13. DUPAGE CARE CENTER UPDATE - JANELLE CHADWICK

Janelle Chadwick, Administrator at the DuPage Care Center, announced the Care Center is no longer on covid outbreak status, but masks are still required as a cautionary measure.

The Care Center is on target for the July 2023 renovation demolition, pending the Health Facilities Planning & Review Board's quarterly meeting at the end of June. Ms. Chadwick does not anticipate any issues with their submission of the Certificate of Need. The groundbreaking demolition ceremony will be held in July, the exact date to be determined.

Last week the Care Center celebrated Nurse's Week with several activities throughout the week. There was great synergy in the group of nurses, which was nice to see after all the stresses brought on by the pandemic. Chair Schwarze and Vice Chair Garcia joined the activities.

This week is Nursing Home Week, which The Care Center has been celebrating throughout the month. This week they will celebrate with breakfast on Thursday morning.

14. COMMUNITY SERVICES UPDATE - MARY KEATING

Mary Keating confirmed Chair Schwarze's announcement regarding the small nonprofit application portal being open for 60 days. In addition to the application there will be an email address on the home page for agencies to ask questions via email. This will give the County staff a record of who asked what, and what information they were given. Based on the questions received from the agencies, they may consider a frequently asked question list. Ms. Keating expressed her appreciation to the Finance team that worked on getting the portal up and running.

Ms. Keating acknowledged the hard work of the Adult Protective Services unit (APS). The unit was contacted by the Illinois Department on Aging (IDOA) to cover the Will County APS cases during a transition in providers. From April 10 through May 15, DuPage County APS Case Managers took 28 new cases from Will County in addition to the 67 DuPage County cases. They also handled 57 pending cases from Will County, for a total of 85 additional cases. Natasha Belli, the Administrator of Senior Services, negotiated a great contract to take on the additional cases. ShaTonya Herring, Manager of APS and her staff did an amazing job.

Construction will begin on the Family Center playground soon. Construction should be completed by August or September. This is an ARPA funded project.

Ms. Keating stated she is on the NACo affordability Task Force. Last week she spent 2 ½ days with members from 29 other counties. Great information on models of homeownership throughout the country were shared on subjects including helping families become homeowners, getting homeowners into distressed areas, and not having accessible housing for county employees and other residents in areas with high tourism. There were interesting models

presented, depending on the goals of the local community. The report of the Task Force will be released at the NACo annual conference. On Saturday, July 2nd there will be a two-hour summit to go over recommendations of the task force. Ms. Keating thanked the County Board members for giving her the opportunity to participate in the process.

Member Gustin asked if there was any discussion about big companies that come to communities and build houses for their employees to purchase. Ms. Keating replied that she is aware of Universal doing this in Orlando, and possibly in California, but they may be rentals. Ms. Keating is not aware of anything in DuPage County, but she will look into it.

Member Galassi asked about the nonprofit application portal and if County Board members will have access to the applications as they come in or not until after the portal closes. Ms. Keating responded there have not been any discussions on that topic, but she recommends waiting until the end, that all agencies' requests will be fresh in their minds. Chair Schwarze's opinion was that it is easier to compare agencies if you read all their information at once. The committee had a verbal consensus that they will wait until the 60-day submission deadline has passed to view applications.

11. DUPAGE CARE CENTER UPDATE - JANELLE CHADWICK

Janelle Chadwick, Administrator of the DuPage Care Center, stated they are on covid outbreak status, but they do not have any units on quarantine. The Care Center is still having periodic cases that cause them to go in and out of outbreak status.

Ms. Chadwick gave an update on the renovation, stating they are reviewing products and continually looking at cost efficiencies and reduced-price products, trying to get the most out of the funds they have. She hopes to bring products forward in the future to show the committee. The Care Center receives reimbursement by the Centers for Medicare and Medicaid Services (CMS) and state partners, based on their quality performance. As a 5-star facility, the Care Center is receiving \$150,000 on a quarterly basis for their quality rating. The metrics used to determine their rating are partly derived by looking at their staffing and turnover, information available by requiring the facility to report their payroll to CMS via the Payroll Based Journal (PBJ) system. Ms. Chadwick added this is the accolade for the entire team at the Care Center and their focus on quality. Chair Schwarze asked if the quarterly reimbursement is figured into the Care Center's annual budget to which Ms. Chadwick replied that it is not because the quarterly rating is subject to change and not money they are expecting.

12. COMMUNITY SERVICES UPDATE - MARY KEATING

Mary Keating followed-up on the April 18 Human Services Committee meeting, stating she is working with Finance and the State's Attorney on a resolution and a sample agreement regarding the small non-profit agencies' funding. She stated there will not be any items to approve today, rather a consensus among the committee to determine what should be brought to Finance for approval next week.

Ms. Keating clarified that the small non-profit funding is not funded out of ARPA but funded under ARPA interest. The ARPA guidelines do not apply but the restrictions on what the County can do as a non-home rule community do apply to these funds, and determines the eligibility of what the County can do. A grant from government funds is not a donation to an organization, rather it is a contract, with expectation for performance of a service, and that service can only be something the County would be authorized to do on its own. Assistant State's Attorney, Conor McCarthy and Mary produced eligibility criteria that are services they were confident the County has statutory authority to support. These categories are economic development including literacy and job readiness, education and mentoring, housing & shelter, mental health services, substance abuse disorder treatment, and food assistance. If they open the category 'other', they may very well be inundated with applications for categories the County cannot fund.

