at appropriate locations. For each item of the proposed improvements, the Consultant shall be required to prepare detailed construction specifications describing the work to be done to complete the item, material requirements, construction requirements, testing requirements, method of measurement, and basis for payment. Final engineering plans and specifications shall be signed and sealed by a registered Professional Engineer licensed to do business in the State of Illinois.

Offeror's Qualifications

Hoerr Construction, Inc. has been in the underground utility business for over 29 years constructing all types of utilities for commercial and municipal clients. Currently, we have over 80 employees operating in the State of Illinois out of our headquarters facility in Goodfield, IL and our satellite office location in Waukegan, IL. Our field crews are signatory to the laborers, operating engineers, teamsters, & plumbers unions.

Next year will mark our 20th year in the cured in place pipe (CIPP) business as a licensee of the CIPP Corporation. We have installed CIPP liners from 3" to 72" in diameter for a wide variety of customers. We own all the necessary equipment to handle not only liner installation and curing, but also all parts of the job set up and tear down. This allows us the unique ability to react quickly and efficiently to changing job conditions that often arise unexpectedly. Our Key Qualifications document provides additional information on our key personnels' experience in this work.

Our manhole rehabilitation & spray-applied lining crews began operating this year, but they have been installing these products for well over 5 years. We have completed multiple jobs for various municipalities across the State of Illinois, including IDOT. For more detail on our experience for this work, please see the Key Qualifications document.

Perhaps our greatest attribute that differentiates us from our competitors is the scope of work that we self-perform. When it comes to underground utilities, Hoerr Construction, Inc. subcontracts very little of a typical project. Depending on the location of the project, we perform the following scopes of work in-house:

- CIPP (gravity & pressure)
- Cleaning & Televising
- Grouting
- T-Lining & Lateral Lining
- Manhole Rehabilitation
- Spray-Applied Lining
- Open Cut Excavation & Point Repairs
- Sectional Point Repair Liners
- Bypass Pumping

An underground utility project can involve many different scopes of work, and by self-performing a wide range of services we have found that we can reduce miscommunications between entities, reduce scheduling conflicts, and improve the quality of the work. Project owners have a primary point of contact that has been involved with all aspects of their project. And if the circumstances are such that we cannot self-perform a part of the project that we normally could, we have the experience to understand how this should function and can advise & respond appropriately.

Attached you will find our completed projects experience list, W-9, Certificate of Good Standing from the Illinois Secretary of State and our current list of Major Sewer Rehab Equipment.

Project Understanding

This project is understood to be providing a wide range of trenchless rehabilitation & pipeline maintenance services that is utilizing a unit price pricing structure. Our understanding is that this contract will be made available to multiple participating agencies in various locations around the country. Our primary geographic area of interest is the State of Illinois, and we will apply further scrutiny to requests outside of the State of Illinois.

Since every project is going to be different, our proposed schedules will vary accordingly. For a typical project, we would expect that once the work scope & pricing details have been agreed to we would discuss a proposed schedule with the project owner. A project manager and/or superintendent will be assigned to the project, and they will be the primary point of contact for the project owner. If any milestones are required, we will incorporate them as needed into the project schedule and will keep the project owner updated as the project progresses.

We adhere to the industry standard(s) and performance metric(s) that are applicable to the different scopes of work that we perform. With nearly 30 years of experience in the underground utility industry, we have consistently met the industry standards & performance metrics for our work.

If an incident occurs on a project, it is reported to our management. Depending on the nature of the incident, an incident report (see attached) can be submitted and further investigation can be performed by management and/or our third party safety consultant.

During the course of the project, if a problem is identified that would affect the schedule, quality, or pricing for the project it is first reported to the supervisor & management. Once we understand the nature of the problem, we will notify the County (or project owner) and explain the situation. We have a large amount of experience in the underground utility industry, and we can draw on this experience to help craft a solution to the problem that is acceptable to all parties. Typically, this is worked out via emails, online meetings, and/or phone calls but we are available for site visits with the project owner if they desire.

This Exhibit A defines the expectations for qualifying Suppliers based on OMNIA Partners' requirements to market the resulting Master Agreement nationally to Public Agencies. Each section in this Exhibit A refers to the capabilities, requirements, obligations, and prohibitions of competing Suppliers on a national level in order to serve Participating Public Agencies through OMNIA Partners.

