Grant Proposal Notification

1. Justify the department’s need for this grant.

The target populations for the activities covered by this grant are low-income and moderate-income individuals including authorized-to-work immigrants and refugees. Per the 2021 Census, nearly 20% of DuPage County’s population (182,700 people) is foreign born, and 8.9% of residents indicate they speak English “less than very well.” The Workforce Development Division has served significantly higher numbers of authorized to work foreign born citizens than every other workforce area excluding Cook County (LWIA7.) Additionally, this grant will allow us the ability to potentially provide occupational training services for moderate-income (underemployed) individuals who do not qualify as WIOA eligible.
