8. DEDIRS PORTABLE AND MOBILE RADIO REPLACEMENT

8.A. Police

PAC Chair Dina said the Police Focus Group had decided on the number of encryption keys to be loaded into the radios, including extra keys for future use. He said Fire would have access to the PD dispatch channels and operations channels. There will also be dispatch channels solely for PD use. PAC Chair Dina provided a brief overview of Joint Operations and Interop channels.

Vice Chair Franz inquired into the other radio model being tested by Fire Focus. PAC Chair Dina said that APXNEXT XE models had been requested through Motorola as part of their backup plan testing. He said the XE models are not NFPA approved. Vice Chair Franz asked when that decision had been made and would that delay the process. PAC Chair Dina said the radios would need programming but that they were hoping to not have to go to plan B. He said Fire Focus is hoping to get some answers after the NFPA Task Group meeting tomorrow.

Member Kramer said he had heard there were two seats offered to DuPage to be a part of the NFPA Committee. PAC Chair Dina said the NFPA was impressed with the work Fire Focus was providing and had asked them to take part, which would give DuPage a primary and secondary seat. Member Kramer asked if the decision had been made as to who would take those seats. PAC Chair Dina replied Westmont Fire retired Deputy Chief Jim Connolly and Lieutenant John Sullivan of Addison Fire.

Ms. Zerwin said the State's Attorney's Office was researching whether any of the travel costs incurred with those two seats could be an allowable cost in support of physical attendance at the meetings which are not held virtually. She stated that if the costs were allowable, she would bring them back to the Board for approval of this expense.

Chairman Schwarze asked if either Member attending via Zoom had questions or comments. Member Rauter said he had been attending the PAC meetings as well as Fire Focus Group and was impressed with the progress that had been made. He complimented PAC Chair Dina for

having Board's interests at heart. Member Rauter reviewed the April timeline of the NFPA and the decision to be made between the APXNext XN and XE. He said they were making good progress and he was enjoying his attendance at both venues.

The Board then moved on to Agenda Item 9.

8.B. Fire

PAC Chair Dina started with the Fire update. He thanked the Board for approving the Group Messaging Services which would allow for the programming of the mobiles to move forward. He reviewed the work of the Fire Focus Group with the NFPA Task Group, most of whom make up the Committee. He discussed some of the recommendations DuPage has made and the videos provided to the NFPA to assist in their discussions. PAC Chair Dina said the next meeting of the NFPA Task Group is tomorrow.

PAC Chair Dina then moved back to Agenda Item 8.A. Police.

9. DU PAGE ETSB 9-1-1 SYSTEM DESIGN

Ms. Zerwin informed the Board that since the house bill became a public act that provides for a vehicle to redistribute unused funds back to the 9-1-1 systems, as was discussed at the State meeting that there is going to be a redistribution of funds. She said the distribution is \$30M of which DuPage ETSB will receive \$2,601,413.84, which basically covers the true up of the radios.

Vice Chair Franz asked if it was an ongoing thing where they might received revenue down the road. Ms. Zerwin said at the State level, there are funds automatically distributed in the tariff. She said the State Police receives funding for administrative business. There was no mechanism in the Statute to return any unused funding at the end of the year so it accumulated over approximately five years. With the sunset, language was added to say the funding could be distributed to the 9-1-1 systems at the end of the year so there is a good chance, but not to the extent they are seeing in this distribution. Ms. Zerwin also said if there is money left over from the consolidation grants it gets redistributed but that last year the request for grants was greater than the amount set aside so there was nothing to be returned to the Systems.

10. OLD BUSINESS

There was no old business.

11. NEW BUSINESS

Member Maranowicz said that the Village of Addison's Executive Board had approved the PSAP IGA this last Monday. He thanked Member Guttman, ETSB staff, and PSAP Directors Bill Srejma and Jessica Robb. He said the IGA was now in Ms. Zerwin's hands and would going up to the DuPage County Board soon. Chairman Schwarze also thanked Member Maranowicz and Addison.

Ms. Zerwin said the IGA would be on the November 14 agenda for County Board and said CB Members would receive a supplementary memo regarding the IGA for background. Vice Chair Franz asked if the ETS Board Members could also receive the memo. Ms. Zerwin replied affirmatively.