These requirements are incorporated into and are considered an integral part of this RFP. OMNIA Partners reserves the right to determine whether to make the Master Agreement awarded by the Principal Procurement Agency available to Participating Public Agencies, in its sole and absolute discretion, and any party submitting a response to this RFP acknowledges that any award by the Principal Procurement Agency does not obligate OMNIA Partners to make the Master Agreement available to Participating Procurement Agencies.

1.2 Marketing, Sales and Administrative Support

During the term of the Master Agreement OMNIA Partners intends to provide marketing, sales, partnership development and administrative support for Supplier pursuant to this section that directly promotes the Supplier's products and services to Participating Public Agencies through multiple channels, each designed to promote specific products and services to Public Agencies on a national basis.

OMNIA Partners will assign the Supplier a Director of Partner Development who will serve as the main point of contact for the Supplier and will be responsible for managing the overall relationship between the Supplier and OMNIA Partners. The Director of Partner Development will work with the Supplier to develop a comprehensive strategy to promote the Master Agreement and will connect the Supplier with appropriate stakeholders within OMNIA Partners including, Sales, Marketing, Contracting, Training, and Operations & Support.

The OMNIA Partners marketing team will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through channels that may include:

A. Marketing collateral (print, electronic, email, presentations)

B. Website

C. Trade shows/conferences/meetings

D. Advertising

E. Social Media

The OMNIA Partners sales teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through initiatives that may include:

A. Individual sales calls

B. Joint sales calls

C. Communications/customer service

D. Training sessions for Public Agency teams

E. Training sessions for Supplier teams

The OMNIA Partners contracting teams will work in conjunction with Supplier to promote the Master Agreement to both existing Participating Public Agencies and prospective Public Agencies through:

A. Serving as the subject matter expert for questions regarding joint powers authority and state statutes and regulations for cooperative purchasing
B. Training sessions for Public Agency teams
C. Training sessions for Supplier teams
D. Regular business reviews to monitor program success
E. General contract administration

Suppliers are required to pay an Administrative Fee of 3% of the greater of the Contract Sales under the Master Agreement and Guaranteed Contract Sales under this Request for Proposal. Supplier will be required to execute the OMNIA Partners Administration Agreement (Exhibit B). At Supplier's option, Suppliers may pay additional fees beyond administrative fees, such as technology fees, to OMNIA Partners and/or a third party for additional support and/or access to OMNIA Partners' technology platform.

1.3 Estimated Volume

The dollar volume purchased under the Master Agreement is estimated to be approximately $50M annually. While no minimum volume is guaranteed to Supplier, the estimated annual volume is projected based on the current annual volumes among the Principal Procurement Agency, other Participating Public Agencies that are anticipated to utilize the resulting Master Agreement to be made available to them through OMNIA Partners, and volume growth into other Public Agencies through a coordinated marketing approach between Supplier and OMNIA Partners.

1.4 Award Basis

The basis of any contract award resulting from this RFP made by Principal Procurement Agency will, at OMNIA Partners' option, be the basis of award on a national level through OMNIA Partners. If multiple Suppliers are awarded by Principal Procurement Agency under the Master Agreement, those same Suppliers will be required to extend the Master Agreement to Participating Public Agencies through OMNIA Partners. Utilization of the Master Agreement by Participating Public Agencies will be at the discretion of the individual Participating Public Agency. Certain terms of the Master Agreement specifically applicable to the Principal Procurement Agency (e.g., governing law) are subject to modification for each Participating Public Agency as Supplier and such Participating Public Agency may agree without being in conflict with the Master Agreement as a condition of the Participating Agency's purchase and not a modification of the Master Agreement applicable to all Participating Agencies. Participating Agencies may request to enter into a separate supplemental agreement to further define the level of service requirements over and above the minimum defined in the Master Agreement (e.g., governing law, invoice requirements, order requirements, specialized delivery,

diversity requirements such as minority and woman owned businesses, historically underutilized business, etc.) ("Supplemental Agreement"). It shall be the responsibility of the Supplier to comply, when applicable, with the prevailing wage legislation in effect in the jurisdiction of the Participating Agency. It shall further be the responsibility of the Supplier to monitor the prevailing wage rates as established by the appropriate department of labor for any increase in rates during the term of the Master Agreement and adjust wage rates accordingly. In instances where supplemental terms and conditions create additional risk and cost for Supplier, Supplier and Participating Public Agency may negotiate additional pricing above and beyond the stated contract not-to-exceed pricing so long as the added price is commensurate with the additional cost incurred by the Supplier. Any supplemental agreement developed as a result of the Master Agreement is exclusively between the Participating Agency and the Supplier (Contract Sales are reported to OMNIA Partners).

