ZHO Recommendation to Approve

FINDINGS OF FACT:

- A. That petitioner testified that the proposed zoning relief is to allow a Conditional Use for a Principal Recreational Use in the R-2 Zoning District to allow for a 2,112 square foot timber frame barn with horse stables to be built for the owner's horses.
- B. That petitioner testified that he currently lives five (5) minutes away and that the subject property would be used to store and exercise his four (4) personal horses until he is able to build a house on the subject property.

- D. That petitioner testified that he plans to build a house on the subject property and that until the home is completed, the subject property will be principally used as a recreational use to store petitioner's personal horses in a horse stable that he will visit daily.
- E. That Hearing Officer finds that petitioner has demonstrated that the subject zoning relief to allow a Conditional Use for a Principal Recreational Use in the R-2 Zoning District to allow for a 2,112 square foot timber frame barn with horse stables to be built for the owner's horses will not have any impact on adjacent properties and roadways, will not impact on drainage, and will not impede ventilation and light to the subject property or adjacent properties.

STANDARDS FOR CONDITIONAL USES:

1. That the Zoning Hearing Officer finds that petitioner **has demonstrated** that the granting of the Conditional Use is in harmony with the general purpose and intent of the Zoning Ordinance, and will not be injurious to the neighborhood, detrimental to the public welfare, or in conflict with the County's comprehensive plan for development; and specifically, that the granting of the Conditional Use will not:
 - a. Impair an adequate supply of light and air to the adjacent property as petitioner **has demonstrated** that the proposed recreational use will not impact or impair the supply of light and air to adjacent properties.

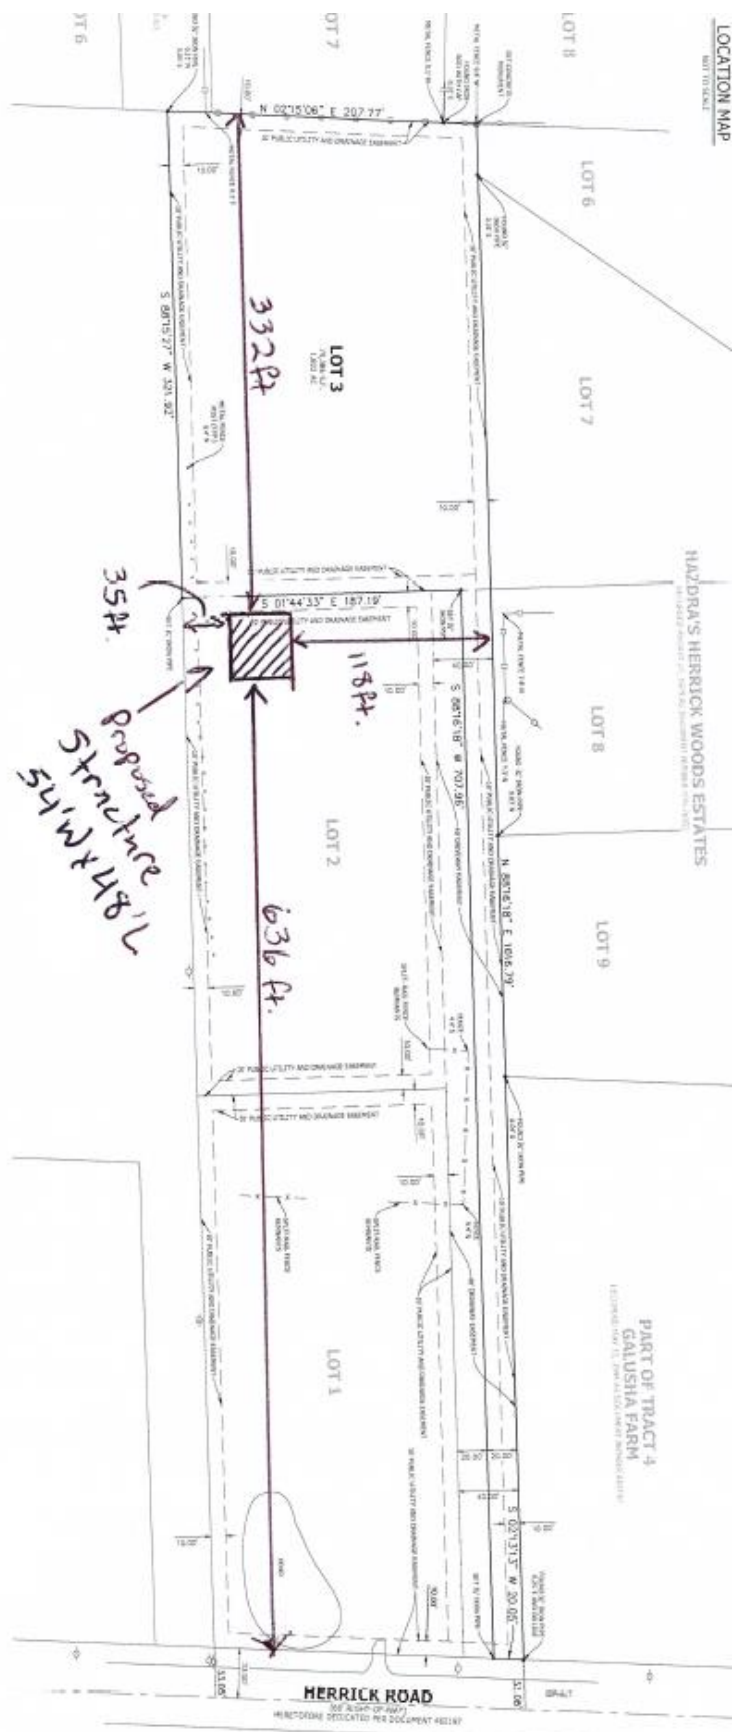

- b. Increase the hazard from fire or other dangers to said property as petitioner **has demonstrated** that they will receive a building permit from the County for the proposed horse stable and that it will be constructed pursuant to the current DuPage County building codes.
- c. Diminish the value of land and buildings throughout the County as petitioner **has demonstrated** that the proposed recreational use will not diminish the value of land and buildings throughout the County.
- d. Unduly increase traffic congestion in the public streets and highways as petitioner **has demonstrated** that the proposed recreational use will not unduly increase traffic congestion in the public streets and highways as the proposed recreational use and horses will be for the personal use of the property owner.
- e. Increase the potential for flood damages to adjacent property as petitioner **has demonstrated** that the County's Stormwater Department has no objections to the proposed recreational use.
- f. Incur additional public expense for flood protection, rescue or relief as petitioner **has demonstrated** that the County's Stormwater Department has no objections to the proposed recreational use.
- g. Otherwise impair the public health, safety, comfort, morals, or general welfare of the inhabitants of DuPage County as petitioner **has demonstrated** that the proposed recreational use will not have any impact on adjacent properties and roadways, does not impact on drainage, and does not impede ventilation and light to the subject property or adjacent properties.
