Personnel activity reports must account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the Award, other grants or projects, vacation or sick leave, and administrative time, if applicable. The reports must be signed by the employee, approved by the appropriate official, and coincide with a pay period. These time records must be used to record the distribution of salary costs to the appropriate accounts no less frequently than quarterly.

(iii) Formal agreements with independent contractors, such as consultants, must include a description of the services to be performed, the period of performance, the fee and method of payment, an itemization of travel and other costs which are chargeable to the agreement, and the signatures of both the contractor and an appropriate official of Grantee.

(iv) If third party in-kind (non-cash) contributions are used for Award purposes, the valuation of these contributions must be supported with adequate documentation.

(c) **Internal Control.** Grantee must maintain effective control and accountability for all cash, real and personal property, and other assets. Grantee must adequately safeguard all such property and must provide assurance that it is used solely for authorized purposes. Grantee must also have systems in place that provide reasonable assurance that the information is accurate, allowable, and compliant with the terms and conditions of this Agreement. 2 CFR 200.303.

(d) **Budget Control.** Grantee must maintain records of expenditures for each Award by the cost categories of the approved Budget (including Indirect Costs that are charged to the Award), and actual expenditures are to be compared with budgeted amounts at least quarterly.

(e) **Cash Management.** Requests for advance payment must be limited to Grantee's immediate cash needs. Grantee must have written procedures to minimize the time elapsing between the receipt and the disbursement of Grant Funds to avoid having excess funds on hand. 2 CFR 200.305.

7.1. Improper Influence. Grantee certifies that it will not use and has not used Grant Funds to influence or attempt to influence an officer or employee of any government agency or a member or employee of the State or federal legislature in connection with the awarding of any agreement, the making of any grant, the making of any loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment or modification of any agreement, grant, loan or cooperative agreement. Additionally, Grantee certifies that it has filed the required certification under the Byrd Anti-Lobbying Amendment (31 USC 1352), if applicable.

7.2. Federal Form LLL. If any federal funds, other than federally-appropriated funds, were paid or will be paid to any person for influencing or attempting to influence any of the above persons in connection with this Agreement, the undersigned must also complete and submit Federal Form LLL, Disclosure of Lobbying Activities Form, in accordance with its instructions.

7.3. Lobbying Costs. Grantee certifies that it is in compliance with the restrictions on lobbying set forth in 2 CFR 200.450. For any Indirect Costs associated with this Agreement, total lobbying costs must be separately identified in the Program Budget, and thereafter treated as other Unallowable Costs.

7.4. Procurement Lobbying. Grantee warrants and certifies that it and, to the best of its knowledge, its subrecipients have complied and will comply with Illinois Executive Order No. 1 (2007) (EO 1-2007). EO 1-2007 generally prohibits grantees and subcontractors from hiring the then-serving Governor's family members to lobby procurement activities of the State, or any other unit of government in Illinois including local governments, if that procurement may result in a contract valued at over \$25,000. This prohibition also applies to hiring for that same purpose any former State employee who had procurement authority at any time during the one-year period preceding the procurement lobbying activity.

7.5. Subawards. Grantee must include the language of this ARTICLE in the award documents for any subawards made pursuant to this Award at all tiers. All subrecipients are also subject to certification and disclosure. Pursuant to Appendix II(I) to 2 CFR Part 200, Grantee must forward all disclosures by contractors regarding this certification to Grantor.

7.6. Certification. This certification is a material representation of fact upon which reliance was placed to enter into this transaction and is a prerequisite for this transaction, pursuant to 31 USC 1352. Any person who fails to file the required certifications will be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.

ARTICLE VIII MAINTENANCE AND ACCESSIBILITY OF RECORDS; MONITORING

8.1. **Records Retention.** Grantee must maintain for three (3) years from the date of submission of the final expenditure report, adequate books, all financial records and, supporting documents, statistical records, and all other records pertinent to this Award, adequate to comply with 2 CFR 200.334, unless a different retention period is specified in 2 CFR 200.334, 44 Ill. Admin. Code 7000.430(a) and (b) or **PART TWO** or **PART THREE**. If any litigation, claim or audit is started before the expiration of the retention period, the records must be retained until all litigation, claims or audit exceptions involving the records have been resolved and final action taken.

8.2. **Accessibility of Records.** Grantee, in compliance with 2 CFR 200.337 and 44 Ill. Admin. Code 7000.430(f), must make books, records, related papers, supporting documentation and personnel relevant to this Agreement available to authorized Grantor representatives, the Illinois Auditor General, Illinois Attorney General, any Executive Inspector General, Grantor's Inspector General, federal authorities, any person identified in 2 CFR 200.337, and any other person as may be authorized by Grantor (including auditors), by the State of Illinois or by federal statute. Grantee must cooperate fully in any such audit or inquiry.

8.3. **Failure to Maintain Books and Records.** Failure to maintain books, records and supporting documentation, as described in this ARTICLE, establishes a presumption in favor of the State for the recovery of any Grant Funds paid by the State under this Agreement for which adequate books, records and supporting documentation are not available to support disbursement.

8.4. **Monitoring and Access to Information.** Grantee must monitor its activities to assure compliance with applicable state and federal requirements and to assure its performance expectations are being achieved. Grantor will monitor the activities of Grantee to assure compliance with all requirements and performance expectations of the Award. Grantee must timely submit all financial and performance reports, and must supply, upon Grantor's request, documents and information relevant to the Award. Grantee must submit quarterly reports with Grantor describing the expenditure(s) of the funds related thereto, unless more frequent reporting is required by the Grantee due to the funding source or pursuant to specific award conditions. 2 CFR 200.208. Any report required by 30 ILCS 708/125 may be detailed in **PART TWO** or **PART THREE**.

9.2. **Financial Close-out Report.**

(a) Grantee must submit a financial Close-out Report, in the format required by Grantor, by the due date specified in **PART TWO** or **PART THREE**, which must be no later than sixty (60) calendar days following the end of the Period of Performance for this Agreement or Agreement termination. The format of this financial Close-out Report must follow a format prescribed by Grantor. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

(b) If an audit or review of Grantee occurs and results in adjustments after Grantee submits a Close-out Report, Grantee must submit a new financial Close-out Report based on audit adjustments, and immediately submit a refund to Grantor, if applicable. 2 CFR 200.345; 44 Ill. Admin. Code 7000.450.

9.3. Effect of Failure to Comply. Failure to comply with the reporting requirements in this Agreement may cause a delay or suspension of funding or require the return of improper payments or Unallowable Costs, and will be considered a material breach of this Agreement. Grantee's failure to comply with ARTICLE X, ARTICLE XI, or ARTICLE XVII will be considered prima facie evidence of a breach and may be admitted as such, without further proof, into evidence in an administrative proceeding before Grantor, or in any other legal proceeding. Grantee should refer to the State Grantee Compliance Enforcement System for policy and consequences for failure to comply. 44 Ill. Admin. Code 7000.80.

ARTICLE X PERFORMANCE REPORTING REQUIREMENTS

10.1. Required Periodic Performance Reports. Grantee must submit performance reports as requested and in the format required by Grantor no later than the due date(s) specified in **PART TWO** or **PART THREE**. 44 Ill. Admin. Code 7000.410. Grantee must report to Grantor on the performance measures listed in **Exhibit D, PART TWO** or **PART THREE** at the intervals specified by Grantor, which must be no less frequent than annually and no more frequent than quarterly, unless otherwise specified in **PART TWO, PART THREE, or Exhibit E** pursuant to specific award conditions. Grantee must submit a performance Close-out Report, in the format required by Grantor by the due date specified in **PART TWO** or **PART THREE**, which must be no later than 60 calendar days following the end of the Period of Performance or Agreement termination. 2 CFR 200.344; 44 Ill. Admin. Code 7000.440(b).

10.3. Content of Performance Reports. Pursuant to 2 CFR 200.329(b) and (c), all performance reports must relate the financial data and accomplishments to the performance goals and objectives of this Award and also include the following: a comparison of actual accomplishments to the objectives of the Award established for the period; where the accomplishments can be quantified, a computation of the cost and demonstration of cost effective practices (e.g., through unit cost data); performance trend data and analysis if required; and reasons why established goals were not met, if appropriate. Additional content and format guidelines for the performance reports will be determined by Grantor contingent on the Award's statutory, regulatory and administrative requirements, and are included in **PART TWO** or **PART THREE** of this Agreement.

Grantee is subject to the audit requirements contained in the Single Audit Act Amendments of 1996 (31 USC 7501-7507), Subpart F of 2 CFR Part 200, and the audit rules and policies set forth by the Governor's Office of Management and Budget. 30 ILCS 708/65(c); 44 Ill. Admin. Code 7000.90.

11.2. Consolidated Year-End Financial Reports (CYEFR). All grantees must complete and submit a CYEFR through the Grantee Portal, except those exempted by federal or State statute or regulation, as set forth in **PART TWO** or **PART THREE**. The CYEFR is a required schedule in Grantee's audit report if Grantee is required to complete and submit an audit report as set forth herein.

(a) Grantee's CYEFR must cover the same period as the audited financial statements, if required, and must be submitted in accordance with the audit schedule at 44 Ill. Admin. Code 7000.90. If

Grantee is not required to complete audited financial statements, the CYEFR must cover Grantee's fiscal year and must be submitted within 6 months of the Grantee's fiscal year-end.

