The estimate for a QAS audit is less than what had been originally budgeted. The funds from these two categories will be moved to overtime (personnel) and supplies. (Sheriff's Office)

Members Jim Zay and Brian Krajewski inquired as to the reason for so many budget transfers, especially this early in the year, and whether staff needed training. Chief Financial Officer Jeff Martynowicz indicated that currently his budget team is meeting with staff to review the process for the new budget software platform. CFO Martynowicz also commented that his team is working on a proposed modification to the budget policy and will soon be bringing that forward to the Board for consideration.

Member Mary Ozog asked what the purpose of this new doorway was and whether construction costs and supply chain issues are necessitating so many budget transfers. Deputy Chief Dan Bilodeau of the Sheriff's Office explained that this proposed new doorway would have made the process to check in and receive evidence more efficient, but that since estimates for the cost of the doorway exceeded the budgeted amount in the grant, the construction project was cancelled and these funds are being transferred back to the operational lines within the grant.

The motion was approved on a voice vote, all "ayes".
