Additional Information

Please explain why you wish to serve as an appointee and share any unique qualifications or experience you feel you would bring to this agency.	I am a proud, lifelong resident of West Chicago and giving back to the community is a core value of mine. I've served as a board member for many different not-for-profit organizations throughout my career. In the past, the focus of my board participation has been on my children, our school community, or business. I am now in a place where I can re-focus my interest on organizations that benefit my community. I'd love to find an opportunity to leverage my experience as an Executive in the Energy industry. Many parallels can be drawn between the work of linemen and firefighters. My background and leadership would serve the West Chicago Fire Protection District well. That is the reason I am applying to be an appointee to this agency.