(b) The CYEFR must include an in relation to opinion from the auditor of the financial statements included in the audit.

(c) Financial Statement Audit. If, during its fiscal year, Grantee expends less than \$750,000 in federal Awards, Grantee is subject to the following audit requirements:

(i) If, during its fiscal year, Grantee expends \$500,000 or more in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Government Auditing Standards (GAGAS). Grantee may be subject to additional requirements in **PART TWO, PART THREE** or **Exhibit E** based on Grantee's risk profile.

(ii) If, during its fiscal year, Grantee expends less than \$500,000 in State-issued Awards, but expends \$300,000 or more in State-issued Awards, Grantee must have a financial statement audit conducted in accordance with the Generally Accepted Auditing Standards (GAAS).

(v) Grantee must submit its financial statement audit report packet, as set forth in 44 Ill. Admin. Code 7000.90(h)(2) and the current GATA audit manual, to the Grantee Portal within the earlier of (i) thirty (30) calendar days after receipt of the auditor's report(s) or (ii) six (6) months after the end of Grantee's audit period.

(d) Publicly-Traded Entities. If Grantee is a publicly-traded company, Grantee is not subject to the single audit or program-specific audit requirements, but must submit its annual audit conducted in accordance with its regulatory requirements.

11.5. Performance of Audits. For those organizations required to submit an independent audit report, the audit must be conducted by the Illinois Auditor General (as required for certain governmental entities only), or a Certified Public Accountant or Certified Public Accounting Firm licensed in the State of Illinois or in accordance with Section 5.2 of the Illinois Public Accounting Act (225 ILCS 450/5.2). For all audits required to be performed subject to GAGAS or Generally Accepted Auditing Standards, Grantee must request and maintain on file a copy of the auditor's most recent peer review report and acceptance letter. Grantee must follow procedures prescribed by Grantor for the preparation and submission of audit reports and any related documents.

11.6. Delinquent Reports. When audit reports or financial statements required under this ARTICLE are prepared by the Illinois Auditor General, if they are not available by the above-specified due date, they must be provided to Grantor within thirty (30) days of becoming available. Grantee should refer to the State Grantee Compliance Enforcement System for the policy and consequences for late reporting. 44 Ill. Admin. Code 7000.80.

ARTICLE XII TERMINATION; SUSPENSION; NON-COMPLIANCE

12.1. Termination.

(a) Either Party may terminate this Agreement, in whole or in part, upon thirty (30) calendar days' prior written notice to the other Party.

(b) If terminated by the Grantee, Grantee must include the reasons for such termination, the effective date, and, in the case of a partial termination, the portion to be terminated. If Grantor determines in the case of a partial termination that the reduced or modified portion of the Award will not accomplish the purposes for which the Award was made, Grantor may terminate the Agreement in its entirety. 2 CFR 200.340(a)(4).

(c) This Agreement may be terminated, in whole or in part, by Grantor:

(i) Pursuant to a funding failure under Paragraph 4.1;

(ii) If Grantee fails to comply with the terms and conditions of this or any Award, application or proposal, including any applicable rules or regulations, or has made a false representation in connection with the receipt of this or any Award; or

(iii) If the Award no longer effectuates the Program goals or agency priorities as set forth in **Exhibit A, PART TWO** or **PART THREE**.

12.2. **Suspension**. Grantor may suspend this Agreement, in whole or in part, pursuant to a funding failure under Paragraph 4.1 or if the Grantee fails to comply with terms and conditions of this or any Award. If suspension is due to Grantee's failure to comply, Grantor may withhold further payment and prohibit Grantee from incurring additional Obligations pending corrective action by Grantee or a decision to terminate this Agreement by Grantor. Grantor may allow necessary and proper costs that Grantee could not reasonably avoid during the period of suspension.

12.3. **Non-compliance**. If Grantee fails to comply with the U.S. Constitution, applicable statutes, regulations or the terms and conditions of this or any Award, Grantor may impose additional conditions on Grantee, as described in 2 CFR 200.208. If Grantor determines that non-compliance cannot be remedied by imposing additional conditions, Grantor may take one or more of the actions described in 2 CFR 200.339. The Parties must follow all Grantor policies and procedures regarding non-compliance, including, but not limited to, the procedures set forth in the State Grantee Compliance Enforcement System. 44 Ill. Admin. Code 7000.80 and 7000.260.

12.4. **Objection**. (a) Grantor may credit Grantee for allowable expenditures incurred in the performance of authorized services under this Agreement prior to the effective date of a suspension or termination.

(b) Except as set forth in subparagraph (c), below, Grantee must not incur any costs or Obligations that require the use of Grant Funds after the effective date of a suspension or termination, and must cancel as many outstanding Obligations as possible.

(c) Costs to Grantee resulting from Obligations incurred by Grantee during a suspension or after termination of the Agreement are not allowable unless Grantor expressly authorizes them in the notice of suspension or termination or subsequently. However, Grantor may allow costs during a suspension or after termination if:

(i) The costs result from Obligations properly incurred before the effective date of suspension or termination, are not in anticipation of the suspension or termination, and the costs would be allowable if the Agreement was not suspended or terminated prematurely. 2 CFR 200.343.

12.6. **Close-out of Terminated Agreements**. If this Agreement is terminated, in whole or in part, the Parties must comply with all close-out and post-termination requirements of this Agreement. 2 CFR 200.340(d).

**ARTICLE XIII
SUBCONTRACTS/SUBAWARDS**

13.1. Subcontracting/Subrecipients/Delegation. Grantee must not subcontract nor issue a subaward for any portion of this Agreement nor delegate any duties hereunder without Prior Approval of Grantor. The requirement for Prior Approval is satisfied if the subcontractor or subrecipient has been identified in the uniform grant application, such as, without limitation, a Project description, and Grantor has approved. Grantee must notify any potential subrecipient that the subrecipient must obtain and provide to the Grantee a Unique Entity Identifier prior to receiving a subaward. 2 CFR 25.300.

13.2. Application of Terms. If Grantee enters into a subaward agreement with a subrecipient, Grantee must notify the subrecipient of the applicable laws and regulations and terms and conditions of this Award by attaching this Agreement to the subaward agreement. The terms of this Agreement apply to all subawards authorized in accordance with Paragraph 14.1. 2 CFR 200.101(b)(2).

13.3. Liability as Guaranty. Grantee will be liable as guarantor for any Grant Funds it obligates to a subrecipient or subcontractor pursuant to this ARTICLE in the event Grantor determines the funds were either misspent or are being improperly held and the subrecipient or subcontractor is insolvent or otherwise fails to return the funds. 2 CFR 200.345; 30 ILCS 705/6; 44 Ill. Admin. Code 7000.450(a).

**ARTICLE XIV
NOTICE OF CHANGE**

14.1. Notice of Change. Grantee must notify Grantor if there is a change in Grantee's legal status, FEIN, UEI, SAM registration status, Related Parties, senior management (for non-governmental grantees only) or address. If the change is anticipated, Grantee must give thirty (30) days' prior written notice to Grantor. If the change is unanticipated, Grantee must give notice as soon as practicable thereafter. Grantor reserves the right to take any and all appropriate action as a result of such change(s).

14.2. Failure to Provide Notification. To the extent permitted by Illinois law (see Paragraph 21.2), Grantee must hold harmless Grantor for any acts or omissions of Grantor resulting from Grantee's failure to notify Grantor as required by Paragraph 15.1.

14.3. Notice of Impact. Grantee must notify Grantor in writing of any event, including, by not limited to, becoming a party to litigation, an investigation, or transaction that may have a material impact on Grantee's ability to perform under this Agreement. Grantee must provide notice to Grantor as soon as possible, but no later than five (5) days after Grantee becomes aware that the event may have a material impact.

14.4. Effect of Failure to Provide Notice. Failure to provide the notice described in this ARTICLE is grounds for termination of this Agreement and any costs incurred after the date notice should have been given may be disallowed.

**ARTICLE XV
STRUCTURAL REORGANIZATION AND RECONSTITUTION OF BOARD MEMBERSHIP**

15.1. Effect of Reorganization. This Agreement is made by and between Grantor and Grantee, as Grantee is currently organized and constituted. Grantor does not agree to continue this Agreement, or any license related

thereto, should Grantee significantly reorganize or otherwise substantially change the character of its corporate structure, business structure or governance structure. Grantee must give Grantor prior notice of any such action or changes significantly affecting its overall structure or, for non-governmental grantees only, management makeup (for example, a merger or a corporate restructuring), and must provide all reasonable documentation necessary for Grantor to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Grantor reserves the right to terminate the Agreement based on whether the newly organized entity is able to carry out the requirements of the Award. This ARTICLE does not require Grantee to report on minor changes in the makeup of its board membership or governance structure, as applicable. Nevertheless, **PART TWO** or **PART THREE** may impose further restrictions. Failure to comply with this ARTICLE constitutes a material breach of this Agreement.

ARTICLE XVI CONFLICT OF INTEREST

16.1. Required Disclosures. Grantee must immediately disclose in writing any potential or actual Conflict of Interest to Grantor. 2 CFR 200.113; 30 ILCS 708/35.

16.2. Prohibited Payments. Payments made by Grantor under this Agreement must not be used by Grantee to compensate, directly or indirectly, any person currently holding an elective office in this State including, but not limited to, a seat in the General Assembly. In addition, where Grantee is not an instrumentality of the State of Illinois, as described in this Paragraph, Grantee must request permission from Grantor to compensate, directly or indirectly, any person employed by an office or agency of the State of Illinois. An instrumentality of the State of Illinois includes, without limitation, State departments, agencies, boards, and State universities. An instrumentality of the State of Illinois does not include, without limitation, units of Local Government and related entities.