All signed Supplemental Agreements and purchase orders issued and accepted by the Supplier may survive expiration or termination of the Master Agreement. Participating Agencies' purchase orders may exceed the term of the Master Agreement if the purchase order is issued prior to the expiration of the Master Agreement. Supplier is responsible for reporting all sales and paying the applicable Administrative Fee for sales that use the Master Agreement as the basis for the purchase order, even though Master Agreement may have expired.

1.5 Objectives of Cooperative Program

This RFP is intended to achieve the following objectives regarding availability through OMNIA Partners' cooperative program:

A. Provide a comprehensive competitively solicited and awarded national agreement offering the Products covered by this solicitation to Participating Public Agencies;

B. Establish the Master Agreement as the Supplier's primary go to market strategy to Public Agencies nationwide;

D. Combine the aggregate purchasing volumes of Participating Public Agencies to achieve cost effective pricing.

2.0 REPRESENTATIONS AND COVENANTS

As a condition to Supplier entering into the Master Agreement, which would be available to all Public Agencies, Supplier must make certain representations, warranties and covenants to both the Principal Procurement Agency and OMNIA Partners designed to ensure the success of the Master Agreement for all Participating Public Agencies as well as the Supplier.

2.1 Corporate Commitment

Supplier commits that (1) the Master Agreement has received all necessary corporate authorizations and support of the Supplier's executive management, (2) the Master Agreement is Supplier's primary "go to market" strategy for Public Agencies, (3) the Master Agreement will be promoted to all Public Agencies, including any existing customers, and Supplier will transition existing customers, upon their request, to the Master Agreement, and (4) that the Supplier has read and agrees to the terms and conditions of the Administration Agreement with OMNIA Partners and will execute such agreement concurrent with and as a condition of its execution of the Master Agreement with the Principal Procurement Agency. Supplier will identify an executive corporate sponsor and a separate national account manager within the RFP response that will be responsible for the overall management of the Master Agreement.

2.2 Pricing Commitment

Supplier commits the not-to-exceed pricing provided under the Master Agreement pricing is its lowest available (net to buyer) to Public Agencies nationwide and further commits that if a Participating Public Agency is eligible for lower pricing through a national, state, regional or local or cooperative contract, the Supplier will match such lower pricing to that Participating Public Agency under the Master Agreement.

2.3 Sales Commitment

Supplier commits to aggressively market the Master Agreement as its go to market strategy in this defined sector and that its sales force will be trained, engaged and committed to offering the Master Agreement to Public Agencies through OMNIA Partners nationwide. Supplier commits that all Master Agreement sales will be accurately and timely reported to OMNIA Partners in accordance with the OMNIA Partners Administration Agreement. Supplier also commits its sales force will be compensated, including sales incentives, for sales to Public Agencies under the Master Agreement in a consistent or better manner compared to sales to Public Agencies if the Supplier were not awarded the Master Agreement.

The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Supplier must be in compliance with all applicable Davis-Bacon Act provisions.

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of $100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. §§ 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is

Contracts and subgrants of amounts in excess of $150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Supplier certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), "Debarment and Suspension." Supplier agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Supplier that are directly pertinent to Supplier's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Supplier's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. Part 200). The Supplier must explain the actual or potential conflict in writing in sufficient detail so that the U.S. Office of General Services, Sourcewell, and Participating Entity are able to assess the actual or potential conflict; and provide any additional information as necessary or requested.

