FINDINGS OF FACT:

- A. That petitioner testified that they seek the subject zoning relief to rezone the subject property from B-1 Local Business to R-4 Single Family Residential.
- B. That petitioner testified that he is downzoning the subject property and converting the existing building into a single-family home.
- C. That petitioner testified that other than the properties directly north and east of the subject property, all other properties west and south of the subject property are zoned single family residential in both the Village of Addison and unincorporated DuPage County.
- D. That petitioner testified the subject property zoned as B-1 Local Business is not compatible with the surrounding area and that the subject property has been vacant for over eight (8) years.
 - a. Furthermore, that there are only single-family homes being constructed in the surrounding area.
- E. That the Zoning Hearing Officer finds that petitioner has demonstrated the minimum of Standards for a Map Amendment (Rezoning) and that the Hearing Officer finds that downzoning the subject property from B-1 Local Business to R-4 Single Family Residential is suitable for the subject property and compatible with the surrounding area and neighborhood trend of development.

STANDARDS FOR MAP AMENDMENT (REZONING):

That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the map amendment (rezoning) is in harmony with the general purpose and intent of the Zoning Ordinance, and that the petitioner has demonstrated the following standards for a map amendment (rezoning):

1. Existing uses of property within the general area of the property in question, as petitioner **has demonstrated** that the property directly to the west is located in the Village of Addison and is a single family home; that the property to the south is located in the Village of Addison and is a single family home; that the property directly to the east is located in the Village of Addison and is an office building; and that the property directly to the north is located in the Village of Addison and is a commercial Tupperware store.
2. The zoning classification of property within the general area of the property in question, as petitioner **has demonstrated** that the property directly to the west is located in the Village of Addison and is a single family home; that the property to the south is located in the Village of Addison and is a single family home; that the property directly to the east is located in the Village of Addison and is an office building; and that the property directly to the north is located in the Village of Addison and is a commercial Tupperware store.

3. The suitability of the property in question for the uses permitted under the existing zoning classification, as petitioner **has demonstrated** that the subject property is not suitable under the existing zoning classification as it has remained vacant for over eight (8) years and that the subject property is primarily surrounded by single family homes.
4. The trend of development, if any, in the general area of the property in question, including changes, if any, which may have taken place since the property in question was placed in its present zoning classification, as petitioner **has demonstrated** that the trend of development in the general area is primarily toward single family homes.
5. The length of time the property has been vacant as zoned, considered in the context of the land development in the area surrounding the subject property, as petitioner **has demonstrated** that the subject property has been vacant for over eight (8) years as a B-1 Local Business property.
6. The extent to which the property values are diminished by particular zoning restrictions, as petitioner **has demonstrated** that the existing B-1 Local Business zoning district is not compatible with the surrounding land uses, and that the subject property has remained vacant for over eight (8) years as a commercial property.