16.3. Request for Exemption. Grantee may request written approval from Grantor for an exemption from Paragraph 17.2. Grantee acknowledges that Grantor is under no obligation to provide such exemption and that Grantor may grant an such exemption subject to additional terms and conditions as Grantor may require.

ARTICLE XVII EQUIPMENT OR PROPERTY

17.1. Purchase of Equipment. For any equipment purchased in whole or in part with Grant Funds, if Grantor determines that Grantee has not met the conditions of 2 CFR 200.439, the costs for such equipment will be disallowed. Grantor must notify Grantee in writing that the purchase of equipment is disallowed.

17.2. Prohibition against Disposition/Encumbrance. Any equipment, material, or real property that Grantee purchases or improves with Grant Funds must not be sold, transferred, encumbered (other than original financing) or otherwise disposed of during the Award Term without Prior Approval of Grantor unless a longer period is required in **PART TWO** or **PART THREE** and permitted by 2 CFR Part 200 Subpart D. Use or disposition of real property acquired or improved using Grant Funds must comply with the requirements of 2 CFR 200.311. Real property, equipment, and intangible property that are acquired or improved in whole or in part using Grant Funds are subject to the provisions of 2 CFR 200.316. Grantor may require the Grantee to record liens or other appropriate notices of record to indicate that personal or real property has been acquired or improved with this Award and that use and disposition conditions apply to the property.

17.3. Equipment and Procurement. Grantee must comply with the uniform standards set forth in 2 CFR 200.310–200.316 governing the management and disposition of property, the cost of which was supported by Grant Funds. Any waiver from such compliance must be granted by either the President’s Office of Management and Budget, the Governor’s Office of Management and Budget, or both, depending on the source of the Grant Funds used. Additionally, Grantee must comply with the standards set forth in 2 CFR 200.317-200.326 to establish procedures to use Grant Funds for the procurement of supplies and other expendable property, equipment, real property and other services.

17.4. Equipment Instructions. Grantee must obtain disposition instructions from Grantor when equipment, purchased in whole or in part with Grant Funds, is no longer needed for their original purpose. Notwithstanding anything to the contrary contained in this Agreement, Grantor may require transfer of any equipment to Grantor or a third party for any reason, including, without limitation, if Grantor terminates the Award or Grantee no longer conducts Award activities. Grantee must properly maintain, track, use, store and insure the equipment according to applicable best practices, manufacturer’s guidelines, federal and state laws or rules, and Grantor requirements stated herein.

17.5. Domestic Preferences for Procurements. In accordance with 2 CFR 200.322, as appropriate and to the extent consistent with law, Grantee must, to the greatest extent practicable under this Award, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this Paragraph must be included in all subawards and in all contracts and purchase orders for work or products under this Award.

ARTICLE XVIII PROMOTIONAL MATERIALS; PRIOR NOTIFICATION

18.1. Promotional and Written Materials. Use of Grant Funds for promotions is subject to the prohibitions for advertising or public relations costs in 2 CFR 200.421(e). In the event that Grant Funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Grantee must obtain Prior Approval for the use of those funds (2 CFR 200.467) and must include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase “Funding provided in whole or in part by the [Grantor].” 2 CFR 200.467. Exceptions to this requirement must be requested, in writing, from Grantor and will be considered authorized only upon written notice thereof to Grantee.

18.2. Prior Notification/Release of Information. Grantee must notify Grantor ten (10) days prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and must cooperate with Grantor in joint or coordinated releases of information.

ARTICLE XIX INSURANCE

19.1. Maintenance of Insurance. Grantee must maintain in full force and effect during the Term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real or personal property, or both, purchased or, otherwise acquired, or improved in whole or in part, with funds disbursed pursuant to this Agreement. 2 CFR 200.310. Additional insurance requirements may be detailed in **PART TWO** or **PART THREE**.

19.2. Claims. If a claim is submitted for real or personal property, or both, purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered must be surrendered to Grantor.

ARTICLE XX LAWSUITS AND INDEMNIFICATION

20.1. Independent Contractor. Neither Grantee nor any employee or agent of Grantee acquires any employment rights with Grantor by virtue of this Agreement. Grantee must provide the agreed services and achieve the specified results free from the direction or control of Grantor as to the means and methods of performance. PROJECT DESCRIPTION

Program Summary

The DuPage County State’s Attorney’s Office Narcotics and Gang Unit (NAG) is a specialized unit which focuses on prosecuting the delivery, manufacturing and trafficking of controlled substances and cannabis. The NAG Unit consists of 7 attorney positions (2 of which assigned to gang prosecutions), an investigator, and an administrative assistant. The Unit works closely with law enforcement providing them with extensive legal advice, investigative support, and monthly training. The Unit works closely with the DuPage Metropolitan Enforcement Group (DuMEG), a multi-jurisdictional law enforcement agency, to conduct proactive drug investigations. Additionally, the Unit is available to all law enforcement entities in the investigation of delivery, manufacturing and trafficking of controlled substances and cannabis on a 24 hour a day basis.

Problem Statement

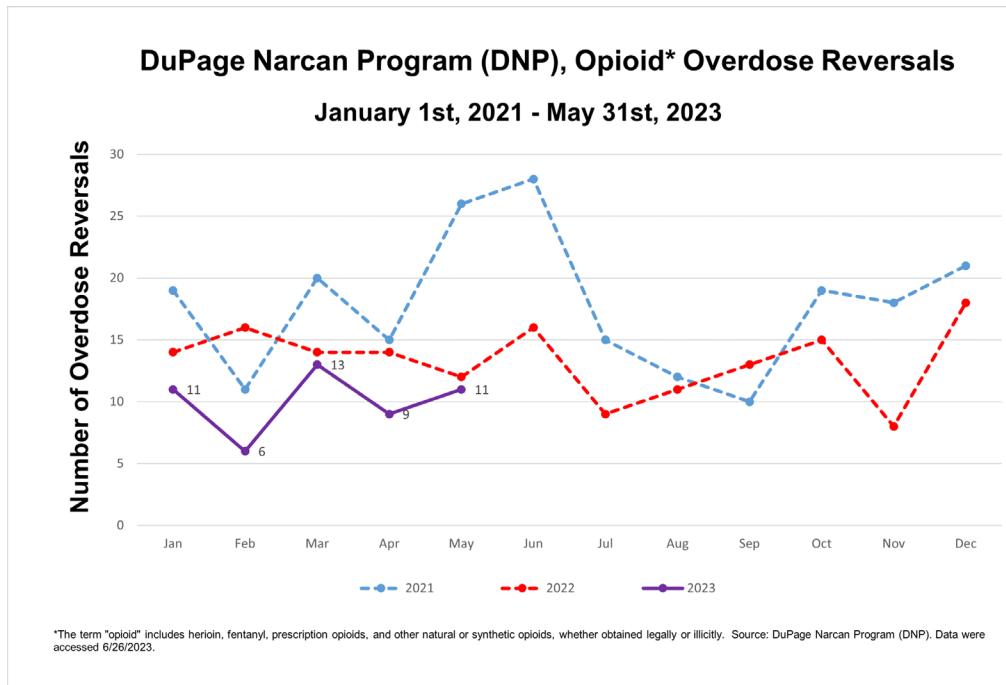

The nationwide opioid epidemic continues to plague communities throughout DuPage County. This epidemic has forced law enforcement and the judicial system to retool their respective approaches in tackling this epidemic. According to the ICJIA Illinois Drug Threat Assessment Survey of 2016, the surveyed chiefs of police said that the number one drug threat was heroin, followed by prescription drugs. This threat has been realized in DuPage County. The number of deaths attributed to opiate overdose in DuPage County was called a public health epidemic in 2013 by the DuPage County Coroner. In 2016, the number of deaths in DuPage due to fentanyl overdose increased by 100% from 2015 and deaths due to a combination of heroin and fentanyl increased 370%.

It is encouraging that opioid deaths decreased by almost 9% from 2020 to 2021, but the overall number of overdose deaths increased by approximately 6% in that same time and rose an additional 9.6% in 2022. Additionally, deaths that involved fentanyl alone or in combination with other drugs such as heroin and cocaine decreased by approximately 23%. (see below graph). In contrast, overdose deaths involving fentanyl was present in 106 of the 150 overdose deaths in 2022.

That too must be tempered with knowledge that in the most recent report from the DuPage Coroner's Office for overdose deaths in 2022, that there has been a major shift in the type of drugs found in the blood of those who died from an overdose. With the influx of heroin in the FDA approved form and multiple new isomers, there has been an increase in polypharmacy (multiple different drugs in the system). Heroin is less commonly found, and fentanyl has become the major drug causing death. With the wide variety of drugs now found in overdose deaths, the DuPage County Coroner will only identify which drugs were present in toxicology reports rather than state which drug was responsible for the death. This is highly concerning because of the extreme danger of fentanyl and the likelihood of the chemistry creating even more dangers yet to be fully realized. A deeper look into this issue shows a much more concerning problem. The DuPage Narcan Program (DNP) is a program designed to increase the number of first responders and community members trained to recognize and respond to an opioid overdose and increases their access to naloxone (brand name Narcan). Since its inception in 2013, the DNP has recorded over 500 overdose reversals. The DNP is a collaborative effort among the DuPage County Coroner, Sheriff, State's Attorney, Chiefs of Police, and Health Department. This reinforces the overall problem of opioid abuse. The numbers reflected in the reversal of opioid overdoses demonstrate that use of illegal narcotics is still prevalent although the number of cases opioid overdose fatalities may be down. Each opioid overdose reversal in years prior to the program may have represented an opioid fatality. Narcotic traffickers are still pushing their poison on the street and preying on the vulnerable.

