DuPage County Community Services is the lead agency for the DuPage Continuum of Care. Much of our staffing related to the competitive funding process comes from the Continuum consultant. Optimum Management Resources (OMR) which has been providing professional services to the Continuum since it started in 1999. This is a highly specialized field and requires familiarity with complex HUD regulations and processes. The amount of funding received is based on performance. Therefore, the consultant must be familiar with the working of the HUD system and be able to guide the Continuum's planning and development to maximize the DuPage Continuum of Care's Score on its annual application to HUD. OMR is a local entity with the special knowledge and expertise necessary to prepare our continuum agencies to be in the best position possible for the competition and possesses the ability to complete the research, engagement, and tasks of completing the HUD Continuum of Care application components.
