The construction company and architectural company created and sent a letter to the Illinois Department of Public Health (IDPH) last week to request an inspection for occupancy. The IDPH has 45 days from receiving the letter to come and complete their review, which would allow the Care Center to move residents from 3N to begin renovation of their unit. They have been scheduling small tours of 4N for the residents.

4. CHAIR REMARKS - CHAIR SCHWARZE

Chair Schwarze stated that County residents seeking Human Services assistance can now text to the 211 line. This will initiate a conversation with a live, specially trained operator who will connect residents to the right resources. By simply texting their zip code to 898-211, residents can receive referrals to assistance near them. While texting 211 is only available during business hours M-F 8:00 a.m. - 6:00 p.m., residents can still dial 211 or visit 211dupage.gov to find services 24/7. A press release will be distributed later in the day.

Jennifer Komis, Intake & Referral Coordinator over the 211 DuPage phone line, added that 211 staff will ask a few statistical questions, such as age, gender, and zip code to find relevant resources based on the DuPage County resource database. If texts are received outside of business hours, staff will respond to the texters the next business day.

4.A. Presentation of the Best in Class Award to the DPCC

Chair Schwarze introduced Annabel Leonida, Director of Nursing at the DuPage Care Center, along with Sara Friel, a representative from Telligen.

Sara, a Senior Quality Improvement Facilitator with Telligen, stated Telligen is a quality innovation network, quality improvement organization. They work to support the Centers for Medicare and Medicaid Services (CMS) to implement the key elements of the Department of Health & Human Services national quality strategy and federal healthcare reform. Telligen provides over 1500 nursing homes in their network with support for data analysis, quality improvement coaching, implementation of best practices, and useful tools, resources, and education on topics such as 5-star quality rating and quality measures.

In response to the covid pandemic, Telligen created the Blue Ribbon Covid- 19 Vigilance Award to support and recognize nursing homes for all their hard work as it related to creating policies, developing new protocol, and implementing a robust education program for staff, residents, and families. In 2023 Telligen introduced the Best-In-Class recognition program to recognize nursing homes for their ongoing commitment to quality and safety in resident care. Only 76 nursing homes in their four-state network were recognized in 2024, the DuPage Care Center being one of them.

Annabel spoke to the numerous Care Center staff in the room praising them for all their hard work and dedication and noting that this award solidifies them being recognized.

Janelle Chadwick, Administrator of the DuPage Care Center, explained that it is difficult to get nursing staff to fulfill all their shifts. At least three vendors are kept on contract for supplemental staffing. The use of each vendor is dependent on availability to get staff at any given time. 10. RESIDENCY WAIVERS - JANELLE CHADWICK

No residency waivers were offered.

11. DUPAGE CARE CENTER UPDATE - JANELLE CHADWICK

Janelle Chadwick, Administrator of the DuPage Care Center discussed the use of supplemental staffing. The Care Center budget annually runs between \$990,000 to just under \$1M on average for their supplemental agencies. During the covid pandemic, the costs have been as high as \$1.2M but are on trend to be about \$100,000 under budget this year based on the first quarter's actual usage. The rates for supplemental staffing have increased between \$9.00 and \$18.00 per hour due to the covid pandemic, depending on the shift, day of week, holiday, and crisis pay. Now that we have really cut down on the crisis, we are trying to reduce agency usage. Annabel has done a great job managing when we offer overtime or bonuses for our staff.

The hiring has greatly improved based on our new contract rates, however CNA's continue to be a challenge. The CNA tenure program where Health and Human Services pays a portion of the CNA rate allowed us to pay CNAs up to \$6.50 more an hour but many other facilities are now offering the same program, so we are back to competing with them. The use of supplemental agencies will continue.

In response to Chair Schwarze's question, Ms. Chadwick stated they are averaging about five to six contract employees on the day shift, down from nine to ten, and average one at night, down from two to three. The Care Center has restorative aids in each unit which can be used as a CNA when needed.

12. COMMUNITY SERVICES UPDATE - MARY KEATING

Julie Hamlin, Administrator of Community Development, stated 2024 is the Community Development Block Grants (CDBG) 50th Anniversary. The Community Development Commission will celebrate in April, the onset of the current grant year, and throughout the year with a social media campaign, putting forth some project spotlights of CDBG infrastructure, capital improvement, and public service projects they have done over the last couple of years. They will also feature testimonials from communities' nonprofits to have them talk about the benefits their CDBG projects have to the community. HUD will highlight the 50-year anniversary in August.

13. OLD BUSINESS

No old business was discussed.

14. NEW BUSINESS

Chair Schwarze referred to the \$1.5M allocated to the Northern Illinois Food Bank to continue their program providing produce and for the addition of proteins to township agencies. Chair Schwarze wanted to revisit the townships that have previously opted out and get a consensus from the committee on how to proceed with the three townships in question, Bloomingdale, York, and Addison. Bloomingdale Township had opted out for cash early due to delivery logistic issues. Addison and York Townships opted out later in the program, not liking the quality of the produce.

Chair Schwarze's question to the committee was threefold. Do we want to ask the County Board for more opt out dollars for these agencies, ask agencies if they want to get back in the program, or do nothing?

The committee discussed the options, with members noting they did not want to incentivize other agencies from opting out when the vast majority of the produce was fresh.

The amount of funding the agencies would receive would depend on the tonnage of food townships received, Addison - \$13,500, Bloomingdale - \$15,500, and York - just under \$9,000. Member DeSart asked about expanding the program to other agencies, specifically Conservation Foundation.

After the consent of the committee, Chair Schwarze stated that he would have Human Services reach out to the three agencies that opted out and discuss their wishes moving forward.

Dear Director Keating:

Serenity House Counseling Services would like consideration for an extension to our Women's Extended Residential Care multi-purpose addition. (CD22-07). We are seeking a 3 month (90 day) extension (Originally to expire March 15, 2024). The construction, itself will be completed with full inspection on March 14, 2024, satisfying the building structure timeline and program implementation timeline.

In our revised project implementation schedule, is in large due to incomplete, wrong paperwork submitted or missing paperwork from the General Contractor – RC Soto ie; Waivers, Contractors Sworn Statement not correct and is causing delays in Request for payments. A meeting with the General Contractor is scheduled for February 20, 2024 to finalize missing and corrective action on paperwork. A 75% of work has been completed to date for this project. We believe that an extension of 90 days (June 15, 2024) will provide a more accurate timeline for full completion of project.

Director Keating and review committee, We are asking for an extension for 3 months (90 days) – June 15 , 2024 for the completion of Project CD22-07. Thank you for your consideration.

Sincerely