Description of the Service Area

According to the 2020 United States Census, DuPage County has a total population of approximately 932, 877, making it Illinois' second-largest populous county. The county population is mostly suburbanized with some small pockets of farmland on the county's northern and western edges. The population of DuPage County has modestly increased since the 2010 census, seeing a 1.74% increase from 2010 to 2020. More recently, the estimated population of DuPage County has been static but with an estimated population decrease of 0.9% from April 1, 2020 through July 1, 2021. In that time, the nationwide opioid epidemic has continued to make its presence felt throughout the County. In 2021, the deaths of caused by fentanyl alone increased by over 260% from 2015.

The county has a vast socioeconomic profile ranging from the affluent towns of Hinsdale and Oak Brook to Downers Grove Township where the number of people in poverty rose in 2016. According to the U.S. Census Bureau, the persons in poverty is at 5.9%. DuPage is bordered by Cook County to the north, east and south and Kane, Kendall, and Will Counties to the west and south.

DuPage County's proximity to Chicago and other smaller towns in Cook County poses significant law enforcement challenges when it comes to narcotics interdiction. The source of supply for addicts is much closer than most other Illinois counties and is readily accessible via expressway and public transportation. The main artery for drug purchases and distribution in the county is the Eisenhower Expressway which runs from Chicago and surrounding Cook County suburbs directly through DuPage. The route is known to law enforcement as the "Heroin Highway" because users can quickly find street dealers within 1 or 2 blocks after exiting the expressway at any number of streets in Chicago or its suburbs, turn around and return to DuPage. Similarly, dealers called into DuPage from Cook County make quick drop-off deliveries using the "Heroin Highway" and other area expressways.

There are 44 law enforcement agencies that operate within the county, including the State Police and DuMEG. The agencies range in number of sworn police officers from relatively few to over 100 officers. In addition, federal law enforcement agencies also operate within the county, including narcotics task forces formed by the Drug Enforcement Administration, Federal Bureau of Investigation and the Department of Homeland Security. These various law enforcement agencies operating within DuPage County work in conjunction with the United States Postal Service, the United States Customs and Border Protection Service, Amtrak Security, and local college campus police to help stem the flow of illegal narcotics into and throughout the county.

Unmet Needs

Prosecutions of illegal distribution of narcotics is a constant changing area of prosecutions. The program needs additional training opportunities for Unit attorneys. Unit prosecutors must receive frequent training on law updates and court cases that come down affecting our duties. Much of the training is provided in-house monthly by the State's Attorney's Office and by the Unit supervisor at bi-weekly Unit meetings. When attorneys can attend outside training, typically only one or two attorneys attend the seminars and report back and present what they have learned to fellow Unit attorneys and police when appropriate. While this is a somewhat effective method, it is more beneficial for the attorneys to experience the training program by participating in breakouts, making contacts, asking questions, etc. There are many valuable training courses across the country available to Unit attorneys that require registration fees. Continued training is important because trends and smuggling techniques change frequently, as do court decisions, which impact the way that we conduct our investigations. To facilitate their illegal enterprise, drug dealers have increasing used technology. One example is selling illegal narcotics via social media. As such, it is important for Unit attorneys to be abreast of these latest developments in technology. This is best achieved by in-person training.

The Unit personnel face large caseloads with an increasing complexity. This complexity only increases the time needed to properly investigate, advise, and prepare each of these cases. Unit attorneys have the largest caseload of any specialized unit in the State's Attorney's Office. The cases assigned to the Unit require substantial preparation and are more likely to go to hearing and trial. Without the funds provided by the grant, the NAG Unit ceases to exist. The funds provide for partial salaries of two (2) NAG attorneys, one (1) support staff and one (1) investigator assigned to DuMEG. If the Unit ceases to exist, the burden will fall on the courtroom personnel who are not experienced in the prosecution or the investigation of these type of cases

Project Implementation

As we are currently reaching our objectives and have historically done so over the course of multiple grant periods, we will continue to operate under the same organizational and procedural manner. As we are emerging from the pandemic, meetings and trainings have been more easily attainable. Much larger scaled trainings are being performed and as such more law enforcement will be able to attend. As we have always historically been, the NAG Unit attorneys will always be available to assist in unlawful drug distribution and manufacturing investigations. Each week there is an on-duty NAG Unit attorney available on a twenty-four hour a day basis. In addition to that, there is the dedicated assistant within the NAG Unit who is equally available, for all drug-induced homicide investigations. In essence, all investigations involving drug distribution or manufacturing will run through the NAG Unit. As training and collaboration continues between the NAG Unit and law enforcement, we will be better to identify pitfalls in cases and therefore either correct those pitfalls or redirect our efforts to more productive avenues. That, in turn, will allow the cases that are initiated by law enforcement to more likely produce cases that are viable for prosecution and therefore lead to a higher likelihood of conviction. Therefore, these processes allow for our goals of ninety percent (90%) acceptance for prosecution of drug distribution and manufacturing cases and a ninety-five percent (95%) conviction rate of those cases.

The number of Unit personnel and their responsibilities as described above will remain unchanged moving forwarding into Year 3. The Unit supervisor will continue to supervise the investigation and prosecution of felony manufacturing, delivery and trafficking of narcotics and cannabis cases. Each Unit attorney will report directly to the Unit supervisor and keep him apprised of all developments occurring during court proceedings and investigations. Bi-monthly meetings will be held where Unit attorneys will discuss case status and legal issues that arise in their cases. The NAG Unit will continue to offer 24-hour per day legal advice and review/approve investigatory tools, such as search warrants and eavesdrops, upon the request of law enforcement. The NAG Unit supervisor will preside over the training and continuing legal education for all Unit prosecutors and police officers. The NAG Unit supervisor will also collect data and prepare quarterly, and annual reports as required by the grant. The Chief of Administration will oversee all fiscal reporting and record and analyze data pertaining to quarterly and annual fiscal reporting. Administration will also keep time records for grant employees and oversee grant compliance and certifications as deemed necessary.

Without the funding of this grant, the program as it currently configured will cease to exist. The funding from this grant and the ones preceding, enable the DuPage County State's Attorney's Office to have the Unit operational. The funds provide partial salaries for an investigator, administrative assistant and two (2) attorneys.

Without these funds, the DuPage County State's Attorney's Office would have to make up the fund deficit. In today's environment, it would be highly doubtful that additional funds would be allocated to the State's Attorney's Office by the county board. Therefore, the idea of a dedicated assistant to drug-induced homicide investigations would not be feasible. Additionally, it would also be likely that the Unit, if still in use, would not have a full complement of prosecutors as it currently has. Prosecutors would likely have to be reassigned to open positions outside of the Unit. With the loss of attorneys in the Unit, the caseload would be unsustainable. Therefore, some of the drug trafficking cases would be redirected into general courtrooms. As such, those cases would be prosecuted by prosecutors not experienced in drug trafficking cases. This, in turn, creates an atmosphere where the likelihood for successful prosecutions would decrease. In addition to the reallocation of charged drug trafficking cases, the one hundred percent (100%) assistance in all drug trafficking investigations by the Unit would also likely cease. Any assistance sought would be reallocated to general screening. There, again, would be prosecutors not familiar with the type of issues in drug-trafficking cases. This then would cause for investigations either not appropriate for criminal prosecution or if charged, would lower the likelihood of success. In short, all the objectives and goals that have been set up and historically achieved by the Unit would no longer be realistic without grant funds.

32.3. As required by Grantor, Grantee shall submit documentation regarding contracts to be funded with grant funds for Grantor review and approval, to assure adherence to applicable guidelines.

32.4. Approval of the use of subcontractors by Grantor does not relieve Grantee of its obligation to assure performance under this agreement. Grantee shall be responsible for the recovery of any unspent and/or misspent grant funds paid to the subcontractor by Grantee.

33. Subawards.

33.1 Grantee will monitor subawards to ensure compliance with State and/or Federal statutes, regulations, and the terms and conditions of the subaward. Approval of a subaward does not relieve Grantee of its obligation to assure performance under this Agreement.

33.2 Subawards are subject to site visits by both Grantee and Grantor, and must make available all fiscal, personnel, and programmatic data to Grantee and Grantor at either's request. Grantor reserves the right to conduct site visits of all subawards.

33.3 Grantee will require all subawards to submit, at a minimum, periodic performance reports and periodic financial reports to Grantee.

33.4 As Grantee awards each subaward, Grantee will forward a site visit schedule to Grantor along with any increased monitoring provisions. Any site reports created by Grantee that require a corrective action by a subaward shall be submitted to Grantor along with verification of the corrective action.

33.5 If the use of a subaward is approved by Grantor, the terms and conditions of this Agreement shall apply to and bind the party to whom such work is subawarded as fully and completely as Grantee is bound and obligated. Grantee is obligated to ensure that the terms of this Agreement are contained in any written subaward agreement. Grantee will ensure that all subawards comply with GATA prequalification requirements as identified in 44 Ill. Admin. Code 7000.70, including but not limited to Sam.gov registration.

