**CORRECTED NOTICE OF APPEAL
OF FINAL ADMINISTRATIVE DECISION BY DUPAGE
COUNTY BUILDING AND ZONING DEPARTMENT ON JULY 10, 2023
UNDER ILLINOIS ADMINISTRATIVE
REVIEW LAW, 735 ILCS 5/3-101 et. seq.**

TO: Jim Stran, Building & Zoning Dept. Manager
DuPage County

FROM: Bruce L. Goldsmith, Attorney for
VB BTS II, LLC (Vertical Bridge)

RE: Issuance of the building permit for the construction of a cell tower and access drive based on the Building Code Section 8-112.6 Access Drive and Culvert: Exception

DATE: July 19, 2023

Based on our conversations with Nicholas Alfonso, Assistant State's Attorney, our client VB BTS II, LLC ("Vertical Bridge") is appealing the decision of July 10, 2023, on the grounds that the County can apply the Exception without an access permit being issued by Bloomingdale Township for the following reasons:

It is Vertical Bridge's understanding that the Plans resubmitted have been approved by the County, subject only to the issuance of an Access Permit from Bloomingdale Township. Vertical Bridge takes the position that the Township Access Permit over what the County references to as the "Access Drive" (the land between Lot 171 owned by MSVL and the pavement of Glendale Road/Spring Valley Drive) requires an access permit. Vertical Bridge contends that this permit is unnecessary as the Township has conceded that no permit is needed over the Access Drive in its Final Administrative Decision of April 12, 2023. The exact reference is as follows: "Based on the submittals, VB BTS II, LLC is free to construct its proposed access road over the northern portion of lot 171 in a manner that will not impact the 66' property area dedicated to the Township, subject to any DuPage County building and land use requirements." Nonetheless, the Township continues to argue that it owns the 66' easement area over Lot 171, which the County's GIS Map clearly establishes is only an easement area over LOT 171 and not corporate property of the Township.

In support of this appeal, Vertical Bridge is relying on the following documents:
