Additional Information

Please explain why you wish to serve as an appointee and share any unique qualifications or experience you feel you would bring to this agency. As a lifelong resident of DuPage County and a psychiatrist practicing at Central DuPage Hospital since 2008, I have deep experience living among and providing care to the citizens of DuPage County. Moreover, my perspective as a mental health leader at the Northwestern Medicine healthcare system uniquely qualifies me to share insights into the project development of the Community Resource Center. I have served on the Board of Health since 2016, and I hope that my memory of our progress thus far allows for active and relevant participation in our future successes.