33.6 Prior to the execution of its grant agreement, Grantee will submit their subaward monitoring protocol to Grantor for approval.

33.7 Grantee shall use a competitive bidding process for the selection of any subaward not specifically named in this Agreement.

33.8 Grantee shall conduct a programmatic risk assessment of every subaward that receives a subaward through this Agreement.

33.9 Grantee will evaluate each subaward's risk of noncompliance with federal and state statutes; regulations; rules; laws; guidelines; and conditions of this award. Grantee will impose specific conditions upon a subaward, if appropriate.

33.10 Grantee will make fiscal and programmatic technical assistance available to all subawards.

33.11 All unspent subaward funds will be returned by Grantee to Grantor within 30 days after the end of each subaward's period of performance.

33.12 Grantee will be responsible for the recovery of any unspent and/or misspent grant funds paid to the subaward by Grantee.

33.13 Grantor is not responsible for the performance, acts, or omissions of any subaward. Grantor will not mediate disputes between Grantee and subawardees.

34. Food Costs. Grantee agrees to act in accordance with Grantor's food policy for any food costs paid in whole or in part by funds under this agreement. Grantees must maintain records of actual food costs and how the food supported its program. For events, grantees must maintain records of the event, including receipts for food and other costs and the number of program participants. For emergency food provisions, grantees must maintain records of both the cost of the food provided and the program participant who received it.

35. Transportation Costs. Grantee must utilize a tracking system for any transportation costs funded by this agreement. At minimum, the tracking system must track the purpose of each trip and the cost per trip. Grantee shall submit a description of the tracking system to Grantor prior to incurring any transportation costs.

36. Copyrights and Patents.

36.1. If this Agreement results in a copyright, the Grantor reserves a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for government purposes, the work or the copyright to any work developed under this Agreement and any rights of copyright to which a grantee, subgrantee or a contractor purchases ownership with grant support.

36.2. If this agreement results in the production of patentable items, patent rights, processes, or inventions, Grantee shall immediately notify Grantor. Grantor will provide Grantee with further instruction on whether protection on the item will be sought and how the rights in the item will be allocated and administered to protect the public interest, in accordance with guidelines.

37. Management and Disposition of Equipment and Commodities.

37.1. Equipment and supplies acquired by Grantor with Grantor funds shall be used for purposes of the program described in the exhibits only. Grantee may retain the equipment and supplies acquired with grant funds as long as they serve to accomplish program purposes, whether or not the program continues to be supported by Grantor grant funds, but such determinations as to retention are within the sole discretion of Grantor. If the equipment or supplies originally purchased for the program are no longer capable of fulfilling the needs of the program and must be traded in or replaced, or there is no longer a need for the equipment or supplies, Grantee shall request instructions from Grantor.

37.2. Grantor may deny equipment and supply costs or require that Grantee relinquish already purchased equipment and supplies to Grantor if Grantee fails to employ an adequate property management system governing the use, protection, and management of such property. Grantee is responsible for replacing or repairing equipment and supplies that are willfully or negligently lost, stolen, damaged or destroyed. Grantee shall provide equivalent insurance coverage for grant funded equipment and supplies as provided for other equipment and supplies owned by Grantee. Any loss, damage or theft of equipment and supplies shall be investigated and fully documented, and immediately reported to Grantor.

37.3. Equipment purchased using Grantor funds shall be made available for inspection during site visits, and upon request of Grantor as part of its grant monitoring and oversight responsibilities.

37.4. If, for an item of equipment described in the Budget to be purchased with Grantor funds, Grantee does not have, at a minimum, a purchase order dated within 90 days after the start date of the agreement, Grantee shall submit a letter to Grantor explaining the delay in the purchase of equipment. Grantor may, in its discretion:

- A. Reduce the amount of funding;
- B. Cancel this agreement;
- C. Allow Grantee to reallocate the funds that were allocated for such equipment to other allowable Grantor approved costs; or
- D. Extend the period to purchase this equipment past the 90-day period.

38. Program Income. All income, including income resulting from asset seizures or forfeitures, generated as a direct result of the program shall be deemed program income. Program income must be used for the purposes and under the conditions applicable to the use of grant funds. Program income may be retained by Grantee for any purpose that furthers the objectives of the grant or deducted from the total allowable costs in accordance with Part I, 7.7. Grantee shall report and account for such program income as required by the Grantor.

39. Separate Revenue and Expenditure Accounts. Grantee must have an accounting system that meets the following requirements:

- (a) Provides for the clear identification, in its accounts, of all Federal awards, State awards, and matching funds received or expended.
- (b) Enables the preparation of reports required by general and program-specific terms and conditions of Grantee's awards.
- (c) Allows the tracing of funds to a level of expenditures adequate to establish that such funds have been used according to the Federal statutes; regulations; and the terms and conditions of the Federal or State award.
- (d) Requires each Federal award, State award, and matching fund revenues and expenditures to be accounted, recorded, and tracked separately by funding source.
- (e) Includes classification of expenditures (e.g., personnel, commodities, equipment).
- (f) Maintains a system coding or classification system that permits summarization and reporting of grant revenue and expenditures by specific accounts, programs, projects, etc.
- (g) Ensures that Federal and State awarded funds and matching funds are not commingled with funds from other Federal, State, or private sources. 2 CFR 200.302.
- (h) Maintain an accounting system that utilizes generally accepted standards of accounting.

40. Publications.

40.1. In addition to the requirements of Part I, Article XIX Grantee shall submit to Grantor for review, certain publications that will be issued by Grantee describing or resulting from programs or projects funded in whole or in part with grant funds, no later than 30 days prior to its printing.

40.2 The publications subject to this review are: journals and annual reports that describe how grantee has used the funding, any paid advertisement or public awareness campaign regardless of format, and any other publication that cumulatively costs more than \$1000 to create or produce. These publication review

requirements do not apply to press releases, flyers advertising approved program activities only, newsletters and issue analyses.

40.3. Grantor reserves the right to require the resubmission of any publication for additional review and comment, prior to its printing.

40.4. All publications shall supplement the language required by Part I, Article XIX with the following statement:

"Funding provided in whole or in part by the Illinois Criminal Justice Information Authority. Points of view or opinions contained within this document are those of the author and do not necessarily represent the official position or policies of the State of Illinois, or the Illinois Criminal Justice Information Authority."

40.5. When issuing statements, press releases, requests for proposals, bid solicitations, and other documents describing projects or programs funded in whole or in part with Federal grant funds, Grantee shall clearly state (1) the percentage of the total cost of the program or project which will be funded under this agreement, and (2) the dollar amount of funding for the project or program in addition to the statement required in 42.4.

40.6. Exceptions to the above requirements shall only be allowed upon Grantor's written prior approval.

41. Reporting Grant Irregularities.

41.1. Grantee shall promptly notify Grantor through their Grant Monitor when an allegation is made, or Grantee otherwise receives information, reasonably tending to show the possible existence of any irregularities or illegal acts in the administration of Grant Funds. Grantor, per its agency policy, shall determine the reasonableness of the allegation of the irregularities or illegal action and determine the appropriate course of action. Possible actions would include conducting an internal audit or other investigation or contacting the proper authorities. Illegal acts and irregularities include such matters as conflicts of interest, falsification of records or reports both data, financial and programmatic, and the misappropriation of funds or other assets.

41.2. Grantee shall inform any sub-recipient of Grantor's Grant Funds that the sub-recipient is similarly obligated to report irregularities.

41.3. Failure to report known irregularities can result in suspension of the Interagency Agreement or other remedial action. In addition, if Grantee's auditor or other staff becomes aware of any possible illegal acts or other irregularities prompt notice shall be given to Grantee's director. Grantee, in turn, shall promptly notify Grantor as described above of the possible illegal acts or irregularities. If the possible misconduct involves Grantee's director, Grantee staff member shall provide prompt notice directly to Grantor.

41.4. In addition, Grantor, if in its judgment there is a reasonable allegation of irregularity or illegal act, shall inform the Office of Justice Program's Office of the Comptroller, the Department of Justice's Office of Professional Responsibility and the Office of Inspector General, and state and local law enforcement agencies or prosecuting authorities, as appropriate, of any known violations of the law within their respective area of jurisdiction.

41.5. Known or suspected violations of any law encountered during audits, including fraud, theft, embezzlement, forgery, or other serious irregularities, must be immediately communicated to Grantor and appropriate federal, State, and local law enforcement officials.

41.5. Grantee agrees to develop and maintain a record-keeping system to document all Agreement related activities and expenditures. These records will act as the original source material for compilation of the data and all other program activity.