INTERGOVERNMENTAL AGREEMENT
Advanced Traffic Management System (ATMS)

THIS INTERGOVERNMENTAL AGREEMENT ("AGREEMENT") is entered into as of this _____, 2026 by and between the County of DuPage (COUNTY), a County duly constituted under the Constitution of the State of Illinois and State of Illinois, acting by and through its Department of Transportation, hereinafter referred to as the (STATE). The COUNTY and the STATE are hereinafter sometimes individually referred to as a "party" or together as the "parties".

WHEREAS, the COUNTY is a body politic and corporate of the State of Illinois; and

WHEREAS, the STATE and the COUNTY are authorized by the terms and provisions of Article VII, Section 10 of the Illinois Constitution of 1970 and by the Intergovernmental Cooperation Act, 5 ILCS §220/1 *et seq.*, to enter into intergovernmental agreements, ventures, and undertakings to perform jointly any governmental purpose or undertaking either of them could do singularly; and

WHEREAS, the COUNTY has set a course to design, operate, and maintain an Advanced Traffic Management System (ATMS), to be housed in the Traffic Management Center (CENTER) comprised of but not limited to the office space, local work stations, and computer servers primarily attributed to traffic operations in the COUNTY Division of Transportation's offices and has determined that it is in the best interest of the COUNTY to deploy and operate this system in coordination with the STATE; and

WHEREAS the STATE agrees it would be in its best interest to work with the COUNTY in the design, operations, and maintenance of this ATMS; and

WHEREAS, the parties have agreed to enter into this AGREEMENT in order to memorialize their respective responsibilities and obligations within the ATMS; and

NOW, THEREFORE, in consideration of and in reliance upon the mutual covenants, agreements and conditions hereinafter set forth, the parties hereto agree as follows:

Modification

1. It is mutually agreed by and between the parties hereto that EXHIBIT C and EXHIBIT D of this AGREEMENT may be amended by Letter of Concurrence signed by both parties to add, delete, or modify EXHIBIT C or EXHIBIT D content at the end of each quarter with changes effective following quarter. Said additions, deletions or modifications may result in changes to the respective cost-sharing responsibilities of the parties hereto, as these relate to EXHIBIT C. Operational change approval coming from STATE personnel are reflected in EXHIBIT D. The COUNTY Director of Transportation or his designee is authorized by the County Board of DuPage to act on behalf of the COUNTY as said actions relate to changes to EXHIBIT C or EXHIBIT D, and the STATE Regional Engineer and its Engineer of Operations shall act on behalf of the STATE as said actions relate to changes to EXHIBIT C or EXHIBIT D.

Design and Construction of ATMS

2. (a) It is mutually agreed by and between the parties that the COUNTY may propose, from time to time, for the approval of the STATE, the integration of additional STATE traffic control signals into the ATMS. Upon approval by the STATE to permit incorporation of its traffic control signals as part of the ATMS, the STATE agrees to cooperate with the COUNTY by providing, at no cost to the COUNTY, all necessary plans, specifications, and drawings of the existing traffic control signals and equipment and to make every effort to enable the COUNTY to integrate the proposed and approved additions into the ATMS.

   (b) It is mutually agreed by and between the parties that the STATE may propose, from time to time, the integration of additional STATE signal systems into the ATMS. The COUNTY agrees to cooperate with the STATE by providing, at no cost to the STATE, all the necessary plans, specifications, and drawings of existing equipment and to make every effort to enable the STATE to integrate the proposed and approved additions into the ATMS.

   (c) Except when established otherwise under a separate, project-specific agreement, the proposing party of any and all additions and integrations to the ATMS shall be responsible for all costs associated with the design, construction and integration of said proposed traffic signal system additions or integrations or other Intelligent Transportation System (ITS) field devices proposed to be added (including, without limitation, dynamic message signs, highway advisory radio, remote weather information stations, Traffic Monitoring Cameras (cameras), etc.)

(d) The STATE shall retain the right to approve or reject the plans and specifications for the integration of any STATE traffic signal to the ATMS to the extent that such integration adversely affects the STATE's traffic control signals and equipment. The COUNTY will have the opportunity to provide input into the design process of any integration to the ATMS proposed by the STATE in order to support and maintain the operations of the whole signal system(s).

Operations of ATMS

3. The STATE will have the ability and right to monitor and operate the STATE traffic signals at the STATE's District 1/Region 1 office or remote locations from a remote network connection established by the COUNTY.