Ms. Keating continued, stating this was proposed as a human services grant, in line with the Human Services Grant Fund (HSGF), not a broad non-profit grant encompassing the arts, environment, or animal services. It is ultimately a County Board decision if they want to expand the categories. It would then need to be vetted by the State's Attorney to identify what the County could do under those categories. Different questions would have to be asked on the application. Chair Schwarze asked the committee for input. Members LaPlante, Galassi, Childress, and Yoo expressed their support of Mary's judgement. Chair Schwarze summarized there was a consensus from the committee regarding the direction they would go. Ms. Keating stated she would remove 'other' category on the application portal and leave the categories she and ASA McCarthy defined as the criteria for applications.

Mary advocated for a sixty-day window to give the members the opportunity to get information out to their networks, allow time to do outreach to nonprofits, and allow small agencies, maybe without grant writers, ample time to complete the application. She added the department has several contact lists they can send email blasts to also.

County Board member Yoo asked for clarification of the term 'program'. Does it have to be a program, can it be a purpose of the organization, or does it have to say program? Ms. Keating replied that the application asks for a description including mission, history, and service areas. Since we are contracting for a service, there must be specific description of the service they are providing. Ms. Keating offered to change the verbiage to read "Please describe the service to be provided using county funds".

Mary added that staff will geocode applicant agencies' addresses to determine the County Board district in which they are located. However, because agencies' service areas may overlap between districts, there will likely need to be discussions between districts and ultimately be up to the members of each district to decide how the funding is divided..

Conor McCarthy added that the members can divide the funding how they would like to but he would like the district to submit a unanimous report to the County Board. That way there is a legislative component to it. For legal purposes there is a reason for that rationale.

Member Galassi asked about if an organization is a division of a larger organization, how will the under \$300,000 annual threshold be determined? Mary replied that it will depend on how the organization files their annual IL 990. The most recently filed IL 990 will be the determining amount in case an agency fluctuates under/over the \$300,000 annual threshold.

Mary concluded, stating the goal is to have a resolution and sample agreement for the non-profits brought to Finance next week. Ms. Keating will make any necessary adjustments to the agreement and portal after next weeks' meetings and then more accurately project a date to open the application portal.

Select one of the five strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

Lifescan Labs has had difficulty with invoicing the DuPage Care Center for Covid swabbing/lab services for the employees. Lifescan now has the capability to invoice and submitted multiple invoices on April 24th for this current contract.

Originally, knowing that Lifescan Labs was having issues in billing for employee portion of Covid swabbing/testing, the Care Center chose not to encumber large amount of funds to be tied up until this was resolved. Now that Lifescan has corrected the issue, DPCC is requesting an increase to cover invoices and services provided through the end of this contract through 09/19/23.

Source Selection/Vetting Information - Describe method used to select source.

21-049-CARE

Recommendations/Alternatives - Describe staff recommendation and provide justification. Identify at least 2 other options to accomplish this request.

- 1) Approve request to increase contract in the amount of \$15,000.00 to cover Covid swabbing/lab services for the employees for services provided and through end of contract of 09/19/23.
- 2) Do not approve the increase, however, the Care Center would still need to provide these services for the employees per our current regulated IDPH and Health Department guidelines.

Fiscal Impact/Cost Summary - Include projected cost for each fiscal year, approved budget amount and account number, source of funds, and any future funding requirements along with any narrative.

Strategic Impact

Quality of Life

Select one of the five strategic imperatives in the County's Strategic Plan this action will most impact and provide a brief explanation.

The Nursing Department has analyzed this contract and it was determined that all funds would be exhausted. Historically, the Care Center has budgeted for 1 resident. This is the preferred method prescribed by Physicians. Three (3) additional residents, have been prescribed this method, therefore, there is a need to increase this contract to cover rentals and medical supplies needed for this contract.

Source Selection/Vetting Information - Describe method used to select source.

A Joint Purchasing Program For Local Government Agencies

February 28, 2019

Mr. John Moyer, President
Warehouse Direct Workplace Solutions
2001 S. Mount Prospect Road
Des Plaines, IL 60018

Dear Mr. Moyer,

This letter is to inform you that the Suburban Purchasing Cooperative's Governing Board has approved awarding a combined Janitorial Supplies and Office Supplies Contract (#189) by piggybacking onto the National Cooperative Purchasing Alliance (NCPA) agreement with American Office Products Distributors (AOPD), solicited and awarded by lead agency Region XIV Education Service Center, Abilene, TX according to the State of Illinois statutes, 525/2 from Ch. 85, par. 1602. (Governmental Joint Purchasing Act), which authorizes any governmental unit may purchase personal property, supplies and services jointly with one or more other governmental units. The contract is effective immediately and will expire on May 31, 2020. The contract can then be renewed annually for an additional five years, if mutually agreed on by Region XIV ESC and American Office Products Distributors, Inc. (AOPD).

Warehouse Direct will pay an administrative fee to the SPC of 2% from dollar one spent with NCPA on office supply sales, 3% from dollar one spent with NCPA on janitorial sales, 4% of on products that are "Out of Scope" of the NCPA Program such as furniture and design, promotional items and clothing, printing, document management products and services and high end technology products. Additionally, Warehouse Direct will pay a 4% rebate on SPC members who choose to purchase from Warehouse Direct, but do not participate in the AOPD NCPA Program.

Reports from Independent Stationers will be received on a quarterly basis based on the SPC fiscal year of May 1 through April 30. Payments and reports must be received within 30 days of the end of each fiscal quarter upon reaching the minimum rebate threshold. Fiscal quarters are defined as:

- May 1 through July 31 – payment due by August 30
- August 1 through October 31 – payment due by November 30
- November 1 through January 31 – payment due by February 28
- February 1 through April 30 – payment due by May 31

Warehouse Direct will submit separate Excel spreadsheet reports for Office Supplies and Janitorial Supplies purchases.