41.6. The reporting of any irregularities, illegal acts and the proposed or actual corrective action shall be reported to Grantor at:

Grantee shall establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

45. Safeguarding Constitutional Protections Related to Religion

Grantee also certifies that the receipt of services through the grant funded program shall not be contingent upon participation in a religious event or activity. Grant or match funds may not be used for any explicitly religious activities such as worship, religious instruction, or proselytization. Grantee may engage in inherently religious activities, but such activities must be separate in time or place from the grant funded program, and beneficiaries cannot be compelled to participate in them.

a. In accepting this award, Grantee –

- i. represents that it neither requires nor has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
- ii. certifies that, if it learns or is notified that it is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, it will immediately stop any further obligations of award funds, will provide prompt written notification to Grantor, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Grantor.

b. If Grantee makes subawards or contracts under this award –

- i. it represents that –
 1. it has determined that no other entity that Grantee's application proposes may or will receive award funds (whether through a subaward, contract, or subcontract) either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 2. it has made appropriate inquiry, or otherwise has an adequate factual basis, to support this representation; and
- ii. it certifies that, if it learns or is notified that any subrecipient, contractor, or subcontractor entity that receives funds under this award is or has been requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse

as described above, it will immediately stop any further obligations of award funds to or by that entity, will provide prompt written notification to the agency making this award, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by that agency.

Grantee must have a written protocol on file requiring fingerprint-based background checks through the Illinois State Police for all persons and maintain documentation of their completion and results. The written protocol must incorporate the factors and procedures mandated by 775 ILCS 5/2-103.1. Any exception must be granted in writing by Grantor. Exceptions may include but are not guaranteed or limited to if the program model or service provision relies on staff access or credibility with at-risk populations.

Grantee understands and agrees that grant and match funds cannot be used for research purposes, as defined under 45 CFR 46.102(d). Grantee will provide Grantor with aggregate project data and summary reports related to project performance, including process and outcome, and any other information, as requested by Grantor.
49. Confidentiality of Records. Grantee agrees not to use or reveal any research or statistical information furnished under this program by any person and identifiable to any specific private person for any purpose other than the purpose for which such information was obtained in accordance with this program and all applicable federal guidelines and legislation without written consent from Grantor. Grantee shall notify Grantor within three (3) business days of any such request.

Grantee is required to tender a copy of any such installment payment agreement to the Grantor. In no event may Grantee utilize Grant Funds to discharge outstanding tax liabilities or other debts owed to any governmental unit. The execution of this Agreement by the Grantee is its certification that (i) it is current as to the filing and payment of any federal, state and/or local taxes applicable to Grantee; and (ii) it is not delinquent in its payment of moneys owed to any federal, state, or local unit of government.
51. Compliance. Grantee agrees to comply with all applicable laws, regulations, and guidelines of the State of Illinois, the Federal Government and Grantor in the performance of this Agreement.

52.2. The grantee's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

52.3. To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions designed to ensure compliance with this condition.

A. For purposes of this condition, persons "who are or will be involved in activities under this award" specifically includes (without limitation) any and all grantee (or any subrecipient) officials or other staff who are or will be involved in the hiring process with respect to a position that is or will be funded (in whole or in part) with award funds.

B. Employment eligibility confirmation with E-Verify

United States that is or will be funded (in whole or in part) with award funds.

C. "United States" specifically includes the District of Columbia, Puerto Rico, Guam, the Virgin Islands of the United States, and the Commonwealth of the Northern Mariana Islands.

SCOPE. This condition applies with respect to any procurement of property or services that is funded (in whole or in part) by this award, whether by the grantee or by any subrecipient at any tier, and regardless of the dollar amount of the purchase or acquisition, the method of procurement, or the nature of any legal instrument used. The provisions of this condition must be among those included in any subaward (at any tier).

B. Nothing in this condition shall be understood to authorize or require any grantee, any subrecipient at any tier, or any person or other entity, to violate any federal law, including any applicable civil rights or nondiscrimination law.

56. Requirements pertaining to prohibited conduct related to trafficking in persons. The grantee, and any subrecipient at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of grantee, subrecipient, or individuals defined (for purposes of this condition) as "employees" of the grantee or of any subrecipient.

The details of the grantee's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at <https://ojp.gov/funding/Explore/ProhibitedConduct-Trafficking.htm> (Award condition: Prohibited conduct by grantee and subrecipient related to trafficking in persons (including reporting requirements and OJP authority to terminate award)), and are incorporated by reference here.

57. Determination of suitability to interact with participating minors This condition applies to this award if it is indicated that a purpose of some or all of the activities to be carried out under the award (whether by the grantee, or a subrecipient at any tier) is to benefit a set of individuals under 18 years of age.

The grantee, and any subrecipient at any tier, must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status. The details of this requirement are posted on the OJP web site at <https://ojp.gov/funding/Explore/Interact-Minors.htm> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

58. Conferences, Meetings, Trainings, and other events. Grantee, and any subrecipient at any tier, must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences. Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 3.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

59. OJP Training Guiding Principles. Any training or training materials that Grantee develops or delivers with grant funds must adhere to the OJP Training Guiding Principles for Grantees and Subrecipients, available at <https://ojp.gov/funding/Implement/TrainingPrinciplesForGrantees-Subgrantees.htm>.

The grantee, and any subrecipient at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38 (as may be applicable from time to time), specifically including any applicable requirements regarding written notice to program beneficiaries and prospective program beneficiaries.
Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to grantee and subrecipient organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to grantees and subrecipients that are faith-based or religious organizations.

The text of 28 C.F.R. Part 38 is available via the Electronic Code of Federal Regulations (currently accessible at <https://www.ecfr.gov/cgi-bin/ECFR?page=browse>), by browsing to Title 28-Judicial Administration, Chapter 1,

Part 38, under e-CFR "current" data.

63. Restrictions on "lobbying" In general, as a matter of federal law, federal funds awarded by OJP may not be used by the grantee, or any subrecipient at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the grantee, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Specific Controlled Equipment Standards includes policies specifically related to (a) Appropriate Use of Controlled Equipment; (b) Supervision of Use; (c) Effectiveness Evaluation; (d) Auditing and Accountability; and (e) Transparency and Notice Considerations. 1. If the grantee is a "State," a local government, or a "public" institution of higher education:

A. The grantee may not obligate award funds if, at the time of the obligation, the "program or activity" of the grantee (or of any subrecipient at any tier that is a State, a local government, or a public institution of higher education) that is funded wholly or partly with award funds is subject to any "information-communication restriction."

B. Also, with respect to any project costs it incurs "at risk," the grantee may not obligate award funds to reimburse itself if -- at the time it incurs such costs -- the program or activity of the grantee (or of any subrecipient, at any tier, described in par. 1.A of this condition) that would be reimbursed wholly or partly with award funds was subject to any information-communication restriction.

C. Any drawdown of award funds by the grantee shall be considered, for all purposes, to be a material representation by the grantee to OJP that, as of the date the grantee requests the drawdown, the grantee and each subrecipient (regardless of tier) described in par. 1.A of this condition, is in compliance with the award condition entitled "Noninterference (within the funded 'program or activity') with federal law enforcement: information-communication restrictions; ongoing compliance."

D. Also, any subaward (at any tier) to a subrecipient described in paragraph 1.A of this condition must require prompt notification to the entity that made the subaward, should the subrecipient have such credible evidence regarding an information-communication restriction.

2. Any subaward (at any tier) to a subrecipient described in par. 1.A of this condition must provide that the subrecipient may not obligate award funds if, at the time of the obligation, the program or activity of the subrecipient (or of any further such subrecipient at any tier) that is funded in whole or in part with award funds is subject to any information-communication restriction.

3. Absent an express written determination by DOJ to the contrary, based upon a finding by DOJ of compelling circumstances (e.g., a small amount of award funds obligated by the grantee at the time of a subrecipient's minor and transitory non-compliance, which was unknown to the grantee despite diligent monitoring), any obligations of award funds that, under this condition, may not be made shall be unallowable costs for purposes of this award. In making any such determination, DOJ will give great weight to evidence submitted by the grantee that demonstrates diligent monitoring of subrecipient compliance with the requirements set out in the "Noninterference ... information-communication restrictions; ongoing compliance" award condition.

4. Rules of Construction

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) that the grantee, or any subrecipient at any tier that is a State, a local government, or a public institution of higher education, incurs to implement this condition.

4. Rules of construction

A. For purposes of this condition--

(1) the term "alien" means what it means under section 101 of the Immigration and Nationality Act (see 8 U.S.C. 1101(a)(3));

(2) the term "federal law-enforcement information" means law-enforcement-sensitive information communicated or made available, by the federal government, to a State or local government entity, -agency, or -official, through any means, including, without limitation-- (1) through any database, (2) in connection with any law enforcement partnership or -task-force, (3) in connection with any request for law enforcement assistance or -cooperation, or (4) through any deconfliction (or courtesy) notice of planned, imminent, commencing, continuing, or impending federal law enforcement activity;

(3) the term "law-enforcement-sensitive information" means records or information compiled for any law enforcement purpose; and

(4) the term "public disclosure" means any communication or release other than one-- (a) within the grantee, or (b) to any subrecipient (at any tier) that is a government entity.

B. Both the "Rules of Construction" and the "Important Note" set out in the "No use of funds to interfere with federal law enforcement: information-communication restrictions; ongoing compliance" award condition are incorporated by reference as though set forth here in full.

84. Noninterference (within the funded "program or activity") with federal law enforcement: Interrogation of certain aliens

SCOPE. This condition applies with respect to the "program or activity" funded (wholly or partly) by this award, as of the date the grantee accepts the award, and throughout the rest of the award period of performance. Its provisions must be among those included in any subaward (at any tier).