4. The ATMS will provide various functions to existing interconnected signals currently under the jurisdiction of or maintained by either COUNTY or STATE. The parties agree to operate these interconnected signals in accordance with the following guidelines:

   (a) The COUNTY will provide a means for the STATE to have remote capabilities to gain access to and make use of the ATMS such as from an existing STATE workstation. Through the existing workstation, STATE will have the same functional capabilities as the COUNTY will have from the CENTER. Through implemented security features, STATE will have the sole administrative rights to all STATE traffic signals or devices connected to the COUNTY traffic signal system except as noted in paragraph 4(d). The STATE will also have the ability to view the status of COUNTY signals on the system, but STATE may be restricted from changing the status or

configuration of any signals that are the jurisdiction of or maintained by COUNTY. Conversely, COUNTY will have the right to view the status of all STATE signals, but COUNTY may be restricted from changing the status or configuration of any signals that are the jurisdiction of or maintained by STATE, except as otherwise provided herein. Security restrictions will not be in place initially, but the COUNTY will utilize all reasonable ATMS software features available to implement such restrictions at a time mutually agreed upon by both STATE and COUNTY.

i. The COUNTY and STATE mutually agree that the COUNTY will provide remote access to its network for the sole use of STATE personnel and their agents with functionality and capabilities that are mutually acceptable to STATE and COUNTY.

(b) The initial deployment of the ATMS will enable the IDOT District 1 Bureau of Traffic office, IDOT Communication Center/Travel Midwest, STATE's Electrical Maintenance Contractor (EMC), the STATE's Traffic Signal System Monitoring Consultant, and the STATE's Signal Coordination and Timing Consultants (SCAT) to access the ATMS from multiple independent remote locations in order to monitor and maintain the STATE's traffic signals. Concurrent access of the COUNTY ATMS may be limited by the number of virtual workstations.

(c) To the extent the ATMS is capable, the ATMS will provide the support for coordinated response to unusual traffic conditions or events. This may include using predefined conditions (developed in future coordination between the parties) to store and implement pre-established system responses. The stored ATMS responses may include messages for Dynamic Message Signs (DMS), COUNTY web page, and messages to the Gateway Traveler Information System or other regional traffic operation organizations. In addition, the responses may include suggested changes to selected timing plans implemented at specific signalized intersections.

(d) Any desired signal timing adjustments plans to include those for incidents or special events will be developed jointly by the COUNTY and STATE. The conditions (or rules) in which a special timing plan will be recommended for use will also be jointly developed by both parties. When the jointly agreed conditions occur, the ATMS or personnel from the COUNTY may recommend the implementation of a special timing plan. Special timing plans that affect operations along STATE highways will be implemented by ATMS system owner or STATE personnel only after the approval from the STATE personnel which has been specifically identified in EXHIBIT D attached hereto and made a part hereof. Only approved STATE personnel will have the right and capability to authorize any changes to traffic signals that the STATE has jurisdiction or maintenance of, unless otherwise directed by the STATE. Changes to traffic signals that the STATE has jurisdiction or maintenance of without prior approval from STATE personnel will result in termination of administrative rights.

(e) COUNTY ATMS systems shall have the capability to run Traffic Responsive Programmed (TRP) signal systems. If future integration of STATE signals into the ATMS requires TRP, then the cost of TRP program development, implementation, and related maintenance will be paid for by the agency requesting the integration of STATE signals.

5. The COUNTY ATMS will include cameras. The cameras will be used solely for traffic, incident, and event management purposes. Both COUNTY and STATE will have the right to pan, tilt, and zoom the cameras. No system-based control restrictions will be placed on the STATE cameras with respect to their use by the STATE. Both parties will be able to view images from the cameras simultaneously.

6. The ATMS may support features for both the gathering of traffic signal data and the distribution of this or other data to other agencies or private parties. It is understood by STATE and COUNTY that any data gathered by the ATMS is for COUNTY and STATE uses. Each agency has the right to share data for traffic signals it has jurisdiction, but data for traffic signals under the jurisdiction of the other party will not be shared unless both STATE and COUNTY provide written confirmation on the details of its distribution, subject to all applicable State and Federal laws.

