Subject: Denial of Zoning Case 25-000066, Zainab Properties

Comment: I wish to thank the Zoning Board of Appeals for their unanimous denial of Zoning Case 25-000066, which was a request for the granting of a Conditional Use and approval of a planned PUD at Swift Road and Dickens. The entire surrounding neighborhood of residents attended all of the Zoning Board meetings to express their opposition to this project, and we are glad the board considered our concerns when denying this project. The granting of this request would have set a very poor precedent and would open the door to

allow additional developments of this type. Proposing a 4 unit townhome on a substandard lot would destroy the rural character that has been long established in this neighborhood.

It is my hope the County Board agrees with, and votes to deny this project.

Thank you,

John A. Forrest

Subject: Zoning Board of Appeals Unanimous Denial of Conditional Use and PUD Request case #25-000066, Zainab Properties

Comment: I support the Zoning Boards denial of the proposed Conditional Use and PUD. Our entire neighborhood turned out (many long time residents 25-40 years) to voice their concerns about this development that would have allowed a 4 unit townhome to be built on a sub-standard size lot. Our entire neighborhood a half mile in every direction consists of single family homes on large lots. Approval of this request would have changed the entire aesthetics and quality

of life of the area. This building would be a "square peg in a round hole", and would set a dangerous precedent in the future.
I support the denial of this request and I hope the County Board will agree with the Zoning Board to deny the Conditional Use and PUD.
Thank you,
Marcia Forrest (25 year resident)