1. Noninterference with statutory law enforcement access to correctional facilities

Consonant with federal law enforcement statutes and regulations--including 8 USC 1357(a), under which certain federal officers and employees "have power without warrant ... to interrogate any alien or person believed to be an alien as to his right to be or to remain" in the U.S., and 8 CFR 287.5(a), under which that power may be exercised "anywhere in or outside" the U.S.--within the funded program or activity, no State or local government entity, -agency, or - official may interfere with the exercise of that power to interrogate "without warrant" (by agents of the United States acting under color of federal law) by impeding access to any State or local government (or government-contracted) correctional facility by such agents for the purpose of "interrogat[ing] any alien or person believed to be an alien as to his [or her] right to be or to remain in the United States."

2. Monitoring

The grantee's monitoring responsibilities include monitoring of subrecipient compliance with this condition.

3. Allowable costs

To the extent that such costs are not reimbursed under any other federal program, award funds may be obligated for the reasonable, necessary, and allocable costs (if any) of actions (e.g., training) designed to ensure compliance with this condition.

4. Rules of construction

A. For purposes of this condition:

(1) The term "alien" means what it means under sec. 101 of the Immigration and Nationality Act (INA) (8 USC 1101(a)(3)), except that, with respect to a juvenile offender, it means "criminal alien."

(2) The term "juvenile offender" means what it means under 28 CFR 31.304(f) (as in effect on Jan. 1, 2020).

(3) The term "criminal alien" means, with respect to a juvenile offender, an alien who is deportable on the basis of-

(a) conviction described in 8 USC 1227(a)(2), or

(b) conduct described in 8 USC 1227(a)(4).

(4) The term "conviction" means what it means under 8 USC 1101(a)(48). (Adjudication of a juvenile as having committed an offense does not constitute "conviction" for purposes of this condition.)

(5) The term "correctional facility" means what it means under 34 USC 10251(a)(7) as of January 1, 2020.

(6) The term "impede" includes taking or continuing any action, or implementing or maintaining any law, policy, rule, or practice, that-

(a) is designed to prevent or to significantly delay or complicate, or

(b) has the effect of preventing or of significantly delaying or complicating.

(7) "State" and "local government" include any agency or other entity thereof (including any public institution of higher education), but not any Indian tribe.

(8) A "public" institution of higher education is one that is owned, controlled, or directly funded (in whole or in substantial part) by a State or local government. (Such a public institution is considered to be a "government entity," and its officials to be "government officials.")

(9) "Program or activity" means what it means under 42 USC 2000d-4a.

B. Nothing in this condition shall be understood to authorize or require any grantee, any subrecipient at any tier, any State or local government, any public institution of higher education, or any other entity (or individual) to violate any federal law, including any applicable civil rights or nondiscrimination law.

IMPORTANT NOTE: Any questions about the meaning or scope of this condition should be directed to OJP, before award acceptance.

85. Pre-Award Costs. Pre-award costs are authorized in accordance with 2 CFR 200.209. Pre-award costs are those incurred from the beginning of the period of performance of the grant until the execution of the grant agreement and must be in accordance with the final approved program budget. ICJIA has the right to review supporting documentation for all pre-award costs that are submitted for reimbursement on a financial report from grantees. Costs that are not in accordance with the final approved budget (necessary, reasonable, allowable, and allocable) shall be disallowed.
86. Requirement to report actual or imminent breach of personally identifiable information (PII). The grantee (and any "subrecipient" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subrecipient) -- (1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OJP grant-funded program or activity, or (2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.
87. Safe policing and law enforcement subrecipients. If this award is a discretionary award, the recipient agrees that it will not make any subawards to State, local, college, or university law enforcement agencies unless such agencies have been certified by an approved independent credentialing body or have started the certification process. To become certified, law enforcement agencies must meet two mandatory conditions: (1) the agency's use of force policies adhere to all applicable federal, state, and local laws; and (2) the agency's use of force policies prohibit chokeholds except in situations where use of deadly force is allowed by law. For detailed information on this certification requirement, see <https://cops.usdoj.gov/SafePolicingEO>.
88. Requirements of the award; remedies for non-compliance or for materially false statements. The

conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Limited Exceptions. In certain special circumstances, the U.S. Department of Justice ("DOJ") may determine that it will not enforce, or enforce only in part, one or more requirements otherwise applicable to the award. Any such exceptions regarding enforcement, including any such exceptions made during the period of performance, are (or will be during the period of performance) set out through the Office of Justice Programs ("OJP") webpage entitled "Legal Notices: Special circumstances as to particular award conditions" (ojp.gov/funding/Explore/LegalNotices-AwardReqtts.htm), and incorporated by reference into the award.

By signing and accepting this award on behalf of the recipient, the authorized recipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized recipient official, all assurances or certifications submitted by or on behalf of the recipient that relate to conduct during the period of performance.

Failure to comply with one or more award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in OJP taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OJP, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

89. Requirement for data on performance and effectiveness under the award. The grantee must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.
90. Requirements related to "de minimis" indirect cost rate. A grantee that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 200 Uniform Requirements.
91. Requirement to disclose whether recipient is designated "high risk" by a federal grant-making agency

outside of DOJ. If the grantee is designated "high risk" by a federal grant-making agency outside of DOJ, currently or at any time during the course of the period of performance under this award, the recipient must disclose that fact and certain related information to OJP by email at OJP.ComplianceReporting@ojp.usdoj.gov. For purposes of this disclosure, high risk includes any status under which a federal awarding agency provides additional oversight due to the recipient's past performance, or other programmatic or financial concerns with the recipient. The recipient's disclosure must include the following: 1. The federal awarding agency that currently designates the recipient high risk, 2. The date the recipient was designated high risk, 3. The high-risk point of contact at that federal awarding agency (name, phone number, and email address), and 4. The reasons for the high-risk status, as set out by the federal awarding agency.

92. Compliance with DOJ Grants Financial Guide. References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at <https://ojp.gov/financialguide/DOJ/index.htm>), including any updated version that may be posted during the period of performance. The grantee agrees to comply with the DOJ Grants Financial Guide.
93. Potential imposition of additional requirements. The grantee agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.
94. Reclassification of various statutory provisions to a new Title 34 of the United States Code. On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified (that is, moved and renumbered) to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

95. Requirements related to System for Award Management and Universal Identifier Requirements. The grantee must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The grantee also must comply with applicable restrictions on subawards ("subgrants") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for SAM registration.

The details of the grantee's obligations related to SAM and to unique entity identifiers are posted on the OJP web site at <https://ojp.gov/funding/Explore/SAM.htm> (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her

name).

96. Requirement to report potentially duplicative funding. If the grantee currently has other active awards of federal funds, or if the grantee receives any other award of federal funds during the period of performance for this award, the grantee promptly must determine whether funds from any of those other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the grantee must promptly notify the DOJ awarding agency (OJP or OVW, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget-modification or change-of-project-scope Grant Award Modification (GAM) to eliminate any inappropriate duplication of funding.
97. Cooperating with OJP Monitoring. The grantee agrees to cooperate with OJP monitoring of this award pursuant to OJP's guidelines, protocols, and procedures, and to cooperate with OJP (including the grant manager for this award and the Office of Chief Financial Officer (OCFO)) requests related to such monitoring, including requests related to desk reviews and/or site visits. The grantee agrees to provide to OJP all documentation necessary for OJP to complete its monitoring tasks, including documentation related to any subawards made under this award. Further, the grantee agrees to abide by reasonable deadlines set by OJP for providing the requested documents. Failure to cooperate with OJP's monitoring activities may result in actions that affect the grantee's DOJ awards, including, but not limited to: withholdings and/or other restrictions on the grantee's access to award funds; referral to the DOJ OIG for audit review; designation of the grantee as a DOJ High Risk grantee; or termination of an award(s).
98. Use of program income. Program income (as defined in the Part 200 Uniform Requirements) must be used in accordance with the provisions of the Part 200 Uniform Requirements. Program income earnings and expenditures both must be reported on the quarterly Federal Financial Report, SF 425.
99. Confidentiality of data. The grantee (and any subrecipient at any tier) must comply with all confidentiality requirements of 34 U.S.C. 10231 and 28 C.F.R. Part 22 that are applicable to collection, use, and revelation of data or information. The recipient further agrees, as a condition of award approval, to submit a Privacy Certificate that is in accord with requirements of 28 C.F.R. Part 22 and, in particular, 28 C.F.R. 22.23.
100. Justification of consultant rate. Approval of this award does not indicate approval of any consultant rate in excess of \$650 per day. A detailed justification must be submitted to and approved by the OJP program office prior to obligation or expenditure of such funds.
101. "Methods of Administration" - monitoring compliance with civil rights laws and nondiscrimination provisions. The grantee's monitoring responsibilities include monitoring of subrecipient compliance with applicable federal civil rights laws and nondiscrimination provisions. Within 90 days of the date of award acceptance, the recipient must submit to OJP's Office for Civil Rights (at CivilRightsMOA@usdoj.gov) written Methods of Administration ("MOA") for subrecipient monitoring with respect to civil rights requirements. In addition, upon request by OJP (or by another authorized federal agency), the recipient must make associated documentation available for review.

The details of the grantee's obligations related to Methods of Administration are posted on the OJP web site at <https://ojp.gov/funding/Explore/StateMethodsAdmin-FY2017update.htm> (Award condition: "Methods of Administration" - Requirements applicable to States (FY 2017 Update)), and are incorporated by reference here.

