04,07,10 Acrobat Pro DC:
This product has both On-premise Software and access to On-demand Services. It does not include any Adobe Acrobat Sign entitlements, features, or capabilities, all of which requires separate purchase.

05,08,11 All Apps - Edition 4:
This product includes all Creative Cloud On-premise Software, Acrobat Pro, and access to all Creative Cloud On-demand Services. Users are entitled to download an unlimited number of Pro Images during the License Term. "Pro Images" means (A) photographs, illustrations, and vectors designated as "standard" in the On-demand Services that Customer may license through the On-demand Services as part of a Pro Edition Plan; and (B) any other asset types listed in the Stock Product Description (as defined in the Adobe Stock PSLT) as being available to Customer for license as part of a Pro Edition Plan. The Pro Images licensed under this Sales Order are delivered subject to the special terms for the Pro Edition Plans section in the Adobe Stock PSLT.

For Users provisioned under this SKU, the terms described in <https://www.adobe.com/go/firefly-supplemental-coverage-pslt> also apply.

06,09,12 Single App - Edition 4:
This product (1) is Creative Cloud On-premise Software and includes access to Creative Cloud On-demand Services; and (2) provides Customer access to all individual Creative Cloud On-premise Software applications (each, a "Single App") at the specified End User Unit Price set forth in this Sales Order. Single Apps available as of the Effective Date are listed here: <https://helpx.adobe.com/enterprise/kb/single-app-products-list.html>. Customer may deploy or provide direct access to Users any mix of these Single Apps, and each Single App deployed to or accessed by a User will count as one Single App license. Each Single App must be deployed to one User for a minimum of one calendar month. For example, regardless of when in the calendar month a Single App was deployed to a User, such Single App must remain deployed to such User until at least the same date the following calendar month. For example, if a Single App is deployed to User A on January 15, then such Single App must be deployed to User A until at least February 15. If a Single App is deployed on the 29th, 30th, or 31st day of a particular calendar month and the following calendar month does not have a 29th, 30th, or 31st day, respectively, then the one-month term of deployment for such Single App will end on the 1st of the month that lands at least 4 weeks after such Single App was deployed. For example, if a Single App is deployed to User B on May 31, then the one-month deployment term will end on July 1 because the month of June only has 30 days. Users are entitled to download an unlimited number of Pro Images during the License Term. "Pro Images" means (A) photographs, illustrations, and vectors designated as "standard" in the On-demand Services that Customer may license through the On-demand Services as part of a Pro Edition Plan; and (B) any other asset types listed in the Stock Product Description (as defined in the Adobe Stock PSLT) as being available to Customer for license as part of a Pro Edition Plan. The Pro Images licensed under this Sales Order are delivered subject to the special terms for the Pro Edition Plans section in the Adobe Stock PSLT.