    (a) The COUNTY reserves the right to enter into agreements with local law enforcement agencies for purposes of sharing limited video access to support public safety. All agreements with these agencies will include the same terms for allowing access as are included in this AGREEMENT. For local law enforcement agreements that include one or more STATE signals, the STATE shall review for comment and approval.

    (b) The COUNTY reserves the right to provide still image snapshots from cameras to the public through a COUNTY and regional website, smartphone apps, and social media platforms. Snapshot images may be archived by the COUNTY for a select period of time.

Maintenance of ATMS

7. The ATMS relies upon an Ethernet communications backbone that utilizes fiber optic, cellular, and wireless communication strategies. The COUNTY agrees to configure, update, and maintain the Ethernet communication equipment which may include network switches (layer II and III), encoders, terminal servers, firewalls, media converters, Highway Advisory Radios, communication cabinets, stand-alone cameras, ethernet cables, and associated power supplies through its Electrical Maintenance Contract (EMC) and/or a separate ATMS support consultant contract. The STATE retains the right to review the contract(s) at any time and COUNTY agrees to provide such contracts to STATE upon request. The STATE agrees to provide the COUNTY, COUNTY EMC, and COUNTY ATMS support consultant(s) access to STATE traffic signal cabinets for the intended purpose of maintaining and repairing Ethernet communication equipment.

8. System field maintenance portion of the COUNTY ATMS system shall include but is not limited to network engineer services for Ethernet communication equipment including switch configuration, reconfiguration, IP address assignments or reassignments, routine network monitoring, software updates, security patches, port configuration, port enabling, replacement, updating firewall as needed, licensing and network troubleshooting. System field maintenance costs are the responsibility of the COUNTY unless otherwise modified by agreement.

9. All other field equipment installed or subsequently integrated into the ATMS at a traffic signal location, including ethernet based traffic signal controllers, Malfunction Management Units, Uninterruptible Power Supplies, detection systems, cameras, cellular modems, fiber optic cable, fiber optic jumpers, fiber optic interface panels and interconnect conduit in the field, will continue to be maintained by the party which has jurisdiction of the traffic signal location unless otherwise agreed by the agencies in a separate maintenance agreement. For cellular modems, the modem is to be configured by the ATMS agency to provide proper connection and security.

   The STATE agrees to maintain fiber optic cable and conduit placed in the STATE's Right of Way unless otherwise agreed to in a separate maintenance agreement. The COUNTY agrees to maintain fiber optic cable and conduit in the COUNTY's ROW. Maintenance of COUNTY fiber optic cable when approaching a STATE intersection will cease at the furthest signal related hand hole (having detection or signal cable in it). Maintenance includes responding to requests to locate fiber optic cable and conduit and troubleshooting communication outages. Coordination between the STATE and COUNTY is required when testing fiber optic cable and considering the use of spare fiber optic cables. If no spare fiber optic cables are available, the fiber optic cable owner (as indicated in EXHIBIT C) shall arrange for the replacement of the fiber optic cable as soon as possible.

   STATE and COUNTY have identified specific locations to which both parties agree as a mutual interest in being included as part of This AGREEMENT as specifically identified in EXHIBIT C attached hereto and made a part hereof.

10. The COUNTY shall be responsible for any and all costs associated with the installation of hardware and software at the CENTER and for delivering the remote capabilities to the STATE as outlined in paragraph 4(a)(i); provided, however, that the STATE shall have the right to inspect the CENTER hardware and software at any time.

11. The COUNTY shall provide, at no cost to the STATE, access to the ATMS. Remote users shall be those listed in paragraph 4(b). Additional users may be added subject to ATMS capabilities.

12. If, in the event the ATMS or Ethernet communication equipment fails to operate, the COUNTY must make all reasonable efforts to restore appropriate communication with the STATE traffic signal system in accordance with the COUNTY's signal maintenance contract. The COUNTY shall provide the STATE with updates on the ongoing repair to restore proper communication.

13. It is also understood that if, in the judgment of the STATE, the COUNTY has not provided adequate maintenance for the Ethernet communication equipment, the STATE will give written notice to the COUNTY, and if adequate maintenance has not been provided within thirty (30) days after the notice, the STATE will arrange, at the COUNTY's sole expense to provide the appropriate maintenance efforts to bring said equipment to the required level of service for adequate operation.

14.
