### List of Approved WIOA Training Providers

Below is the list Training Providers that are eligible to receive WIOA and TAA funds. New training providers may periodically be added to the state-wide eligible provider system. If a training provider's eligibility needs to be verified, and it is not on the list below, the provider's information can be found in the [illinoisworknet.com](http://illinoisworknet.com) website. The Illinoisworknet.com site houses the directory of all WIOA-eligible providers in the state. Using this link: <https://www.illinoisworknet.com/Training/Pages/WIOATrainingProgramSearch.aspx>, the "WIOA Approved Training Programs" search tool can be used to locate eligible providers and programs. You can enter all or part of the provider's name in the search criteria to find a provider.