102. The grantee understands that, in accepting this award, the Authorized Representative declares and

certifies, among other things, that he or she possesses the requisite legal authority to accept the award on behalf of the recipient entity and, in so doing, accepts (or adopts) all material requirements that relate to conduct throughout the period of performance under this award. The grantee further understands, and agrees, that it will not assign anyone to the role of Authorized Representative during the period of performance under the award without first ensuring that the individual has the requisite legal authority.

103. Recipient integrity and performance matters: Requirement to report information on certain civil, criminal, and administrative proceedings to SAM and FAPIIS. The grantee must comply with any and all applicable requirements regarding reporting of information on civil, criminal, and administrative proceedings connected with (or connected to the performance of) either this OJP award or any other grant, cooperative agreement, or procurement contract from the federal government. Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, "FAPIIS").

The details of grantee obligations regarding the required reporting (and updating) of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, "FAPIIS") within SAM are posted on the OJP web site at <https://ojp.gov/funding/FAPIIS.htm> (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIIS), and are incorporated by reference here.

104. Withholding - Certification with respect to Federal taxes - award exceeding \$5 million (updated Aug. 2017).

The grantee may not obligate, expend, or draw down any funds under this award until it has submitted to the program manager, in a format acceptable to OJP, a formal written certification directed to OJP and executed by an official with authority to sign on behalf of the grantee, that the grantee (unless an exemption applies by operation of law, as described below)-- (1) has filed all Federal tax returns required for the three tax years immediately preceding the tax year in which the certification is made; (2) has not been convicted of a criminal offense under the Internal Revenue Code of 1986; and (3) has not, more than 90 days prior to this certification, been notified of any unpaid federal tax assessment for which the liability remains unsatisfied, unless the assessment is the subject of an installment agreement or offer in compromise that has been approved by the Internal Revenue Service and is not in default, or the assessment is the subject of a non-frivolous administrative or judicial proceeding; and until an Award Condition Modification (ACM) has been issued to remove this condition.

105. FFATA reporting: Subawards and executive compensation. The grantee must comply with applicable requirements to report first-tier subawards ("subgrants") of \$30,000 or more and, in certain circumstances, to report the names and total compensation of the five most highly compensated executives of the grantee and first-tier subrecipients (first-tier "subgrantees") of award funds. The details of grantee obligations, which derive from the Federal Funding Accountability and Transparency Act of 2006 (FFATA), are posted on the OJP web site at <https://ojp.gov/funding/Explore/FFATA.htm> (Award condition: Reporting Subawards and Executive Compensation), and are incorporated by reference here.

This condition, including its reporting requirement, does not apply to-- (1) an award of less than \$30,000, or (2) an award made to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

106. Required monitoring of subawards. The grantee must monitor subawards under this award in accordance

with all applicable statutes, regulations, award conditions, and the DOJ Grants Financial Guide, and must include the applicable conditions of this award in any subaward. Among other things, the grantee is responsible for oversight of subrecipient spending and monitoring of specific outcomes and benefits attributable to use of award funds by subrecipients. The recipient agrees to submit, upon request, documentation of its policies and procedures for monitoring of subawards under this award.

107. Avoidance of duplication of networks. To avoid duplicating existing networks or IT systems in any initiatives funded by BJA for law enforcement information sharing systems which involve interstate connectivity between jurisdictions, such systems shall employ, to the extent possible, existing networks as the communication backbone to achieve interstate connectivity, unless the recipient can demonstrate to the satisfaction of BJA that this requirement would not be cost effective or would impair the functionality of an existing or proposed IT system.

108. Law enforcement task forces - required training. Within 120 days of award acceptance, each current member of a law enforcement task force funded with award funds who is a task force commander, agency executive, task force officer, or other task force member of equivalent rank, must complete required online (internet-based) task force training. Additionally, all future task force members must complete this training once during the period of performance for this award, or once every four years if multiple OJP awards include this requirement.

The required training is available free of charge online through the BJA-funded Center for Task Force Integrity and Leadership (www.ctfli.org). The training addresses task force effectiveness, as well as other key issues including privacy and civil liberties/rights, task force performance measurement, personnel selection, and task force oversight and accountability. If award funds are used to support a task force, the recipient must compile and maintain a task force personnel roster, along with course completion certificates.

Additional information regarding the training is available through BJA's web site and the Center for Task Force Integrity and Leadership (www.ctfli.org).

109. All State and Local JAG grantee must submit quarterly Federal Financial Reports (SF-425). Additionally, State JAG and Local JAG Category Two (\$25K or more) must submit semi-annual performance reports through JustGrants and Local JAG Category One (Less than \$25K) must submit annual performance reports through JustGrants. Consistent with the Department's responsibilities under the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, the grantee must provide data that measure the results of its work. The grantee must submit quarterly performance metrics reports through BJA's Performance Measurement Tool (PMT) website (www.bjaperformancetools.org). For more detailed information on reporting and other JAG requirements, refer to the JAG reporting requirements webpage. Failure to submit required JAG reports by established deadlines may result in the freezing of grant funds and future High Risk designation.

110. Expenditures prohibited without waiver. No funds under this award may be expended on the purchase of items prohibited by the JAG program statute, unless, as set forth at 34 U.S.C. 10152, the BJA Director certifies that extraordinary and exigent circumstances exist, making such expenditures essential to the maintenance of public safety and good order.

SECTION - A (continued) Indirect Cost Rate Information

If your organization is requesting reimbursement for indirect costs on line 17 of the Budget Summary, please select one of the following options.

1) Our Organization receives direct Federal funding and currently has a Negotiated Indirect Cost Rate Agreement (NICRA) with our Federal Cognizant Agency. A copy of this agreement will be provided to the State of Illinois' Indirect Cost Unit for review and documentation before reimbursement is allowed. This NICRA will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations.

NOTE: (If this option is selected, please provide basic Negotiated Indirect Cost Rate Agreement information in area designated below)

Your Organization may not have a Federally Negotiated Indirect Cost Rate Agreement. Therefore, in order for your Organization to be reimbursed for Indirect Costs from the State of Illinois, your Organization must either:

- A. Negotiate an Indirect Cost Rate with the State of Illinois' Indirect Cost Unit with guidance from your State Cognizant Agency on an annual basis.
- B. Elect to use the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois Awards.
- C. Use a Restricted Rate designated by programmatic or statutory policy. (See Notice of Funding Opportunity for Restricted Rate Programs)

2a) Our Organization currently has a Negotiated Indirect Cost Rate Agreement with the State of Illinois that will be accepted by all State of Illinois Agencies up to any statutory, rule-based or programmatic restrictions or limitations. Our Organization is required to submit a new Indirect Cost Rate Proposal to the Indirect Cost Unit within six (6) months after the close of each fiscal year (2 CFR 200 Appendix IV (C)(2)(c)).

NOTE: (If this option is selected, please provide basic Indirect Cost Rate information in area designated below)

2b) Our Organization currently does not have a Negotiated Indirect Cost Rate Agreement with the State of Illinois. Our Organization will submit our initial Indirect Cost Rate Proposal (ICRP) immediately after our Organization is advised that the State award will be made and, in no event, later than three (3) months after the effective date of the State award (2 CFR 200 Appendix IV (C)(2)(b)). The initial ICRP will be sent to the State of Illinois' Indirect Cost Unit.

NOTE: (Check with your State of Illinois Agency for information regarding reimbursement of indirect costs while your proposal is being negotiated)

3) Our Organization has never received a Negotiated Indirect Cost Rate Agreement from either the Federal government or the State of Illinois and elects to charge the de minimis rate of 10% modified total direct cost (MTDC) which may be used indefinitely on State of Illinois awards (2 CFR 200.414 (c)(4)(f) & (200.68)).

NOTE: (Your Organization must be eligible, see 2 CFR 200.414 (f), and submit documentation on the calculation of MTDC within your Budget Narrative under Indirect Costs)

4) For Restricted Rate Programs (check one) -- Our Organization is using a restricted indirect cost rate that:
 Is included as a "Special Indirect Cost Rate" in our NICRA (2 CFR 200Appendix IV (5) Or;
 Complies with other statutory policies (please specify):

The Restricted Indirect Cost Rate is _____ %

5) No reimbursement of Indirect Cost is being requested. (Please consult your program office regarding possible match requirements)

4). Equipment (2 CFR 200.439) -- Provide justification for the use of each item and relate them to specific program objectives. Provide both the annual (for multiyear awards) and total for equipment. Equipment is defined as an article of tangible personal property that has a useful life of more than one year and a per-unit acquisition cost which equals or exceeds the lesser of the capitalization level established by the non-Federal entity for financial statement purposes, or \$5,000. An applicant organization may classify equipment at a lower dollar value but cannot classify it higher than \$5,000. (Note: Organization's own capitalization policy for classification of equipment can be used). Applicants should analyze the cost benefits of purchasing versus leasing equipment, especially high cost items and those subject to rapid technical advances. Rented or leased equipment costs should be listed in the "Contractual" category. Explain how the equipment is necessary for the success of the project. Attach a narrative describing the procurement method to be used.

(e) The Federal/State awarding agency may, at its option, restrict the transfer of funds among direct cost categories or programs, functions and activities for Federal/State awards in which the Federal/State share of the project exceeds the Simplified Acquisition Threshold and the cumulative amount of such transfers exceeds or is expected to exceed 10 percent or \$1,000 per detail line item, whichever is greater of the total budget as last approved by the Federal/State awarding agency. The Federal/State awarding agency cannot permit a transfer that would cause any Federal/State appropriation to be used for purposes other than those consistent with the appropriation.
